

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 I'm trying to sort through all the contradictory information I'm
5 getting on COVID-19. Clearly, we can't trust what the Media is
6 saying. Doctors are contradicting one another. There are some very
7 bizarre conspiracy theories out there and some that don't seem so
8 bizarre—but are they true? All of this speaks to the fact that truth
9 has been the greatest casualty in the culture war—and today, I'm
10 going to provide a clear-headed way to approach all of this!

11 Let's see here — quick response to some ... here we go, no, the
12 Congress was not trying to work a pay raise for themselves into the
13 stimulus bill! And yes, Pelosi wanted to provide stimulus money to
14 illegals, and the name of the reporter who asked Trump how many
15 deaths would be acceptable is more secret than where the FBI files
16 on Flynn are being hidden — hah! So, okay, that takes care of my
17 quick response, let's get into it, shall we?

18 It's time for your Brain Massage.

19 [TRUTH]

20 The COVID Conspiracy!

21 I mentioned in an earlier show that at the beginning of this
22 outbreak in Wuhan, China, from whence it gets its name (the
23 Chinese virus, or the Wuhan Virus—why we must continue to call
24 it the Chinese virus will be clear as I proceed today) — anyway,
25 when news of the outbreak first broke out from the control of the
26 lying Chinese dictators' efforts to stifle it, even killing people who
27 told the world it was coming, rumors circulated about this being an
28 accidental release of a bio-weapon being created in level 4 Wuhan

29 laboratories — of the Wuhan Institute of Virology —. Another
30 popular conspiracy theory was that it was a virus being researched
31 there that accidentally broke out. One conspiracy theory that
32 circulated in China but never reached us, till now—was that a
33 Wuhan Institute of Virology researcher "Chen Quanjiao had
34 reported the head of the institute, Wang Yanyi, claiming she had
35 "sold experimental animals" to the live animal and seafood market
36 and "leaked the virus" from the lab."¹

37 But the South China Morning Post debunked that one, so!

38 And, "virologists who've parsed the genome and infectious disease
39 experts who study coronaviruses say they have enough evidence
40 the virus is brand new and came from nature. A large group of
41 them, citing genome analyses from multiple countries, recently
42 affirmed in *The Lancet* that the virus originated in wildlife."² So, of
43 course we believe these unnamed virologists.

44 I ran down the documentation, and looked it over, mostly to see
45 who is producing these studies. Other than the highly authoritative
46 and trusted sources coming out of China, I found this from *Science*
47 *Daily*: "By comparing the available genome sequence data for
48 known coronavirus strains, we can firmly determine that SARS-
49 CoV-2 originated through natural processes," said Kristian
50 Andersen, PhD, an associate professor of immunology and
51 microbiology at Scripps Research and corresponding author on the
52 paper.

53 In addition to Andersen, authors on the paper, "The proximal
54 origin of SARS-CoV-2," include Robert F. Garry, of Tulane
55 University; Edward Holmes, of the University of Sydney; Andrew

56 Rambaut, of University of Edinburgh; W. Ian Lipkin, of Columbia
57 University."³

58 Columbia University is in New York, Tulane University is in New
59 Orleans, LA, and, of course, Scripps Research is La Jolla, CA — and
60 highly respected authority in this field — so, without some
61 smoking gun evidence to the contrary, I think we can pronounce
62 that conspiracy theory dead and put it six feet under.

63 Another conspiracy theory is regarding the China cover up. There
64 is actually a smattering of world leaders who are, it seems, working
65 together to advance the narrative that America started it, or that
66 Trump is botching the job of controlling the pandemic. Connected
67 with this conspiracy theory is the idea that American MSM is
68 complicit in this effort. Let's look at this!

69 The MSM effort to use this pandemic to compromise Trump is
70 obvious. Go back to the unnamed WH reporter who asked Trump,
71 "How many deaths are acceptable," as an example of the sort of
72 thing that is going on constantly. The MSM is NOT interested in
73 disseminating news about this; they are devoted to disseminating
74 liberal propaganda and making full use of this "crisis" to further
75 their agenda.

