2 Baptist Church in Santa Maria, CA—and your brain masseur—get
3 ready for your brain massage.
4 The Office of the Inspector General released a portion of his report
5 on Comey. Let's look at the implications of the IG report on the
6 Comey leaks.
7 McCabe, former director of the FBI, is looking at possible
8 indictments for lying under oath to the FBI.
9 Judicial Watch uncovered proof Hillary's attorneys secured fishy
10 immunity deals in advance of working on Hillary's Email-gate
11 scandal.
12 An Illinois Senator caught participating in a mock assassination of
13 Trump.
14 Democrats at a Beto town hall meeting jeered, and booed and
15 railed in hostile anger against a guy who said America needs God
16 and prayer!
17 Belgium takes abortion to a new level. Three children were recently
18 euthanized in Belgium. First, killing babies in the womb a sad
19 thing, but something sometimes necessary for the well being of the
20 mother. Second, killing babies in what was called "partial birth
21 abortion." Third, killing babies that survived a botched abortion
22 after they were extracted from the womb. Fourth, celebrating
23 abortion, making it a badge of honor, and sort of right of passage
24 to womanhood. Fifth, killing babies right up to term. Now Belgium
25 shows the way forward: killing twelve-year-old children who have
26 certain diseases, like cystic fibrosis or muscular dystrophy. Yeah.
27 Three children were recently euthanized in Belgium.

28 Disney promotes homosexuality to our children.
29 Schools are introducing a course on the history of homosexuality.
30 The University of Kansas calls for Chic-Fil-A to be boycotted
31 because of their bigotry — entendre intended.
32 Here is a notable "Christian" songwriter who has recently declared
33 he is no longer a believer — "I'm genuinely losing my faith ... and
34 it doesn't bother me." Hmmm.
35 And China is not only cheating America, but the Red Dragon is
36 moving in on Hong Kong and encroaching on the rights Hong
37 Kongians have enjoyed for many decades
38 What does all of this have in common?
39 It's time for your brain massage.
40 [TRUTH]
41 Well, well, well. The Office of the Inspector General released a
42 portion of his report on (Phoney Baloney) Comey and now we are
43 watching the ironic spectacle of both Trump and Comey running
44 victory laps around each other.
45 You've seen those fights where both boxers think they won and at
46 the last bell, both throw up their hands and start doing the victory
47 bounce and pump — that's what we have here. So, it goes to the
48 judges —.
49 Trump claims the report vindicated him; Comey has said while an
50 outright apology from Trump and his supporters would be nice, he
51 would be happy with a personal "sorry I lied about you" from his
52 detractors.
53 Okay, so, here are my takeaways from the IG report on Comey
54 leaks.
55 First, let's clarify why phoney baloney Comey is smiling, for now.
56 Comey was director of the FBI who was appointed by Obama to

57 handle the Hillary email scandal. He botched it and made both
58 sides angry at him— made behind the scenes deals with Hillary
59 reps to provide all the cover she needed. As you know, he is neck
60 deep in the conspiracy to manipulate the election trying to get
61 Hillary in against Trump, signed the phoney FISA applications for
62 warrants and so forth — but that is not what this report is about.
63 That's coming later. Right now, all that is in view are the leaks —
64 Comey was alleged to have leaked classified information to the
65 press hoping to damage Trump.

66 The reason Comey is smiling is that AG Barr has declared he will
67 not be pressing charges against Comey for the leaks. Why? A
68 technicality!

69 Comey now admits he leaked the sensitive memos intending they
70 would get to the press and that they would embarrass or
71 compromise the President. Such memos created by an agent for the
72 FBI conducting himself in the capacity of his office, are property of
73 the FBI and according to regulations, and the terms of his
74 employment, those memos were not his property. He understood
75 this. He also knew what would be considered classified
76 information, and so he cleverly *leaked them* before they were
77 classified.

