

Brain Massage®: Show No. 754 WHY DO THEY HATE HIM? /  
INFERENTIAL MATHEMATICS

Jerry Scheidbach

Original Air Date: 11.23.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.  
4 Why do they hate him? Some fresh perspective on this that helps  
5 you see the "big picture."  
6 Impeachment Update: The Sondland smack down — Vindman the  
7 Terpsichorean (Vindman the *dancer*) — The Nunez/Jordan double  
8 team defense. And other developments you need to know about,  
9 what's going on with Giuliani, and the IG Report forwarding proof  
10 FBI agent Peter Strzok "doctored" the FISA Warrant —  
11 But the really big news today comes from the Senate — Lindsey  
12 Graham launches investigation into Biden.  
13 And like you I am sick and tired of these narcissistic LGBTQ  
14 activists and their total disregard for the sensible sensitivities and  
15 liberties of others. These are among the most selfish human beings  
16 on the planet today.  
17 Friends — It's time for your Brain Massage®  
18 [TRUTH]  
19 Why do they hate him? Savannah Hernandez for Action News —  
20 producer of the "War Room" goes into the streets of Austin, Texas  
21 — to ask Trump protestors what Trump has done that they are  
22 protesting. The answers ran along the lines of what the Democrats  
23 have been pushing: he abandoned the Kurds, he is caging the  
24 children, has sought foreign assistance to investigate his political  
25 opponent — and that was the smattering of responses that were  
26 coherent, and at least in some measure articulate — most of the  
27 responses were so overcharged with emotion the individual simply

28 could not speak. One guy was asked for one thing that triggered  
29 him against Trump, he said there are so many, he could not narrow  
30 it down to one thing; so he was asked to name only one — he could  
31 not, all he could get out of his filthy mouth was Trump is a MF — .  
32 One poor lady had to be confused by the question or something  
33 because she listed several things Trump has done for the country,  
34 and Savannah was understandably surprised and thought she  
35 misunderstood the question, so she said, so those are the things  
36 that are so bad that you are protesting, and the lady said yes, these  
37 are the worst things — it was bizarre but I think she was trying to  
38 say although Trump says he does all these things, he is a bad  
39 person anyway — or something like that.

40 But I got to thinking about this and it's clear the one thing these  
41 people have in common is, well, first off, they are liberal, and the  
42 second common denominator is they all get their news from the  
43 fringe media—CNN, ABC, CBS, and so on. I know these are  
44 usually referred to as the mainstream media, but those who say that  
45 really need to get caught up with the times. The audience share of  
46 those networks combined cannot compete with the listenership of  
47 Rush, Hannity, Levin — or FOXNews.

48 One guy was asked why he protested Trump and he mentioned the  
49 Trump/Zelensky call. Savannah asked whether he had read the  
50 transcript of the call and he stumbled about a bit before admitting  
51 he had not read it, and explained that he "follows it on the news."

52 Now, for the record, I should explain here that I do follow the  
53 fringe media news outlets, such as CNN, ABC, MSNBC, and AP  
54 and even Huntington Post, WAPO, NYT, LATimes and some  
55 moderate sources such as Wall Street Journal, so forth, along with  
56 the mainstream American news sources such as FOXNews, and  
57 news digesters such as Rush, Hannity, Levin, Tucker Carlson,  
58 Ingrahm, Bongino, Candace, and the ever lovable Diamond and  
59 Silk duo — and many more — along with some very serious

60 sources such as Judicial Watch and American Center for Law and  
61 Justice, for international news I look to DEBKA File, and Israel  
62 News Today, the Jerusalem Post, Haaretz, Arab News, and Foreign  
63 Affairs — to name a few that I use.

64 So, I try to stay informed and I try to form my own commentary  
65 taking into consideration what is said by both sides on every  
66 question I address.

67 Apparently, not one of the people Savannah talked to protesting  
68 Trump has bothered to actually listen to any opposing viewpoint.

