

Brain Massage: Show No. 783 BLM-ANTIFA Connection / Law & Order  
Lost & Regained / Hollywood Confesses Its Racist Sins

Jerry Scheidbach

Original Air Date: 06.13.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Captain Dorn, officer killed in action while defending a store from  
5 BLM/Antifa looters, buried 6-11-20, virtually ignored by MSM and  
6 liberals everywhere. What does it mean when a community that  
7 touts Black Lives Matter values one black life above another?  
8 Perhaps their slogan should be SBLM — some black lives matter.

9 How about this? The Left has finally joined the abolitionist  
10 movement. Wait for it — wait for it!

11 The Floyd family finally folded! Got a whiff of some Soros money?  
12 Calling on the UN to disarm American police!

13 Oh, here you go! Finally! The Hollywood elites admit they have  
14 been racist all along—but now they feel bad about it.

15 New York moves toward defunding and even thinking about  
16 disbanding Police, Seattle Mayor and Governor are all okay with  
17 BLM/ANTIFA taking over 7 city blocks of Seattle and defending  
18 their borders with armed terrorists — suddenly securing borders is  
19 okay with the left??? Haha. Portland, Oregon to soon follow suit!  
20 LA is next?

21 Think about this! Apparently, the only places in America troubled  
22 by systemic racism are cities controlled by Democrats.

23 Now, let's take a quick look under the cover of terrorists  
24 pretending to be protestors taking over sections of our cities—uh  
25 huh, smoke my friends, literal, and figurative—hiding beneath all  
26 the chaos, truth and justice continue to pursue Obama and  
27 company: Barr makes an announcement signaling the Justice

28 Department is moving forward with investigations into corruption  
29 in the FBI spying on private citizens and political candidates — the  
30 28 million missing mail in ballots — operation steal the election  
31 going on behind that curtain over there — setting it up with Biden  
32 announcing his allegation Trump will refuse to leave the White  
33 House and calling on military to be prepared to oust him—.

34 Trump announces a return to his campaign rallies—WHO and  
35 Fauci run out to publically announce doom and disaster if he does.

36 Twitter pulls Trump ad over copyright infringement claims—the  
37 Twitter wars continue! Parler is looking more appealing every day!  
38 — It's a bit frustrating, too many layers of protection against  
39 spammers — but, well, we will see!

40 Okay, what else in the show folder for today? Let's see, yeah! Wow.  
41 The left want to disarm Americans and then remove their police  
42 protection—while they surround themselves with their private  
43 armed bodyguards or demand police protection around their own  
44 homes and their families.

45 What you are watching right now is merely the gathering of the  
46 storm clouds — the storm will hit big and hard coming into  
47 September-October — unless something is done to stop this NOW.

48 My friends! It's time for your brain massage!

49 [TRUTH]

50 Captain Dorn, retired police officer, was murdered while defending  
51 a pawnshop from BLM/Antifa looters. He was buried 6-11-20, a  
52 funeral that was virtually ignored by MSM and liberals everywhere.  
53 While the funeral of another black man that was murdered by a  
54 white police officer received 24/7 coverage—national, and even  
55 world-wide notice. There is so much wrong with this!!! Where do I  
56 begin?

57 It's a contrast worth noting. The Black Lives Matter movement  
58 according to their self-described Marxists organizers is a  
59 corporation, and not non-profit organization — hmmm? — that  
60 with the help of the MSM and the Left has had their slogan  
61 reverberating in the echo chamber of American news, and social  
62 media by liberals until it has literally saturated the consciousness of  
63 all Americans and most people around the world. But is BLM  
64 really about promoting the value of black lives? It turns out—NO!  
65 It's about raising money for their Democrat oppressors! 180+  
66 million wasted on Bernie, and another 119 Mil to Biden, and  
67 multiple millions of dollars to exclusively liberal political  
68 candidates. So, once again, to understand what is going on you  
69 need to follow the money!

70 So, the BLM coopted the murder of (black) George Floyd under the  
71 knee of (white) former police officer Chauvin—you have to point  
72 out that Floyd was black and Chauvin was white because — well,  
73 why? The Hodge Twins (Black, by the way —because all  
74 conversations about anyone these days has to include notice of  
75 their skin color—right?) these guys are conservatives who display a  
76 consistent grasp of common sense—they asked, why is it racist  
77 simply because the victim was black and the perpetrator was white?  
78 That is not enough to conclude racism — just because Chauvin was  
79 white and Floyd was black does not prove racism was the  
80 motivation. An acquaintance of both these men reported that they  
81 had "bumped heads" before—they both worked at a nightclub, or  
82 something of that sort, and had some run ins — but this guy pulled  
83 his story—after he was approached by someone waving some Soros  
84 money under his nose???

