

Brain Massage: Show No. 733 Democrats — the Slaver Party / The Inalienable Connection Between Truth and Freedom (Happy July 4th)

Jerry Scheidbach

Original Air Date: 06.29.19

- 1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in
- 2 Santa Maria, CA—and your brain masseur—get ready for your brain massage.
- 3 The Dem's debated with one another; it seemed to me they were trying to outdo one
- 4 another for who could destroy this country the fastest.
- 5 I guess Kamala took a shot at Biden, but that's about it! Otherwise, it's pretty much the
- 6 same thing from each of them.
- 7 Trump summarized the debate in this way: Tweet: "All Democrats just raised their hands
- 8 for giving millions of illegal aliens unlimited healthcare. How about taking care of
- 9 American Citizens first!? That's the end of that race!" He said, they might change their
- 10 name to the Socialist Party.
- 11 What has the Debates revealed to us about the Dems? Nothing we did not already know.
- 12 Chicago Tribune: Democrats have become the party of haters.
- 13 Washington Examiner: Democrats are the party of abortion — to the time of birth, I
- 14 should add.
- 15 Politico: in an article titled Did the Democrats Step On A Second Big Land Mine? argued
- 16 essentially that the Democrats have become the party of Open Borders — offering no
- 17 solution to the influx of illegal aliens — which, they point out, is a dramatic departure
- 18 from their position on this issue as lately as Obama, and Clinton.
- 19 RealClearPolitics: GOP the party of the poor and the DEMS the party of the rich.
- 20 USA Today: The Democratic Party Left Me Behind: And I'm Not Alone.
- 21 The Democrats are party of SLAVERY — Today — as they have been all through history.
- 22 Think about it! What does it mean to be a slave?
- 23 a) A slave is owned
- 24 b) All his basic needs are provided at the discretion of his owner.
- 25 c) All his activity is under the direction and at the discretion of his owner.
- 26 d) All his "possessions" are held by him at the discretion of his owner.
- 27 e) The power to transfer this interest belongs entirely to the owner.
- 28 Look at the policies of the Left today — all of them lead to slavery.
- 29 The Democratic Party, at it heart, is the Slaver Party — it always has been.
- 30 It thinks like a slaver. It presumes to own what is yours, and presumes the right to take
- 31 from you whatever it wants to take from you; it presumes you need them to provide your

32 needs; it assumes control over virtually all your activity, unless it is perverse, and wicked,
33 then, it's all about freedom.

34 In the Democrat party you are free recruit children into the perverse homosexual lifestyle,
35 but you are not free to resist it — a student recently got in big trouble at school because
36 he insisted there are only two genders.

37 You are free to proclaim yourself to be homosexual, but you are not free to proclaim
38 yourself someone who does not believe homosexuality is a good thing.

39 Low, here in CA wants to outlaw Christian pastors from saying anything that suggests
40 there is something WRONG with being homosexual, or LGBTQ — so you have a right to
41 be LGBTQ but no one has the right to have an opinion against this twisted and obviously
42 unnatural lifestyle.

43 The Democrats are that party — when they talk about being *diverse*, what they mean is
44 they are *perverse*. They advance perversity under the banner of diversity.

45 Because it is certainly NOT diversity they are interested in. Because CHRISTIANS are
46 excluded from the club they are forming.

47 Many Christians, desiring to fit in, will cave to the pressure but they only expose
48 themselves as Buttigieg Christians.

49 Yeah — Buttigieg says God would not condemn homosexuals for their behavior — so,
50 you know, if you don't like something, just pretend it's something else. That's the
51 homosexual lifestyle — if you think about it. Just pretend it's natural, when it is obvious
52 that it is not.

53 So it should not surprise us that a homosexual would be able to twist Christianity into
54 something that it is not!

55 The fact is, God condemns adultery, fornication, lasciviousness, including homosexuality,
56 which in the Bible is called sodomy, effeminacy, these things are abominations to God,
57 like PRIDE — which is an abomination to GOD also — by the way — so put PRIDE and
58 SODOMY together and you have a recipe for WRATH OF GOD type judgment. They
59 already receive in their body the due recompense of their reward — God, the designer of
60 nature, constructed into it a revulsion and rejection of what is unnatural — which is the
61 reason that behavior is associated with all manner of diseases —

62 It is truly insane what has happened to our country — we have turned our backs on God
63 and we are being turned over to all sorts of darkness — read Romans 1 some time.

