

Brain Massage®: Show No. 736 The Latest Trump Tweet That Tweaked The Beaks Of The Left And Set Them Chirping—Racist, Racist, Racist! And The Eagle's Response To The Squawk Squad — Uh, huh! Very *Punny*.

Jerry Scheidbach

Original Air Date: 07.20.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 "Send them back! Send them back!" — Trump supporters chanted
5 at a recent rally, obviously referring to his latest Tweet nose Tweak
6 of left—. I guess it's nicer than F—Trump! Right? Omar and AOC
7 repeatedly call him Fascist — Anyway! One lefty thinks the reason
8 Trump said this—are you ready?— is because he is afraid of *The*
9 *Squad!* Uh huh! What do you think about Trump's latest tweak-
10 Tweet?
11 Liz Chaney gets it RIGHT about how WRONG the Left is today. I
12 don't think I've heard it made clearer. We'll take a look.
13 The latest from Berzerkly — all gendered words banned. What are
14 they going to do with Spanish? Almost every word is gendered?
15 They need to BAN the Spanish language.
16 Oh, and some clarifying conundrums—sent in from a listener that
17 I found entertaining and appropriate for the show today — let's
18 see! Yep! That should do it — it's time for your Brain Massage.
19 [TRUTH]
20 "Send them back! Send them back!" — Trump supporters chanted
21 at a recent rally, obviously referring to his latest Tweet nose Tweak
22 of left—One lefty thinks the reason Trump said this is because he is
23 afraid of *The Squad!* Uh huh! What do you think about Trump's
24 latest Tweet— tweak?

25 First, really, where do I begin with this? Okay, let's start here. Calm
26 down, Trump is not going to "send" anyone back — well, unless
27 they are here illegally! (Hallelujah).

28 Oh yeah! Bible say stranger (which is the Bible word for
29 immigrant) must obey laws of host country. There is a lawful way
30 to enter the country and that's what strangers must do to come in.

31 If they are fleeing their country to request asylum here — okay,
32 there is a lawful way to do that — they need to obey the law.

33 Now that we have settled that, who is the SQUAD?

34 There are four congresswomen that make up what is being called
35 the SQUAD —US Reps. Rashida Tlaib (D-MI), Ayanna Pressley
36 (D-MA), Ilhan Omar (D-MN), and Alexandria Ocasio-Cortez (D-
37 NY).

38 Most of you don't need much more than this — but, FOR THE
39 RECORD — who are these people?

40 Rashid — A Muslim whose parents immigrated into the US as so-
41 called Palestinians—who migrated to the US legally, by the way.

42 Google "Rashid racist rants," or something like that and you'll get a
43 long list of hits—most of these are popularly known: her insensitive
44 and ignorant statement about the Holocaust, her fraternity with
45 known terrorists, cozy with a guy that openly describes Jews as
46 Satanic, accuses Israel of racist policies; accuses American Jews of
47 having "dual loyalties" — by her own admission told her son that
48 she and others were going to Capital Hill to "impeach that M-F" —
49 what a mouth! She encourages the BDS movement against Israel.
50 It's a Palestinian led call to boycott, disinvest, and sanction Israel —
51 and Tlaib is all in favor of this — but not once called for any BDS
52 movement against those routinely firing missiles into Israel.

53 Ilhan Omar is also Muslim, and she likes to look the part. She is
54 from Somalia, and like her sister, Tlaib, has all kinds of criticism

55 against Israel but says nothing about the constant attacks on Israel
56 coming from Jew hating Arabs — she supports DBS, or course, and
57 likens it to boycotts called against Nazi Germany back in "the day";
58 refused to apologize for anti-Semitic statements, but was finally
59 cajoled into yielding a non-apology, once admitting "as a child in
60 Somalia, I was a passive consumer of anti-Semitism."¹

61 Who is Ayanna Pressley? Here is a quote that pretty well defines
62 her: "If you're not prepared to come to that table and represent that
63 voice, don't come, because we don't need any more brown faces
64 that don't want to be a brown voice. We don't need black faces that
65 don't want to be a black voice. We don't need Muslims that don't
66 want to be a Muslim voice. We don't need queers that don't want
67 to be a queer voice. If you're worried about being marginalized and
68 stereotyped, please don't even show up because we need you to
69 represent that voice."

