

Brain Massage: Show No. 743 Remember 9-11 / Exposing the Affinity of Democrat Policies With Antichrist Prophecies

Jerry Scheidbach

Original Air Date: 09.06.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the Lighthouse Baptist Church in
2 Santa Maria, CA—and your brain masseur—get ready for your brain massage.

3 [Traveling. Used excerpt from show no 649 up to — *drag this nation under God into*
4 *Hell.*] (Did not have access to the show notes for the encore portion.)

5 Presently, I'm in Oregon doing a prophecy conference for Pastor Ron Reasoner of
6 Bridgeway Baptist Church—veteran missionary to Russia and long time friend and
7 colleague. We are meeting together with some wonderful Oregonians — and enjoying our
8 time with Skyview Baptist Church and pastor White — I'll be in my pulpit Wednesday
9 night, 7 pm — and we will have a special prayer meeting memorializing 9-11. I hope you
10 will come and remember with us.

11 We had a Q&A time Thursday afternoon — and among the very good questions that
12 were presented was whether I believed America would turn back from the precipice and
13 receive an extension before judgment or if I thought America was too far gone and would
14 be given over to hell.

15 My answer was yes — I believe 2020 will decide and we will either move to officially turn
16 our back on God and be turned into hell, or we will take a turn back from the maw of hell
17 toward our founding principles.

18 I'll speak more to this after the break — but, remember to read Ezekiel 9 sometime today.
19 It tells of God's determination to judge His people for their refusal to repent of their sins
20 — He instructs the destroyers to unsheathe their swords of vengeance — but tells them to
21 wait. Then He sends the man with the inkhorn to move among His people and find each
22 that sighs and cries for the sins of the people and to put a mark on them. When this is
23 done, God sends the destroyers with the instruction to destroy all except those who have
24 the mark of humility. You definitely want the mark of humility on you and on your
25 family. Join us Wednesday night — the "man with the inkhorn will be present to note
26 your humble prayers for this nation under God.

27 That's the key: "If my people which are called by my name shall humble themselves and
28 pray, and seek my face, and turn from their wicked way, then will I hear from heaven, and
29 forgive their sins, and heal their land" (II Chronicles 7:14). See you in church.

30 Hold on, I'll be right back.

31 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,
32 your brain masseur, and Paul Revere's lantern lighter, lighting the lamps in the church
33 belfry arch, signaling the enemy is on the march, an enemy that would steal from us our
34 liberty.

35 Dorian has pummeled the Bahamas, leaving in its wake 30 dead. Reduced to a Cat 1 but
36 still threatening as it touches the Carolinas. We are praying!

37 9-11 is this Wednesday and we are presenting a special memorial — Humbling Ourselves
38 Under the Mighty Hand of God. Hope you join us! 9-11, Wednesday night, 7 pm, at the
39 Lighthouse.

40 New developments with Al Qaeda.

41 Here is an article headline from Foreign Policy: Al Qaeda Is Ready to Attack You Again!

42 "Eighteen years after 9/11, the terrorist group has found a new home—and rediscovered
43 its old mission." It explains that although Al Qaeda has been limping, and has been
44 virtually dismissed as a threat, it has found a new base of operations in Syria and is
45 itching to strike back.

46 As we reflect on 9-11, and remember that we are vulnerable—this sort of thing can
47 happen, we should remember the essential lesson of that event. As I pointed out in the
48 last segment, it's impossible to miss the symbolic message of 9-11. We got hit by a people
49 that despise Christianity and hate the Spirit of Liberty. God allowed them to hit the
50 towers — representing the economic power of America, and the Pentagon, representing
51 the Military might of America. The gods of America — Money (god of Mammon) and
52 Force (the god of forces). Washington was targeted but preserved by some God fearing
53 Christian patriots who took down flight 93. Washington represents the government
54 established on the founding principles of liberty and justice for all — an
55 acknowledgement of Jesus as LORD and the SPIRIT OF LIBERTY.

56 So we are given another chance. And a lot has happened since then.

57 Right now the country is so polarized — and it's increasingly clear that the division is over
58 Christianity, and it's role in our government.

59 The left has moved farther away from our Founding faith — and the Right is increasingly
60 becoming the only home for FAITH that is remaining.

61 Democrats, remember, a while back, were split about 50-50 between those who desired to
62 affirm their faith in God and those who did not. God got booed at their convention in
63 2012. At least a resolution to acknowledge God in their platform. Recently, the Democrats
64 have declared themselves to be the Party of Atheists, Witches, the works. The problem is
65 not in recognizing the right of each person to believe according to their own conscience
66 — that's a very CHRISTIAN ideal — by the way. Only in countries governed by
67 CHRISTIAN principles do people have the liberty. In countries governed as so-called
68 secularist, or other antichrist governments, like communism, and socialism — the
69 freedom to believe what you choose is denied. The spirit of antichrist always embraces
70 tyranny — only the SPIRIT OF JESUS CHRIST promotes genuine LIBERTY.

71 The Atheists are not content to live at peace with expressions of Christianity around them
72 — even though Christians have been willing to allow Atheists to express their "faith."

73 You see, and I'm sure you noticed, that the Dems champion every bodies free expression
74 of faith — EXCEPT BIBLICAL CHRISTIANITY.

