

Brain Massage®: Show No. 757 A Tale Of Two Tylers / Impeachment
Staggers / IG Report *Damage Control*

Jerry Scheidbach

Original Air Date: 12.14.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Tyler — whose that? Not Steven Tyler of Aerosmith — the tale of
5 two Tylers — folks, I am so deeply upset by what the Demoncrats
6 are doing to children, and now, this open, physical assault, literally,
7 attempted murder, on a school bus by 8 teens on a 14 year old is
8 truly over the top. Details in a moment.

9 Impeachment stumbles forward—will the Dems do it? Over 30
10 Democrats are not so sure it's a good idea: calling for censure as an
11 alternative to impeachment.

12 Trump compassionately suggests Gretta chill out, see a movie — be
13 a kid! Dems using an autistic teenager to assault our freedoms.
14 Yawn! Well, nothing new here. That's what fascist cowards do —
15 they hide behind women and children.

16 The Mean Meme that is deepening Dems' madness—Trump as
17 Thanos (Greek, means *death*) snapping his fingers and Pelosi,
18 Schiff and company turn to dust!

19 The IG Report is carefully structured to provide as much damage
20 control as possible for the Dems— but even at that, this documents
21 the bias driving the investigations while attempting to provide
22 cover against criminal charges. One example, in a moment!

23 But the Deep State created IG Report will not stop Barr from
24 pursuing TRUTH, JUSTICE, the AMERICA AS FOUNDED
25 WAY!

26 Those Dems — Virginia governor threatens to send the National
27 Guard after 2nd Amendment sanctuary cities that are defending

28 the Constitutional right of citizens to own and bear arms. Yet they,
29 that is the DEMS (not *they*, you know, but they—), declare
30 sanctuary cities to protect criminals that violate immigration
31 laws—something not guaranteed in the Constitution, or
32 recognized on anybody's list of inalienable rights.

33 And, of course, two Black Nationalists who are anti-semitic, and
34 ANTICHRIST Trump haters attack a Jewish market in Jersey,
35 shoot and kill a police detective and three civilians, wound two
36 police officers and one civilian—and Tlaib offers her take on the
37 assault—"This is heartbreaking. White Supremacy kills."

38 So, what does all of this have in common? What is the common
39 denominator beneath all these stories — wait for it, wait for it —
40 It's time for your brain massage.

41 [TRUTH]

42 Impeachment stumbles forward—will the Dems do it? Over 30
43 Democrats are not so sure it's a good idea: calling for censure as an
44 alternative to impeachment.

45 Coming in to the 2018 mid-term elections I said if the Dems get
46 the House, they would impeach Trump. And that has been the
47 foregone conclusion, the expectation of all who are aware—but
48 then, as I said a few weeks ago, it looks like Nasty Nancy and Adam
49 Schiffy are getting some push back from at least 31 fellow Dems.

50 What's that? *Nasty* bothers you? Hmmm. Kinda like Trump
51 putting Gretta in her place—telling that kid to go watch a movie?
52 No? Why? Because it means she is a loose woman?

53 Where did you get that? No! That's not what that word means.

54 Well, I guess it could be used that way, since it is used of someone
55 who is morally bad, whose behavior is repugnant to the mind. But,
56 she is a Democrat and loose women are not repugnant to them,
57 and they don't consider them morally bad — so!

58 But, anyway, that's not even close to what I mean. The word means
59 someone that is unpleasant that behaves in a spiteful way, vicious
60 and vindictive, and by extension the word is used to speak of
61 something or someone that is damaging or harmful—so, yeah, I
62 would say Nancy is nasty, with the caveat that I'm using the word
63 as it is formally defined and not as it might be used informally.
64 Now, if I called her *naughty Nancy* that would be different. But
65 what she and her fellow Demoncrats are doing to America in their
66 efforts to overthrow the Presidency and our Republic is nothing
67 short of nasty. No need to explain the shifty aspersion against the
68 aspersion casting Adam!