69 Now, that can be laziness. But I think it's something more than  
70 that.

71 Also, the hatred for Trump is visceral — what does that mean? It  
72 means the hatred does not come from the intellect, it does not arise  
73 from reasoned argument, it arises from deep inward feelings  
74 toward him — but not actually toward him.

75 If you get into a conversation with a Trump hater, and you begin  
76 exposing this fact, it goes emotional very quickly. For example, if  
77 you ask, why do you oppose Trump's presidency? And they say,  
78 because he puts children in cages. And you respond by saying, so,  
79 you are talking about the border policy that requires the children to  
80 be separated from their parents and held in temporary holds, made  
81 of chain-link fencing, to be immoral and wrong? And they say, yes.  
82 Then you say, did you feel this way about that when this policy was  
83 put in place during Bill Clinton's presidency? You usually get, I did  
84 not know about this being a policy put in place under Clinton. And  
85 you follow up with did you feel this anger about that policy when it  
86 was being done during the Obama Presidency? And they say  
87 something like they did not know about it going on then. And they  
88 are beginning to be visceral — you can see it— the veins in their  
89 neck begin to pulse and their voice starts getting thin — and you  
90 ask, Why do you suppose you are hearing about this now, but

91 never heard about it before? And they have not slugged you, or  
92 kicked you, or spat at you, or called you a bigot, or a homo-phobe,  
93 or a racist — and they are still talking to you and they have not  
94 broken down in sobs muttering about how mean you are — and  
95 you have the chance to begin pointing out how hard Trump has  
96 worked to get around this policy, and accommodate the children  
97 caught in this situation through no fault of their own but because  
98 of their parents bad decisions, and so forth — who knows, you  
99 might have thrown a little light into their dark world.

100 It's not likely you'll get that far with very many liberals these days  
101 — and that's because as my friend Zach Harman said this morning  
102 during breakfast — you can't reason someone out of a position  
103 they did not arrive at through reason. You can, sometimes,  
104 however, nudge them toward the LIGHT of TRUTH by jarring  
105 their reason free from the hold darkness has on them by declaring  
106 TRUTH into their dark hearts.

107 Now, I've set up my expose on WHY THEY HATE HIM — but  
108 before I deliver on that, let's look at how irrational is their hatred.

109 Let's begin by offering my Impeachment update:

110 The Sondland smack down — The Sondland testimony is being  
111 hailed by the Dems as the longed for SMOKING GUN, the PROOF  
112 of a WHITE HOUSE COVER UP. ABC News, "Sondland  
113 testimony reveals WH cover up." PBS shows Democratic  
114 questioning of Sondland, conveniently leaves out Jordan's smack  
115 down, which we'll get to in a moment.

116 If you watch the entire questioning of Sondland by Democratic  
117 "counsel" Daniel Sachs Goldman (yeah, not kidding—Daniel Sachs  
118 Goldman—he is not a representative, but a LAWYER hired by  
119 Adam Schiff to assist in the investigation of Trump's business  
120 dealings and tasked with interrogating witnesses in the Trump's a  
121 rascal farce.)

122 So he goes on and on to set up the witness, in this case, Gordan  
123 Sondland, current US ambassador to European Union, who had a  
124 conversation with Zelensky during which he made a phone call to  
125 Trump that was overheard and repeated to the news here spun in  
126 such a way so as to make it look like Trump was pressuring  
127 Sondland to pressure Zelensky to investigate Biden — and this  
128 counsel carefully worked to direct Sondland's testimony to support  
129 the Democratic narrative that the Trump White House is engaged  
130 in a scheme to pressure Ukraine to dig up dirt on Biden that he can  
131 use in the upcoming 2020 election campaign — so, Sondland  
132 testifies that in his opinion, the President wanted Zelensky to  
133 announce the investigation on Biden and Burisma before he would  
134 release Security AID to Ukraine — that it was his perception.

