

Brain Massage: Show No. 758 The "Sort Of" Impeachment Of Trump /
Christianity Today Calls For Trump's Removal From Office

Original Air Date: 12.20.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Big news for the Brain Masseur — interviewed by Todd Starnes
5 about my newest book, God's War: Why Christians Should Rule
6 the World. Hopefully I will share that with you today.

7 Some expected but nevertheless disturbing reaction to my book
8 from the antichrist left.

9 They impeached, sort of. The "sort of Impeachment of President
10 Trump." Why won't Nancy send the articles of impeachment to the
11 Senate?

12 The Dems are smiling just like idiots (*idiotes*) do when making
13 fools of themselves.

14 And Christianity Today comes out in support of impeachment —
15 actually, worse, in support of Trump being removed from office.
16 This was Graham's baby, all grown up. Happily, his son, Franklin
17 Graham, is opposed to impeachment and has a very clear head on
18 this matter. Of course, this brings up the question of whether
19 Evangelical Christians can support Trump's presidency and bid for
20 reelection in 2020, a topic I am particularly well suited to address
21 — my friends, it's time for your Brain Massage.

22 [TRUTH]

23 First, let's take a look at the impeachment and then at the question
24 raised by Christianity Today with their editorial calling for
25 Trump's removal from office.

26 As you know, December 19th, 2019, the House voted to adopt two
27 articles of impeachment.

28 The first is Abuse of Power, and the second is Obstruction of
29 Congress.

30 The sole support for these articles of impeachment arise from the
31 back and forth between the Executive and the Legislative branches
32 over allegations that President Trump attempted to pressure the
33 Ukrainian president to "dig up dirt" on his political opponent, Joe
34 Biden.

35 The proof for this is the transcript of a phone conversation
36 between Trump and Zelensky in which Trump asked Zelensky to
37 do US a favor and look into the concerns we have about Joe Biden's
38 involvement in pressuring then Ukraine President Yushchenko to
39 fire the prosecutor that was looking into to allegations of
40 corruption against a company Joe's son, Hunter Biden, worked for
41 in Ukraine.

42 The proof for the allegation that Joe Biden openly threatened
43 Ukraine's then president to withhold 1 billion in loan guarantees
44 unless he fired the prosecutor is Joe Biden's open boast that this is
45 what he did. You've probably heard this, but, if not, here is the
46 smoking gun proof: then Vice President Joe Biden confessing to
47 pressuring the Ukraine president with the threat of withholding 1
48 billion in loan guarantees—

49 [INSERT 1—59 seconds]

50 Incidentally, the prosecutor Biden wanted fired was looking into
51 corruption charges against Burisma, a company that was paying his
52 son, Hunter Biden, 50k+ a month to do nothing, at least according
53 to Hunter's own testimony. So! You figure that out!

54 Now, I'll read the "proof" the Democrats have presented showing
55 that Trump pressured the present Ukrainian president to
56 investigate Joe Biden for what Joe Biden confessed that he did —

57 From Air Force One, President Trump on the phone with
58 President Zelensky. Because of time restraints, I'll read only those

59 portions that bear directly upon our concern, but the entire
60 transcript is available in my show notes posted with the show every
61 Friday on our website: brainmassage.net.

62 After some mutual congratulations and appropriate friendly
63 exchanges, (**Skip [-]**)

64 *[Trump: Congratulations on a great victory. We all watched*
65 *from the United States and you did a terrific job. The way you*
66 *came from behind, somebody who wasn't given much of a*
67 *chance, and you ended up winning easily. It's a fantastic*
68 *achievement. Congratulations.*

69 *Zelenskyy: You are absolutely right Mr. President. We did win*
70 *big and we worked hard for this. We worked a lot but I would*
71 *like to confess to you that I had an opportunity to learn from*
72 *you. We used quite a few of your skills and knowledge and*
73 *were able to use it as an example for our elections -and.yes it*
74 *is-true that these were unique elections. We we're in a unique*
75 *situation that we were able to achieve a unique success. I'm able*
76 *to tell you the following; the first time you called me to*
77 *congratulate me when I won my presidential election, and the*
78 *second time you are now calling me when my party won the*
79 *parliamentary election. I think I should run more often so you can*
80 *call me more often and we can talk over the phone more often.*

81 *Trump: [laughter] That's a very good idea. I think your country is*
82 *very happy about that.*