70 Queers??? — Interesting! She won't get any kick back from me on
71 that; I am aware that sodomites (aka, homosexuals) use this label
72 all the time — and they actually revel in the idea that they are, well,
73 different. In fact, the word queer does not mean homosexual —
74 right. You knew that? It means *strange*, *odd*, and can be used in
75 sentences like, *I feel queer*, or *I have a queer feeling* —but, well,
76 probably not any more; not without being accused of dog whistling
77 or homophobia, or something along those lines. Another good ole
78 word that bites the dust.

79 But, we know where her sympathies are and should not assume she
80 used the term as a pejorative.

81 And, besides, that is not even half of what's wrong with what she
82 said. So, here it is. Pressley, no relation, by the way, is telling her
83 fellow congresspersons *of color* (that's a racist expression if I ever
84 heard one — everyone one has *a color*. So who are these *people of*

¹ <https://www.wsj.com/articles/can-ilhan-omar-overcome-her-prejudice-11562970265>

85 *color?*), but, once again, we know what she means, she means
86 people that are not white—but the only "white" person I ever saw
87 was an Albino—but, again, let's not get too technical, we know
88 what she means—Pressley is chastising her fellow *congresspersons*
89 *of color* to give voice to their, uh, COLOR. Yeah! She wants the
90 brown face to be a brown voice, the black face to be a black voice,
91 and so on. DOES ANYONE KNOW HOW TO SPELL RACIST?
92 It's spelled Ayanna Presley. This is without any question blatant
93 racism.

94 And it's even worse than your typical racism — it's ideological
95 stereotyping and tyrannical bullying. Think about what this evil,
96 racist woman is saying. She is saying if you are brown skinned,
97 there is only one ideology you can represent and give voice to in
98 her world. If you are black skinned, you are assumed to have only
99 ONE STEREOTYPICAL ideological perspective and she says,
100 effectively, BRING YOUR BLACK FACE TO THE TABLE AND
101 BE A VOICE FOR THE BLACKS, BRING YOUR BROWN FACE
102 TO THE TABLE AND BE A "BROWN VOICE" — OR DON'T
103 BOTHER COMING. Yeah, she said, DON'T EVEN BOTHER
104 COMING — and she means to speak out, don't bother speaking
105 out — she does not want to hear from you — and here is the
106 reason:

107 "Because we don't need any more brown faces that don't want to be
108 a brown voice. We don't need black faces that don't want to be a
109 black voice. We don't need Muslims that don't want to be a
110 Muslim voice. We don't need queers that don't want to be a queer
111 voice. If you're worried about being marginalized and stereotyped,
112 please don't even show up because we need you to represent that
113 voice."

114 Isn't this the strangest thing you've ever heard? "If you're worried
115 about being marginalized and stereotyped"? What? That's what you

116 just did to everyone — all brown people get to have one point of
117 view, oh, you get the idea.

118 As for AOC — she is the leader of this pack of fools — she is the
119 clown — you've probably watched the video clips of her being
120 schooled by adults — she is a joke! Her Green New Deal is —

121 Well, you know what, this is getting boring! Am I right? AOC was
122 funny for a little while, then irritating, annoying, but now, she is
123 just boring.

124 So that's the SQUAD.

125 Pressley says to all black, brown, Muslim, and Queer,
126 representatives that unless they are willing to *be a voice* for the
127 stereotypical ideology she has prejudicially assigned to these classes
128 of people — YOU MIGHT AS WELL GO HOME! Right?

129 So, Trump listens to all this nonsense, all the America bashing
130 coming from these four, the constant undermining of our way of
131 life, our values, our system of governance — and he says, HEY, IF
132 YOU DON'T LIKE IT, LEAVE!

