Original Air Date: 10.26.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 I've been warning that America is moving toward civil war — for
5 some years now, I've expressed my concern that American politics
6 is fast moving from debate, to railing irrational argument, and
7 from there to physical violence. O Reilly sees it, too. Recently he
8 commented on a poll that says "70 percent of Americans believe we
9 are on the verge of civil war." His response? "They are wrong.
10 There's no *verge*. A social civil war is in progress."

11 Actually, Charlton Heston, may he rest in peace, declared America
12 was embroiled in a culture war —

13 The foundation for this current assault on our liberties was framed
14 in Darwin, and Marx, and hardened in Sanger, the playbook was
15 written by Saul Alinsky, and the first team of Hillary and Obama
16 ran the ball gaining many yards toward the goal of subverting
17 America and transforming the U.S. OUT FROM UNDER GOD to
18 become a Communist/Socialist dictatorship under the
19 DEMONCRAT PARTY.

20 Then God sent Trump — Heaven's Whistleblower — stirring up
21 the smelly swamp and exposing the lies and the lying liars that tell
22 them.

23 But back to the opening point — we are AT WAR! And while I
24 don't agree with much of what Boasting Biden says, with this I fully
25 agree, we are at WAR FOR THE SOUL OF AMERICA.

26 From Charlton Heston's culture war, to Biden's war for America's
27 soul, to O Reilly's social civil war — to — what's next? That's what I

28 want to talk about today. Hold on! It's time for your Brain
29 Massage.

30 [TRUTH]

31 As you know, Adam is Shifty — he is conducting his impeachment
32 proceedings behind closed doors. He refuses to allow the media or
33 any members of the minority party to even sit in on the hearings,
34 much less participate by cross examining the witnesses.

35 But, someone says, this is a special committee exploring the
36 evidence for impeachment — well, you see, that's the thing!
37 Impeachment is something done by the House, and tried by the
38 Senate; it's not something done by a secret committee. The HOUSE
39 has not spoken to the issue of impeachment: no vote has been
40 taken.

41 The precedent has been set and we don't to go far back — to
42 Clinton, who WAS IMPEACHED, by the way, by the House, but
43 not convicted by the Senate. So the HOUSE voted to initiate
44 impeachment proceedings, and then hearings were conducted, and
45 finally vote was taken by the House to IMPEACH. Which sent the
46 matter to the Senate for trial. The Senate voted narrowly not to
47 remove Clinton from office, that is, not to convict. But, Clinton
48 WAS IMPEACHED because he LIED under OATH. That used to
49 be considered a bad thing, even when Democrats did it — but
50 anyway.

51 When Republicans advanced impeachment articles against
52 Clinton, it was done in the open — it was advanced by vote of the
53 House each step of the way. The "minority party," at that time, the
54 Democrats, had access to witness testimony and were allowed to
55 cross examine; the President was allowed to have counsel
56 representing him at the proceedings, to cross examine witnesses
57 and to call witnesses for his defense. It was conducted in
58 accordance with the spirit of our Constitution, orderly, openly, and

59 fairly; it was conducted in accordance with the values of our people
60 — innocent until proven guilty, with representation for the
61 accused, and the rights of the accused duly accommodated. When
62 Republicans made rules for pursuing impeachment of Clinton, the
63 rules were, well, lawful, mindful of our cherished American values
64 and ideals of justice and judgment —

65 But now the Democrats have the House and they are making the
66 rules and their conduct looks like a Soviet style inquisition — the
67 accused is not allowed to have representation, witnesses are not
68 cross examined by those representing the accused, and it's all hush-
69 hush behind closed doors.

70 Someone likened this to the Benghazi hearings and argued that
71 those were closed also, and so they are simply following the same
72 rules.

73 I KNOW! You are right! They are following the Benghazi hearing
74 rules. Which is the REASON a certain little smoking gun was not
75 made public until only recently by the dogged efforts of Judicial
76 Watch — thank you Mr. Fitton — did you hear about that? Did
77 you hear what was finally exposed? Follow closely class.