76 I mentioned Lawrence O'Donnell's despicable, let's just call it what
77 it is, WICKED and PERVERSE statement on MSNBC's *The Last*
78 *Word with Lawrence* — "More people are sick in America tonight,
79 because Donald Trump is President. More people are dead and
80 dying in America tonight because Donald Trump is President."
81 That was March 12.

82 Hey, Larry, MORE PEOPLE ARE DEAD TODAY BECAUSE
83 OBAMA WAS PRESIDENT DURING THE SWINE FLU
84 PANDEMIC THAT LOW LIVES LIKE YOU IGNORED AND
85 COVERED UP FOR HIS INEPT RESPONSE. So, in fact, MORE

³ <https://www.sciencedaily.com/releases/2020/03/200317175442.htm>

86 PEOPLE ARE DEAD TODAY BECAUSE OF YOU, LARRY!
87 YOU!

88 Chris Hayes on MSNBC's *All In* said "The President is now
89 listening to voices on the right that say, "Really, what's a million
90 seniors when you're thinking about the whole economy?" That
91 perverse minded, lying child of hell, knew he was not going to get
92 away with that one, so he added a trailing tag: "That's slightly
93 caricatured, but only slightly." That was March 23.

94 Joe Scarborough on MSNBC's *Morning Joe*, March 26 said, "These
95 conservatives are making Democrats who are pro-choice actually
96 look more pro-life because they're only worried about the unborn.
97 It is the born, it is the weakest among us, it is senior citizens who
98 they're READY TO EUTHANIZE BECAUSE THEY WANT
99 BOEING'S CORPORATE EARNINGS TO NOT DIP TOO LOW."
100 This is Satanic! There is no other way to understand what is going
101 on. This President has done so much more than Obama did during
102 the Swine Flu — and they said NOTHING about how busy he was
103 PLAYING GOLF while AMERICANS WERE DYING of the
104 SWINE FLU — and Michelle was running off on extravagant
105 vacations HEY, YOU LOUSY HYPOCIRITICAL DEVILS —
106 Michelle was gallivanting about London on a VACATION while
107 AMERICANS were DYING of the SWINE FLU — the family took
108 another vacation in July in NYC while AMERICANS WERE
109 DYING OF THE SWINE FLU — Hey, in August, while
110 Americans, young Americans, were dying of the SWINE FLU,
111 Obama played golf — in this August, 2009 article about Obama, in
112 the New York Times, listen to this: Talking about Obama's
113 Leisurely Pursuit: For "President Obama. Long, slow rounds. A lot
114 of time hunting for balls in the woods. All dished up with a dollop
115 of trash-talking." How nice. And the article goes on:

116 "The First Golfer brought his duffer's game to Martha's Vineyard
117 this week. By Thursday, Mr. Obama had logged three golf games

118 in four days, appearing at one island course after another. He spent
119 five hours on Monday afternoon playing 18 holes at the Farm Neck
120 Golf Club here, two and a half hours on Tuesday playing nine
121 holes at Mink Meadows Golf Club in Vineyard Haven, and several
122 hours playing Thursday afternoon at the Vineyard Golf Club in
123 Edgartown." And after rambling on about how Obama kept his
124 scores a secret—the kindly article concludes: "Alas, White House
125 officials continued their veil of secrecy, and would not say. Which
126 means he is probably still in the 90s, respectable for a weekend
127 golfer."

128 THAT'S WHAT NEW YORK TIMES WAS INTERESTED IN
129 WHILE AMERICANS WERE DYING OF THE SWINE FLU, AT
130 A TIME WHEN THE DEATH TOLL WAS RATCHETING
131 UPWARDS IN THE THOUSANDS —

132 For every life they might boast they are "saving" by their full press
133 coverage of this virus today THE BLOOD OF A HUNDRED
134 PRECIOUS LIVES THAT DIED BECAUSE OF THEIR NEGLIGENCE
135 IS Poured ONTO THEIR WICKED HANDS.

