

Brain Massage®: Show No. 784 The Second Civil War Over Slavery Has Begun / The Democrats Are Manipulating Blacks To Destroy Blacks

Jerry Scheidbach

Original Air Date: 06.20.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Here is an interesting Meme—"Congratulations Democrats! You've
5 managed to bring back the 1918 pandemic, the 1929 Great
6 Depression, and the 1960's race riots all at the same time."
7 I remember how they howled when Tim Tebow took a knee to
8 pray. Now they want to take a knee to—to what? To "pay"? The pay
9 for past sins? To pay for slavery?
10 I also remember Ruby Ridge, and Waco—and a government far
11 less tolerant of armed "protesters."
12 What does it mean—all these videos popping up of black on black
13 and black on white assaults. A black man slamming a skateboard
14 into the face of a black lady while his black friends mock, laugh,
15 and make a joke of it while filming it. And black thugs attacking
16 old white folks—one kid knocking a 90-year-old woman to the
17 sidewalk, and another black thug attacking an old white guy, barely
18 able to walk, in the aisle of a grocery store and beat him
19 unconscious—
20 More American corporations "taking sides" in the culture war:
21 Chick-Fil-A decides to kneel, Popular Mechanics presents an
22 article explaining how best to tear down a statue, T-Mobile is
23 boycotting Tucker Carlson for his stand on BLM.
24 What is the answer! Kneel to angry black men and women or kneel
25 to JESUS?

26 Trump wants to resume his rallies — Fauci warns COVID-19 cases
27 will increase. Over 1 million sign up for his rally—Newsome orders
28 all Californians to wear masks.

29 Seattle's Mayor changes her tune when "protesters" attack her
30 house. Portland's Mayor starts whistling law and order when the
31 "protesters" gather in his street. Who knows, perhaps there is hope
32 for these folks—you've heard the saying that a conservative is a
33 liberal who has been mugged.

34 Okay, my friends, it's time for your brain massage.

35 [TRUTH]

36 Are you feeling overwhelmed?

37 I remember how they howled when Tim Tebow took a knee to
38 pray. Now they want to take a knee to—to what? To "pay"? The pay
39 for past sins? To pay for slavery?

40 Chic-Fil-A CEO takes a knee to shine the shoes of a Christian
41 rapper and business owner. Well, so! Jesus washed the feet of His
42 disciples. But the reason Chic-Fil-A knelt before this Christian
43 rapper to shine his shoes was to express shame over racism. Oh!~
44 Well, I don't think Jesus was expressing shame over racism—
45 because Jesus died for ALL MANKIND — He had this idea that
46 EVERY SOUL MATTERED. Sad to discover Dan Cathy has been
47 racist, and feels guilty about it, and imagines that shining the shoes
48 of a black brother will "atone for racism in America."

49 I've never heard anything so blasphemous coming from anyone
50 who calls himself a Christian. First, the only act powerful enough
51 to atone for sin was the Death of JESUS CHRIST on the CROSS.
52 Yo, Danny, shining shoes does not atonement make. And this goes
53 to the heart of what's totally WRONG about all of this—as you
54 shall see.

55 Dan Cathy is not called upon to "atone" for anything—he is a self-
56 appointed, and totally self-righteous "Christian" who thinks
57 bowing down to political correctness will appease.

58 So, what is Cathy bowing to? What does his act of humiliation
59 actually do about the problem he is trying to address? NOTHING!
60 Well, actually, it does do one thing! It empowers the Black Lives
61 Matter movement—it justifies what Antifa and BLM are doing
62 right now in this country. It, quite literally, strengthens evil and
63 weakens righteousness—I mean the real righteousness.

64 The Righteousness that focuses on the execution of judgment to
65 restore justice on behalf of anyone that is victimized by injustice—
66 that's a gesture that means something. Kneeling to shine someone's
67 shoes, especially in the current environment, responding to the
68 pressure of threats and intimidation, only justifies what BLM and
69 Antifa are doing—it amounts to bowing down the violence and
70 force being used by Antifa/BLM.

71 In what way, exactly, will Cathy and Christian rapper Lecrae
72 "atone" for racism by a black man allowing a white man to shine
73 his shoes? Black people who feel themselves to be victims of white
74 racism are helped by this in exactly what way? Please tell me? In
75 what way is justice served by this ridiculous showcasing of —
76 what? I don't even know what to call this.

77 Are Cathy and Lecrae buying in to the idea that reversing roles
78 actually balances the scales of justice? Is justice served when what
79 happened to black people during antebellum finally happens to
80 white people after it? (Antebellum, in this case, by the way, refers
81 to what occurred before the Civil War.) Is it justice to require all
82 Japanese people today to pay all Americans today, reparations for
83 Pearl Harbor?

