

Brain Massage®: Show No. 693 Stupid On Purpose And With A Purpose /
The Kavanaugh Confirmation Circus Continues / Will Trump Declassify

Jerry Scheidbach

Original Air Date: 09.22.18

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Warning — this brain massage is going to work out some very
5 tight knots and that can be sometimes painful.

6 [TRUTH]

7 A good name! A good name is rather to be chosen than riches.
8 What is the value of a good name?

9 Conservative/Progressive — a conservative wants to, well, conserve
10 our American traditions. Liberals have attached the label,
11 *American traditions*, to slavery (a Democrat thing), with Jim Crow
12 (a Democrat thing), and the KKK (a Democrat thing) — so liberals
13 say conserving American values means conserving bigotry — as if,
14 first, only Americans are bigoted and only Americans practiced
15 slavery; but anyway, because conservatives want to conserve
16 slavery, they see conservatism as inherently bigoted, and
17 Progressivism as, well, progressive, dedicated to leaving America as
18 founded by slave owners behind and embracing a future that is
19 new and different from the past — a future where slavery is, well,
20 actually, where it is redefined as the Slave State, the State
21 controlling our lives.

22 Never mind that it was conservative Americans who hated slavery,
23 resisted it, and finally ended it. And it has been Democrats who
24 have, throughout history, resisted efforts to stop it. But that does
25 not matter. Conservatives want to *conserve* American traditions,
26 slavery is an American tradition, ergo, conservatives want to
27 conserve slavery.

28 Of course, this is one of those obvious examples of Satanically
29 inspired stupidity — trust me, it's not you simple run of the mill
30 type of dimwittedness — this is stupid on purpose and with a
31 purpose.

32 No one with sense would believe that Conservatives want to return
33 to Slavery, especially those who know that it was conservatives who
34 fought to end it.

35 Conservatives want to CONSERVE the values and principles that
36 led this nation to END SLAVERY. Modern day liberals would
37 never have ended slavery — the Democrats would never have
38 ended slavery. They were dragged kicking and screaming into that
39 LIGHT of TRUTH. We conservatives won that round, and we will
40 win this one too. Once again we are trying to drag Liberals,
41 Democrats, kicking and screaming out of their darkness and into
42 the LIGHT of TRUTH.

43 But we hope it will not require a bloody so-called "Civil-War" —
44 we hope to win this one through a bloodless CULTURE WAR —
45 but the liberals are making that increasingly difficult what with all
46 their vicious, hateful, nasty, unkind, indecent and disorderly
47 behavior of late.

48 So it's a rhetorical war — a battle of words! And in their arsenal are
49 lies, innuendo, used to accuse, and if none are available, they resort
50 to false accusations, character assassination —

51 So while they know full well that Conservatives not only do not
52 want to return to slavery, they know full well that conservatives are
53 the one primarily responsible for ending it — they contrive by their
54 lies, by deceit, by innuendo, to convince themselves that because
55 conservatives want to conserve American traditions, and since
56 some Americans owned slaves in the past, that makes slavery an
57 American tradition, and therefore conservatives want to conserve
58 slavery, while they, on the other hand, want to PROGRESS forward

59 into a new era leaving American traditions behind — and if you
60 cannot see, if you cannot see clearly, without further elucidation
61 exactly what is going on here the only conclusion I can make is that
62 you are a liberal — you are a progressive.

63 Because only liberals think like that.

64 Conservatives want to conserve the values and principles that led
65 the world into a new era of valuing human rights, of cherishing life,
66 liberty, and the pursuit of happiness, of FREEDOM, and LIBERTY
67 for all, red, yellow, black, or white, whether helpless babies in the
68 wombs of their mothers, or babies toddling along, or feeble seniors
69 doddering along or approaching their meeting with their Maker,
70 and all in between. We want to CONSERVE the value ensconced in
71 the Declaration of Independence — ALL MEN ARE CREATED
72 EQUAL AND ENDOWED BY THEIR CREATOR WITH
73 CERTAIN INALIENABLE RIGHTS — that's what conservatism is.

