

# Brain Massage: Show No. 715 Kamala's Reparations — Why The Dems Should Pay It / Our Ignorance Will Kill Us

Jerry Scheidbach

Original Air Date: 02.23.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in  
2 Santa Maria, CA—and your brain masseur—get ready for your brain massage.

3 How many of you are really disturbed that Smollett is being treated so mean by people  
4 angry with him for committing fraud? Hmm. So much for using this "modern day  
5 lynching" as a platform to call for reparations for descendants of slaves.

6 AOC (Alexandria Ocasio-Cortez) recently elected to the House of Representatives in New  
7 York, who recently identified the three branches of government as the White House, the  
8 Senate and the House of Representatives.<sup>1</sup>

9 Who voted for this ignoramus? Probably those who failed the American history  
10 knowledge survey — where in the highest performing State only 53% of its population  
11 could pass the U.S. history quiz. Yep! New York ranked 32nd — only 40% of the  
12 population of the State of New York could pass the quizz.

13 Think about that: Bible thump alert: "My people are destroyed for lack of knowledge"  
14 (Hosea 4:6). It goes on to say, "because thou hast rejected knowledge I will also reject  
15 thee."

16 Mueller's persecution campaign is coming to an end and the Dems are concerned his  
17 report will exonerate Trump — but, no worries, says the liberal L.A. Times — the  
18 Congress is going to take up the club and beat on Trump — Adam Schiffy has promised  
19 he will not let up — so don't let the bad news coming from Mueller get you down.

20 Swamp creatures undermining Trump on the wall —

21 Illegal immigrant shot a deputy — he had four separate ICE detainees and a criminal  
22 history. And, thinking of ICE — ooh. ICE busts millionaire Obama donors.

23 Swamp states working to undermine 2020 election in states governed by swamp spawns  
24 — the fight is on! — Colorado trying to make a law that says all Colorado electoral votes  
25 will go to candidate that wins the popular vote; New Jersey passes legislation blocking  
26 Trump from being on their ballot.

27 Okay, let's see — Kim Jung Un is undermining the agreement he made with Trump,  
28 curbing missile test launches but continuing to stockpile rocket fuel? Well, who is  
29 surprised at that? From what I've seen of Trump, he'll address that with Kimmy in his  
30 famous bedside manner style—

31 Okay, looks like we'll be talking about Smollett and Kamala's reparations, the ignorance  
32 of our country about our own history and the rise of the AOC generation— and we'll

33 weave into this a little bit of everything else that's going on — it's time for your BRAIN  
34 MASSAGE!

35 [TRUTH]

36 How many of you are really disturbed that Smollett is being treated so meanly by people  
37 who have the audacity to be angry with him for committing fraud? — okay, briefly, the  
38 backstory.

39 Unless you live under a rock on Mars you have heard the left's caterwauling about  
40 *modern day lynchings* (Booker) and how the Smollett attack shows racism is alive and well  
41 in the U.S. in Trump and his supporters which accents *the need for reparations* —  
42 Americans must pay for slavery. What's that! You do live under a rock on Mars and you  
43 did hear the caterwauling? hehe.

44 So Smollett and some paid co-conspirators got together to stage an event they could use  
45 to smear Trump and Trump supporters and help Kamala Harris win her election.

46 He wrote out a check for 3500 to his co-conspirator to stage the attack that never  
47 happened — and as the investigation continued digging deeper into the allegation this  
48 was discovered and the evidence was presented to a grand jury who moved to indict —  
49 and now Smollett is swearing to God that he did not lie about this — but the Chicago  
50 police have very reluctantly come to see that it was a fraud.

51 Smollett claimed two men in MAGA hats attacked him, beat him, put a noose around his  
52 neck and threw bleach on him.

53 This guy is probably a pretty good actor — in truth I've never watched Empire — but they  
54 are paying him 65k per episode, so, somebody thinks he has a career in acting — but it's  
55 pretty obvious he should not go into script writing or production.

