

Brain Massage: Show No. 791 The Decepticon Demoncrats Preparing U.S.  
for Tyranny

Jerry Scheidbach

Original Air Date: 08.14.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Today, (August 4) we celebrate the Navajo code talkers of WWII  
5 Fame. See the movie, Windtalkers — . Also today, we celebrate the  
6 anniversary of Kamala's most famous quote. One of the very few  
7 original things she ever said. When explaining her opposition to a  
8 court order to release non-violent offenders from prison, she said,  
9 and I quote: "Prisons would lose an important labor pool." Uh huh!  
10 But, when it comes to violent criminals, well, she has a soft spot in  
11 her heart — because she promoted and donated to a fund that  
12 ended up being used to provide bail money to violent  
13 BLM/ANTIFA protestors —.

14 This just in — Stacey Abrams refuses to concede the VP slot and is  
15 preparing to debate Mike Pence. Hehe. Thank you Juanita  
16 Broadrick.

17 The tyrants are rising, like Decepticons, the more you resist, the  
18 tighter they squeeze — they work in teams. One is the Newsome-  
19 Garcetti California team and the other is the Cuomo-DeBlasio New  
20 York team. Creating a culture of State control preparing us for life  
21 under Communism.

22 Judicial Watch—is on the Job — CA, KY, OH, IN, PA --  
23 @JudicialWatch sued to clean up their voter rolls across the  
24 country! They are winning in court, but will they win on the  
25 ground in these States?

26 Are whites privileged because of their color? Or are blacks given  
27 special privileges and passes for criminal behavior because of their  
28 color?

29 Watch and Pray: We've got to watch and pray about voter fraud  
30 angle, the speech suppression, and the overt oppression of Trump  
31 supporters—we are in the midst of a Bolshevik Revolution. Prepare  
32 for Civil War. I mean it! Get ready! Stock up supplies as best you  
33 can, get the 25-year food buckets stored up — get armed and  
34 ready! Not to attack, but to defend.

35 Okay, my friends; it's time for your brain massage.

36 [TRUTH]

37 The DEMOCRAT Decepticons are coming with fury!

38 The more you resist, the tighter they'll squeeze. The fifteen days to  
39 flatten the curve has become the perpetual pandemic—well,  
40 according to Biden, until the election. We can take our masks off  
41 after the election. Yep! Biden called for three more months of  
42 masking Americans—suppressing free speech, depressing the  
43 voters—they were just wayyyyyy to happy under Trump's booming  
44 economy with one victory after another, after another. Can't let  
45 that train get rolling again.

46 Got to hand it to the Dems. When it comes to spreading misery all  
47 around, there is none better.

48 Watched an interview with DiNesh on the Candace show—on  
49 Prager U — DiNesh is a brilliant analyst! Candace reminded us of  
50 what Thatcher said about the difference between socialism and  
51 communism — socialism is suicide and communism is homicide  
52 — she threw the question to Dinesh. I thought he offered a brilliant  
53 analysis of these two systems—he said socialism is an economic  
54 system and communism is a political one. He pointed out that the  
55 Old Soviet Socialist Republic was Communism politically with a  
56 socialist economic system. That's the normal development—  
57 socialism to communism. The old Soviets believed that they would  
58 conquer America by feeding us small doses of socialism until we all  
59 woke to realize we had become communists.

60 But the Soviet Empire crumbled under socialism because, as  
61 Thatcher said, it's great until you run out of everybody else's  
62 money: the more recent example being Venezuela.

63 DiNesh, I think astutely, observed that Russia is neither socialist  
64 nor communist — rather it's a sort of gangster capitalism.

65 China followed Russia into socialist communism back when Mao  
66 decided to kill anyone that had the ability to think, speak, and  
67 write, that had any sort of individualism about them—because  
68 those sorts of people are dangerous to dictators. However, China's  
69 rulers are much more pragmatic, and could see that socialism  
70 really does not work. So they have created a sort of Capitalist-  
71 Communism. They are benefiting from the energy and  
72 productivity that capitalism provides economically, while  
73 maintaining strict control over the people politically. DiNesh  
74 observed that they have struck a sort of deal with the people that  
75 says, you can earn money, and enjoy the fruit of your labor so long  
76 as you remember to keep quiet about anything like individual  
77 liberty or rights and stuff.