83 *Zelenskyy: Well yes, to tell you the truth, we are trying to work*
84 *hard because we wanted to drain the swamp here in our country.*
85 *We brought in many many new people. Not the old politicians, not*
86 *the typical politicians, because we want to have a new format and*
87 *a new type of government..You are a great teacher for us and in*
88 *that.*

89 **Trump:** *Well it is very nice of you to say that. I will say that we do*
90 *a lot for Ukraine. We spend a lot of effort and a lot of time. Much*
91 *more than the European countries are doing and they should be*
92 *helping you more than they are. Germany does almost nothing for*
93 *you. All they do is talk and I think it's something that you should*
94 *really ask them about. When I was speaking to Angela Merkel she*
95 *talks Ukraine, but she doesn't do anything. A lot of the European*
96 *countries are the same way so I think it's something you want to*
97 *look at but the United States has been very, very good to Ukraine. I*
98 *wouldn't say that it's reciprocal necessarily because things are*
99 *happening that are not good but the United States has been very,*
100 *very good to Ukraine.*

101 **Zelenskyy:** *Yes you are absolutely right. Not only 100%, but*
102 *actually 1000% and I can tell you the following; I did talk to*
103 *Angela Merkel and I did meet with her. I also met and talked with*
104 *Macron and I told them that they are not doing quite as much as*
105 *they need to be doing on the issues with the sanctions. They are not*
106 *enforcing the sanctions. They are not working as much as they*
107 *should work for Ukraine. It turns out that even though logically,*
108 *the European Union should be our biggest partner but technically*
109 *the United States is a much bigger partner than the European*
110 *Union and- I'm very grateful to you for that because the United*
111 *States is doing quite a lot for Ukraine. Much more than the*
112 *Eropean Union especially when we are talking about sanctions*
113 *against the Russian Federation. I would also like to thank you for*
114 *your great support in the area of defense. We are ready to continue*
115 *to cooperate for the next steps. Specifically we are almost ready to*
116 *buy more Javelins from the United States for defense purposes.]*

117 **Trump-1:** I would like you to do us a favor though because our
118 country has been through a lot and Ukraine knows a lot about it. I
119 would like you to find out what happened with this whole situation
120 with Ukraine, they say CrowdStrike... I guess you have one of your
121 wealthy people... The server, they say Ukraine has it. There are a

122 lot of things that went on, the whole situation; I think you're
123 surrounding yourself with some of the same people. I would like to
124 have the Attorney General call you or your people and I would like
125 you to get to the bottom of it. As you saw yesterday, that whole
126 nonsense ended with a very poor performance by a man named
127 Robert Mueller, an incompetent performance, but they say a lot of
128 it started with Ukraine. Whatever you can do, it's very important
129 that you do it if that's possible.

130 **Zelenskyy: Yes, it is very important for me and everything that**
131 **you just mentioned earlier.** [*For me as a President, it is very*
132 *important and we are open for any future cooperation. We are*
133 *ready to open a new page on cooperation in relations between the*
134 *United States and Ukraine. For that purpose, I just recalled our*
135 *ambassador from United States and he will be replaced by a very*
136 *competent and very experienced ambassador who will work hard*
137 *on making sure that our two nations are getting closer. I would*
138 *also like and hope to see him having your trust and your*
139 *confidence and have personal relations with you so we can*
140 *cooperate even more so*] **I will personally tell you that one of my**
141 **assistants spoke with Mr. Giuliani just recently and we are**
142 **hoping very much that Mr. Giuliani will be able to travel to**
143 **Ukraine and we will meet once he comes to Ukraine.** [*I just*
144 *wanted to assure you once again that you have nobody but friends*
145 *around us. I will make sure that I surround myself with the best*
146 *and most experienced people. I also wanted to tell you that we are*
147 *friends. We are great friends and you Mr. President have friends in*
148 *our country so we can continue our strategic partnership.*] **I also**
149 **plan to surround myself with great people and in addition to**
150 **that investigation, I guarantee as the President of Ukraine that**
151 **all the investigations will be done openly and candidly. That I**
152 **can assure you.**

153 **Trump:** *Good because I heard you had a prosecutor who was very*
154 *good and he was shut down and that's really unfair. A lot of people*

