Jerry Scheidbach

Original Air Date: 09.14.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 We just past another 9-11 remembrance. I wondered if Al Qaeda
5 was going to try something — we know they were massing in Syria,
6 but I discovered they reasserted themselves in Iraq — Trump put a
7 full stop on that with a bombing raid on Al Qaeda camps in Iraq!
8 Oh Yeah!
9 What is God up to?
10 Ladies and gentlemen — stand by for this word from our
11 President:
12 [Insert 2.5 minute montage of statements by President Trump on
13 the importance of God and FAITH]
14 What is God up to?
15 Our Founders
16 What demographic are Dems trying to recruit to vote for them?
17 Yang threw out a plan to run a contest where 10 families would
18 receive \$1000 per month for one year. Who buys in to that?
19 **Andrew Yang** started it off by offering a contest where 10 families
20 will get \$1000 a month for a year. Other candidates couldn't help
21 but laugh at the gimmick. Who responds to that? I mean, from a
22 candidate for President? Who is this guy talking to?
23 Warren demonstrates at least some awareness that the middle class
24 is out there —

25 **Senator Elizabeth Warren** wouldn't answer if middle class families
26 will have to pay more in taxes to pay for free healthcare for all. But
27 we know that answer. So, who does she think she is appealing to
28 with this policy? She knows it's a no win with middle class
29 Americans who are footing the bill for all this foolishness. So she
30 must be barking for those who believe everyone else is obliged to
31 make sure they are taken care of. The leeches, the takers, those who
32 stand around with their hand out complaining about not having
33 what those have who worked hard to get it.

34 O'Rourke has "found his voice." No more equivocating about gun
35 confiscation — he has come out with it.

36 **Former Congressman Robert O'Rourke** says "*Hell yes*" to forcing
37 Americans to give up their legal firearms.

38 That's an interesting expression — hell yes! Hmm. The word *Hell* is
39 often in the mouths of those going there. But I think his words are
40 well chosen in this case — because yes to gun confiscation certainly
41 does come from hell.

42 **Former Vice President Joe Biden** at one point referred to himself
43 as a congressman and Bernie Sanders as President—and he said he
44 was Vice President in rebuke to the young Castro who insulted
45 him. And in vintage Nixonesque style Biden says, "I want to make
46 one thing perfectly clear — I am not a crook..." No! Wait. Biden
47 said, "I want to be clear; I am not going crazy."

48 Finally, our own **Senator Kamala Harris**, said that President
49 Trump did not pull the trigger at the El Paso Walmart but he is
50 certainly "*tweeting out the ammunition.*" Really? Trump "tweeted
51 out the ammunition" used to kill Walmart shoppers in El Paso,
52 Texas? Let's figure out what she is saying — Trump's Tweets agitate
53 crazy liberals into going to Walmart and shooting people. Is she for
54 real? Does she really believe this? Did the shooter say, hey, I read
55 that Trump tweet and thought, you know what, I'm going to go

56 shoot some people at Walmart. The shooter killed 22 people,
57 wounded another 25. Said he was targeting Mexicans.
58 Got his gun from Romania and his bullets from Russia.
59 Apparently, Kamala is saying Trump's tweets expressing concern
60 about MS13 gang members coming here illegally and killing
61 Americans is triggering guys like this. She thinks Trump's
62 insistence that we build a wall triggers this behavior. Really? And
63 that would be because guys like this WANT something done about
64 illegal immigration and they WANT A WALL??? Think about this!
65 What they are saying is that Trump bringing attention to the illegal
66 issue is triggering guys like this to go into Walmarts shooting
67 Mexicans.
68 Did you think about that? This guy is a moron, a murderer, a racist
69 bigot, and all of that! He deserves the death penalty — and while
70 we are at it, let's make sure the Russians are not somewhere behind
71 this business — ehh? Ha! What is his connection with Russia? Why
72 buy bullets from Russia? I don't know, maybe that's all Walmart
73 had on their shelves when he began planning his attack — you've
74 got to keep up class — so, this guy buys a rifle from Romania and
75 his bullets from Russia and in preparation for his attack, he posts
76 an announcement that he is a, are you ready for this, a WHITE
77 NATIONALIST. Follow close class!
78 Here is a guy who never identified as a White Nationalist before he
79 posted his "manifesto" something like 20 minutes before he went
80 on his murderous rampage. He was a Trump supporter through
81 2017, but after 2017, the Trump trail went cold. He slipped off into
82 something dark. He developed a very strong antipathy for
83 Hispanics, in his view, "invading America" and bought in to a
84 theory called the GREAT REPLACEMENT. (This is the idea that
85 Hispanics are orchestrating a strategy to invade America through
86 immigration (legal and illegal) until they overwhelm the

87 population and naturally replace whites. — I've heard La Raza
88 advocates declare this to be part of their plan to take California,
89 New Mexico, Arizona, and parts of other states back under
90 Mexican rule.