78 Marx, as many of my listeners know, taught that history would  
79 naturally move the entire world toward Marxism—*Communism*.  
80 But Marx hated capitalism. Anyway, the Left are Marxists and they  
81 have come to realize that the proletariat (working class) will not  
82 rise up against their bourgeois masters — because in a free market  
83 capitalist society the business owners must compete for labor and  
84 customers and so must behave themselves in the market place. In  
85 the main, the workers are content; they can see opportunity and  
86 are free to improve their situation in life. DiNesh is right when he  
87 observed that the American Marxist realized a while back they will  
88 NEVER gain control of America if they wait for a Bolshevik  
89 revolution to spontaneously develop — they are going to have to  
90 *help it along*. So they began fomenting racial unrest.

91 They created an underclass, government dependent class, and  
92 worked to manipulate them into blaming all Christian conservative  
93 white people for their misery. Wherever they gained power, they  
94 advanced policies that were calculated to keep them miserable,  
95 oppressed, and bought (bribed) certain leaders among them, like  
96 Jessie High-Jackson and ole Sharptongue, and several others, who  
97 sold out to the DEMONCRAT slave owners of yore, and for hire  
98 these traitors delivered "their people," the black vote, to these  
99 liberal Demoncrats who view the black community like their  
100 property, like they bought them, like they own them. Getting them  
101 into power only allowed them to increase their misery and  
102 continue brain-washing them to believe the whites who NEVER  
103 OWNED SLAVES, the whites who NEVER IMAGINED THEM  
104 TO BE THEIR PROPERTY, the whites who, the Lincoln whites,  
105 who PAID REPARATIONS they did not owe, with their BLOOD  
106 in the fields of places like Gettysburg. Only today to have devilish  
107 men like Rob Reiner say Gettysburg is a site to "celebrate devotion  
108 to white supremacy."

109 Remember his words, O Lord—remember his blasphemy against  
110 the blood shed to free slaves.

111 The only people who talk white supremacy are those that believe in  
112 it. More on that in a moment.

113 So the Liberals gave up on Marx's theory that the natural evolution  
114 of history is toward Marxism — and decided to take a cue from  
115 FDR who used the Great Depression that he created, to construct a  
116 foundation for socialism on top of our capitalist system. Using  
117 disaster to advance Marxism seemed a more effective plan.

118 So, in the 70s Americans were terrified by constant fears the world  
119 was running out of food and we needed to depopulate the planet.  
120 In the 80s the left spread fear of nuclear apocalypse, and in the 90s  
121 the ozone was depleting and mankind was about to be radiated and  
122 anyone spreading chlorofluorocarbons into the air was a rascal—

123 and over the last twenty years we've been terrorized by global  
124 freezing, then global warming, and finally climate change—and  
125 told that all the carbon emissions we are expelling into the air, even  
126 when we breathe, is pushing this feeble, delicate thing called earth  
127 to the point of crisis and collapse, and it will not sustain human  
128 life—unless we all become slaves to the STATE — and don't fly our  
129 jets, or drive our cars. But of course, we must understand none of  
130 that applies to the elite — they must have their jet planes and  
131 automobiles, and stuff cause they are the special people that must  
132 run about telling us about all this—and governing our lives, and  
133 making sure we don't put our hands on the resources of the earth  
134 without their permission and supervision.

135 In every crisis we are told that unless we surrender our way of life  
136 to the control of liberals, unless we surrender our liberties, our  
137 freedoms, and control over the decisions we make about where we  
138 live, and how we live — and trust our liberties in the hands of an  
139 elite group of persons who, oddly, are always those who hate God,  
140 deny the Creator, and have no respect for the inalienable rights He  
141 has endowed to us—. And then came the Corona — the crowning  
142 crisis, just in time to derail the most vibrant economy America, or  
143 the world, has ever seen, under a President who has literally kept  
144 every promise he has made, and acknowledges God, and Christ  
145 Jesus, and FAITH, and CHURCH and the BIBLE —.