135 This is important because current Ukraine Ambassador Taylor's  
136 belief that Trump tied Security Assistance to the Ukraine  
137 president's announcement of an investigation into Burisma and the  
138 Biden connection came from SONDLAND —

139 And Sondland repeatedly, I watched this \*YAWN — yeah, I  
140 watched the whole thing — Sondland repeatedly said the  
141 PRESIDENT NEVER SAID he conditioned the call with him, or  
142 the meeting in DC or the Security Assistance to any promise to  
143 investigate the Biden connection to corrupt Barisma — He  
144 repeatedly said it was his OPINION — that he surmised this based  
145 on all sorts of circumstances that to him added up to this  
146 conclusion — it was HIS PERSONAL OPINION —

147 The origination of this "theory" came from Sondland — not from  
148 Ambassador Taylor, not from Giuliani, not from Pompey, not  
149 from the President — NO ONE told him that the call, or the  
150 meeting or the money was contingent upon any announcement  
151 from Zalensky about an investigation — in fact — according to  
152 Sondland, in a conversation he had with Trump about this, when  
153 he finally asked directly for clarification on his instructions, he

154 asked flat out, what do you want the Ukrainians to do, Trump said  
155 NOTHING — I want no quid-pro-quo, I want NOTHING — ALL  
156 I WANT FROM ZALENSKY IS THAT HE DO WHAT'S RIGHT,  
157 THAT HE DO WHAT HE RAN ON —

158 That was the clarifying moment for Sondland —

159 And then — as Jordan brought out — THE CALL WAS MADE  
160 WITHOUT UKRAINE MAKING ANY ANNOUNCEMENT,  
161 THE MEETING TOOK PLACE WITHOUT ZALENSKY  
162 MAKING ANY ANNOUNCEMENT, THE MONEY WAS  
163 RELEASED WITHOUT ZALENSKY MAKING ANY  
164 ANNOUNCEMENT — obviously, Sondland was WRONG!

165 He made a mistake. He misunderstood the signals he was getting.  
166 He misread this President. He thought he was dealing with Obama,  
167 or Clinton — he is not dealing with a corrupt Obama and his  
168 Alinsky tactics — he is dealing with an honest, straight shooting,  
169 American President who has EVERY RIGHT TO DISTRUST  
170 UKRAINE, EVERY LEGITIMATE REASON TO TEST THE  
171 RESOLVE OF THE NEW PRESIDENT TO ROOT OUT THE  
172 CORRUPTION IN UKRAINE —

173 Listen, if you ask me — I don't think there is any problem at all  
174 with the President of the US putting pressure on Ukraine to clean  
175 up their dirty house if they expect to get assistance from the US.

176 Are you kidding me? You know the so-called "black ledger" came  
177 from — NOT RUSSIA, from UKRAINE — and that was used to  
178 undermine a representative of the Trump campaign — the DNC  
179 specifically tasked their Ukraine connection to get dirt on Trump  
180 and his campaign — this is over the top OUTRAGEOUS —

181 So, we'll have to take a short break to continue on the other side.  
182 Hold on — the Brain Masseur will be right back.

183 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
184 at the Lighthouse, your brain masseur, and Paul Revere's lantern

185 lighter, lighting the lamps in the church belfry arch, signaling the  
186 enemy is on the march, an enemy that would steal from us our  
187 liberty.

188 There is this rule of law that says you cannot convict a person of a  
189 crime unless a crime has been committed. Trying to prove a  
190 conspiracy to commit a crime is very nearly impossible — and the  
191 point is, Sondland, Ambassador to the European Union, who was  
192 engaged in negotiations with Ukraine to set up a call, and a  
193 meeting, between Ukraine and US — got the impression that the  
194 call and meeting were conditioned upon the Ukraine President  
195 Zelensky, making a public announcement that investigations into  
196 the Biden Burisma connection had been launched, and he just sort  
197 of assumed that was the case, although no one told him this was  
198 true, he assumed it, it was the impression he got from the fact that  
199 he knew Trump wanted Zelensky to do this, and came to the  
200 conclusion that's what was the hang up for getting the call and the  
201 meeting arranged, and when he learned the Security assistance was  
202 being held up, he assumed it also was contingent upon this —