133 So let's look at the now infamous Trump Tweets:

134 What were the "racist tweets" — repeated 759 times a day for a
135 week racist tweets, Trump's racist tweets — haha! Well, but whose
136 counting, right? I found it repeated three times, at least three times,
137 in one short article trying to sort out how these four came to be
138 called The Squad.²

139 What were Trump's racist tweets?

140 Here they are: "So interesting to see 'Progressive' Democrat
141 Congresswomen, who originally came from countries whose
142 governments are a complete and total catastrophe, the worst, most
143 corrupt and inept anywhere in the world (if they even have a
144 functioning government at all), now loudly and viciously telling

² <https://www.vox.com/2019/7/17/20696474/squad-congresswomen-trump-pressley-aoc-omar-tlaib>

145 the people of the United States, the greatest and most powerful
146 Nation on earth, how our government is to be run.

147 "Why don't they go back and help fix the totally broken and crime
148 infested places from which they came. Then come back and show
149 us how it is done. These places need your help badly[;] you can't
150 leave fast enough. I'm sure that Nancy Pelosi would be very happy
151 to quickly work out free travel arrangements!"

152 What is *racist* about this statement? Well, if you are a liberal these
153 days, it works like this. The people he is talking about happen to be
154 *people of color*. That makes anything he says about them racist.

155 But the beloved Martin Luther King wanted us to judge a man by
156 the CONTENT of HIS CHARACTER and not by the COLOR OF
157 HIS SKIN — and every complaint Trump expressed against these
158 character had to do with the CONTENT of their CHARACTER —
159 specifically, in this case, the content of their actions, their
160 statements.

161 And, besides all that — when his supporters began the chant —
162 "Send them back" — which, of course, we don't believe any of these
163 yahoos should be forcibly removed and sent to the countries with
164 systems of government they prefer to ours — so Trump pushed
165 back gently — discouraged them from continuing the chant, and
166 made follow-up remarks that we don't "send people back" at least
167 not if they are here legally — but every truehearted American
168 totally gets it! Every real patriot, who loves America as founded,
169 totally gets it. How many of us have watched the ugly spectacle of
170 crowds gathered around a burning flag chanting anti-American
171 slogans, or marching under the flag of Mexico, said in our hearts,
172 or right out loud in front of God and everybody — if you don't like
173 it here — LEAVE! But they don't leave — because they know how
174 good they have it here in the home of the brave and the LAND OF
175 THE FREE —

176 Okay, gotta take a break. I'll be right back!

177 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
178 at the Lighthouse, your brain masseur, and Paul Revere's lantern
179 lighter, lighting the lamps in the church belfry arch, signaling the
180 enemy is on the march, an enemy that would steal from us our
181 liberty.

182 Trump tweaked the left with a tweet that has them chirping,
183 "Trump's a racist" — but they might as well be screaming defiantly
184 at the deep blue sky. They are making us deaf with this "Trump's a
185 racist" nonsense. I've prepared the definitive argument that Trump
186 is NOT a racist — exposing the so-called definitive list of proofs
187 that he is — you can have it for a gift of \$20 to the Brain Massage
188 show.

189 Here are the tweets that tweaked the beaks of the Trump haters—
190 fluttering all flapped out with their annoying "Trump's a racist"
191 incessant chirping. So, he responded. I mean, after he quieted his
192 enthusiastic America loving crowd, and made it clear he is not
193 planning extreme rendition against the Squawk Squad — and they
194 piled on about Trump's racist tweets, Trump's racist tweets —

195 They truly believe if they say it loud enough, and repeat it enough,
196 and keep this going long enough — they will prevail, they will
197 succeed at turning their FAKE news into the popular perspective
198 — but that only worked back when we trusted our News media —
199 we don't trust you! We know you are a pack of political hacks. We
200 expect you to LIE to us.

201 It's like when I visited Russia, and the newspaper Pravda was
202 mentioned. *Pravda* in Russian means *truth*. Eyes would roll, faces
203 would smirk, and sarcasm filled the air as one after another said,
204 yeah, *Pravda*. The Communist Pravda! Many of them laughed
205 scornfully. Well, that's what we think about you today — that is,
206 those of you in the so-called MSM.

