1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Mixed news coming out of Israel. Bibi wins, Bibi loses — the  
5 Parliamentary system baffles us. Three times, I think it is, Bibi's  
6 Likud party came in second in terms of seats won but ended up  
7 pulling together a coalition government and continue leading  
8 Israel. We will have to wait to see if Bibi is able to pull it off again!  
9 The point is, it's not quite over — but the implications are serious.  
10 We watch with interest because two things gave Bibi trouble even  
11 though he presides over a booming economy. First, the scandals—  
12 he denies any wrong doing, and so far as I can ascertain the  
13 evidence against him is circumstantial, but many in Israel are in a  
14 Progressive mood and mindset to go with guilty until proven  
15 innocent — you know, Kavanaugh II — it's a wicked business that  
16 people can throw out accusations and smear your name simply out  
17 of hatred for your politics. That's what is happening to Kavanaugh,  
18 again! He really needs to aggressively pursue these false accusers  
19 for slander and libel (if in print) — anyway, Bibi is getting the  
20 Kavanaugh treatment and the election suggests Israel is almost as  
21 evenly divided between right and left as America. So, if Bibi loses, it  
22 means false accusations persuaded enough Israeli voters and that  
23 will encourage the Russia-gate liars that they can get rid of Trump  
24 with scandals founded upon lies.

25 Second, the Arab voters are swinging elections in Israel—so you  
26 have the double whammy of "alien and ignorant voters" deciding  
27 an election in favor of liberal policies even in a strong economy.

28 We should learn from this an important lesson — the economy is  
29 not enough! We must defeat the LIES and STOP THE ILLEGAL  
30 VOTE.

31 All right! We are in a major war in America — Biden said it's a war  
32 for the "soul of our country" — and there are few things Biden has  
33 ever said, I mean that are comprehensible, with which I agree —  
34 but he is certainly right about that.

35 Many things look favorable for Trump to win in 2020 — and we  
36 are hopeful the House will move back into the hands of  
37 conservatives — BUT! IT's not a given — and a strong economy is  
38 NOT ENOUGH! We must answer the deluded lies of people who  
39 think it's okay for illegals to vote in our elections, and who get away  
40 with outright lies and fraud to undermine a Presidency.

41 What you need to understand is that this is a spiritual war! The  
42 spiritual and the physical intersect, to be sure, but the battle is won  
43 or lost in the spiritual realm and then realized in the physical. I  
44 explain all of this in my new book, *God's War: Why Christians*  
45 *Should Rule the World* — a case for Christian involvement in every  
46 sphere of life on this planet, and it's coming out very soon. The  
47 order is in — the books are scheduled to arrive in November and  
48 we have one year to get our message out to the remnant. I hope you  
49 will help!

50 Okay, my dear friends — it's time for your brain massage!

51 [TRUTH]

52 JESUS IS THE KING, and all mankind are His subjects. When I began  
53 writing *God's War* about six years ago, I thought that statement  
54 that would assault the Progressives' world with shock and awe.  
55 Since that time, the realization has crystallized in my mind that His  
56 followers should rule! Put these statements together, and you can  
57 see why *God's War* rocks the world. *Jesus is King, and His followers*  
58 *represent His authority in the Earth today!*

59 Our Founders believed that Jesus is the only rightful King and that  
60 our Republic could not continue unless Christians led it. George  
61 Washington, Alexander Hamilton, John Hancock, Patrick Henry,  
62 John Adams, Samuel Adams, to name only a few, made statements  
63 effectively declaring Jesus is the KING, and all mankind are His  
64 subjects. They understood our liberties came from God and  
65 repeatedly warned that our Republic would not be safe except in  
66 the hands of Christian leadership! You'll see these quotations from  
67 our founders throughout *God's War!*

68 Look around! Everywhere Christians control the government and  
69 shape policy you find liberty. Where so-called secularists control  
70 the government, you see tyranny. The more *Christian* a  
71 government is, the more freedom it yields to its people. The less  
72 *Christian*, the more freedom is limited. That's because, as the good  
73 book says, where the Spirit of the Lord is, there is Liberty. But  
74 wherever the spirit of Antichrist prevails, there is tyranny.

