Jerry Scheidbach

Original Air Date: 09.01.18

1 NOTE: [I apologize, but I do not have a transcript of the interview with the Senator. We
2 have simply not had time to produce one. Hopefully, soon, I'll be able to post a complete
3 transcript. Thank you for being patient.]

4 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in
5 Santa Maria, CA—and your brain masseur—get ready for your brain massage.

6 Okay, everybody go to In-N-Out — the left's latest target. New developments in the NO-
7 COLLUSION case — and advances on the SWAMP cleanup detail — and lots to talk
8 about!

9 However, the Brain Masseur must devote his attention to some important personal
10 business — and I thought since the AB 2943 bill is nearing a critical point in its
11 development, a reprise of my interview with California Senator Mike Morrell would be
12 helpful and appropriate —

13 My dear friends, until next week — I remain, your *brain masseur*.

14 [TRUTH]

15 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain
16 masseur, and Paul Revere's lantern lighter, lighting the lamps in the church belfry arch,
17 signaling the enemy is on the march, an enemy that would steal from us our liberty.

18 For those who don't know the Senator: Google Senator Mike Morrell. *In brief*

19 He represents the 23rd district — north east Inland Empire — let's see, San Bernadino,
20 Lake Arrowhead, Big Bear, Crestline, Hemet (My Dad and I picked around Hemet for
21 tourmaline and other interesting rocks.) San Jacinto, Yucapia, Redlands — that should
22 give you an idea.

23 Senator Morrell has been a small business owner serving the Inland Empire for over 25
24 years.

25 The Senator's view of government is simple:

26 Government exists to serve the public, not to be served by it.

27 The right to private property, the gift of free enterprise, and government by consent are
28 central tenets to our nation and its continued prosperity.

29 He is committed to restoring fiscal responsibility and an approach to government that
30 limits government's power and ranks the citizen above the state.

31 Mike graduated from Damien High School in La Verne and earned his Bachelor of Arts
32 Degree in Business at the University of La Verne.

33 Married for over 38 years with three adult children. And he is a God fearing patriot.

34 He has served in our State Assembly and now serves in the State Senate.
35 [I apologize, but I do not have a transcript of the interview with the Senator. We have
36 simply not had time to produce one. Hopefully, soon, I'll be able to post a complete
37 transcript. Thank you for being patient.]
38 Segment.02 Hello. I'm Dr. Jerry Scheidbach, pastor at the Lighthouse, your brain
39 masseur, get ready for your brain massage.
40 I want to take a moment to address this latest effort to snare Trump — the Mueller-
41 Trump talks! Hah! Asking Trump to agree to talks with this crowd is like asking you to
42 walk through a river boiling with Piranha.
43 Remember the book, *Swimming With Sharks*? It's a bizarre fictional story built around a
44 core principle governing the dynamic of climbing the corporate ladder of success,
45 clawing, biting, backstabbing, gossiping, character assassination — you know, the do
46 anything and walk over anyone to get ahead type! So, the take away is if you swim with
47 sharks, expect to get eaten.
48 Of course, this is contrary to anyone's idea of a Christian approach to life. How can
49 Christians survive in the shark tank?
50 The Bible actually does speak to this question only it employs a different analogy. Jesus
51 instructs us to be wise as serpents and harmless as doves. He likens the wicked and
52 unreasonable, the haters of righteousness, and the despisers of those that are good, the
53 seed of the serpent to snakes. In other words, what the world calls *sharks* Jesus calls
54 snakes. "Ye serpents, ye generation of vipers," He said of the artful, and malicious
55 religious leaders of His day.
56 There is a way to handle serpents so that they cannot hurt you. He said we shall "tread on
57 serpents" — speaking of those children of disobedience who are taken captive by the king
58 of Serpents at his will — And Mark 16 speaks of the miracle that believers will "take up
59 serpents," and while that no doubt was fulfilled when Paul was bitten by vipers but
60 unharmed, there is certainly a spiritual application also.
61 The point of all this is that believers need to know how to handle snakes: what is needed is
62 a book for Christians in politics under the title *Handling Snakes*!
63 Pray for President Trump — he is surrounded by snakes, vipers like Mueller, Rosenstein,
64 and Weissmann — known as a super shark by his peers — an aggressive viper that
65 operates on the presumption of guilt, who with snake like cleverness wins convictions
66 that are more often than others in his field overturned — whose signature, his "Z" for
67 Zorro mark, was recognized by all familiar with his tactics in the early dawn raid of
68 Cohen's office and home, snubbing the usual protocol of meeting with a target's
69 representatives before such a move, bypassing the inconvenience of obtaining a warrant
70 in the usual way, and, oh yeah, the tactic of finding some vulnerability in anyone
71 connected to a target, even if it's a wife of a subordinate, anyone with any possible legal
72 vulnerability, no matter how unrelated to the investigation and attacking that person as a
73 way to pressure someone no matter how remotely related to the target to "flip" on them