85 Our brothers the Hodge Twins point out that police brutality  
86 happens against whites too, but when it does, you never hear about  
87 it—they show three samples, let's look at one of them. A guy  
88 named Tony Tempa, in Dallas, called 911 for help. He said he was

89 schizoid, off his meds, and was high on cocaine. He had no prior  
90 record of violence or prison, or anything like that. He was acting  
91 erratically, so a social security guard had cuffed him. So, the guy  
92 called for help, he was cuffed, and the police arrive. Remember, he  
93 explained that he was schizoid, off his meds, and high on cocaine  
94 — the police knew this before they arrived on the scene. One of the  
95 officers wrestled the man to the ground, pressed his knee onto his  
96 neck, with his face pressed into the grass. The other officers were  
97 laughing about it. You can hear them joking, and yucking it up in  
98 the background, while the officer pressed this man's face into the  
99 grass with his knee on his neck. The officer held him there for 14  
100 minutes. The man was begging for his life. The man stopped —  
101 and one officer can be heard, mocking, did he fall asleep? Finally,  
102 the paramedics arrived, and pronounced the man dead. The officer  
103 killed this guy! The attending officers laughed while he did it. And  
104 you never heard about it. Why? Because in this case the victim was  
105 WHITE! And yet the circumstances are almost identical—with that  
106 one difference. This guy was white. His name was Tony and the  
107 Trayvon.

108 Look, the FACT is whites are more often killed by white and black  
109 officers than the other way around. But you never hear about  
110 whites burning up their own communities in anger over something  
111 like this. You never hear about whites burning up black or white  
112 owned businesses—torching cars randomly—or killing white or  
113 black officers in some mob riot. Why do black communities put up  
114 with this nonsense? When will it stop? How have these people  
115 succeeded to get black people, many of them, to blame white  
116 people when black people torch black businesses? How exactly  
117 does that work?

118 Let's get some perspective here. We already know that our jails are  
119 populated by a higher percentage of blacks — at end of 2017, there  
120 were 475,900 blacks and 436,500 whites in prisons — a difference

121 of 39,400. However, blacks account for only 13% of the population,  
122 and non-Hispanic whites, as of the 2010 census, were 60.4% of the  
123 population. People are generally put in prison for the content of  
124 their character and not for the color of their skin—I'm going  
125 somewhere here, hold on.

126 It comes mostly from large metropolitan areas like Chicago, NY, or  
127 LA, but the fact is, the black family has been broken down by  
128 Democrat policies — their own chosen Massas have betrayed them  
129 — created a government subsidized plantation where they are kept,  
130 and treated like cattle harvested once every four years for their  
131 votes — it's disgusting — but that's what the white former slave-  
132 owners have done to so many of our black brothers and sisters!

133 So the point is, relatively speaking, you have a huge percentage of  
134 blacks committing crimes—being taught from the cradle that the  
135 white man is their enemy and anything you can take, you deserve  
136 — but the irony is, the almost Twilight Zone, Outer Limits,  
137 Weirdness of it all is they attack their OWN! They feed on their  
138 own flesh. Why? Makes you think it's an excuse to act like the devil  
139 and all they really want to do is steal, and kill, and destroy—like  
140 their father the DEVIL! And hide behind a LIE to justify it.

141 So, here you go. Listen to these FACTS— from the Washington  
142 Post, no less, I mean, this is a dedicated liberal propaganda organ,  
143 but even those organs hit a true note occasionally — this WaPO  
144 article reported that in 2019 there were 10 million arrests in  
145 America. 1,004 of these resulted in a death. 41 of these were  
146 unarmed —. 19 of these unarmed suspects killed by police were  
147 white. How many were black? 9. It's important here to remember  
148 that most of these suspects were black — which drives down the  
149 disparity even more. MORE UNARMED WHITE PEOPLE THAN  
150 BLACK PEOPLE ARE KILLED BY POLICE.

151 89 police officers, black and white, were killed in the line of duty in  
152 2019. During the recent riots, 92 officers were shot, and 27 killed in

153 ONE WEEKEND, in one city—the city that sent cops out to raid a  
154 church, but refuses to allow cops to arrest rioters.

