

Brain Massage®: Show No. 739 The Blame Game / The Danger Of Desperate Democrats

Jerry Scheidbach

Original Air Date: 08.09.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 [TRUTH]  
5 It's War!  
6 Google CEO boasts they will stop Trump. Twitter and Facebook  
7 shadow blocking and controlling information: News favorable to  
8 liberals flows freely; news favorable to conservatives is tightly  
9 monitored and controlled. Conservatives blocked routinely, radical  
10 groups like Hamas — get a pass!  
11 What is "shadow-blocking"? It's when Facebook, Twitter, and  
12 Instagram block your posts without you knowing about it. They  
13 create algorithms that identify key words or phrases and restrict  
14 their dissemination.  
15 Some of you remember when "censorship" was a dirty word. Now  
16 it is standard operating procedure with liberals. They have turned  
17 it into a virtue.  
18 Representative Castro, DEM-wit from Texas — posted private  
19 citizens information of Trump supporters because he wanted  
20 people to "think twice" about supporting Trump.  
21 Now, let's take a look at the rash of mass shootings: Gilroy, CA,  
22 Dayton, Ohio, and El Paso, Texas. Also, recently, a gang member  
23 here in CA, went on a rampage and knifed several people killing  
24 four. The problem with the Detroit shooting is when you try to get  
25 information there are so many shootings and reports of shootings  
26 coming out of Detroit it's bewildering — so, many are inclined to  
27 chock up the recent Detroit shooting as just another day in Detroit.

28 We are not sure what the Gilroy shooter was trying to achieve —  
29 fact is, the police are keeping their information tightly controlled.  
30 His social media presence seems to have been scrubbed — all we  
31 are told is that his ideology was "fractured." He seemed to show an  
32 interest in what the officer described as "competing violent  
33 ideologies." In other words, there was no more evidence to support  
34 a White Supremacist connection than there was to support an  
35 Antifa, or Hunter ideology. What's the "Hunter" ideology? We are  
36 coming to that. Can't say much more about the Gilroy shooting  
37 until more is known about the shooter and his motivation. But this,  
38 he intended to kill everybody he had a bullet for, hundreds; but he  
39 killed 3 before he was STOPPED BY SOME GOOD GUYS WITH  
40 GUNS.

41 The Dayton and El Paso shootings, however, present a very  
42 intriguing contrast.

43 Dayton shooting — the perp was a flaming liberal Trump and  
44 Republican hater. Expressed "extreme hatred of American border  
45 enforcement." He tweeted, "I want socialism." Said he was not  
46 going to "wait" for everyone else to finally get it.

47 And yet, repeatedly, the MSM call this guy "far right." Socialism is a  
48 LEFTY thing, man!

49 We need to be careful about letting the left define the "RIGHT."

50 Nazism is not a "right wing" ideology. The fact is, and I'll do a  
51 whole show on this in a few weeks, if you examine Nazi ideology it  
52 aligns far more closely to left-wing values than it does to right-wing  
53 values. Begin with a tyrannical, fascist penchant for controlling  
54 what everyone else believes and says, and does — that's totally Nazi  
55 and totally LEFT. Move from there to the fact that Nazism was all  
56 about Socialism — and that's totally Left Wing stuff. It goes on and  
57 on. Be careful about allowing your enemy to define you.

58 What is significant about the Dayton shooter is that he hated  
59 border enforcement, he hated Republicans, and he "labeled" all  
60 conservatives, and anyone he did not like, as "fascists" so he could  
61 justify calling for them to be killed — because, of course, all fascists  
62 must die, right? Uh huh!

63 So, got it? The Dayton shooter was a socialist, open border Bernie,  
64 Pocahontas, supporter and decided to get a gun to make his  
65 political statement.

66 Liberals are always clamoring to use profiling as basis for gun  
67 control laws. But their profile is way off. According to their rules,  
68 liberals should be banned from owning guns, not conservatives.