74 And the left knows it! They are stupid on purpose, and with a
75 purpose.

76 So, first we must define *stupid*. Gump tells us his mother said
77 "stupid is as stupid does." Well, that's droll! The word *stupid*
78 actually hails from France — Stupide, which adapted it from the
79 Latin *stupidus* which is derived from *stupere* and means to "be
80 amazed or stunned," with the idea of being made incapable of
81 cogent thought. Being *stupid* means to be under the influence of
82 something that interferes with one's ordinary ability to reason, or
83 think clearly.

84 For example, people under the stupefying influence of hatred for
85 America as founded are unable to think rationally about it, and so
86 accept stupid ideas like *conservatives want to return to slavery*. In
87 other words, it's STUPID ON PURPOSE AND WITH A
88 PURPOSE — the purpose is to destroy the good name of America,
89 the good name of Conservative, and even the good name of

90 LIBERAL — yeah, those who have stupidly connected the word
91 *conservative* to *slavery* have also connected another good word,
92 *liberal*, to that stupidity.

93 In fact, Progressives have taken that good word, *liberal*, and, lately,
94 have attached it to such vile behavior as would make anyone that is
95 not under the influence of their irrational hatred-for-America
96 induced stupefaction to recoil in horror and disgust — indeed, the
97 liberal so-called progressive has connected liberal to villainy —
98 and it's sad, because *liberal* is a good word — we may rejoice,
99 however, because GOD has promised us: "The vile person shall be
100 no more called liberal" (Isaiah 32:5). Indeed, there is hope — the
101 context of this verse includes another promise we can make use of
102 right now: "The heart also of the rash shall understand
103 knowledge..."

104 So, all of this to say — only those who are stupid believe this
105 California Berzerkly Liberal accusing Kavanaugh of attempting to
106 rape her back in their High School days — 30+ years ago — wrote
107 her letter of accusation to Feinstein after Kavanaugh was
108 nominated to the Supreme Court because she felt it was her duty to
109 come out with this now — that it was fine for him to be on one of
110 the most influential and important Federal courts in the land, but
111 now that this ostensibly pro-life, pro-Constitution as written,
112 conservative inclined Jurist might get on the Supreme Court, now
113 this flaming liberal thinks it matters enough for her to speak up —
114 only the stupefied believe Feinstein held it back for three months
115 because she was honoring a request for anonymity — of course she
116 did — that's why she wrote the letter to Feinstein, right, because
117 she wanted to be anonymous? Only the stupid don't see that it's
118 nothing but a delaying tactic whereby the liberals hope to delay
119 Kavanaugh's appointment to the Court until they can STEAL the
120 November election like they tried to STEAL the 2016 election —
121 (we know Hillary stole her nomination from Bernie and the

122 evidence is piling up that Hillary, Obama, and the rest of those
123 crooks, tried to STEAL the 2016 election from conservatives —
124 only the stupid actually think) — only the stupid, (ouch—hey,
125 don't press so hard on that tight spot in my brain—haha. Okay,
126 how about *stupere*?) Only the *stupere* believe her unwillingness to
127 testify on Monday has anything to do with anything else but to
128 delay, delay, delay. Give her a chance to testify on Monday, if she
129 shows up, great, let's hear what she has to say, let Kavanaugh
130 respond — then VOTE.

131 Do you really believe the left are motivated by a concern for
132 women? Only stupid people believe the left is concerned about
133 women. Hey, I heard somewhere, where is that, here it is — Juanita
134 Broderick is willing to testify. Ellison's accuser is willing to testify.

135 Okay, okay! I get it. Some of you are under the stupefying influence
136 of political correctness, and in your *stupere* you cringe every time
137 you hear the word *stupid* so allow me to remind you that the word
138 does not refer to someone who is biologically disadvantaged, it
139 does not refer to someone that is for physical reasons impaired
140 intellectually — the word speaks of those who are under the
141 influence of some irrational hatred, fear, or coveteousness that
142 makes them appear in every way to be incapable of sound reason
143 but in reality it is an unwillingness to see the truth — they are
144 stupid on purpose and with a purpose.