155 *are talking about that, the way they shut your very good prosecutor*
156 *down and you had some very bad people involved. Mr. Giuliani is*
157 *a highly respected man. He was the mayor of New York City, a*
158 *great mayor, and I would like him to call you. I will ask him to call*
159 *you along with the Attorney General. Rudy very much knows*
160 *what's happening and he is a very capable guy. If you could speak*
161 *to him that would be great. The former ambassador from the*
162 *United States, the woman was bad news and the people she was*
163 *dealing with in the Ukraine were bad news so I just want to let you*
164 *know that.]* **The other thing, there's a lot of talk about Biden's**
165 **son, that Biden stopped the prosecution and a lot of people**
166 **want to find out about that so whatever you can do with the**
167 **Attorney General would be great. Biden went around bragging**
168 **that he stopped the prosecution so if you can look into it... It**
169 **sounds horrible to me.**

170 **Zelenskyy:** I wanted to tell you about the prosecutor. First of all, I
171 understand and I'm knowledgeable about the situation. Since we
172 have it on the absolute majority in our Parliament; the next
173 prosecutor general will be 100% my person, my candidate, who
174 will be approved, by the parliament and will start a new prosecutor
175 in September. He or she will look into the situation, specifically to
176 the company that you mentioned in this issue. **The issue of the**
177 **investigation of the case is actually the issue of making sure to**
178 **restore the honesty so we will take care of that and will work**
179 **on the investigation of the case. On top of that, I would kindly**
180 **ask you if you have any additional information that you can**
181 **provide to us it would be very helpful for the investigation to**
182 **make sure that we administer justice in our country with**
183 **regard to the Ambassador to the United States from Ukraine**
184 **as far as I recall her name was Ivanovich.** *It was great that you*
185 *were the first one who told me that she was a bad ambassador*
186 *because I agree with you 100%. Her attitude towards me was far*
187 *from the best as she admired the previous President and she was*

188 *on his side. She would not accept*

189 **Trump:** *Well, she's going to go through some things. I will, have*
190 *Mr. Giuliani give you a call and I am, also going to have Attorney*
191 *General Barr call and we will get to the bottom of it. I'm sure you*
192 *will figure it out. I heard the prosecutor was treated very badly*
193 *and he was a very fair prosecutor so good luck with everything.*
194 *Your economy is going to get better and better I predict. You have*
195 *a lot of assets. It's a great country. I have many Ukrainian friends,*
196 *they're incredible people.*

197 **Zlenskyy:** *I would like to tell you that I also have quite a few*
198 *Ukrainian friends that live in the United States. Actually last time I*
199 *traveled to the Unit'ed States, I stayed in New York near Central*
200 *Park and I stayed at the Trump Tower. I will talk to them and I*
201 *hope to see them again in the future. I also wanted to thank you for*
202 *your invitation to visit the United States, specifically Washington*
203 *DC. On the other hand, I also wanted assure you that we will, be*
204 *very serious about the case and will work on the investigation. As*
205 *to the economy, there is much potential for our two countries and*
206 *one of the issues that is very important for Ukraine is energy*
207 *independence. I believe we can be very successful and cooperating*
208 *on energy independence with the United States. We are already*
209 *working on cooperation. We are buying American oil but I am very*
210 *hopeful for a future meeting. We will have more time and more*
211 *opportunity to discuss these opportunities and get to know each*
212 *other better. I would like to thank you very much for your support*

213 **Trump:** *Good. Well, thank you very much and I appreciate that. I*
214 *will tell Rudy and Attorney General Barr to call. Thank you.*
215 *Whenever you would like to come to the White House, feel free to*
216 *call. Give us a date and we'll work that out. I look forward to*
217 *seeing you.*

218 **Zelensyy:** *Thank you very much. I would be very happy to come*

219 *and would be happy to meet with you personally and get to know*
220 *you better. I am looking forward to our meeting and I also would*
221 *like to invite you to visit Ukraine and come to the city of Kyiv,*
222 *which is a beautiful city. We have a beautiful country, which would*
223 *welcome you. On the other hand, I believe that on September 1 we*
224 *will be in Poland and we can meet in Poland hopefully. After that,*
225 *it might be a very good idea for you to travel to Ukraine. We can*
226 *either take my plane and go to Ukraine or we can take your plane,*
227 *which is probably much better than mine.*

228 **Trump:** *Okay, we can work that out. I look forward to seeing you*
229 *in Washington and maybe in Poland because I think we are going*
230 *to be there at that time.*

