

Brain Massage®: Show No. 738 Slapping Gnats, Baltimore's Rats, the DEM Debate And the War for America's Soul / Biblical Support For Trump's Second Term (Part Two)

Jerry Scheidbach

Original Air Date: 08.03.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 Have you noticed the focus of DEM-wits Trump attacks has moved  
5 away from Russian collusion? The Russian collusion thing lost a  
6 huge amount of steam from the Mueller non-testimony — people  
7 are literally yawning at the whole debacle — and DEMS are  
8 beginning to hunker down for the coming STORM because the  
9 REAL Russian Collusion investigation is picking up, uh, steam! An  
10 update!  
11 The DEM-wits (those whose *wits* are shaped by modern liberal  
12 ideology) are retargeting racism as their lead point of attack against  
13 Trump coming into the 2020 election. Well, I called that — and it  
14 was not a hard call. It is all they have, and all they have is  
15 NOTHING! The DEMS are in total disarray — Michael Moore  
16 thinks Michelle Obama can save them.  
17 I have prepared the definitive argument that Trump is NOT  
18 RACIST — and I'll be updating it in a few weeks. Right now it's  
19 available as an MP3 file that will play on most CD players — send  
20 us a gift of \$20 for the DEFINITIVE ARGUMENT THAT TRUMP  
21 IS NOT RACIST — we'll get it out to you. What I did is debunked  
22 the New York Times article boasting it is the DEFINITIVE LIST  
23 OF PROOFS THAT TRUMP IS RACIST. It's worth getting and it  
24 will help you defend your support for Trump against this false  
25 charge. And it will help fund the Brain Massage® show.  
26 Today, after I address some stuff in my *this-is-interesting-pile*, I'll  
27 continue my REASONS CHRISTIANS CAN SUPPORT TRUMP

28 argument. You'll need this and the DEFINITIVE ARGUMENT  
29 TRUMP IS NOT RACIST to arm yourself as you battle the liberal  
30 lies being used to drag this nation out from UNDER GOD.

31 My friends, it's time for your Brain Massage® —

32 [TRUTH]

33 Well, Buttigieg (Butti-who?) has greatly embellished his resume  
34 for being president. If you watched the latest debate, this  
35 presidential hopeful had an impossible to ignore smudge on his  
36 forehead — afterwards, when asked about it, he explained that he  
37 was unaware of it till later, and thinks it might have been a  
38 smashed gnat — so, he smashed a gnat on his forehead — and then  
39 he offered that he thought it shows he "can do many things at once  
40 in this election." (He said that *tongue-in-cheek*.) Obama had his  
41 flies, and Butti-who has his gnats.

42 Gnats gathered in the studio? Butti-who explained, "there were  
43 these little kind of gnats around"! Really? Perhaps as he entered the  
44 building, but no one looked him over before he went on stage?  
45 Maybe! Weird. They might gather around a potted plant, and on  
46 his way to the stage he got gnat bombed and smacked his forehead  
47 and didn't rub it off, and so wore gnat guts on his forehead in  
48 Detroit. (I will not play with the metaphor there.) Maybe there is  
49 something to the infestation concerns some have expressed — like  
50 in Baltimore.

51 Trump speaks of Baltimore's problem with rat and rodent  
52 infestation — and the Progressives howl about racism — right —  
53 only a liberal would think of racism when they hear about rat and  
54 rodent infestation. Maybe I can help here. When I heard Trump  
55 speak of Baltimore's rat and rodent infestation I thought of rats and  
56 other rodents. Ever hear about Baltimore's rat infestation? They  
57 did a documentary on it, man!

58 Hey, DEM-wits — Democrats whose wits are shaped by  
59 Progressive, say Communist, ideology — the radical Muslims are  
60 the ones who call Jews rats; the more radical among them actually  
61 believe rats are Jews — ask Ilhan Omar, she can tell you all about it.  
62 She never said this, but maybe when she heard some radical Imam  
63 talk about Jews being an infestation of rats in Palestine it struck as  
64 funny, similarly to how she felt when she heard her teachers in  
65 Somalia say *Al Qaeda*, or *Hezbollah*, throwing their chest out in  
66 pride — she mimicked them very convincingly, and chuckled; ever  
67 look at the context of that little chuckle?

