1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Voter fraud nationwide and in California —
5 New California State has a Governor — that's right. Paul Preston
6 and friends, among whom I count myself, have secured the services
7 of a notable man of honor and national recognition to become the
8 first governor of New California.
9 And talking about CA, wait till you get a load of what the fruits and
10 nuts are up too in Sacramento these days—12 year olds can
11 demand a sex change operation, and Kindergartners will be taught
12 there are, what is it now, 51 genders — can anyone spell INSANE?
13 We need a NEW CALIFORNIA STATE — go to
14 Newcaliforniastate.com contact Paul Preston, learn about this
15 movement and get involved. To get an overview of what this is
16 about, check out Paul Preston on YouTube.
17 I've been looking into this for a while now; I'm comfortable
18 endorsing this movement — and encourage you to look into it.
19 Oh, looky here — you've gotta love Trump — Sekulow is his
20 attorney, and they are filing a huge law suit against the deep state
21 for Presidential Harassment — now, before you laugh this off —
22 well, we will get into this ...
23 What happened, Kentucky? What turned your red eyes blue? Well,
24 it aint' over till it's over — but the Republican incumbent, Bevin,
25 says it looks like voter fraud and many are taking a closer look —
26 and so will we!

27 The COUP attempt continues — a quick update on recent
28 developments and then, of course, what it all means?

29 It's time for your Brain Massage.

57 Alright! Let's get started.

58 [INSERT An INTRO — the DEVIL BEWARE or one of the others]
59 Voter fraud nationwide and in California — You might remember
60 about five or more years ago I began sounding my alarm about the
61 voter fraud issue. Voter fraud has always been around—there are
62 always cheaters.

63 But the fraud was virtually swallowed up by legitimate voters and
64 their impact diluted so that no reasonable person would think a
65 national election, or even state-wide election could be swayed by it.

66 Local election, well, that's different — Chicago, yeah, well, that's a
67 whole different world. But now —

68 I have been concerned that the polarization of America has
69 reached nearly a 50/50 split between conservatives and
70 progressives, and add to that, the two sides are increasingly
71 polarized so that there is almost no middle ground anymore. The
72 left will hammer anyone that even blinks toward the right — and
73 the RIGHT can't find a middle ground with the LEFT today
74 because any step in that direction requires capitulation — in other
75 words, the issues have us so totally divided there is no more room
76 for compromise without capitulation of core American values.

77 For the RIGHT to compromise with the LEFT today requires the
78 RIGHT to turn their backs on America as FOUNDED.

79 Do you see what has happened? The LEFT today are
80 Marxist/Socialist/Communists — PERIOD! They are NO
81 LONGER AMERICAN in their ideals.

82 Furthermore, the LEFT and RIGHT are divided on religious
83 grounds as well.

84 The LEFT provides no place for Bible Believing Christians today.
85 The only "Christians" welcome on the LEFT are folks like this
86 Lesbian Episcopal priest who has said abortionists are her heroes
87 and considers them the closest thing to a "saint" living today.

88 Any "Christian" that believes what the Bible says about marriage,
89 gender, sex, or even those who take a biblical perspective on things
90 like TRUTH, JUSTICE, JUDGMENT and EQUITY — are literally
91 hated and despised by the LEFT. Not tolerated at all. They are
92 openly told that they are persona-non-grata — NO
93 EVANGELICAL CHRISTIAN HAS ANY PLACE IN THE
94 DEMOCRATIC PARTY TODAY.

95 The Democrats, by the way, are doubling down on this. They have
96 given up trying to reach out to the Christian community — they
97 have abandoned all pretense in the matter. Bill Clinton would grab
98 the family Bible off the coffee table and trot out into public with it
99 under his arm when in trouble — but not today. Today, the
100 Democratic Party is openly ANTICHRIST — that is, openly
101 against the idea that CHRIST is KING and they advocate openly
102 for SECULAR GOVERNMENT that is aggressively militant
103 against any Christian influence shaping public policy.

104 Buttigeig recently declared that if America elects him to be
105 President, they won't have to be concerned about Christianity
106 influencing public policy.

