1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain

4 Happy New Year!
5 [THE BATTLE FOR AMERICA IS ON]
6 The Battle for America is ON! This year we will decide to pull
7 America entirely out from "under God" or reaffirm our heritage.
8 Last week ended with an attack on Jews in New York. A crazy man
9 entered the home of a Rabbi on the seventh day of Hanukah and
10 stabbed five people. That was December 28. We are told the
11 perpetrator showed no signs of anti-Semitism in his history. He is
12 pleading not guilty on grounds of insanity.
13 The week began with the church shooting in White Settlement,
14 Texas.
15 As per-usual, this shooting provoked Progressives to display
16 glaring examples of the insanity afflicting liberalism today.
17 On the day after the shooting, Schumer treated us to another
18 public display of Progressive hatred for Christianity, especially,
19 Christians that support Trump.
20 Iran backed rioters mass at the U.S. Embassy in Iraq and threaten
21 to breach. Trump's response provides a stark contrast to Obama-
22 Hillary's Benghazi.
23 Meanwhile, in America, a "transgender man gives birth to non-
24 binary partner's baby with female sperm donor." A new group
25 crawls out of the closets of devilish darkness — trans-species. Yep!

26 In the What's Next department — here it is — people who "identify
27 as giraffes" — or foxes, or owls, or — Tran-species.

28 An American University that censures conservative speech on their
29 campus appropriately erects a Palestinian terrorist shrine. And
30 making the circuits on some obscure talk shows and YouTube
31 channels is an Islamist Cleric explaining how Mohammed honored
32 women by laying out the rules for wife-beating.

33 And, Michael Moore warns blacks to be afraid of whites — yeah!
34 2/3rds of whites voted for Trump, so, warns Moore, if you see three
35 white guys coming toward you, you know two of them voted for
36 Trump, so you should move to the other side of the road, cause
37 these are "bad people."

38 Jihadi Iranians in uproar over American strike that took out one of
39 their top generals: Qassem Soleimani. And what made Qassem
40 Soleimani so popular among jihad-headed Iranians? And why are
41 Democrats angry at Trump for taking him out?

42 Oh, and Biden threatens to nominate Obama to the Supreme
43 Court if he is elected President this coming November. As if we
44 needed another reason to not vote for Biden!

45 It's time for your Brain Massage!

46 [TRUTH]

47 A crazy man entered the home of a Rabbi on the seventh day of
48 Hanukah and stabbed five people. He is pleading not guilty on
49 grounds of insanity. We are told the perpetrator had a history of
50 mental health issues and showed no prior signs of anti-Semitism.

51 So, he simply wandered 22 miles from his home in Greenwood
52 Lake to Monsey, a well-known enclave of Hassidic Jews in Orange
53 County, New York, wearing a mask, and wielding a knife, went
54 directly to a Synagogue there, and into the Rabbi's house on the
55 property, stabbed five Jews, tried to enter the Synagogue, but could

56 not because the worshippers heard the commotion and bolted the
57 doors, got into his car and drove off.

58 He is pleading insanity—I suggest his mind was under the
59 influence and control of devils that guided him to one of their
60 favorite targets. You explain it! Here is a guy that lives in
61 Greenwood that puts on a mask, drives 22 miles, in New York
62 traffic that's all of half an hour, goes to a Synagogue, enters the
63 Rabbis' home and starts stabbing people. No motive! Robbery does
64 not make sense; he could have robbed any number of homes in
65 Greenwood. But he goes to a Synagogue — you get the idea.

66 And Cuomo comes out with his statement: "We see anger. We see
67 hatred exploded. It's an American cancer on the body politic." —
68 you know who he is talking about, right?

69 Look in the mirror, fellow. You and your comrades in the Socialist-
70 Democratic Party are the ones fomenting this hatred. You are
71 stoking it at every opportunity. Who are the people attacking
72 others over, well, how about wearing a MAGA hat? Do you really
73 think Americans are not paying attention to this?