203 Now, the FACT IS — as I pointed out, WHO CARES? If the  
204 President has a personal beef with Ukraine because of what he  
205 knows is true about their involvement in our elections on behalf of  
206 Hillary and against him — and with all the fighting he has to do  
207 here to get anything done in this ridiculous environment — I  
208 would be suspicious of Ukraine too, and I would say, okay, a new  
209 guy has come in, he has promised to drain the swamp there — but  
210 he seems to be surrounding himself with bad actors from the old  
211 regime — so, let's see if he is going to clean up things over there or  
212 is he going to continue — I THINK IT'S PERFECTLY  
213 APPROPRIATE FOR THE PRESIDENT TO WITHHOLD  
214 ASSISTANCE FROM A COUNTRY THAT HAS BEEN A BAD  
215 ACTOR WHEN IT COMES TO US ELECTIONS IN THE PAST

216 UNTIL HE AS ASSURANCES — whether it "helps his campaign"  
217 is totally IRRELEVANT. How stupid is that.

218 The President can't do anything that might have the appearance  
219 that it will HELP HIS CAMPAIGN? This is nonsense.

220 Obama told the Russian president to tell Vladimir to be patient,  
221 because after THE ELECTIONS HE COULD BE MORE  
222 FLEXIBLE — and you could hear the power lines crepitating  
223 (crackling) drowning out the crickets — hah! — And we don't even  
224 have time to get started on Obama's involvement in Benghazi and  
225 the Hillary email scandal cover up, and delivering billions to Iran,  
226 and his involvement in spying on Trump's campaign — and, and,  
227 and, while crepitating power-lines and crickets compete in the  
228 night.

229 But the point is nothing happened! There was no quid-pro-quo  
230 because in fact there WAS NO QUID for the QUO — there was no  
231 THIS for THAT. Ukraine did not DELIVER the THAT for the  
232 THIS. It didn't happen!

233 But Trump wanted it to happen? O, really! And to whom did  
234 Trump say this? Well, I just inferred it; it's  $2+2 = 4$  — I mean, I  
235 know Trump wanted Zelensky to announce an investigation, and  
236 Ukraine wanted a meeting, and they were looking for the security  
237 aid — so, you know,  $2+2$  — I added that up and got QUID PRO  
238 QUO. It's unbelievable.

239 I guess part of my own exasperation with this rises from my own  
240 experience of this kind of nonsense. Some just puts together a  
241 scenario based on their own personal assumptions and opinions  
242 and starts acting on these things as if they are true — and viola,  
243 you've got a bunch of people accusing you of something that is  
244 completely untrue. But they believe it because that's what they  
245 come up with when they add it all up. Okay!

246 Let's do some math, shall we. Are you ready?

247 Hunter Biden joins the board of Burisma, an energy company in  
248 Ukraine, in 2014. He is being paid 83K a month and admitted he  
249 has no idea why the Burisma board hired him.

250 In 2015, our Ambassador to Ukraine under Obama was Geoffery  
251 Pyatt — he raised concerns about the optics of Hunter Biden's  
252 connection with Burisma, and identified the president of  
253 Ukrainian energy company as exceptionally corrupt and called for  
254 him to be investigated by Ukraine. We are told that Obama was  
255 apprised of this and expressed concern.

256 In 2016, Pyatt was reassigned to Greece, and taking his place was  
257 Yavanovitch. Yavanovitch had no problem with Burisma, but  
258 definitely had a problem with the Ukrainian prosecutor.

259 During the 2016 election, Yavanovitch worked with DNC  
260 operatives and Ukrainian officials to undermine Trump and  
261 advocate for Hillary.

262 After the election, Yavanovitch was so distraught that Trump won  
263 she refused to hang Trump's portrait in the Embassy.

