

Brain Massage: Show No. 785 Was Jesus White? / What Will Happen If Trump Wins/Looses?

Jerry Scheidbach

Original Air Date: 06.27.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 A RE-OPEN California rally is scheduled for 11-12 in Arroyo  
5 Grande Saturday, June 27, corner of Grand Avenue and Oak Park.  
6 In Santa Maria, July 4, at the corner of Betteravia and Bradley.  
7 Sadly, the AG rally is too early for me to make it, but I hope you  
8 will go — and I think I'm traveling during the July 4 rally — I'll  
9 check, and if I'm in town, I'll be there.

10 And, by the way, I'm endorsing Andy Caldwell for Congress — he  
11 is the right man for the job and he is exactly the representation we  
12 need in Congress!

13 The news sifting policy statement of the Brain Massage show is  
14 encapsulated in Romans 12:17 and II Corinthians 8:21.

15 Romans 12:17 Recompense to no man evil for evil. Provide things  
16 honest in the sight of all men.

17 II Corinthians 8:21 Providing for honest things, not only in the  
18 sight of the Lord, but also in the sight of men.

19 We work very hard to maintain that ideal—OReily has his no spin  
20 zone, and we have our no-lie zone.

21 So, welcome to the NO LIE ZONE.

22 [TRUTH]

23 Okay, what's on the menu today?

24 Nike surprised at a 790 million dollar loss in revenue from North  
25 American sales after endorsing Kaepernick.

26 Among all the evils BLM/ANTIFA are unleashing upon our  
27 nation, now this — religious bigotry. Believing that Jesus was black,  
28 BLM New York chair representative Hawk Newsome claims all  
29 images of White Jesus must be toppled. Fox News host Martha  
30 MacCullum did not know what to say to this—but I do!

31 Trump has begun to step up! Ordered the arrest of any who  
32 vandalizes or destroys federal property in the U.S. — up to ten  
33 years in prison, as provided for in the Veteran's Memorial  
34 Preservation Act. Effective immediately.

35 Voter Fraud machine being tweaked for November. The double  
36 edged sword of mail in balloting.

37 The masking of Americans—what is going on with that?

38 It's time for your brain massage:

39 Nike loses 46% of its business revenue from North America, that's  
40 over 790 million dollars, after taking on endorsement from  
41 Kaepernick. Personally, I getting sick and tired of these businesses  
42 jumping into these social issues and licking their finger, seeing  
43 which way the wind is blowing and then taking sides. I'm tired of  
44 it. The only way to fight back is to say, okay, you chose sides, now  
45 you're my enemy! I have always been apprehensive about boycotts  
46 — it seems to me I should be able to make a selection about jeans  
47 and shoes based on the quality and price of the product—not over  
48 what political statement I want to make. But these brands are  
49 pushing this thing to the point buying shoes or pants is a  
50 POLITICAL DECISION. I hate this! But, the only way to combat it  
51 is to say, okay, so you want to be my political enemy! You want to  
52 attack what I believe and what I cherish and undermine my values  
53 as an American. What recourse do I have but to start making my  
54 purchasing decisions based on what political party your company  
55 has lined up with.

56 And Nike just discovered what many of these guys have not yet  
57 figured out. The blowhards are creating a false breeze. The  
58 bloviating screaming horde has pushed the air in one direction so  
59 when these guys stick their finger up into the air, they feel the  
60 breeze coming from the fires in Seattle, Portland, and New York, to  
61 name only a few—but the silent majority is only lately begun to  
62 stir, and there is a strong WIND coming from the right!

63 Talk about inheriting the wind: Among all the evils BLM/ANTIFA  
64 are unleashing upon our nation, now this — religious bigotry.  
65 Believing that Jesus was black, BLM New York chair representative  
66 Hawk Newsome claims all images of White Jesus must be toppled.  
67 Fox News host Martha MacCullum did not know what to say to  
68 this—but I do!

