Original Air Date: 10.05.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Eat the babies?
5 Adam (liar) Schiffy reads a transcript of Trump's call to Ukraine
6 President to the Congress, quoting Trump as saying he wanted the
7 Ukraine President to "dig up dirt on Biden." It turns out the
8 transcript was fake, and when Schiffy got caught, he passed it off as
9 a "parody."
10 What about the impeachment of Trump? What does it mean to be
11 impeached? How does this work?
12 Finally, I intend to answer a question raised by John Jay —
13 Founding Father — and first Chief Justice on the Supreme Court
14 about whether Christians should be involved in politics and hold
15 office in the United States government.
16 It's time for your Brain Massage.
17 [TRUTH]
18 Eat the babies? — At a town hall meeting with AOC one of her
19 supporters stood to present a question to the Congresswoman
20 representing New York's 14th district. After praising her for
21 supporting the "Green Deal" and being wonderful, and all that, she
22 went into a screech about it not being enough, more must be done
23 about global warming because we only have a few months left,
24 referred to a Swedish study suggesting we reduce global warming
25 by eating dead people, but complained, that's not enough, said —
26 well, here. You really need to hear this.
27 [INSERT CRAZY RANT] — ONE MINUTE

28 Eat the babies! She referred to everyone in the audience with her as
29 "polluters" — and I think her idea is that we need to stop letting
30 any more people be born because the planet can't take any more
31 population — that's it — so her solution is — WE NEED TO
32 START EATING THE BABIES.

33 This is satanic! There is no other explanation for this kind of
34 thinking. Scripture — Oh, excuse me, Bible Thump Alert, BIBLE
35 THUMP ALERT — The BIBLE speaks of seducing spirits that
36 teach doctrines of devils — and that is a devilish doctrine to be
37 sure.

38 Right in line with Planned Parenthood's policy of selling baby body
39 parts — and treating the unborn, even infants at term, as property,
40 as product — fiends of HELL. It's hellish doctrine —

41 So, I understand the left is saying this woman was a plant by some
42 right wing-nut operation. Supposedly Tucker Carlson has exposed
43 this — and there is a neat little link here to Tucker Carlson, and
44 when you click on it, it takes you to Tucker Carlson's Twitter page
45 and when you search through the tweets there posted you find —
46 NOTHING ABOUT THE EAT THE BABIES crazy lady. That does
47 not mean he did not speak to this, but I can't find where he did,
48 and the link provided in this article claiming Tucker Carlson
49 exposed the woman as a fraud plant by LaRouche does not lead to
50 any proof.

51 And, the statement that LaRouche claimed they planted the
52 woman has a neat link there too, and the same thing happens. I did
53 find one tweet ostensibly from a LaRouche foundation member
54 saying "we trolled AOC" — and that she did not back away from
55 the idea of eating babies as a solution to climate change — but the
56 reporter admitted they attempted to contact LaRouche but got no
57 response.

58 I have to be careful when reading these things because, well
59 because there is just a whole lot of lying going on right now. And,
60 frankly, it's coming mostly from the LEFT today. And that makes
61 sense, if you think about it.

62 The LEFT has taken an anti-GOD, anti-FAITH, anti-CHRIST
63 position — they've taken their hellish "separation doctrine" to such
64 an extreme they advocate the idea that a sincere believer in Christ
65 should not sit on the Court, or hold office in the U.S. — and more
66 than half the Democrats at their National Convention booed
67 acknowledging God in their platform, and they advocate for
68 murdering babies at full term, and they advocate for humanistic
69 morality based on — well, on nothing!

70 They set an example of violating laws to advance their cause, and
71 lying seems to be a well used tool on their side — lying about
72 Trump, about Christians, about, well about anything it seems.
73 Lying is an approved method if you are lying to advance what they
74 consider is the TRUTH. Weird, huh? But like Biden said, the
75 Democrats don't care about FACTS they care about TRUTH. This
76 is something that has been said by others on the LEFT — truth is
77 whatever supports and advances their cause — LIE is whatever
78 opposes their cause. So, lying is standard operating procedure for
79 the LEFT.