74 So, that's how last week ended.

75 The week began with the church shooting in White Settlement,
76 Texas. White Settlement gets its name from the fact that it was the
77 only white settlement in the area surrounded by Indian Villages.
78 You've got an Indian village here, and an Indian Village there, and,
79 oh, over here is a White Settlement —. Precious little is known
80 about this guy. I'm sure if he attacked a black church, or a
81 Synagogue, or if the perp was a Trump supporter, you'd get 24/7
82 coverage examining every pore of his face. So, with effort, I could
83 dig up a little information: he had been in trouble before, tried to
84 dodge it with a mental health claim but was considered able to
85 stand trial after all. Anyway ...

86 He was in disguise, so the worshippers did not recognize him as the
87 semi-homeless guy with drug problems and past involvement with
88 "the law" that they had helped several times before, but had to put
89 an end to the handouts for some reason, perhaps he asked for
90 something inappropriate, or refused to make any real efforts to
91 reform his life. So, you have another case of guy claiming to be
92 insane, this time, enraged against Christians, who decides to use
93 violence to express his hatred. Thank God the Texans were ready.
94 The Church had armed security in place, and the killer was stopped
95 within 3 seconds. Imagine, Mr. Lennon, how many people this
96 murderer could have killed before the police arrived and were able
97 to subdue this character. Because an armed good guy was present
98 and ready to act, this monster did not even have time to identify a
99 hostage to use —.

100 But, as per-usual, this shooting provides Progressives an
101 opportunity to display their own bran of insanity. What is it with
102 these people?

103 Bloomberg is a blooming idiot! I don't what else to say! Seriously,
104 it's getting beyond flabbergasting — it's gone, like, into the Twilight
105 Zone — (play twilight zone music) — or something. Are these
106 people under the power of some Zombie mind-control thing?
107 Haha. But really —

108 Bloomberg is running for President — keep this in mind. After the
109 Shooting in a church in Texas, where an "average citizen" with a
110 gun shot and killed a monster that had crept into the church with a
111 shotgun and used it to kill two church people, stopping that wicked
112 evil person from murdering who knows how many he would have
113 killed if he had not been stopped—and Bloomberg says, "A person
114 in the congregation had his own gun and killed the person that
115 hurt two other people ..." now, I want to stop there for a moment.
116 Think about wicked this man is. He speaks of the church member
117 who "had his own gun" and says that the church member "killed

118 the person" and, now listen, the person that "hurt two other people"
119 — I don't know if you are seeing this clearly, yet! These people are
120 unreasonable and wicked. That's a Bible expression, by the way.
121 Paul asked his fellow Christians to pray God would deliver them
122 from "unreasonable and wicked men." Listen. I mean, there is
123 unreasonable, and that is a huge problem. Unreasonable people do
124 not think logically. This can be on account of their emotions
125 interfering with clear thinking, or because they are deceived, or
126 whatever, but then there are the unreasonable and wicked.

127 That word, *wicked*, means to have an intention to hurt, who have
128 malice against what is right. These people desire to advance an
129 agenda that will bring harm. So, Bloomberg can't even bring
130 himself to identify the perpetrator as being a killer, but he wants to
131 implicate the hero, who delivered the congregation from this
132 monster, he will refer to him in way that makes him out to be the
133 killer. Then, Bloomberg goes on, he say, "But it is the job of law
134 enforcement to carry guns and decide when to use them."

135 WHAT? Oh, God deliver us from this unreasonable and wicked
136 man. What is the thinking here? Deprive perfectly innocent people
137 from protecting themselves? It would have taken, I think the
138 estimate was 9 minutes, for law enforcement to arrive, and who
139 knows how long before they could set up their perimeter and begin
140 breaching the building, I mean, we are likely talking about ten to
141 twenty minutes — this guy already shot two church members and
142 aimed his gun at a third when he was put down —

143 Bloomberg is saying he believes **ONLY THE GOVERNMENT**
144 **SHOULD HAVE GUNS**. One of our Founders said something to
145 the effect that anytime government starts saying the people should
146 not be free to keep and bear arms, it's time make sure you have
147 arms because they are getting ready to establish a tyrannical state
148 and to imprison the population and control us.

