

Brain Massage: Show No. 767 Satan Rules The Demoncrats? / What Are the Stakes for 2020? / The Commies Are HERE!

Original Air Date: 02.21.19

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 A Christian friend recently posted a statement declaring GOD
5 WINS! Amen! He included a statement that said, "No matter if
6 Satan currently rules the world - God always wins!"

7 This statement struck me as typical of what virtually all Christians
8 believe today — it is very likely that you believe this also, or some
9 version of this that amounts to the idea that Satan is the power
10 driving the world today! My analysis of this will surprise many of
11 you. For those familiar with my book, *God's War*, my agreement
12 with the statement will surprise you. For those unfamiliar with my
13 book, *God's War*, my disagreement with the statement will surprise
14 you. What? How can I both agree and disagree? You'll see! And, as
15 Rush would say, trust me on this, this discussion is vital, critical,
16 Christians need to be talking about this right now, because getting
17 this sorted out can make the difference in November 2020. It can
18 mean we stand up and reclaim our land of the free, or lose our
19 liberties.

20 *The Commies are coming, the Commies are coming!* Remember
21 when this was used to mock Conservative warnings about the
22 encroachment of Communist ideology in our political and social
23 institutions? Well, what do you say now? Uh huh! The Commies
24 are HERE friend! Let's talk about the Bernie-Buttigieg revolution!
25 Oh, and why no one is pointing out the fact that Buttigieg is
26 married to a man — why it matters and why we pretend it doesn't.

27 Who are Bernie supporters? Contrasted to Trump supporters. Why
28 the MSM hate Trump supporters —

29 Bernie supporters burn an American flag outside a Trump rally,
30 offending, deeply offending and angering millions of patriots and
31 service men and women who fought for the liberties symbolized by
32 that flag — another guy burns an LGBTQ flag offending Queers
33 (their own word for themselves, calm down) and gets 16 years in
34 prison. I hope Trump pardons him.

35 Get off Meth and DO THE MATH — haha. But really, when you
36 do the math on Bernie's plan for America the truth comes out —
37 GOD that is, TRUTH, is in the details on that one.

38 Pete Buttigieg (still not made it into spell check?) — focuses his
39 campaign against Christian conservatives — directly assaults the
40 faith of conservative Christians.

41 Bloomberg makes the only great line he had in the debate, that the
42 only person winning the Democratic debate was Donald Trump,
43 actually gets applause — but then makes the mistake of
44 denouncing Communism and the audience is aghast, boos him —
45 This shows the serious dissociative-identity-disorder afflicting the
46 DNC today. I know what that disorder is and I'm purposely
47 repurposing this language, well, you'll see in a few minutes.

48 But I think Warren pretty well took him out of the race — that is, if
49 he needed anybody's support to continue! Bernie is right about one
50 thing, Bloomberg actually believes he can buy the Presidency.
51 Trump is right in his discernment that Mini Mike is so arrogant he
52 thinks it's easy to be Donald.

53 FBI is losing credibility and public trust — the first signs of a
54 landslide of public trust began when FBI refused to seriously
55 investigate Hillary and her 30k missing emails and destroyed server
56 debacle — but now, the whole mountain is beginning to slide down
57 hill for the FBI — Barr had better do something and do it quickly if
58 he hopes to restore American confidence in our chief law
59 enforcement agency.

60 Hey, I found a way to get Libs to join us in our resistance to racist
61 Margaret Sanger's institution, Planned Parenthood, and their blood
62 lust to sell baby body parts — stay tuned!

63 There is so much, not likely to get to all of this, but, friends — IT'S
64 TIME FOR YOUR BRAIN MASSAGE.

65 [TRUTH]

66 A Christian friend recently posted a statement declaring GOD
67 WINS! Amen! He included a statement that said, "No matter if
68 Satan currently rules the world - God always wins!"