146 Of course, I'm elaborating on my report of the interview with  
147 DiNesh that I found so interesting. But there is something he noted  
148 next that I have also seen develop among liberals, and discerned is  
149 the method to what otherwise appears to be utter madness—the  
150 idea that people driven by fear begin to run in packs, when masses  
151 of people can be made afraid together, they begin acting  
152 irrationally, and behaving erratically. They submit to irrationality.

153 And I thought, yes! That's exactly what I seem them doing. They  
154 are trying to drive the people like a herd. Shoot the gun or crack

155 the whip, and startle a few cows to begin running wildly, then crack  
156 the whip and fire the gun again in another group, and pretty soon,  
157 the entire herd is moving and acting together.

158 You see, the reason our "handlers" have avoided herd immunity in  
159 response to COVID is because what they want is herd mentality.

160 And unbelieving America is acting in herd mentality — really,  
161 pretty much the only people bucking this are people of faith — you  
162 crack the whip with them and they look at you and say, excuse me!  
163 Your whip does not scare me. I can see that you are manipulating  
164 the numbers, and creating a false narrative with this COVID thing.  
165 You fire your shot, and the Christian looks, then says, what was  
166 that for? You are not fooling me.

167 You let Casinos operate at 50% capacity of their facilities but the  
168 Church cannot open at all. WalMart is essential, but the smaller  
169 stores cannot be trusted to remain open. We can walk into a  
170 Starbucks, follow their green lines on the floor, stand in our boxes  
171 carefully set six feet from one another, stand at the counter with a  
172 plastic shield between us and the teller, make our order through  
173 our mask, pay with our card, even sign the receipt in some cases,  
174 step over to the end of the counter, receive our order, walk out the  
175 other door — but you can't walk into a polling station, follow some  
176 arrows taped on the floor or direction signs, stop at a table talking  
177 to someone separated by a clear plastic shield, and covered with  
178 their mask, receive your ballot, enter the booth, which are already  
179 at about six feet or more apart, make your selections, drop your  
180 ballot into the box, and depart carefully following the arrows —  
181 okay, wear gloves then; that's fine too.

182 But Fauci has said he sees no problem opening the polling booths  
183 for November 3—but he has been known to change his mind about  
184 things rather abruptly. You know, Americans don't need to wear  
185 masks, now not only should we wear masks but goggles too — so!

186 I need to conclude the first segment.

187 Hey, what do you think about this? I've been noticing that the  
188 people who are constantly talking about white supremacy are the  
189 people who have a history of believing it, and the people who are  
190 controlled by the people who have a history of believing it. Right?

191 The Democrats have a history of believing and practicing white  
192 supremacy. They were the Slave Party, while white Republicans  
193 hated slavery and stood against it. The Democrat south were loath  
194 to give up Jim Crow, they hated the Civil Rights movement and  
195 fought against it — the white Republicans were in favor of  
196 abolishing the Jim Crow Democrat laws and recognizing the  
197 inalienable rights of all Americans. The Democrats have  
198 traditionally favored the advancement of the white people—  
199 keeping the black communities impoverished, underemployed,  
200 undereducated. I mean, Biden opposed allowing black children to  
201 attend white schools; he did not want the school his children  
202 attended to turn into a racial jungle. Kamala comes from a family  
203 of slave owners. Someone figure this out for me!

204 What is going on here? Trump leads an economy that raises  
205 employment for the blacks, really for all minorities, to  
206 unprecedented levels—Obama-Biden drove everyone into misery,  
207 ESPECIALLY the black communities—

208 Why do so many blacks today continue supporting white liberals  
209 who have a history of slave ownership and abuse of black people —  
210 unless they actually believe in white supremacy? The Dems who act  
211 like they OWN them, and the blacks who act like they are owned  
212 by them. I never think about white supremacy! The only time it  
213 comes up is either in a story about some white supremacist group,  
214 or from white and black Democrats. The blacks who truly see  
215 themselves as equal to whites don't talk that way. They hold their  
216 heads up and take full advantage of their liberties to make a better  
217 life for themselves and their families. Hold on. I'll be right back.