56 You would think he could have put a couple of friends in "white face" (haha—okay, ski-  
57 masks), wearing MAGA hats — they are not hard to find — and find a place where they  
58 could be videoed pretending to beat him, noose him, and douse him with bleach.

59 I wonder if they have some video like this but it was compromised — the MAGA hat fell  
60 off — you know, a costume fail — and the Dreadlocks fell to the shoulders and started  
61 waving at the cameras — you know, something like that. You can't do a "take two" in this  
62 sort of production.

63 Okay, well, that would mean whoever has that video caught the problem and hid it —

64 I wonder about the Chicago police. I appreciated the officer who blasted Smollett for  
65 wasting the resources of the Chicago police department — Rush is convinced it was a  
66 refreshing moment of truth from an important social institution serving as a bulwark  
67 against the cascading of morality in our culture — maybe! I did appreciate his comment  
68 that he wishes the issues of gang violence in his city was given half the attention Smollett  
69 got.

70 Hate to be so cynical — but Chicago is pretty corrupt. Here, let me explain where this is  
71 coming from.

72 That courageous officer explained that the Chicago police discovered the reason Smollett  
73 did this was because he was dissatisfied with his salary.

74 Okay. First, they guy makes 65k for every episode of Empire that he appears in — which  
75 does not include all the auxiliary revenue streams he has coming in because of his fame.  
76 You know what, I just checked on this and learned that actually it is reported that he  
77 earns 100k per episode<sup>2</sup> — he got this pay increase back when they started shooting the  
78 second season. Here is an article that says no one can find anyone who will say they heard  
79 Smollett grumbling about his salary.<sup>3</sup> He stood to earn 1.8 million for his work on Empire  
80 for the second season. What's that about? Where is that coming from?

81 Is there an effort to cover up what really went down here? I won't fault the officer — he is  
82 probably going with what he was told. But it's pretty obvious to me that Smollett  
83 perpetrated this hoax but he did not do it alone. It's obvious to me that his motivations  
84 had nothing to do with trying to position himself to get a raise from his Empire  
85 employers. No way!

86 Kamala Harris has boasted about her relationship with Smollett and their family  
87 connections with one another and so forth. Good friends.

88 Kamala wasted no time jumping on the Smollett train — and very soon after this scandal  
89 broke, she began using it as a segue into her call for reparations.

90 Of course all liberals bought into this story — and, forgive the cliché, but it's too apt to  
91 forego — they swallowed it hook, line and sinker — and they got hooked all right. And  
92 reeled in by the hard work of the Chicago police — who ran this down and called it what  
93 it was, fraud — but Smollett did not do this to get a raise.

94 It's COLLUSION — it's COLLUSION — investigate Kamala Harris's financials, get a  
95 FISA warrant to tap her phones, call everybody she knows before a Congressional  
96 committee — investigate this, run it down, there is too much circumstantial evidence to  
97 ignore — Kamala colluded with her friend Smollett to stage an event they could use to  
98 smear Trump and Trump supporters to help her campaign.

99 I agree with DiNesh — what Smollett did was a hate crime. A hate crime against America  
100 — a hate crime against all white Americans, including those white Americans who hate  
101 racism, really, a whole lot more than these radicalized, socialist Democrats who  
102 demagogue the issue. Ever see the picture of Clinton wearing a hayseed farmer costume  
103 standing next to Hillary in — *black face*? You haven't. Not surprised.

104 You wont see this either. I'm watching a video of a scene that took place recently on the  
105 Berkley campus. A Trump supporter, promoting an event inviting students to come  
106 together for a conversation about conservative issues gets assaulted by a Liberal student.  
107 Yeah, ooh, woah! You've got to be kidding me. The Trump supporter is showing amazing  
108 restraint — did not swing back — that lib-punk just punched the kid straight in the face  
109 — well, that's liberalism 2020 — that's 2020 vision on the modern Liberal movement.

110 Smollett and his gay pals trolled about looking for some white cracker to hit them, or at  
111 least pick a fight, and could not find even one MAGA wearing white cracker that would  
112 even bother to engage them. So they decide to stage a fake attack. The news goes full 24-7  
113 reporting on it — turns out to be fake.