69 This is what virtually every conservative Christian believes today!
70 And it's totally understandable. Who can look at the world and not
71 see Satan's influence is the controlling influence in almost the
72 entire world. The Bible says Satan is the prince of the power of the
73 air, the spirit that now works in the children of disobedience —
74 and who cannot see that the children of disobedience control
75 virtually every government on the planet today?

76 I said in my intro that my analysis of this would surprise many of
77 you. Those familiar with my newest book, God's War, are going to
78 be surprised that I totally agree with the statement. For the rest of
79 you, you'll be surprised by my disagreement. How can I both agree
80 and disagree with my friend's statement?

81 This is a conversation we need to have among Christians today. So,
82 let's lay it out.

83 Do you believe Satan is the rightful ruler of the world? I mean, do
84 you believe GOD has ordained that at this time, Satan rules the
85 kingdom of men, and has divine authorization to rule the world?
86 God is allowing this as a current situation, but He will end it when
87 His Son returns to earth to set up His kingdom?

88 Many worthy and effective Christians in the past believed Satan
89 and evil men are allowed by God to rule until the coming day of
90 His kingdom.¹

91 Support for this notion is usually taken from statements in
92 Scripture such as Satan is "god of this world" (II Cor. 4:4). And the
93 repeated statements by Jesus that Satan is the prince of this world
94 (John 12:31; 14:30; and 16:11). The word *prince* translates *archon*
95 which means chief ruler, or magistrate.

96 Let's take the first proof text first — II Cor. 4:4, Satan is indeed
97 "god of this world." You've read the verse that says of heretics that
98 their "god is their belly" (Philippians 3:19). Does that make the
99 belly of man GOD? Of course not! Even though men make a god of
100 their belly, that does not make their belly GOD. The Moabites
101 worshipped Moloch — Moloch was the "god of the Moabites" but
102 that did not make Moloch GOD over the MOABITES —
103 understand? It's true, the world hated God's Son and rejected Him
104 and refuses to bow to Him as LORD — but that does not mean HE
105 IS NOT THEIR LORD in TRUTH; and the fact that the world has
106 chosen Satan as their god (lower case), does not make Satan GOD.

107 The statement that Satan is "god of this world" is not a concession
108 from GOD that Satan has won, and certainly not a statement from
109 God that Satan is appointed by Him, or given the status as GOD of
110 the world. It means the world worships Satan, and not GOD, just
111 like the Moabites worshipped Moloch (Satan) and not the true and
112 LIVING God.

113 Does not the Bible say, plainly, THERE IS NO GOD IN ALL THE
114 EARTH, BUT IN ISRAEL — II Kings 5:15. Isaiah repeatedly said
115 there is no GOD but the LORD GOD. He said, "Before me
116 [Jehovah] there was no God formed, neither shall there be after
117 me." God did not make Satan god. But men, rejecting the TRUE

¹ Murphy, Dr. Ed, The Handbook For Spiritual Warfare, p. 267-268.

118 GOD, worship Satan and set him up as their god — but he is "no
119 god." He said, "there is no GOD; I know not any."

120 II Cor. 4:4 acknowledges a fact — men worship Satan as their god,
121 not the lie that Satan truly IS god. That's exactly what Satan wants
122 Christians to believe, that "he is god of the world," and that
123 Christians have no place in this world.

124 But that is a lie!

125 As for the three times that Jesus acknowledges Satan is "prince of
126 this world" now, that's different. God did turn the kingdoms of the
127 world over to Satan at one time. This is a biblical principle — when
128 men are corrupted through sin, Satan gains access to accuse them
129 before God, and claim them. When this happens, God does release
130 men to the power of Satan. He "gives them up," and with nations,
131 He turns them into to Hell — Psalm 9:17.

132 So, there is no doubt that Jesus is acknowledging the truth, of
133 course, when He identified Satan as the *prince of this world*.

134 But what did Jesus say about this *prince of this world*? Strange to
135 me how believers, some of them, read Scripture. It's weird, almost
136 as if Satan's seducing spirits are guiding their mind as they read.