91 Okay, this is risky! Because if you are not listening you'll hear
92 wrong! So, allow me to begin by saying — anyone who takes a gun
93 God intended to be used for SELF DEFENSE and use it to murder
94 innocent people in order to make some political statement is a
95 NAZI — that's the sort of thing SOCIALISTS do when they take
96 over a country — that's what Hitlers do, Stalins, and Pol Pots —
97 you know, at least with regard to Stalin and Pol Pot, and Ho Chi
98 Minh, leftist heroes — that's what they do. So this character needs
99 to be hung in the public square and his body left to vultures.

100 We all wonder about such people; what triggers them. Kamala
101 thinks Trump, and his supporters, deciding to DO SOMETHING
102 about the problem created by the DEMOCRATS is what triggered
103 this guy — but, just maybe, I mean, it's a lonnnng shot, but just
104 MAYBE LEFTIST POLICIES IGNORING WHAT AMOUNTS TO
105 AN INVASION FOR DECADES IS WHAT FOMENTED
106 HATRED IN THIS MURDERERS HEART AND TRIGGERED
107 HIM — his anger is AT THE MORONS WHO REFUSE TO DO
108 ANYTHING ABOUT THIS PROBLEM.

109 But people like Kamala, typically, myopically, cant' see past
110 TRUMP — with Typical liberal mania, and Trump phobia — and
111 CONSERVATIVE PHOBIA anxiety — she can't see that SHE and
112 HER ILK are the ones that created the ENVIRONMENT that
113 incubates this sort of hatred.

114 So, I ask, whom is Kamal playing too? Who is her audience? Who
115 are the people she is trying to motivate to vote for her? Myopic
116 TRUMP-O-PHOBES obsessed and possessed with hatred for
117 Trump's supporters —

118 And what is this irrational hatred for anyone who wants the LAWS
119 ENFORCED, who wants FREEDOM of SPEECH, and FREEDOM
120 of SELF DEFENSE, and liberty —

121 Since when are such people to be feared who want LIBERTY and
122 JUSTICE FOR ALL?

123 When did so many lefty politicians decide groups like the NRA are
124 Domestic Terrorist organizations — is that not the most
125 outrageous bunch of nonsense you ever heard? Do you not see that
126 these same people will start calling Christians terrorists, when will
127 they come up with a yellow armband for Christians to wear? These
128 antichrist God hating, America despising people are under the
129 control of the spirit of tyranny — Hosea complained against Israel
130 because they set up rulers contrary to the will of God — and man,
131 are we paying for that sin today. We have put people into power
132 that don't believe in the God of liberty, they worship at the altar of
133 the gods of tyranny —

134 I've got, I think it's 14 or 15 ONE YEAR NRA MEMBERSHIPS for
135 anyone who will make a \$50 contribution to the Brain Massage
136 show — these memberships can be picked up for \$25, so you are
137 getting a bargain; because you get a one year NRA membership
138 and the chance to support the Brain Massage radio/podcast show.
139 It's a twofer. You can come by on any of our regular public services
140 and I'll personally give you one free NRA membership card. If you
141 are already an annual member, you can add the year to your
142 account. I'm a LIFETIME MEMBER of the NRA! And the State of
143 California recently decided I'm a member of a Domestic Terrorist
144 organization — friends, if we don't stand up to this, to these bullies,
145 these demented Democrats — we have only ourselves to blame
146 when Newsome sends the gestapo into our homes confiscating our
147 guns.

148 Anyway, I strayed a bit, but really, not much. The question I want
149 you to ponder is who do the Democrats think is going to vote them

150 into power to do all these crazy things they say they want to do?
151 They want to take away private health insurance (from everyone
152 except them), take our away right to bear arms (for everyone
153 except them, surrounded by their armed body guards), end use of
154 fossil fuels for everyone except them, take away your cars and your
155 freedom to travel by air — but not them! They have no expectation
156 that regular God Fearing — Bible and Gun Clinging — Patriotic
157 Americans are going to vote for them. No way!