84 Well, let's see! Slavery was first legalized in America in a 1600s case
85 involving an indentured servant whose time for release had come,

86 but the owner of that man's contract was angry because he felt the
87 indentured servant had not fulfilled his contract. So he took this
88 fellow to court, and argued that because this indentured servant
89 (by the way, an indentured servant was someone who was
90 contracted to serve someone for a specified period of time for a
91 specified wage or other benefit). The court ruled in favor of the
92 plaintiff, and ordered the indentured servant to serve under the
93 owner of his contract for the rest of his life. This was the first case
94 of legalized slavery, in which a court in these colonies awarded
95 legal possession of a man — and, guess what? Well, you already
96 guessed it. It was a black man named Anthony Johnson, who filed
97 this suit against his black indentured servant, named John Casor
98 and was awarded the ruling by a black judge. This was in 1654-
99 1655. What???

100 Now, how are we going to get justice for that? Will we have to find
101 a white man, who will file suit against a white employee, and get a
102 white judge to award that white fellow the right to own that white
103 man for life? How, exactly, is that justice?

104 And what about the black village chiefs who rounded up blacks
105 from other tribes to sell them to the white slave traders—do we get
106 justice for that by reversing roles on this. Let's have black slave
107 traders buy white slaves from whites who kidnapped them to sell
108 them. How, exactly, does that make for justice?

109 Those black sex slave traders selling white women to be sex slaves
110 are actually balancing the scales of justice? Is that what justice is?

111 Is it justice for someone to have happen to them what they did to
112 someone else?

113 Justice would be an act whereby righteousness is reestablished—
114 not an act whereby injustice is REPEATED, over and over and
115 over.

116 Justice is served when judgment occurs that corrects injustice —
117 not when the injustice is simply turned onto the perpetrator.

118 Do you understand? If justice is nothing more than doing to
119 someone else what they did to you then evil wins. Because now we
120 are in an endless cycle of injustice.

121 One guy does an injustice upon another, so then that person does
122 an injustice on them—all we have done is increase injustice.

123 But if judgment corrects injustice—if the person is made to make
124 restitution for something he or she did, and restore what was
125 taken, that is justice.

126 But now we have another problem. If I exact restitution from
127 someone who never committed the injustice—that restitution
128 cannot satisfy justice. Now what we are doing is committing
129 another act of injustice. Once again, injustice cannot be satisfied
130 with more injustice. It's something else, but it is not justice.

131 So, what is it? It's something called vengeance. Vengeance is
132 satisfied by punishment. Vengeance is satisfied when one vents
133 anger upon another who has angered them. It is *revenge*. *Re-venge*
134 is pouring out on another the anger provoked in them by violation
135 or perceived violation of their person or property, or pouring upon
136 another the anger that is felt from an insult, or injury, or perceived
137 insult or injury. Essentially, vengeance is about making someone
138 else feel bad because you were made to feel bad. Ostensibly, the
139 persons you seek to avenge your anger are those who inflicted that
140 anger. God has watched as wicked men and women have shed the
141 blood of His servants—from righteous Abel Revelation 16:3-7.

142 "And the second angel poured out his vial upon the sea; and it
143 became as the blood of a dead *man*: and every living soul died in
144 the sea.

145 And the third angel poured out his vial upon the rivers and
146 fountains of waters; and they became blood.

147 And I heard the angel of the waters say, Thou art righteous, O
148 Lord, which art, and wast, and shalt be, because thou hast judged
149 thus.

150 For they have shed the blood of saints and prophets, and thou hast
151 given them blood to drink; for they are worthy.

152 And I heard another out of the altar say, Even so, Lord God
153 Almighty, true and righteous *are* thy judgments."

154 Now, I think we might legitimately assume that not every living
155 soul afflicted by this judgment personally engaged in killing God's
156 saints and prophets. Many of them assented to it perhaps, maybe
157 even passively approved of it, perhaps as Ezekiel warned us, they
158 did not lift up their voice against it — and so this general
159 outpouring of wrath from GOD upon mankind at this time may be
160 said to be warranted. At least the angels testified to the
161 "righteousness" of this — but this was not an act of justice. This is
162 an act of vengeance. They shed the blood of saints and prophets, so
163 God gave them blood to drink!

164 I am not accusing God of committing an act of injustice! But what
165 I am saying is that God pours out His vengeance upon the
166 ungodly—the wrath He has carried all these millennia will one day
167 be let go! All the provocation of wicked men has been, as the Bible
168 says, treasured up against the day of wrath—it will finally, fully fall
169 upon this world in outpouring of HIS WRATH.