107 The Democrat Party officially declared themselves on the side of
108 Atheists against Christians in a formal declaration — I'm telling
109 you folks, they have totally taken sides with Lucifer against
110 CHRIST — that sounds odd to the ears of some — but, think about
111 this. How many of you are aware that Obama and Hillary were
112 students of Saul Alinsky? I see a few hundred hands, but, wait, that
113 surprises me because we have at least 15k people listening every 15
114 minutes on show, and over half a million have at one time or
115 another checked into the show either as subscribers or downloaded
116 the show from a feed so, yeah, a few hundred is okay but I'm
117 concerned.

118 Hey, the rest of you, listen up. Saul Alinsky wrote a book called
119 Rules For Radicals— he literally dedicated the book to Lucifer.

120 Now, I don't know if the guy gathered with others under hoodies
121 around a Pentagram chanting prayers to the Devil — it would not
122 surprise me at all to learn he was initiated into worship of the
123 GOAT — but this is certain — he understood what he was saying
124 when he declared his book was dedicated to Lucifer who rebelled
125 against God and for his rebellion gained for himself a kingdom.
126 And Obama and Hillary were his disciples.

127 Interestingly, each has made open statements of disdain for
128 Christianity — Obama declaring "America is no longer a Christian
129 nation ..."¹ (Long pause, then, "at least not just..." and so forth. Oh,
130 so, it used to be, but when Obama came along campaigning under
131 the logo of Mt. Olympus (later changed, due to controversy, so the
132 representation of mountains were removed) — and his acceptance
133 speech in Denver on a stage that was obviously a replica of the
134 Pergamum Alter — all a hail to Zeus — the same god Alexander
135 worshipped, Alexander the Great, represented in Daniel's prophecy
136 by a GOAT — who called himself the son of Zeus) — and Hillary
137 chastised Christians saying they were simply going to have to give
138 up on their Christian beliefs.² It's just a lot of weird stuff, you
139 know, these disciples of a man who dedicated his book to Lucifer.

140 You know that Todd Starnes got fired from Fox News a while back
141 because he said American Democrats worship the pagan god
142 Moloch — in their obsession for murdering babies in the wombs of
143 their mothers — but look at these people. They gleefully boast
144 about murdering their own babies in their wombs — if you can't
145 see, or hear, the fulfillment of Psalm 2 in this you are spiritually
146 deaf as a post: "Let us break their bands assunder and cast away
147 their cords from us."

¹ **Obama, June 28, 2006 (prepared remarks):** Given the increasing diversity of America's population, the dangers of sectarianism have never been greater. Whatever we once were, we are no longer just a Christian nation; we are also a Jewish nation, a Muslim nation, a Buddhist nation, a Hindu nation, and a nation of nonbelievers.

² Speaking to the 2015 Women in the World Summit, Clinton declared that "deep-seated cultural codes, religious beliefs and structural biases have to be changed."

148 They are literally rejoicing about passing laws that allow doctors to
149 murder babies up to term — 9 month old babies, fully formed,
150 about to breach the womb — they want the "FREEDOM" to
151 murder these babies — and even more repulsive they rejoice in
152 this, like it's FREEDOM — like it's LIBERTY — they throw parties
153 to celebrate BREAKING THESE CHRISTIAN BANDS
154 ASSUNDER AND CASTING AWAY THESE CHRISTIAN
155 CORDS that tethered society to some sanity, some decency, some
156 restraint against the impulse of anarchy and destruction of society.

157 But now, the only place Christians can hope to exert any influence
158 on the laws that are made that affect them, or that reflect their
159 values and beliefs is in the REPUBLICAN party. The Republican
160 Party is the place where America as FOUNDED proponents are
161 welcome, where Constitutionals are welcome, and have some
162 voice — it's the only place a CHRISTIAN can go today to hopefully
163 apply some salt and shine some light into the darkness that prevails
164 and that has overtaken the Democratic Party.

165 So, my point is the nation is so evenly divided right now and voters
166 are so ideologically charged and there is no place for compromise
167 and each side in this divide is almost certainly going to vote their
168 Party — that today voter fraud can tip a national and a state-wide
169 election.

170 Now, get a load of this — "A California DMV is being audited in
171 Fresno right now for mishandling voter registration information
172 for 23,000 drivers." What sort of "mishandling" are we talking
173 about? Well, how about this: issuing voter registration to 16 year
174 olds, and changing party registration without voter approval. I
175 understand that 77,000 drivers were "Double registered."³ Double
176 registration provides for fraud because it allows those voters to
177 receive two ballots. Remember, ballots are not connected to the
178 voter in any direct way.