69 Now, let's look at the glaring contrast between the Dayton and the  
70 El Paso shooters.

71 El Paso shooting — the perp wrote scathing diatribes against what  
72 he called a "Hispanic Invasion" of Texas. He claims he wanted to  
73 kill Mexicans — apparently, he had strong opinions about  
74 interracial marriages, and wanted all Mexicans to go back to  
75 Mexico — or something along those lines. So, we can safely assume  
76 he was in favor of border control, and deportation of those who  
77 have entered our country illegally.

78 So it is assumed he was a *right-winger*. But, again, we must not  
79 allow the left to define the right.

80 Right people don't hate Mexicans, or Chinese, or Arabs, or Jews —  
81 *right* people believe in law and order, and resent anyone coming  
82 into our country illegally and latching onto the social nipple — but  
83 there it has nothing to do with race.

84 The El Paso shooter is angry about all the Mexicans coming into  
85 our country — so he decides to get a gun and go shoot all he can.

86 The Dayton shooter is angry about all the Trump loving fascists  
87 who reject Socialism (very confused, obviously) so he decides to get  
88 a gun and go shoot all he can.

89 On the surface, this might look like the Dayton guy was a Trump  
90 hater and the El Paso guy would be a Trump lover.

91 Of course, the liberal media tries to blame Trump for all these  
92 tragedies. Beto tries to blame Trump — for "helping to create the  
93 hatred that made ... [the] tragedy possible." Now, let's try to put  
94 this together.

95 Beto, an El Paso homey, blames Trump for the mass shootings  
96 because he "created the environment of hatred" that made it  
97 possible for this to happen.

98 Uh, friend, the policies that stoked the El Paso shooter are liberal  
99 open border policies — so by their own reckoning, LIBERALS  
100 CREATED THE ENVIRONMENT OF HATRED THAT  
101 TRIGGERED THIS WICKED MURDERER — but, no! Actually,  
102 as you will see, that is a superficial understanding of this matter.  
103 Hang on. Missile of brilliant insight incoming — but don't duck or  
104 dodge, let it explode in your mind — it will be a clarifying moment  
105 for you.

106 But let's clear away another side issue: were all the mass shootings  
107 that occurred during the Obama years a result of the "environment  
108 of hatred" and specifically, racial tensions that Obama fostered? A  
109 legitimate question, but it misses the real point. Okay, here it  
110 comes.

111 How did Trump create this environment of hatred? By existing?  
112 You know, before Trump was an open America loving  
113 conservative with Christian sympathies, he was beloved by the Left.  
114 I mean all of them fawned all over him. Now they hate him — what  
115 did he do to create that "environment of hatred" in the LEFT-

116 WING communities? He became a conservative. Think about what  
117 I'm saying.

118 What triggered the left against Trump is the sense of betrayal they  
119 feel toward him for siding with their enemies against their  
120 champions — the Obama/Clinton nexus. The environment of  
121 hatred is almost entirely on the LEFT side of the proverbial aisle.  
122 Anyone with sense can see this. They are the people foaming at the  
123 mouth with rabid hatred for Trump and for his supporter too.

124 What created this environment for the left? Trump won! That's it.  
125 The implications of his victory are what has, for the left, created the  
126 environment of hatred that Beto thinks is responsible for this mass  
127 murder spree. Trump has been governing conservatively — he has  
128 been dismantling the Obama-Clinton legacy, he has turned this  
129 country around, and more than that, he is gaining support in  
130 traditionally democrat enclaves — among the Hispanics and blacks  
131 he is making significant gains in support — and it's simply because  
132 his policies work — and now here is the point! If that creates an  
133 environment of hatred that encourages mass murderers then —  
134 well, do you see what I mean? In the liberal's world, conservatives  
135 are hated. So if you are a conservative, you are "creating an  
136 environment of hate," simply by being conservative. Because  
137 liberals are full of hatred against anyone who disagrees with them,  
138 if you disagree with them, in their mind, you are creating hatred.

139 So the liberal says, no, it's Trump's tweets, he "stirs the pot" he  
140 "agitates" he — well, the truth is, all he does is defend himself.

141 All he does is defend himself against the bullies that misrepresent  
142 him and his supporters 24/7 — watch how this works.