137 They read that Satan is *prince of this world* and do not pay
138 attention to the context of these statements or even what Jesus is
139 actually SAYING.

140 For example, in the first statement recorded in John, Jesus
141 prophesies "NOW shall the prince of this world be cast out." NOW!
142 He had turned his face toward Jerusalem and was headed to
143 Calvary, and He declared, "NOW SHALL THE PRINCE OF THIS
144 WORLD BE CAST OUT." The words *cast out* mean, well, CAST
145 OUT. In context, he would be CAST OUT OF THIS WORLD. He
146 would be demoted. He would no longer continue to be the divinely
147 appointed "prince of this world."

148 Next, Jesus declared the "prince of this world" was coming. And He
149 said this prince of this world "hath nothing in me." There is no
150 correspondence between them, there is no affiliation, and there is
151 nothing that connects them, there is nothing in Christ that Satan
152 has any claim to whatsoever — he had no claim on Christ, and he
153 had no place in Christ's kingdom power or authority. This is
154 important. Satan has NO PLACE IN CHRIST.

155 The last time Satan is referred to as "prince of this world" it is a
156 context in which Jesus is saying, "the prince of this world is
157 JUDGED" (John 16:11). IS JUDGED.

158 Remember that in the beginning of Christ's ministry, Satan could
159 boast that all the kingdoms of the world and the glory of them were
160 "given" to him — by Whom? The only Being that has that
161 prerogative and right — and Who is that? According to Daniel, it is
162 the LORD GOD — Daniel 4, three times, Daniel declares GOD
163 RULES IN THE KINGDOM OF MEN and GIVES IT TO
164 WHOMEVER HE CHOOSES. Satan fought God's angels for the
165 right to rule the earth (read Daniel 10—and see that Satan did
166 NOT have all the kingdoms in his power at that time). However,
167 Satan finally succeeded at corrupting men to the point God
168 released the kingdom of men to the power of Satan. So he boasted
169 that all the kingdoms of the world were given to him.

170 However, when Christ arose from the grave, Jesus declared "all
171 power" and the word He used is *exousia*, which mean *right to rule*,
172 or *authority*, had been given to HIM in Heaven AND IN EARTH.

173 What does it mean that Jesus spoiled all principality and power if it
174 does not mean He SPOILED ALL PRINCIPALITY AND POWER
175 — and these declarations are about something HE ALREADY
176 DID.

177 Believe me friends, Satan does not want you to wake up to this
178 truth.

179 Satan has no right to rule the world today! He does! But he does
180 effectively have control over almost all of it, including here in
181 America today, but he does not have the right — he does not have
182 the *exousia*. He continues to have influence, *dunamis* — power to
183 effect his will in the world, but he does not have the RIGHT. Any
184 authority he has in the world he has "taken it by force." So, here is
185 something else Satan does not want you to understand. You have
186 GREATER *Dunamis* than he does. Greater is He that is in you than
187 he that is in the world. Christ gave you HIS SPIRIT and with His
188 SPIRIT comes POWER — and He gave us both *dunamis* and
189 *exousia* over the kingdom of Satan.

190 The next time you read about Satan being a *prince* is in Ephesians
191 2:2 where he is called the *prince of the power of the air*. He is no
192 longer prince of the *exousia* of the earth, he is, however, prince of
193 the *exousia* of the air. And he works his will in the world through
194 those he can take captive at his will, because they are children of
195 disobedience — they REFUSE CHRIST'S RULE.

196 These are the people that rage against GOD and against HIS SON -
197 Psalm 2. These are the "citizens" of this world under CHRIST's
198 AUTHORITY who rebel against that authority, and say, "we will
199 not have this man [Jesus] to reign over us" [Luke 19:14; see 12-27].

200 And we are called upon the RESIST this *power*. Ephesians 6:10-20.

201 And we are promised that if we SUBMIT to GOD (Accept His
202 SON and acknowledge He is LORD of HEAVEN and EARTH) and
203 then RESIST the Devil — he will flee.