³ <https://abc30.com/society/california-dmv-audited-after-lawmakers-become-suspicious-of-voter-fraud/5160294/>

179 So, I need to conclude our fist segment. Thinking about voter
180 fraud: What happened, Kentucky? What turned your red eyes
181 blue? Well, it aint' over till it's over — but the Republican
182 incumbent, Bevin, at last count, was about 5,100 votes behind
183 Democrat challenger Beshear. Bevin thinks voter fraud is at play in
184 the Kentucky election.

185 Of course, the charge seems credible or incredible depending on to
186 whom you are listening. The dems assemble all the evidence that
187 makes it look like Bevin is blowing smoke — and the Bevin side
188 presents all the evidence that makes it look like foul play is afoot.

189 We'll have to wait till it all shakes out — but, a simple analysis of
190 the election results certainly raises questions. So, follow along class
191 —

192 First, Trump campaigned heavily for Bevin, the incumbent
193 Republican governor and for Republican Cameron for Attorney
194 General for the State of Kentucky. Also, remember that Trump
195 took Kentucky by something like 30 points. And, remember,
196 Kentucky has been a RED state for sixteen years. With all that in
197 mind.

198 Beshear, Democrat challenger, got 709,846 votes to Bevin's
199 704,760. Hicks, a Libertarian, got 28,442. Everyone believes the
200 lion's share of the libertarian vote would have gone to Bevin. So,
201 that's enough to make the difference right there — but that is not
202 the suspicious part of this.

203 Republican candidate for Atty General, Cameron, got 823,343
204 votes and his opponent, Stumbo's got 602,218.

205 What does this mean? Well, if the election meant support for
206 Trump is waning, one wonders how Cameron, who got huge
207 endorsements from Trump, would have won so handily against his
208 democratic opponent.

209 Second, since Trump campaigned so heavily for Cameron, given
210 the current political climate, it seems very unlikely very many, if
211 any, Democrats voted for Cameron. Just to spite Trump, they
212 would be motivated to vote for the Democrat.

213 That means, we can be fairly sure that the 823,343 votes received by
214 Cameron were Republican votes — and coming from a Red State
215 that voted overwhelmingly for Trump in 2016 — makes this a
216 virtual a certainty.

217 So, if there were 823,343 Republicans voting in this election,
218 responding to Trump's endorsement, and following the 16 year
219 pattern of voting Republican — what happened with the Governor
220 race?

221 The difference between Cameron's vote total and Bevin's is over
222 120,000 votes. If we take the unlikely case that only half of these are
223 Republican votes — we wonder how 60,000 voters selected Trump
224 endorsed Cameron, and failed to vote for Trump endorsed Bevin.

225 We know what the stakes are in these elections — it's ALL ABOUT
226 TRUMP! Like it or not! That's simply the playing field right now —
227 and my gut tells me something stinks in Kentucky. You had better
228 check those machines. If you get an election to within the margin
229 of error in the polls — manipulated by the LEFT — it only takes a
230 little bit of almost imperceptible manipulation of a small
231 percentage of votes to swing an election. Hmmm!

232 Folks, I'm telling you — you need to fast and pray that election
233 fraud will be exposed all over the nation, and quickly. Okay, hold
234 on through the break. I'll be right back.

235 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
236 at the Lighthouse, your brain masseur, and Paul Revere's lantern
237 lighter, lighting the lamps in the church belfry arch, signaling the
238 enemy is on the march, an enemy that would steal from us our
239 liberty.

240 Oh, looky here — you've gotta love Trump — Sekulow is his
241 attorney, and they are filing a huge law suit against the deep state
242 for Presidential Harassment. I know, that probably sounds a bit
243 funny — but in fact, this is a very serious lawsuit and it's very likely
244 going to be taken up by the Supreme Court.

245 Is this a peevish reaction by Trump against his detractors? No! The
246 fact is, the deep state has multiple thousands of operatives out there
247 that are launching one frivolous investigation after another and the
248 fact is, our Founders foresaw this chicanery and provided Article II
249 in the Constitution to protect the Executive from frivolous
250 harassment by his political opponents.