75 How did “we, the people,” forget something so basic? Satan has  
76 cleverly deceived us into believing the world belongs to him and  
77 his servants. But now, *God's War* blows his cover. Believers and  
78 unbelievers are blinking in the light of the truth that *Jesus Christ is*  
79 *King, all mankind are His subjects, and Christians should rule the*  
80 *world!*

81 Evangelical Christians are looking for the return of our Lord, but  
82 few fully comprehend the significance of His first coming. *God's*  
83 *War* explores the meaning of Christ's first coming. It is  
84 summarized in the following stunning declaration: *Jesus is King,*  
85 *every human being is subject to His crown, and He has given the*  
86 *Spirit of Liberty to His followers.* The implications of this statement  
87 are profound. A summary follows!

88 *God's War* is the cosmic conflict between the kingdom of God and  
89 Satan's kingdom of darkness. Fought on battleground earth, the  
90 spoils of this war are the souls of men. Mighty angels and devils

91 clash as on Earth kingdoms rise and fall. Wars and rumors of wars  
92 rumble across the planet as one or another nation strives to control  
93 something called *the dominion*.

94 In the beginning, God created the Heaven and the Earth. He began  
95 by creating an audience—the angelic hosts. They watched and sang  
96 as He proceeded to expand space with billions of stars and planets  
97 and moons and comets. One world got special attention—Earth.  
98 He gave it to a mighty angel, named Lucifer. Lucifer set his heart  
99 on his glory, power, and riches; and turned his affections away  
100 from the One Who gave him his glory. His heart filled with pride,  
101 and he announced his intention to set his throne above the stars of  
102 God, to be like the Most High. God rejected his prideful boast and  
103 cast him down—“and the earth was without form and void, and  
104 darkness was upon the face of the deep.”

105 God formed the Earth to be inhabited by a new creature.  
106 Humankind was created male and female in the image and likeness  
107 of God and given the power to procreate—this is the kingdom of  
108 man, and God was its only King. He appointed to mankind mastery  
109 of the Earth and all its resources—this is called the dominion. He  
110 warned them death was the wages for sin.

111 Lucifer was outraged! He determined to remove the kingdom of  
112 man out from under God, to usurp God’s place in the Earth, and  
113 take control of the dominion. To do this, he seduced men into sin,  
114 gaining the power of death over mankind. Lucifer came to be called  
115 Satan—the accuser! When our first parents fell into sin and came  
116 under the power of Satan, God promised to send a deliverer.

117 Satan set out to seduce men to follow him in his rebellion. The first  
118 human to call himself a king was Nimrod, and he founded Babel,  
119 the first kingdom out from under God, later called Babylon. God  
120 intervened and scattered the people. They followed Nimrod’s  
121 example and set up kings and kingdoms all over the Earth. From  
122 then forward, God would give the dominion (the right to rule the

123 Earth under God) to the kingdom of His choice. He settled it on  
124 Israel! Israel became one nation under God. Satan strove against  
125 God's angels and Israel attempting to provoke God to surrender  
126 Israel to his power and give him the dominion.

127 Satan finally corrupted Israel so that God removed the dominion  
128 from her and gave it to a servant of God that ruled Babylon whose  
129 name was Nebuchadnezzar. At that time, through the prophet  
130 Daniel, God foretold how the dominion would pass from one  
131 nation to another until Satan had it all in his hands. His prophecy  
132 revealed that during the fourth kingdom, Satan would rule Earth  
133 through a king called the son of perdition, that is, the son of Satan.  
134 Finally, the promised deliverer would come and destroy Satan's  
135 kingdom and replace it with His eternal kingdom. Satan planned to  
136 destroy all humanity before Christ could set up his kingdom on  
137 Earth. The prophecy began fulfillment when the dominion passed  
138 from Babylon to Persia.