64 But back to the primary point — if you look at the Democrat party today you can see that
65 it's a party of SLAVERS — men and women whose policies come from a slaver mentality:

66 a) A slave is owned: they act like they OWN us — see how they have reacted when we
67 repudiated their bid for power in the last election — they take it personally, like we have
68 deprived them of some RIGHT that is theirs to RULE us — they simply cannot get over
69 the fact that we decided not to be ruled by them.

70 b) All his basic needs are provided at the discretion of his owner. Listen to the Dems in
71 these debates — free health care to all, and this is to be extended to those here illegally —
72 WHO IS GOING TO PAY FOR THIS? Hey, you know, "charity begins at home." And, by
73 the way, charity is NOT GIVING TO THE POOR WHAT BELONGS TO SOMEONE
74 ELSE.

75 So the Democrats decides how much you should earn, and how you should spend it.

76 c) All his activity is under the direction and at the discretion of his owner. The Democrats
77 today are the party of the NANNY STATE — they want to control what you can say, they
78 want to control what you think, what you believe — they decide it all.

79 d) All his "possessions" are held by him at the discretion of his owner. They assume
80 control over what you can own, what you can do with what you own — this has been
81 going on for a while and it needs to stop.

82 e) The power to transfer this interest belongs entirely to the owner.

83 And they want to transfer our sovereignty to the UN or some other international
84 organization — it's disturbing!

85 From these debates, what we knew about the SLAVER PARTY was put out there for any
86 to see and hear who have eyes and ears.

87 "Tax increases.

88 Gun confiscations.

89 Slave reparations

90 Decriminalize illegal immigration.

91 No more deporting of illegal immigrants.

92 Abolish the private health insurance currently held by over 150 million Americans.

93 Give free health insurance to illegal immigrants." Thank you Nancy!

94 The end of last night's debate was interesting—I did not catch everyone's response to the
95 closing question — the question was essentially this, if you could choose the ONE
96 THING you would accomplish as President, what would it be?

97 Of course, the usual — the first answer was END GUN VIOLENCE. Isn't that great. Who
98 is this guy? He is going to "END GUN VIOLENCE" — you and I know that is not what he
99 is going to do — he thinks gun violence ends with the death of the Constitutional Right to
100 KEEP AND BEAR ARMS — what he is going to do is work to END OUR
101 CONSTITUTIONALLY PROTECTED INALIENABLE RIGHT TO KEEP AND BEAR
102 ARMS. But it is exactly the DEMs today to promise they will END GUN VIOLENCE.
103 Like Obama, you know, his election was going to mark the day the seas began to subside
104 — and, blah, blah, blah.

105 Only idiots could be influenced by such a stupid promise —

106 Here is another one, CLIMATE CHANGE — now, that's all the person said — so we will
107 assume the meaning is they will focus on CLIMATE CHANGE — great, just what we
108 need, someone jousting at wind mills they pretend are dragons.

109 Here is one that will focus on a FAMILY BILL OF RIGHTS — and here we go with
110 special rights that invariably encroach upon inalienable rights. Examine what she believes
111 are the RIGHTS of families — to provide day care for babies so mom's can work outside
112 the home! Day care is available to mothers who work outside the home — so that's not
113 what she means. She means the GOVERNMENT will pay for day care for mom's that
114 work outside the home.

115 Okay, what about the mom who stays home to take care of her child? Why does her
116 household bread-winner have to shell out money to take care of her neighbor's children
117 because that mother wants to work outside the home — so you have a mother at home,
118 sacrificing an income for the family to provide nurture and care for her children, and
119 SHE HAS NO RIGHTS?

120 Please think about this. I do not advocate for subsidizing stay at home mothers — I don't
121 think it's a function of government to have their hands in this — however, think about
122 this.

123 The Dems want to provide subsidies for mothers who want to leave their children with
124 other people to care for while they go to work — but no one ever gives any thought to
125 subsidizing the NATURAL RIGHT OF A MOTHER TO STAY AT HOME AND CARE
126 FOR HER CHILDREN —

127 Everything with these people is CONTRARY to NATURE and NATURE'S GOD.

128 I have much more to say about this, but, let's move on.

129 Kamala stuttered and stammered about wanting to do all that had been said — but finally
130 came down to muttering DACA, raise Taxes, GUN CONTROL — till she was
131 interrupted, and then crazy Commie Bernie got his turn — he got all worked up
132 stammering about a POLITICAL REVOLUTION — you could almost hear the
133 passionate BETTER RED THAN DEAD — complete with bulging, glazed eyes — I tell
134 you, some of these people are demon possessed.