218 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
219 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
220 lighter, lighting the lamps in the church belfry arch, signaling the  
221 enemy is on the march, an enemy that would steal from us our  
222 liberty.

223 I'm going to have to save my comments of some of this other stuff  
224 for my Comfort & Counsel For the Present Distress — a FB live  
225 stream I post all evenings except Wednesday and Sunday.

226 I'm sure you want to know what you can DO about all this. The  
227 Democrats are desperate and they have decided to take America  
228 into a dictatorship by force. They have lost all patience waiting for  
229 the suppressed class that they created to rise up and overthrow our  
230 government, so they are going all out to FORCE us to behave like  
231 we are living under DICTATORS.

232 Well, the fact is, Christians will decide the upcoming election in  
233 two ways. First, by prayer and fasting, and second by getting  
234 involved in the arena and swinging the sword of the Spirit — the  
235 WORD OF GOD — against the lies of Satan, speaking up for  
236 common sense and righteousness—I mean, don't let the devils in  
237 our midst tell their lies without countering those lies with the  
238 TRUTH, and VOTE.

239 In my Comfort & Counsel visits, we are talking about watching  
240 and praying — about engaging the enemies of our liberties, so let's  
241 take a look at some things here that will help you.

242 Believers are called upon to wrestle against the *principalities, the*  
243 *powers, the rulers of the darkness of this world and the spiritual*  
244 *wickedness in high places. Principality* is a word made by  
245 combining the word *principal* with the suffix *ity*. The word  
246 *principal* refers to a chief, one who presides, as a *prince*. The suffix  
247 suggests the idea of *pertaining to*—so a principality is that which  
248 pertains to the prince. It is a domain that is governed by a *prince*.

249 Wherever the Spirit of Christ prevails, there is LIBERTY. For,  
250 where the Spirit of the LORD is, there is LIBERTY.

251 There is a great illustration of this in the Bible, in Acts 18-20. Satan  
252 held Asia in a mighty stronghold. Paul was not allowed to preach  
253 there at first. Later, his power in the Gospel was increased and God  
254 allowed him to go in. A revival broke out, and All Asia was  
255 mightily delivered from the power of Satan. However, within ten  
256 years, two false teachers came to Asia and seduced them away from  
257 the truth and Paul said, "all Asia be turned away from me." By the  
258 time we come to John the Apostle, we find that Satan had  
259 succeeded to reestablish his throne in Pergamos — which is in  
260 Asia, northeast of Ephesus.

261 Today, we wrestle against *principalities* over which Satan usurps  
262 control through the children of disobedience, and if we will fight  
263 the way Paul taught us we can shift the power from Satan to Christ.  
264 But we must be ever watchful against the false teachers that will  
265 deceive us into yielding the principality back to Satan's control.

266 In our battle against these children of disobedience, we wrestle  
267 against *spiritual wickedness in high places (the word high translates*  
268 *ep-oo-ran'-ee-os — epi —above, and ouranos— heavenly)*.<sup>1</sup> The  
269 *high places* God complained against in the Old Testament are in  
270 view here—where God's children worship Him in the manner the  
271 heathen worship their devils.

272 Undoubtedly, this spiritual wickedness in high places refers to the  
273 activity of Satan as the “prince of the power of the air.”<sup>2</sup>

274 We enter into this battle between devils and angels. And, as a  
275 matter of fact, believers decide each battle.

276 Believers have the SPIRIT of JESUS CHRIST in them and are  
277 commissioned under the AUTHORITY of the KING of Heaven