207 So, it's harder now for another reason. The TRUTH is not sitting
208 idly by when you pull this stuff — it's alive and well, and vibrant,
209 and it's SPEAKING UP — so that every time you chirp *Trump's a*
210 *racist* — ten other voices chime in — NO! You are the racist.

211 Or another report comes out touting a strong economy, black
212 unemployment lowest in history, black home ownership way up,
213 black business ownership way, way up — and every whitey I know
214 is rejoicing — I don't know a whitey who ever resented welcoming
215 any fellow hard working American to the success club — every
216 whitey I know is striving for success and cheering on everyone else
217 to go for it too.

218 So let's keep it up! Every time they call one of us a racist — let's
219 throw it right back into their lying faces. Don't take it anymore.

220 When Maxine Waters calls for her followers to tell us we don't
221 belong — you stand up and say, oh, but yes I do belong. This IS
222 MY COUNTRY LAND THAT I LOVE — and YOU CAN'T TAKE
223 THAT AWAY — 'Cause the flag still stands for freedom And they
224 can't take that away' — so I'm Proud to be an American, where at
225 least I know I'm free —

226 And I'm free — Maxine Waters — I'm FREE — and you cant' take
227 that away. And I DO BELONG here — and I have a RIGHT to
228 speak my mind too — and what I believe does not have a COLOR
229 — I don't have color coded beliefs — all my beliefs are RED AND
230 YELLOW AND BLACK AND WHITE — AND BROWN, by the
231 way — which, in truth, we are all shades of BROWN — but, you
232 get the point.

233 I BELONG in America and CALIFORNIA is my home — and it's
234 time we uproot the liars that have stolen our beautiful state from us
235 and tried to take our kids and teach them there are 51 genders —
236 and encourage a lifestyle that is deadly, and pushing their

237 immorality on us — WE BELONG! And you cannot have my
238 rights.

239 Anyway — Trump is not a racist, Trump is not a racist, Trump is
240 not a racist — and just keep saying it over and over and shout them
241 down for once —

242 Because it is obvious that he is not, and they know he is not a racist
243 — but what he is they hate even more than those racists pretend to
244 hate racism — they hate Trump because he is an AMERICAN!

245 Liz Chaney gets it RIGHT about how WRONG the Left is today. I
246 don't think I've heard it made clearer.

247 Liz Chaney — R. Wy. House Republican Conference Chair.
248 (Daughter of Dick Chaney) Said ...

249 “Our colleagues on the left are WRONG ...”

250 1. When they try to impose the fraud of socialism on the American
251 People (AP)

252 WRONG: 2. When they pursue policies that steal power from the
253 AP and give that power to the govt.

254 WRONG: 3. When the espouse, enable, and the leadership refuses
255 to condemn vile anti-semitism

256 WRONG: 4. When they rush to blame America first

257 WRONG: 5. When they fail to recognize that this is the greatest
258 nation that has ever existed

259 WRONG: 6. When they refuse to acknowledge the exceptionalism
260 that is America

261 WRONG: 7. When they fail to recognize that no people has ever
262 lived in greater freedom.

263 WRONG: 8. And then they go on and fail to provide the resources
264 our men and women in uniform need to defend that freedom.

265 WRONG: 9. When they advocate abortion up to time of birth, and
266 partial birth abortion.

267 WRONG: 10. When they refuse to mandate care for babies who are
268 born alive after a botched abortion.

269 WRONG: 11. When they say we should open America's borders,
270 abolish ICE, abolish DHS.

271 WRONG: 12. When they advocate policies that would eliminate all
272 private health insurance and destroy Medicare, and force
273 Americans to pay for FREE health care for illegal immigrants.

274 WRONG: 13. When they mandate minimum wages that destroy
275 jobs —that's not compassion, it's a callousness that is born of
276 ignorance.