135 Finally, at least the last one I got to hear from on this question was Biden — and in his
136 own peculiar manner managed to say the dumbest thing possible. Here is what Biden will
137 focus on if he gets elected: Beating Trump! I kid you not; that's what this guy said. Wow.

138 Okay, I need to take a short break. I'll be right back. Democrats 2020 — the SLAVER
139 PARTY.

140 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,
141 your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church
142 belfry arch, signaling the enemy is on the march, an enemy that would steal from us our
143 liberty.

144 Happy 4th — I hope you'll join us for a fantastic fourth of July celebration at the
145 Lighthouse beginning this coming Sunday morning — I'm preaching a series titled the
146 BIBLE and the BILL OF RIGHTS. Bible study at 9:30, then the preaching service at 10:45
147 and the evening service at 5 PM, then on Wednesday evening at 7 pm to 8 pm, following
148 up the Sunday after the fourth with the final three messages in this series.

149 My notes and outlines for these messages will be made available to all who attend each
150 service. If you want some ammunition to help you counter the public education system's
151 efforts to brain wash our children or you have questions about the relationship between
152 the Bible and our Bill of Rights — don't miss this opportunity. See you in church.

153 In the last segment I talked about the fact that the Dem party today is the SLAVER
154 PARTY — their policies and philosophy of government rises out of a SLAVER
155 MENTALITY — I explained that in the last segment. Go to brainmassage.net and you can
156 listen to the show online, or download it to your computer or device and listen when you
157 have time.

158 In this segment, in honor of JULY 4th — I will fire some missiles of knowledge that will
159 trace the heat signature of your heart and explode brilliant bursts of insight in your heart
160 and soul. Okay, let's begin with a BIBLE THUMP AERT —

161 Jesus said, "If ye continue in my word, then are ye my disciples indeed; and ye shall know
162 the truth, and the truth shall make you free." John 8:31-32

163 Jesus declared both a promise and a principle in this statement.

164 The promise: "Ye SHALL know the truth, and the TRUTH shall make you FREE."

165 The promise has a condition: "If ye continue in my word, then are ye my disciples indeed;
166 and ye shall know the truth, and the truth shall make you free." John 8:31-32

167 The TRUTH refers to GOD's WORD: Jesus said, "Thy WORD is truth." John 17:17, and
168 "I am the way, THE TRUTH, and the life, no man cometh unto the Father but by me."

169 The FREEDOM promised is LIBERTY, literally, to be liberated.

170 To be brought out from under bondage

171 To be delivered from the yoke of oppression

172 To have all impediments removed against the free exercise of our inalienable, that is,
173 Divinely Endowed rights.

174 The Principle declared in this statement is the inalienable, divinely ordained connection
175 between TRUTH and FREEDOM.

176 Where there is TRUTH there WILL be FREEDOM.

177 II Cor. 3:17 "Now the Lord is that Spirit: and where the Spirit of the Lord is, there is
178 liberty." This is because the Holy Spirit is the SPIRIT OF TRUTH: see John 14:17.

179 How are you doing with all this BIBLE THUMPING GOING ON? You okay. It's hard for
180 some people to imagine that people still actually believe the BIBLE these days — you

181 know, the BOOK our founders quoted or alluded to more often than any other single
 182 book, and who cited other authors whose primary source was the BIBLE — but, as we
 183 leave our FOUNDING PRINCIPLES we leave behind the FOUNDING PRECEPTS and
 184 that will prepare us to be turned into the HELL of tyranny— every place that hates
 185 Christians advances tyranny — think about it!

186 Anyway, we can distinguish between the spirit of truth and the spirit of error: I John 4:6
 187 “We are of God: he that knoweth God heareth us; he that is not of God heareth us not.
 188 Hereby know we the spirit of truth, and the spirit of error.”

189 And Jesus came under the anointing of the SPIRIT of TRUTH to declare LIBERTY to the
 190 CAPTIVES: Isaiah 61:1 and Luke 4:18

191 FREEDOM is the most effective and essential dynamic for encouraging political,
 192 economic, and social liberty:

193 This nation under GOD has enjoyed greater measures of FREEDOM to enjoy LIBERTY
 194 than other nations as a direct consequence of the TRUTH embraced in this land at her
 195 founding.