78 Now, you decide. Did he leak classified information? I say he did.
79 He says that technically they had not been classified yet, he leaked
80 them before they were classified. So on that technicality, when
81 asked did you leak classified information, he could say, No — but
82 the reason he can say no is that the memos had not yet gone
83 through the process — he "worked the system."

84 So what we have is a clear violation of ethics, a clear breach of FBI
85 policy and procedure, a clear violation of the terms of his
86 employment with the FBI — and so ample grounds for
87 DIMSISSAL, but so far as the legality of the issue is concerned, it
88 would end up being an argument about INTENT and ascertaining

89 whether Comey actually knew the memos WOULD LIKELY BE
90 CLASSIFIED and so intentionally released them before they were
91 — and that is something difficult to prove.

92 You must understand something I've done entire shows on before,
93 under the title, Handling Snakes. These are snakes.

94 They know the system and they manipulate it. They slither around
95 the rules and sniff out every loophole they can find to do their dirty
96 work.

97 Remember, Comey was director of the FBI; he knew the rules —
98 and how to manipulate them, and that's what he did.

99 So here is what Comey is saying! He is bouncing up and down
100 joyfully in the ring saying, "You accused me of leaking classified
101 documents, but the documents I leaked were not classified at the
102 time I leaked them."

103 Do you hear what this man is saying with his cocky smirk? He
104 wants an apology? Hey, Comey, I'm sorry I accused you of leaking
105 classified information — I should have known the leaks were not
106 classified at the time you leaked them — and, Oh, I WOULD
107 HAVE KNOWN THAT IF YOU TOLD US — BUT WHAT YOU
108 DID IS YOU LEAKED AND THEN PRETENDED IT WAS
109 SOMEONE ELSE — you even did MOCK investigations of your
110 department to discover who was LEAKING, and PRETENDED it
111 was SOMEONE ELSE — you are a PHONEY COMEY — you
112 deserved to be FIRED!

113 And that's where we come to Trump's crowing about being
114 vindicated by the IG report. The report shows that COMEY
115 LEAKED. He was the LEAK. Trump accused him of it repeatedly
116 and it turns out HE WAS RIGHT.

117 The technicality that Comey manipulated the system to give him
118 plausible deniability when accused of leaking "classified
119 information" notwithstanding — now we know the truth. Comey is

120 a PHONEY! He is a liar, he is a cheater; he manipulated the system
121 and brought reproach upon the FBI. He is what a friend would call
122 a no-good-nic.

123 Trump was totally VINDICATED in firing this lousy employee
124 who confessed to violating FBI procedure and policy, and the
125 terms of his employment — so, Trump was justified to say to
126 Comey— YOU'RE FIRED!

127 After the IG report was released, Trump tweeted: “Perhaps never in
128 the history of our Country has someone been more thoroughly
129 disgraced and excoriated than James Comey in the just released
130 Inspector General’s Report. He should be ashamed of himself!”

131 Top Republican on the House Oversight and Reform Committee,
132 Rep. Jim Jordan (Ohio), said Comey’s actions were “part of a wider
133 effort within the Obama Justice Department to undermine
134 President Trump.”

135 The IG report has not given the DEMS anything but more grief —
136 in fact, most of the stalwart PROGRESSIVE rags are running their
137 busses over Comey:

138 NY Post: "Even James Comey's top FBI team was 'stunned' that he
139 leaked," and "James Comey hatched plan to leak memos earlier
140 than he claimed," CNN: "James Comey broke FBI policy by
141 keeping, leaking, Trump meeting memos," Washington Times:
142 "James Comey Leaked classified FBI memos for personal gain," (it
143 turns out this headline is misleading, the article clarifies that what
144 he leaked to the press were "non-secret" tid bits for personal gain)
145 — The Daily Beast: "Justice Department Inspector General Blasts
146 Comey: 'Set A Dangerous Example' by leaking Memos about
147 Trump," USA Today: "Comey: Justice Finds Ex-FBI Director
148 violated policy with Trump," and "You may have seen him on a
149 prayer candle, but James Comey is no saint"; and it runs along
150 these lines consistently in the MSM — And FOX refers to the IG