69 So it is not all together certain that *Nasty* and *Schifty* have the votes
70 locked to get impeachment. Nasty claims she will not *whip* the
71 balking Dems into lock-step with her goose-stepping Trump hat
72 haters — but that will only be because she does not have the weight
73 or the pull to pull it off. Remember, Pelosi got dragged into this!
74 The entire Demoncrat Party is owned by the lunatic left.

75 One need only review the statements and antics made by the left
76 over the last year to know *lunatic left* is aptly descriptive. I don't
77 have time to, well, okay, just one. How about the crazy woman in
78 hanging-chad Florida that stabbed herself in her stomach
79 repeatedly because, as she said, she is tired of living in a world
80 where Trump is President. No. Literally. The police who responded
81 to a call to bloody scene reported this woman said, "I'm tired of
82 living in Trump's country. I'm tired of Trump being president."
83 (The ragers are demon possessed.)

84 Well, at least some of the Democrats have not yet contracted full-
85 blown Trump derangement — Taylor, and Horowitz, are
86 examples — so there are 31 Democratic (socialists—anti-
87 Republican and so anti-America as founded) representatives in the
88 House that come from districts in Trump Country — and they
89 know they will get serious blow back if they defy the sentiment of

90 their constituency — as you know, polling — the real polls — are
91 showing a serious wave of opposition to impeachment is building
92 out there on the population sea, and at least some of those Dems
93 are not quite so crazy as these Dems that get so crazy about Trump
94 they go all hari-kari and start insanely stabbing themselves in their
95 own stomachs, or shooting off their own feet, or grinding their
96 teeth in rage while they cut off their own noses to spite their face.
97 At least 31 Dems are balking, and some are calling for a
98 compromise with their rabid base, you know, the self-stomach-
99 stabbers in their Party, hoping they will accept a vote to censure the
100 President instead of impeaching him.
101 We'll see.
102 Would you like one more example supporting the charge that the
103 left has gone looney? Hahaha — I hear you saying AOC, AOC,
104 AOC — true! But what about one of her friends—Ra-shi-da, the
105 girl that makes radical Muslims proud — Two Black Nationalists
106 who are anti-semitic, and ANTICHRIST Trump haters attack a
107 Jewish market in Jersey, shoot and kill a police detective and three
108 civilians, wound two police officers and one civilian—and Tlaib
109 offers her take on the assault—"This is heartbreaking. White
110 Supremacy kills." No! Anti-Semitism kills — Anti-capitalism kills
111 — like Socialist dictators, Stalin, Pol-Pot, and Chinese dictators in
112 the name of "the PEOPLE" rampage—who believe attacking your
113 opponents is the answer. So, one last example.
114 Eight Democrat influenced teens attack Republican influenced
115 Tyler and attempt to beat him to death. — whose that? No! Not
116 Steven Tyler of Aerosmith — ha! The tale of two Tylers — Steven
117 Tyler of Aerosmith is angry that Trump uses some of the group's
118 music at his rallies. So he has had his lawyers send Trump a cease
119 and desist order complaining that Trump's use of the songs imply
120 endorsement from the band.

121 Now, I understand Aerosmith is one of those sixties three piece
122 bands, like Cream, and Hendrix, and Stones — and fellow band
123 members Joe Perry and Joey Kramer are — hold your breath —
124 REPUBLICANS! Doesn't that mean that two thirds of the group
125 ostensibly would be okay with Trump's use of their music?

126 But, Demoncrats like Steven Tyler are not, uh, democratic — at
127 least not in that way! Haha!

128 Anyway, I'm not talking about that Tyler — I'm talking about a 14
129 year old who was attacked by 8 older students and beaten so badly
130 he was hospitalized. Why did they attack him? Well, he came to
131 school in a MAGA hat and the violent reaction he got intimidated
132 him, bullied, pushed around, they poured milk on his head, so he
133 left the hat at home, but ever since he openly expressed his
134 appreciation for the great job our President is doing, these anti-
135 Christ controlled students, full of devils that have been infused into
136 them by the seducing spirits teaching doctrines of devils to the
137 children at that Florida public school—went into a wild rage and
138 began beating him on the school bus—I watched the video—
139 retweeted it so those who follow my tweeter feed can see it for
140 themselves—but I warn you! This is deeply disturbing.