<sup>1</sup> Ephesians 6:12

<sup>2</sup> Ephesians 2:2

278 and Earth. Believers have been given THE CHURCH, and to the  
279 church has been given the KEYS of the KINGDOM. We are JOINT  
280 heirs with CHRIST over the kingdom—and we have the POWER  
281 OF THE HOLY GHOST UPON US. The POWER is on our side:  
282 that's *power* as in *exousia*, the *authority* and *power* as in *dunamos*,  
283 the *divine energy*, or *strength*. The *principalities* and *powers*, and *the*  
284 *rulers of the darkness of this world* have been spoiled—defeated!  
285 And we have power over the *spiritual wickedness in high places* —  
286 indeed! We are the only beings on the planet that can resist the  
287 DEVIL and compel him to flee. The word *resist* is not a passive  
288 word. It's active! We stand against him, we oppose him. And when  
289 we do, he backs off. The angels of God depend on us to RESIST.  
290 We must STAND UP to the nonsense going on in our cities by  
291 these children of disobedience and their attempt at a violent  
292 overthrow of our nation under GOD—and if we STAND, the  
293 devils behind them will retreat and they will melt away like the  
294 snowflakes that they are.

295 But the question is will the children of GOD exercise their  
296 authority in the kingdom of heaven over the kingdom of darkness  
297 in the realm of men, or will they yield the kingdoms of men to the  
298 control of Satan's children. Most believers today are yielding to  
299 Satan by default. And a lot of that comes from their false belief that  
300 God allows the Devil to control the world right now. Friend, it's  
301 not God allowing Satan to control the world—it's foolish, lazy,  
302 ignorant, belligerent, world loving, belly-serving Christians. Those  
303 unfaithful servants Jesus complains against, for example, in Luke  
304 19:12-27.

305 The Holy Spirit is present in the hearts of the saints, and He guides  
306 them to “all truth.”<sup>3</sup> Satan cannot long deceive those who hear the  
307 Shepherd’s voice and follow Him.<sup>4</sup> That’s why Satan and his devils

---

<sup>3</sup> John 16:13

<sup>4</sup> John 10:27

308 must work to seduce God’s people into sin. He must, at all costs,  
 309 stop the Holy Ghost from moving into this world through Christ’s  
 310 disciples.<sup>5</sup> He must keep Christians intimidated and cowed, and  
 311 busy serving their fleshly appetites.

### 312 **The Status of God’s War Today**

313 Jesus is the King, and all men are His subjects. He prophesied  
 314 that His “citizens” (subjects)<sup>6</sup> would rebel against Him while He  
 315 was gone and that many of His servants would become lax and  
 316 unfaithful.<sup>7</sup>

317 King Jesus gave the keys of the kingdom to His churches,  
 318 establishing their authority in the world under Him. He  
 319 commissioned them to announce He has risen from the dead, and  
 320 by His resurrection is declared to be the Son of God with power.  
 321 Having broken the power of Satan over the earth and humankind,  
 322 He sent us into the world to command all men to repent and  
 323 believe in Him to be saved from the wrath to come. Those nations  
 324 that receive the Gospel—and acknowledge Christ as the Son of  
 325 God and Lord of Heaven and Earth—will be blessed and given “the  
 326 kingdom.”<sup>8</sup>

327 Lucifer seduces believers into sin by the lusts of the flesh to defile  
 328 the “Temple of God”<sup>9</sup> (the believer’s body). Satan knows that his  
 329 enemy, the Holy Ghost, dwells in the body of the believer and moves  
 330 into the world through his or her belly.<sup>10</sup>

331 The Devil heard Jesus call His disciples the salt of the earth, and  
 332 warn them if they lose their savor, they would be cast into the street

---

<sup>5</sup> John 7:38-39

<sup>6</sup> The word translated *citizens* is *πολίται* from *πολίτης* *pol-ee'-tace*. See Strong No. 4177, “a townsman: — citizen.” It is rooted in *πόλις*, *polis*, Strong No. 4172, which, according to Strong, is “probably the same as 4171 (*πόλεμος*, *polemos*, “warfare (literally or figuratively; a single encounter or a series): — battle, fight, war.” Or else it is related to *πολύς* meaning *many*, *plenteous* (see Strong No. 4183).

<sup>7</sup> Luke 19:11-27

<sup>8</sup> Matthew 21:43; Psalm 33:12

<sup>9</sup> I Corinthians 3:17; I Peter 2:11; see Galatians 5:16-21

<sup>10</sup> John 7:38-39

333 and trampled under the foot of men.<sup>11</sup> Satan labors to compromise  
334 believers until they are good-for-nothing knowing that God will  
335 throw them into the street and allow his children of disobedience  
336 to trample them under their feet. That will get them out of his way!  
337 The power will shift from believers to the lovers of darkness.

