

Brain Massage: Show No. 762 The Impeachment Parade of Fools / The True Purpose of Environmentalism / Will The Second War For God Endowed Rights Begin In Virginia?

Jerry Scheidbach

Original Air Date: 01.18.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Busy week. How about you?
5 By the way, to all my friends in the LA area — I'll be doing a
6 conference on Calvinism beginning Friday evening at 7pm for
7 Liberty Baptist Church in Norwalk, CA — hope to see you there!
8 New evidence? Why are the Dems pressing McConnell on whether
9 he will allow "new evidence" to be heard at the Senate trial? How
10 about let's have some old evidence — how about we hear from
11 Trump's accuser? Who is the Whistleblower? His name is "out
12 there."
13 The Impeachment parade of Clowns — that had to be the most
14 foolish nonsense I've ever watched. Pelosi and these jackals yuck it
15 up while Pelosi makes a mockery of signing the articles of
16 impeachment — smiling, almost giggling, and then they all pose
17 for pictures with their souvenir *Impeachment* pens after the
18 signing—wow! Afterwards, they march to the Senate chambers all
19 officious and somber — O God! These people are so pathetic.
20 What exactly is their game plan for November?
21 Iran protestors went to the streets against Soleimani — kicking his
22 picture, tearing it down as onlookers cheer and jeer Soleimani's
23 remembrance — God protect these brave Iranians. Earlier, Iranian
24 officials set the Israeli and US Flag in the street and encouraged
25 Iranians to walk on them, but most refused to walk on the
26 American flag. Once again, the Obama crowd abandons the brave

27 Iranians who protest against their murderous regime—refuse to
28 acknowledge them, but attack Trump for taking out Soleimani.
29 Supposedly because he did not get Congress' approval before
30 authorizing the strike.

31 Hmmm. Obama took out Osama, Al-Awaki, and Ghadafi without
32 Congressional approval — crickets from Congress back then.
33 Osama was a washed up has-been, Al-awaki was a current threat,
34 but we were not told there was any Intel about an imminent attack.
35 Ghadafi was no threat to the U.S. at all. Reagan took care of that
36 long ago.

37 These Demoncrats are delusional—first, they block a resolution to
38 condemn Iran for murdering protestors, and shooting down a
39 passenger plane, and Pelosi, their feckless leader, accuses
40 McConnel of being a Russian asset!!!

41 Here you go! A Climate Change advocate reveals the heart of the
42 movement — he said with the extinction of humans, all other
43 species will have a chance to survive and revive.

44 American schools teaching Buddhist meditation to students — but
45 we want them to allow Bible reading in Schools, right. So!

46 And the Dems are angling for a way to spark an armed resistance
47 against God fearing patriots. It's Bernie's "Revolution" — and Anti-
48 Revolution — that rising up of the children of disobedience to
49 undo the Declaration—to undo liberty and justice for all—to take
50 this nation out from under God by force. And the powder keg is
51 Virginia — again? Let's look at Virginia!

52 My friends — it's time for your brain massage.

53 [TRUTH]

54 I'm going to take a moment and shine some light on the spirit of
55 environmentalism. Les Knight founded the Voluntary Human
56 Extinction Movement. If you think he should be dismissed as a

57 crackpot, well, you're right. But there are a whole lot of cracked
58 pots following him—he raises millions for his movement, and in
59 truth he simply is saying out loud what many in the
60 environmentalist movement believe secretly. Not all are so radical
61 as this character. But they all share a common belief — humans are
62 bad for the planet. Animals need to be protected from humans, the
63 environment needs to be protected from humans — the fewer
64 humans the better.