158 So, who is left? Do you see it? We will decide in this election to
159 officially turn our BACK ON GOD or send a strong message to the
160 modern Democrat Party that they cannot have our GOD GIVEN
161 our GOD ENDOWED liberties.

162 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
163 at the Lighthouse, your brain masseur, and Paul Revere's lantern
164 lighter, lighting the lamps in the church belfry arch, signaling the
165 enemy is on the march, an enemy that would steal from us our
166 liberty.

167 Rush is right on! He sees it! Democrats believe our Founders
168 created an illegitimate nation. Years ago I read a piece published in
169 National Review, I think it was, titled Deconstructing the
170 Declaration. Liberals were ranting that the Founders were
171 illegitimate; they acted contrary to the rules of nations —
172 underneath this notion is first, the antichrist spirit that bristles at
173 the idea that our liberties come from GOD — and second, the Baal
174 worshipers penchant for the doctrine called the "divine right of
175 kings."

176 Some think that is a Christian doctrine, but it is not! Catholic,
177 maybe, but not Christian. The Catholics got all tangled up in
178 paganism a long time ago. Along with the sun of Osiris and the
179 statues of Semiramis and Tamuz, the Dagon Fish hat, and well, all
180 that pagan stuff, the drank deeply into the mysteries of Satan —
181 and got a heavy dose of king worship — it would take way too long

182 to go through all that supports these observations — suffice it here
183 to say none of the elements of worship in the Catholic version of
184 Christianity were found in the early church, no images, no
185 vestments, none of it — all that found its way into that communion
186 as they mixed themselves with their pagan neighbors. Well, along
187 with that, came some of their doctrines, like the idea of
188 worshipping the king, and it became the DIVINE RIGHT OF
189 KINGS. And that's the crowd that hates the Declaration of
190 Independence and believes it was rebellion against God to rebel
191 against the King.

192 But that's pagan nonsense. That goes back into the days of Baal
193 worship.

194 Baal worship is all about controlling people under an oppressor,
195 with the inane notion that the king is a god, or the representative of
196 their god. That's what Baal worship was all about. Baal means *the*
197 *head*, and the idea was that everyone worshiped their Baal by
198 different tribal names. The Baal of Zidon, the Baal of Peor, the Baal
199 of, etc. That's the way Baal worshipers think of God today — your
200 god, my god, everybody worships the same god only by different
201 names.

202 Along with this is the idea that the king is a manifestation of your
203 Baal — and defying the king is to defy god.

204 This is what liberals believe. If you defy Obama, you are defying
205 God. On the other hand, if someone comes along who actually
206 recognizes the GOD of the BIBLE and holds Him as
207 EXCLUSIVELY GOD and no others — and does not confuse God
208 with the State, or God with the office, they defy him as illegitimate.

209 That's why they hate Trump. Trump acknowledges the GOD of the
210 BIBLE as the only TRUE GOD and does not represent himself as
211 GOD. Obama was a "son of Zeus" you see — so he is hailed as a
212 legitimate ruler. But Trump, he advocates for the GOD AND

213 FATHER OF OUR LORD JESUS CHRIST — so he is illegitimate
214 as a ruler.

215 But the fact is, the reverse is true.

216 You see, GOD never wanted men to place themselves under
217 human kings. He was to be their only KING. The government
218 structure established by GOD for His people was very
219 decentralized. It was under LAW, with persons appointed to rule
220 under that LAW and not as the LAW. They had a constitution
221 called the COVENANT — and those who led the people were
222 under that LAW and held to account by the PEOPLE under that
223 LAW. It was a very different system from what went on among the
224 heathen.

225 Worshipers of JEHOVAH GOD recognized that their RIGHTS
226 CAME FROM GOD and HIS LAW and not from any man. That's
227 where our founders got the idea. And that's why we don't call
228 anyone *king*. They tried to get Washington to accept the title, but
229 he refused.

230 So here we are. Facing an election in 2020 that will decide whether
231 we continue as "one nation under God" where our liberties are
232 recognized as endowed to us by our CREATOR — or will we vote
233 to remove this nation out from UNDER GOD and yield to the
234 STATE AS GOD where the politicians can take the place of GOD
235 in our lives?

236 So, it comes down to this.

237 Will we come under the rule of people that deny the fundamental
238 principles of our founding? Will we sell ourselves to tyrants for
239 promises of contests to win \$1000 a month for a year? Are you
240 kidding me? Are you getting that?

241 Are we going to throw away our GOD GIVEN LIBERTIES and the
242 PROTECTION OF DIVINE PROVIDENCE for POLITICIAN
243 PROMISES?