143 These mass murders take place and Beto puts it out there that  
144 Trump is to blame. Trump responds by pointing out that the  
145 Dayton shooter was, apparently, a Bernie guy. So Trump is the pot  
146 stirrer? Beto is not rebuked for "stirring the pot," or using

147 "inflammatory rhetoric," or instigation, but if Trump speaks up and  
148 defends himself, Trump is the instigator, he is the agitator, he is the  
149 one accused of inflammatory rhetoric.

150 This has been going on for a long time and thank God for a  
151 President who is putting his own shtick into the pot and stirring it  
152 against them — and that makes them angry, and agitates their  
153 hatred, and because Trump refuses to allow them to misrepresent  
154 him and us — they accuse him of creating the environment of  
155 hatred they live in — do you see what I'm saying?

156 They created this environment of hatred — they are the ones full of  
157 hatred. They are the ones acting out emotionally and physically  
158 against Trump AND HIS SUPPORTERS.

159 So now, a movie is coming out called HUNTER. The movie is  
160 about a group of elite liberals who go into the streets hunting for  
161 "Deplorables" and killing them. Remember the comedienne  
162 holding a mockup of Trump's bloodied and severed head,  
163 remember the repeated occasions when a Trump hater has  
164 physically assaulted a Trump supporter? Remember that Cortez  
165 released the personal information of Trump supporters — you  
166 know, names, addresses, phone numbers, and told us, ominously,  
167 that he wanted to expose them as a WARNING to "think twice"  
168 about supporting Trump.

169 They are literally trying to BULLY you, to make you AFRAID to  
170 support TRUMP — That's it! Get me my MAGA hat, my MAGA  
171 T, and load up my guns — I WILL NOT BE INTIMIDATED BY A  
172 PACK OF LIBERAL BULLIES.

173 You see, in this hunter game, the game CAN DEFEND  
174 THEMSELVES. Hey, Castro, you radical Trump hating hate filled  
175 and deranged liberals had better think twice about threatening  
176 Trump supporters. Haha!

177 Do you understand that you cannot back down from this?

178 Okay, hold on through the break. I'll be right back.

179 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
180 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
181 lighter, lighting the lamps in the church belfry arch, signaling the  
182 enemy is on the march, an enemy that would steal from us our  
183 liberty.

184 The liberals are hanging on to their support base by their  
185 fingernails. It's slipping away from them, eroding out from under  
186 their feet like beach sand in a retreating wave. They are in full  
187 panic, and desperate.

188 How desperate are they? On MSNBC recently, in an interview with  
189 Bryant Williams, former FBI assistant director Frank Figliuzzi,  
190 used numerology to link neo-Nazism to Trump's order flags at half  
191 mast to honor victims of the El Paso and Dayton shootings. Yeah!  
192 Numerology — now! The idea is that Trump purposely chose the  
193 dates for lowering the flags to coincide with some Neo-Nazi  
194 significant date — it's supposed to be a signal to Trump's Nazi  
195 friends. Here is what Figliuzzi said to an attentive Brian Williams  
196 —

197 "The president said that we will fly our flags at half mast, until  
198 August 8th. That's 8/8. Now, I'm not going to imply that he did  
199 this deliberately, but I am using it as an example of the ignorance  
200 of the adversary that's being demonstrated by the White House.

201 The numbers 88 are very significant in neo-Nazi and white  
202 supremacy movement. Why? Because the letter 'H' is the eighth  
203 letter of the alphabet, and to them the numbers 88 together stand  
204 for 'Heil Hitler.' So we're going to be raising the flag back up at  
205 dusk on 8/8"

206 Yet, in the wake of these late shootings, Trump came out loud and  
207 clear denouncing White Supremacy and racism —

208 However, I am sure the White Supremacy Trump is denouncing  
209 does not include people who call Democrats clowns. Yeah, hear  
210 about this one? Yeah, supposedly, using the word *clown* to describe  
211 Democrats is a White Supremacist slur. You did not know this, but  
212 if you call Democrats *clowns*, or if you use that adjective in a  
213 description of anyone, you are signaling affinity with White  
214 Supremacy. Uh huh! And, how so, you ask. Well, those in the  
215 know about what Neo-Nazis are up to these days, tell us they have  
216 begun using Pepe the frog as something of a mascot symbolizing  
217 their angst about the degradation of our culture by massive  
218 immigration. Pepe the frog, in turns out, dons a clown suit. So,  
219 using the word *clown* means you are a racist, White Supremacist.

