

# Brain Massage®: Show No. 735 20/20 for 2020: The Wrong Acosta Resigned / The Case for VOTER ID

Jerry Scheidbach

Original Air Date: 07.13.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in  
2 Santa Maria, CA—and your brain masseur—get ready for your brain massage.

3 Good news from the abortion front: The 9th circuit, weary of being overturned, decided  
4 not to fight the Constitution on this one — President Trump can divert funding from  
5 Planned Parenthood clinics that commit abortions.

6 Acosta resigned—maybe now Epstein can become the focus of his own indictment — the  
7 Brain Masseur's rapier thrusts its point into the heart of the Epstein capers — ha!

8 And Trump caves on the citizenship census question? WAPO, National Memo, LATimes,  
9 NY TIMES — all a-boast about Trump *caving* — hmmm. Yep, let's take a look — let's  
10 turn the sword on this pack of lies and show how this is really all about 2020.

11 And, remember when every Democratic candidate for President raised his and her hand  
12 in support of providing government subsidized health care to illegal aliens? Gavin  
13 Newsome, as one headline put it, beat them to it. — Oh yeah — Gavin signed into law a  
14 bill requiring the Sate to pay for health care to all here illegally ages 0-25 years. Shout it  
15 across the border: FREE HEALTH CARE to all who cross our borders illegally —!!!

16 At the same time, Hillary and Pelosi are advising illegals how to avoid deportation by ICE

17 But, alas, there is good news coming from the Left today—Miley Cyrus promised not to  
18 have any children until Climate Change is solved. Another good reason to resist every  
19 effort to use the climate change hoax as a Trojan Horse to sneak culture and economy-  
20 killing socialism into America. Did you hear that AOCs staffer admitted the NEW  
21 GREEN DEAL was never about Climate Change — that was only a ruse — it was really  
22 about fundamentally changing the economic base of America from a free market system  
23 to a marxist-socialist system.

24 It's time for your BRAIN MASSAGE!

25 [TRUTH]

26 The wrong Acosta resigned! Jimmy should've long before! Hehe.

27 Acosta was the Asst. US ATTY General under Bush II. In 2006, Florida indicted Epstein  
28 for sex crimes with underage girls and was about to let him walk with — well, not even a  
29 slap on the wrist, more like a wink and a pat on the back. Acosta's office stepped in,  
30 warned Epstein he would face federal prosecution unless he pled to a charge that would  
31 include at least some jail time and registration as a sex offender. Far less punishment than  
32 the scumbag deserved—as everyone, including Acosta would agree—but at least he was  
33 not going to get the "get out of jail free" card Florida prosecutors were offering him.

34 But, get involved with scummy people and you are going to get some scum on you!

35 At the time Epstein was being convicted for sex crimes against underage girls, and sex  
36 trafficking: providing services for Clinton, Hillary, and hundreds of other high profile  
37 "patrons" for his sex business enterprises—the media had little or nothing to say about  
38 him. Took virtually no interest in the case—I mean, this was a personal friend of Bill  
39 Clinton, who took over twenty trips on Epstein's jet to Epstein's perverse version of  
40 "fantasy Island" where guys with perverted sexual predilections can live out their fantasies  
41 — for a fee — of course — and, well, nothing is more sacred to the Left than the political  
42 party of Bill Clinton — so, Epstein's sexcapades were of little interest to them — but now,  
43 with a new sheriff in town — namely, Trump, Epstein is indicted again, and this time the  
44 usual DEMOCRATIC net is not there to break his fall — in fact, the hammer of justice is  
45 going to fall hard on his wicked head — and out of the breakage, scattered all over the  
46 country, will be the names and faces of a lot of very embarrassed Democrats, and perhaps  
47 some Republicrats too — but, as they say, heads will go rolling all over America. So now  
48 that it's going to come out, the whole thing is going to come out and it's going to STINK,  
49 and the STENCH is going to be coming from the general direction of the DEMOCRAT  
50 party — the media has become very interested in the Epstein indictment — they are all  
51 over it, 24/7, uh, lie smell on perfume, uh, like a scared skunk in a room without  
52 windows, like ... well, you get the idea. Now the MSM is verrrrrry interested in — Oh,  
53 NOT EPSTEIN — oh no! That's not the focus of their stories.