151 report on Comey as *scathing*. All of them have pretty much thrown
152 Comey under the bus —

153 So, Comey is dancing, but nobody is cheering! He is dancing alone!
154 Why? I think they all know this is only the beginning — we have
155 not even started yet — he will be held to account for his
156 involvement in the phony dossier and the fraud perpetrated on the
157 FISA court to obtain warrants to spy on an American citizen for
158 political reasons. Manipulating the powers of government to spy
159 on private citizens in order to advance a political party — this is
160 going to be very bloody, and very ugly. The MSM is trying to back
161 pedal now as fast as they can against the rushing of this river
162 toward the waterfall — the river of JUSTICE is dragging them
163 toward the FALLS of judgment.

164 The one rightly doing the victory dance right now? JUSTICE is
165 beginning to turn around.

166 Listen to this verse, and think about it. Bible thump alert, BIBLE
167 THUMP ALERT —

168 And **judgment** is turned away backward, and justice standeth **afar**
169 off: for truth is fallen in the street, and equity cannot enter.

170 Yea, truth faileth; and he *that* departeth from evil maketh himself a
171 prey: and the LORD saw *it*, and it displeased him that *there was* no
172 judgment. — Isaiah 58:14-15

173 The cause: "Truth is fallen in the street." But, thank God, some
174 good men have stepped in to pick it up out of the street. TRUTH is
175 coming out about these people — and, slowly at first, but
176 inexorably, JUDGMENT is turning its face toward us again, and
177 JUSTICE is beginning to move toward us again, and EQUITY is
178 beginning to find a way to reenter our DOJ and wrest it from the
179 hands of the evil, wicked, DEMOCRATS.

180 Gotta close the first segment. Here is a little girl, can't be more
181 than three or maybe four years old, but she totally gets it.

182 [insert clip]

183 Haha! The Democrat Party is shameful! They've sold their soul to
184 the Devil! Booing God, scorning prayer, blaspheming Jesus Christ
185 — it's a sad day! My book, GOD's WAR: Why Christians Should
186 Rule the World *the case for Christian involvement in every sphere*
187 *of life on this planet, most certainly including politics* is coming
188 soon. Does the title shock you? Well, that just goes to show how
189 thoroughly you've been indoctrinated by the spirit of antichrist.
190 Hold on through the break. I'll be right back!

191 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
192 at the Lighthouse, your brain masseur, and Paul Revere's lantern
193 lighter, lighting the lamps in the church belfry arch, signaling the
194 enemy is on the march, an enemy that would steal from us our
195 liberty.

196 I see I spiked some reaction by my closing statement ending the
197 last segment: God's War: Why Christians Should Rule the World.
198 George Washington said as much repeatedly — as did Alexander
199 Hamilton, Adams, and other founders—among them secularist
200 favorites such as Franklin and Jefferson who admitted the Republic
201 was only supportable for a religious people.

202 Look, wherever the Spirit of Jesus Christ prevails, you find
203 LIBERTY, JUSTICE, JUDGMENT, and EQUITY. Wherever the
204 spirit prevails that goes crazy anytime a Christian says something
205 like America needs to turn back to God, or that we need PRAYER
206 — wherever that spirit prevails that says Christianity has no
207 legitimate place in politics — wherever that spirit prevails, you end
208 up with TYRANNY every time — can anyone spell China, Iran,
209 you name it — the Old Socialist Empire — we definitely need
210 Christians like George Washington to lead this country.

211 The fact that my statement seems so shocking to you is itself
212 evidence of how far into the power of antichrist we have fallen.

213 Get my book—God's War. The section on the history of God's War
214 is all by itself worth the price of the book and the time you'll invest
215 to read it. If you enjoyed by book on prayer and fasting, you are
216 going to LOVE the sequel: God's War!