220 I mentioned the desperation of the left — conspiracy theories  
221 based on numerology and now the costumes of cartoon characters  
222 — I should add that a common symptom of desperation is  
223 paranoia. (But, really, let's be real! Keep in mind that the Dems are  
224 going after whatever demographic they can appeal to — they are  
225 losing their traditional base, and grasping for whatever support  
226 they can — these are signals to the ignorant and superstitious —  
227 they are orchestrating their campaign to target the fringe — the  
228 lunatic, the disenfranchised, the illegal immigrant, and the  
229 ignorant socialist indoctrinated youth.

230 Although, the Gilroy shooter did have a clown mask in his car at  
231 the time of the shooting — so! Wow! What a mess.

232 God help us!

233 Yeah — the Demoncrats are desperate! Never underestimate the  
234 danger of desperate people. They WILL use VOTER FRAUD to  
235 win if they can. They WILL. They — and by *they* I mean these  
236 irrational Trump hating people on the left — here is their profile —  
237 secularists (no God, or at least no GOD in politics—that is, no  
238 GOD that has any influence in their lives), socialists, moral  
239 deviants from traditional Christian American values — they do not

240 see truth the way we do, they see it as malleable — like Biden  
241 recently said, THE DEMOCRATS CHOOSE TRUTH OVER  
242 FACTS. That crowd easily justifies VOTER FRAUD because if the  
243 FRAUD is perpetrated to advance their TRUTH, it's okay. They  
244 WILL use VOTER FRAUD, and the WILL USE Censorship, and  
245 the WILL USE intimidation, and the WILL USE VIOLENCE —  
246 Their game plan is reduced depending on the ILLEGAL and  
247 IGNORANT and INSANE vote, along with INTIMIDATING as  
248 many TRUMP SUPPORTERS into staying home — we are in a  
249 WAR —

250 So I caution my Christian patriots to remember the weapons of our  
251 warfare are NOT CARNAL — but they are mighty through GOD  
252 to pull down strongholds. My book is coming out soon, should be  
253 available in October — GOD'S WAR: Why Christians Should Rule  
254 the World — the case for Christian involvement in every facet and  
255 sphere of life on this planet. I will begin receiving advance orders  
256 from my online bookstore — [booksatdbp.com](http://booksatdbp.com) this month. The  
257 book will ship in October. GOD'S WAR. It explains everything  
258 about what's going on in the world, and especially in America, and  
259 what Christians need to do about it. I can't advertise a price yet  
260 because it's being formatted for print and we are waiting for the  
261 exact page count. It's hardback, smith-sewn (high end binding) and  
262 written on a par with my book, Kingdom Power by Prayer and  
263 Fasting — so, it's a highly engaging read, and deep — nothing is  
264 held back. And, yes, it even has pictures!!! haha. But really!

265 Advance orders get a 25% discount for a signed copy.

266 Also, I have put together my definitive PROOF that TRUMP IS  
267 NOT A RACIST and we will send to you for a gift of 20 to support  
268 the radio show. You'll also receive it if you are a regular supporter  
269 of the Brain Massage. You'll see it in the mail very soon.

270 You need that, and my argument why Christians can and should  
271 support Donald Trump's reelection.

272 Well, I was going to offer another installment in my series on why  
273 Christians can and should support Trump but I got carried away  
274 on this other stuff —

275 In the first installment I debunked the standard arguments used  
276 against Christian support for Trump. That was Show no. 737. I  
277 used the article written by a pair of sociologists of religion  
278 outlining ten reasons Christians cannot support Trump for  
279 President. Then, the second installment was given last week, in  
280 show no. 738 where I pointed out that Christians need to "try the  
281 spirits" and when the "spirit" of the Democrat Party is tested by  
282 biblical principles, it is clearly the nest of the antichrist spirit today;  
283 whereas, when the "spirit" of the Republican Party, under Trump-  
284 Pence, is tested, it turns out to be a home for the SPIRIT OF  
285 LIBERTY, which is the Spirit of Jesus Christ.