69 It does not matter what color Jesus was! He died for the sins of all  
70 mankind, and arose from the Grave declaring Himself to be ruler  
71 over Heaven and Earth then sent His disciples to preach the Gospel  
72 to ALL NATIONS. I have no problem with Him being represented  
73 as black, brown, white, red, yellow, whatever! That only represents  
74 to me the truth that He died for ALL OF US.

75 But, today, everything is about black and white — forget about  
76 Paul McCartney's song about the black and white keys of the piano  
77 living side by side in harmony—so why can't we—no, we have to  
78 be at each others throats with satanic hatred and vicious violence.

79 I want no part of that! It's of the Devil—every bit of it.

80 So, let's take a look at the "color of Jesus."

81 We know Jesus was Jewish. But what a lot of people don't know,  
82 and I find it fascinating, when you start trying to answer the  
83 question about pigmentation, Jews come in all colors. Oh yeah!  
84 Several articles have been written about this, published in various

85 journals. I have one I've referenced here in my show notes.<sup>1</sup> In  
86 other words, most Jews don't know how to answer the question.  
87 Why? Because there are black Jews, Hispanic Jews, Middle-Eastern  
88 Jews, and, well, white Jews. And that's because *race* is an invented  
89 term by French revolutionists from the Latin, *razza*. At the time, it  
90 referred only to categories of people based on physical attributes.  
91 Then the word racial came into vogue, and referred to broaden the  
92 categorization to include cultural distinctions thought to be  
93 influenced by race, or ethnic origins. Finally, the word *racism* came  
94 into use, and Trotsky is credited with defining it. I wrote in my  
95 show where I dealt with this subject thoroughly<sup>2</sup> Trotsky saw the  
96 truth about racism early on. A vapid and bombastic variety of  
97 assumed superiority based on physical attributes that identify you  
98 with a certain group. This is the sort of thinking that leads to  
99 Auschwitz.

100 The connection between *racism* and extreme nationalism dates  
101 back to 1924 from an article published in the Portland based  
102 *Oregonian*. In this paper, the Nazi Party in Germany was lauded:  
103 "elections show the Germans at the moment want neither racists  
104 nor communists — that is, neither extreme nationalists nor  
105 extreme revolutionists."<sup>3</sup> Apparently, the reporter connected *racist*  
106 with *extreme nationalism*. Well, the liberal *Oregonian* was wrong!  
107 Nazism is nothing if not extreme nationalism, and Hitler was  
108 totally racist—believing the Aryan "race" was superior to all others.  
109 So, the point here is that race is a fabricated means to categorize  
110 people into groups. To induce from characteristics observed to be

<sup>3</sup> I can't find the name of the source, and it's too bad, because he or she did an excellent job on this article. He, or she, cited the following source: The OED holds that the first printed usage came from the Portland *Oregonian* in their December 14, 1924 edition: "The elections show the Germans at

the moment want neither racists nor communists – that is, neither extreme

nationalists nor extreme revolutionists." "racist, n. and adj." OED Online. Oxford

111 generally held in common by the group to be true of every  
112 individual in the group. And then to begin classifying people by  
113 their skin pigmentation, rather than by what MLK wanted, by the  
114 content of their character. It's wicked, and Devilish, and devils  
115 promoted this in our culture and we have all drank the koolaide.

116 The truth is, race does not exist. There is only one *race*, and that is  
117 the human race. Dividing people by something called race is, well,  
118 frankly, it's racist! Which is an ideological assumption invented by  
119 a lying Devil to divide mankind. Skin pigmentation is not a  
120 legitimate category by which to judge any human being. And the  
121 Jewish people, beautifully, illustrate this.

