

Brain Massage: Show No. 691 The Progressive Implosion Progresses /  
Kavanaugh, NYT Oped, Woodward, And GOD!

Jerry Scheidbach

Original Air Date: 09.0818

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Great news — AB 2943 has been withdrawn by it's author — but  
5 please understand, it's not over! The libs have simply gone back to  
6 their drawing board, so to speak! An update on what happened and  
7 what's coming.

8 The Kavanaugh confirmation debacle — it's Looney Liberals on  
9 Parade — a sort of comic cavalcade of cartoonish buffoons — look,  
10 I have more faith in Americans generally than to believe most  
11 American look at this behavior approvingly — this is just bad  
12 behavior. I'll bet they all wear Nikes and eat at the Red Hen.

13 They are trying to Nixonize Trump — pull out the old attack dogs  
14 — Woodward's the old dog that can't learn new tricks — they  
15 Tricky Dicked Richard Nixon — but I don't think they are going to  
16 bully Trump out of the White House. In fact, how about we make  
17 sure they don't. Woodward wears Nikes and eats at the Red Hen.

18 Along with Woodward's latest book, a suspiciously timed release of  
19 an anonymous Op Ed from New York Times claims to be from a  
20 high ranking Trump Administration insider saying many in  
21 Trump's admin are hanging on only to impede the President —  
22 IT'S A LIE, but if it's true, Trump is indeed the most remarkable  
23 leader the world has ever known to get so much GOOD done for  
24 this country against so much wicked opposition.

25 Those experienced in the ways of liberaldom see this for what it is.  
26 A coordinated attack on Trump — and what many Americans are  
27 beginning more and more to realize is that attacking Trump is a  
28 direct assault on America, and on the values shared by all who

29 support him. In other words, this issue is LARGER than TRUMP.  
30 This is about America. This is a battle between those who love  
31 America and those who hate her.

32 Liberals think free speech belongs exclusively to them. In thier  
33 point of view, you have free speech so long as you say what they  
34 want to hear. Otherwise, you don't have a right to say it. CNN,  
35 NBC, ABC, et al squeal like stuck pigs when Trump calls them out  
36 for their "Fake News" — and it's all, the President is attacking free  
37 speech. Well, actually, no! What the President is doing is  
38 EXERCISING IT!

39 McCain — may he rest in peace — and by that, I mean may he rest  
40 holding his peace — if you know what I mean. How shameful for  
41 his family to allow his funeral to be turned into a sideshow —  
42 Resistance rally. So that's how we will remember him — a petulant,  
43 angry, vindictive, and resentful man — to the end! Sad!

44 We knew it would get worse before it got better — the Left is in an  
45 all out war against civil government. The gloves have been dropped  
46 and what I've learned over years of watching how the divide in this  
47 country has developed, I'm telling you, we are past the point of  
48 simply letting the children throw their fit till they wear themselves  
49 out — these 2 year-olds must be spanked. We MUST RESIST  
50 THEM — we must resist the resistance. Stand UP and PUSH  
51 BACK! You must not let this go unanswered.

52 But I don't have to tell my conservative friends that you don't act  
53 like these rude, crude, and obscene people. Push back with  
54 TRUTH, JUSTICE, and the AMERICAN WAY.

55 Okay my friends. It's time for your Brain Massage®

56 [TRUTH]

57 The Bible tells us to pray for all men, and especially for those in  
58 authority, so that we can live peaceable lives — I Timothy 2

59 If ever our country needed prayer, it's today. I'm calling for a  
60 special prayer meeting Sunday night at 6 pm. If you believe II  
61 Chronicles 7:14 is a promise GOD will keep, come on out Sunday  
62 night.

63 Brett Kavanaugh has been nominated by President Trump to the  
64 Supreme Court of the United States — and with the advice and  
65 consent of the Senate, he will be appointed by the President to the  
66 office, and no one denies his qualification to hold a seat on that  
67 court. The resistance to his nomination makes the Gorsuch  
68 hearings seem friendly by comparison.