149 Think about this. Bloomberg says, "You just don't want the average
150 citizen carrying guns in a crowded place" — Really?

151 I'll bet you Bloomberg is protected by armed bodyguards
152 everywhere he goes.

153 I am so sick and tired of this uppity, self-absorbed, sophists who
154 think they are above "the little people," and know we can't be
155 trusted with guns but they have the money to hire body guards to
156 shield them — well, I'll TAKE JESUS' COUNSEL ON THIS ONE
157 MR. BLOOMING BERG — He said I NEED A SWORD — He did
158 not say you need to depend on the Roman government to protect
159 you — He said YOU WILL NEED A SWORD. And I think I trust
160 Jesus' wisdom above that of Bloomingberg!

161 Remember, Biden mocked the Texas governor for passing
162 legislation allowing lawful gun owners to carry guns into places of
163 worship. Guess what Biden said? He said, "It's just absolutely
164 irrational. It's totally irrational." Well, Biden, you tell the families in
165 that church whose lives were spared by a gun totting Texan who
166 was ready and willing to intervene on behalf of the good guys
167 against the bad guy that was trying to kill them.

168 On the day after the shooting, Schumer treated us to another
169 public display of Progressive hatred for Christianity, especially,
170 Christians that support Trump.

171 The disdain Democrats have for the American people should cause
172 all their supporters to revolt against them. It will open the eyes of
173 some, thank God. But many are under the same "spell," as it were.

174 It's like watching a movie where some evil, and malicious, demon
175 has grabbed control of the minds of otherwise rational human
176 beings and has turned them into mind-numbed robots mouthing
177 some of the most ridiculous notions — I mean, it's not possible
178 that a normal human being, in his right mind, would think this
179 way.

180 Chuck Schumer, on the day after the Texas church shooting, comes
181 out and answers a question posed to him: the question was "why do
182 good people support Trump?"

183 So, Chuck Schumer answers, "Why do good people support
184 Trump? It's because people have been trained from childhood to
185 believe in fairy tales. ... This set their minds up to accept things
186 that make them feel good. ... The more fairy tales and lies he
187 [Trump] tells the better they feel. ... Show me a person who
188 believes in Noah's Ark and I will show you a Trump voter."¹

189 It's Schumer's own "Bible and gun clinger" moment! You
190 understand, of course the every Evangelical that believes the Bible
191 is the Word of God believes in Noah's Ark. This is what Chuck
192 Schumer thinks of every Christian that takes the Bible seriously.
193 And the point I'm making, obviously, don't try to play that game
194 with me. Yeah, Chuck knows that Trump's support comes from
195 Bible believing Christians — that's not the point being made by the
196 devils that pull Chucky's strings.

197 He is publicly denouncing biblical Christianity. He is mocking
198 Christians that believe the Bible; he is mocking our faith; he is
199 mocking us. He is saying that the Bible account of the Flood is a
200 fairy tale — and he is denigrating all churches and parents that
201 teach their children these Bible stories as teaching them fairy tales
202 — he explains the phenomenon of Trump supporters as the result
203 of people who grew up being taught the stories of the Bible.

204 I hope you are listening to what's going on here. I'm telling you, the
205 lines for this battle are drawn between believers and non-believers.
206 For Christians, the *them* is non-believers and the *us* is believers.
207 For the Democrats today, the *them* is believers, and the *us* is
208 nonbelievers. Sadly, the Democrats have made it a *them* or *us*
209 proposition. Okay, I must take a short break. I'll be right back.

¹ Newsbusters, December 29, 2019. Read from a letter Schumer wrote to the Editor published in Lexington Herald Leader.