155 But, the BLM crowd cries injustice when a rogue, wicked hearted  
156 white officer kills a black man and says NOTHING when a black  
157 mob kills a black officer protecting a black brother's business from  
158 looters.

159 What does it mean when a community that touts Black Lives  
160 Matter values one black life above another? Perhaps their slogan  
161 should be SBLM — some black lives matter.

162 Since media, and BLM, and ANTIFA, is playing favorites, picking  
163 and choosing which black lives matter, well, let's look at that!

164 Black babies in the womb, nope, they don't matter. Brave black  
165 police officers whose entire life was invested in making the lives of  
166 all around him safer, better, nope — not interested! How about a  
167 black man who has a long prison record, incarcerated 9 times,  
168 including armed robbery, in which he pressed the muzzle of a  
169 pistol into the belly of a pregnant, black woman, while his cohorts  
170 robbed her house — yeah, that's George Floyd, who cleaned up his  
171 act, right? who had begun a run of reformed behavior, right —  
172 yeah, who was high on meth and fentanyl and apparently passed a  
173 counterfeit 20, when that wicked white police officer pressed his  
174 knee into his neck pinning him to the pavement until he died—so,  
175 MSM, if you are choosing which black lives matter, what about  
176 Officer Dorn? And how about the other three black officers that  
177 were brutally murdered by your BLM mob? And what about the  
178 black storeowner's whose lives you destroyed? You are liars—just  
179 like your father the Devil—liars—you don't believe black lives  
180 matter—you are an organization dedicated to the destruction of  
181 American society using this myth of systemic racism as a cover for  
182 your covert Anti-American activities. That's why you and Antifa  
183 get along so well—common goals. George Soros and China are  
184 conspiring to burn America to the ground!

185 Okay, I need to conclude the first segment. At first, the Floyd  
186 family called for peace, they expressed concern about their son's  
187 death being used to justify violence, and said conciliatory things  
188 like George would not be honored by such acts of violence, and so  
189 forth. But I guess there has been a change of heart? I understand  
190 the Floyd family has formally petitioned the U.N. to intervene and  
191 send recommendations for systemic police reform in the US?

192 They are asking for the UN to encourage the US to press criminal  
193 charges against Chauvin — how's second-degree murder for you?

194 I understand a niece has said, "Someone said, 'Make America great  
195 again.' But when has America ever been great?" Someone, please  
196 help that child and don't let her seethe in misdirected hatred—hate  
197 Chauvin, I guess, but hate all white people and America? Really?  
198 Let me answer your question. When has America ever been great?

199 How about when more than 600k whites died fighting a civil war to  
200 end slavery. How about when over 130k died on foreign fields to  
201 stop Hitler? How about you admit not only is it true that not all  
202 whites are racists—the fact is, only a very few whites are racist. Or  
203 how about when our founders crafted the language in the  
204 Declaration that, as they expected, would be the ground upon  
205 which the full emancipation of all slaves would come: "ALL MEN  
206 ARE CREATED EQUAL ..."

207 Why don't you hear us — the vast majority of whites in this  
208 country — why don't you hear us say WE HATE WHAT  
209 CHAUVIN DID AND HE WILL BE PUNISHED. What is it about  
210 WE AGREE WITH YOU that you don't hear? No one defends  
211 Chauvin! NO ONE! So why are you burning down your own cities  
212 and hurting black Americans — and now beginning to use this as  
213 an excuse to militantly, and violently, take over Seattle, Portland,  
214 New York, Chicago, LA—.

215 Well, here is the truth. Are you ready for it? These are not  
216 protestors! These are terrorists! This is not about George Floyd or  
217 police brutality—it's about defeating Trump in November! It's  
218 about diverting the attention of Americans from POLICE  
219 BRUTALITY against the political opponents of Democrats—it's  
220 about covering up the abuse of power at the highest levels of law  
221 enforcement in this country—using the FBI to spy on a political  
222 candidate, terrorizing private citizens with SWAT assaults on  
223 private homes in the night to punish those supporting Trump —  
224 it's about anger for our interference in their plans to DESTROY  
225 AMERICA AS FOUNDED — the TRANSFORM it into a  
226 Venezuela, or Cuba — it's a panicked reaction to Trump's victory,  
227 and his push back against the globalist agenda—it's an angry  
228 outbreak of Bernie supporters who threatened that unless he was  
229 nominated, they would burn it down — they would resort to force  
230 if they could not get their way politically — this Floyd thing is a  
231 cover, a smoke screen, to launch an attack on America—and  
232 SOMEONE MUST DO SOMETHING NOW — before it goes to  
233 more blood shed!