78 You remember Benghazi — got to start there, sadly. Christopher
79 Stevens, our ambassador to Libya, who was killed when a "Special
80 Mission" facility in Benghazi, Libya, was attacked by militant,
81 armed, jihadis, on 9/11/12. The story put out by Obama's
82 administration Intelligence Community (IC) was that it was a
83 spontaneous uprising of Muslims angered by some D rated
84 American made movie, spoofing Mohammed. This document was
85 among the Hillary emails that were hidden from public disclosure.
86 JW filed an FOIA (Freedom Of Information Act request) for any
87 emails mentioning "talking points" or that had as its topic or
88 subject or content any mention of Benghazi, or reference to
89 Benghazi.

90 This particular email was kept back from disclosure. No doubt
91 many others also. But Judicial Watch came across information
92 informing them of this email so they were able to very specifically
93 request it — finally, the deep state Obama lap-dog bureaucrats
94 were forced to cough it up — and what it shows is that Hillary
95 KNEW the first report on what happened in Benghazi was bogus.
96 She knew it, folks; she knew it when she, under oath, denied it. She
97 testified that she did not have knowledge of information
98 contradicting the IC spin on the Benghazi story — remember,
99 when she, in frustration, exclaimed, "what does it matter anyway?"
100 The point is, Hillary LIED UNDER OATH. This secreted email
101 proves it.

102 The judge that demanded release of this to Judicial Watch said the
103 evidence supports a charge that the deep state swamp bureaucrats
104 acted in "bad faith" keeping this document from Judicial Watch. It's
105 getting harder and harder to get caught standing too close to
106 Hillary, these days! Pretty soon, those supporting her "cover
107 stories" are going to realize it's more dangerous to be standing with
108 her than it is to move away from her. Watch for the Clinton body
109 count to go up! Weird how that happens — something comes out
110 incriminating Hillary and some key person in that chain comes up
111 dead.

112 This almost certainly would have come up in the secret, closed-
113 door hearings — and it would have been made public if they had
114 been conducted honestly. But because all of this was done behind
115 closed doors, Hillary was able to get away with lying to the
116 American people, and to Congress, under oath. That's a felony!

117 So, hey, those of you who are arguing that Adam's behind closed
118 doors inquisition of the President is simply following protocol
119 regarding Committee hearings — you are RIGHT!

120 Every time the Democrats have control, and they are trying to hide
121 some evil deeds of one or more of their own, yep! It's all "we'll take

122 care of it here in this room, while you wait out side. Trust us! We
123 are going to get to the bottom of this." And then, behind the closed
124 doors, they go to work working out a way to HIDE THE TRUTH
125 from the American people.

126 No one who thinks like an American believes Adam Schiff should
127 be pursuing impeachment proceedings without the full vote of the
128 House, that's No 1. No. 2, no one who thinks like a true blooded
129 American is comfortable with him conducting these hearing in
130 secret — as if his committee is some kind of "grand jury." Ha! At
131 least a grand jury is supposed to be comprised of indifferent
132 persons randomly chosen by the court — Adam's "jury" is
133 comprised only of Hillary supporting and Trump hating
134 politicians. There is not a true-blooded American in this country
135 that thinks this is fair. All we can hope for is that there are enough
136 true-blooded American left in America who will get real angry, I
137 mean down right mad about this outrageous behavior coming
138 from Schiff and Pelosi — that they will send a message LOUD
139 and CLEAR in November of 2020 that THIS IS AMERICA, AND
140 WE DON'T PUT UP WITH THIS SOVIET STYLE NONSENSE.
141 This is AMERICA, where we believe in transparency in our
142 government.