145 They believe something they know in their heart to be false but it
146 serves their purpose. Here is how they think, are you ready for this?
147 Stupid people think like this: conservatives want to conserve
148 American traditions. Slavery is an American tradition.
149 Conservatives want to conserve slavery.

150 Come on. You can't call that for what it is? That is willful
151 STUPIDITY. That's not a disdainful derogation of a person who
152 deserves our pity — it's a term of reproach, and rebuke against
153 those who are stupid on purpose and with a purpose.

154 You know that slavery is not an "American tradition." Slavery is no
155 more an American tradition than Abortion is an American
156 tradition. Abortion is an American aberration — abortion is
157 CONTRARY to our American tradition of the sanctity of human
158 life. Slavery is the same way. Slavery is something that was going on
159 all over the world, and still goes on in many places of the world —
160 the American TRADITION is it's honorable record of ENDING
161 SLAVERY — ending slavery is AMERICA'S TRADITION —
162 ending it brought America into alignment with it's TRADITION of
163 TRUTH AND JUSTICE FOR ALL.

164 The sad truth is that persons of low intellectual capacity are the
165 ones most susceptible to this sort of stupidity — but they are not
166 stupid. They are victims of those who capitalize on their ignorance
167 or lack of intellectual capacity — the stupid, driven by their hatred,
168 the "rash" as the Bible calls them, the rash who rush to conclusions
169 and doing so twist reason into a pretzel, take advantage of them.

170 The Bible uses another word for this — it's the word *brutish*. To be
171 brute like is to have the reasoning capacity of a beast, limited. It is
172 to be, well, *stupid*.

173 A lot of pastors are brutish — they don't think beyond the capacity
174 of a beast because they are STUPID. Read about them in Jeremiah
175 10. They serve their own belly — their own interests. To protect
176 their own interests they refuse to speak the TRUTH in their
177 pulpits; it might offend someone. So, being stupefied by this fear,
178 they rationalize their cowardice by believing things like, a pastor
179 should not engage in politics.

180 But that is exactly what they are doing. They are making a
181 politically expedient decision to not speak GOD's TRUTH to the
182 cultural sins of our nation by creating an off limits zone for the
183 Bible. Politics is off limits from the BIBLE, from the TRUTH?
184 Really?

185 No wonder we are in such a mess — we have a pack of STUPID
186 (brutish) pastors whose reasoning is stupefied by their fear of man
187 so they use STUPID arguments to justify their cowardice.

188 And don't think those of you who attend and support those pastors
189 are going to get a pass — the Bible exposes you too. It says, "you
190 love to have it so." You like the coward pastors because you can
191 hide your own cowardice behind their frocks. Coward flocks hide
192 in the skirts of coward frocks.

193 Okay, let's wrap the first segment. What is the value of a good
194 name? Have you noticed how the wicked labor incessantly to ruin
195 very good name? There is a natural perversity in human nature
196 that drives them to exalt a bad name and ruin a good one.

197 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
198 at the Lighthouse, your brain masseur, and Paul Revere's lantern
199 lighter, lighting the lamps in the church belfry arch, signaling the
200 enemy is on the march, an enemy that would steal from us our
201 liberty.

202 So, let's see ... yeah, let me finish up with the latest Stop
203 Kavanaugh circus act.

204 I no sooner mentioned my surprise and satisfaction that the left
205 could find nothing salacious, or scandalous, on Kavanaugh than,
206 what was that, about two or maybe it was three weeks ago — after
207 Kavanaugh has been vetted by the FBI, what six times, I can't
208 remember, and nothing like this came up. And that's back when
209 the leadership in the FBI actually cared about justice and truth.
210 You know, before certain of the FBI were trying to cover for
211 Hillary, and help her get elected, before phony dossier's and
212 conspiracy to overthrow a Presidency — back in those days. You
213 might remember when it was the Federal Bureau of Investigation
214 and not INSTIGATION. Before the days FBI came to mean
215 Favoritism (they were certainly WITH HER), Bunco, and Illegal

216 surveillance. Or, the Fraudulent Buncos of Immorality — okay,
217 that's enough. I have acquaintances that served faithfully in the FBI
218 and it's just sad how the liberals have sullied yet another good
219 name.