141 I'll give you some more detail about this on the other side of the
142 break. Folks, I am so deeply upset by what the Demoncrats are
143 doing to America's children, and now, this open, physical assault,
144 literally, attempted murder, on a school bus by 8 teens on a 14 year
145 old is truly over the top.

146 I'll be right back!

147 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
148 at the Lighthouse, your brain masseur, and Paul Revere's lantern
149 lighter, lighting the lamps in the church belfry arch, signaling the
150 enemy is on the march, an enemy that would steal from us our
151 liberty.

152 Tyler is 14 years old and attends a public school in Florida. He used
153 his own money to buy a MAGA hat and proudly wore it to school.
154 The radicalized Trump-hat-haters bullied him, mercilessly, so
155 Tyler decided he would not wear the hat to school. But this did not
156 satisfy these bullies — because submission to bullies NEVER
157 SATISFIES THEM — it only encourages them to continue
158 bullying, and yielding only invites them to increase their attacks.

159 And that is what happened in the case of 14 year-old Tyler. The
160 bullying went on, but he did not tell his parents. Typical! So one
161 day, while on the bus, eight larger students began tormenting him
162 and it escalated until one big girls punched him in the face and
163 began pounding on him, and seven others joined in, beating him,
164 and one kid stomped on him — he was taken to the hospital.

165 The bus driver was awol, he, or she, lets this go on — so the
166 perpetrators were all suspended, and the video and other testimony
167 is being given to the State AG for prosecution of a HATE CRIME.

168 Hey, Maxine, are you going to send these kids a signed photo of
169 you calling on Trump haters to "get in their faces" and to "let them
170 know they are not welcome." I suppose Maxine watches this video
171 and says to that chic slapping, and pounding on that kid, I mean
172 taking his head and pounding against the side of the bus — I think
173 Maxine might say, "you go girl!" Because, Maxine, and the rest of
174 you, holding the President's mock bloodied head, and others
175 depicting the President being killed, and the rhetoric of violence we
176 hear regularly from the radical left — YOU ARE RESPONSIBLE
177 FOR THIS! This is REAL VIOLENCE —

178 But you want to get all heated up about a mean Meme. Someone
179 put out a Meme of Trump as Thanos (by the way, the name *Thanos*
180 comes from the Greek word that means *death*) so they put Trump's
181 face on Thanos as he snaps his fingers and then it shifts over to a
182 picture of Pelosi, Schiff and company being erased!

183 And Don Lemon is appalled, aghast, he can't believe this is
184 happening. He takes it seriously! Seriously! Lemon takes this
185 *seriously*.

186 The ideology undergirding Democraticism makes them stupid. (You
187 know, the Brits have an expression — *stupid o' clock*—weird!)
188 Examples abound — 51 genders — enough said. Democrat
189 ideology dumbs down the intelligence — it's all, hey, I know, let's
190 do to America what socialism did to Venezuela — case closed!

191 So, hey, Lemon, really? You don't get the metaphor? Do you know
192 what a metaphor is? Surely! You attended Brooklyn College, right?
193 And later Louisiana State? I mean, surely you were told about
194 metaphors — at least back in Baker High School! And I'm sure you
195 learned that a metaphor is understood to be a representation by
196 comparison between to otherwise very different things. I mean, to
197 get technical — it's a figure of speech, right? Where we use a word
198 or phrase to identify something or someone or some action that is
199 not literally applicable — did you get that? Not LITERALLY
200 applicable. In other words, Trump is NOT THANOS — okay. He
201 is not going to snap his fingers and turn the Democrats to dust.