65 Knight said, "Fifty years ago, I concluded that the best thing for the
66 planet would be a peaceful phase-out of human existence. We're
67 causing the extinction of hundreds of thousands of other species.
68 With us gone, I believe ecosystems will be restored and there will
69 be enough of everything. No more fighting over resources."¹

70 What interests me in this is the rattle of the serpent discernible in
71 the rhetoric of the environmentalist movement. INCOMING:
72 BRILLIANT MISSILE of INSIGHT on target to explode another
73 demon nest hiding in liberal minds:

74 The liberal view of environmentalism is in direct opposition to the
75 CREATOR of this planet. When God created Adam and Eve, He
76 expressly gave to man something called *the dominion*. This was
77 control over the resources of the planet Earth. And man was
78 instructed to subdue the planet — the word translated *subdue it* is
79 *kabash*. (You've heard of putting the *kabash* on something!) It
80 means to bring it under the control, to take it into subjection with
81 the idea of using its resources to benefit mankind. God intended
82 man would make the environment serve him.

83 Obviously, to do that, to make the environment serve his needs, he
84 would need to "tend it" — to *till the ground*. Men "subdue" nature
85 when they rip up weeds, and plant fruitful seed, and tend the
86 ground — when they thin forests and plant more trees to use the

¹ <https://www.theguardian.com/lifeandstyle/2020/jan/10/i-campaign-for-the-extinction-of-the-human-race-les-knight>

87 lumber to build shelters, and you get the point. Obviously, man
88 must be a good steward of that over which he was given dominion.

89 Satan hates God and hates man—God gave to man what he
90 coveted, the image and likeness of God—and put the Earth under
91 man's dominion. Satan wants to destroy mankind. That's his goal.

92 He has come close a couple of times—but God in His mercy
93 intervened by His grace. Satan wants to destroy mankind, and he is
94 full of devilish wiles.

95 He is represented in Scripture as a serpent, a bull, a goat, the fly,
96 and in every culture he is worshipped in nature—in trees, in dirt, in
97 all manner of bugs. Ever notice that? Satan is worshipped by men
98 bowing down to nature—kneeling before trees or things made
99 from trees, and rocks, worshipping gods that represent various
100 aspects of nature. Satan turns the heart of man to worship nature,
101 instead of Nature's GOD.

102 The environmentalist movement is another manifestation of that
103 same spirit — the antichrist spirit of Satan attempting to
104 subordinate man to nature, to reverse the Divinely appointed
105 order, to make man subservient to nature — to literally reverse the
106 ORDINANCE of GOD.

107 It's another voice in the clamoring choir of Satan's rage against
108 God and mankind which He loves — "let us break their bands
109 asunder and cast away their cords from us."

110 It's like Satan positions himself as the advocate for nature against
111 its Creator for putting it under the foot, at the mercy, of men.

112 You hear it in Knight's rhetoric: "Fifty years ago, I concluded that
113 the best thing for the planet would be a peaceful phase-out of
114 human existence. We're causing the extinction of hundreds of
115 thousands of other species. With us gone, I believe ecosystems will

116 be restored and there will be enough of everything. No more
117 fighting over resources."²

118 Remember, I've said it often; every war fought on the planet is a
119 battle between kingdoms, or nations, for control of its resources.
120 God's children assert their dominion privilege as Under God, as a
121 gift from their CREATOR — like their inalienable rights. Those
122 under the influence of Satan move to take control of Earth's
123 resources by force, by violence. This is what Jesus was pointing out
124 when He said the violent take "the kingdom of Heaven" — the
125 Dominion over the earth appointed by God to men — by force.

126 Wars are the result of one nation attempting to take by force what
127 is given to another people by GOD — Who "rules in the kingdoms
128 of men" and gives the kingdom to whomever He chooses. The
129 aggressor takes by force what God has given the defenders by
130 Divine decree.

131 We are given by God inalienable rights — among them, life,
132 liberty, and the pursuit of happiness — the right to subdue our
133 piece of the earth as God ordained, and this includes the right to
134 defend ourselves against those who would violently attempt to
135 usurp our rights, to drive us into slavery to themselves and or to
136 nature.