244 Will we live like the Russians did for seventy years?
245 The only people who had comfortable homes and cars were the
246 politicians.
247 They will use fake science like man made global warming to take
248 away your car, and your freedom to travel, but they will keep these
249 things for themselves because they are gods. Everyone ELSE loses
250 their private health care but not them, we must feed them, they are
251 our Baal. So, you can't have private health care, you can't have a
252 car, you can't fly, you can't bear arms sufficient to your protection,
253 — BUT THEY CAN! Because they are the masses, they are the
254 gods — and as in every pagan culture, the people must FEED
255 THEIR GODS. Indeed, the people must be FOOD to the gods.
256 The one thing so many are missing is that not one of these
257 Democrat politicians will include themselves in the pain required
258 to produce the changes they call for — they will fly their jets, drive
259 their cars, live in their mansions — they will go about leaving their
260 gigantic "carbon" footprint all over the earth as they use it for their
261 private playground — but YOU, the LITTLE PEOPLE, the PEONS
262 — you will do without air travel, AR 15s, and cars — and, by the
263 way, if they get power, you'll also do without JOBS, HOMES,
264 INSURANCE you actually want — they will give you the housing
265 they decide you should have, while they live in mansions, they will
266 put you in the cars they think you should drive while they drive in
267 the Limousines, they will keep you penned in like cattle while they
268 go flitting about in their jets. Democrats think like pagan kings —
269 they are the gods, and you exist to FEED THEM.
270 Who is going to vote for that? No one that loves America! But
271 people who are here to use America for what they can get — they
272 don't care.
273 They call for open borders, resist every effort to control illegal
274 immigration, resist every reasonable effort to end the amnesty

275 scam, they fight against every policy that makes America great and
276 advocate for every policy that brings Americans down.

277 They hate this country! They bash it all the time. As far as they are
278 concerned, America is the PROBLEM and they are the solution —
279 and the solution is DESTROY AMERICA AS FOUNDED.

280 When you listen to the Dems debate — have you asked yourself,
281 who are they talking too? They are not talking to the average
282 American that loves his country — they are talking to those who
283 have hatred for this country. They are not talking to God fearing
284 Patriots — no, the reverse is true. They are going out of their way
285 to talk to the irreligious, those that would, if they could, restrict our
286 liberty of speech along with our liberty of self defense.

287 Do you not understand that the only people you can trust to
288 protect your LIBERTIES are Christian leaders — I mean genuine
289 Christian leaders, who believe in biblical principles of rule and are
290 under the influence of the SPIRIT OF LIBERTY.

291 The people the Democrats hope will get them elected are illegal
292 aliens voting by fraud, and those who think killing babies right up
293 to term is something to celebrate, who think parading a distorted
294 soul in a man's body dressed like a clownish woman promoting a
295 lifestyle that shortens life expectancy by close to half — they are
296 appealing to people who are saying there are 57 different genders
297 — this is madness.

298 That's the Democrat Party today. Even Bill Maher is raising an
299 eyebrow and shaking his head saying the far left is destroying the
300 Democrat Party — I've watched even Whoopi wince a time or two
301 at the extremes coming from the left. It's getting bad when Maher
302 and Whoopi start backing up from the left.

303 All of this is deeply concerning because it's obvious that the
304 Democrat Party is not even trying to connect with mainstream
305 traditional Americans anymore.

306 The country is polarized — but I have to believe most Americans
307 are not comfortable with LGBTQ advocates promoting their
308 perverse sexuality in front of children in libraries — surely!

309 I guess we will find out! The Democrats are placing their bet on
310 America turning it's back on God once and for all in this upcoming
311 election. It's people of the GOD OF OUR FOUNDERS versus the
312 worshipers of BAAL.

313 Hey, State representatives in Sacramento decided the NRA is a
314 Domestic Terrorist organization. And ORoark has declared openly
315 his intent to confiscate your AR 15 or AK 47 — he openly declared
316 it and no one on that stage objected, and the crowd cheered. We
317 need about another million Americans to join the NRA today — if
318 you are not a member, I have one-year membership cards here for
319 you — it's a limited supply. Join up! Stand up for one of the most
320 beloved American institutions

321 I have lit the lamps in the Church belfry arch and now you let me
322 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
323 ON and you will ride like Revere and spread the warning,
324 (essentially, it means you agree with what I'm saying) or you say
325 LIGHTS OFF -- which means you reject what I'm saying and
326 disagree strongly with me. So, what will it be today, lights on, or
327 lights off?
