

Brain Massage®: Show No. 792 BIDEN BLUE STATE DEVILS Versus
TRUTH, JUSTICE, and the AMERICAN WAY!

Jerry Scheidbach

Original Air Date: 08.22.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Goodyear will have to change it's name to *badyear* — I have lost
5 count of the number of people I've heard say Goodyear tires have
6 branded themselves haters of free speech, Marxist loving radicals
7 that do not deserve our business. Police hating, freedom hating
8 despising, liberty loathing, politically correct — done!
9 Let's see—oh, how about tips for escaping the Vaccination Nazis.
10 Why there is NEVER a justification for demanding the surrender
11 of our inalienable rights. EVER!
12 Of course, the Brain Masseur must weigh in to enter the ring on
13 the DNC Convention — and the raging debate over Biden's
14 *wonderful, amazing, hit-it-out-of-the-park speech that belies all*
15 *Trump's claims that doddering Biden can't pass a cognitive test.*
16 What are Democrats voting for in November?
17 Voter Fraud continues to be a major concern, which takes us into
18 the conspiracy to make Nancy Pelosi President thingy —
19 Oh yeah! It's time for your Brain Massage.
20 [TRUTH]
21 Escaping the Vaccination Nazis. Why demanding we surrender
22 any inalienable right is NEVER JUSTIFIED.
23 Bill Gates and his buddy, Fauci, are in the vaccine business. Gates
24 is on record advocating for depopulation. Fauci is on record for
25 being a liar. I am disappointed in Fauci because he knows the mask

26 protocol is not the proper PPE (personal protective equipment) for
27 protection against a virus as small as the COVID-19 particle.

28 According OSHA certified instructor and professional PPE expert,
29 (PPE refers to Personal Protective Equipment—specifically,
30 equipment to protect HCW with working around pathogens—you
31 know, things that make you sick) someone who has worked as a
32 professional in the field for 20 years—her name is Tammy
33 Herrema, and she is the sort of person doctors rely on for
34 information about what they need to wear for protective covering
35 when dealing with pathogens—she explained that the n95 is only
36 effective for particles that are 300 nm or larger. This is
37 corroborated by several studies, one from Ansell-CARES in a
38 publication titled Respiratory Protection in Surgery, on page 11.

39 (I did read one study that said the n95 in some more recent studies
40 has blocked particles that are between 100-300 nm (nanometers)
41 — but I did not have time to read the study. My experience with
42 these things is that these later studies are fudged—they are forced
43 to support the current politically correct mantra. So when I read
44 100-300 nm — I notice that's quite a range. I ask why a *range*?
45 Typically, in the many studies I've read, they don't give you a *range*.
46 If the mask is effective at blocking a particle that is 100 nm why
47 bother presenting a range—100-300? You do that sort of thing,
48 when you need to manipulate the "data" to support the
49 dictatorships of DEMONSCRAT politicians like Whitmere and
50 Newsome. Hehe. But when I know that the pre-COVID consensus
51 for the n95 was efficient protection down to 300 nm — I am
52 inclined to go with this expert who told us that's what she knows
53 about the n95.)

54 So, the n95 cannot effectively protect against a particle smaller than
55 300 nm. And even that is ONLY WHEN WORN PROPERLY. The
56 COVID-19 particle is 120 nm. (By the way, I need to make a
57 correction. A few weeks ago I said the methanthiol particle that

58 passes through our clothing in flatulence was larger than the
59 COVID-19 particle. That was an error. It's actually significantly
60 smaller. I read the methanthiol size in micrometers rather than
61 nanometers. The methanthiol is .4 nanometers, whereas COVID-
62 19 is 120 nm.)¹ Nevertheless, according to CDC and the FDA, n95
63 masks are NOT RECOMMENDED for use by the General Public.
64 So, all of you wearing n95s about town are not following CDC or
65 FDA or government regulations. YOU ARE IN VIOLATION!

66 Okay then. What about the masks you are encouraged to wear?
67 Let's start with the standard surgical mask. Guess what. The
68 surgical mask is only efficient to block particles that are 5 microns
69 or larger.² Now, a micron is 1000 times larger than a nanometer. In
70 other words, that surgical mask you are wearing allows COVID-19
71 to fly through your mask, in either direction, like a bee through a
72 chain link fence. Haha. But really! The COVID-19 particle is 120
73 nm. The smallest particle a surgical mask can effectively block is
74 5000 nm. 5000.