75 They are targeting Christians to silence them on issues of Abortion, homosexuality, and
76 whether GOD made the earth and the heavens or whether they happened by *chance*.

77 In California, a scientist working for University of CA Northridge was fired after he
78 discovered soft tissue in a Triceratops fossil. What this proves is that dinosaurs roamed
79 the earth within the last 10,000 years and not 60 million years ago.

80 A University official told the scientist, Armitage, the school "was not going to tolerate his
81 religion." Terminating an employee for his religious views is supposed to be contrary to
82 the values of Californians — right? But this is even worse. This is an effort to silence a
83 Scientist from making his scientific discoveries public.

84 There have been several soft tissue discoveries and it's rocking the evolutionist world —
85 there is no way soft tissue would be present after 60 million years. No way it can survive
86 more than about 4,000 years. Earlier, soft tissue was discovered in a fossil dated at 68
87 million years — it was explained away as an anomaly caused by iron in the body of the
88 Tyrannosaurus Rex that preserved the tissue.

89 It's amazing how liberals today are the most illiberal people in our country. Classical
90 liberals would be turning over in their graves today.

91 It's scary how Liberal policies line up with Antichrist prophecies—

92 Bernie calls for population control to deal with global warming, and spouts concerns
93 about *overpopulation*. Antichrist will eliminate 1/4 of the world's population for him.

94 They want to kill babies — that's a thing antichrist likes — remember Herod and Ramah
95 —

96 Bernie wants to use abortion for population control — China!

97 They like "price controls" — Antichrist will establish price controls (Rev. 6:5-6).

98 They like to centralize government power — Antichrist is all over that! Globalism is the
99 objective of the Antichrist spirit, going all the way back to Nimrod, the first globalist
100 dictator that wanted to pull the kingdom OUT FROM UNDER GOD.

101 And there is the main thing — the Democrats do not believe America should be a nation
102 UNDER GOD. They want GOD out of the picture entirely.

103 They want gun control — antichrist will be all about disarmament. He will win the hearts
104 of the children of disobedience with calls to disarmament, to beat their swords into
105 plowshares, but as soon as he gets all military power given to him — he reverses his
106 policy, has all plowshares made into swords and "takes peace from the earth."

107 Some chic on The View says many on the Right "revere" Biden? Are you kidding me? Says
108 if guns make us safe, America should be safest country in the world because of all the
109 guns.

110 America has always afforded to its citizens the RIGHT TO BEAR ARMS and has always
111 had a far greater per capita ownership of guns than any other nation. That's nothing new!
112 WE did no start having the problems we face now with all this violence until the Left went

113 loony and started interfering with the family, destroying the family with policies that
114 promote divorce, economic policies that drive families to have to have both mom and dad
115 work outside the home, encouraging deadbeat dads by creating Welfare dependency —
116 all liberal policies that have destroyed families — and look how angry liberals are, they are
117 the violent ones. Either antichrist liberals or antichrist right wingnuts — but God and
118 Country loving NRA members are not doing this stuff.

119 The problem is not guns or gun ownership — it's antichrist politicians messing with our
120 values and pulling this nation out from under God.

121 To make people "safe" by taking away their right to bear arms is wrong headed. You don't
122 make people safe by making them more vulnerable to violent people.

123 What's next? Making people healthy by taking away their right to eat unhealthy foods.

124 Eliminating unhealthy foods by making them illegal will only create a black market for
125 Twinkies.

126 Friend, the problem is human nature — and the only sure cure is the GOSPEL.

127 So SFO had declared the NRA to be a domestic terrorist org. 5 million members — That's
128 going too far even for some liberals at the Washington Post. Debra Messing calls for black
129 listing conservative actors, and liberal Whoopi says Whoa!

130 The spirit of antichrist is opposed to marriage and to eating meat — really! Read about it
131 in I Timothy 4. So the Democrat Party today follows policies that destroy marriage, and
132 lately they are increasingly coming out against eating meat.

133 Both Kamala and Bernie are talking about controlling how much meat you eat — and
134 another Democrat running for President, Yang, is spouting a UN study says world will be
135 fine most everyone in the world became a vegetarian today. Moving toward policies that
136 will forbid to marry and command to abstain from meats. —Oh, yeah, Buttigieg too — he
137 is coming out against eating meat.

138 Do you find that interesting? I'm going to do some closer examination on this — but it's
139 uncanny how the election for 2020 is shaping up. It's increasingly becoming about
140 CHOOSE YOU THIS DAY AMERICA, WHO YOU WILL SERVE. If the LORD be
141 GOD, serve Him. If BAAL (the government — the little demi-gods sitting on their little
142 thrones over the government) be god — then serve them.

143 Pay attention! You'll see it. It's amazing. Your vote in 2020 will be a vote to go ahead and
144 totally REMOVE AMERICA OUT FROM UNDER GOD or it will be a vote to restore
145 America as ONE NATION UNDER GOD. It's becoming that clear.

146 How will you vote?

147 I have lit the lamps in the Church belfry arch and now you let me know if you see them.
148 It's LIGHTS ON if you see the LIGHTS ARE ON and you will ride like Revere and spread
149 the warning, (essentially, it means you agree with what I'm saying) or you say LIGHTS
150 OFF -- which means you reject what I'm saying and disagree strongly with me. So, what
151 will it be today, lights on, or lights off?