122 As I said, there are Jews that are black, Jews that are Hispanic, Jews  
123 that are Mexican, and Jews that are white. These are varieties of  
124 skin pigmentation — what develops in families of men, or in tribes  
125 of men, is virtually unrelated to skin pigmentation. Except in cases  
126 where some people buy in to the race lie. Or when the sin of  
127 prejudice, and envy, and hatred, enter in. But remember, there  
128 have been clan wars between black African tribes for centuries, and  
129 among whites, the same thing! Whites have been killing whites for  
130 millennia — one Indian tribe in Mexico attacked and murdered  
131 other entire Mexican tribes — Aztec Indians killed and enslaved  
132 other Indian tribes. It has nothing to do with race. It has everything  
133 to do with one group wanting what another group has and rallying  
134 people to their cause by whatever will stir them up. It reminds me  
135 of Gulliver's travels and the liliputian wars — over how they  
136 cracked their boiled eggs, little enders or big enders. Of course, it  
137 had nothing to do with any egg; but everything to do with a  
138 struggle for control of resources. One side wanted what the other  
139 side had. The egg was a superficial way to differentiate them and  
140 rally each side to the cause. It's Satan's work! That's what race is  
141 today. A superficial artifact created by the DEVIL and used by  
142 greedy people to justify taking from one group what they want.

143 Well, I need to move toward the break, so let's finish up on my  
144 answer to Hawk Newsome's claim that Jesus was black, and for that  
145 reason, all statues of Jesus must be pulled down and desecrated.

146 I have to offer a caveat—I am not a fan of statues of Jesus. First, it  
147 sneaks right up to the border of idolatry violating Exodus 20:1-2  
148 about images used in worship. Second, it is impossible to know  
149 what He actually looked like so any representation of him is  
150 necessarily an invention of the artist. As for skin pigmentation, He  
151 was from the family of Shem. Shem populated most of what is now  
152 called the Middle East. And that's a mixed bag! There were light  
153 skinned people in the upper Mesopotamia, and darker skinned  
154 people the lower regions. If you study Egyptian art, almost every  
155 depiction of a person is light skinned. Check out ancient Egyptian  
156 art. The people who populated Africa came mostly from Ham,  
157 Shem's brother. So, how different can they be? Japheth, also a  
158 brother to Ham and Shem, ended up populating Europe. And  
159 everyone knows the Greeks were light skinned. I don't know  
160 exactly how the different skin pigmentations developed—some call  
161 it adaptation. I don't know. All I know is that skin pigmentation  
162 varies within each family, sometimes dramatically. And no one is  
163 "white," unless you are talking about albinos. Dividing people by  
164 skin pigmentation is wicked. We all come from Adam and Eve, and  
165 then from Noah, and then from one of his three sons, Shem, Ham,  
166 and Japheth. The descendants of each mixed together and so it's all  
167 mixed up! These were brothers. And as I pointed out, skin  
168 pigmentation can vary widely within the same family. It is obvious  
169 that when God created Adam and Eve He put in them the genes  
170 that would develop these varieties, in the same way all varieties of  
171 dogs come from a common ancestor and when certain traits show  
172 up, they are selected out for breeding to develop a breed—that can  
173 happen naturally also—where certain traits show up and these  
174 attract one another, and so on and look, God is a God of amazing  
175 variety—just look at creation. And it's all beautiful!

176 But Marxist groups, like BLM and Antifa, and fascist groups like  
177 White Supremacists, or Black Supremacists, or La Raza, these  
178 people turn it into something ugly. And worse, something  
179 dangerous.

180 Hold on through the break. I'll be right back.

181 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
182 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
183 lighter, lighting the lamps in the church belfry arch, signaling the  
184 enemy is on the march, an enemy that would steal from us our  
185 liberty.

186 A RE-OPEN California rally is scheduled for 11-12 in Arroyo  
187 Grande Saturday, June 27, corner of Grand Avenue and Oak Park.  
188 In Santa Maria, July 4, at the corner of Betteravia and Bradley.  
189 Sadly, the AG rally is too early for me to make it, but I hope you  
190 will go — and I think I'm traveling during the July 4 rally — I'll  
191 check, and if I'm in town, I'll be there.

192 And, by the way, I'm endorsing Andy Caldwell for Congress — he  
193 is the right man for the job and he is exactly the representation we  
194 need in Congress!