210 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
211 at the Lighthouse, your brain masseur, and Paul Revere's lantern
212 lighter, lighting the lamps in the church belfry arch, signaling the
213 enemy is on the march, an enemy that would steal from us our
214 liberty.

215 Iran backed rioters mass at the U.S. Embassy in Iraq and threaten
216 to breach. Trump's response provides such a stark contrast to
217 Obama-Hillary's Benghazi it refuels our anger at Hillary & Obama
218 for how they betrayed Ambassador Stevens and left American
219 Citizens to be slaughtered by terrorists in Benghazi. And why? To
220 protect their fairy-tale political narrative! That's right! The Obama
221 administration had worked hard to sell us on the idea that if we
222 were nice to the terrorists, they would be nice to us. And, by the
223 way, that narrative was a ruse to put us to sleep while they ARMED
224 TERRORISTS (that's what was going down in Benghazi, folks),
225 FINANCED TERRORISTS (oh yeah, dropped a billion plus on
226 them in cash) — Obama, the terrorist coddler we arming them and
227 financing them.

228 All while at the same time terrorist cells were being set up all over
229 America, planning, plotting, waiting for the time to strike. What's
230 in the way? An ARMED CITIZENRY — an ARMED AND ABLE
231 CITIZENRY — American's with guns, ready to defend themselves
232 if and when the Jihadis attack. Sound far-fetched?

233 Why do you suppose the higher levels of Democrats and others on
234 the inside get so panicked when America takes real action against
235 these terrorist countries. They immediately start crying about
236 "escalation."

237 Now, when Qassam Soliemani attacks Americans, that's not
238 escalation. When he sets up covert operations to undermine Iraqi
239 sovereignty and attacks Americans, that's not escalation. If Iran
240 kills American contractors or construction workers, that's not

241 escalation. But if America DOES SOMETHING ABOUT IT —
242 well, now, that's escalation.

243 You might not have a great deal of knowledge about WWII but
244 there were traitors here during the lead in to that war who talked
245 exactly the same way. And remember that TIME Magazine put
246 Adolf Hitler on the cover of their magazine and hailed Hitler —
247 and remember that some American industrialists were actually
248 supporting Hitler.

249 But there are differences now.

250 Now, an entire political Party seems sold out to the enemies of
251 America as founded. Why would anyone even remotely interested
252 in protecting American lives, and advancing the cause of LIBERTY
253 and JUSTICE for ALL not want an evil man like Qassam
254 Soliemani taken out?

255 That is the job God ordained the sword to do in the hands of civil
256 governments. That's the point of the sword, so to speak! Romans
257 13:1-6 — check it out. The whole POINT of civil government is to
258 execute WRATH upon those that do evil. Soliemani orchestrated
259 the murder of thousands of innocents, was a clear and present
260 danger to American's everywhere, was targeted by American
261 officials for over a decades now, and this enemy has been killed in a
262 retaliatory strike against Iran for committing "acts of war" against
263 America multiple times.

264 So, why do Democrats, who have openly bowed and scrapped to
265 the Terrorists of Iran, who have virtually Islamed (means
266 submitted to Islam) and kissed their hand, and have attempted to
267 bow the knee of America to Allah — why? Why all this kiss-up to a
268 modern day evil empire? They are afraid?

269 Did they hope to use Islam to destroy Christianity in America and
270 then turn and destroy Islam? What is the end game here?

271 What explains their behavior?

272 Apparently, some Hollywood elites are afraid Iran is going to
273 attack us here in America? Now, where would they get that idea?
274 We get blamed for expressing concerns about the sleeper cells we
275 are sure are set up all over America right now, but what about the
276 Hollywood crowd? What are they afraid of?

277 McGowen's reaction to Trump's attack on the Iranian general,
278 famous in Iran for multiple attacks on Americans, tweets in a near
279 panic: "Dear Iran. The USA has disrespected your country, your
280 flag, your people. 52% of us humbly apologize. We want peace with
281 your nation. We are being held hostage by a terrorist regime. We
282 do not know how to escape. Please do not kill us."

