1 Segment.01 Hello. The Doctor's in—pastor of the Lighthouse  
2 Baptist Church in Santa Maria, CA—and your brain masseur—get  
3 ready for your brain massage.  
4 The Battle For America is ON! The Day of Decision is coming.  
5 California burning — a metaphor of what's coming for America if  
6 we continue to give unreasonable and wicked men and women the  
7 power to take away our liberties.  
8 House Myopia continues — let's take a brief look at what is going  
9 on around Pelosi-Schiff while they busy themselves with this  
10 phony impeachment-coup!  
11 And what the Lighthouse is doing about all of this!  
12 It's time for your Brain Massage!  
13 [TRUTH]  
14 Ten major fires have broken out in California in the last few weeks.  
15 I have friends north and south of us that are suffering because of  
16 the blackouts and evacuations — here in Santa Maria, we have  
17 been insulated, so far — much of the threat of fire for us was  
18 burned up a while back in the Santa Barbara fires — but, my  
19 friends, California is burning.  
20 To appreciate the reality of this — 88 have died in the latest spate  
21 of fires, 203 are missing, nearly 19 thousand structures have been  
22 destroyed, mostly homes.  
23 When I was in South Carolina two weeks ago, the news there was  
24 covering our fires; and while in Mississippi last week, a great deal  
25 of attention on every news channel was dedicated to the California  
26 fires.

27 So, while we have the nation's attention — it's not about climate  
28 change. That's just the latest of many lies Democrats have used to  
29 cover their own failed policies. Look, I live in this beautiful State —  
30 was born here and grew up here my whole life (with the exception  
31 of a few years that we lived in Georgia and then in Florida). I can  
32 tell you what's going on that has created the California Inferno.

33 The word, *inferno*, comes from Dante's *Divine Comedy*. He used it  
34 to speak of Hell, and it's often used to speak of a large fire that is  
35 out of control. California is an *inferno*. I'll explain.

36 "The facts are clear: California's deadliest year of wildfires has been  
37 decades in the making, with overlapping environmental rules, both  
38 state and federal, making fuel load reductions in forests and costal  
39 chaparral nearly impossible, while hostility towards commercial  
40 timber harvesting has allowed a massive build up in tree density  
41 and brush with a concurrent reduction of access roads and  
42 firebreaks."<sup>1</sup>

43 But all the politicians cried — Climate Change, Climate Change.  
44 They are liars. California has always been subject to extended  
45 periods of drought. Everyone in this State that pays attention  
46 knows that. Most of our moisture comes from November through  
47 March, and by the time summer rolls in — it's very dry. Add to  
48 that the hot winds and you have all the ingredients you need for  
49 massive fires except the spark. Neglecting prudent foresting policy  
50 is ultimately the reason we are suffering from these horrible fires.

51 Look, think about it! If Climate Change is creating dryer than usual  
52 conditions — SHOULD'N'T WE BE MORE CAREFUL ABOUT  
53 THINNING OUR FORESTS, AND USING CONTROLLED  
54 BURNS TO REDUCE THE AMOUNT OF FUEL WILDFIRES  
55 DEPEND ON TO RAGE? Of course.

56 But what do the DEMS do, they want to make sure some squirrel  
57 does not have to relocate so they concoct these stupid policies that  
58 end up creating a fire hazard.

59 In 2006, the Western Governor's Association warned that "In the  
60 long term, leaving forests overgrown (makes them) prone to  
61 unnaturally destructive wildfires."

62 Assistant Chief Mike Marucci of CAL FIRE pointed out that the  
63 tinderbox conditions in California are directly the result of not  
64 conducting prescribed burns (control burns where dry underbrush  
65 is burned off).

66 After the earlier fires devastated us, Governor Brown and our State  
67 legislatures began to realize their error. In 2018 — Brown signed  
68 SB 1260 and SB 901. These bills make it easier for the state and  
69 private property owners to use controlled burns to reduce what is  
70 called the "fuel load," the amount of dry vegetation, and etc. that  
71 wildfires depend on to ravage the countryside.

