Jerry Scheidbach

Original Air Date: 06.06.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 There is a big difference to be made between domestic terrorists,
5 using "protest" as a cover to overthrow America and genuine
6 protestors concerned about police brutality.

7 [TRUTH]

8 I am convinced the terrorism we are watching has nothing to do
9 with George Floyd's death under the knee of Officer Chauvin—I've
10 watched the video, and even when what the media does not want
11 you to see is seen—bottom line—this appears to be a clear case of
12 excessive force, something civil society cannot tolerate. Whether
13 you like it or not, Chauvin deserves his day in court, just like Floyd
14 and his family deserve justice for what by all accounts appears to be
15 a senseless act of murder—and I understand, Chauvin is charged
16 with second degree murder, and the three officers who stood by
17 and did nothing when they heard Floyd protest that he could not
18 breathe, are being charged with aiding and abetting.

19 But the riots have nothing to do with justice, they have nothing to
20 do with white racism—and, sadly, it has everything to do with an
21 election upcoming and a desire by those who have been
22 manipulating the black community for decades to put a rift
23 between them and Trump—it's about an upcoming election.

24 The DEMS had to find a way to break the economy in order to take
25 that away from Trump, and now they have found a way, they
26 think, to break Trump's popularity among black communities—
27 THAT'S WHAT THIS IS ABOUT!

28 And, mark my words; Soros money is all over this. And the Deep
29 State is totally orchestrating this nonsense—and Mattis, and the
30 current Pentagon Chief are Deep State apparatchiks — look, the
31 Demoncrats have been in conspiracy to stop Trump during the
32 election, they have been engaged in deep state operations to get
33 him removed from office from day one, they have been unable to
34 do it, and so they have come up with a major assault on America—
35 this ginned up reaction to COVID is a farce, contrived to destroy
36 the economy—because that is a major win for Trump in
37 November; Antifa and BLM rioting—killing black Americans
38 because a black American was killed—does that make sense to
39 ANYONE? Destroying black businesses, attacking innocent people
40 who have worked their entire lives to make a career for
41 themselves—five upstanding black Americans, so far, have been
42 MURDERED by these rioters—these terrorists—whose agenda is
43 to enslave America.

44 While we were sleeping, Satan has established a major network of
45 evil men and women intent on pulling America out from under
46 God and into his power. What we are up against is a highly
47 organized and powerful cabal willing to do a bsolutely anything to
48 keep power. And I mean ANYTHING.

49 Some of you might remember me warning you—watch for these
50 people to do ANYTHING to keep Trump from winning in
51 November—they are totally deranged and have no moral compass,
52 right and wrong mean nothing because in their mind, right is
53 getting Trump out and pushing Christians underground, and
54 wrong is any other result. Truth and justice mean nothing because
55 truth and justice means one thing: stopping Trump, and pushing
56 Christians underground. That's it!

57 While we were sleeping, this Satanic cabal has trained hundreds of
58 thousands of young people to hate God, hate Christ Jesus, hate
59 Christians, hate America as founded, hate the Bible — so now,

60 what we are up against is a violent, murdering mob that wants to
61 burn down America—and it's all to protect the power they have
62 gained over decades while we slept—but the Church is hearing the
63 Spirit's call to AWAKE TO RIGHTEOUSNESS and SLEEP NOT.

64 I am so deeply disturbed by what has been going on. It would
65 literally take me at least the next five shows to sort out all I'm
66 dealing with right now.

67 Here is how I'll start. I appreciate Candace Owens and would vote
68 for her for any office for which she was a candidate, if I could. She
69 spoke up regarding the George Floyd atrocity! Chauvin, the
70 accused, is charged with second-degree murder. This means the
71 District Attorney of Minnesota has decided Chauvin intentionally
72 murdered Floyd, but it was not premeditated. This is an upgrade
73 from the charge of third degree, which means it was thought he did
74 not intentionally kill Floyd, but the death was the direct result of
75 his negligence—something called manslaughter.

76 I have to say up front, that occasionally, Candace uses language
77 unbecoming—uh, if you know what I mean. And that's none of my
78 business, but I want you to hear what she has to say, so, I, playfully,
79 interjected a toilet flush for the few places where she used language
80 I can't, and do not care to air on my radio show. But, truly, as per
81 usual, Candace did her homework, and she is speaking to her black
82 community—it's very, very informative. Give her a listen, and
83 follow her on Facebook, Twitter, or wherever else you can find her.
84 She works for PragerU — and she is a fine black conservative —
85 the one that founded Blexit, by the way. — here she is.

86 [Sorry! No transcript for Owen's message.]

87 Thank you Candace.

88 No commercials today—That was Candace Owens, follower her on
89 Twitter, and FB, and catch her show on PragerU. She was speaking
90 to Black Americans—now I want you to hear from another great

91 Black American—David J. Harris. You can follow him on FB, and
92 Twitter, he is a conservative commentator and his analysis is
93 consistently brilliant and spot on. Mr. Harris is also responding to
94 the Floyd issue and he has something he wants to say to White
95 Americans—especially to those who are kneeling!

96 David J. Harris.

97 [Sorry! No transcript of Harris' message.]

98 God bless you. God bless America! I'll see you in Church.