136 This is not "politics as usual." This is EVIL, this is WICKEDNESS!

137 Here is mad retched Rachel Maddow on MSNBC's *The Rachel*
138 *Maddow Show*, March 20, recommending MSNBC censor the
139 President and not air his briefings—because what the President is
140 saying is "going to cost lives." Just like a liberal to decide what you
141 should hear, and what you should know. Rather than let you
142 decide, she will decide for you. She is controlled by the SPIRIT of
143 LYING, deceiving and being deceived — ever read that one in the
144 Holy Book?

145 Here is MSNBC's Ali Velshi — trying to push the evil, godless
146 system of socialism on Americans playing on fears stoked by a
147 media so committed to the destruction of a President they will
148 bring all America to a crash and burn — he said, "capitalism is
149 broken." Then he described the cure: a FULL LEFT turn toward

150 COMMUNISM. So we can be like China who LIES to the world
151 about their death total, which by some estimates has reached into
152 the millions — but they LIE, just like their FATHER the DEVIL —
153 Liars, and Murderers —

154 Let's leave MSNBC alone for a minute. CNN's Fareed Zakaria,
155 March 15, Trump is "emulating the sycophancy, incompetence and
156 propaganda of North Korea." Why? Because the experts he has
157 recruited and put on the job dare to openly recognize the effective
158 leadership Trump is daily demonstrating at this time.

159 He is not out on the golf course getting a round in. He and his
160 family are not going off to London for Fish n Chips — they aren't
161 vacationing every chance they get. THEY ARE ON THE JOB for
162 the AMERICAN PEOPLE. But where was Obama when
163 AMERICAN LIVES WERE BEING LOST TO THE SWINE FLU?
164 Playing golf. Where was his family? On vacation! Where was the
165 media? They were the sycophants covering up Obama's
166 incompetence.

167 Washington Post calls COVID-19 Trump's Chernobyl. What? It's
168 China's Chernobyl! They are the ones trying to cover it up! Trump
169 has been all over this, even though he knows the common flu has
170 already killed more than 35k in America this flu season — and
171 COVID-19 has taken some 1500 — he is all over it. Where was
172 Obama when Swine Flu was reaping tens of thousands of
173 American lives? Playing golf. He was more interested in finding
174 lost golf balls in the weeds than he was finding a cure for Swine Flu.

175 New York Times columnist David Brooks on PBS *NewsHour*,
176 March 13, "I feel a deep sense of anger that our government has
177 responded so badly . . . this is what happens when you elect a
178 sociopath as President."⁴ Trump has done more to respond to this
179 matter than Obama did about anything during his entire

⁴ <https://www.newsbusters.org/blogs/nb/geoffrey-dickens/2020/03/26/despicable-blaming-trump-and-conservatives-coronavirus>

180 Presidency. Obama had to agonize over a decision to take out Bin-
181 Lying — the only thing that guy every worked hard on during his
182 Presidency, aside from finding lost golf balls, was making sure Iran
183 got a few billion and cover to pursue their nukes.

184 And where was the New York Times when thousands of
185 Americans were dying of the Swine Flu? Hah! Writing puff pieces
186 about Obama's golf games!

187 I've got to go to break, but this goes on, and on, an on! I think I've
188 made my point. But, just in case I've made some liberal so mad
189 they missed the point—THE ONLY CONSPIRACY GOING ON
190 RIGHT NOW IS THE CONSPIRACY OF THE LEFT TO USE
191 THIS VIRUS TO VILIFY OUR PRESIDENT AND THOSE THAT
192 SUPPORT HIM. But remember, the ballot box is our opportunity
193 to SLAM THESE SLIME BALLS HARD!

194 I'll be right back!

195 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
196 at the Lighthouse, your brain masseur, and Paul Revere's lantern
197 lighter, lighting the lamps in the church belfry arch, signaling the
198 enemy is on the march, an enemy that would steal from us our
199 liberty.

200 The whole world is abuzz over the report that America is now the
201 "epicenter" of COVID-19. That America has surpassed Italy, and
202 even China in confirmed cases. Uh, Mexico is not testing, Italy is
203 way under-tested, and China is, well, China is just lying—like every
204 Socialist-Communist country does. They are lying murderers —
205 that's what they do.