72 Look, do you see the sense of what I'm saying? Even if we grant  
73 Climate Change is creating a more dry environment — that only  
74 means we need to be more aggressive about managing our forests  
75 and fuel load on private property — but California liberal policies  
76 have been blocking these prudent measures — liberalism is literally  
77 killing us. So, that's the metaphor!

78 Liberal policies always exacerbate problems they are trying to  
79 address and create new problems — all of which genders  
80 destruction of our beautiful State — a la feces covered streets in San  
81 Fran and LA — to round out the metaphor — Democrats are  
82 destroying our State, America. And their policies and behaviors are  
83 a wildfire raging across America —

84 Let's make it simple. Democrats resisted the idea of acknowledging  
85 God in their 2012 convention, and decided to go with the antichrist  
86 spirit and recently passed a resolution welcoming atheism and

87 chastising Christianity, they have pursued one policy after another  
88 that specifically targets Christians, you heard Beto say he will move  
89 to remove tax exempt status from churches that refuse to bow to  
90 the LGBTQ movement, they are openly saying Christians are going  
91 to have to change their views on homosexuality, and gender, and  
92 they are not content with our tolerance of those bizarre life-style  
93 choices, but they want to force us to affirm them — they are  
94 refusing to allow Christian parents to pull their children from  
95 classes taught in public schools promoting the LGBTQ agenda —  
96 this is the fruit of a tree that got planted in our society some  
97 decades ago — the roots of this perversion run very deep into our  
98 culture now, this weed will not yield easily — we have got some  
99 serious soil work to do (Jesus used the soil as a metaphor for the  
100 hearts of men) — now the Democrats are calling for socialism  
101 openly, Bernie is an avowed Communist, the effort to impeach  
102 Trump is farcical — and every single thing they are attempting to  
103 pin on Trump Biden and Obama have already actually done —

104 David Limbaugh wrote a great book a while back documenting the  
105 rise of persecution against Christians in America, his latest book is  
106 a must read: Guilty By Reason Of Insanity: Why The Democrats  
107 Must Not Win.

108 What is this FIRE that is raging across America? — it's simple,  
109 really. God warned us that the nation that forgets God will be  
110 turned into Hell. The Inferno —

111 Can we be delivered from this? Hold on through the break. You  
112 know what, I can see that the material I want to cover in the second  
113 segment is going to take about two minutes longer than I have so  
114 I'm going to skip the break and roll on into the second segment.

115 Segment.02 I'm Dr. Jerry Scheidbach, pastor at the Lighthouse,  
116 your brain masseur, and Paul Revere's lantern lighter, lighting the  
117 lamps in the church belfry arch, signaling the enemy is on the  
118 march, an enemy that would steal from us our liberty.

119 The Battle For America is ON! The Day of Decision is coming.  
120 What do I mean?  
121 As you probably know, America was founded upon the Bible by  
122 Christians whose primary concern was religious liberty —  
123 specifically, the freedom of conscience, and soul liberty.  
124 If you would like to see hard documentation supporting that  
125 statement, see *The Christian Life and Character of the Civil*  
126 *Institutions of the United States*, by Benjamin F. Morris—more  
127 than a thousand pages of proof.  
128 The core biblical principle that serves as the foundation of our  
129 Republic is elegantly phrased in our Declaration of Independence:  
130 All men are created equal, and endowed by their creator with  
131 certain unalienable rights.  
132 Our Founders were Christian in their character, sentiments and  
133 expressions. George Washington said, “The blessing and  
134 protection of Heaven are at all times necessary but especially so in  
135 times of public distress and danger. The General hopes and trusts  
136 that every officer and man will endeavor to live and act as becomes  
137 a Christian soldier, defending the dearest rights and liberties of his  
138 country.”  
139 Samuel Adams said, “I conceive we cannot better express ourselves  
140 than by humbly supplicating the Supreme Ruler of the world ...  
141 that ... the kingdoms of our Lord and Saviour Jesus Christ may be  
142 everywhere established, and the people willingly bow to the scepter  
143 of Him who is the Prince of Peace.”  
144 It was recognized by virtually everyone that America was One  
145 Nation, Under God— and that Jesus was her ONLY RIGHTFUL  
146 KING. We enjoyed Heaven's favored nation status.  
147 We have not always lived up to the honor of that status — but to  
148 what measure we have, God honored the U.S. And this nation