139 Satan corrupted Babylon until God transferred the dominion to  
140 His shepherd, Cyrus, king of Persia. Satan corrupted Persia so that  
141 God would not allow her to continue holding the dominion.  
142 However, by that time, God did not have a servant or a shepherd to  
143 whom He would give the dominion. The next world ruler,  
144 Alexander the Great, called himself god, the Son of Zeus—he was  
145 under the power of Satan. God relinquished the dominion to  
146 Alexander, who was the first king of the third kingdom. He  
147 brought all the kingdoms of the world under Satan's power.

148 Alexander conquered the world then died, and his generals divided  
149 his Empire. Satan knew the prophecy of Daniel. He expected his  
150 man of sin, someone we call the Antichrist, to appear at the  
151 beginning of the fourth kingdom. Satan would use his power to  
152 destroy all humanity. So, he watched for the prophesied Antichrist  
153 to appear. But something happened he did not expect.

154 God sent His Son, the Christ, into the world. The heir of the  
155 dominion had arrived. Christ appeared in the flesh, which alarmed  
156 the kingdom of darkness. It meant that Christ Jesus could rule  
157 Heaven as the Son of God and Earth as the Son of man. Jesus could  
158 combine the kingdom of God with the kingdom of men. Thus, the  
159 kingdom of God invaded the kingdom of darkness to save the  
160 kingdom of men.

161 As soon as John the Baptist began declaring the kingdom of God  
162 had come, Satan rebelled and refused to yield the dominion to  
163 Him. He refused to return the kingdoms of this world to God's  
164 power. Jesus bound Satan and spoiled his house—breaking his  
165 authority over all the kingdoms of this world, and removing the  
166 dominion from his control.

167 Jesus is the Christ of God in the flesh of men. He removed the  
168 dominion from Satan's power and banished the Devil from Earth.  
169 Satan has no right to rule the Earth or to hold humanity in his  
170 kingdom of darkness. Anyone who will is free to turn from  
171 darkness to light and from the power of Satan to God.  
172 Furthermore, Jesus removed the dominion from Adam's race and  
173 took it into His power as the Son of man, the last Adam. Therefore,  
174 neither Satan nor sinners descended from Adam have any claim to  
175 the dominion.

176 Jesus is the King, and all humanity are His subjects. After taking  
177 the dominion of Earth from Satan and sinners, He left His church  
178 with the keys of the kingdom and ascended into Heaven to receive  
179 another kingdom that is not of this world. He sent His Spirit into  
180 the world to reprove it of sin, righteousness, and judgment, and to  
181 draw all men to their only Saviour.

182 Under Christ's authority, we are instructed to preach the Gospel of  
183 His kingdom to all mankind, declaring His terms of surrender. The  
184 terms of surrender are as follows: we must confess that Jesus is  
185 Lord, believe in our hearts that God raised Him from the dead, and

186 call on His name to be saved. That's it! All who surrender to the  
187 Gospel command to repent and believe will be saved from the  
188 wrath to come. All who do so are called the children of obedience  
189 because they obeyed the Gospel. Those who refuse to obey the  
190 Gospel are called the children of disobedience. Jesus promised to  
191 return for the children of obedience and receive them into Heaven  
192 with Him. After that, He will return with His saints following when  
193 He comes to destroy all earthly kingdoms and establish His eternal  
194 kingdom in the Earth.

195 Meanwhile! Satan has reasserted his influence on the Earth  
196 through the children of disobedience. Satan is the prince of the  
197 power of the air; he is the spirit that now works in the children of  
198 disobedience. He deceives them into denying that Christ has come  
199 in the flesh, convinces them that the Earth belongs to them and  
200 that only they have the right to rule the dominion. They rail against  
201 God and His anointed. They declare they will not have Jesus to be  
202 their Lord; they will not have him to reign over them. These are  
203 under the control and influence of the spirit of Antichrist. Their  
204 objective is to bring the world under Satan's power, to unite the  
205 world into a global dictatorship ruled by Satan through the man of  
206 sin, the Antichrist.