170 And this will not be an act of justice—it will be an act of DIVINE
171 VENGEANCE.

172 God strictly forbids us to take vengeance into our own hands.
173 Romans 12:19 "Dearly beloved, avenge not yourselves, but rather
174 give place unto wrath: for it is written, Vengeance is mine; I will
175 repay, saith the Lord."

176 The context speaks of acting in wrath against another for any
177 insult, or injury that provokes us. We are not to "avenge" ourselves.

178 And the reason is this, "Vengeance is mine; I will repay, saith the
179 LORD."

180 What these people are doing is vengeance, not justice. They are
181 angry at past or present injustices. What we see happening from
182 Antifa and BLM is testimony to the fact that men, apart from Law,
183 cannot execute vengeance without committing injustice.

184 I have to close this segment, and really I feel like I just got to the
185 point—so maybe I'll take this up some more later.

186 Vengeance cannot be executed by men without injustice being the
187 result—we must seek JUSTICE and not VENGEANCE. Vengeance
188 is destructive and will invariably lead to multiple acts of
189 INJUSTICE. Do I need to recount what has been happening in
190 Seattle, in Portland, in Atlanta—the one exacting their personal
191 anger and hatred against real and imagined injustices are actually
192 destroying their own property, the property of those who are their
193 brothers, they are raging and foaming out their hatred—but they
194 are destroying themselves. Leave vengeance to GOD! Let us take
195 steps to satisfy JUSTICE — and not satiate the hatred of evil
196 people.

197 I'll be right back!

198 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
199 at the Lighthouse, your brain masseur, and Paul Revere's lantern
200 lighter, lighting the lamps in the church belfry arch, signaling the
201 enemy is on the march, an enemy that would steal from us our
202 liberty.

203 I remember how the liberal howled and scoffed and ridiculed and
204 railed against Tim Tebow because he took a knee to honor Jesus on
205 the football field. But they seem to have a different opinion about
206 kneeling to "protest" America—actually, to make a statement that
207 all whites are racist! Which, of course, is the epitome of racism.
208 But, we don't think about that! Right? Because black people were

209 treated unjustly by some white people a long time ago, all whites
210 must be regarded as racist today!

211 And the liberals have done such a good job of fomenting this
212 anger, this hatred, among some black communities that they feel
213 justified to walk along the street and knock an old 90-year-old
214 white lady down to the ground unconscious. This has been
215 pumped into the thinking of certain black communities so
216 thoroughly that some black thugs think they are justified to attack
217 an old white guy literally shuffling along an aisle in a grocery store
218 and beat him unconscious — .

219 The liberal students of Lucifer worshipping Alinsky have targeted
220 these young black Americans and pumped them so full of blind
221 rage and hatred—they are attacking their own. I watched a video
222 recently of a black kid, holding his skate board, talking to a young
223 black lady, and this was being filmed by a group of his black
224 friends—so this kid takes his skateboard and knocks this girl to her
225 back, out cold, smashed her right in the face—the gang videoing
226 this are yucking it up, laughing, they thought it was funny I guess—
227 I wondered if this was staged it just seemed to surreal—but I can
228 tell you what I know was not staged and that is the hundreds of
229 black business owners whose business has been burnt down, whose
230 stores have been looted, who have been brutalized by BLM and
231 Antifa who are supposedly protesting against those who devalue
232 black lives.

233 You see! The problem with movements like Black Lives Matter is
234 that to them NO LIVES MATTER. Black lives don't matter to
235 them. White lives don't matter to them. Life does not matter to
236 them. They want political power to take over our country and
237 LOOT IT for their own PROFIT. That's right! Black Lives Matter
238 CoFounder demands whites give up their homes to blacks. Says
239 white people do not have the right to pass their homes to their own
240 children; they must deed them to blacks. Three of Saul Alinsky's

241 ideological grandchildren, organizers, like Obama, that founded
242 Black Lives Matter, they are calling for defunding the Police, they
243 are the ones calling for the abolition of all immigration laws
244 interfering with illegals, they want to legalize the sex trade—
245 prostitution, and so on — they want to confiscate the land of
246 farmers, they want to destroy the nuclear family as we know it, they
247 are demanding every black person in America receive a livable
248 wage for life.