204 Satan wants you to be ignorant of this. He wants you to think, oh
205 well, the world belongs to Satan. But someone is going to get this,
206 they are going to understand that the only influence Satan has in
207 this world it yielded to him by GOD's own faithless servants, whose
208 faithless perversity has them actually siding with Satan and
209 working to protect his continued control of nations and men.

210 Rise up! Christian soldiers. Learn your place in this battle — learn
211 how to WRESTLE against the POWERS and PRINCIPALITIES
212 and effectively ROUTE the DEVIL — learn how to MAKE HIM
213 FLEE. Start by getting my book, God's War and if you are so weak
214 in your faith that Satan neutralizes all the truth I just put out there
215 saying in your prideful heart, well, see, there it is he just wants to
216 sell his book. I rebuke that foul spirit and the weak sniveling
217 Christians who submit to such seducing spirits — and offer you a

224 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
225 at the Lighthouse, your brain masseur, and Paul Revere's lantern
226 lighter, lighting the lamps in the church belfry arch, signaling the
227 enemy is on the march, an enemy that would steal from us our
228 liberty.

229 *The Commies are coming; the Commies are coming!* Remember
230 when liberals mocked Conservatives when we warned about the
231 encroachment of Communist ideology into our political and social
232 institutions? Especially in education, and now in our churches and
233 government! Well, what do you say now? Uh huh! The Commies
234 are HERE friend!

235 In 1966 a country group called Tommy Jones and the Hayriders
236 put out a song titled: The Commies Are Coming

237 [INSERT PIECE OF SONG the COMMIES are coming]

238 Haha — it's a moldy oldy! Hey, Tommy, there here! Wish we had
239 heeded your warning!

240 The song even prophetically identified the key issue the Commies
241 would use to gain entrance and welcome — fake charges of racism.
242 The reason the Left continues to berate us with charges of racism is
243 that has been the mantra they have used so successfully to
244 undermine patriotism and foment rebellion against our nation.

245 So, I understand that now Russia is supporting Trump! I heard one
246 guy postulate the theory that Russia does support Trump and
247 hopes he wins because they know their own economic interests are
248 tied to a prosperous America. The idea is that in the end, Russians
249 are realists and they know that if American economy falters, their
250 own economy will collapse.

251 I don't agree! I accept that it is a reasonable argument, but it comes
252 from some assumptions that I don't think hold.

253 I believe Russia has ambitions of reasserting itself; the Bear is
254 anxious to rise again — it has a voracious appetite and is the time
255 of her hibernation is past — she stirs to reassert and expand her
256 dominance. The lessons she has learned about the economic
257 limitations of Marxism are good, but in some ways, this makes her
258 more a threat — unless revival comes to Russia — she is destined
259 to fulfill her prophecy.

260 I have a very good friend who trusts Putin and believes he is too
261 pragmatic to try to assert itself in this way on the national stage. I
262 agree with him. As long as there is a strong America, he will lay
263 still. But if America becomes Communist, oh, how the
264 Communists in Russia crow — this is what they predicted during
265 Breshnev, and even earlier, under Lenin, and Stalin — they have
266 long waited for the fall of America into their hands. Bernie is their
267 man!

268 Let's talk about the Bernie-Buttigieg revolution! Bernie supporters
269 are an angry mob. Buttigieg supporters hate Christians — at least

270 Bible believing conservative Christians. What a perfect
271 combination.

272 I brought out the exposure of Bernie supporters that privately,
273 among themselves, literally plot an armed revolution if Bernie is
274 not elected. This comes from their own mouths (reflexive pronoun
275 and all)! Bernie denies that he has any such intentions — when
276 pressed, and he has to be pressed, he sort of denounces them, but
277 usually with caveats such as they are zealous, or he goes in to how
278 angry some of his supporters are over the abuses of privilege and
279 money interests and so forth. I'm telling you! Bernie supporters are
280 an angry mob, and he is their ringleader.