74 and "testify" on behalf of the prosecution — no kidding, this guy has a long string of
75 overturned convictions — all of this earning him the nic-name of Mueller's pit-bull.

76 These are the snakes Trump must handle with care —

77 Mueller should never have been appointed — I brought out the reasons in last week's
78 show. Mueller should have been limited to a specific time frame and his investigation
79 narrowed to within specific parameters — and as soon as he strayed beyond that, he
80 should have been fired. Mueller has obviously had the time he needs to have completed
81 his investigation, and he should be shut down. Congress needs to shut him down. The
82 bottom line is that the Never Trumpers are circling the wagons around this guy because
83 he is useful as a way to hit Trump over and over and over. He is the stick in the hand of
84 the bullies that they are using, they hope, to distract Trump from the work the People
85 sent him there to take care of on their behalf. Make no mistake about this my friends.
86 This is the DEEP STATE spurning "We THE PEOPLE" because the American voter went
87 outside the establishment and brought in a rogue representative of the PEOPLE — an
88 "outsider"— and you are to be punished for this.

89 Anyway, here is the deal — Trump is right to be wary of talking to Mueller, he is right to
90 say no way until we can establish assurances and safeguards against being snared in their
91 snake pit — frankly, I've heard the questions purported to be those Mueller wants to ask
92 and the only appropriate answer to virtually all of them is THAT'S NONE OF YOUR
93 BUSINESS. What is obvious is that Mueller has NOTHING for all his work thus far and
94 their last ditch hope to get something is to get Trump to ramble on and say something,
95 anything, they can use to ensnare him, to make him "an offender for a word" — I like
96 Hannity's offer — give Trump the same deal they gave Hillary, no recording of the
97 meeting, questions vetted in advance, not under oath, and no transcription allowed.
98 Yeah! That was the deal Hillary insisted on — and you know what would happen if
99 Trump insists on the same thing? Yeah, you know what would happen.

100 I am so sick and tired of these people. It's at the point now that you know what, until they
101 indict Hillary I say they CANNOT INDICT TRUMP. No way! Congress should pass a
102 law that says unless the DOJ indicts Hillary, the DOJ must be SHUT DOWN, every case
103 they want to make against anyone must be REVIEWED by a SPECIAL COMMITTEE in
104 OPEN AND PUBLIC HEARINGS — that probably needs further thought, but you get
105 what I mean? The DOJ including the FBI is broken — IT'S A FAILED SYSTEM — it has
106 become the Department of INJUSTICE — it is a POLITICAL TOOL controlled by
107 LIBERALS and used to SUBVERT the CONSTITUTION of the UNITED STATES. But,
108 I'm here to tell you that GOD is on HIS THRONE.

109 I have lit the lamps in the Church belfry arch and now you let me know if you see them.
110 It's LIGHTS ON if you see the LIGHTS ARE ON and you will ride like Revere and spread
111 the warning, (essentially, it means you agree with what I'm saying) or you say LIGHTS
112 OFF -- which means you reject what I'm saying and disagree strongly with me. So, what
113 will it be today, lights on, or lights off?