249 That's the BLM movement. And that movement has adopted the
250 Antifa movement as the militant arm of BLM and joined together
251 to launch an insurrection against America! The fact is, however,
252 the BLM have been militant from the beginning, but their co-
253 conspirators in the MSM have hidden that from the public—in one
254 of their early marches they were chanting PIGS IN A BLANKET
255 FRY LIKE BACON — let's burn the cops — let's set them on fire.
256 And that is what they are doing today! They are firebombing squad
257 cars. Two BLM lawyers were recently arrested for handing out
258 molotov cocktails and encouraging BLM rioters to join them in
259 firebombing police cars—they were arrested, made bail, but some
260 conservative appealed their bail and they were re-arrested —

261 And liberals — listen, liberty does not matter to liberals. They crave
262 power! That's it. The Black Lives Matter movement has gained
263 political power and they want to use that political power to get rid
264 of Trump, to bring Christians to BOW DOWN to the spirit of
265 tyranny.

266 The proof is plain to see.

267 Because I also remember Ruby Ridge, and Waco—and a
268 government far less tolerant of armed "protesters."

269 What happened to the liberal's morbid fear of AR-15s? I
270 understand the leader of CHAZ or CHOP — in Seattle — Raz
271 Simone is seen on video passing out AR-15s to minors—.

272 If this was Waco? If this was Ruby Ridge! Aw, come on. If this was
273 white guys—this would have been over in hours.

274 Not that Christians would pull something like this, but, take notes!

275 If this was a group that hoisted a Christian flag over an area and
276 called it CHRISTIAN ZONE — and passed out AR-15s to protect
277 their usurped territory—tanks would be rolling baby. FBI + ATF +
278 National Guard + — I mean, tear gas would cover the area and
279 SWAT would be moving in, good night, there would be black
280 helicopters swarming that area, with SWAT rappelling down into
281 the "hot zone" — it would be over within, count them, within let's
282 give it 2 hours. Because they would first bark orders to stand down,
283 to come out with your hands up, and so on with loudspeakers for
284 at least 20 minutes. And then they would move in!

285 CNN would be there talking about the radical white supremacist
286 Christian insurrection—.

287 The fact is this whole thing is BOGUS! It's a pre-orchestrated
288 terrorist attack on America — Trump must step in to this and DO
289 SOMETHING VERY SOON! But the problem is, he knows exactly
290 what this is. It's political maneuvering. They are doing everything
291 in their power to provoke Trump into coming in with a great show
292 of force so they can get it all on film. I wonder if those people
293 joining the BLM/Antifa movement really understand what the
294 Liberals have planned for them. I'm tellin' ya folks—these wicked
295 people are setting these kids up to be what they used to call cannon
296 fodder for their war to take over of the White House in November.

297 This COVID nonsense — we now know this is fake — the COVID
298 thing was never going to be the Godzilla of all viruses they made it
299 out to be. It was MSM hyped fake NEWS and we all got taken in.
300 99% of everyone who gets this virus survives it — and that's
301 WITHOUT A VACCINE. You have been lied to.

302 Masks DO NOT PROTECT you from anything other than
303 someone spitting on you. The virus is not floating around in the
304 air, it's LIES, LIES, LIES — I'm telling you. It's about provoking
305 anger, it's about cow towing you to their control with fear, it's
306 about an INSURRECTION against America—we are at war! The
307 and the enemy is LIBERAL who want to transform America into a
308 socialist dictatorship where they can take over your lives and your
309 livelihood — .

310 So, what is Trump to do? I'll tell you what! The President's instincts
311 serve him very well. He is going to focus on GETTING
312 REELECTED — that's what we need. We need to get him reelected.

313 Nothing will save us from these people — nothing! They will
314 destroy our liberties, they will turn the power of the sword against
315 the righteous, they will turn America into China-2, they will take
316 our liberties and our freedoms away from us — the Supreme
317 Court, cowering to the mob, that's what's going on in these late
318 rulings — they have been threatened and they are cowering — the
319 police are cowering, the leadership, they are afraid and they are
320 retreating, the leadership is throwing the street officers under the
321 so-called bus, and police are moving out of the major cities —

322 There will be a retreat to smaller more conservative enclaves to
323 mass — we are headed toward all out civil war — and that's what
324 Pelosi wants, that's what Newsome wants, that's what Kate Brown
325 wants, that's what Inslee wants — what else can I think?

326 The Antifa/BLM are protestors, we need to support them, it's okay
327 for them to take over seven city blocks in Seattle, and to set up
328 barriers, and demand people "show their papers" to enter, and
329 guard their borders with armed guards patrolling their occupied
330 territory and demand the business within their usurped territory to
331 pay them or be destroyed—all of that is fine! But then, let the
332 mayor of Seattle have her home touched by these vandals — now
333 they are "domestic terrorists." Let the vandals gather in the street

334 where Portland's Mayor lives and — oh, oh, now he comes out and
335 says he does not approve of what's going on in Seattle, what they
336 are doing is wrong. Where was he last week? Safe at home! That's
337 where.