149 under God has prospered like no other nation the world has ever  
150 known, and it has been a beacon of liberty for the oppressed  
151 peoples of the earth.

152 It's not an accident that during the term of a President who affirms  
153 God, and conducts his Administration guided by biblical  
154 principles, that we are prospering again with unemployment  
155 almost gone, and our defenses have never been stronger. But the  
156 Democrats want to end all of that.

157 How has so much evil gained so much strength in our country?

158 Things began to change when Americans began to buy in to lies  
159 about our Founders and our Founding. Lies that attempted to  
160 separate our country from it's moorings, lies that undermined the  
161 foundation upon which our liberties were set in our founding  
162 fathers.

163 Certain deceivers came along who said our Founders were not  
164 truly Christian in their beliefs. They only expressed themselves in  
165 that way because that was the prevailing paradigm of their time.

166 Indeed, 98% of the American population identified as Christian  
167 and attended a Christian church regularly.

168 Ironically, the lie that our founders expressed themselves as  
169 Christians only because everyone around them were actually  
170 admits the more fundamental truth about America's founding —  
171 that it was founded upon Christian principles and beliefs — for it  
172 admits that the prevailing sentiment of the day was Christian.

173 Nevertheless, the lie took hold in some circles. But those circles  
174 were virtually all antichrist to begin with. Most American ignored  
175 them. Until today, we can't ignore them anymore.

176 You see, there was another lie, and it served more than any other to  
177 bring America to the brink of breaking fully away from God. What  
178 lie was this?

179 That Satan owns the world, and Christians have no business  
180 participating, or, as "they" say, meddling, in the affairs of State.

181 It began, it seemed, harmlessly — you can't legislate morality.  
182 Really? I have been trying to tell my fellow Christians that all laws  
183 arise from the context of someone's morality. Laws literally define  
184 morality. You can't separate — but, I've been crying in the  
185 wilderness on that one and almost no one listened.

186 Then it was, you can't push your morality on everyone else, you  
187 have no right to “force your religion on to others,” and so forth.

188 Now, it is precisely because we would agree with those sentiments  
189 that the lie hidden in this statement caused Christians to feel they  
190 had no right to expect the laws of their homeland would reflect  
191 their morality.

192 After all, the whole point of our founding was to afford the  
193 freedom of conscience to all mankind — LIBERTY and JUSTICE  
194 for ALL no matter what was their chosen beliefs or religious  
195 persuasion. The debacle of a recent Trump court pick being  
196 harassed about whether he would treat all people fairly and justly  
197 before his court is an example of what has happened. If you are a  
198 Christian, it is assumed you are a bigot, and that you won't treat  
199 people fairly or honestly when the exact opposite is true. Because  
200 we are Christian, we are compelled to acknowledge the dignity and  
201 honor of all mankind made in the image of God. It is Christians  
202 who formed a government on that principle.

203 This love of freedom of the conscience, the belief that every man  
204 has the right to believe according to the dictates of his own  
205 conscience, coupled with the LIE that the world belonged to Satan  
206 and that Christians had no business “imposing their beliefs” in the  
207 public square led to disastrous results.

208 For many years Satan has had Christians hoodwinked into  
209 believing they were not supposed to speak up on social or political

210 issues. We bought the lie that we had no say, that the world  
211 belonged to Satan, and that we had no right to “impose” our  
212 morality onto others.