217 McCabe, former director of the FBI who was fired for his part in
218 the covert operation to conduct a coupe against Trump, and left in
219 disgrace, is facing possible indictments for lying under oath to the
220 FBI — . So, what goes around, comes around. McCabe into
221 covering for Hillary up to his neck — when Flynn was unfairly
222 assaulted by the Justice Department (by unfairly — I mean
223 protocol, and precedent, advised interrogating a cabinet member
224 of the President's required advance notice to the President's office
225 affording the target an opportunity to secure counsel — you know,
226 THE WAY THEY DID IT WITH HILLARY — but with Flynn,
227 they gave no advance notice, dropped in on him, and aggressively
228 interrogated him, so, unprepared and without the guidance of
229 counsel, he slipped on a date of a meeting — this was later used to
230 beat him into submission to a felony charge for lying to the FBI —
231 and rather than have him come in they orchestrated an obscene
232 SWAT team like arrest show to make their point — all of it to
233 embarrass and intimidate Trump and any Trump supporter —
234 over a memory lapse, then we have George Papodopolous —
235 another one railroaded on a charge of lying to the FBI on a minor
236 issue, unrelated at all to the line of questioning at the time, and the
237 result of a memory slip — they hung a felony rap on this guy —
238 this sort of abuse of power is outrageous and it must be answered
239 for with JUSTICE.

240 McCabe had his hands on the helms of power at this time —
241 cheering these events and participating in them — AND HE LIED
242 TO THE FBI — not once, but repeatedly, and not because of
243 memory lapses, but in an effort to deceive and misdirect, and not
244 in inconsequential issues, but in issues directly related to the case

245 being investigated — AND HE SHOULD GET A PASS because he
246 has been through enough, having been fired! This jerk is suing the
247 DOJ over his firing — these people are unbelievably perverse.

248 Judgment — TURN AROUND — JUSTICE — DRAW NEAR. Get
249 the TRUTH up out of the STREET and start cleaning house
250 making a way for EQUITY to reenter our Department of Justice.

251 Should McCabe face justice for lying to the FBI? If Flynn and
252 Papadopolous — then McCabe double!

253 Judicial Watch uncovered evidence that the Hillary people
254 involved in the cover up of her Email-gate scandal secured
255 immunity agreements prior to DESTROYING EVIDENCE in the
256 case against Hillary. Yeah! I guess you have to give them credit for
257 smarts — anyone getting involved in anything pertaining to the
258 Clintons ought to take their example and get immunity agreements
259 in advance — but, the question, of course, is why did they know
260 they needed immunity agreements unless they knew they were
261 going to be committing crimes — oh, by the way, these are the
262 operatives that helped Hillary dispose of the evidence against her.

263 — An Illinois Senator is taking some hits for his participation in a
264 mock assassination of Trump — Yeah. Take a look at this picture
265 — The Senator holding a mock gun pretends to be shooting a guy
266 wearing a Trump costume—wow! These people are so nice and
267 peace loving!

268 Disney promotes homosexuality to our children through one of
269 their TV shows for kids. A life-style that shortens the lifespan of
270 those who live it by half. While the University of Kansas calls for
271 Chic-Fil-A to be boycotted because of bigotry — entendre
272 intended. Really? We don't boycott a children's orientated
273 entertainment company that wants to promote a life-threatening
274 lifestyle to our kids, and the University of Kansas wants to Boycott

275 a Christian fast-food giant because it refuses to get involved in
276 promoting the life destroying practice of homosexuality.

277 The land is SICK!

278 And China is not only cheating America, but the Red Dragon is
279 cheating Chinese citizens in Hong Kong — beginning to encroach
280 on the rights Hong Kong has enjoyed for many decades first when
281 part of the British Empire and then for the last fifty years after
282 Britain ceded Hong Kong to China.

283 And in the background of these stories, we have the soundtrack of
284 Democrats at a Beto town hall meeting jeering, booing and railing
285 against a guy who said America needs God and prayer! Reminded
286 me of the 2012 Democrat convention — the God haters get
287 frothing mad when anyone suggests America needs to turn back to
288 GOD, or that when we had PRAYER in our schools the biggest
289 discipline problem was chewing gum in class.