220 I no sooner had indulged, with satisfaction, that the loonies on the
221 left had been unable to come up with anything on Kavanaugh they
222 thought they could use to ruin his good name — what's that? —
223 Well, that's true, I said, *yet* and said that with emphasis, you are
224 right — because the liberals these days are so bizarrely *stupere* they
225 audaciously criticize a Juanita Broderick, and embrace a
226 Lewdinzky, they ignore Ellison's accuser who has produced hard
227 evidence to support her allegations and insist the Kavanaugh
228 accuser gets her day in court with ZERO evidence. Thirty years
229 ago, she claims, Kavanaugh attempted to rape her, but she cannot
230 remember where or when. Feinstein held her letter of accusation
231 for something like three months and never brought it up, not even
232 discreetly, when speaking with Kavanaugh in two or three private
233 sessions.

234 So the Palo Alto University professor of clinical psychology has
235 decided she will testify — but the terms are very fishy. First, the FBI
236 refused to investigate the claims. Why? And where is Sessions in
237 any of this. That is the most do nothing dead beat I've ever ...

238 Anyway, of course this should be vetted by the FBI who have
239 something like six files of investigation on Kavanaugh — and have
240 the best possible resources to run this down. But they won't touch
241 it. Why? Well, it just so happens that if they did, they would have
242 to question Ford and if she lied to them, well, then she would be in
243 trouble. Furthermore, if the FBI get in on this, well, that would
244 bring into question the chain of evidence issue — the letter of
245 accusation, who did write it, when, under what circumstances, and
246 then the probe would work it's way into the China spy infested
247 offices of Feinstein, and in Mueller like fashion, well, who knows

248 what monsters lurk in the California Senator's section of the
249 swamp.

250 I'm just saying I can think of some reasons Feinstein might not
251 think it's the best idea to pursue the FBI investigation angle on this
252 one.

253 But that is what should be done, and if Sessions would decide to
254 BEGIN HIS SESSION AS ATTORNEY GENERAL OF THE
255 UNITED STATES — that's what would happen. There is NO way a
256 MAN in that office sits back and watches this without wanting to
257 get in there and get to the bottom of it quickly. Like I said, the FBI
258 has at least three or as many as six different files they opened on
259 Kavanaugh and could very quickly run this down but of course
260 Ford would have to come up with a place and a much more narrow
261 time frame for when this occurred, and that could put her in a
262 position to perjure herself, and it would also give Kavanaugh an
263 opportunity to show proof he was not there, or call up other
264 witnesses that would corroborate his story.

265 Ford is making demands. She wants Kavanaugh to testify first,
266 before he has heard the charges leveled against him. She wants to
267 give her testimony without Kavanaugh present. Wait a minute!
268 The accused has a right to face his accuser. And how is it
269 reasonable to anyone that Kavanaugh be required to answer for
270 charges until he hears what those charges are?

271 They are concerned about Ford's safety? You've got to be kidding
272 me. Have you read any of the emails and other threats Kavanaugh
273 has been getting; and not him only, but his family, his wife, his
274 daughter. They are receiving death threats, so vicious and hateful it
275 literally made me sick when reading some of these things.

276 Whatever, whatever you do America — do not put these vile, hate-
277 filled, vicious people in power over you. You are out of your mind
278 to vote for any Democrat in this upcoming election. You might as

279 well hand the Devil a whip to beat you with. You have to a
280 masochist to vote Democrat in this upcoming election. They've
281 gone off the rails — the raging has turned vicious. Here is one who
282 wrote to Ashley, Kavanaugh's wife, and angrily told her to advice
283 her husband to put a bullet in his ugly *expletive* skull." Screaming at
284 the family to eat feces — and damning them to burn in hell.