69 The last time we saw the left act this way over a court nomination  
70 was when Clarence Thomas faced them down — but even that was  
71 nothing when compared with this. It got more personal with  
72 Justice Thomas — but it backfired on them. Perhaps that is why  
73 they are not trotting out the trollops, heh, you know, bring out the  
74 Bimbo brigade, against Kavanaugh, at least not yet.

75 You have watched this, I'm sure! I don't think I need to describe  
76 what is going on. The rude, disorderly, contemptible behavior of  
77 those opposing Kavanaugh is over the top.

78 You saw nothing like this over Obama's ridiculous nominations —  
79 even though we opposed them, they were given an honest hearing  
80 and personally, I think both of them were 100% politically  
81 motivated nominations, both of them, Sotomayor and Kagan are  
82 Obamabots, they are Resistance operatives — well, maybe I'm  
83 going too far with that — okay, let's walk it back a bit. There are  
84 reasons to believe the weight of the office has matured them both  
85 somewhat — but let's be honest here and say as far as depth of  
86 knowledge, breadth and scope of their legal understanding, these  
87 two are dwarfed by the great legal minds that have occupied their  
88 office — they definitely mark a new low, and lower the bar.  
89 Kavanaugh, on the other hand, has the marks of a true legal  
90 genius. Read his rulings and compare them to the writings of

91 Kagan and Sotomayor and it's like the difference between reading a  
92 comic book or a High School book report and the Federalist  
93 Papers.

94 The left is concerned that Kavanaugh is a politically motivated  
95 appointment — what does that mean? They don't like his legal  
96 ideology, they don't like him because he believes the Constitution  
97 should be applied to questions of law as it is written with a bias  
98 toward original intent — in other words, he believes the  
99 Constitution is the LAW and not the jurists charged with  
100 interpreting it — Legislation is done in the Legislature, not on the  
101 Bench — there we want legislation to be tested against the letter of  
102 the LAW OF OUR LAND — period.

103 Now, you see, this is a threat to Democrats these days. They have  
104 used the court as a tool for social engineering, they have used the  
105 court to advance their agenda to transform America into a socialist  
106 dictatorship of the proletariat — they have used the courts to shape  
107 social mores and American values — they have used the court to  
108 achieve Obama's proud declaration — that America is NO  
109 LONGER A CHRISTIAN NATION — at least not just —  
110 rhetorical genius — but devilish ideology —

111 What you are watching does not make sense to us until you  
112 consider two things.

113 First, the Liberals are losing. They have lost the Legislature, they  
114 lost the Executive, and now with this appointment to the Supreme  
115 Court, they will finally have, effectively, lost the Judiciary.

116 They are in a panic because with conservatives controlling these, all  
117 the lies they used to hold these branches of government will be  
118 exposed, there will be a draining of the swamp — there will be a  
119 general clean up of Washington — and all their skeletons will be  
120 dug up and put on display before the country and the world.

121 They are also losing their nearly dictatorial control over the black  
122 and Hispanic vote in this country —

123 And they are losing the propaganda war over women's rights and  
124 abortion— increasingly people are waking up to the TRUTH about  
125 abortion, and more and more women are seeing through the so-  
126 called "women's movement" for what it really is — it's an anti-GOD  
127 and Country movement. Most American women love their  
128 country and their families — and they are far more intelligent than  
129 the left believes them to be — they know when the economy is  
130 improving and their children are getting jobs, and their own pay is  
131 increasing — even old Wolf Blitzkrieg who went on a twenty  
132 minute rant about Trump being distrusted by his own staff — and  
133 his Administration being in chaos was forced to admit, "okay, the  
134 economy is great, jobs are great," — Hah! And how about N. Korea  
135 is moving forward with plans to de-nuke, and China threatens to  
136 take Taiwan no matter what, and Trump sends our ships to sail  
137 through the Taiwan strait — China in check, pondering carefully  
138 it's next move. Don't tell me this President does not understand  
139 foreign policy — let's add, he moved the US Embassy to Israel to its  
140 rightful capital — JERUSALEM —

141 Hey, vovlfy — Trump's Administration is not in chaos — but the  
142 entire liberal establishment is in total chaos — something anyone  
143 can see on TV every day.