283 What is she afraid of? Does she know something about the plan to
284 trigger multiple terrorist cells already planted in America, aided
285 and abetted by the Obama administration, and Democrat's refusal
286 to protect our borders, is she afraid? She knows there are multiple
287 terrorist cells in place in America right now and she is afraid the
288 Iranians are going to pull the trigger on those cells?

289 What prevents these terrorists who have openly called for the
290 destruction of the little Satan and the great Satan — Israel, and the
291 US, what prevents them from triggering their terrorist cells?

292 An ARMED CITIZENRY — an ARMED AND ABLE CITIZENRY
293 — American's with guns, ready to defend themselves if and when
294 the Jihadis attack. Men like the "average citizen" Bloomberg
295 despises, who carried his gun to church and was ready and willing
296 to engage when a "domestic terrorist" pulled a shotgun and started
297 killing Christians.

298 You see that's what happens here when this sort of thing is tried. In
299 other countries, where the government has succeeded at lulling
300 people into giving up their right to bear arms, they can round up
301 Christians and slaughter them by the hundreds, even thousands —

302 the most persecuted religious group in the world today is
303 Christians.

304 What stops them from this in America? An Armed citizenry!
305 Average people, Mr. Bloomberg, who are willing and ready to
306 defend themselves and their families.

307 You want to know why Jesus said to His disciples, you are going to
308 need a sword? Do you want to know why Jesus emphasized the
309 need for His followers to arm themselves when He departed this
310 earth — I means, He said, get your script (money) and coat — but,
311 listen, if you have to sell your coat to get a sword, do it! The reason
312 is that He saw it coming! He knew that in some places, the
313 ordained authority put in place to execute wrath upon evildoers,
314 would be turned against the true children of GOD. He knew that
315 entire countries would attempt to confiscate all the arms and then
316 use them to subdue entire nations to tyrants.

317 God ordained the power, but gave you the freedom to choose who
318 holds that power. Hosea 8:4 — God complained against Judah that
319 she had "set up kings, but not by Me." You have heard it said by
320 heretics speaking lies in hypocrisy that ALL RULERS ARE
321 ORDAINED OF GOD. The Bible does not teach that wicked lie.
322 We put men into power AGAINST THE WILL OF GOD — and
323 when we do — WE LOSE OUR LIBERTIES.

324 Listen, Christian, you have let seducing spirits teaching doctrines
325 of devils deceive you into believing all sorts of lies—heresies—
326 teachings that are contrary to what Christ taught us. Jesus said
327 GET A SWORD; He emphasized this need. He said GETTING A
328 SWORD is a priority. He said, if you have to sell your coat to get a
329 sword, do it.

330 Upon the Authority of JESUS CHRIST — Christians are to have a
331 sword for SELF PROTECTION.

332 It's an inalienable right! It is the COMMAND OF CHRIST our
333 KING.

334 It is NOT to be used to advance the GOSPEL — the SWORD of the
335 SPIRIT is the ONLY SWORD to be employed in that work.
336 Coercion is absolutely forbidden by CHRIST — it's WHOSOEVER
337 WILL may come. Every sinner is commanded to repent and
338 believe, but no sinner is to be compelled to do so against his or her
339 will.

340 Why is the spirit that operates, really, that controls the left today,
341 so intent on disarming Americans? And why are they becoming
342 increasingly hostile toward Christians? You've noticed. They are
343 becoming open in their hostility toward people of FAITH — that
344 is, the FAITH OF JESUS CHRIST as LORD.

345 Why are they so laser focused on this animus against biblical
346 Christianity and against Americans generally keeping and bearing
347 arms? Look, I'll be honest with you; I'm concerned that they are so
348 totally under the power of the spirit of antichrist today, they are
349 sold to the tyrannical spirit Satan — the "prince of the power of the
350 air, the spirit that now works in the children of disobedience."