277 WRONG: 14. When they promote policies that create greater and
278 greater dependency on the govt.

279 WRONG: 15. When they advocate "packing the Supreme Court"
280 and abolishing the Electoral college

281 WRONG: 16. When they delegitimize any public office holder that
282 does not toe the political correct line — "

283 I want to read this list of clarifying conundrums I was given by Luis
284 Morgret — so I'm only going to take time to touch on the latest
285 from Berzerkly — all gendered words banned. A manhole will be
286 called a *maintenance hole* and *man made* will be *artificial*.

287 What are they going to do with Spanish? Almost every word is
288 gendered? They need to BAN the Spanish language. Listen, our
289 representatives in Sacramento today are owning the old joke that
290 California is the land of fruits and nuts!

291 I don't think California is safe in the hands of crazy people.

292 Okay, here are some clarifying conundrums—

293 Of course, you know what a conundrum is, right? Yeah, it's
294 something puzzling, or confusing. I find the following conundrums
295 to be clarifying — which is itself a conundrum —

296 Trump reunites 95% of children separated from their parents, but
297 the liberals continue ignore the fact that this policy was created
298 under Clinton's watch, continued under Obama's watch, and still
299 bring it up as a proof that Trump is a Nazi conducting
300 concentration camps on our border.

301 Well, that was not on the list — but, here they are!

302 The first six are reflections on the contrast between capitalism and
303 socialism:

304 1. America is capitalist and greedy - yet half of the
305 population is subsidized.

306 2. Half of the population is subsidized - yet they think
307 they are victims.

308 3. They think they are victims - yet their
309 representatives run the government.

310 4. Their representatives run the government - yet the
311 poor keep getting poorer.

312 5. The poor keep getting poorer - yet they have
313 things that people in other Countries only dream
314 about.

315 6. They have things that people in other countries
316 only dream about - Yet they want America to be
317 more like those other countries.

318 Here are some things to think about:

319 1. We are advised to NOT judge ALL Muslims by the actions of a
320 few lunatics, But we are encouraged to judge ALL gun owners by
321 the actions of a few lunatics.

322 2. Seems we constantly hear about how Social Security is going to
323 run out of money. But we never hear about welfare or food stamps
324 running out of money? What's interesting is the first group
325 "worked for" their money, but the second didn't.

326 3. Why are we cutting benefits for our veterans, no pay raises for
327 our military and cutting our army back, but we are not stopping
328 the payments or benefits to illegal aliens.

329 Okay, gotta go!

330 You might have come across the ten reasons Christians cannot
331 vote for Trump in 2020. As most of my listeners know, I was not a
332 Trump supporter coming into the 2016 election—and it was
333 because of my Christian compunctions — I felt very strongly that
334 Trump was, well, certainly a better choice than Hillary, but not by
335 much. Frankly, I did not trust him — and, frankly, his public
336 persona and past behavior did not support the confidence many
337 placed in him. I could not have been more mistaken, and I could
338 not be more glad to have been wrong in my entire life. This is the
339 most unconventional President I've ever read about, or seen in
340 office during my 67 trips around this sun — so, I think I can say
341 that I understand where Christopher Pieper, and Matt Henderson,
342 Sociologists of Religion, are coming from — and having a Thg, a
343 BA, an MA and a Doctorate in Theological Studies — having
344 taught on the college level for many years — having written
345 extensively on virtually all subjects Christian — that I can speak to
346 this issue with biblical clarity. So, this coming Sunday night, I'm
347 going to conclude my God and Country patriotic series in honor of
348 July 4th with a message: Why Christians Can Support Trump in
349 2020 in answer to Pieper and Henderson's paper titled: 10 Reasons

350 You Can't Be A Christian And Vote For Donald Trump. That's this
351 Sunday, evening service, which begins at 5 PM.

352 Sunday morning Bible Study time (9:30 AM) and Preaching time
353 (10:45 AM) I'll be finishing my series titled The Bible And The Bill
354 Of Rights.

355 I have lit the lamps in the Church belfry arch and now you let me
356 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
357 ON and you will ride like Revere and spread the warning,
358 (essentially, it means you agree with what I'm saying) or you say
359 LIGHTS OFF -- which means you reject what I'm saying and
360 disagree strongly with me. So, what will it be today, lights on, or
361 lights off?