137 Isn't it interesting that the devil's crowd always resort to violence to
138 subjugate God's people to their will and to service to their silly and
139 ridiculous and evil whims?

140 My new book, *God's War*, explains all of this in great detail. Get it
141 on Amazon, or from our bookstore.

142 Perhaps you think this is "out there." Well, it is! To be sure. It truly
143 is *out there*. From Washington Times: "A Project Veritas video
144 released Tuesday showed a man identified as a campaign organizer

² Ibid

145 for Democratic presidential hopeful Sen. Bernard Sanders saying
146 'cities burn' if President Trump wins reelection and predicting
147 violence against police at the 2020 Democratic National
148 Convention in Milwaukee.

149 "Asked what would happen if Mr. Trump is reelected, the man
150 described as Sanders campaign field organizer Kyle Jurek said, 'F-
151 ing cities burn," adding, "I mean, we don't have a lot of time left,
152 we have to save f-ing human civilization.'

153 "In the undercover video, the first in the Project Veritas
154 #Expose2020 series, he also expressed support for ideological
155 reeducation [of] Trump voters; compared such Americans to
156 Nazis; praised Soviet-style gulags; and predicted police would be
157 "beaten" in riots at the party convention."³

158 Mark Levin—God bless him—aired some of this on his show
159 recently and even I was shocked. This guy is a campaign worker for
160 Bernie Sanders, Communist Bernie—beginning to get the picture?

161 It's bizarre that Kyle *Jerk* — campaign worker for Bernie Sanders
162 — would talk about reeducation camps for Trump supporters, and
163 call them Nazis in the same breath.

164 Only one power can account for such twisted logic and that is the
165 power of darkness—Satan, stabbing his forked tongue into the
166 minds of these loons and scrambling their brains and draining out
167 all common sense and logic.

173 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
174 at the Lighthouse, your brain masseur, and Paul Revere's lantern
175 lighter, lighting the lamps in the church belfry arch, signaling the
176 enemy is on the march, an enemy that would steal from us our
177 liberty.

178 You all watched or heard about the Demoncrat's parade of clowns
179 — I watched that farce, and farce it was! (It had a pathetic air of
180 dramatic comedy, easily mistaken for high-school horseplay and
181 mockery, complete with a crude characterization of somber
182 seriousness, all framed within a perfectly ludicrous and improbable
183 situation—namely, the impeachment of a President that has done
184 more for the restoration of our liberties, sanctity of life, and the
185 economy than any in my rather extensive memory, including what
186 I know about our history.)

187 Pelosi and the jackals surrounding her are seen yucking it up while
188 she signs the articles of impeachment — smiling, almost giggling,
189 and then they all pose for pictures with their souvenir
190 *Impeachment* pens after the signing! Then they assemble for the
191 parade; they march to the Senate chambers with officious cadence
192 and somber expressions on every face—O God!

193 What exactly is their game plan for November? It is clear that they
194 despise Trump voters — they know his base of support comes from
195 the Evangelical right — and they are full of anger, and bitterness,
196 and violence is in their hearts. Listen to them, and understand why
197 we MUST win in November. Hillary declares that Christians are
198 simply going to have to change their beliefs to accommodate the
199 Progressive religion of Political Correctness. Schumer derides
200 people of faith: he explained support for Trump as coming from
201 people who grew up learning Bible story fairy-tales. He said show
202 me someone who believes in Noah's Ark and I'll show you a Trump
203 supporter. AOC called Christianity a superstition. Neither of these
204 would ever, dare, say anything derogatory against Obama's beloved

205 MMMSmacklims — and they are all good with Buddhist chants
206 being taught in our public schools—how do you explain this
207 irrational hatred for the religion that gave birth to LIBERTY in the
208 hearts of our Founders? What accounts for their open hostility
209 against the only religion the world has ever known that espouses all
210 men are CREATED EQUAL and ENDOWED by their CREATOR
211 with certain inalienable rights. What can explain why an entire
212 political party in America would turn on the founding principles of
213 liberty and justice for all — the Declaration that all men are
214 CREATED EQUAL, the principles of equal justice under the law,
215 the ideal that a man is innocent until proven guilty, the ideal that
216 the accused has a RIGHT to face his accusers — all of these things
217 are being trampled upon by the same people who encourage our
218 flag to be disrespected, our faith to be despised.