251 Once again, however, the DEEP STATE is Marxist, socialist,
252 communists — THAT'S WHAT THEY ARE! They have NO
253 REGARD for the CONSTITUTION — they manipulate it where
254 they can to advance their agenda, and where it interferes, they
255 circumvent it. WAKE UP!

256 So, Trump is doing the right thing to insist that the
257 CONSTITUTION be upheld and followed — and, by the way, this
258 is a consistent thing with this President.

259 Nevertheless, or I should say, and that is the REASON that the
260 COUP attempt continues — and make no mistake about this
261 either. The LEFT know that is what they are doing — this is what
262 they agreed to do almost from day one of Trump's administration.

263 This Whistle blower nonsense is blowing the whistle all right — on
264 the Left's attempt to pull off a coup in America.

265 First, as I brought out in an earlier show, the Whistle Blower is
266 actually a leaker, and here is the thing — WE READ THE
267 TRANSCRIPT — there is nothing actionable in what Trump said
268 to the Ukraine President. If anything, it shows President Trump,
269 once again, trying to get JUSTICE, and JUDGMENT, and EQUITY
270 — he was falsely accused and he wants to get to the bottom of it. A.

271 And then B. he is the Commander In Chief who has intelligence
272 about an American politician who did exactly what he is trying to
273 convict Trump of — and Trump wants that run to ground.

274 Trump wants what every honest America loving patriot wants —
275 JUSTICE. Biden unduly pressured the Ukrainian government to
276 take measures that have all the appearance of protecting Biden's
277 interests — and Trump wants that looked into. SO DO I!

278 And, why are the Democrats resisting investigation of Biden when
279 Biden OPENLY bragged about pressuring Ukraine — and what
280 about the recently discovered fact that the DEMS were pressuring
281 Ukraine to investigate TRUMP — I'm tired of these people getting
282 away with doing the things they falsely accuse others of doing.

283 IT's a coup! Trump is right, again!

284 Guess what? The lawyer for the so-called Whistle Blower is Zaid —
285 Zaid is a Hillary devotee — on day ten of Trump's entering the
286 White House, Zaid tweeted: "#coup has started. First of many steps.
287 #rebellion." The coup has started — ten days after Trump took
288 office, Hillary-Obama-Deep-state operatives were talking about
289 coup.

290 Did you hear about Clapper throwing Obama under the bus???

291 James Robert Clapper was Director of National Intelligence under
292 Obama. He, among others, is in the crosshairs of the Barr/Durham
293 investigation into the origins of the Russia collusion scam that was
294 run against the American people as part of the coup attempt — he
295 was given an interview with Sciutto⁴ and an opportunity to get
296 ahead of what's coming down from the Barr/Durham investigation
297 — CNN's Sciutto asked Clapper to respond to revelations that he,
298 that is Clapper, is a subject in these investigations. Here is what
299 Clapper said. I'm going to read his statement in full — that's so
300 your friends can't say it was taken "out of context."

⁴ <https://www.cnn.com/videos/politics/2019/10/07/james-clapper-intelligence-community-russia-nr-vpx.cnn>

301 So, who expects Clapper to smilingly admit to anything? No one!
302 Good. So that's not what we find in this statement. But what we do
303 find ... well, here, let me read it. You you'll see it for yourself.

304 Keep in mind, Clapper is responding to the fact that he has been
305 named a person of interest in the investigation of whether or not
306 Obama's administration was involved in the Russian-Trump
307 collusion scam in an effort to help Hillary win in 2016, and then
308 turned that scam into an effort to undermine Trump, to provide
309 basis for impeaching him, after he won. Clapper says,

310 “Well, I don’t know, I don’t think there was any wrong doing. I
311 think at the time we were trying to navigate a very, very difficult
312 politically fraught, highly charged situation. I know for my part,
313 my main concern was, were the Russians, and the threat posed by
314 the Russians to our very political fabric. And the message I’m
315 getting from all this is apparently what we were supposed to have
316 done is to ignore the Russian interference, ignore the Russian
317 meddling, and the threat that it poses to us, and Oh, by the way,
318 blowing off what the then Commander-in-Chief, President
319 Obama, told us to do, which was to assemble all the reporting we
320 could, that we had available to us and put it in one report that the
321 President could pass on to the Congress and the next
322 administration. And, while we’re at it, to declassify as much as we
323 possibly could to make it available to the public. And that’s what
324 we did. It’s kind of disconcerting now to be investigated for, you
325 know, having done our duty and done what we were told to do by
326 the President.”