143 Thank God for our whistleblower — Trump has blown the whistle
144 on these yahoos — which, for the record, refers to a rude, noisy, or
145 violent person. Who does that describe? It describes the MAGA
146 haters, those who cringe when they hear, "Make America Great
147 Again," who attack you physically if you support Trump, who wish
148 to threaten us — but, we are Americans! We will dig in and say,
149 "bring it on!"

150 And don't be fooled by Tulsi Gabbard — watch out! Hillary calls
151 her a Russian asset to get Trump elected? Right! She is a Russian
152 asset alright — she loves the Russian system. She wants to make
153 America Communist Again — the way it was under Obama.

154 Remember, he was playing footsie with Putin — remember the
155 hot-mic moment when Obama pleaded with Medvedev to inform
156 Putin he could be more flexible after the election? Come on! You
157 don't remember Hillary's "Reset Button" — come on! These guys
158 never met a Communist they didn't like. They are all Darwin, and
159 Marx and Sanger and Alinsky — come on! I know the Dems think
160 you are all a bunch of idiots, but I know better.

161 It's amazing how wily is the Devil-dealing Dems.

162 I agree with Dinesh, Gabbard is the best thing the Dems have going
163 for them. She does not talk like an insane person — be careful here.
164 You could see her suddenly surge toward the end like one of those
165 sleeper horses that blasts off in the last lap and overtakes the leader
166 who has gotten over confident and coasting.

167 Hillary knows how intensely she is loathed by the deplorables, and
168 how her own party is weary of her — what a great move! Take a
169 shot, an unfair, and mean spirited shot at Gabbard — who knows,
170 maybe that will work to redirect the Democrats abandoning the
171 party for Trump to turn instead to Gabbard, and who knows,
172 maybe even some of the Trump loving Independents will find her
173 an attractive alternative, and — you see what's going on here,
174 surely?

175 You need to remember one thing about Gabbard. She endorsed
176 Bernie. She is a total, raving socialist — she's just a whole lot easier
177 to look at than Warren, and talks more evenly sanely than Kamala,
178 and is actually better at hiding her wide eyed Pollyanna vision of
179 the dictatorship of the proletariat than Bernie is — but she
180 endorsed crazy Bernie — so remember that under that deceptive
181 exterior there lurks a socialist/marxist/communist — and
182 communism is always just one more murder away from utopia.

183 Okay, listen, get angry with righteous indignation at Adam Schiffy
184 and Lying Hillary, and all those who are trying to take this nation

185 out from UNDER GOD and bring it UNDER TYRANNY — and
186 stand up for LIBERTY by doing everything in your power to make
187 sure Trump is reelected. And don't relax!

188 I remember in Jr. High we had a school race, I think it was a mile,
189 or something like that. And there was this really tall kid that every
190 body, including me, knew was going to win easily. So we took off.
191 And, as expected, this guy was way out front. I was running about
192 three places behind him and the nearest person to him was at least
193 twenty paces back. Anyway, I noticed the guy was messing around,
194 playing with the audience, goofing off — and I thought, hey, I can
195 catch that jerk. So I took off. And starting gaining on him, and a
196 few of my supporters in the audience began to notice and get
197 excited so I shushed them — gestured, keep quiet, and when he
198 turned to look over his right shoulder, I moved over to his left, and
199 sure enough, I caught up with that guy and beat him. Ha!

200 So, the moral of that story is, keep you eye on the finish line, and
201 stay intensely focused on your objective — and don't let up. Thank
202 you AJ — Amen brother! Don't let up!

203 I'll be right back!

204 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
205 at the Lighthouse, your brain masseur, and Paul Revere's lantern
206 lighter, lighting the lamps in the church belfry arch, signaling the
207 enemy is on the march, an enemy that would steal from us our
208 liberty.