195 We were talking about the fact that race has nothing to do with  
196 what is going on in America right now. That is lie. It's multi  
197 layered, so let's peel this onion.

198 On the outside of the onion we have a group that is Satanically  
199 motivated with hatred. The Democrat party is the party of hate.  
200 Hatred for Whites, hatred for America as founded, hatred for  
201 capitalism, hatred for Christianity, at least anything resembling  
202 biblical Christianity, hatred for the Bible, hatred for the Lord's  
203 Church, hatred for blacks, by the way. Oh yeah! Total hatred for  
204 the blacks they continue to abuse with their policies and the way  
205 the manipulate us. It's unreal.

206 Many black brothers and sisters are waking up to this. I've heard  
207 several speak up saying BLM is actually run by white Democrats as  
208 a fundraiser. Millions, I think I heard someone say over a billion  
209 dollars has been funneled to white Democrat politicians from BLM  
210 and Antifa. These leaders poison the minds of angry people, black  
211 and white, by the way, over issues that are virtually non-existent  
212 today.

213 So, Hawk Newsome says he does not condone violence but believes  
214 it is necessary because, as he explained it, look at the results. We get  
215 action when we commit violence. That's when we get the attention  
216 of the American people and then we start getting action, things  
217 start happening, otherwise, we are ignored and nothing happens.

218 He specifically pointed out that the riots are working because when  
219 we riot we get action; we get rewarded. He even said that look what  
220 is rewarded!!!

221 Well now! Who is "rewarding" this behavior? Demoncrats—.   
222 Listen to what he is saying, we use violence because when we do we  
223 are rewarded with results.

224 What a mess! The liberal democrats are feeding this, in other  
225 words, it is safe to say; they own this. They are the ones  
226 encouraging it, because they believe it will topple Trump's bid for  
227 reelection. They want to create as much unrest as possible and it  
228 serves them in multiple ways. I'll get to that in a moment.

229 For example, let's let the BLM leaders tell us what this is really all  
230 about. They are trying to get Trump out of office — that's the  
231 ultimate goal. One of the founders of the movement made that  
232 clear in a statement she made recently: we want to get Trump out  
233 of office. Hawk Newsome said the same thing. And how do you  
234 suppose they think this raging violence is going to get Trump out  
235 of office.

236 They are trying to intimidate Americans into submission to their  
237 demands. That's what Hawk Newsome said, right outloud in front  
238 of God and everybody: unless America bows to our demands, we  
239 are going to destroy the system and replace it. He used the  
240 expression, we are going to burn it down. He said, it's time to burn  
241 it down. He said this to a mob of radical kids who are eager to vent  
242 their hatred and the rage that the left has pumped into them over  
243 years of "playing the race card." How did he expect these young,  
244 angry, mobs, whites and blacks, by the way, how did he expect  
245 them to hear what he is saying? Now, when MacCullum brought  
246 this out and asked him plainly about this, he attempted to walk it  
247 back; he attempted to suggest he was talking metaphorically. But  
248 we SEE what they are doing, and what they have done in Seattle  
249 and Portland, and New York, and Chicago, friend, that's no  
250 metaphor.

251 What does this produce? I listened to a young black man present a  
252 deeply disturbing monologue on FB saying "If we want to see  
253 change in this world, we have to kill white people. We have to kill  
254 them. We need to start •expletive — breeding with their women  
255 and get our race going. At this point with white people, we need to  
256 get rid of them. They are not even really from here, this is why we  
257 need to kill them. I'm going to start a group having talks about how  
258 they [the whites] are privileged — you don't have to deal with what  
259 I deal with. We need to start killing white people, it's the only way."

260 He asked whether any white person watching his video had been  
261 accused of a crime they did not commit, or spent time in jail for  
262 something they did not do, and so on. Well, I have a few names for  
263 you. How about Flynn, how about Manafort, how about Stone?  
264 Their crime? Supporting Trump.