286 It is quite literally, today, a vote for the spirit of antichrist, or the  
287 Spirit of Jesus Christ. Not the PERSONS, here, but the spirit  
288 behind them.

289 I ended with **Mark 9:40** "For he that is not against us is **on our**  
290 **part.**" Conversely, he that *is against us* is NOT ON OUR PART.  
291 We should not support those who are AGAINST US. We can  
292 support those who ARE ON OUR PART — Trump is for us. And I  
293 said I would detail that in the next show.

294 Let's get started, and I'll continue it next week.

295 Hillary, and that entire crowd are clearly against us. Which should  
296 be obvious to any God fearing patriot. But, a few reminders will be  
297 helpful to make my point.

298 Beginning with the Democratic platform. Remember, in 2012, I  
299 believe it was, the Democrats at their convention were almost  
300 evenly split on the question whether or not to include a statement

301 affirming God and Jerusalem and Israel's capital. It is clear the  
302 leadership of the Party predicted an easy 2/3 approval of the  
303 amendment but anyone hearing the voice vote will have to admit it  
304 was not there.

305 Today it affirms a woman's right to murder a baby in the womb of  
306 its mother. And it affirms the *Gay-SPECIAL-Rights* agenda. So,  
307 basically, we're done. There is no biblical basis to support voting  
308 for murdering babies and promoting the *deathly* practice of  
309 homosexuality, or the ridiculous deviancy of gender confusion.  
310 Particularly when doing so leads to grievous encroachments on the  
311 liberties of Christians and others who oppose these things.

312 The GOP, on the other hand, continues to keep these planks in  
313 their platform: pro-life, and pro-marriage. The biblically supported  
314 sanctity of life and sanctity of marriage have a home, not in the  
315 Democrat Party, but in the Republican Party — so...

316 The Democrats are AGAINST US and the Republicans are FOR  
317 US.

318 The Democrats are NOT ON OUR PART, but the Republicans  
319 ARE ON OUR PART.

320 And we can support those who are FOR US, but we cannot, and  
321 certainly should not, support those who are AGAINST US.

322 It's hard to make it any more plain — but I will!

323 Okay, gotta close the show today. This Sunday we will have what  
324 we call a short day — we will have our regular morning services,  
325 but afterwards, we will have lunch on the grounds, and then our  
326 evening service immediately following. So, there will be no 5 PM  
327 service this Sunday.

328 I'm thrilled to welcome Pastor Campbell home — as many of you  
329 know, he served here as my assistant pastor for, I think it was,  
330 somewhere between 13 and 15 years, so, say 14 years — and we

331 love him and his family dearly. He will be speaking for us Sunday  
332 morning during the preaching time, begins at 10:45.

333 So, I thought it would be great to have his father and his nephew  
334 preach on either side of him. Three generations serving the LORD  
335 — Lloyd Campbell, a preachin' Deacon, will take my Bible study at  
336 9:30 am. His son, Pastor Brandon Campbell, will preach the  
337 morning service. Then, after lunch, we will hear from Nathan  
338 Campbell, Lloyd's grandson, and Pastor Campbell's nephew, who is  
339 now attending Heartland Baptist College in Oklahoma. Three  
340 generations — come on out and enjoy a great time of fellowship  
341 and some dynamic and inspirational preaching.

342 I have lit the lamps in the Church belfry arch and now you let me  
343 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
344 ON and you will ride like Revere and spread the warning,  
345 (essentially, it means you agree with what I'm saying) or you say  
346 LIGHTS OFF -- which means you reject what I'm saying and  
347 disagree strongly with me. So, what will it be today, lights on, or  
348 lights off?