209 Romney is an embarrassment! I'm not even going to get into the
210 Pierre Delecto thing — I mean it! It's just embarrassing. You
211 haven't heard about that? Oh! Well, Romney opened a fake Twitter
212 account under the name Pierre Delecto that he uses to bash
213 Trump. I agree with Huckabee — "How sad. A US Senator created
214 a fake name for Twitter and became 'Pierre Delecto.' Hiding
215 behind a pseudonym is what kids, cowards, couch potatoes, or

216 perverts like 'Carlos Danger.'" But Rush is right — it shows that
217 there is a low boil of discontentment against Trump among the
218 Aristos — it's similar to when Renaldos Magnus (thank you Rush)
219 held the oval office — many of the establishment Republicans
220 despised him, but the grass roots support that he had in this
221 country kept them at bay — it's the same now, only with a brawler,
222 a two fisted Titus — a scrappy street fighter that is defending our
223 liberties. The globalists hate him, but the Americans who
224 remember and believe in the founding principles of this great
225 nation under God are for him — .

226 They can't understand us! They think Trump is too crude — let me
227 tell what is crude. Crude is having an intern perform oral you
228 know what on you in the Oval Office — that's CRUDE! That's
229 CRASS. That's LOW CLASS.

230 And as for class, how's this for class — Trump donates all of his
231 salary to some worthy cause — that's right! Pretty classy.

232 You want to know crude, rude, and obscene? How about McPain
233 walking in and throwing us all under the Obamacare bus just to get
234 in a personal dig against Trump. What a low-class jerk.

235 You want to talk about class — how about a young man that jumps
236 from his car to rescue a stranger being beat up by a mugger? Yeah,
237 that's Trump.

238 You want to talk about low class — how about Obama and Hillary
239 hiding the truth about Benghazi being a gun running facility
240 getting guns into the hands of Jihadis — or about Hillary
241 circumventing a subpoena for her emails by destroying her servers,
242 or, well — how about hiring an ex Brit spy to put together a fake
243 dossier on Trump and then using it to get fake FISA court warrants
244 to spy on him and his campaign — how about, hey, how about this.

245 Did you hear that Beck's organization, The Blaze, released a
246 recording of a conversation between the Director of the National

247 Anti-Corruption Bureau of Ukraine and a few friends? The
248 directors name is Sytnyk. He admits that he was helping Hillary's
249 campaign—he said "not him" referring to Trump, "but Hillary. I
250 helped her." So, what did he do to help Hillary? Along the way in
251 the conversation he speaks of being in charge of the investigation
252 of their "black accounting" records. So, Hillary had some "black
253 accounting records"? What is "black accounting"? Apparently, the
254 *black accounting* records involved something the Ukrainian
255 Director of *Anti-Corruption* gave to the Americans that
256 undermined Manafort, and led to his imprisonment.

257 I know that black box accounting is a device whereby fraud is
258 hidden by creating a bewilderingly complex accounting system —
259 it's called black box accounting. Maybe that's what he means. He
260 was helping Hillary in his position as "Anti-Corruption" chief in
261 Ukraine in charge of investigating her *black accounting records*.
262 Are you hearing this?

263 So, here is a Ukrainian official admitting to using his position in
264 the Ukrainian government to help the Hillary campaign.

265 No wonder Trump wants the new President there to clean up this
266 mess and expose it to the LIGHT OF TRUTH JUSTICS and, what
267 was that, the AMERICAN WAY? You see, friend, it's the
268 AMERICAN WAY — and Trump, well, he is not a corrupted
269 European aristocrat, he is a down to earth, bona fide American
270 patriot.

271 And now, hear this, and now hear this: "Attorney General William
272 Barr's probe into the intelligence and origins of the 2016 Trump-
273 Russia investigation is now a criminal investigation, according to a
274 person familiar with the matter.