207 However, the Spirit of Jesus Christ in believers works through  
208 them to resist the spirit of Antichrist. The children of obedience  
209 oppose the agenda of the spirit of Antichrist. Christians get in the  
210 way of their efforts to create a one-world government ruled by the  
211 children of disobedience. We interfere with their desire to rid the  
212 world of the influence of Jesus Christ. But so long as the Spirit of  
213 Jesus Christ is in the world, the spirit of Antichrist cannot reveal  
214 the man of sin. We keep getting in their way!

215 One day, Jesus will remove the children of obedience from the  
216 Earth, and it will fall entirely into the hands of the Antichrist.  
217 While we are being prepared to return with Him to destroy the

218 kingdoms of this world and set up His eternal Kingdom, Satan will  
219 wreak havoc upon humanity on Earth. He will attempt to kill every  
220 living human being on the planet, but Christ will stop him when  
221 He returns with us to establish His Kingdom on the Earth.

222 This is *God's War*! The Spirit of Jesus Christ is the spirit of liberty;  
223 the spirit of Antichrist is the spirit of tyranny. When the children  
224 of disobedience get their way, tyranny prevails. When the children  
225 of obedience are in control, liberty prevails. Because the Gospel  
226 promotes liberty and delivers men from the power of Satan, every  
227 country controlled by the spirit of Antichrist hinders the Gospel  
228 from being preached freely. In every country where the children of  
229 obedience hold power, the Gospel is preached freely. Where the  
230 Gospel is preached freely, you will notice that all the people enjoy  
231 greater liberty. Where the Gospel is restricted, you will see that the  
232 freedoms of the people are limited.

234 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
235 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
236 lighter, lighting the lamps in the church belfry arch, signaling the  
237 enemy is on the march, an enemy that would steal from us our  
238 liberty.

239 THE CURRENT STATUS OF GOD'S WAR IN AMERICA is critical.  
240 Christians have given power over the government to the children  
241 of disobedience. Now they are driving us out of this *land of the free*,  
242 and *home of the brave*. A nation founded by Christians, for  
243 freedom to worship God according to the dictates of one's  
244 conscience, has been given to Non-Christians who are taking this  
245 liberty from us.

246 *God's war* is raging in America right now, and the battle is hot!  
247 2020 will decide whether we continue as a nation under God, or  
248 join the spirit of Antichrist. We will choose liberty or tyranny!

249 The controversy between the children of obedience and the  
250 children of disobedience has reached a critical juncture in America.  
251 From our founding, the children of obedience (in whom is the  
252 Spirit of liberty) have held sway in the government and shaped our  
253 culture. Americans were renown for their love of freedom. They  
254 made famous the principle that God has endowed inalienable  
255 rights to all humanity. To the degree that we have given control of  
256 our government to the children of disobedience, we are  
257 progressively losing our liberties. Hostility from the children of  
258 disobedience against the children of obedience has broken out into  
259 open and even physical violence. The upcoming election will  
260 determine whether we finally pull this nation out from under God,  
261 or reestablish our nation under Heaven's favor.

262 The spirit of Antichrist convinces the minds of those it controls to  
263 believe Christians have no voice in the affairs of government. But  
264 the opposite is true. Christians have as much right to voice their  
265 opinions on matters affecting the government as anyone else.  
266 Indeed, Christians have a greater right to govern in this world,  
267 since the Earth belongs to Jesus Christ and not to Satan. God is the  
268 ordaining authority behind all government power. The dominion  
269 belongs to Christ, the Last Adam; and all who are born of His Spirit  
270 are heirs of the dominion with Him. Under His authority, we are  
271 commanded to preach the liberating Gospel and no power on  
272 Earth has the authority to counter that command.