68 Ilhan was commenting on how many people say *Al Qaeda* or  
69 *Hezbollah* "in a severe tone," and said, "You never hear people say  
70 words like 'America' that way." Uh huh. Right! In her country of  
71 origin, you only hear the word *America* used in the expression,  
72 *death to America*. Anyway, in connection with that observation she  
73 remembered how her teachers in Somalia would say *Al Qaeda* or  
74 *Hezbollah*. She said, "When I was in college, I took a terrorism  
75 class. [*really?*] ... The thing that was interesting in the class was  
76 every time the professor said 'Al Qaeda' his shoulders went  
77 up," and she chuckled as she imitated her professors, holding her  
78 shoulders up and back, proudly saying, "Al Qaeda" and then  
79 "Hezbollah."<sup>1</sup> Take all of this in context — her late fraternization  
80 with organizations that support terrorism — her statement that on  
81 9/11 "someone did something."

82 So, Trump chides the representative from Detroit, Elijah  
83 Cummings, about his rat and rodent infested district — and all the  
84 racists immediately assume he is referring to black and brown  
85 skinned people as rats and rodents — you see what I mean? Only  
86 racists interpret every thing you say as racist — Cummings referred  
87 to Detroit as drug *infested*, and that was in 1999 — he has had 20  
88 years to do something about it and has failed.

89 A, and this is what reporters in Baltimore called it, a "Baltimore rat"  
90 ran through a live shot in Baltimore — the rat infestation in  
91 Baltimore is so bad they did a documentary on the problem.<sup>2</sup>

92 Cummings' answer—DC has more rats than Baltimore. Trump's  
93 comeback—"Having fewer rats than DC is nothing to brag about."

94 This is, for sure, the strangest Presidency in my memory. Trump is  
95 so real.

96 So there IS a rat infestation in Baltimore — and Trump was  
97 OBVIOUSLY referring to that infestation— but only Democrats,  
98 these days, only Democrats turn everything into a comment about  
99 race — only Democrats hear "rat infestation" and think Black and  
100 Brown people. Democrats have redefined the word *racist* to mean  
101 anything that comes from the mouth of a conservative.

102 Okay, what else do we have? Oh, wow — Biden declares this  
103 election is a war for the SOUL of AMERICA — and he is right on!  
104 That's exactly what it is. It's so amazing to me to watch how GOD  
105 has made so clear what is at stake in this election — the choice  
106 before us could not possibly have been made clearer.

107 Talk about the SOUL of America? You bet! One Party wants to  
108 murder babies in the wombs of their mothers right up to the  
109 moment of birth. I listened to a DEM-wit doctor say, right out loud  
110 in front of God and everybody that he acknowledges the so-called  
111 "fetus" is a baby — and by the way, this is a scientific fact, and the  
112 abortionists have known this all along — use of the word *fetus* was  
113 always a way to pull the wool, as they say, over the eyes of  
114 Americans who would otherwise object to the idea of burning a  
115 baby alive in the womb, or butchering a child in the womb — but  
116 now, this is out in the open. Yes, this election is for the SOUL of  
117 America.

118 Will Americans choose to continue supporting Abortion now that  
119 it's out in the open what abortion is all about? It's about murdering  
120 babies in the wombs of their mothers, and it's about harvesting  
121 baby body parts to line the pockets of abortionist doctors and  
122 Planned Parenthood.

123 One party wants to promote transgender confusion. One party  
124 wants to encourage transgendered women, who are biological men,  
125 to participate in women's sports — talk about dismissing women's  
126 rights, or women's interests — how can a biological woman  
127 compete against biological men? It's unfair; it's immoral! But one  
128 Party is so bent and warped and twisted and perverted, it cannot  
129 see how unjust, unfair, unhinged it has become over this nonsense  
130 about 56 genders — really? You bet! This election is about the  
131 SOUL OF AMERICA.

132 One Party wants to allow terrorists and murders to vote in prison;  
133 they want people here illegally to decide elections. California—well,  
134 Newsom's hometown of San Francisco—paid out 350,000 to  
135 register 61 non-citizens to vote. So it was not to vote in national or  
136 even statewide elections, but for local school board elections — but  
137 you and I have heard them, we know what is their agenda, we  
138 know they are purposely ENCOURAGING ILLEGALS TO  
139 ILLEGALLY VOTE IN OUR ELECTIONS —

140 This election is most certainly for the SOUL of America.

141 One Party wants open borders, they want to eliminate private  
142 health insurance, they want to socialize medicine, they want to  
143 expand government into every facet of your personal life, they  
144 want to dictate how you think, what you say — oh, yeah, this  
145 election is definitely for the SOUL of America.