114 Here I'm looking at video of a genuine racist, bigoted, hate crime assault and the MSM  
115 are sweating it out, looking the other way, hoping it will fade away. They don't want to  
116 give those scenes amplification — you see!

117 Here is another report of a violent Prog attacking a man because he was seen in public  
118 wearing a MAGA hat.<sup>4</sup> Rosaine Santos, 41, was arrested after she attacked a man for  
119 wearing a MAGA hat. "She was also screaming that a man in a MAGA hat should not be  
120 allowed to eat at a Mexican restaurant."<sup>5</sup>

121 Hey, Scott, next time let's wear our MAGA hats when we get lunch at our favorite  
122 Mexican restaurant. (hehe).

123 As for reparations? Hold on through the break. I'll be right back.

124 Am I not allowed to enjoy Mexican food because I Support Trump ...?

125 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,  
126 your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church  
127 belfry arch, signaling the enemy is on the march, an enemy that would steal from us our  
128 liberty.

129 Kamala Harris is calling for reparations. What's that? It's money paid to someone who  
130 has been wronged. I believe in reparations. Surprised? You should not be surprised —  
131 reparations have been a part of common law since Bible days. We see it all the time in  
132 suits where a plaintiff is awarded *damages*. Defined as follows: "At common  
133 law, damages are a remedy in the form of a monetary award to be  
134 paid to a claimant as compensation for loss or injury."

135 Of course, we use the word *damages* and the *reparations*, but it's  
136 the same thing.

137 However, the word *reparations* is usually reserved for issues arising  
138 between nations. For example, reparations are compensation paid  
139 for war damages by a defeated state. Of course, America is crazy  
140 about these things. We paid for Japan to be rebuilt even though we  
141 won — hmmm! America is really something.

---

<sup>4</sup> <https://godfatherpolitics.com/another-violent-leftist-woman-arrested-for-assaulting-man-over-his-maga-hat/>

<sup>5</sup> Ibid.

142 We beat Mexico and deeded back to them virtually all the land they  
143 call Mexico today. America is really something.

144 We bent over backwards to help Germany recover from the war  
145 they started. America is really something.

146 As to slavery — America has been paying reparations for that sin  
147 ever since the Civil War. So, let's look at this.

148 First, reparations are paid to those injured — not to their  
149 descendants down line over ten, twelve, or even twenty generations  
150 after the fact.

151 This is because the people who must pay the reparations are the  
152 people who perpetrated the wrong.

153 The Bible is clear on this. Ezek. 18:20 The soul that sinneth, it shall  
154 die. The son shall not bear the iniquity of the father, neither shall  
155 the father bear the iniquity of the son: the righteousness of the  
156 righteous shall be upon him, and the wickedness of the wicked  
157 shall be upon him.

158 However, second, it's like I said, America is crazy about this sort of thing, and the liberals  
159 know it and are trying to take advantage of it. We've been paying reparations beginning  
160 with the Civil War.

161 Americans devoted to the proposition that all men are created equal and endowed by  
162 their creator with certain inalienable rights hated slavery, resisted it, assisted those  
163 attempting to escape it, and worked and labored to stop it throughout — one thing that is  
164 never mentioned or appreciated about this issue is that there was never a time in  
165 American history when there was not a voice of opposition to slavery, mostly from  
166 Baptist Christians, by the way. Both in the pulpit and in the government too — remember  
167 Abe Lincoln.

168 There is a reason that at the end of any debate on the question what motivated the Civil  
169 War it is agreed to by all that the issue of slavery was at the heart of the rift between the  
170 Democrats and the Republicans — with the Democrats promoting slavery rights and the  
171 Republicans arguing for human rights (same thing today — the Democrats are arguing  
172 for abortion rights while the Republicans are fighting for human rights — the more  
173 things change the more they stay the same) but the blood of 600k Americans was shed to  
174 emancipate the slaves —

175 Many speak of the infamous promise of 40 acres and a mule as reparations for slavery.  
176 First, that was never made a law — it was an order issued by a general in the Civil War,

177 and effectively, it would have created a Black Reservation. "The islands from  
178 Charleston, south, the abandoned rice fields along the rivers for  
179 thirty miles back from the sea, and the country bordering the St.  
180 Johns river, Florida, are reserved and set apart for the settlement of  
181 the negroes [sic] now made free by the acts of war and the  
182 proclamation of the President of the United States."<sup>6</sup> Furthermore,  
183 what the black Baptist minister asked of Sherman was to be able to  
184 till land until they could buy it from the owners and make it their  
185 own. He had no idea of the land being simply given to them, he  
186 wanted an opportunity to work for it.