219 They are violent — violence is in their heart and it is their way.
220 Jesus said it — the violent take kingdom authority by force. That
221 Bernie campaign operative I mentioned earlier, that advocated for
222 Trump supporters to be herded into reeducation camps, also said
223 "violence is the only thing they understand." I'm telling you, wake
224 up! These people are preparing to "take America by force."

225 If you won't give to them, if you refuse to cede to their DEMANDS
226 for POWER, they will TAKE IT by FORCE. The spirit moving
227 their movement is the spirit of antichrist — against God, against
228 Christ, against Christians — and if you do not yield to their
229 demands, they resort to violence. Those of us of the SPIRIT OF
230 JESUS CHRIST do not "take the kingdom by force," but we will
231 DEFEND our LIBERTIES from the use of force to take them away.

232 The Battle for America is ON — and all God fearing patriots are
233 called into duty. Support candidates like Andy Caldwell here in
234 CA, David Nunez — we do have a little light remaining in this dark
235 state —

236 So, I need to move toward a wrap for this show — and I wanted to
237 get into the Virginia thing. I thought that might die down, that the
238 governor in that State would realize that 90 out of 95 counties in
239 his state are opposed to his effort to encroach on the liberties of
240 Virginians.

241 There is a long history of resistance to tyrants in that state — but
242 tyranny is arrogant. All Tyrants, throughout history, finally come
243 to their end because of their arrogance. I'm not going to have the
244 time I intended to use to offer some detail regarding the backdrop
245 to this—but it's about to explode. For those who have no
246 background on what's going on — in brief: Governor Northam is a
247 radical liberal Demoncrat who wants to take guns from law-
248 abiding citizens in Virginia. Recently, Democrats won both houses
249 of the General Assembly in Virginia and they are moving on their
250 gun grabbing agenda. Senate Bill 16 by Demoncrat Saslaw imposes
251 five-year prison sentence on Virginians who own semiautomatic
252 rifles with features that facilitate accuracy. Even pistol grips that
253 facilitate a firm grip on the gun—prison, five years! This reverses a
254 tradition of 2nd amendment freedoms in Virginia since Jamestown
255 was settled in 1607. Virginians can't even own "flare launchers."
256 Are you kidding me? I thought CA was bad.

257 Anyway, that's the issue. I've read that 90 of 95 counties have risen
258 up against the Demoncrats in Virginia (why they voted these devils
259 into office is another question). I'm reading here, in the
260 Washington Times, that "throughout the Commonwealth, around
261 a hundred counties and cities have reacted by declaring themselves
262 Second Amendment sanctuaries." It's becoming a national trend.

263 May it come to California!

264 The Governor has threatened "consequences" if law enforcement in
265 these cities refuse to enforce his draconian second amendment
266 rights infringement laws. At some point, someone is going to have

267 stand up under the ULTIMATE LAW of the LAND, the
268 Constitution, and push back against these communists.

269 So that brings up the question of a Christian's duty in situations
270 like this.

271 First of all, it is simple answer, but Christians who have only a
272 superficial understanding of what the Bible teaches on this subject
273 have complicated it.

274 Many Christians believe the Bible teaches pacifism. They think
275 Christians are supposed to lay down and let the world trample all
276 over them.

277 Well, if JESUS casts the savorless salt into the street then Christ, the
278 KING, will bring the heel of the wicked upon our necks.

279 But remember, when Paul was imprisoned unjustly, he protested
280 and claimed the protections of the laws of the land. He rebuked
281 rulers that violated his rights under the LAW.