146 It's about slavery or liberty. Simple as that! One side is offering to  
147 buy America with taxpayer's money.

148 One Party wants to pull America out from "under God" — and you  
149 know what Party that is. It's the Democrats! Plain and simple!

150 You had better tool up for the fight. Essentially, they are going to  
151 capitalize on the ignorant vote. A poll was taken, by *College Pulse*,  
152 of 8,111 college students, and Obama was rated the best President  
153 in US History, followed by FDR, and then Abraham Lincoln —  
154 Washington, and then Reagan came in a distant fourth, and Trump  
155 was last. This reflects the political demographics of our colleges —  
156 it's the result of the pap they are being taught in the DEM-wit  
157 propaganda institutions that pass for "higher education" in  
158 America today.

159 It does tell you, however, that the IGNORANCE vote is  
160 brainwashed against America as founded — and in favor of  
161 Communism — destroying the SOUL of AMERICA.

162 Add that to the ILLEGAL VOTE — and that, my friend, is the  
163 game plan of the Democrats. Are you noticing, in their debates,  
164 they don't even pretend to reach out to AMERICANS — they are  
165 depending on the Communist indoctrinated college radicals and  
166 the illegals — now is the time for Christian conservatives to step  
167 up.

168 My book is coming out in October — GOD's WAR! Subtitled: *Why*  
169 *Christians Should Rule the World* — that will tweak them — but  
170 when you read it you'll see what I'm saying. Think about it. Do you  
171 want a *Better Red than Dead* Commie sitting in the Oval office, or a  
172 genuine, red-blooded GOD and COUNTRY loving conservative  
173 leading this nation? That's the choice. Hold on through the break;  
174 I'll be right back.

175 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
176 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
177 lighter, lighting the lamps in the church belfry arch, signaling the

178 enemy is on the march, an enemy that would steal from us our  
179 liberty.

180 Okay, let's look at biblical support for a Trump second term. And  
181 the first thing we will do is offer guidance in discerning the *spirit* of  
182 the respective PARTIES putting candidates forward in this  
183 election.

184 For those who have followed this show for years — and who have  
185 questions about what changed my mind about Trump, go to our  
186 church website, [www.santamarialighthouse.org](http://www.santamarialighthouse.org), open the  
187 RESOURCES menu and select ISSACHAR REPORT. You'll find a  
188 message there I preached a few weeks back that explains it  
189 thoroughly.

190 Right now, let's look at biblical principles.

191 And we will begin with the fact that "where the Spirit of the LORD  
192 is, there is liberty" — II Corinthians 3:17. According to the Bible,  
193 Jesus sent the SPIRIT of the LORD into the world to reprove it of  
194 sin, righteousness and judgment to come. He dwells in the hearts  
195 of Christians.

196 So there are two spirits at work in the world today — the SPIRIT of  
197 THE LORD and another spirit, in the Bible called the *spirit of*  
198 *antichrist*. This is the spirit of tyranny — this spirit is in opposition  
199 to the Spirit of Liberty. These are at war.

200 It comes down to this — the Bible tells us to not believe every  
201 spirit, but to TRY THE SPIRITS to see if they are of God. I John  
202 4:1-2.

203 In this election, the believer needs to "try the spirits" and discern  
204 which candidates are under the influence of the SPIRIT OF  
205 LIBERTY—which is the SPIRIT OF JESUS CHRIST—as opposed  
206 to those that are under the influence of the spirit of antichrist,  
207 which is the spirit of tyranny.

208 Each SPIRIT has its own army. The army fighting for the side of  
209 the SPIRIT OF LIBERTY is Christians in which dwells the SPIRIT  
210 OF CHRIST Jesus — the only rightful ruler of the kingdoms of  
211 men. IN the Bible, these are called the children of obedience — not  
212 because they invariably, or even consistently obey everything God  
213 tells them to do, but because they have OBEYED THE GOSPEL. I'll  
214 explain obedience to the Gospel in a few minutes —

215 The other spirit also has an army fighting under its influence.  
216 These are people who are under the influence and are susceptible  
217 to the control of the "prince of the power of the air, the spirit that  
218 now works in the children of disobedience" — Ephesians 2:1-1. In  
219 fact, the Bible warns us Satan can take these people under his  
220 control at his will.

221 I mentioned that Jesus claims to be the only rightful ruler of the  
222 world and over all the kingdoms of men. The SPIRIT of LIBERTY  
223 acknowledges that.