187 Further, further more, this godly black pastor of a Baptist church at  
188 the end of the Civil War wanted the blacks to be segregated in  
189 order to be shielded from the prejudice of their southern neighbors  
190 until such time as the prejudice would be removed.

191 Anyway, Lincoln signed on to the deal, but his successor, a  
192 Democrat, overturned the order — you see, that's what happens  
193 with government by executive order — and so the Democrats got  
194 their land back — you know, I have an idea. The Democrats should  
195 pay the reparations themselves. The descendants of those  
196 Democrats who opposed this effort at reparation, those Democrats  
197 today who are calling for it, they should get it from the Democrats  
198 who perpetrated this crime upon the former slaves.

199 Don't you understand! The Democrats have NEVER been your  
200 friends. They USED you then and they are USING you now.

201 They are afraid they are losing their grip on your vote and so they are pushing this phony  
202 reparations thing as a way to BUY you back.

203 I believe in reparations — I think the plan conceived by those black leaders together with  
204 the Republicans back after the Civil War was a good one. The Southern Democrats  
205 wanted to keep slaves and saw Lincoln was moving toward emancipation and so they  
206 attempted to secede from the Union — for reasons that are more layered than baklava  
207 crust — and some just as flaky — on both sides — war broke out but the core issue was  
208 slavery, make no mistake about that. The South LOST — and by the rules of reparation, it

---

<sup>6</sup> <https://www.theroot.com/the-truth-behind-40-acres-and-a-mule-1790894780>

209 was on them to make reparation for slavery. Taking that land and giving it to the slaves as  
 210 reparation was justice — the intent of the Blacks, under the leadership of Pastor Frazier,  
 211 and others, to work the land and earn sufficient to PAY the original plantation owners a  
 212 just payment for the land was A WONDERFUL TESTIMONY TO THE CHARACTER of  
 213 the Black people — THEY NEVER WANTED HAND OUTS — THEY JUST WANTED  
 214 JUSTICE.

215 Those Democrats came along and destroyed the righteous efforts of these men — but it  
 216 should have been done through the lawful process by which laws are made in America  
 217 and not merely by executive order — that's too bad. But I guess Lincoln did what he  
 218 could. There is only so much you can do with these Democrats getting in the way.

219 And they are doing it now — look at the dirty tricks they are pulling as we move toward  
 220 the 2020 election.

221 I understand New Jersey has passed legislation blocking Trump from being put on their  
 222 ballot for the upcoming 2020 election. I wonder how the Jersey folks feel about that. Their  
 223 legislature will decide for them who will be on the ballot. Why not let the Jersey folk  
 224 decide that for themselves? What are liberal Jersey legislators afraid of?

225 Colorado passed a law assigning all their electoral votes to whatever Presidential  
 226 candidate receives the greatest number of the popular vote.

227 Of course, they are thinking about Hillary and Al Gore. This brings up the argument  
 228 about popular vote versus the electoral college system set up by our founders.

229 I'm looking at a map right now that shows the United States and they marked off in blue  
 230 the high population centers of the States. I wish you could see this. You can if you  
 231 subscribe to the Brain Massage Show and access my show notes.