206 Communism corrupts the character of everyone forced to live
207 under it. I experienced this first hand when I began visiting Russia
208 in 91, not long after the wall came down. I noticed that lying and
209 stealing was routine, it was a cultural characteristic of the people,
210 affecting even the Christians in that country. It was horrible. It's

211 gotten much better—but Communism corrupted the character of
212 that nation. China is corrupt. It's governed by wicked oppressors
213 who care nothing but for controlling the people, controlling news,
214 controlling, well, everything. And when something happens
215 beyond their control, they totally freak out.

216 So we have a great many confirmed cases because, 1. we are testing
217 and confirming cases, and 2. we are honestly reporting the cases.

218 But China is blaming the entire pandemic on America. Although
219 we know it started in China, and that China hid it for weeks and
220 only reluctantly admitted it when they were forced to, allowing
221 hundreds, perhaps thousands to travel from Wuhan and elsewhere
222 in China all over the world, especially their close friend, Italy, and
223 spread the disease everywhere — they blame America.

224 And the conspiracy thickens — other world leaders are buying in
225 to this obvious ruse, along with our own beloved communist party
226 here, called the DNC, and their propaganda organ called the MSM.

227 And China has done this before. They mishandled the 2002 and
228 2003 outbreak of SARS, which also, coincidentally, began in
229 Wuhan???? Hmmmm??

230 And the only decisive action China dictators took then was to
231 aggressively silence those trying to warn the public — and that's
232 what they did — AGAIN!

233 China is to BLAME for this. Every American News service that
234 tries to hide that, and shift focus of blame on TRUMP are traitors.
235 And it should not escape your notice, every one of them doing this
236 are advocating for capitalism's demise, and the rise of SOCIALISM.
237 Oh, you did not know that China calls itself a SOCIALIST
238 REPUBLIC? Really? Yeah! Communist PARTIES always rise to
239 power in SOCIALIST REPUBLICS. That's what Russia was called,
240 you know. The SOVIET SOCIALIST REPUBLIC. Socialism is the

241 home of COMMUNISM — the system of government
242 DICTATORS like BEST.

243 China is lying! Here is a report that 21 million cellphones have
244 been cancelled in China. Hmmm. Isn't that interesting. If you
245 understand Chinese culture you know how *interestink* this is. In
246 China, you don't do anything with a cell phone. It's virtually
247 impossible to live without it. China REQUIRES its citizens to have
248 them, it's one way they have of tracking them. So, 21 million
249 cancellations is very, very interestink.

250 But I'm running out of time here and I want to summarize the
251 point of the show today.

252 There is a conspiracy, but it's a conspiracy among certain wicked,
253 antichrist Americans who want to pull America out from under
254 God, and destroy this country as founded, and implement the
255 OBAMA TRANSFORMATION — from a free society of people
256 living in LIBERTY to an oppressed society with all Americans
257 living under tyranny.

258 But the good news is, there is yet a little strength left in the ole gal
259 — lady liberty is limping, and hurting, but she is not dead! The
260 lamp still burns in the hearts of true-hearted patriots — and if we
261 will humbles ourselves in our prayer closets and raise our voices in
262 the streets—proclaiming LIBERTY, we will rise!

263 So, I'll begin my conclusion with a little something that will tweak
264 all those whose agenda is threatened by good news:

265 Let's start with the 2.2 trillion dollar stimulus. I will not address my
266 concerns about this bill and the effort to alleviate somewhat the
267 pain caused by liberals use of this disease to spread the more
268 dangerous plague of fear (that, or they are guilty of ignoring the
269 Swine Flu and so have the blood of those thousands on their
270 wicked hands) — but I will report that the effort on the part of
271 Pelosi and Schumer to plant IEDs in the bill that would detonate

272 and bring down our economy were caught and carved out of the
273 final Bill that was approved today.