231 **Zelenskyy:** *Thank you very much Mr. President.*

232 **Trump:** *Congratulations on a fantastic job you've done. The whole*
233 *world was watching. I'm not sure it was so much of an upset but*
234 *congratulations.*

235 **Zelenskyy:** *Thank you Mr. President bye-bye.*

236 So, in summary, the Democrats impeached Trump on the basis of
237 their interpretation of what they suspect was Trump's intentions
238 and based on the feeling others witnessed feeling when they read
239 this, although they did not hear the conversation. But the same
240 folks heard what you heard Biden admit to and they can't see quid
241 or quo, so, you know — this is not about justice, it's about revenge,
242 and about anger over losing an election, and about fear of losing
243 power, and about fear of having their Regressive policies reversed,
244 and about terror that Trump will "out" them for doing exactly what
245 it is they are accusing Trump of. At the end of the day, the dark
246 passions driving this anti-Trump hatred are, on the physical side,
247 it's all a cover up to hide from justice, and on the spiritual side, it's
248 all about rage against TRUTH, JUSTICE, and the AMERICAN (as

249 founded) WAY. That sounds trite, huh! Many have labored hard to
250 make it so. "They" have sought to create an environment where
251 such sentiments are ignored, mocked, despised, ridiculed. But
252 think about that statement. TRUTH — that's the very foundation
253 of liberty — Jesus said, The TRUTH would make you free.
254 JUSTICE — the ongoing work to execute corrections against
255 transgressions that violate our inalienable rights. And the
256 AMERICAN WAY — the American way is that JESUS is the
257 ONLY SUPREME SOVEREIGN, there is no KING but CHRIST,
258 and God's LAW guides our culture and our legislation — the
259 American Way is ONE NATION UNDER GOD.

260 So, the Dems did it! We are not surprised; although we hoped
261 more reasonable minds would prevail. Remember when Pelosi said
262 she was not for impeachment without BI-PARTISAN SUPPORT?
263 All impeachments in the past had wide bi-partisan support. Hah!

264 Schiff ignored the rule of precedent in impeachment proceedings,
265 and the LEFT did their usual dodge ball game with truth, bent the
266 language of those rules into conclusions no one came to in the last
267 two impeachment proceedings when the Republicans yielded
268 considerable latitude to the Democrats in the proceedings — you
269 understand that the Republicans did not read the rules the way
270 Schiff twisted them — and he did it to justify shutting out the
271 Republicans — because he did not want them bringing in witnesses
272 of their own choosing — and the ruse of inviting the President to
273 "testify" at their partisan controlled hearing and pretending this
274 was a concession to concerns that he be treated fairly is an insult to
275 our intelligence. That's like telling someone accused of a crime that
276 he cannot have representation or even invite witnesses he chooses
277 to defend him, but he can testify if he wants!

278 Do you not know that in virtually every criminal case the accused
279 is NEVER compelled to TESTIFY?

280 These guys have not left one single rule of decent jurisprudence
281 unsoiled by their filthy, evil, deception and distortions. The
282 wickedness prevailing in the Democrat party is palpable — beyond
283 that — tangible — you can SEE it and FEEL it — Our cherished
284 American values are being hammered and beaten and broken —

285 You watched Adam Schiff bludgeon Lady Liberty — he has spat on
286 her, kicked at her, cast his filth upon her — he is villain! He has
287 trampled beneath his dirty feet innocent until proven guilty, the
288 right of REPRESENTATION for the accused, the RIGHT OF THE
289 ACCUSED to FACE HIS ACCUSER, the right to call witnesses on
290 behalf of the accused, and he LIED, he purposely misrepresented
291 the Presidents phone call, he read into the record a complete
292 fabrication — and when called out, like the snake he is, he slithered
293 quickly left of the blow saying, Oh, it was parody — it was a joke!
294 Oh, so Schiff is clowning around with another man's character —
295 using LIES to do it!

296 Well, anyway, Pelosi has fallen! She was already pretty low, so the
297 fall was not precipitous — but whatever integrity she had when she
298 tried to fend off the raging lunatics of the left from driving the
299 Democratic Party off the cliffs of insanity — is shattered on the
300 shoals of hatred, greed, avarice, pride, arrogance, fear of men, fear
301 of loss of power, and so she has fallen fully into the grip of evil. She
302 said she would not move to impeach without bi-partisan support
303 — but not only did she join with Schiff in a PURELY PARTISAN
304 COUP ATTEMPT against Trump — they worked together to
305 ENSURE the REPUBLICANS were virtually shut out of the
306 process.