54 They are laser focused on Trump's Labor Secretary, Alex Acosta because back in 06, when  
55 Epstein was up on charges of sex trafficking involving — get this, a Washington Post  
56 article can't bring itself to say plainly what Epstein is being charged with — I'm reading  
57 this article in the Washington Post boasting that Acosta resigned in the hubbub stirred up  
58 over his involvement in the 06 indictment of Epstein on "charges of sex trafficking  
59 involving girls." That's it! Sex trafficking "involving girls" — I admit I did not read the  
60 entire article, maybe he mentions the fact that we are talking about UNDERAGE girls —  
61 some as young as 13 — and on his Island, some even younger — uh huh, it's sick!

62 The MSM, National MEMO, Washington POST, LA Times, New York TIMES, *et al*, do  
63 not want to go after Epstein, they wanted to make this all about TRUMP, and the closest  
64 they could get to him was this connection between his Labor Secretary and the 06  
65 indictment of EVIL EPSTEIN.

66 So, did Acosta do the right thing by first coming out with a full and complete explanation  
67 of what happened and his part in it, explaining why he opted for the plea deal instead of  
68 attempting to prosecute him on a Federal charge, an explanation which actually made  
69 perfect sense in the context of the situation back then, even if we disagree with it, it did  
70 make sense, and one thing is for sure, the sense it made was not that Acosta was trying to  
71 go easy on this pervert, but rather he was trying to make certain Florida did not virtually  
72 reward him for his, well, let's just say, his services to certain political friends in high places  
73 — and then, once Acosta got the truth about all of it out there, after it was out there and  
74 on record, he suddenly resigned — simply removing himself from the center of the storm  
75 —

At first, I must admit, I was not happy to hear about him resigning. I get so tired of these wicked and unreasonable Democrats using their bullying and diversionary tactics to attack conservatives while turning the blind eye to the open, egregious, foul wickedness that they literally live in, they wallow in this filthiness, they are up to their necks in AIDING AND ABETTING sex traffickers — they are steeped in protecting child porn perverts and all of it — the Weinbergers and every other bugger out there — but they act like they have moral high ground while they openly PROTECT THE PERVERT, EPSTEIN, AND ATTACK THE MAN WHO TRIED TO MAKE CERTAIN EPSTEIN AT LEAST FACED SOME JUSTICE — I get tired of this open double standard — you know, it's not even about a double standard —

The simple ugly truth about this is that the DEMOCRATS today operate on the devilish principles of Hitleresque—Goebblesque propaganda techniques.

Here is what is going on.

Epstein is a sex pervert who has been aided and abetted by the LEFT media ignoring his evil deeds, and LEFT politicians protecting him from exposure and prosecution for his EVIL DEEDS — and this has been going on for a long time.

Now, the cover this cockroach has been hiding under is being pulled back because we have the TRUMP/BARR team in town, and they all know those two are going to drop the wrath of LAW upon this wicked man, and when they do, it's going to create a lot of debris — and in that debris you will see Billy, and Hillary, and God only know who else — exposed for the foul fiends they are — the abusers of mankind that they are, abusers of children and how they use them to feed their own foul and perverse lusts —

They have known about Epstein's "Lolita Express" for years. It's like a joke among the perverse Washington elites—Epstein parties were about girls, very young girls — even Trump remarked on Epstein's reputation back in "the day" when he would do photo shoots that I'm sure embarrass him and the First Lady today — (I think Trump has changed, I think he has received Christ as LORD and there has been a fundamental change in him, but I don't think he ever sunk down into the sewers as deeply as Epstein and his friends. Trump and Epstein had a serious falling out about 15 years ago — don't know what it was about, but it would not surprise me to learn Epstein tried to blackmail Trump and Trump dumped him onto the street — I think Epstein has some serious dirt on a lot of high profile people that he thinks he will use to shield him from prosecution — PRAY the HOLY GHOST will REPROVE this — means EXPOSE it!)

Pelosi's daughter thinks many Democrat FAVES are likely to get caught up in the Epstein affair, and she has called for justice to roll whether over DEMS or GOPers — Others are speculating that Bill might actually be indicted for sex crimes —

But, well, we shall see!

Back to the question! Did Acosta do the right thing to make a statement putting the truth on record and then resigning? As I said, at first, I was angry that the LEFT did it again. But after I looked more closely at this — I think Acosta made the right move. I think this takes from the DEMS the only shred of hope they might have had to make this about

117 Trump, and to divert attention from the LIGHT THAT IS SHINING ON EPSTEIN and  
118 those he has snared in his WEB of shame.

119 Okay, gotta take a break. I'll be right back.

120 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,  
121 your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church  
122 belfry arch, signaling the enemy is on the march, an enemy that would steal from us our  
123 liberty.