273 Furthermore, every sinner is obliged to obey Christ as their King  
274 and commanded to bow the knee to Him as Lord.

275 Christians are kings and priests unto God, now, and responsible to  
276 represent God before men, and men before God. Christians have  
277 the same human rights as anyone! We may engage in the politics of  
278 our government. What surprises many, however, is to learn that  
279 Christians have a divinely appointed responsibility to do so. Satan  
280 does not want men and women to know that he does not have the

281 right to govern in the Earth over men. Any authority Lucifer has  
282 attained he has usurped. The violent “take the kingdom” by force.  
283 It’s never given to them. Unbelievers use violence to take the  
284 dominion and to hold it, but Christians have a divine right to rule  
285 the world under Christ. Heaven’s current policy requires men to  
286 choose to surrender to Christ. This policy will continue in force so  
287 long as Christ’s Spirit is present in the Earth withholding the spirit  
288 of Antichrist.

289 Christians will rule the world with Christ when He returns to the  
290 Earth. The wicked will have no choice in the matter at that time.  
291 Now, however, men have a choice. They can accept the terms of  
292 surrender to King Jesus, or join with those who declare they will  
293 not have that man to reign over them. If they accept the terms of  
294 surrender, the Spirit of liberty will govern them. If they reject  
295 Christ, the spirit of Antichrist will prevail, and tyrants will oppress  
296 them.

297 The upcoming election in 2020 is a choice between the Spirit of  
298 liberty and the spirit of tyranny—the Spirit of Christ, or the spirit  
299 of Antichrist. According to the Bible, people don’t always choose  
300 their leaders wisely. Hosea complained that Israel had set up kings  
301 contrary to the will of God. Let’s pray Americans will elect leaders  
302 who follow biblical principles, who accept the terms of surrender to  
303 King Jesus, who are motivated and moved by the Spirit of Liberty.  
304 But we do not cast spells with our prayers. God will not dismiss  
305 man’s free will. Men must choose whom they will serve. So, where  
306 do our prayers come in?

307 Greater is the Spirit of Jesus Christ in us than the spirit of  
308 Antichrist in them. What we want is a fair and honest election.  
309 Christ Jesus gave us power over devils, and we can use our ability  
310 to restrain the influence of Satan in the upcoming election. We can  
311 pray that truth will prevail, and the people will be able to decide  
312 based on facts. We can pray that voter fraud will be exposed and

313 that it will not determine the outcome of our election. We can  
314 labor to preach the truth, and make it clear to our fellow  
315 Americans what is at stake—Liberty! We are choosing between  
316 liberty and tyranny in 2020. Choose liberty!

317 We are in a war for America—2020 will decide whether we join the  
318 enemy of our liberty and pull this nation out from under God, or  
319 stand with KING JESUS and restore America as ONE NATION  
320 UNDER GOD.

321 Jesus' Spirit is the Spirit of Liberty, and He wants His Spirit to flow  
322 through us like rivers of living water. His Spirit moves through us  
323 to reprove the world of sin, righteousness, and judgment. Believers  
324 release the flow of the Spirit of God into the world by prayer,  
325 fasting, preaching, and shining the light of truth on Satan's lies. If  
326 we perform our duty as light and salt, at least Americans will have a  
327 clear choice set before them. If America chooses the Democrat  
328 Party, they will have chosen to side with the spirit of Antichrist.

329 It is time for Christians to rise and take America back! The  
330 children of disobedience have undermined the Founders' vision for  
331 this great country. They are assaulting our liberties daily. They  
332 have turned common sense upside down, opened the doors of our  
333 land to the pollutions of vice and evil, and pushed Christians out of  
334 public life. They parade perverse men and women before our  
335 children advocating a dangerous and vile lifestyle. They are  
336 mocking our values and beliefs, and it's time that we had enough!