80 Here is another example of this. The MSM is repeatedly saying this
81 woman was a plant by a FAR RIGHT TRUMP SUPPORTING
82 ORGANIZATION the LaRouche Foundation — so who is the
83 LaRouche foundation?

84 Of course, they are going to do all in their power to connect this
85 group to Trump, so, here you go. From an article in wikipedia —
86 "LaRouche-affiliated political parties have nominated many
87 hundreds of candidates for national and regional offices in the
88 U.S., Canada, Sweden, Denmark, Germany, Australia and France,
89 for almost thirty years. In countries outside the U.S., the LaRouche

90 movement maintains its own minor parties, and they have had no
91 significant electoral success to date. In the U.S., individuals
92 associated with the movement have successfully
93 sought Democratic Party office in some elections, particularly
94 Democratic County Central Committee posts, and been nominated
95 for state and federal office as Democrats, although the party
96 leadership has periodically voiced its disapproval.[5][6]

97 Oh, and then there is this "LaRouche ran for U.S. president eight
98 times, in every presidential election from 1976 to 2004. The first
99 was with the U.S. Labor Party. In the next seven campaigns he ran
100 for the Democratic Party nomination. He received
101 federal matching funds in 2004. See Lyndon LaRouche U.S.
102 Presidential campaigns."

103 And then, "In 1986, LaRouche movement members Janice
104 Hart and Mark J. Fairchild won the Democratic Primary elections
105 for the offices of Illinois Secretary of State and Illinois Lieutenant
106 Governor respectively."

107 And then there is this, "The LaRouche movement opposed the UN
108 sanctions against Iraq in 1991 and the Gulf War in 1991." That's
109 the Democratic position today, is it not?

110 And then there is this, "LaRouche blamed the sanctions and war on
111 "Israeli-controlled Moslem fundamentalist groups" and the "Ariel
112 Sharon-dominated government of Israel" whose policies were
113 "dictated by Kissinger and company, through the Hollinger
114 Corporation, which has taken over The Jerusalem Post for that
115 purpose.""

116 And then there is this, "In 2000, the Democratic Senatorial
117 nominee in Wyoming, Mel Logan, was a LaRouche follower."

118 And then there is this, "In 2006, LaRouche Youth Movement
119 activist and Los Angeles County Democratic Central Committee
120 member Cody Jones was honored as "Democrat of the Year" for the

121 43rd Assembly District of California, by the Los Angeles County
122 Democratic Party."

123 Now, the LaRouche group did not like Obama or Pelosi — to be
124 sure. Interestingly, however, their antics were pinned on the Tea
125 Party and the LaRouche group did not correct the error. Hmmm?

126 However, we know there is bad water between LaRouche and the
127 Weathermen, back in "the day" the Weathermen were physically
128 assaulting LaRouche supporters in clashes and LaRouche
129 supporters retaliated in kind — so, maybe Obama's connection
130 with Weathermen radicals put him on LaRouche's black list.

131 But then there is this, "In March 2010, LaRouche Youth
132 leader Kesha Rogers won the Democratic congressional primary in
133 Houston, Texas' 22nd District.[26] The following day, a
134 spokeswoman for the Texas Democratic Party stated that, "La
135 Rouche members are not Democrats. I guarantee her campaign
136 will not receive a single dollar from anyone on our staff." [27] [But
137 then] In June 2012, Rogers won the Democratic congressional
138 primary for a second time.[28] In March 2014, Rogers received
139 22% of the vote in the U.S. Senate Democratic primary, placing her
140 into a runoff election with David M. Alameel."

141 And, I apologize, but that's as much time as I have right now to dig
142 into this — but, as you can see, if this crazy woman was a
143 LaRouche "troll" — (someone who deliberately makes offensive or
144 provocative statements to upset someone or to elicit an angry
145 response from them) — there is no way she was working for
146 Trump. This was an effort to embarrass Trump if anything.