264 That, all by itself, was SUFFICIENT CAUSE for the President to  
265 fire her! How in the world are you going to get anything done with  
266 a diplomat that hates you so much she conspired with Ukrainians  
267 to undermine your election and then after you are elected, refuses  
268 to acknowledge that you are the President. YOUR FIRED!

269 Meanwhile — after Pyatt recommended Burisma president be  
270 investitated for corruption, the Ukrainian prosecutor begins an  
271 investigation. He raided the Burisma president's house on February  
272 2, 2016.

273 On Feb. 4th, Biden contacts the State Department.

274 Daddy Biden, that's Joe to you, followed up with Ukraine on the  
275 11, 18, and 19.

276 Joe holds up US loan guarantees of a billion dollars (the QUID—of  
277 THIS) unless the then corrupt Ukrainian president fired the  
278 prosecutor (the QUO or THAT).

279 The President of Ukraine complies with Biden's demands and fires  
280 the prosecutor. The Ukraine provided the THAT and got the  
281 THIS. A clear, undeniable quid pro quo.

282 A THIS for THAT. An actual exchange of value occurred in a  
283 setting in which the VP of the US demanded a foreign leader DO  
284 something — fire the prosecutor that invaded the home of the  
285 president of the company his son works for, Burisma — before the  
286 US would release a billion in loan guarantees.

287 How does THAT ADD UP in your inference calculator my Liberal  
288 friends?

289 Do I think this is enough to CONVICT Biden or his son? NO! As a  
290 matter of fact, I don't. I think it adds up to an INVESTIGATION.

291 The reason it goes past speculation and mere inference is that IN  
292 FACT THERE WAS A DECLARED THIS FOR THAT AND THE  
293 THIS FOR THAT HAPPENED. And Biden BRAGGED ABOUT  
294 IT, openly. This situation SCREAMS for an investigation.

295 So, that's what Trump wants. The secondary issue that such an  
296 investigation might compromise Biden's bid for the presidency is  
297 NOT THE POINT. Isn't that interesting, how the DEMS think  
298 these days.

299 Does their fake investigation serve to compromise Trump's  
300 campaign? Well, yeah! (It's actually backfiring on them, but the  
301 chess board has developed in such a strange way, the Dems are  
302 cornered — they really no way out at this point — they are  
303 committed to a coup — it's the only way they can keep their secrets  
304 hidden. More on that in a moment.)

305 But here is what I want you to think about.

306 Trump cannot pursue justice on Biden, he cannot call for an  
307 investigation on Biden without the left crying about the motivation  
308 being an effort to get dirt on Biden for his campaign.

309 They think that way about Trump because that is exactly the way  
310 they OPERATE. And that is WHAT THEY ARE DOING with this  
311 investigation! It's all about trying to undermine Trump's campaign  
312 — and, really, something far more serious! But for the moment,  
313 think about this.

314 Their inferential calculator adds up Trump's interest in  
315 investigating Biden as a political move to compromise Biden's bid  
316 for the Presidency. But the facts compelling an investigation into  
317 Biden's quid-pro-quo move with Ukraine is by any reasonable  
318 assessment, far more compelling than what they've come up  
319 regarding Trump.

320 It's obvious their investigation into Trump is exactly what they are  
321 accusing Trump of doing — it's an effort to compromise Trump's  
322 campaign for the 2020 election. Are you seeing this?

323 So, if in their rule book, Trump can't call for an investigation into  
324 Biden because it will benefit his campaign, then THEY CAN'T  
325 CONTINUE THIS CHARADE OF AN INVESTIGATION INTO  
326 TRUMP BECAUSE IT SERVES TO COMPROMISE HIS  
327 CAMPAIGN, AND HIS ENTIRE PRESIDENCY.

328 Anyway, the really big news today comes from the Senate —  
329 Lindsey Graham launches investigation into Biden. That's right!  
330 Lindsey Graham has initiated the first steps toward investigating  
331 Biden for his collusion with Barisma and the corrupt president of  
332 Ukraine in the firing of the prosecutor who dared to begin  
333 investigating corruption charges against the company his son  
334 worked for — getting 83k per month for — well, Hunter Biden  
335 could not explain what for.