265 Yes, whites get abused by police on about a par with blacks. White  
266 guys have been killed by the exact same knee on the neck move by  
267 police that killed George Floyd. (By the way, Nancy, that's George

268 Floyd, not George Kirby, man, woman, I don't even know who that  
269 is. You are out! I hear the roots of your evil tree loosening from the  
270 soil and soon, you'll be uprooted and cast into the sea—and, hey,  
271 Newsome, that's a metaphor. Burn it down! No. That's a direct  
272 threat. Speaking of threats.

273 Kerry warns that unless people have access to vote there could be a  
274 revolution. Extending his remarks to a statement that he thinks  
275 riots will break out if Trump is reelected might be stretching his  
276 words somewhat. I did not have time to listen to all of Kerry's  
277 statements at the summit he attended, so maybe he did say he fears  
278 riots will break out if Trump is reelected—but what I heard is that  
279 he fears that unless people have access to voting, that is the sort of  
280 thing that revolutions are made of. The context is this — he is  
281 saying that unless mail in balloting is approved and accepted, he  
282 thinks there could be a revolution! Now, as far as the left's support  
283 of these riots is concerned, you can be certain that is exactly the  
284 message. They want Americans to look at this and think, Oh my  
285 God, if we elect Trump, these people are going to go crazy and  
286 there will be riots in all our streets. They want to intimidate  
287 Americans into cowering to their demands. Believe me on this. The  
288 Demoncrats want you to be afraid. They want you to be terrorized  
289 and fearful to dare defy them and vote for Trump.

290 Will they make good on these insinuated threats? Yes! That's why  
291 Americans have been arming themselves in unprecedented  
292 numbers. God fearing patriots picked up the scent of this coming  
293 way back during Obama, and they've been arming up, and learning  
294 how to use their weapons, and gathering ammo. Which is why the  
295 left has been doing everything they can to disarm us, to make  
296 access to ammo increasingly difficult, and why we must fight that  
297 battle, because these wicked, angry, and hate-filled people are  
298 vindictive. If they get into power, they will be coming after us.

299 You want to be afraid? You had better be afraid of the Democrats  
300 getting power into their hands—just look at how they use it. Look  
301 at Chicago, New York (named after an infamous slave trader, by  
302 the way), just look at how blue state governors act like little  
303 dictators, like Newsome, whose recall I support, by the way. He has  
304 crossed the line—he is usurping authority that is not his. He fudges  
305 the language of the law to get around it, but the bottom line is this:  
306 NO BUREAUCRAT HAS THE RIGHT TO MAKE LAWS THAT  
307 ARE IMPOSED ON THE PEOPLE OF CALIFORNIA — NO  
308 GOVERNOR AND NO HEALTH BUREAUCRAT, OR SAFETY  
309 BUREAUCRAT, OR YOU NAME IT. They DO NOT HAVE THE  
310 POWER TO MAKE LAWS.

311 I'm getting ahead of myself — but what I'm saying right now is that  
312 Democrats are tyrants, they are King George Tyrannical bullies  
313 who will take away your liberties and make you a slave to the state.  
314 You cannot trust them. You must not trust them with power.

315 They use it for their own gain and to advance their own personal  
316 agenda. Look what Obama did in the White House with Russia  
317 gate, spy gate — his was the most opaque presidency in our history  
318 and the most tyrannical president ever. It will be exposed — but it's  
319 not going to happen without a serious fight. But I'll tell you this, it  
320 will never be exposed if they win the White House in November.

321 Let me respond to Mr. Kerry's concern about revolution. If the  
322 Dems win and they start moving forward with what they promised  
323 they would do, there will be revolution! There are too many  
324 Americans who REMEMBER LIBERTY, who REMEMBER  
325 FREEDOM, and who will not trade away their liberty for  
326 Democrat empty promises of security.

327 So that takes us to the Voter Fraud issue, and the fact that the voter  
328 fraud machine being tweaked for November. The double-edged  
329 sword.

330 Common sense tells you that if you have a Party that is willing to  
331 literally do anything to regain power and break America to pieces  
332 to reshape it into a socialist dictatorship of a ONE PARTY  
333 SYSTEM — the Demoncrat Party — that you must ensure the  
334 integrity of the ballot box.