147 So, I agree with Candace — the focus really needs to be on AOC's
148 response to this. She says she was concerned the woman was
149 having a mental break down and wanted to deescalate the situation
150 — but, she could not find the words to say something at least as

151 benign as I certainly hope we can find a way to solve this crises that
152 does not involve eating the babies —

153 Maybe AOC can look at this as a warning that her fearmongering
154 about climate change has real consequences.

155 So, I said it's demon possession — devilish activity — and it is!
156 Whether she is a LaRouche troll or a demented DEM driven insane
157 with the constant hyped up scare tactics of the left — it's all of the
158 DEVIL man! Satan is the father of the LIE, you know!

159 It's his modus operandi —

160 So, we'll talk about Adam (liar) Schiffy — another demon
161 possessed fellow — you wonder at me, don't you. Calling these
162 people demon possessed is over the top — it's too much! Hahaha.
163 Look, I'm making a point — and I can see that it's sticking some of
164 you and making you squirm. Trust me. It will all make sense —
165 hold on through the break. I'll be right back.

166 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
167 at the Lighthouse, your brain masseur, and Paul Revere's lantern
168 lighter, lighting the lamps in the church belfry arch, signaling the
169 enemy is on the march, an enemy that would steal from us our
170 liberty.

171 Talking about the devil possessed Democratic Party — haha!

172 But, really! Jesus said Satan is the father of the lie. So, what spirit do
173 you think is guiding and directing the Democratic Party today?

174 Adam Schiffy sits before Congress with millions viewing the
175 proceeding and reads a transcript of Trump's call to the Ukraine
176 President. He quotes Trump as saying he wanted the Ukraine
177 President to "dig up dirt on Biden." It turns out the transcript was
178 faked by Adam, and when Schiffy was called on this, he passed it
179 off as a "parody." So, Adam Schiff does comedy now! — This is a
180 comedy act? (You know that parody is an imitation of the style of a

181 writer, or an artist, or public figure with DELIBERATE
182 EXAGGERATION FOR COMIC EFFECT.) Uh, Adam Schiff is the
183 un-funniest man you'll ever meet. Even his smile looks eerie, like a
184 really creepy cat with a mouse in its teeth — he has that wide
185 glaring gaze of the insane — really, that guy creeps me out!

186 And, like Gowdy said, he leaks like a sieve! And, he is the guy that
187 did everything in his power to keep you from learning about
188 Hillary's email server, about her involvement with Benghazi, about
189 all of it — he tried his best to keep you from knowing about the
190 Russia-gate dossier — he is, without any body disputing it, the
191 most partisan Democrat on the Hill today. If you are looking for a
192 definition of my sometimes playful expression *demoncrat* — it's
193 Adam Schiffy — that guy has the devil all over him.

194 So, what about the impeachment of Trump? What does it mean to
195 be impeached? How does this work?

196 You know that the Congress voted to impeach Clinton back in the
197 day! So that's the first thing you need to know about impeachment.
198 It begins in the House of Representatives. The House impeaches,
199 and then the Senate conducts a trial to determine whether or not
200 he will be removed from his office. Although the House impeached
201 then President Clinton, the Senate did not convict — they split
202 over the issue and it failed to get the 3/4 majority necessary to
203 remove Clinton from office. So, another thing to understand is that
204 the House may impeach, but that does not automatically result in
205 the removal of the President from office. The Senate must conduct
206 a trial, and then conviction occurs only if 3/4 of the Senate concurs.

207 I would say, there is nothing at all to be concerned about because
208 there is no evidence to support the allegation — there is not only
209 no smoking gun, there is no gun. No quid pro quo occurred nor
210 was offered. However, today's Democrats don't operate on the
211 principle of innocent until proven guilty, nor do they believe the
212 standard for conviction requires evidence "beyond a reasonable

213 doubt." These cherished American ideals are gone — at least in the
214 Democrat world — it's gone: a la Kavanaugh, and before him
215 Thomas. And many other examples. There is no rule of law in the
216 Democrat world — it's RULE OF THE PARTY! What is in the
217 interest of the Party defines the RULES — and RIGHT and
218 WRONG are defined by PARTY RULES. That's who they are. They
219 are lawless—they are without principle! They are governed by only
220 one precept — America must come out from under God, entirely,
221 and by one immediate goal to that end — remove Trump from
222 Office.