213 I'm here to tell you that the greatest opposition I have received to  
214 my radio/podcast has been from Christians who are deluded by  
215 these false ideas. Pastors are not supposed to speak to political  
216 issues? Are you kidding me? Have you never read the BIBLE. Jesus  
217 spoke to the issue of paying taxes, and called a political ruler a  
218 FOX, and flabbergasting Pilate when He refused to answer the  
219 charges laid against Him—saying, in effect, You have no power  
220 over Me but what my Father has allowed. I've dealt with this  
221 thoroughly in many things I've written, sermons I've preached, and  
222 for years I've battled this heretical spirit that attempts to close the  
223 mouths of Preachers of God's truth from speaking HIS TRUTH to  
224 Satan's lies in this world by segregating Christians from politics.

225 Well, the ruse worked so well that today, guess what — now the  
226 anti-religious, or, I should say, anti-Christian LEFT impose their  
227 immorality on all of us.

228 That's right! They are not content with us simply giving in to their  
229 demands that we shut up — now they are turning on us and  
230 imposing their immorality on us. It's exactly what I've been saying  
231 for almost five decades — all legislation is premised upon  
232 someone's idea of morality. They believe it's immoral to express an  
233 opinion contrary to what is politically correct — so they want to  
234 pass laws against it — criminalizing our beliefs.

235 Christians are being systematically pushed to the sidelines of public  
236 life, to the point that now, our inalienable rights are being denied  
237 to us.

238 Hopefully, not too late, Christians are waking up to the realization  
239 that America, of all places, is becoming a hostile place for them,  
240 hostile against their beliefs. They are being called bigots, racists,

241 and scorned as deplorable by the LEFT simply because we disagree  
242 with their ungodly perverse lifestyle choices and disagree with their  
243 policies.

244 We, that is Christians, are being told we cannot serve in public  
245 office because our allegiance is not to the STATE but to CHRIST.

246 It's ironic that the people who came here for religious liberty, and  
247 founded a nation upon the biblical principles of liberty and justice  
248 for all, are now being told their beliefs are unwelcome, they will  
249 have to give up their Christian beliefs. That liberty and justice is  
250 not for them.

251 How did this happen? And, what can be done about it?

252 I identified the root lie: Satan has deceived Christians into thinking  
253 the world belongs to him, that we have no place in this world, that  
254 while we cannot “impose” our morality on them, they are free to  
255 impose their immorality on us!

256 And, surprise, surprise — it turns out they are completely wrong.

257 The world does not belong to Satan; the dominion—the right to  
258 rule the earth—belongs to Christ. Jesus is the ordaining authority  
259 over all earthly power. He said so Himself.

260 He said, “All power is given unto me in Heaven and in Earth.”  
261 Matthew 28:18. The word translated *power* is *exousia* which means  
262 authority, or right to rule. It's the same word used in Romans 13:1  
263 — it refers to government power in the earth today.

264 The truth is — His disciples, Christians, not only have as much  
265 right as anyone else to hold power in the earth, but, in fact,  
266 Christians should rule the world.

267 Shocking, huh? The exact opposite to what almost everyone else is  
268 saying today, including Christians.

269 But it has not always been that way.

270 George Washington, John Adams, Samuel Adams, Alexander  
271 Hamilton, John Jay — virtually all our founders affirmed this truth.

272 In fact, John Jay, founding father and first chief justice of the  
273 Supreme Court of the United said, “Whether our religion permits  
274 Christians to vote for infidel rulers is a question which merits more  
275 consideration than it seems yet to have generally received.”

276 As to his own opinion on the matter, he said, “Providence has  
277 given to our people the choice of their rulers. And it is the duty as  
278 well as the privilege and interest, of a Christian nation to select and  
279 prefer Christians for their rulers.”

280 John Jay is right. Another nation under God who was given the  
281 freedom to choose their leaders was Israel. In the days leading to  
282 Israel’s fall — God said through the prophet Hosea: “They have set  
283 up kings, but not by me.” Hosea 8:4. Israel lost her liberty and  
284 came under the oppression of tyranny.