336

337 Vindman the Terpsichorean (Vindman the *dancer*) — I can see I  
338 need to move toward my conclusion — so, I'll not take time right  
339 now to explain the Vindman dance — the peacock pluming his  
340 medals who expects his feathers make his opinion about Trump so  
341 credible no one needs evidence — his opinion alone is enough to  
342 convict. Just look at those feathers! Wow! Dazzled by his pluming  
343 everyone is expected to see that for sure Trump colluded with  
344 Russia and is trying to divert attention to Ukraine — What a joke!

345 The Nunez/Jordan double team defense: hey, these guys are  
346 champions of reason, and common sense.

347 Nunez and Jordan have doubled up and officially called for Adam  
348 Schiff to subpoena the Whistle Blower and Biden to testify before  
349 the committee. That's exactly what any reasonable person would  
350 expect Schiff to do. He is so panicked about hiding the identity of  
351 the Whistle Blower he freaks out if anyone asks a question that  
352 might reveal his identity and so jumps in and interrupts and  
353 stammers about not allowing any line of enquiry that might reveal  
354 the Whistle blowers name but, as was brought out, how could  
355 Adam know if any name mentioned would be the Whistle Blower  
356 since he does not know his identity?

357 Giuliani comes swinging out of the corner. He has been quiet while  
358 taking a lot of hits from the left — I've wondered what is he up to?  
359 Well, he has been trying to get the truth about what went on in  
360 Ukraine into the light of day — but, as he recently revealed, our  
361 Ambassador to Ukraine, William Taylor is blocking visas of any  
362 Ukrainian who wants to come here and "blow up Schiff's  
363 completely fraudulent investigation" — that from the Conservative  
364 Review. How about that?

365 And, the IG (Investigator General) Report we've been waiting for  
366 releases information proving Peter Strzok doctored a FISA  
367 Warrant — that's very damning to the Dems efforts to hide all this.  
368 FBI agent Peter Strzok "doctored" the FISA Warrant —

369 This pushes forward the mighty wheel of Justice: and it's just  
370 getting started folks. It's like a great wheel, it takes a huge amount  
371 of energy to get it started to roll, but once this thing starts rolling,  
372 Lord have mercy, look out! It's going to crash through all that the  
373 Democrats have been trying to build up against Trump like a  
374 hurricane through a house-of-cards.

375 So that's my take on the impeachment investigation so far. As for  
376 will the Democrats impeach? At this point, I don't see how they  
377 have a way out. They are committed to this path—and even though  
378 it is clearly leading to a CLIFF — I don't see a way for them to have  
379 made all this noise and not go forward with a vote.

380 Whether they get the votes they need — interestingly, that is  
381 actually up in the air at this time. I mentioned efforts already at  
382 work in the Senate to get a secret ballot — and we need to cry to  
383 heaven against any such scheme to hide from the American people  
384 by casting a secret ballot if it does go to the Senate for trial.

385 A while back, I would have said impeachment is a forgone  
386 conclusion — what we are watching is just show casing and  
387 stalling. But, now, after seeing what they have, or should I say, after  
388 seeing their case is nothing but hearsay and made up testimony —  
389 I'm not sure the Democrat representatives who must face  
390 reelection in 2016 are going to be willing to die on this hill.  
391 Because, unless they come up with a whole lot more than they have  
392 right now, this is going to be a huge embarrassment for the  
393 Democrats — and it's already energizing Trump's supporters and  
394 adding an increasing number of Democrat defectors to his side.  
395 The Sympathy vote is turning against Schiff and for Trump.

396 So, why do they hate Trump? I can see that I'll not have time to  
397 finish that point — this show is very dynamic my friends — I can  
398 start with a clear idea of where I want to go, but as I go, it just sort  
399 of, well, goes ...