234 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
235 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
236 lighter, lighting the lamps in the church belfry arch, signaling the  
237 enemy is on the march, an enemy that would steal from us our  
238 liberty.

239 Trump announces a return to his campaign rallies—WHO and  
240 Fauci run out to publically announce doom and disaster if he does.

241 Fauci is a phony. This whole mask thing is nonsense. But, no, I  
242 don't have time to go into that right now.

243 The Hollywood elites admit they have been racist all along—but  
244 now they feel bad about it. Did you see that video prepared by a  
245 gaggle of fakes with their best actor faces pretending to be all

246 serious about "taking responsibility" and apologizing for all the  
247 times they told racist jokes or excused police brutality? I was  
248 amazed. Truly! I had no idea those people were so racist. I did not  
249 know they excused police brutality—what? Really? It was an eye  
250 opener to me. I mean, I knew most of them had the morals of an  
251 alley cat, and virtually no regard for any semblance of our  
252 traditional American mores rooted as they are in a Christian  
253 world-view. Right? Everyone knew that. But to think they were a  
254 pack of hateful racists joking about racism, telling racist jokes to  
255 one another, and flippantly dismissing police brutality? I did not  
256 see that coming. So, perhaps one good thing did come out of this  
257 after all — the Hollywood actors have confessed they are a pack of  
258 hate mongering racists. So, I'm glad they take responsibility for it;  
259 perhaps they will pay the reparations demanded by BLM/ANTIFA  
260 in Seattle? Perhaps the leaders of the terrorists holding 7 blocks in  
261 Seattle can get in touch with these confessed racists and help them  
262 salve their conscience by giving all their wealth to them.

263 Maybe these actors should invite BLM/ANTIFA to come torch  
264 their mansions, and Rolls, and I don't know, whatever fancy 100k  
265 car they are driving — maybe they should put a little more to their  
266 confession and repentance than mere lip service.

267 Well, I'm glad they have repented! But, I can't relate to them at all. I  
268 never was racist, my parents were never racists, I never heard a  
269 racist slur come from their mouths. I never joked about racism; I  
270 never excused police brutality — never — not once.

271 What's that? Oh, really? I was told that these actors were being fake  
272 and pretending only to make us feel guilty about this — humpf.  
273 Really? Well, I should have known—they are a bunch of phonies.  
274 But, what's that? No, I don't take responsibility for something I  
275 never did. I read a meme, I guess that's what it's called that said  
276 why should people who never owned slaves pay reparations to

277 people who were never slaves? Who benefits by keeping this race  
278 thing stirred up?

279 Think about this! Apparently, the only places in America troubled  
280 by systemic racism are cities controlled by Democrats. Yeah! Blue  
281 states are burning!

282 Because, you want to know what happens when these troglodytes  
283 try this nonsense in Red states? Well, let's look at Idaho.

284 I have a dear friend who lives in Idaho. We had a long talk recently  
285 about what's going down there. Then I read the news reports of  
286 what happened. And you will not be surprised to discover that the  
287 MSM are totally mischaracterizing what happened in Red State  
288 Idaho.

289 Rumors circulated that Antifa was coming to Cord Elaine, Idaho.  
290 About 1000 armed citizens gathered in the streets there to protect  
291 their brothers and their sisters from a BLM/ANTIFA attack. My  
292 friend was among them. Not one police in sight. A small pack of  
293 Antifa mobsters prowled about, but then they saw 1000 armed  
294 citizens standing guard over their streets, they decided they would  
295 go for soft targets—like Seattle, with their weak Mayor and  
296 milquetoast Governor—kneelers, you know the type. They kneel to  
297 tyrants. Like Pelosi—all of them, kneeling to tyranny—sycophants  
298 that bow to anarchists. But to read MSM — the Idaho incident;  
299 well that was all fake. No Antifa showed up, it was a false alarm, all  
300 the conservative Christian's armed to the teeth standing guard over  
301 their streets, hahaha, laugh, mock, they were dupes.

302 Right! Well, I have an in-person report from someone who was  
303 there, on the street—the reason Antifa dispersed is because they  
304 found RESISTANCE and not ASSISTANCE.