196 We, as Christians, establishing a Christian nation, have extended LIBERTY and
 197 FREEDOM to all — in the spirit of our Heavenly Father: Matt. 5:45 "That ye may be the
 198 children of your Father which is in heaven: for he maketh his sun to rise on the evil and
 199 on the good, and sendeth rain on the just and on the unjust.

200 And so our nation has prospered:

201 However, FREEDOM is incompatible with LICENTIOUS BEHAVIOR and VICE and
 202 those who use FREEDOM to defy TRUTH will inevitably destroy FREEDOM and
 203 frustrate LIBERTY. (And in America, many of those who are unjust (unrighteous—who
 204 “continue not in HIS WORD”) have used the freedom we afforded to them to gain
 205 influence they are using to TAKE FREEDOM FROM US.)

206 Consider how the atheist has used the liberty we afforded to them and sought to use it to
 207 deprive us of our freedom of speech and free expression.

208 Consider how the abortionist cannot abide FREEDOM—they hate FREEDOM. They
 209 want to put you in jail if you expose Planned Parenthood —

210 The abortion crowd despises the RIGHT TO LIFE

211 The abortion crowd despises the RIGHT OF FREE SPEECH.

212 The Homosexual activists hates freedom: some among them want to force us to recognize
 213 51 genders and put laws on us forbidding us to expose the truth about that dangerous
 214 lifestyle.

215 Consider, that EVERY effort to take away our freedom is furthered by lies: the “spirit of
 216 error” the “spirit of falsehood”

217 Global warming, or climate change advocates — must stop free speech, and freedom of
 218 conscience—

219 Like Islamo fascists — Gavin Newsome encroaches upon our second amendment
220 protections and says every Californian should be proud of it. Moralizing over us — as if
221 his morality is greater than our morality — self-righteous — arrogant — dismissive of the
222 rights of others and arrogant in his dismissal of our fundamental rights.

223 Like Hillary who says Christians are just going to have to change their beliefs.

224 They way the Obama crowd mandated forcing Americans to buy health insurance was
225 pushed onto the American people by LIARS and CHEATS who fudged the boundaries of
226 the Commerce Law extending the power of the government over all commerce—
227 extending that authority all the way down to telling you what you will or will not
228 purchase in the way of health care for your own family.

229 What about CA second amendment infringement laws—

230 Ban on guns with detachable magazines

231 Ban on magazines holding more than 10 rounds

232 And SB 1446 opens the door to government confiscation of our guns—we have a few
233 friends in Sacramento — back then Jeff Stone, R of Riverside, spoke against these
234 measures, and quoted Adolf Hitler: “To conquer a nation, first disarm its citizens.”

235 Look at these bills passed in CA

236 Senate Bill 1235, would regulate the sale of ammunition. Now Newsome has doubled
237 down on this encroachment against our right to keep and bear arms —

238 What does JESUS say about Second Amendment Infringement Laws?

239 Jesus commanded us to get a sword: Luke 22:36-38 (He told them to do this knowing it
240 would cause Him to be “reckoned among the transgressors”) Apparently, there was a law
241 prohibiting civilians carrying swords on the streets under Roman law.

242 I do not trust any government with guns that does not trust its citizens with guns.

243 These government King Georgies have it backward:

244 They don’t “grant” to us the RIGHT TO BEAR ARMS — we grant it to them.

245 They have NO RIGHT under the Constitution to prohibit to us the possession and right
246 to bear arms sufficient to our PROTECTION:

247 I say it again: I don't trust any government that does not trust the PEOPLE with arms
248 sufficient to protect themselves against criminals, including terrorists, any invading force
249 hostile to our liberties, and against a rogue government depriving the PEOPLE of their
250 inalienable rights.

251 The government has it exactly backwards. We THE PEOPLE grant to the government
252 any right to bear arms they might presume to have — we provide the guns, and we direct
253 how they are to be used.

254 That's the whole POINT of the Constitution.

255 July 4th weekend is coming up—we celebrate the Declaration of Independence—
256 celebrating the day our founders declared themselves FREE from government oppression
257 by little pretentious usurper kings who would presume to deprive men of their inalienable
258 RIGHTS.