274 They tried to weasel in the Green New Deal — caught and cut! The
275 Pelosi-Schumer abortion-funding scheme was foiled: NO funding
276 for Planned Parenthood in this bill. No money for illegals!
277 Churches are generally eligible for relief along with others for small
278 business loan grants. They tried to mandate corporate board
279 diversity—an effort to impose California insanity on the rest of
280 America—failed! They wanted to require Airlines to distribute
281 notices to all flyers about how much carbon emission was being uh
282 emitted during their flight — yeah, like one said, that's what
283 Americans want to know right now —

284 So, that's good news! Our conservative lawmakers fought back
285 against a lot of this nonsense — but, you know, some rodents
286 always seem to get away and hide somewhere in these bills — we've
287 got to do something about how bills are passed into law to stop this
288 business of throwing hundreds of millions of dollars of pork into
289 every bill no matter how unrelated it is to the point of the Bill.

290 And, as one patriot put it, I can't find his or her name, but I
291 thought this was encouraging: one thing those who hate America
292 did not count on:

293 "Truckers are getting supplies to the stores. People are stocking the
294 shelves all-night and letting the elderly shop first. Carnival Cruise
295 line told Trump “We can match those big Navy Hospital ships with
296 some fully staffed cruise ships” GM said hold our cars and watch
297 this; we can make those ventilators where we were making cars
298 starting next week. Women and children are making homemade
299 masks and handing out snacks to truckers. [The Pillow guy tooled
300 up and is making a few million masks.] Restaurants and schools
301 said, We’ve got kitchens and staff; we can feed kids.” Churches are
302 holding on-line services and taking care of their members and
303 communities. NBA basketball players said, “Hold our basketballs

304 while we write checks to pay the arena staff.” Construction
305 companies and tattoo shops said, “Here are some masks for the
306 medical staff and doctors.” Breweries are making sanitizer out of
307 the left-over ingredients. We thought we couldn't live without
308 Baseball, NASCAR, NBA or going to the beach, restaurants, coffee
309 shops and bars. Instead, we're trying to keep those businesses open by
310 ordering online and placing take-out orders.”

311 It's America, folks! And GOD is very much ALIVE!

312 We prayed a vaccine would be found quickly and it's happening in
313 record time. We prayed President Trump would be protected
314 through all this—we have prayed God would turn all the
315 machinations of the evil back upon them — we have prayed that
316 every stone they try to roll onto God fearing, America loving
317 Patriots, would roll back on them — we have prayed they will be
318 caught in every snare they set for our President, and for
319 conservative, God fearing Americans — we have prayed and
320 continue to pray, the REPROOF upon the DARKNESS of this
321 world will be clear, and OPEN! That GOD would intervene on our
322 behalf, and save us from these UNREASONABLE and WICKED
323 MEN and WOMEN.

324 We have prayed, and pray for the day "the vile person shall no
325 more be called liberal ..." Isaiah 32:5. We have taken up the prayer
326 of Psalm 139 on behalf of Christ and His KINGDOM — "FOR
327 THEY SPEAK AGAINST THEE WICKEDLY, AND THINE
328 ENEMIES TAKE THY NAME IN VAIN. DO NOT I HATE
329 THEM, O LORD, THAT HATE THEE? AND AM NOT I
330 GRIEVED WITH THOSE THAT RISE UP AGAINST THEE? I
331 HATE THEM WITH PERFECT HATRED: I COUNT THEM
332 MINE ENEMIES. SEARCH ME, O GOD, AND KNOW MY
333 HEART: TRY ME, AND KNOW MY THOUGHTS: AND SEE IF
334 THERE BE ANY WICKED WAY IN ME, AND LEAD ME IN
335 THE WAY EVERLASTING." Psalm 139:20-24.

336

337 I have lit the lamps in the Church belfry arch and now you let me
338 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
339 ON and you will ride like Revere and spread the warning,
340 (essentially, it means you agree with what I'm saying) or you say
341 LIGHTS OFF -- which means you reject what I'm saying and
342 disagree strongly with me. So, what will it be today, lights on, or
343 lights off?