337 Political correctness is an affront to our liberties. Gender fluidity is  
338 an affront to our natural sense. The assaults of the Left are past  
339 insulting, beyond dumb, over the boundary of the far side of  
340 nonsense; it has become dangerous. The Left today is dangerous.  
341 Not to our liberties only, which is bad enough. The Left has  
342 become vicious in their raging against Christians. Stand up now, or  
343 be silenced forever.

344 We can no longer support church leaders who betray King Jesus  
345 and throw in with Satan and the spirit of Antichrist. Christ's  
346 soldiers must leave Denominations that forsake the Bible and bow  
347 the knee to political correctness. They must do it now! Or they are  
348 guilty of crimes against the kingdom of Christ. He will render them  
349 their justice. But we must not support them in their betrayal.

350 Christian soldiers must take the field of battle with the Sword of  
351 the Spirit—the Word of God. We must not back down when the  
352 children of disobedience bristle and rail against us with their scorn  
353 and vicious insults.

354 Christ's ambassadors need to make their presence known at  
355 government forums. If the children of disobedience twist our  
356 words, untwist them. If they accuse us falsely, stand up against  
357 their accusations. If they misrepresent our beliefs, expose their lies.

358 Killing babies in the wombs of their mothers is a travesty, and it  
359 has come to its end! It's time for God's people to stand up for the  
360 lives of the unborn children. Forcing our children to be exposed to  
361 the unnatural and life-endangering lifestyle of the homosexual is  
362 over! Take our children back from these people who would pervert  
363 their souls. Our children do not belong to them! They cannot have  
364 our children! Enough!

365 I think you get the idea! We are soldiers, and it's time we take the  
366 initiative in this battle and engage. The enemy has been  
367 aggressively taking more and more territory in education, politics,  
368 science, and entertainment! Christians have yielded so much place  
369 in this world to the Devil we are about to lose our place. It's time  
370 for Christians to stand and push back against the spirit of  
371 Antichrist and to reaffirm America as "one nation under God."

372 So, get my new book: *God's War: Why Christians Should Rule the*  
373 *World.* OVER 30 full-color illustrations to help the reader grasp the  
374 more technical part of the book—insights he offers regarding the

375 body, spirit, and soul, and how these relate to our warfare as priests  
376 unto God. You'll meet Zoe, Psuche, Soma, Sarke, and Pneuma.  
377 You'll learn what Jesus meant when He said that out of our belly  
378 would flow rivers of living water. You'll learn how to cast down  
379 mountains, and uproot trees, as you discover the fantastic spiritual  
380 power you have as a king and priest unto God.

381 You'll learn the importance and power of fasting with prayer, and  
382 how to deploy the Sword of the Spirit effectively. You'll learn about  
383 spiritual warfare, and you'll be amazed to discover how Satan has  
384 tricked us into giving over territory to him that belongs to our  
385 King. And you will be stunned at how practical it all is. This is not  
386 an ethereal treatise on how many angels can dance on the head of a  
387 pin. This book gets down to cases: it's real!

388 *God's War* is written so that the average, but motivated reader can  
389 understand even the deeper insights uncovered between the covers  
390 of this amazing book. This author displays his exceptional skills  
391 when he takes us into the Garden of Gethsemane with Christ in  
392 His agony, and when not describing Christ's crucifixion —  
393 profoundly moving! In other words, it's an enjoyable read!

394 And it's full of powerful insights that will stimulate advanced  
395 thinkers and Bible students to ponder with amazement the clashing  
396 of the spiritual and physical realms. In other words, it's also written  
397 with the scholar in view.

398 It provides a topical and Scripture index. These will help readers  
399 find the specific information they need, or to find their way back to  
400 that intriguing insight they want to review.

401 *God's War* includes appendices that allow readers to examine more

409 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
410 ON and you will ride like Revere and spread the warning,  
411 (essentially, it means you agree with what I'm saying) or you say  
412 LIGHTS OFF -- which means you reject what I'm saying and  
413 disagree strongly with me. So, what will it be today, lights on, or  
414 lights off?