259 Exactly like our Founders — who stood defiant against their own government when it
260 became tyrannical against their liberties — and took up arms to defend those liberties —
261 let those today who would like King George whose whipping we celebrate every July 4th
262 be given notice — let every July 4th be a reminder to every fascist tyrant enemy of our
263 liberty, whether foreign OR DOMESTIC — our GOD has given us the RIGHT to defend
264 ourselves against terrorists, foreign or domestic.

265 Esther faced down the Hamans of her day who attempted to manipulate the laws to allow
266 for the extermination of her people the Jews.

267 Through a wonderful intervention by God through Providence, another LAW was made
268 that recognized the people's RIGHT to protect themselves.

269 This turned things around—my friend—it turned things around.

270 It made all the difference in the world for the PEOPLE of GOD to have the RIGHT to
271 bear arms and DEFEND themselves from GOVERNMENT OFFICIAL
272 MANIPULATING THE LAW TO ENDANGER THEM AND THEIR LIBERTIES.

273 We have a LAW - it's the Second Amendment — it is a HIGHER law that all that
274 nonsense that went on in our State Legislature recently.

275 Every time some radical Jihad headed terrorist goes on a murdering rampage killing
276 Americans—the liberty hating CHRIST's rule denying, freedom backstabbing robbers of
277 our national treasury attempt to grab up our guns, attempt to restrict our liberty, attempt
278 to INFRINGE on our RIGHT to bear arms—but the American people, WE THE
279 PEOPLE, who agree with our FOUNDERS—go out and by all the guns or in this case,
280 bullets they can find.

281 It's an inspiring testament that the flame of Liberty still burns in the hearts of many
282 Americans—Jesus said get a sword, and so you must!

283 Here is what our founders said...

284 I have quotes from George Washington, Benjamin Franklin, George Mason, Noah
285 Webster, James Madison, Richard Henry Lee, Patrick Henry, Sam Adams, Joseph Story
286 — we can go back into Blackstone, Locke—and THE BIBLE—and all these testify to the
287 truths communicated by the two Founders I'll quote here:

288 Jefferson: "The strongest reason for the people to retain the right to keep and bear arms is,
289 as a last resort, to protect themselves against tyranny in government."

290 "The laws that forbid the carrying of arms ... disarm only those who are neither inclined
291 nor determined to commit crimes Such laws make things worse for the assaulted and
292 better for the assailants; they serve rather to encourage than to prevent homicides, for an

- 293 unarmed man may be attacked with greater confidence than an armed man" —
294 Commonplace Book (quoting 18th century criminologist Cesare Beccaria), 1774-1776;
- 295 "The Constitution of most of our states (and of the United States) assert that all power is
296 inherent in the people; that they may exercise it by themselves; that it is their right and
297 duty to be at all times armed." (Emphasis added) — Thomas Jefferson, letter to John
298 Cartwright, 5 June 1824
- 299 Alexander Hamilton: "For it is a truth, which the experience of ages has attested, that the
300 people are always most in danger when the means of injuring their rights are in the
301 possession of those of whom they entertain the least suspicion" — Federalist No. 25,
302 December 21, 1787
- 303 "[I]f circumstances should at any time oblige the government to form an army of any
304 magnitude that army can never be formidable to the liberties of the people while there is a
305 large body of citizens, little, if at all, inferior to them in discipline and the use of arms,
306 who stand ready to defend their own rights and those of their fellow-citizens. This
307 appears to me the only substitute that can be devised for a standing army, and the best
308 possible security against it, if it should exist" — Federalist No. 28, January 10, 1788
- 309 Now, here is the thing — JESUS our KING of kings and LORD of lords has declared our
310 LIBERTY and promised that if we CONTINUE in His word we will be FREE.
- 311 The reverse is also true. If we do not continue in HIS WORD, will be overtaken by lies —
312 and just as it is true that the TRUTH sets you free, it is true that LIES form the chains for
313 slaves.
- 314 I have lit the lamps in the Church belfry arch and now you let me know if you see them.
315 It's LIGHTS ON if you see the LIGHTS ARE ON and you will ride like Revere and spread
316 the warning, (essentially, it means you agree with what I'm saying) or you say LIGHTS
317 OFF -- which means you reject what I'm saying and disagree strongly with me. So, what
318 will it be today, lights on, or lights off?