224 The spirit of tyranny, which is the spirit of antichrist, rejects that  
225 claim and actually goes so far against it as to rail against any notion  
226 of Christianity having any influence in government, or society.

227 The Bible tells us these people are in a RAGE against GOD's  
228 ANOINTED ONE — Psalm 1, and Jesus described them as angrily  
229 sending word out against Him saying, "we will not have this man to  
230 reign over us." Luke 19:14-32.

231 So, the job of the Christian is to figure out which candidates are  
232 under the influence of the SPIRIT OF LIBERTY and which  
233 candidates are under the influence of the spirit of antichrist—or,  
234 the spirit of tyranny.

235 To do that, you'll need to understand liberty from a biblical  
236 perspective.

237 For a great message in which I offer a biblical perspective on  
238 liberty, go to our website, and on the Issachar Report page you'll

239 find a few messages where I address that. I'm going to assume my  
240 listeners share with me a common view of liberty —

241 To summarize: we view liberty not a license to disobey GOD, and  
242 certainly not as a mandate for government to do evil to the liberty  
243 and freedom of others, or to encroach upon the rights and freedom  
244 of others — as, for example, where on one side, liberty is seen as  
245 supporting the GAY-RIGHTS agenda pushing for special rights  
246 which can only be secured at the expense of the natural, inalienable  
247 God given rights of others — as when the power of government is  
248 used to coerce Christians, in particular, into violating their  
249 conscience, compelling them to not only tolerate, but to actively  
250 condone practices they religiously cannot approve or accept — that  
251 is a perversion of liberty.

252 So, to clarify, where the SPIRIT of the LORD is there is LIBERTY  
253 UNDER GOD — and where the spirit of antichrist prevails, there  
254 is the spirit of anti-GOD, or antichrist — which promotes policies  
255 that lead to tyranny — where government intrudes upon the  
256 religious liberties of Christians and make laws that are intended to  
257 criminalize our faith.

258 Which "side" represents most closely, the SPIRIT of LIBERTY and  
259 which "side" represents most closely the spirit of antichrist.

260 For a Christian, that's all there is to it. Once you determine what  
261 "spirit" is operating in this or that political party, the issue is closed.  
262 No Christian can support a Party that is under the influence of the  
263 spirit of antichrist.

264 The political divide is so stark, it is so clear, the polarization is so  
265 complete, today we have on one side a Party that advocates policies  
266 that support and encourage LIBERTY — economic LIBERTY,  
267 social LIBERTY, religious LIBERTY, and on the other a Party that  
268 is contrary to the SPIRIT OF LIBERTY — that advocates antichrist  
269 sentiments such as the idea that conservative, Bible believing

270 Christians cannot serve on juries, or in Congress, or on the Courts  
271 because their ideology does not align with the "secularist" notion  
272 that GOD has no business in politics, or in governing men. Which  
273 is a lie.

274 The DEMOCRATS are the Party of ANTICHRIST! It's as simple as  
275 that. It took some battling, but the fact is, the REPUBLICAN  
276 PARTY is the PARTY where CHRISTIANS fell most welcome —  
277 where the SPIRIT OF LIBERTY continues to prevail.

278 Okay, that gets us started. Next time I'll go into more particular  
279 examination of biblical principles supporting Candidate Donald  
280 Trump in particular.

281 One of the mistakes people make is they evaluate candidates on the  
282 basis of ideals that their own lives do not meet consistently.

283 Every great leader has flaws — the question is what *spirit is he of*.  
284 So next time I'll bring out some particular biblical principles that  
285 can help us understand why it is biblical to support President  
286 Trump's second term.

287 I'll throw only one out there right now, to conclude the show, but it  
288 is by no means the only one or even the best one — it simply  
289 happens to be one that does not require explanation:

290 **Mark 9:40** "For he that is not against us is **on our part**."  
291 Conversely, he that *is against us* is NOT ON OUR PART. We  
292 should not support those who are AGAINST US. We can support  
293 those who ARE ON OUR PART — Trump is for us. I'll detail that  
294 in the next show. Hillary, and that entire crowd are clearly against  
295 us. Which should be obvious to any God fearing patriot.

296 I have lit the lamps in the Church belfry arch and now you let me  
297 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
298 ON and you will ride like Revere and spread the warning,  
299 (essentially, it means you agree with what I'm saying) or you say  
300 LIGHTS OFF -- which means you reject what I'm saying and

301 disagree strongly with me. So, what will it be today, lights on, or  
302 lights off?