285 From liberty to tyranny — that’s always the progression a nation  
286 takes that forgets God.

287 Embracing God as the God of the land — the nation is blessed and  
288 enjoys Liberty and with it great prosperity.

289 Forgetting God and turning their backs on Him — the nation  
290 degenerates into tyranny and oppression and from that  
291 impoverishment for the people while the tyrannical rulers live,  
292 well, like kings.

293 The Bible says, the nation whose God is the LORD will be blessed.

294 But every nation that forgets God will be turned to HELL —

295 That means turned over to the power of HELL — to the power of  
296 the tyrant of the universe — Satan. The INFERNO!

297 Never has the choice set before America been so stark, so  
298 dramatically clear.

299 One side wants to pull America fully out from under God and  
300 deliver this nation into the hands of Alinsky's hero, Lucifer.

301 The other side is pulling back against them, and trying to pull this  
302 nation back UNDER the PROTECTION of DIVINE  
303 PROVIDENCE — to restore this nation as ONE NATION  
304 UNDER GOD.

305 The side that wants to pull America out from under God is called  
306 the Democratic Party. And those who are resisting this are in the  
307 Republican Party.

308 That's simply the way it has played out.

309 The Republicans have consistently been the party of the  
310 Constitution, the home of patriotic conservatives, who want to  
311 conserve our heritage, the party that stood AGAINST SLAVERY  
312 when the Democrats supported and endorsed it — the PARTY  
313 AGAINST BIG GOVERNMENT AND TAX AND SPEND policies  
314 while the DEMOCRATS are about CONSOLIDATION OF  
315 POWER INTO THEIR HANDS and, as Reagan once quipped, he  
316 would accuse the Democrats of spending like drunken sailors  
317 except that would insult the sailors since the sailors at least are  
318 spending their own money — Anyway, it was natural that the  
319 Republican Party, the Party of Reagan, would end up being a  
320 refuge for those against tyrannical government.

321 The Democrats came under the power of the communists  
322 pretending to be socialists long ago and that cancer has corrupted  
323 its soul.

324 The Democratic Party today stands for every anti-Christian  
325 position being advanced by Satan in our culture today: murder the  
326 babies right up to full term, promote the life destroying practice of  
327 sodomy and allow sodomites to recruit our children into their  
328 unhealthy, and unnatural behavior. I mean, nature itself abhors the  
329 practice with AIDS and a great many other fatal diseases.

330 So, in 2020, America will decide between moving America back  
331 toward GOD and our founding principles, or finally and fully  
332 separating our nation from its founding and so be let go into the  
333 hands of Satan.

334 What is the Lighthouse doing about it? Many things have been  
335 done and are being done—This show, for one. But we are  
336 launching an assault on the gates of hell at Lighthouse. One of the  
337 ways you can participate is join us on Wednesday nights from 7-  
338 7:45 for a series on Spiritual Warfare — it will begin with Thirty  
339 Days of Praise throughout November, and then a series of dynamic  
340 messages on prayer and fasting using my book, Kingdom Power By  
341 Prayer and Fasting. For those who enroll you can get the coupon  
342 code that allows you to purchase that book for only \$2.75. If you  
343 live locally (within 20 mile radius of the Church), choose local pick  
344 up for your shipping option to avoid shipping costs, and we'll  
345 actually bring the book to you. Or you can stop by the church  
346 bookstore to pick it up. It sells for up to \$13.00 on Amazon.

347 I call this a dynamic series — that means it's more than just  
348 teaching on the subject. We will be putting it into practice in the  
349 meetings, and together throughout the series. We will target  
350 specific strongholds and together, assault them with the weapons  
351 of our warfare — you'll understand all of this if you join our effort.

352 After we finish Prayer and Fasting, we will be ready to fully engage  
353 in God's WAR! We will learn how to use our weapons to secure  
354 victories in the spiritual realm that will manifest as victories in the  
355 physical realm. We cannot win the BATTLE FOR AMERICA on  
356 the DAY OF DECISION unless we understand how to do spiritual  
357 warfare.