202 So, calm down! That particular Meme is universally known to be of
203 a fictitious character — and, as in all metaphors, not only is the
204 correlation between the metaphor and what it is being used to
205 describe not 100%, metaphors don't, as we say in my business, it
206 does not "walk on all fours." This means you have to exercise a
207 certain modicum of intelligence to, uh, get it! Not everything about
208 Thanos transfers to Trump, not every effect of the SNAP of Thanos
209 transfers to the snap of Trump. Haha.

210 For example, when Thanos snapped, the effect was, at least so far as
211 Thanos was concerned, serendipitous — you know that word?
212 Occurring or discovered by chance — a happy happenstance —
213 fluky, random. It did not target Democrats. Okay!

214 So, it was a metaphor and if you require help interpreting it—
215 Trump's Presidency is destroying the Democrat's deep state
216 oppression of this country — and he is doing it with little more
217 than just being who he is — symbolized by the snap!

218 But the metaphor of the Thanos snap is actually, really, far more
219 appropriately descriptive of the Democrat-Deep-State. You see,
220 Thanos believed death was answer — Democrats consistently
221 recommend DEATH as the answer to social problems. Over
222 population? I know, let's kill off a few billion people. Irresponsible
223 sexual behavior — I know, let's kill the innocent baby. That fixes it.
224 Old people putting a drain on health care paid for by tax dollars —
225 I know, let's kill them off at, well, we'll start at 80.

226 And as for the snap— until Trump came along, all the Dems had to
227 do to pull all on the left into lock-step with the agenda to turn
228 America as founded into dust was to snap their fingers — and
229 virtually the entire black community fell into rank and voted for
230 them, and all the lifer Democrat voters in Unions all cow-towed to
231 snap of the DEMONCRATS—but, no more!

232 I need to move toward conclusion — and I wanted to touch on the
233 long awaited IG report. I have only had time to peruse it cursorily
234 — but it did not take long to see that this report is carefully
235 structured to provide as much damage control as possible for the
236 Dems. Here is one example. The report concludes that there was
237 no bias in the origination of the Russia prob. However, it admits
238 this probe was premised upon allegations regarding Papadopoulos'
239 supposedly claiming he had information from the Russians that
240 would help Trump's campaign against Hillary. I did a show a while
241 back exposing the fraudulent way Papadopoulos was set up. There
242 is even some suspicion he was privy to the scam.

243 Anyway, that's my first blush response to the IG report.
244 Nevertheless, there is certainly enough in the report to support
245 further investigation by Barr and company.

246 So, my take; while there is evidence the Deep State created IG
247 Report was cast in the best light possible and was written to protect
248 Democrat Crossfire Hurricane operatives from prosecution—in
249 the end it admits enough of the truth about what happened to
250 justify Barr moving forward in his pursuit of TRUTH, and
251 JUSTICE, the AMERICA AS FOUNDED WAY!

252 So, let's wrap up another great shew!

253 Do you remember when Rodney King was beaten by LA PD — if
254 not, let me tell you that the news media ran that clip 24/7 for about
255 a month. Eight liberals beat up a kid for supporting Trump and
256 you have to go out of your way to find the clip.

257 I have, with tongue in cheek, used the expression *Demoncrat* for
258 many years to make the point that the Devil is behind much of
259 what was then developing in that Party. So far as I know, I created
260 the expression — but it's a natural! So, I'm sure I could not get a
261 copyright on it anyway! (haha).

262 It's not funny, anymore. You see, there is this Bible verse that
263 warns about seducing spirits teaching doctrines of devils that
264 explains a whole lot of what's going down in the Demon possessed
265 Democratic Party. I know our friend Starnes got in trouble for
266 being too broad in his use of metaphor in comparing the
267 Democratic Party to worshippers of Moloch—but he was right on!
268 That is the spirit operating in that Party today.