307 Well, though disappointed, we are not surprised. That Christianity
308 Today would come out and say right out loud in front of God and
309 everybody that Evangelical Christians should join the Democrats
310 in calling for Trump's removal from office, well, now, that was a
311 surprise. Let's talk about that next. I'll be right back.

312 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
313 at the Lighthouse, your brain masseur, and Paul Revere's lantern
314 lighter, lighting the lamps in the church belfry arch, signaling the
315 enemy is on the march, an enemy that would steal from us our
316 liberty.

317 Those Dems did it! And they are very proud of themselves; just like
318 *idiotes* who take pleasure in their own folly. The word *idiot* comes
319 from Latin, which has its roots in the Greek *idiotes* — which
320 basically means a person isolated in their own *id*. Remember,
321 Freud made a big deal out of the *Id*. An *Id-i-otes* is someone lost in
322 their *Id*. The *id*, remember, is made up of unconscious psychic
323 energy that drives the impulse to seek pleasure and reacts violently
324 against any interference with that pleasure. (Now, in the interest of
325 full disclosure, I'm drawing from insights discoverable only by
326 those who have looked deeply into the sometimes-disturbing dark
327 mind of Freud—haha!) Anyway, once again, you cannot assume I
328 use words flippantly, casually, or with an intention of being mean. I
329 use them because of their suitability to the point—and the POINT
330 IS, Pelosi, Schiff, and the rest of the minions advancing this false
331 narrative about Trump, are IDIOTES — persons so lost in their
332 own *Ids* they can't see beyond what will give them immediate
333 pleasure and that is the destruction of DEFECTOR TRUMP. That's
334 right. Another reason they hate Trump is that he defected from
335 their agenda, and grew beyond their control!

336 But, rest, my brothers and sisters in TRUTH, JUSTICE, and the
337 AMERICAN WAY! The matter cannot be decided until it is given
338 to the Senate, and it appears Pelosi does not want to do that —
339 probably because she knows it will turn into a defeat for them. It
340 requires a 3/4 majority to convict on impeachment, and there is no
341 reasonable way the Left can hope to pull that off. That does not
342 mean you should not be concerned and PRAY — because, as we
343 know, stranger things have happened.

344 But that takes us to the TRUTH — the Spirit in us is GREATER
345 than the spirit that is in the world. JUSTICE — God is a God of
346 justice, and if we TURN to HIM, we can expect Him to DELIVER
347 us from UNREASONABLE and WICKED MEN and women. And
348 the AMERICAN WAY — there are remnants of the American Way
349 remaining — there are enough of us left to right this ship tipping
350 left if we will ALL STAND UP — and MOVE RIGHT.

351 And that takes me to the assault from inside the Christian
352 community and Christianity Today's call for Trump to be removed
353 from office.

354 So, CT chimes in with their opinion that what Trump was doing in
355 that phone call with Zelensky was an attempt "to use his political
356 power to coerce a foreign leader to harass and discredit one of the
357 president's political opponents." This, they aver, is not only a
358 violation of the Constitution, it is "profoundly immoral."¹

359 They go farther, and allege that Trump has dumbed down the idea
360 of morality in his administration, referring to those in his
361 administration who have been fired and are now convicted
362 criminals. And this jewel of Christian charity and honesty—"His
363 twitter feed alone—with its habitual string of mischaracterizations,
364 lies, and slanders—is a new perfect example of a human being who
365 is morally lost and confused."

366 This editor for Christianity Today further opines that in his
367 opinion "the impeachment hearings have made it absolutely clear,
368 in a way the Mueller investigation did not, that President Trump
369 has abused his authority for personal gain and betrayed his
370 constitutional oath. The impeachment hearings have illuminated
371 the president's moral deficiencies for all to see." He refers to
372 Trump's character as "grossly immoral." He says, "we are playing
373 with a stacked deck of gross immorality and ethical incompetence."

¹ <https://www.christianitytoday.com/ct/2019/december-web-only/trump-should-be-removed-from-office.html>

374 And he gives a prophecy—"It will crash down on the reputation of
375 evangelical religion and on the world's understanding of the gospel.
376 And it will come crashing down on a nation of men and women
377 whose welfare is also our concern."