285 GOD, deliver us from the unreasonable and wicked.

286 Ford's people are saying she cannot testify Monday — no
287 explanation, just can't do it Monday. They say, "maybe next week."
288 Maybe?

289 Well, it's obvious that Ford and her partner in this crime of
290 character assassination, Diane Feinstein, want to string this out as
291 much as possible. I understand the letter of accusation allegedly
292 written by Ford and delivered to Feinstein several weeks before it
293 was made public, has been redacted — the Senate Judiciary
294 Chairman, Representative Grassley, Iowa, has asked Feinstein for
295 an unredacted copy of the letter — she is slow walking that request
296 — why? That's something a staffer takes care of in minutes.

297 Oh, by the way. Juanita Broderick is ready and willing to testify —
298 and so is Karen Monahan. Yeah! A Democrat, by the way. A
299 Democrat woman, by the way. A Democrat, woman, of color, by
300 the way. Has medical records proving her allegations of sexual
301 abuse against her by Keith Ellison, Mmmmmsmack Democrat
302 Representative from MN, she offered to talk with investigators with
303 Keith in the room: she tweeted: "I told the investigator I would be
304 happy to talk with [@keithellison](#) w/ them in the room. They asked
305 Keith if he would be willing & he declined any meeting w/ me."

306 The Democrats say, "believe women" — when Democrat woman
307 of color Karen Monahan was asked if she believes Democrats are
308 sincere when they say believe women, she said, " No, they don't.
309 I've been smeared, threatened, isolated from my own party. I
310 provided medical records from 2017, stating on two different Dr.

311 Visits, I told them about the abuse and who did it. My therapist
312 released records stating I have been dealing and healing from the
313 abuse."

314 Isn't it about the "seriousness of the charges"? Look! What is it
315 going to take — this is not something that is hid from the liberals.
316 They know about Monhan's allegations, they know about Juanita
317 Broderick's allegations, they know but they don't care because
318 those allegations tend toward the destruction of the reputation of
319 people they support — but if it's against someone they hate,
320 someone they perceive to be a threat to their power —

321 Whatever you do — don't give power to these crazy, hateful, lying
322 vicious people. Look what they do with it. Phony dossier's,
323 illegally FISA warrants.

324 Okay, so what does the Bible say about someone throwing out
325 false accusations against another? Yes, the Bible does speak to
326 this, and sets forth a very important principle of justice.

327 Deut. 19:16-19 "If a false witness rise up against any man to testify
328 against him that which is wrong; Then both the men, between
329 whom the controversy is, shall stand before the LORD, before the
330 priests and the judges, which shall be in those days; And the judges
331 shall make diligent inquisition: and, behold, if the witness be a
332 false witness, and hath testified falsely against his brother; Then
333 shall ye do unto him, as he had thought to have done unto his
334 brother: so shalt thou put the evil away from among you."

335 This means that whatever the punishment would be for the
336 accusation should be meted out to the accuser.

337 Character is one thing — we talk about "character assassination"
338 and I get the idea — but the truth is, character cannot be
339 assassinated. A person can, and a person's reputation can be
340 ruined; but a man's character is etched in his own soul and cannot
341 be ruined by anyone except the owner thereof. You are the only
342 person that can build or destroy your character.

343 But what about our reputation? Reputation is something that others
344 believe about your character, but it is not intrinsic to it, it does not
345 necessarily fairly represent your character.

346 Many have reputations that are far nobler than their character.
347 Many have characters that are way below their reputations.

348 But a reputation is reflected upon our good name. God values a
349 good name: Prov. 22:1 "A good name is rather to be chosen than
350 great riches, and loving favour rather than silver and gold."

351 If you rob a man of his rightful reputation, if you destroy his
352 reputation by lies and innuendo, and deceit — the way
353 progressives will treat you if you are conservative — you have
354 stolen something from him more valuable silver and gold.