281 He keep talking about the need for the workingman to be
282 represented in Washington, somebody needs to stand up for the
283 working man! NO ONE HAS STOOD UP FOR THE WORKING
284 MAN LIKE DONALD TRUMP! And no group in this nation has
285 done more to HURT the workingman than the Democratic Party.

286 But Bernie depends on the power of rhetoric to overcome the
287 power of REALITY. It rouses the rebellious nature of the children
288 of disobedience to hear him talk about caring for the working man,
289 pitting the "working man" against the people who provide jobs for
290 our economy, who bear all the risk and invest their blood sweat
291 and tears into an idea or a vision that ends up creating jobs for
292 thousands, even millions — the BEST FRIEND OF THE
293 WORKING MAN IS THE MAN THAT PROVIDES WORK! The
294 best friend of the workingman is a PRESIDENT that provides
295 JOBS for EVERYBODY.

296 Some of these Millennials need to get off meth and DO THE
297 MATH — haha. No, I'm not saying all Millennials are on meth. But
298 really, one of the symptoms is a user may feel anxious and
299 confused, be unable to sleep, have mood swings, and become
300 violent. Okay, so not all Bernie supporters exhibit these symptoms,

301 but enough do to give us all concern that these people act like they
302 are doped up — like they are on meth!

303 When you do the math on Bernie's plan for America the truth
304 comes out — GOD that is, TRUTH, is in the details on that one.

305 One of his promises is to set the minimum wage at 15 per hour.
306 And these kids, many of them, are saying, cool, automatic raise —
307 from 11 to 15 bucks. Yeah! Fist pump, fist pump, high fives all
308 around. Who cares what this does to the economy, careless that
309 this will necessarily drive up prices all around — and these evil
310 business owners always take advantage of these government
311 intrusions to jack up their prices just a tad more than is needed —
312 oh, that's right, that's the Democrat business owners who do that
313 — well, anyway. I'm speaking truth folks! The Democrat Party
314 today is rotten at its core. It is a decaying corpse. The Democrats
315 are feeding on their own corpus — destroying themselves.

316 Let's not join them. Get out while you can!!!!

317 So, here is a little something I picked up from James Woods — a
318 Twitter favorite, hehe. Anyway, here you go.

319 15 dollars an hour times 40 hours (few at this level of employment
320 actually get 40 hours, and that's because of Obamacare regulations)
321 but anyway, that's 600 a week, times 52 weeks and that's 31,200 a
322 year.

323 Bernie Sanders is also proposing an increase in taxes to 52% —
324 52% of your gross income goes to the government — and that's to
325 pay for all the other stuff he wants to give away — free health care,
326 and the rest. But, it's not enough, by the way, so we understand this
327 is just a starting place. He will take it upwards of 75 to 80% before
328 he is done. So everyone will live off government subsidy — and you
329 will be slaves to the government.

330 And like Bloomberg has already said, if you are an old person and
331 you get cancer, you'll be told that it's time to die — after all, the

332 government can't be expected to commit the resources necessary to
333 sustain a life that is so far spent — so we will kill our old people the
334 way we kill our babies — monstrous party — Nazis all! Wicked and
335 unreasonable — death is their answer to virtually every social
336 problem — the FINAL SOLUTION crowd!

337 Anyway —

338 Wood claims Bernie wants to give everyone living on minimum
339 wage a raise to 15 an hour, and then raise their income taxes to
340 52% on anyone making over 29,000 per year. He calculates this out
341 to show that while you're making 15 an hour under Bernie, but the
342 time you pay taxes, your real earning averages out to about 7 per
343 hour.

344 But my friend, Brother Wood, did not do his homework. On the
345 Bernie page explaining his tax plan, the standard deduction on
346 working Americans will be reduced from presently 24,888 filing
347 jointly, to 12,000, after the standard deduction, those earning
348 32,000 a year (15 per hour, 40 hours per week, 52 weeks) will have
349 a taxable income of only 9,800 and according to Bernie's tax tables,
350 they will pay zero income tax. His table is deceptive because it
351 makes it look like no one pays any tax, which is ludicrous. But,
352 anyway!