305 I went long on the first segment, so I'll have to abbreviate my  
306 comments—

307 How about this? The Left has finally joined the abolitionist  
308 movement. Are you hearing all the calls to abolish this, and abolish  
309 that? Dinesh pointed out the calls from the Left to abolish police,  
310 abolish small business, abolish churches — in short, abolish  
311 anything and anyone that supports Trump. I got to thinking about  
312 this and he is right. The left just wants everything and everyone  
313 that supports Trump to be ABOLISHED. Please, don't think for  
314 one moment they will not go all out for REVENGE on us for  
315 refusing Hillary. That's what they are doing right now—punishing  
316 Trump supporters. You are crazy if you let them win this!

317 But I thought it was interesting — the party, the Demoncrats —  
318 that resisted the Abolition movement against slavery, that resisted  
319 Civil Rights — yeah, the DEMOCRATS hated abolition — hey,  
320 they've come along—that's the party calling for abolition of the  
321 police, small business, churches — with their mail in voter fraud  
322 scheme they want to abolish democracy — they want to abolish the  
323 second amendment — take away our right to keep and bear arms,  
324 and then abolish the police force that are supposed to be there to  
325 protect us so we don't need arms, and do you want to know why  
326 they are so committed to their abolitionist movement? It's because  
327 they want to abolish freedom, they want to abolish liberty, they  
328 want to abolish America — they want America destroyed — if we  
329 refuse to give it to them, they will BURN IT DOWN.

330 Stand up to this DEVIL!

331 But remember, you must SUBMIT yourselves to GOD before you  
332 attempt to RESIST the DEVIL.

333 This nation needs to repent of its egregious effronteries against  
334 GOD — the shedding of innocent blood and the promotion of the  
335 unnatural and deadly lifestyle of sodomy — and the sin of giving  
336 the sword of government into the hands of ungodly and wicked  
337 men and women who have turned it against the righteous in  
338 defense of the wicked! We are experiencing the result of

339 committing the sin rebuked by the prophet Hosea — "they have set  
340 up kings, but not by me." Hosea 8:4.

341 If you put the divinely appointed sword of government into the  
342 hands of wicked men and women, what do you expect will happen?  
343 They will turn that sword against the righteous.

344 Another testament to the good idea that we re-elect Donald  
345 Trump, through all this mess, Attorney General Barr makes an  
346 announcement signaling the Justice Department is moving forward  
347 with investigations into corruption in the FBI spying on private  
348 citizens and political candidates. Senator Ted Cruz crushes the  
349 phony democrats for their unwillingness to admit the truth about  
350 the crimes of the Obama administration, and it has been revealed  
351 recently that 28 million mail in ballots came up missing in the last  
352 election — prompting serious concerns about the Democrats push  
353 for an all mail in ballot in November. Don't let them do it.  
354 Operation steal the election is in full swing among the Democrats  
355 — I'm telling you what you already know, in your gut you know,  
356 those people will literally do ANYTHING to stop Christians from  
357 regaining influence and place in our government. They are setting  
358 it up with Biden announcing his fears Trump will refuse to leave  
359 the White House and calling on military to be prepared to oust  
360 him—. In other words, they intend to steal the election, demand  
361 Trump leave the White House and anticipate he will resist based  
362 on the allegations of fraud that will turn out to be true—and they  
363 want to prepare the American people to support their coup.

364 They've being trying to conduct a political coup, and it has failed,  
365 they are demonstrating their willingness to turn to a militant coup  
366 if we don't concede power to them with these riots—they are  
367 attempting to intimidate Christians into cowering and retreating  
368 and letting them have America.

369 Don't bow to tyranny; bow to Christ. Kneel before the LORD GOD  
370 in HEAVEN and cry out to Him for forgiveness and in sincere

371 repentance, SUBMIT YOURSELF TO GOD — then rise up  
372 Christian soldier and ROAR—with the lion of the tribe of Judah—  
373 ROAR for FREEDOOOOOOOOOMMMMM.

374 I have lit the lamps in the Church belfry arch and now you let me  
375 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
376 ON and you will ride like Revere and spread the warning,  
377 (essentially, it means you agree with what I'm saying) or you say  
378 LIGHTS OFF -- which means you reject what I'm saying and  
379 disagree strongly with me. So, what will it be today, lights on, or  
380 lights off?