358 My thesis is simple.

359 Jesus Christ is the KING of the earth, and all mankind are His  
360 subjects.

361 Jesus is the ordaining power over every governing body in the  
362 earth.

363 This means every power on earth — let's be more plain, every  
364 government operating in the earth, every ruler, every police officer,  
365 in fact, every government official, and as well, every person living  
366 anywhere on this planet is SUBJECT TO CHRIST JESUS THE  
367 LORD. Books are being kept and every evil deed these men and  
368 women do is being recorded — GOD WILL RENDER JUSTICE  
369 UPON ALL OF THEM.

370 Have ye not read that Jesus spoiled all principality and power — all  
371 of it?

372 Have ye not read that He PURCHASED the entire WORLD — so  
373 that the Earth is HIS by right of original creation (that is the planet  
374 on which the world operates) and the WORLD itself is HIS by  
375 RIGHT OF PURCHASE? He BOUGHT the FIELD — by His death  
376 on the cross. He said the *field* was the *world*.

377 He AROSE from the GRAVE — declaring Himself to be the SON  
378 of GOD with POWER —

379 Have ye not read that Jesus cast Satan out of the world — he was  
380 “prince of this world” but Jesus cast him out and now he is the  
381 “prince and the power of the air, the spirit that now works in the  
382 children of disobedience” Eph. 2:2.

383 Jesus is the ONLY RIGHTFUL RULER of the EARTH.

384 He gave the “keys of the kingdom” to the Church — and sent His  
385 disciples into the world to declare His TERMS of SURRENDER —  
386 (declare them).

387 And He promised that whatever nation brings forth the fruit of the  
388 kingdom will receive it — they will be given the “dominion” — the  
389 right and power to rule the world under HIM. Matthew 21:43.

390 That's how America became ONE NATION UNDER GOD.  
391 However, as Jesus taught us, Satan has not yielded — he was  
392 commanded to get behind Christ and he refused.

393 He refuses to yield the kingdoms to Christ — he refuses to bow the  
394 knee.

395 And, as Christ predicted, when He went to heaven, His “citizens”  
396 (the people of the world He conquered) would join Satan and turn  
397 on Him and cry out “we will not have this man to reign over us.”  
398 Luke 21:12-27

399 So, the Spirit of Jesus Christ operates in and through His disciples,  
400 and the spirit of antichrist (against Christ) operates in and through  
401 Satan's disciples.

402 The Spirit of Jesus Christ is the SPIRIT of LIBERTY.

403 The spirit of antichrist is the spirit of tyranny.

404 Where the Spirit of the LORD is there is liberty (Quote VERSE)

405 Where the spirit of antichrist prevails there is tyranny.

406 The spirit of antichrist is prevailing in America and has gained  
407 significant territory and holds many strongholds in our Country.

408 But the Spirit of Jesus Christ is greater than the spirit of antichrist.

409 Christians CAN overcome, Christians CAN prevail. And this is  
410 something Satan does not want you to know!

411 But we need to learn how to fight our battle. Because the weapons  
412 of our warfare are not carnal — they are spiritual, and most  
413 Christians do not know how to use their weapons.

414 So, that's what this series is all about.

415 I'll answer some objections that come up against my thesis.

416 For example, why did Jesus say to Pilate, “My kingdom is not of  
417 this world. If my kingdom were of this world, then would my  
418 servants fight”? John 18:36.

419 Aren't you saying Jesus is king of the earth and this world and  
420 doesn't that contradict what Jesus said?

421 NO! It does not! I'll explain this in my introductory message  
422 December 4, 2019.

423 START HERE —

424 You know, I've got about a minute. Let me use it to encourage you  
425 to get my newest book: God's War: Why Christians Should Rule  
426 the World.