335 We can have a ballot box revolution only if the ballot box is honest.

336 The Mail in Ballot idea comes from the Left, and they are using the  
337 fake COVID Scare as the rationale to justify it. They are trying to  
338 create an environment that makes it scary to people to go outside,  
339 to live your usual life — they want you cowering in your home,  
340 afraid to go outside because they want to justify mail in balloting.

341 With up to a million registered on the polls that either have moved  
342 out of the state, or who have died, all Newsome has to do is order a  
343 ballot mailed to every address they have on their voter rolls. So you  
344 have hundreds of thousands of ballots floating around out there  
345 that can be "harvested" by wicked demoncrats who will fill them in  
346 for Biden and submit them to be counted — and you have massive  
347 voter fraud on an unprecedented level.

348 They've been doing this all along. People voting in the name of  
349 deceased people — WE KNOW THIS IS DONE. It will happen on  
350 a massive scale if we allow this evil mail in balloting scheme.

351 Don't let them fool you about it being the only way to have a fair  
352 election. It's a LIE. The only way to have a fair election is to have  
353 voters show up at the polls WITH IDENTIFICATION that verifies  
354 they are who they present themselves to be — and vote, so they get  
355 ONE VOTE, and they are a living-breathing citizen with an  
356 address in the precinct in which they are voting. THAT IS THE  
357 ONLY WAY TO ENSURE WE HAVE AN HONEST BALLOT.

358 I said the mail in ballot scheme is a two-edged sword. If they win  
359 and Trump protests, he set it up to challenge the election results by  
360 complaining about the mail-in-ballot. If Trump wins, they will

361 challenge the results because of the multiple challenges that will  
362 certainly arise from the mail in ballot issues. Listen, Kelly alluded  
363 to this enigmatically, when he explained that if the election is close,  
364 well, we have done a good job of preparing for that too. That's what  
365 he said, folks. They have a strategy in place to keep hounding  
366 Trump if he wins by a narrow margin.

367 That's why he needs to win BIG! And that's why this mail in ballot  
368 scheme MUST BE STOPPED.

369 In other words, they are purposely setting up a scenario in which  
370 election integrity will be compromised and they'll blame Trump. —  
371 It's another step toward destroying America and raising up a new  
372 nation under Satan with *Imagine* as the national anthem. —  
373 Imagine, by John Lennon is being recommended to replace the  
374 Star Spangled Banner as our national anthem. We are going to sing  
375 it with our hand over our heart this Sunday.

376 If you want to see what America will look like if Biden wins—take a  
377 look at every Blue state and city right now. The incompetence is  
378 stunning! — Now, I disagree with O'Reilly; he says, the issues in  
379 these Blue states is not ideological, it's simple incompetence. He is  
380 wrong! This is coming from an ideology that has corrupted the  
381 souls of the Democrat Party. — By the way, Democracy never leads  
382 to people rule—democracy always leads to autocratic oppression in  
383 the name of the people.

384 Wow! I did not even get to the masking of Americans. I do a thing  
385 called Comfort & Counsel For the Present Distress each evening  
386 except Wednesday and Sunday. It's a live stream video on our  
387 Church Facebook page. Often I take up cutting room floor  
388 clippings and address it in those, I call them visits, because they are  
389 very informal, and we actually have quite a bit of interaction with  
390 those viewing—go to our Church Facebook page, you'll find it by  
391 searching Lighthouse Baptist Church, Santa Maria, CA — like the

392 page, and the set your settings to receive notifications when I go  
393 live.

394 I have lit the lamps in the Church belfry arch and now you let me  
395 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
396 ON and you will ride like Revere and spread the warning,  
397 (essentially, it means you agree with what I'm saying) or you say  
398 LIGHTS OFF -- which means you reject what I'm saying and  
399 disagree strongly with me. So, what will it be today, lights on, or  
400 lights off?