124 One left rag after another, headlines blaring — TRUMP CAVED. What did he cave on?

125 Well, as you know, Trump wanted to reinsert the citizenship question on the US Census  
126 form — the one that OBAMA and his Demoncrats had removed during his Presidency.  
127 They pretended their reason was that it was *racist*. Yeah! Identifying citizenship is racist.  
128 The truth is, of course, the problem is not identifying citizenship but it's about identifying  
129 those who are here illegally. So, it actually has nothing to do with *race*, but it has  
130 everything to do with protecting those who are here illegally. And the huge elephant in  
131 the room is the reason this is important to Democrats.

132 Here is what happened. Trump wants the citizenship question RETURNED to the US  
133 CENSUS. So, first, this is not something new.

134 The Liberals DO NOT WANT the Citizenship question on the US CENSUS.

135 Why does Trump want the citizenship question on the US Census? Well, the census is  
136 used to shape public policy on all sorts of items and issues and it simply makes sense to  
137 know how many CITIZENS are in the US because policies are shaped by serving the  
138 interests of CITIZENS and those policies should not be unduly influenced by NON-  
139 CITIZENS. So, it makes sense.

140 But, as Trump has said repeatedly, it's especially important today because of election  
141 fraud — voter fraud — Judicial Watch recently discovered evidence that as many as  
142 900,000 illegals voted in the last election. We know there are 1.6 million voters registered  
143 in LA more than there are eligible voters in LA. And this is only the tip of that iceberg.

144 So, Trump wants a more accurate accounting of how many citizens there are in the  
145 country — which would help us in a close election to know whether non-citizens are  
146 influences our elections.

147 It's about PROTECTING the INTEGRITY of the VOTE in America.

148 The liberals say their reason for objecting to the citizenship question is that it's racist.  
149 How is it racist? It's racist because the real reason Trump wants the question is in order to  
150 expose the non-citizens who in this country illegally. How is that racist?

151 With the left anything is racist if they oppose it, unless they can think of some other name  
152 to call it, like bigoted, or homophobic, or, you know how it is today.

153 The attempt to justify the claim that wanting a citizenship question on the census is racist  
154 by arguing that the only reason Trump wants that question on the census is to expose  
155 Mexicans who are here illegally — and that makes it racist.

156 Well, that's absurd, of course. It's like saying the reason blacks are, as they say,  
157 overrepresented in our prisons is because America is, here it comes, racist. Not because  
158 the black families have been decimated by white liberal slavers whose policies have  
159 virtually destroyed black families especially, turning so many of our black brothers and  
160 sisters into government dependents. The same people that enslaved blacks during slavery  
161 have succeeded in large part to enslave them again with policies shaped by their SLAVER  
162 mentality — but that was another show.

163 Not because the WHITE LIBERAL MASSAs have labored constantly to agitate young  
164 black men to blame all whites for their troubles when the only whites they should resent  
165 are the ones they keep voting into positions of power over them — that's just got to stop!  
166 And, happily, with Trump the tide is turning.

167 Well, it's the same with the census — the SLAVER DEMS oppose the citizenship question  
168 for precisely the same reason Trump supports it — only with one very important  
169 difference.

170 Trump wants it on the census to PROTECT voting rights of CITIZENS. The Liberals  
171 oppose the question in order to protect the ILLEGALS they want to VOTE for THEM.

172 They are banking on the illegal vote getting them back into the White House, and taking  
173 back the Senate.

174 Nothing else explains how they are approaching this campaign.

175 No American, with the exception of a very few totally whacked out liberals, can possibly  
176 support the idea of giving FREE HEALTH CARE to those who are in our country  
177 ILLEGALLY. We can't even afford to give our own CITIZENS free health care — much  
178 less give it away to those here ILLEGALLY.

179 It is insane that every Democrat running for President in 2020 raised their hand in  
180 support of giving FREE TAX PAYER FUNDED HEALTH CARE to all ILLEGALS.

181 We expect that from crazy Bernie, but even Biden bit that poisoned apple.

182 Why? No one with sense can believe that is a winning strategy unless — unless they know  
183 full well that well over 900,000 votes are up for grabs if they will cater to them —

184 900,000, probably more like 2-3 million, illegals will be voting in the upcoming 2020  
185 election — the DEMS will make sure of it — they know they have the "hate Trump"  
186 crowd in their pockets so they don't need to worry about that crowd — the insanity called  
187 Trump derangement syndrome assures them of their vote no matter what they propose.