338 Nothing is more sickening that these selfish, self-righteous, little
339 wimps willing to let their neighbors houses burn, their neighbors
340 business be destroyed, and leave their own police hanging and
341 taking the blame — but let one of these thugs touch their house, or
342 gather on their street — now, all of a sudden, these are domestic
343 terrorists, these are thugs, these are bad people!

344 Those leaders should taken and dumped into the nearest trash can.
345 Better, you know what, they should be dropped into the middle of
346 the protestors that they love so much. They should be delivered
347 over to them. They should be made to live within the CHOP of
348 CHAZ.

349 The dirty, wicked, evil little secret is this. So long as these
350 protestors are destroying black communities, and destroying black
351 lives, these white liberals are perfectly content to support them. But
352 let these nasty little rebels touch one of their little white
353 neighborhoods — and then you'll see something will be done about
354 this.

355 The black lives matter movement and the Antifa movement needs
356 to understand the rules. Destroy black communities, destroy black
357 businesses, and, yeah, we will give you the police too, attack the
358 police — but don't you dare come into my lily-white
359 neighborhood.

360 The more things change the more they stay the same.

361 The Democrats—back in the days of the fight for civil rights, when
362 Republicans were fighting for civil rights, the Democrats were
363 opposing civil rights — the Democrats protested then too, they
364 burned down historic black churches — and today, the white

365 liberal Democrats smile and kneel, and wear their scarfs while BLM
366 and Antifa burn down historic churches.

367 Back then, the Democrats wore masks to hide their identity, it was
368 a white hood, and they burned crosses on lawns and church yards,
369 and burned the homes of black families—today, they have BLM
370 and Antifa to do their dirty work, who behind their masks attack
371 blacks, burn their homes, burn their businesses, hiding their
372 identity behind a mask — then, the KKK burned black owned
373 businesses, today, white liberals tip their glasses and wear their
374 scarves, and give lip service to the plight of blacks while they
375 encourage black lives matter and ANTIFA to destroy black owned
376 businesses for them —

377 This needs to be turned around on them. You watch what happens
378 if you attack the white liberals—they are fine so long as you are
379 killing one another, look at Chicago — go ahead and kill each other
380 — just try to bring that out into the liberal white communities —
381 then they will turn on you so fast you won't know what happened.

382 And you think these black thugs are your friends, that they are
383 representing your interests: they are burning down your
384 businesses—they are the ones doing the bidding of the wicked,
385 corrupt, racist Democrat Party. They are the ones who are owned
386 band bought by white Massas like Soros — and doing the bidding
387 of generational racists like Pelosi — removing monuments to
388 DEMOCRAT Party members who opposed civil rights for blacks.
389 Every one of these monuments to slavery, or oppression are
390 DEMOCRATS. Do you really believe that lily-white demagogue
391 has anything but disdain, and scorn for you?

392 Well — ask her to give you her house! No, demand it! Demand
393 that she, out of her own vast wealth, distribute that wealth to you.
394 Go ahead and torch one of her expensive cars, or put some graffiti
395 on her fenced in mansion — or, well, you know what will happen.

396 She will have you hauled off to jail before you could say Bob's your
397 uncle. You'd be perched on jail cell bench before you could say JIM
398 CROW.

399 Wake up!

400 Okay, gotta go! All that you see going on is a reason to vote for
401 TRUMP!

402 But let me tell you! This is not over yet! You remember I said that
403 the Demoncrats are desperate and will do absolutely ANYTHING
404 to stop Trump from being reelected. It's ALL OR NOTHING for
405 these people. They are going to commit voter fraud like you've
406 never seen before. They are going to do everything they can to
407 intimidate you, to cower you, to make you afraid to vote for
408 Trump. This is a signal to you to expect the whole country to
409 explode in open riots if Trump is elected — that's the unexpressed
410 statement you are supposed to get from this. Don't cower.

411 But I will tell you this, we will not win this politically, we are going
412 to have to win this battle spiritually. I'm not kidding. Join one of
413 our spiritual warfare assault teams and let's charge the gates of hell,
414 and scatter the power of darkness that is keeping so many blinded
415 to what is going on. Get my book, God's War: Why Christians

418 I have lit the lamps in the Church belfry arch and now you let me
419 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
420 ON and you will ride like Revere and spread the warning,
421 (essentially, it means you agree with what I'm saying) or you say
422 LIGHTS OFF -- which means you reject what I'm saying and
423 disagree strongly with me. So, what will it be today, lights on, or
424 lights off?