355 You go to JAIL if you steal a man's silver and gold, but nothing
356 happens if you steal a man's reputation.

357 Ford should pause to consider what she is doing. If in fact she is
358 lying, even though she might think she can steal Kavanaugh's
359 reputation with impunity, she will be under oath before the Senate
360 and the same penalties apply there: up to five years. But according
361 to a higher court, the court of final appeal, perjury will bring on her
362 the punishment for the crime she falsely accused Kavanaugh of
363 committing.

364 One of the vicious attacks on Kavanaugh's family was that, I think
365 one of them demanded the entire family burn in hell — hmmm!
366 That's an interesting judgment. Perhaps GOD will judge these
367 people from their own mouths — the Bible says all LIARS will
368 indeed burn in the LAKE of FIRE forever.

369 Stealing a man's gold and silver is one thing — but stealing a man's
370 reputation is an even greater offense.

371 So, that's what the Bible has to say about it. Whatever punishment
372 the crime of attempted rape would bring, should fall on Ford if it
373 turns out she is lying about this.

374 Well, I've only got a few minutes here — perhaps I can get a one
375 minute out there on Eric Holder's statement that for Trump to
376 declassify the FISA records, showing what the court was actually
377 told, and not told, in order to get the warrant to surveillance
378 Trump's campaign (can anyone spell Watergate) was "a dangerous
379 abuse of power." It's an "abuse of power" to release information
380 the American people. Well, it is, in their way of thinking. Power is
381 only to be used to KEEP INFORMATION FROM THE
382 AMERICAN PEOPLE, not give it to them. Power is to be used to
383 railroad legislation through into law against the people's will —
384 power is to be used to cover up Fast and Furious, and Benghazi,
385 and ... sending billions to Iran, delivering truck loads of money —
386 all hidden from the American people while pretending to be the
387 most transparent Presidency ever — all I can say is stupid is as
388 stupid does — you believe these people?

389 And Brennan, that's the ex CIA director who is up to his neck in
390 Russia-gate, his fingerprints are all over this mess, how does
391 Brennan respond to Trump's decision to declassify: it's pushing the
392 button on the nuclear bomb — well, today Trump pulled back and
393 said hold-on, some key people warned this might be construed to
394 be interference with the Russia probe — the thinking is that there
395 will be political backlash on this and it will be made to appear to
396 be interference in the probe — THIS IS NONSENSE.

397 But, be patient. The fact is, our President is NOT the dictator
398 Obama was, is, Trump does listen to his advisors, he does try to
399 cooperate with his team — some he respects are advising him to
400 slow it down and let the Inspector General have a look see at the
401 un-redacted FISA application. So, here is what Trump tweeted:

402 "I met with the DOJ concerning the declassification of various
403 UNREDACTED documents. They agreed to release them but
404 stated that so doing may have a perceived negative impact on the
405 Russia probe. Also, key Allies' called to ask not to release.
406 Therefore, the Inspector General has been asked to review these

407 documents on an expedited basis. I believe he will move quickly
408 on this (and hopefully other things which he is looking at). In the
409 end I can always declassify if it proves necessary. Speed is very
410 important to me - and everyone!"

411 In other words, declassification is in the works; Trump is going to
412 cooperate with his team and honor those he respects who are
413 advising him, *to a point*.

414 So, don't listen to the fake news that says Trump No Longer
415 Demands Declassification Of Russia Documents — from the likes
416 of New York Times. All that has happened is a brief delay — it's a
417 process thing. Be patient. The nuclear bomb Brennan fears that
418 will detonate and wipe out the swamp, will be dropped soon —
419 haha.

420 This one bomb probably won't be enough to empty the swamp, but
421 it should get us started. But be prepared for the stink of what has
422 been rotting in that putrid swamp to create a stink that will linger
423 for a while —

424 I have lit the lamps in the Church belfry arch and now you let me
425 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
426 ON and you will ride like Revere and spread the warning,
427 (essentially, it means you agree with what I'm saying) or you say
428 LIGHTS OFF -- which means you reject what I'm saying and
429 disagree strongly with me. So, what will it be today, lights on, or
430 lights off?