269 This is not to say the spirit of Moloch does not have a hold on
270 anyone on the right — but I think it's obvious that the penchant for
271 sacrificing babies on the altar of personal convenience is pretty
272 much a *Demoncrat* thing! But, to offer a caveat carrot to those few
273 Democrats who are pro-life — I will aver that at least five
274 Democrats in the world respect the sanctity of human life from
275 conception — haha! Okay, it might be more than five. But not
276 much more.

277 Take the other policies of Demoncrats today—anti-capitalism,
278 anti-traditional marriage, anti-American, really, anti-CHRIST —
279 they RAGE against the "bands and cords" of Christian morality and
280 desire to break those bands of GOD's laws asunder and cast the
281 cords of Christian moral restraint away from them — and not only
282 from them, but they go farther today and insist that we join them
283 in this abandonment of our Christian heritage — and look at the
284 result.

285 Just look at this mess! The Democrat Party has zero respect for
286 the cherished fundamentals of liberty — free speech, the right of
287 the people to own the product of their labor, to freely invest that
288 capital to create jobs and increase wealth, or to freely trade one's
289 labor for income, the Demoncrats have no regard for innocent
290 until proven guilty, no respect for the legitimate expectation of
291 privacy of phone conversations, they would trample upon the
292 rights of anyone that gets in their way — no regard for the
293 traditions of justice in this country, the right of representation, the
294 right to face your accuser, do you not see that the Democrat Party
295 today is destroying all the supports of liberty and social order?

296 Watch the eight kids beating up that 14 year old on the school bus
297 with no one coming to his defense and you are looking at society
298 cut loose from the bands of divine LAW and the cords of Christian
299 moral restraint. There is a metaphor for you, Lemon.

300 That awful scene — that horrifying, chilling, disturbing, scene stirs
301 indignation in my heart — against those brutal, bullies, indeed, but
302 also against the ideology of the left that has cut these kids loose
303 from the moral restraints of the Christian religion — and the knife
304 they used to cut the hearts of these kids away from those moral
305 restraints is the doctrines of devils they feed our kids daily in these
306 wicked indoctrination camps called public schools. (Once again,
307 not all—but enough so that it's fair to characterize the entire
308 education establishment in America as SATAN's SUNDAY

309 SCHOOL, only it's five days a week. And then, there is constant
310 reinforcement of the "doctrine" of devils 24/7 in our culture today.

311 And these devils work their way into the lives of our children
312 through these doctrines of devils — so some of them, too weak of
313 mind and heart to stave off the self-destructive impulse that is the
314 heart beat of all modern day liberal ideology — some of these
315 ridiculous people are stabbing themselves in their own stomach,
316 like the demon possessed children of Jesus' day who would throw
317 themselves into the fire, or into the water to drown themselves —
318 suicide is rising with the increasing influence of doctrines of devils
319 being taught —

320 The only sure solution is for Christians to say this is enough! And
321 to reinsert themselves into the culture and start being the salt and
322 LIGHT Christ Jesus sent you into the world to be and to start
323 SWINGING THE SWORD OF THE SPIRIT — THE WORD OF
324 GOD — THE TRUTH! Only the TRUTH can set us FREE of all
325 this evil that has come into our land through the insidious work of
326 teachers and other media teaching doctrines of devils.

327 Devils ride into power through their lying doctrines — COUNTER
328 WITH THE TRUTH.

329 Get God's War: Why Christians Should Rule the World — you'd
330 better get it today and get informed about what's really going on.

331 And, by the way, if you want to know what CHRISTMAS is truly
332 all about— get my book — God's War and your eyes will be
333 opened to SEE the TRUTH!

334 I have lit the lamps in the Church belfry arch and now you let me
335 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
336 ON and you will ride like Revere and spread the warning,
337 (essentially, it means you agree with what I'm saying) or you say
338 LIGHTS OFF -- which means you reject what I'm saying and

339 disagree strongly with me. So, what will it be today, lights on, or
340 lights off?