338 Satan is the prince of the power of the air, the spirit that now works  
339 in the children of disobedience.<sup>12</sup> According to Paul, Satan takes  
340 them captive at will.<sup>13</sup> And he uses them to frustrate and hinder the  
341 work of Christ in the world.<sup>14</sup>

342 So long as the saints are on the earth, they have the power to thwart  
343 Satan's plans. The saints can overcome! For they are kings and  
344 priests unto God, endowed with power from on high. Fellow saints,  
345 we need only stir ourselves in this war, in God's War, and we may  
346 be confident of victory. Okay, gotta close.

347 **In summary:**

348 Spiritual warfare is the ongoing struggle between the Spirit of Jesus  
349 Christ through the believer and the spirit of Antichrist through the  
350 unbeliever. The objective in the conflict is control of the  
351 dominion and the sword—the resources of the earth and the  
352 military might to take and hold those resources. Jesus, Who is  
353 both God and man, received all power in Heaven and in Earth.  
354 All the kingdoms of the world (with the dominion and the sword)  
355 are under Jesus' authority in the kingdom of Heaven. Satan is the  
356 spirit that works in the children of disobedience, and through  
357 them, he claims the dominion and the sword rightly belongs to the  
358 sinners of Adam's race—the lovers of darkness. Together, they  
359 usurp the kingdom by violence and howl against Jesus' right to rule  
360 the world.

---

<sup>11</sup> Matthew 5:13; Luke 14:33-35

<sup>12</sup> Ephesians 2:1-2

<sup>13</sup> II Timothy 2:26

<sup>14</sup> Acts 12; 13:10

361 Hence, the Lordship of Jesus Christ and His claim that all power is  
362 given to Him in Heaven and Earth is at the heart of this conflict. At  
363 this juncture of God's War, the saints call all sinners to surrender  
364 to Christ. The terms of surrender are as follows: "That if thou shalt  
365 confess with thy mouth the Lord Jesus, and believe in thine heart  
366 that God hath raised Him from the dead, thou shalt be saved."<sup>15</sup>

367 Christ's Spirit exerts the authority of the Kingdom of God into the  
368 world through the children of obedience. Our primary mission is  
369 to preach the Gospel to every creature in the world, heralding the  
370 command of God to repent and believe on Jesus Christ. In no  
371 other way can sinners of Adam's race be saved from the wrath to  
372 come—the wrath of the Lamb.

373 The spirit of Antichrist, meanwhile, operates in the children of  
374 disobedience to resist the preaching of the Gospel. Seducing spirits  
375 teach doctrines of devils deceiving the children of disobedience,  
376 and they use these deceptions to commandeer principalities and  
377 powers (Antichrist governments) to block the preaching of the  
378 Gospel of Jesus Christ.

379 Greater is He that is in us than he that is in the world. So why does  
380 it seem like we are losing? It's because Christians are not engaged  
381 in spiritual warfare. I'm not talking about the kook stuff Satan uses  
382 to distract from the real deal—I'm talking about learning how to  
383 use your authority in Christ to assault the kingdom of darkness b  
384 the power of the Kingdom of God — and reclaiming territory long  
385 held by Satan in this nation under God.

386 Anyway, this is an unusual message, but perhaps you would like to

391 Counsel For the Present Distress visits — it's casual, but  
392 informative, and join us in our battle for America!

396 Prepare for Civil War. I mean it! Get ready! Stock up supplies as

398 and ready! Not to attack, but to defend. Okay, gotta go!

399 I have lit the lamps in the Church belfry arch and now you let me  
400 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
401 ON and you will ride like Revere and spread the warning,  
402 (essentially, it means you agree with what I'm saying) or you say  
403 LIGHTS OFF -- which means you reject what I'm saying and  
404 disagree strongly with me. So, what will it be today, lights on, or  
405 lights off?