223 So, while in a world where principles mattered, and American
224 values cherished, well, we would not even be talking about this
225 right now. We would be talking about how to address the many
226 serious issues we face as a nation—we would not be spinning our
227 wheels in the mud slinging fit over a lost election. And if we were
228 in a sane world right now, if at least people were being honest
229 about all this, the likeliness that Trump would be impeached, much
230 less convicted and removed from office would be highly unlikely.

231 But in today's world — truth is in the street, and judgment and
232 justice are turned away from us and equity cannot enter. Isaiah 59.
233 IT's all about politics now — it's not about truth, or justice, it's
234 about politics, which for Democrats is about one thing, and that is
235 power to control the lives of others through government.

236 So, it all comes down to this. How many Republicrats are there
237 who will risk the wrath of their constituents and side with the
238 Demoncrats in their effort to conduct a coup?

239 The sentiment of the voters right now is such that if, or when, the
240 House impeaches, if the Senate does not vote to convict and
241 remove, half the country will be enraged and if it does, the other
242 half will be enraged.

243 How sad, we have to look at this as a POLITICAL issue, and not an
244 issue of justice and judgment.

245 At present, according to all credible polling, Trump is receiving
246 more favorable response from voters now than he has ever — the
247 Demoncrat attack on Trump seems to be backfiring. One life long
248 Democrat admitted he was totally against Trump until this
249 impeachment circus got started.

250 We can hope and pray there are enough honest people left in
251 America to rise up and put a stop to this.

252 Okay, let's move toward our conclusion. John Jay — Founding
253 Father — and first Chief Justice on the Supreme Court said,
254 “Providence has given to our people the choice of their rulers. And
255 it is the duty as well as the privilege and interest, of a Christian
256 nation to select and prefer Christians for their rulers.”

257 And he asked, "Whether our religion permits Christians to vote for
258 infidel rulers is a question which merits more consideration than it
259 seems yet to have generally received either from the clergy or the
260 laity. It appears to me that what the prophet said to Jehoshaphat
261 about his attachment to Ahab affords a salutary lesson."

262 He was referring to II Chronicles 19:2, where God rebuked the king
263 by His prophet: “Shouldest thou help the ungodly and love them
264 that hate the Lord?”

265 John Jay was not the only one, by the way, who expressed concern
266 that this country must have Christians, and godly Christians, at
267 that, ruling in the government or else we would lose our liberties.

268 George Washington, John Adams, and Samuel Adams, Madison,
269 and Mason, and Alexander Hamilton — all of these men, and
270 virtually all the signers of the Declaration, made statements to the
271 effect that this Republic was only fit for the government of religious

272 people — and in the context of the day, they clearly meant
273 Christian people.

274 For many years, Satan had Christians hoodwinked into believing
275 they were not supposed to speak up on political issues. We bought
276 the lie that we had no say, that the world belonged to Satan, and
277 that we had no right to "impose" our morality onto others. This
278 ruse worked so well that today, the secularists impose their
279 immorality on all of us. And it's bizarre — 51 genders — really?
280 California removing urinals from restrooms because women can't
281 use them? This is beyond stupidity, and beyond absurdity — it's
282 gotten down right evil! This is wickedness my friends. The word
283 *wicked* by the way means to reverse, to twist out of shape. This is
284 evil! So Christians cannot impose their morality onto others, but
285 the secularist can — it's okay for the perverted, confused, and evil
286 people to impose their immorality on all of us. Man, you had better
287 wake up!

288 You can see what's happening. They have been pushing Christians
289 out of the public square for decades now. And now they are
290 encroaching on our inalienable divinely endowed rights— and we
291 had better STAND. We keep letting them push us back, farther and
292 farther; it's time to STAND.