144 But, anyway... the first reason the Progressives are going so totally  
145 insane right now is that they are losing, and the consequences of  
146 losing are very severe, very real. Because if this continues, they will,  
147 I say, THEY WILL lose what is probably the number one most  
148 important stronghold they continue to have in America — the  
149 public schools.

150 As I said, the truth about what the Left really is about will be  
151 exposed as the swamp is drained, and the holy-grail of the evil  
152 empire in this country, the blood offering to their gods securing

153 the hold of Demoncrats in power — the sacrifice of innocent blood  
154 through legalized abortion — you know, the reason the Aztecs  
155 performed human sacrifices is that they believed it kept the  
156 priestcraft in power over the people — the human sacrifice of  
157 innocent blood is hugely important in the dark occult world —  
158 they believe it feeds the devils that empower them — sounds  
159 bizzare huh — just wait till the swamp starts draining and stuff  
160 starts coming out that will literally sicken you — SHINE OH  
161 LIGHT OF GOD and show this people their SIN. It's my prayer the  
162 swamp will drain and what is exposed will evoke a nationwide  
163 revulsion against the evil and darkness that has overtaken our  
164 nation's capital that will turn hearts back to the GOD of our  
165 FATHERS — the GOD that gave life and demanded that we  
166 respect it, and cherish it, and protect it.

167 That's what this is about! It's about protecting their sacrifice to  
168 their evil god Moloch — murdering babies, what will happen when  
169 America finally wakes up to the holocaust they perpetrated upon  
170 the weakest and most vulnerable — by claiming they are less than  
171 human — just like the Democrats did with Slavery, deny  
172 personhood to a class of people and then enslave them — today  
173 they deny personhood to the baby in the womb and slay them  
174 mercilessly — brutally — wickedly.

175 What you are watching has been described as the left acting out  
176 like 2 year olds willfully demanding their own way. Okay, but it's  
177 more than that, and more serious! The reason they are doing this is  
178 first, they are losing and the consequences of losing are very  
179 serious, with even legal implications, second, they see abortion  
180 getting exposed for what it truly is and they know Roe v Wade is  
181 vulnerable — And don't think the Congress gets a pass on this. All  
182 they had to do all along is pass the life at conception act and they  
183 have equivocated and refused to do it.

184 Some want a system like what was proposed with slavery, where  
185 each State gets to decide whether or not to legalize owning human  
186 beings. Okay, I'll need to conclude the first segment.

187 We've never seen anything like this.

188 The Kavanaugh confirmation debacle — it's Looney Liberals on  
189 Parade — a sort of comic cavalcade of cartoonish buffoons all  
190 wearing Nikes and heading to the Red Hen to eat.

191 You did hear that Nike stock is falling fast — I certainly would not  
192 wear their brand — Nike is the I-hate-America-brand — hey, Nike,  
193 go to Russia or China. Red Hen is not doing well either, I read  
194 somewhere that the town is having financial difficulties because  
195 people don't want to go there —

196 Read Psalm 2 and then watch the news. The heathen are raging!

197 I'll be right back!

198 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
199 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
200 lighter, lighting the lamps in the church belfry arch, signaling the  
201 enemy is on the march, an enemy that would steal from us our  
202 liberty.