75 Now we go to the cloth masks. No one bothers! There are not
76 clinical trials for cloth masks protecting anyone from pathogens
77 because the only thing cloth masks are good for is hiding your
78 identity when robbing a bank, or demonstrating your subservience
79 to the STATE DICTATORS. Because, as Fauci said, masks are
80 largely SYMBOLIC. Their usefulness, medically, is to keep
81 everyone mindful that a pandemic passed this way once. Because
82 anything for which there is a 98.5% recovery rate is not a health
83 crises. Get real, people!

¹ <https://www.dailymail.co.uk/sciencetech/article-8275855/Professor-answers-question-jeans-stop-fart-mask-prevent-coronavirus.html> (See Show No. 787.17.11. The error was a failure to notice the size correctly. I read the COVID-19 as .125 nm (nanometers) when the correct size was .125 mm (Micrometers—*microns*), which would be 125 nm. More recently, I came across data that says the COVID-19 virus is 120 nm.

84 So why the continued hype about wearing masks? I think it's
85 multilayered. Like what drives a nation to war—it's multilayered.

86 For example, Gates and Fauci want to sell a vaccine. Some suggest
87 even more nefarious motives, such as planting a chip in each of us
88 so they can track us. Real *mark of the beast* type stuff, like, receive
89 the vaccine or you can't buy or sell—hmm. I'll speak to that Sunday
90 night. Don't miss it.

91 But it's probably more about making a lot of money than it is about
92 inserting tracers in all of us. Then there are those who are
93 convinced the vaccine is essential to our personal and public
94 health—the people who believe mankind crawled out of primordial
95 soup and finally evolved into an advanced ape. Folks who believe
96 those sorts of fairy tales are susceptible to believe, well, anything!
97 So! Then there are those who stopped using their mind for
98 anything beyond entertainment and have long ago surrendered
99 their mind to the control of the STATE. So they go along with
100 whatever they are allowed to think by the politically correct cancel
101 culture Nazis. Then there are tyrannical Demoncrat politicians
102 who want to use it test and train for compliance in preparation for
103 the coming DICTATORSHIP.

104 So, what are you going to do if they come after you—if the
105 DEMONCRATS continue to hold power over us and begin
106 FORCING us to receive their VACCINE? Well, here is a meme
107 that I received giving us some advice. Let's go over it.

108 It is titled: How To Legally Decline A Vaccine. Step one: DO NOT
109 refuse a vaccine. Whoever prepared this, and the person is not
110 identified on this meme, but they explain "Otherwise you will be
111 considered belligerent. (They spelled belligerent correctly, so, that's
112 hopeful.) The advisor offers an alternative to being marked as a
113 belligerent — what you do is, "politely decline the service by doing
114 the following."

115 Step 2 — Ask the doctor if the vaccine has MRC-5, and tells us
116 THEY ALL DO. MRC-5 comes from aborted fetal cells and other
117 DNA. I verified this Thank you to those who sent some articles to
118 me. By the way, I appreciate all who send material to me. Any of
119 you who want to go the extra mile and vet it receive a HUGE
120 THANK YOU! But because I encourage you to vet the stuff you
121 send me does not mean I don't want you to send me stuff. It's only
122 that the vetting process is sometimes so time consuming I end up
123 not being able to use the material.

124 Anyway, the information I have suggests that virtually all vaccines
125 today use material harvested from aborted babies—but not ALL.

126 The preparer of this meme tells us if the vaccine contains MRC-5
127 you have the RIGHT to decline. But he, or she, did not explain why
128 we have the right to decline on that basis. And here is what I mean
129 by vetting time—if I had the time, I would have done some
130 research on court cases where support for refusing a vaccine, or
131 other medical treatment, based on a conscientious objection was
132 established as a precedent in law. My question is this. Is this person
133 saying I don't have the right to refuse a vaccine unless I can verify
134 that it contains MRC-5, or, the next thing he or she suggests that
135 we do.

136 Step 3, we can ask the doctor if there is a possibility of a latrogenic
137 reaction. I did some research on latrogenic reaction and, sure
138 enough, there is a large body of evidence supporting concern about
139 adverse reactions to vaccines. Apparently, they, and by *they* I mean
140 the government medical bureaucrats, labor to hide this, to control
141 how much the public learns about this, and that's because they are
142 really good people, you know what I mean — they are *good* — and
143 they have the public welfare in mind and desire to protect us from
144 ourselves, and they know if this information got out there and
145 became generally known, there would be very few who would be
146 comfortable receiving their vaccinations every year—!