293 The truth is the earth belongs to CHRIST Jesus, all the kingdoms of
294 the world are under HIS AUTHORITY, He is the ordaining power
295 behind all authority in the earth — Satan was defeated on the
296 Cross, and although, at the beginning of Jesus' public ministry,
297 Satan could truthfully say all the kingdoms of the world were his,
298 when Jesus rose from the dead, the dominion, the right to rule the
299 world, was transferred to Jesus Christ, which is why He said, "All
300 power is given unto me in heaven and in earth." Our founders
301 understood this, but "we the people" have forgotten it. Jesus is the
302 KING, all mankind are His subjects, and we, His disciples, are

303 kings and priests unto God in HIS KINGDOM, which kingdom is
304 OVER ALL THE KINGDOMS of the EARTH.

305 Not only do we have the same rights anyone else has to rule in
306 American government, we have a greater right and responsibility
307 to do so.

308 The people, however, must choose. They must choose "this day
309 who they will serve." Christ has sent us out to declare the terms of
310 SURRENDER before He drops His wrath upon the kingdoms of
311 this world — we must confess He is Lord and believe HE AROSE
312 from the DEAD — and CALL ON HIS NAME TO BE SAVED.

313 Those who do so are called the CHILDREN of OBEDIENCE.

314 Jesus gave us HIS SPIRIT to dwell in us and move through us into
315 the world. The Spirit of Christ is the SPIRIT OF LIBERTY.

316 But Satan is the prince of the power of the air, the SPIRIT THAT
317 NOW WORKS IN THE CHILDREN OF DISOBEDIENCE.

318 Now you begin to understand. Guys like Adam Schiffy, and Pelosi,
319 and Schumer, and Waters, and the rest of them, they want to bring
320 us under bondage, they want to take away our rights under GOD,
321 they don't believe the nation should be governed by Christians or
322 guided by the SPIRIT OF JESUS CHRIST — they are of the spirit
323 of antichrist — which is the spirit of tyranny, oppression, where
324 government takes the place of God and demands every knee to
325 bow to the STATE — and resents any power outside the STATE or
326 any power ABOVE THE STATE —

327 This is the spirit of Antichrist, the spirit of Tyranny.

328 And they follow the rules of the kingdom of darkness — lies,
329 subterfuge, deception, coverups, and false accusations.

330 They operate on the principle of seducing the righteous into error
331 and sin and crimes, and then turning around and ACCUSING
332 THEM in order to bring them under the power of government that

333 they control so they can silence you — you need to become awake
334 to righteousness.

335 You need to learn the relationship between the spiritual and the
336 physical — you need to learn how to engage in spiritual warfare
337 effectively — and this book, *God's War: Why Christians Should*
338 *Rule the World* blows the Devil's cover, exposes the lie, and gives
339 you the truth.

340 Satan does not own the world, it belongs to Jesus Christ. Satan has
341 no right to rule in the earth. Any power Satan has on this planet he
342 has usurped — the violent can only get the dominion by taking it
343 by force — however, the SPIRIT in US is greater than the spirit in
344 them — and all we have to do is STAND —

345 My book, *God's War: Why Christians Should Rule the World*
346 explains all of this and more — it's about 450 pages, followed by
347 four appendices and a very complete index. It has over thirty color
348 illustrations, it's hardback, and Smyth sewn, which means it lays
349 open for you while you are reading it; especially helpful when using
350 the book for study — and it's written on a level anyone can
351 understand, with insights so deep even the advanced students will
352 appreciate —

353 You can preorder now — go to www.booksatdbp.com and if you
354 want a free sample of the book, click on the Sample version and

360 weeks to get a copy because preorders are coming in and all
361 preorders are fulfilled first — this is an attractive book, by the way,
362 and it will make a great gift to your politically astute Christian

363 friends, and a much needed gift for you not so politically astute
364 Christian friends.

365 By the way, non-Christians will find this book fascinating — and
366 for many, infuriating. But it's the truth, and it's not something new.
367 Our founders believed it! And if we want to restore our liberties in
368 this country, we must return to our founding principles.

376 LIGHTS OFF -- which means you reject what I'm saying and
377 disagree strongly with me. So, what will it be today, lights on, or
378 lights off?