290 And here is a notable "Christian" songwriter, the guy leading
291 Hillsong, who has recently come out declaring he is no longer a
292 believer — "I'm genuinely losing my faith ... and it doesn't bother
293 me." After a storm of reaction, he has retracted his statement, sort
294 of. He said, well, I have not lost it, entirely, but it's on "very shaky
295 ground." Joshua Harris, a famed "Christian" author recently came
296 out with a full and unapologetic statement of apostasy. He has
297 apologized for teaching what the Bible says about things like
298 marriage, child rearing, and so on. Specifically signaling out the
299 LGBTQ crowd in his please for forgiveness.

300 So, in conclusion, what do all these things have in common?

301 God is rising in judgment — but what many fail to understand is
302 that judgment BEGINS IN THE HOUSE OF GOD. Let every
303 phony Christian out there right now take note. Do you call for
304 judgment and justice to return to our nation? Good! So do I. But
305 understand something — it BEGINS WITH US!

306 For the time *is come* that judgment must **begin** at the house of
307 God: and **if it** first **begin** at us, what shall the end *be* of them that
308 obey not the gospel of God? — I Peter 4:17

309 There is a very revealing look at this principle in Ezekiel 9. God was
310 preparing to judge the nation of Israel — but before He released
311 His executioners, He sent the ONE clothed in Linen with the
312 Inkhorn at His side to move through the congregation and put a
313 mark on each that sighed and cried for the sins of the people. After
314 this, He sent the executioners in to destroy all who did not have the
315 mark of humility — of humble repentance for the sins of the Land.

316 Don't be surprised to see a cleansing of God's HOUSE happen first.
317 People who renounce the FAITH never had it. They were creepers
318 — who "crept in unawares" plants to be triggered by Satan at an
319 opportune time to blow up the faith of many. Jesus said, by Paul,
320 there must be heresies among you, so that those who are approved
321 might be made manifest among you. Hillsong is exposed as
322 UNAPPROVED. Joshua Harris is exposed as UNAPPROVED.
323 And many others also, not so well known — are being exposed as
324 apostates. John said, "they went out from

325 We are **of** God: he that knoweth God heareth **us**; he that is **not of**
326 God heareth **not us**. Hereby know we the spirit **of** truth, and the
327 spirit **of** error.

328 They went out from us, but they were not of us; for if they had
329 been of us, they would no doubt have continued with us: but they
330 went out, that they might be made manifest that they were not all
331 of us. — I John 4:6 and 2:19.

332 Like you, I have and continue to ask God to restore justice and
333 judgment in our land — but we all need to understand what this
334 means. Judgment BEGINS in God's OWN HOUSE. So, the marker
335 is moving — make sure you are marked with humility and humble
336 repentance toward God and faith in the LORD Jesus —

337 If you are a Christian, humble yourself under the MIGHTY HAND
338 of GOD, get right, you know if you are — and then brace yourself.
339 This upcoming election will decide America's fate. If the angry,
340 vicious, violent, and evil Democrats get power, we've had it. It will
341 mean God has become disgusted with the savorless salt and
342 decided to throw it into the street where they threw truth long ago.
343 And He will order the wicked to walk on us, and grind that salt
344 into the street. If God has mercy, and we prevail in 2020, you can
345 expect the judgment to turn the other way — God's sword will be
346 turned against the wicked — it will be deployed to execute wrath
347 against the EVIL DOERS.

348 We win — Liberty prevails! We lose, tyranny rises. It's as simple
349 and as serious as that!

350 Get my book God's War — it explains all of this. It's scheduled to
351 begin distribution in October.

352 I have lit the lamps in the Church belfry arch and now you let me
353 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
354 ON and you will ride like Revere and spread the warning,
355 (essentially, it means you agree with what I'm saying) or you say
356 LIGHTS OFF -- which means you reject what I'm saying and
357 disagree strongly with me. So, what will it be today, lights on, or
358 lights off?