203 They are trying to put a Nix on Trump — heh, get it, Nix-on  
204 Trump — Nixon Trump, oh all right then

205 Woodward made his career as an attack dog on Nixon. What  
206 Nixon did was actually more stupid than criminal, but back then,  
207 criminal enough to warrant the distrust that rose in our hearts  
208 against him, but now, let's be frank, while we were all appalled at  
209 his language, and his efforts to cover up the scandal — Hillary,  
210 email scandal, selling intel to foreign powers for donations to her  
211 holding company and money laundering scam called the Clinton  
212 Foundation, Obama's duplicity in the matter of Benghazi, in Fast  
213 and Furious, in sending billions to Iran, the Berghdal travesty, not

214 to mention his refusal to release his birth certificate until he was  
215 forced to do it leaving us all in doubt about his citizenship, it goes  
216 on and on — Ted Kennedy colluding with Russia against a sitting  
217 President, Reagan, all of you who lived through the Nixon  
218 Watergate scandal — tell me you don't see the truth now! The very  
219 people who attacked Nixon back then are the PEOPLE DOING  
220 THINGS IN OR GOVERNMENT THAT ARE TEN TIME MORE  
221 WICKED — and it's time for their judgment! It will come from  
222 GOD! Be patient, pray, watch, speak out, and support this  
223 president and his team — DRAIN THE SWAMP!

224 They Tricky Dicked Richard Nixon and bullied him into resigning  
225 — but I don't think they are going to bully Trump out of the White  
226 House. In fact, how about we make certain they don't. Woodward  
227 probably wears Nikes and eats at the Red Hen. Yeah, and he wears  
228 the Kapaernick socks too — you know, the ones that depict cops as  
229 pigs. How about Nike start a line of socks to go with their tennies?

230 Along with Woodward's latest book, this Oped appears in the  
231 NYT. An anonymous Op Ed claims to be from a high ranking  
232 Trump Administration insider who is saying many in Trump's  
233 admin are hanging on in order to protect America from the  
234 President.

235 Read it! This was written by a New York Times journalist. Dinesh  
236 has it right on: "Just read the anonymous @nytimes article and it's  
237 blindingly obvious it's an in-house product written not by any  
238 Trump official but by a professional writer at the newspaper itself.  
239 This is the very definition of #FakeNews" Yep! Like a White  
240 House Staffer would write, "It might be cold comfort in this chaotic  
241 era." Right! And "Astute observers have noted..."

242 Then, take a look at this "revelation" from the "insider": "Take  
243 foreign policy: In public and in private, President Trump shows a  
244 preference for autocrats and dictators, such as President Vladimir  
245 Putin of Russia and North Korea's leader, Kim Jong-un, and

246 displays little genuine appreciation for the ties that bind us to  
247 allied, like-minded nations."

248 Right, like the way Obama treated the Queen of England, and  
249 BOWED deeply to the king of Muslims — oh, I mean the King of  
250 Saud. You mean like they way Obama colluded with Russian  
251 operatives to get the phony Dossier on Trump, or when he sold us  
252 out to the Mullah's of Iran — there is no way anyone in the White  
253 House, unless they are a closet McCaniac, would have written  
254 something so asinine.

255 He held the NATO partners accountable and it's about time  
256 someone did. As for reluctance to take action against Russian  
257 diplomats—well, he did it didn't he??? There are always conflicts  
258 in any administration over what should be done about this or that  
259 — the bottom line is he did what was right! He did not fire those  
260 opposed to him and ram rod his agenda through — that's what a  
261 dictator does.

262 His leadership style is unique in some respects. "Meetings with  
263 him veer off topic and off the rails, he engages in repetitive rants,  
264 and his impulsiveness results in half-baked, ill-informed and  
265 occasionally reckless decisions that have to be walked back." Well,  
266 we've seen enough to believe there might be some truth to this. So  
267 what! Lyndon Johnson was miserable to work with — talk about a  
268 dictator. One thing about Trump is that he DOES WALK IT  
269 BACK when necessary. Obama, Hillary, they just add another lie  
270 on top of a lie until the issue is buried under so many lies it's  
271 bewildering and exhausting trying to get to the bottom it and  
272 people, unfortunately, lose interest, or their attention goes  
273 elsewhere.