327 Did you catch that? First, the context is very specifically the whole
328 Russia-Trump collusion thingy — that's clear. Then, right at the
329 end of his statement, Clapper throws in something, actually, he
330 sort of pushes it into his statement at the very end — "It's kind of
331 disconcerting now to be investigated for, you know, having done
332 our duty and **DONE WHAT WE WERE TOLD TO DO BY THE**

333 PRESIDENT." Bam! Pow! Sock-it-to-Obama — 'Here comes da
334 judge, Here comes da judge — "I know to you, I may look old,
335 hope this statement ain't too bold, but Here comes da judge" — (we
336 can debate the philosophy of Sammy Davis Jr. and Laugh-In's
337 segment here comes the judge routine but we can probably agree
338 Laugh-in was buffoonery's finest hour — a mockery of justice in
339 America — and so the irony of hitting the Dem-Wits with Flip's
340 schtick is, I think, poetic!

341 Hey, Demmies — THE JUDGE IS COMING! Hillary, Obama, you
342 guys will be given up just as soon as it becomes clear you are no
343 longer an asset to the globalists cause — as soon as you are seen as
344 a liability — you'll be, to borrow another metaphor from another
345 famous fantasy — TERMINATED!

346 So, what's being done about all this? Well, on the physical side of
347 our wrestle against the powers of darkness — Paul Preston is
348 leading a charge to break Rural California away from the bane of
349 the URBANE — to split the erstwhile great state of California into
350 two — we will let them keep California, and we'll take NEW
351 CALIFORNIA — and New California has placed its first Governor,
352 and you'll never guess who has agreed to be the first governor of
353 NEW CALIFORNIA.

354 New California State Governor, Rick Perry — remember him?
355 Governor of Texas a while back — 2000-2015 — did good things
356 for Texas; he can do some good things for California too. Trump
357 appointed him to the Secretary of Energy post and he has been one
358 of the longest serving members of Trump's cabinet. He worked out
359 the deal to sell natural gas to Kiev (that's Ukraine) and the DEMS
360 have tried in vain to get him to cooperate in their scam
361 investigation.

362 He recently resigned from Trump's cabinet — all friendly there;
363 and declares his intention to become governor of the great new
364 state of New California —

365 Trump has agreed to lead and support recognition of New
366 California as the 51st state in this One Nation Under God — and
367 now releases Rick Perry to give attention to this — Listen, we've
368 been praying like crazy that God would deliver this state from the
369 hands of the wicked and unreasonable marxist-socialist-tyrant
370 holding us in their iron fist, squeezing the life out of us — and
371 things are developing my friends.

372 Anyone think we don't need a NEW CALIFORNIA? Wait till you
373 get a load of what the fruits and nuts are up too in Sacramento
374 these days—12 year olds can demand a sex change operation
375 independent of their adult guardians, and Kindergartners will be
376 taught there are, what is it now, 51 genders — can anyone spell
377 INSANE?

378 We need a NEW CALIFORNIA STATE — go to
379 Newcaliforniastate.com contact Paul Preston, learn about this
380 movement and get involved. To get an overview of what this is
381 about, check out Paul Preston on YouTube.

382 I've been looking into this for a while now; I'm comfortable
383 endorsing this movement — and encourage you to look into it.

384 I've talked to Mr. Preston. Unfortunately, I've not been able to get
385 to one of the meetings—but I will! I assure you, I'm on board with
386 this effort, but I have a heavy schedule and it's tricky getting freed
387 up — but I am in your corner for this. Fully committed!

388 Look — here is the deal. Please listen carefully — whether or not
389 you identify as Evangelical Christian — I know that most of my
390 audience do, but you know what, you would be surprised to
391 discover how many people love this show who do not identify as
392 Christian at all — but the truthfulness of the perspective given out
393 on this show resonates with their natural, intuitive reason and
394 common sense. So, that's why I add this — whether you identify as

395 an Evangelical conservative or just conservative — GET MY
396 BOOK. You will be amazed —

397 It must be clear to all of you by now that we are in a huge war of