353 The 52% is on those making 10 million or more. Here is both the
354 foolishness and the evil of Bernie's plan.

355 His strategy is to shift the tax burden to the rich. Let's start the
356 "rich" at, say, 100k per year. (Anyone listening to me knows that's
357 not rich by today's standards, but we need to start somewhere.)

358 They will pay, 27%, not too far off from where it is now. Those
359 making 200k or more pay 35%, those making 500k or more pay
360 45%, those making 2mil or more pay 50, and anyone making over
361 10mil pay 52% — and here is the point. When you add up all that it
362 will cost to implement Bernie's giveaway plan there will not be

363 enough revenue to cover the costs. Everyone who has looked at this
364 has come to the same conclusion — there is no way Bernie can pay
365 for all he is promising to do with the tax scheme he has proposed.

366 In fact, if he went to total confiscation of all wealth, it would
367 require 100% of the GDP and still he would be a few billion short
368 of what is needed to make the government the sole provider for all
369 Americans —

370 It simply does not add up! It appeals to people who don't want to
371 live with the anxiety of having to fend for themselves, it appeals to
372 a generation that has grown up having virtually everything handed
373 to them, it appeals to people of low character who do not want to
374 take on the responsibilities of liberty and who are willing to trade
375 their freedom for a hand out. But it is repulsive to real Americans
376 — it is repulsive to the people who believe in the reward of hard
377 work, who delight to see what God will do with their lives as they
378 live trusting HIM for HIS provision — a GOD who does not
379 REWARD LAZINESS, or INFIDELITY, or INDOLENCE or VICE,
380 who punishes these things with the reality of what they bring —
381 poverty, waste, — yea, the way of the wicked in HARD!

382 And guys like Bernie come along and tell all these lazy types, who
383 have little if any initiative, who think everyone else OWES them a
384 living, he appeals to them.

385 Are there enough real Americans left to stop this insanity?

386 Look, here is my solution. EVERY ONE OF THESE PEOPLE
387 WHO WANT COMMUNISM, GO TO CHINA AND ENJOY!
388 REALLY, I'M SERIOUS. YOU DON'T WANT TO LIVE UNDER
389 CAPITALISM — WE ARE NOT FORCING YOU TO DO THAT.
390 LEAVE! GO TO CHINA, GO TO VENEZUELA, — JUST GET
391 OUT OF HERE. Why should we allow you to TAKE AWAY OUR
392 LIBERTIES just because you want GOVERNMENT OWNERSHIP
393 of YOUR LIVES and we don't.

394 We say, if you want communism, I know, let's create a fund that
395 pays your ticket to any communist country you choose.

396 I've got to close, but, here is a picture of the difference between
397 Trump supporters and Bernie supporters.

398 Bernie supporters burn an American flag outside a Trump rally,
399 offending, deeply offending and angering millions of patriots and
400 service men and women who fought for the liberties symbolized by
401 that flag — not to speak of the mothers and fathers and brothers
402 and sisters and wives and husbands who lost a loved one fighting
403 for our liberties — and no Democrat speaks out, no Democrat
404 decrys the offensive behavior of these America hating, God
405 despising Commies: — but some other guy burns an LGBTQ flag
406 offending Queers (their own word for themselves, calm down) and,
407 are you ready for this, he gets 16 years in prison. I hope Trump
408 pardons him.

409 Can you believe it? Why? Because it was a hate crime. And burning
410 the American flag is not a "hate crime"? Of course it is. It's a hate
411 crime against all Americans who love their country. Hey, if you can
412 burn the American flag under the protection of free speech, you
413 can sure burn an LGBTQ flag as a free speech protest — STOP this
414 lunacy NOW!