274 But in the end of the day, it all goes to just how incredible a leader  
275 he is. I agree with Dinesh, IT'S A LIE, but if it's true, Trump is the  
276 most remarkable leader the world has ever known to get so much  
277 GOOD done for this country against so much wicked opposition.

278 It's nothing short of a miracle.

279 I would be among the first to say I am surprised at his performance  
280 in this job. It's not what I expected. Nothing I saw in Trump or  
281 from him promised this kind of stellar performance in what is  
282 certainly the most challenging job in the entire world. But GOD.

283 I read, I think I read it, might have heard it, a message titled *But*  
284 *God*. It goes through all the occasions in the Bible where some  
285 terrible thing was about to fall upon mankind, *But God* intervened.  
286 It's taken from Romans 5:8 "But God commendeth His love toward  
287 us in that while we were yet sinners, Christ died for us..."

288 We were headed for hell. I'm not using that expression  
289 euphemistically, I mean it the way the Bible uses it when it says,  
290 "the wicked shall be turned into hell, and all the nations that forget  
291 God" Psalm 9:17.

292 We were headed for hell — if Hillary had won the election, the  
293 swamp would have spilled over and spread its foul stench all over  
294 the country — and this nation would certainly have been "turned  
295 into hell." And you can take that any way that occurs to you and  
296 you would be right.

297 BUT GOD! One thing that is outstanding about this whole thing is  
298 that it's obvious GOD is working through Trump to do so much  
299 good for this country and as we should expect, the devil's crowd is  
300 HOWLING in a blind rage against him.

301 Okay, let's see here.

302 You know what? Liberals think free speech belongs exclusively to  
303 them. They are all about free speech when it's them rudely, and  
304 actually illegally, interrupting a legal assembly, and they are for free  
305 speech for you too, so long as you say what they want to hear. But  
306 otherwise, you don't have a right to free speech. CNN, NBC, ABC,  
307 et al squeal like stuck pigs when Trump calls them out for their  
308 "Fake News" — and they're all, the President is attacking free

309 speech. Well, actually, no! What the President is doing is  
310 EXERCISING IT!

311 You don't lose your right to free speech when you become  
312 President. Well, that's enough on that. You know that already  
313 about liberals. They think they own free speech. Well, let's make  
314 certain they understand that free speech is ours too.

315 Okay, time to close.

316 My friends, we knew it would get worse before it got better — the  
317 Left is in an all out war against civil government. They are  
318 deconstructing civil order. GOD want order, the DEVIL feeds on  
319 disorder. God said, "let everything be done decently and in order"  
320 one way to know what spirit is operating in the left today is they  
321 are fomenting confusion and every evil work — and, just like the  
322 Bible say, they are motivated by envy and strife — James 3:16. They  
323 are disorderly, and that is contrary to the SPIRIT OF GOD.

324 We are coming up on an election that is EVERY BIT as  
325 IMPORTANT as the Presidential election of 2016. Please hear me.  
326 This not your typical midterm election — YOU MUST GET  
327 INFORMED AND YOU MUST VOTE.

328 For Christians, you are instructed to try the spirits to see if they are  
329 of God. God said, let everything be done decently and in order (I  
330 Corinthians 14:40). Whatever spirit is operating in them is not the  
331 Spirit of God because they have no regard for decency or order.

332 This is a spiritual battle — and you need to understand how to  
333 engage in this battle — so Sunday night, I'll be talking about this.

334 I have lit the lamps in the Church belfry arch and now you let me  
335 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
336 ON and you will ride like Revere and spread the warning,  
337 (essentially, it means you agree with what I'm saying) or you say  
338 LIGHTS OFF -- which means you reject what I'm saying and

339 disagree strongly with me. So, what will it be today, lights on, or  
340 lights off?