427 Here is what other Christian leaders are saying about God's War:

428 Dr. Benny Beckum

429 Founder/President, The Intercessor Ministries, Inc. In this, his  
430 latest book, God's War, Dr. Jerry Scheidbach expounds on a  
431 complex subject with remarkable clarity. It is an encyclopedia of  
432 information on the Sovereignty of God, the Priesthood of the  
433 believer, and the spiritual war we are engaged in each day.

434 A war is raging! God's War teaches us how to win, and bring  
435 America back to God.

436 Dr. Paul Chappell — Pastor of Lancaster Baptist Church in  
437 Lancaster, CA, of about 6000 or more in attendance; with a Bible  
438 college of upwards of a thousand students, West Coast Baptist  
439 College.

440 "Dr. Jerry Scheidbach has provided a tremendous resource for  
441 Christians interested in 21st century revival. Pastor Scheidbach lays  
442 out a biblical strategy for God's people to reclaim this land. This is  
443 a call to arms in warfare with the "gates of hell."

444 Dr. John Wilkerson, pastor of First Baptist Church in Hammond,  
445 IN, and president of Hyles Anderson College — a church of  
446 somewhere in the neighborhood of 10 thousand.

447 "Our friend and the gifted Dr. Scheidbach shares an intriguing,

448 scholarly and clear call to God’s people in these perilous days.  
449 “God’s War” is a pure and Biblical perspective of God’s great  
450 power and love, Satan’s tyrannical scheme, and the Christian’s  
451 responsibility and liberty to influence our world for the Lord Jesus  
452 Christ.” —

453 Pastor Marshal Stevens pastors one of the greatest churches in  
454 California, the Calvary Baptist Church in American Canyon, CA  
455 — Pastor Stevens and Calvary have probably done more for home  
456 missions than any church in this state — after he read God's War  
457 he had this to say

458 “God has certainly gifted Dr. Scheidbach with the ability to see a  
459 much larger picture painted by the whole of Scripture than most of  
460 us see. Reading this book was an amazing journey. I was left in awe  
461 of our great God, and left with a renewed sense of duty, purpose  
462 and hope in the battle for the kingdom. I heartily recommend this  
463 book to any serious student of God’s Word.” —

464 We are taking preorder right now — the book will ship in mid  
465 November, but if you make your purchase now, you get a 25%  
466 discount from the sale price. This is a first class publication — you  
467 will be proud to present this as a gift to any God fearing patriot on  
468 your Christmas list.

469 It's hardback, it includes thirty or more full color illustrations, it  
470 provides a very thorough index — one for Scriptures and another  
471 for topics. The binding is high end also — it's printed by Color  
472 House Graphics in Grand Rapids, MI, and if you are acquainted  
473 with that printer you know we are talking about a topnotch book.

474 The cover is beautiful and dramatic — but, of course, it's the  
475 content that counts — and this book has CONTENT.

476 I launched the distribution of the book in S. Carolina at an  
477 Intercessor Conference. The hardback was not ready, so we had  
478 two hundred paper back versions printed for the meeting. After I

479 preached a message offering an overview of the content of the  
480 book, we nearly sold out the 200 copies in about 1 hour.

481 Several made comments that the message had a profound impact  
482 on their understanding of our role in kingdom warfare; one said it  
483 was a paradigm shift moment for them —

484 Truly, if you want a biblical perspective on what's going on in  
485 America right now, and insight into what you can do to make a  
486 real difference on Decision Day — 2020 in our Battle for America,  
487 please get this book, read it prayerfully, and get in the FIGHT.

488 It's God's War, and we are embroiled in that war today in a very  
489 important battle — it's the BATTLE FOR AMERICA-2020-!

491 I have lit the lamps in the Church belfry arch and now you let me  
492 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
493 ON and you will ride like Revere and spread the warning,  
494 (essentially, it means you agree with what I'm saying) or you say  
495 LIGHTS OFF -- which means you reject what I'm saying and  
496 disagree strongly with me. So, what will it be today, lights on, or  
497 lights off?