351 I'm concerned that for decades now, or longer, they have been
352 laying the foundation for a coup, to take over America, to
353 COMPEL us to conform to their idea of political correctness. You
354 have heard the insinuation — Hillary has said right out loud in
355 front of God and everybody, that Christians are just going to have
356 to change their views, they are simply going to have to stop
357 resisting their agenda.

358 They criminalize our faith — they want to pass laws that make
359 illegal to speak openly against homosexuality — they are turning
360 the power of government to use the sword Christ intended would
361 be used to protect our inalienable rights, to use that sword, that
362 force compulsion to enforce laws that take away our liberties.

363 Well, Trump is using the sword the way Christ intended. Way to
364 go Trump. That's righteous use of the sword ordained to execute
365 wrath against evildoers in the protection of our rights and liberties.
366 Yep! It's right there in the book our founders quoted and alluded to
367 so often, that early jurists recognized as the source of the wisdom
368 that shaped our Republic and served as foundation for our laws —
369 the Bible. Romans 13:1-6. So many quote that verse to encourage
370 Christians to bow to evil rulers as if God ordains them — might do
371 you well to actually read the passage beyond verse one. It's just like
372 the Devil to take a verse out of its context.

373 Okay, I need to move toward the conclusion for today's "really big
374 shew."

375 There is a theme here, although in my passionate extempore
376 speech, the bright light emanating from my prophet's boil, might
377 have your eyes blinking — but, let's settle down. Breathe, that's it,
378 in, out, now slow it down, innnnn, ouuuut— okay, eyes focused
379 now on the bigger picture of the brain massage session for today?

380 The irrational thinking on the left cannot be explained as
381 proceeding from any natural, and certainly, not from any good
382 source. My friend, the only explanation for this is demonic — I'll
383 speak to this Sunday night during the Issachar Report! Don't miss
384 it. How to Spot Demonic Influence.

385 How else to you explain the incredible phenomena of what
386 amounts to mass hysterical illusion — or mass delusion syndrome!
387 For one minute, ask yourself a few simple questions.

388 Would anyone you know accept this nonsense thirty or twenty
389 years ago? It's insanity to deny reality. Right? Isn't that, like, a
390 fundamental of mental health. When someone begins believing
391 what is clearly contrary to reality, isn't that the definition of
392 insanity.

393 Schumer says we Christians are the ones believing in fantasies —
394 but he is buying into the notion of 51 genders.

395 A "transgender man gives birth to non-binary partner's baby with
396 female sperm donor." Right? So a woman that believes in the fairy
397 tale that if she calls herself *they*, she is by that declaration neither
398 male nor female. She marries another woman who believes the
399 fantasy that if she desires to be a man, and has a surgery where they
400 connect a male part, she is therefore a man. Hmmm. Having male
401 parts naturally, at birth, does not make someone a man, according
402 to them. But having one sown on does? Nevermind that her entire
403 cell structure down to the DNA is FEMALE, she had someone sow
404 a part on her body and that makes her male. Okay, so you have two
405 crazy people. One is a biological female but she has her breasts
406 removed, and leaves the rest intact, so she is neither male nor
407 female, so she calls herself *they* with baby making organs. Now, the
408 female that had one sown on cannot produce sperm. So, this
409 couple gets another tranny — a male who calls himself a *they* or
410 something, and collects his sperm and uses it to impregnate this
411 woman who denies she is a woman, and calls herself a *they*. Okay!
412 Then this *they* carries the baby to term, decides not to murder it,
413 but gives birth, and now the Democrats are rejoicing that a tranny
414 couple gave birth — and it's all fantasy! At the end of the day, it's
415 male sperm joining female seed producing a child.

416 If this is not living in a total FANTASY — nothing is.

417 And so, what's next. It's already here. Tran-species. Watch, they
418 will soon pass a law that requires you to call someone a giraffe if
419 they decide that's what they are.

420 I have lit the lamps in the Church belfry arch and now you let me
421 know if you see them. Email me by going to our web site at