188 The edge they are looking for is the illegal vote — they are orchestrating a coup in this  
189 country — the illegal vote does not CARE about AMERICA. They don't care if America  
190 goes bankrupt, so long as they get their piece of the pie when it crumbles.

191 They don't care about Betsy Ross, or the Star Spangled Banner, or the Constitution, or the  
192 Bill of Rights, or anything like that. They want their "better life" and they want American's  
193 to pay for it.

194 They rationalize it in many different ways. They rationalize it by convincing themselves  
195 American's "stole" their land from Mexico, they rationalize it by believing America is evil,  
196 they buy the lies told against our founding, and against our agenda in foreign policies,  
197 and the stay narrowly focused on only those times in our history when we behaved below  
198 the expectation of our Founders and the high ideals and principles they espoused — and  
199 ignore all the majority of times we sincerely strove to rise to our ideals and provided  
200 liberty and justice to all —

201 But the bottom line is this — they don't love America, they don't share our values or our  
202 ideals — they want their "better life." That's it. So far as they are concerned otherwise,  
203 America means nothing to them except a meal ticket.

204 THOSE PEOPLE MUST NOT BE ALLOWED TO DECIDE WHO CONTROLS THE  
205 LEVERS OF POWER IN THIS COUNTRY.

206 That is a RIGHT that belongs ONLY TO CITIZENS.

207 Why is the left pandering to the illegals? One reason! They know AMERICANS will  
208 refuse their bid to make America a Socialist/Communist country — they figure they have  
209 enough ignorant citizens deluded by their propaganda — but they know they don't have  
210 enough to pull off the coup. So they intend to mobilize the illegal vote to join the  
211 IGNORANT vote to pull off their intended coup.

212 Weaponizing the FBI and the DOJ against Trump failed — so far, everything they've tried  
213 to do to bully Trump and his supports has failed, and in many cases has actually backfired  
214 on them.

215 They are running out of time. 2020 is upon us — they are desperate, and will do anything  
216 to prevail in 2020 — including STEAL THE ELECTION with ILLEGAL VOTES.

217 They have gone far enough, and it's time to STOP THIS INSANITY.

218 You have heard me say it often — the country is so evenly divided right now between  
219 patriots true to our founding principles and traitors who have betrayed our founding  
220 principles that VOTER FRAUD CAN DECIDE the next election. We must not allow that  
221 to happen.

222 STOP VOTER FRAUD NOW — require VOTER ID. It's the only sensible thing to do —  
223 nothing is more obvious than that if you need an ID to drive a car, you should be required  
224 to show an ID to vote.

225 You have to show ID to buy alcohol, cigarettes, to open a bank account, to apply for food  
226 stamps, to apply for welfare, to apply for medicaid or social security, to apply for  
227 unemployment, or for a job, to rent or buy a house, to apply for a mortgage, to drive a  
228 car, to buy a car, to rent a car, to get on an airplane, to get married, to purchase a gun, to  
229 adopt a pet, to rent a hotel room, to apply for a hunting license, to apply for a fishing  
230 license, to buy a cell phone, to visit a casino, to pick up a prescription, to hold a rally to  
231 protest, to give blood, to buy an M rated video game, to purchase nail polish at CVS, to  
232 purchase certain medicines —

233 And more — but you don't need an id to vote? There is only reason to oppose voter id  
234 and that is if you want people to vote who are NOT CITIZENS of the US.

235 God help and blow the smoke out of the eyes of the American people — and give them  
236 enough BACK BONE to STAND UP TO THESE WICKE AND UNREASONABLE  
237 PEOPLE who are attempting to STEAL the 2020 election.

238 And that's 20/20 vision for the 2020 election.

239 Come on by Sunday and let's chat. Our hosts, Mitch and Mary-Ellen will have some  
240 refreshments for you between 9-9:30 Sunday am, and I'll be available to meet you — I'm  
241 continuing my series on the BIBLE AND THE BILL OF RIGHTS as we celebrate our  
242 Independence through the month of July at the Lighthouse.

243 I have lit the lamps in the Church belfry arch and now you let me know if you see them.  
244 It's LIGHTS ON if you see the LIGHTS ARE ON and you will ride like Revere and spread  
245 the warning, (essentially, it means you agree with what I'm saying) or you say LIGHTS  
246 OFF -- which means you reject what I'm saying and disagree strongly with me. So, what  
247 will it be today, lights on, or lights off?