378 This, they aver, is not only a violation of the Constitution, it is
379 "profoundly immoral."²

380 There is so much wrong headed and wrong hearted about this that
381 it is difficult to know where to begin. I'm going to begin addressing
382 this now, but, wow, this is a time when I really wish I had an hour
383 or a three hour slot — so I will continue my comments on this in a
384 message Sunday night at 5 pm. This must be answered.

385 Believe me, if you understood the biblical principles underlying
386 God's dealings with nations, you would be able to see through this
387 nonsense from a very confused Christian.

388 The something you need to stop and consider if you are reading
389 this, and it sounds plausible to you, is that this is the editor of
390 Christianity TODAY — get my book, The New Cart Church and
391 enough said.

392 However, that is not enough for my show. So! As almost everyone,
393 even non-Christians, will admit, Christianity TODAY is a mess. It
394 has lost its authority because it has lost its spiritual integrity having
395 capitulated to the world — and surrendered to feel good, ear
396 tickling, pastors who feed themselves and not the flocks.

397 Anyway, the second thing you need to notice is that this brother
398 premises his argument on his opinions about Trump's behavior
399 and actions.

400 He should be ashamed of himself pretending he knows Trump's
401 motivations in his call to Zelensky was to use his political power to
402 coerce a foreign leader" to do anything. No reasonable person

² <https://www.christianitytoday.com/ct/2019/december-web-only/trump-should-be-removed-from-office.html>

403 could read this and say it shows an effort to COERCE anything
404 out of anybody. It was a very mutually friendly conversation, and
405 Trump asked Zelensky to do US A FAVOR — (isn't perfectly
406 reasonable to assume, if we are going to assume, that Trump meant
407 DO AMERICA A FAVOR and get this sorted out? The arrogance
408 of this editor for Christianity TODAY is appalling. Who does he
409 think he is to lay his own personal bias against the President —
410 Now, I did not start there, maybe I should have, but here is the
411 point, cause, I gotta close — the editor in chief of Christianity
412 Today has an obvious bias and animus against Trump — Trump's
413 tweet galls him, his mannerisms irritate this brother, it offends him
414 that his President would be so crass, and unrefined—he equates
415 what he considers crass behavior with unrighteous behavior — But
416 I'm telling this is the same sort of *Gracey* Christian that would have
417 been totally offended at Jesus several times during His ministry,
418 they would have been deeply offended by the gruff manner of an
419 Elijah. This kind of Christian could never handle a Samson, or an
420 Elijah, or a Saviour who tells people they had better cut off their
421 hands rather than to end up in hell fire where the fire is never
422 quenched and the worm never dies. These guys repudiate Jesus
423 every time they pretend to apologize for Him, and explain away his
424 "coarse preaching style" — as when He railed on the Pharisees as
425 hypocrites full of dead men's bones. My point is that Christianity
426 TODAY is not the Christianity of pointed preaching Jesus, or Paul
427 who called the Athenians superstitious.

428 And that is too bad. But has it also degraded to accusing someone
429 on the basis of suspicion, or an arrogant presumption they know
430 someone's motives? Has this ridiculous editor said ONE WORD
431 about BIDEN's OBVIOUS quid pro quo? Maybe it's because he
432 does not have enough information about that to know whether
433 Biden was actually attempting to COERCE A FOREIGN LEADER
434 TO PROTECT THE INTERESTS OF HIS SON — and so, Okay!
435 How then does this guy know Trump was trying to get dirt on his

436 political opponent? Have we heard anything from this character
437 about Hillary's obvious obfuscations? This guy virtually dismisses
438 the spectacle of egregious effrontery to justice we witnessed day
439 after day in the impeachment proceedings with a, "well, okay, so
440 Trump did not get a fair shake in the impeachment proceedings"
441 — and he is not alarmed at the virtual destruction of almost all our
442 cherished values that represented? But he gets stirred up enough
443 about some Tweets that he is going to call for the President to be
444 removed — a President that has done more for LIFE, for LIBERTY,
445 and the PURSUIT of Happiness than any President in recent
446 history. Well, I must go. See you in church!

447 I have lit the lamps in the Church belfry arch and now you let me
448 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
449 ON and you will ride like Revere and spread the warning,
450 (essentially, it means you agree with what I'm saying) or you say
451 LIGHTS OFF -- which means you reject what I'm saying and
452 disagree strongly with me. So, what will it be today, lights on, or
453 lights off?