400 It's a question worth pondering, so I'll address it some more in my  
401 Issachar Report Sunday night at 5 pm to 5:30. If you want a clear  
402 biblical perspective on why they hate Trump, come on out to our  
403 services Sunday night, 5 pm.

404 But I wanted to speak to the recent trend to force our young ladies  
405 in High School to undress in front of boys who claim they are girls.

406 Like you, I am sick and tired of these narcissistic LGBTQ activists  
407 and their total disregard for the sensible sensitivities and liberties  
408 of others. These are among the most selfish human beings on the  
409 planet today.

410 Think about this. They demand a right to force us to use the  
411 pronoun they believe identifies their gender. So if it's a boy we are  
412 talking to who believes he is a girl, we have to use she in reference  
413 to him rather than he. Well, I identify as an even tempered, well  
414 adjusted, lover of all mankind — so, they can never call me racist  
415 again. They don't have a right to call bigoted, because I don't self-  
416 identify with bigot. It offends me, it is contrary to what I believe is  
417 true about myself — so — you begin to see how absurd this is.

418 YOU CAN'T FORCE ME TO ACCEPT YOUR DELUSIONS.

419 Now, you have a right to your delusions. BUT YOU DON'T HAVE  
420 A RIGHT TO FORCE ME TO AFFIRM THEM.

421 If you think you are Napoleon, I am not obliged to oblige your  
422 insanity.

423 A boy who tells everyone around him that he is a girl has a right to  
424 do so. He can call himself a girl if he chooses to do so — but he  
425 cannot force me to call him girl.

426 Now, a boy who calls himself a girl competing in sports against  
427 God ordained girls — is CHEATING! He is stealing from real girls  
428 any chance they have to compete fairly. It's wrong.

429 A girl is denied the opportunity to compete fairly in such  
430 situations.

431 No one cares about those girls who have a legitimate expectation to  
432 be treated fairly, but their feelings don't matter.

433 The only thing that matters is that everybody bow down to the  
434 LGBTQ agenda to FORCE their delusions and sexual perversity on  
435 all of us.

436 You have no right to call what they do sexual perversity. Are you  
437 kidding me?

438 I have as much right to call that behavior perverse as you have to  
439 call it normal. I don't deny to you the right to advocate for this  
440 behavior and call it normal. But you (and you know who you are)  
441 are so selfish, so presumptuous, so irrational, and absurd, as to  
442 think you have a right to believe what you believe but I don't have a  
443 right to believe what I believe.

444 What's happened with these ridiculous people.

445 So now, because a boy thinks he is a girl, or pretends to think he is  
446 a girl, or has been convinced by others that he is a girl, whatever,  
447 we have to expose our daughters to this guy undressing in the  
448 locker rooms where our daughters have to change their clothes —  
449 THIS IS HEAD EXPLODING NONSENSE. Just say NO to these  
450 selfish, myopic, thinking only of themselves people.

451 NO! You can think you are girl — BUT YOU CAN'T MAKE ME  
452 THINK YOU ARE A GIRL. You can think you are a girl — BUT  
453 YOU CAN'T FORCE ME TO ALLOW YOU TO TAKE AWAY  
454 FROM MY DAUGHTER HER PRIVACY, HER RIGHT TO BE A  
455 GIRL, TO SEE HERSELF AS A GIRL, AND TO SEE YOU AS A  
456 BOY — enough!!!!

457 This is going to explode in this country — Christians are not going  
458 to say homosexuality is good, they are not going to say there are 51  
459 genders, they are not going to bow down to this nonsense —

460 You can set up your statue, Nebuchadnezzar, and blow your horns  
461 and beat your drums but we are not going to bow down.

462 Anyway, I gotta go.

463 I have lit the lamps in the Church belfry arch and now you let me  
464 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
465 ON and you will ride like Revere and spread the warning,  
466 (essentially, it means you agree with what I'm saying) or you say  
467 LIGHTS OFF -- which means you reject what I'm saying and  
468 disagree strongly with me. So, what will it be today, lights on, or  
469 lights off?