275 "The so-called investigation of the investigators" (this is from a
276 CNN reporter) "is led by John Durham, a Connecticut-based
277 federal prosecutor, who so far has conducted some interviews but

278 also has run into some obstacles from witnesses who have declined
279 voluntary interviews, CNN reported last week. The move to make
280 it a criminal inquiry was always anticipated, and it allows Durham
281 to use subpoenas to compel testimony and comes" (remember, this
282 is a CNN reporter) "as President Donald Trump faces an onslaught
283 of negative headlines stemming from the House impeachment
284 inquiry into his dealings with Ukraine. It's not clear what, if any,
285 part of the Trump-Russia investigation is a target of Durham's
286 criminal probe."¹

287 He goes on to talk about *theories* with the obvious subtext of
288 *conspiracy theories* resonating from the snark (just now, how
289 bizarre, an article favorable to the Demoncrats and attacking
290 Trump appeared as I was preparing this, right over my Word doc.
291 What's going on here???? This is very weird. It's NEVER happened
292 before — I mean an article appears in front of my face that is
293 obvious propaganda against Trump and pops in front of my face
294 while I'm working on this — amazing. There are no links here that
295 I can see. Anyway! Wow! This battle is going to be intense.

296 They continue to prepare for the bomb — the bomb that will
297 explode all of their deep state swamp politics into a stinking vapor
298 that will, gratefully, finally, be blown away by a fresh breath from
299 Heaven —

300 You, if you listen, you can hear the bomb whistling as it nears the
301 heart of the DNC — I have been, with many other spiritual
302 warriors, praying for this exposure of the darkness to the LIGHT
303 OF TRUTH.

304 It's amazing how wonderfully our prayers are being answered.

305 Don't think for one moment that all this is happening by chance —
306 no! When God's remnant began to take seriously their role as kings
307 and priests unto God and began exercising their authority in

¹ <https://www.cnn.com/2019/10/24/politics/barr-probe-russia-2016-criminal-investigation/index.html>

308 spiritual warfare, that's when all this began. And by all this, I mean
309 the upset of Hillary's bid for the Whitehouse, the exposure of
310 Planned Parenthood, the exposure of the true intent of the LGBTQ
311 movement — and much more. The revelation of the SWAMP and
312 the creatures that hide in it to do their evil work in America to
313 undermine our nation and bring it into a ONE WORLD GLOBAL
314 system of TYRANNY — anti-Christ, anti-liberty, anti Christian
315 world system governed by the spirit of Antichrist — to Lucifer, the
316 being Alinsky dedicated his life and work to —

317 We are at war! It's LIGHT against DARKNESS. The only way they
318 win is if we retreat and give place to the devil, yield to darkness. If
319 we STAND and SHINE the LIGHT of TRUTH — darkness will be
320 scattered; for the power of darkness was broken on the Cross.

321 If you want to understand how we can take America back for
322 GOD, get God's War: Why Christians Should Rule the World. It
323 will blow your mind when you realize how you have been kept
324 cowering in the corners watching your liberties erode away right
325 before your eyes, and you've been deceived into thinking the world
326 belongs to Satan — he is "god of the world" — right? He is the
327 "king of the kingdom of darkness," right? Yeah! Well, that's
328 interesting since God repeatedly said HE IS GOD and there is
329 NONE ELSE.

330 I don't have time to go into it in detail, but go online, and get the
331 FREE PREVIEW of GOD's WAR — it's a free download, and it
332 provides a PDFI that provides an overview of the content and
333 message of the book. It's free — go to booksatdbp.com and
334 download the FREE brochure. If you want the physical booklet,

353 Okay my dear friends ...

354 I have lit the lamps in the Church belfry arch and now you let me
355 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
356 ON and you will ride like Revere and spread the warning,
357 (essentially, it means you agree with what I'm saying) or you say
358 LIGHTS OFF -- which means you reject what I'm saying and
359 disagree strongly with me. So, what will it be today, lights on, or
360 lights off?

361 Email me by going to our web site at branmassage.net. That's
362 brainmassage.net. Find the CONTACT button and send me an
363 email.

364 You can leave a message on our Lights On hotline: 805.314.2114.

365 God bless you. God bless America! I'll see you in Church.