282 True, he did not take up arms against the government, nor did he
283 encourage his fellow Christians to do so — but that was under a
284 rule of law that did not afford this right to Christians.

285 Christ is KING of all the earth. He said He would give "the
286 kingdom" — the dominion, the right to rule under CHRIST — to
287 the nation that brought forth the fruit of the kingdom: repentance
288 toward God and faith toward the LORD Jesus Christ.

289 America is such a nation. She was founded upon the declaration
290 that JESUS CHRIST IS LORD, on the Gospel, and a nation has
291 risen upon that foundation that DOES RECOGNIZE THE
292 PEOPLES INALIENABLE AND DIVINE RIGHT to PROTECT
293 their LIVES and their PROPERTY. The LAW of this land
294 acknowledges our INALIENABLE RIGHT to keep and bear arms
295 — and to USE THEM to DEFEND against TYRANTS that would
296 TAKE by FORCE our LIBERTIES.

297 Friend, that's the American way — ! We asserted our RIGHTS, a
298 TYRANT presumed to attack us and to attempt to enslave us by
299 force of violence, and the entire Revolutionary War was a defensive
300 action against a tyrant — and that is what is brewing in Virginia.

301 As for Christians being martyrs — indeed! Where in the conduct
302 of preaching the gospel someone takes our life — we will be faithful
303 martyrs.

304 But Christians are not the world's sheep to feed the appetite of
305 Tyrants. We are CHRIST's SHEEP — and they are of another
306 breed altogether. Read Revelation 4 — where the LAMB of God
307 ROARS as the LION of the Tribe of Judah. We are born of that
308 stock. We are *lambs that roar*.

309 Harmless as doves — but fierce in fight as those that rise up on
310 eagles' wings.

311 Jesus said get a sword! We must obey Christ the King over Satan's
312 men. Shall we obey God or men? You know the answer.

313 Exhaust every lawful avenue for redress of our grievances — but
314 the line is drawn at our sacred liberties.

315 Do not attack, but do not back down. Do not think you will prevail
316 if you assume to "take the kingdom by force." That is the spirit of
317 antichrist, it is the way of the violent. On the other hand, do not
318 shrink from your duty as a God fearing patriot to STAND firm in
319 the assertion of your RIGHTS as endowed to you by your
320 CREATOR.

321 Christians do not die on a cross to save sinners from their sin.
322 JESUS DID THAT and He did it ONCE for ALL.

323 We die to self on that same cross that we might LIVE FOR HIM.
324 We present ourselves a LIVING sacrifice — not a dead one. We
325 mean no harm to any — peace, good will, that is our mission.

326 But Jesus said, get a sword boys, you are going to need one. And a
327 sword is not used to butter your bread. It is used to DEFEND your
328 LIFE and your LIBERTY against those who would unlawfully take
329 it. Ours is a country of LAWS ordained by GOD not the whims
330 and fancies of silly men who think making the people helpless
331 somehow makes the criminal harmless. Everyone knows that is
332 nonsense—and they know it too. It's impossible to believe they are
333 that stupid! And they are not! They are guided by a very wiley
334 coyote indeed — devilish wisdom, which which comes from below,
335 sensual, evil, wicked—Satan wants to disarm Christians so he can
336 enslave them. STAND!

337 Don't attack! But be ever ready to DEFEND!

338 Falwell's son has come out and said, right out loud, in front of God
339 and everybody, that if the Governor moves forward on his plan he
340 will call for "civil disobedience." It's heating up in Virginia. Let that
341 governor know you are watching and praying for your fellow
342 patriots there.

343 I have lit the lamps in the Church belfry arch and now you let me
344 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
345 ON and you will ride like Revere and spread the warning,
346 (essentially, it means you agree with what I'm saying) or you say
347 LIGHTS OFF -- which means you reject what I'm saying and
348 disagree strongly with me. So, what will it be today, lights on, or
349 lights off?