232  
 233 It's amazing. Way less than one tenth of the landmass of America holds MORE THAN  
 234 50% of the POPULATION of this NATION. If we turn our backs on the wisdom of our  
 235 founders and eliminate the electoral college, you might as well not bother to vote, because  
 236 only the liberal cities will control every election. You will have NO REPRESENTATION

237 simply because you choose not to live in the densely populated cities where you have to  
238 be given a map so you can know where the human feces droppings cover the sidewalks —

239 This is why we have the electoral college — so that states with more rural populations can  
240 have legitimate representation in the nation's capital, and so that the liberal states cannot  
241 take over and ruin the entire country the way they have ruined Chicago, New York, and  
242 LA and SFO, to name a few — throw Baltimore in there.

243 But, alas, the ignorance of the American people today, thanks to an education  
244 establishment that has been pumping socialism into the minds and hearts of our children  
245 for decades.

246 AOC (Alexandria Ocasio-Cortez) recently elected to the House of Representatives in New  
247 York, recently identified the three branches of government as the White House, the  
248 Senate and the House of Representatives.<sup>7</sup>

249 Who voted for this ignoramus? Probably those who failed the American history  
250 knowledge survey — where in the highest performing State, Vermont, only 53% of its  
251 population could pass the U.S. history quiz. Yep! Ocacios' New York ranked 32nd — only  
252 40% of the population of her State could pass the quizz. And apparently, she is one of  
253 them. (In the lowest performing state, only 27% of the population was able to pass it.)  
254 California only slightly did better than New York, a statistical tie, only 40% could pass it.

255 Nationwide, only one in four could pass the quiz.

256 The ignorance of our children about the Constitution, about the Bill of Rights, about our  
257 founding and about the principles of governance that underlie the greatest nation of free  
258 people the world has ever known—

259 But they want to bad mouth America at every turn. All they do, and by they, I mean the  
260 Demoncrats — all they do is run down the country — I understand Biden and Beto want  
261 to team up to run in 2020 — what a team. America hating liberals if ever you saw one.  
262 Biden recently went on his own hate America tour —

263 There is a reason they hate the MAGA hat — it inspires love for America, and hope for  
264 America, and that is a direct threat to the agenda of the Democrats today.

265 They need ignorance to prevail. They depend on ignorance. Ignorance has always served  
266 the interests of tyrants.

267 Think about that: Bible thump alert: "My people are destroyed for lack of knowledge"  
268 (Hosea 4:6). It goes on to say, "because thou hast rejected knowledge I will also reject  
269 thee."

270 The 2020 election is coming and I think it's going to give a 20/20 vision look at the heart  
271 of this country.

272 The abortion issue is rising — like the slavery issue did back in the day — the abortion  
273 industry is coming into 20/20 focus — anyone with any sense at all remaining must see

---

<sup>7</sup> <https://godfatherpolitics.com/americas-ignorance-of-history/>

274 that the pro-choice crowd is pro-DEATH TO THE BABIES. Blinded by their ideology,  
275 they have been able to hide the truth from their supporters. But now it's out — it's all  
276 20/20 now — LOOK AT IT. The Democrats, and abortion supporting Republicans — are  
277 in favor of killing babies.

278 There it is. Out in the open. A full grown baby in the womb — they have hearts so cold,  
279 so calloused by their perverse affections — they can smile and clap and dance when a law  
280 is made permitting infanticide. That's what it is! It's the murder of babies.

281 And already some of these blackhearted people are calling for this to be extended to the  
282 baby outside the womb, and talk has been heard of extending it the first five years of a  
283 babies life — STOP THIS NOW, AMERICA, STOP THIS NOW. Or I assure you, as  
284 GOD is my witness, the WRATH OF GOD WILL NOT FORBEAR LONGER. You've got  
285 it put before you in its stark reality — the space to REPENT is coming to its close. The  
286 WRATH of the ALMIGHTY will avenge the blood of these babies upon America. WAKE  
287 UP and REPENT now.

288 I have lit the lamps in the Church belfry arch and now you let me know if you see them.  
289 It's LIGHTS ON if you see the LIGHTS ARE ON and you will ride like Revere and spread  
290 the warning, (essentially, it means you agree with what I'm saying) or you say LIGHTS  
291 OFF -- which means you reject what I'm saying and disagree strongly with me. So, what  
292 will it be today, lights on, or lights off?