147 The reason I wanted to share this with you is, well, it's for multiple
148 reasons. I think it's good information. You should know that
149 vaccines include use of material from aborted babies. You should
150 be aware of the adverse effects arising from vaccines have been
151 increasing over the last few decades, and that today are not at all
152 uncommon. This is good information, and I wanted to pass it on.

153 Second, I think it's a reasonable strategy. It is reasonable to
154 demonstrate a knowledgeable and reasonable concern about a
155 vaccine, rather than come across as an "anti-vaccer." They have
156 been trying to stereotype those who resist the push for vaccinations
157 as *persons against science*. So, I think this is a good approach.

158 Here is what I don't like about this approach. I don't like conceding
159 my liberty to refuse any medical treatment I don't want. I don't like
160 having to play a little dance around these guys. I think I have the
161 right to tell anyone they cannot stick with a needle without my
162 consent. I don't believe any of the reasons provided here are greater
163 than this reason — I don't want your vaccine. Furthermore, I don't
164 have to explain to you why. I'm tired of this constant erosion of our
165 personal liberties. So, my approach will be a bit modified. First, I'll
166 explain to any doctor or POLITICIAN telling me I have to be
167 vaccinated that I don't have to be vaccinated. They cannot force me
168 to receive their medications. I have no reason to trust government
169 with my health care—and I have no desire to give up my autonomy
170 in the matter. After that, I will be happy to explain that I don't want
171 aborted baby material injected into my body; and I am aware of the
172 latrogenic reactions attributed vaccines and have decided for
173 conscience and health to decline the vaccine.

174 You see, folks, WE MUST STOP ALLOWING THESE PEOPLE
175 TO FURTHER ERODE OUR LIBERTIES AND OUR PERSONAL
176 DIGNITY BY USING HEALTH THEIR CONCERN ABOUT
177 OUR HEALTH AS A COVER FOR THEIR WICKED DESIRE TO
178 CONTROL OUR LIVES AND TAKE AWAY OUR LIBERTIES.

179 Hold on through the break. I'll be right back!

180 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
181 at the Lighthouse, your brain masseur, and Paul Revere's lantern
182 lighter, lighting the lamps in the church belfry arch, signaling the
183 enemy is on the march, an enemy that would steal from us our
184 liberty.

185 Well, let's take a look at this amazing Biden speech. I agree with
186 Rush—Biden looked scared! They guy was reading from a
187 teleprompter in some COVID bunker — what was he afraid of? As
188 for delivery, he gets a C. It was bland, lifeless, without unction.
189 Those who pretend that Biden is Reaganesque are just trying too
190 hard! It would be great to put up a side by-side of Biden and
191 Reagan giving a speech.

192 Let's go through the transcript of his speech.

193 He accuses Trump of cloaking America in darkness, of promoting
194 fear and division. Well, that's exactly what the DEMONCRATS are
195 doing—24/7. So, this is another speech that goes under the
196 category of WHATEVER LIBERALS ACCUSE OTHERS OF
197 DOING IS WHAT LIBERALS ARE DOING! Only a moron can
198 fail to see that it's Liberals that are promoting fear and division. So
199 I'm not even going to detail it. IT'S OBVIOUS.

200 As for "darkness"? Obama's was the most opaque presidency in
201 recent history. Fast and Furious, Spy-gate — hey, how about the
202 promise that we would see any legislation 72 hours before he
203 would sign it—can anyone spell Obummercare? Remember that?
204 Flopping multiple thousands of pages of a bill on the desks of
205 Conservatives only a day or so before it was to be voted on.
206 Remember Pelosi—gotta pass the bill to find out what is in it.
207 OUTRAGEOUS. The darkness that prevailed under Obama—
208 unemployment hit record highs, they had to get rid of Carter's
209 misery index, because it made Obama look bad—worse than

210 Carter. Delivering us over to the power of the Chinese and Iran
211 and promoting terrorist organizations—the Obama/Biden
212 Administration was the darkest, most corrupt in history—it
213 included nightmares like Benghazi, and Biden colluding with
214 gangsters in Ukraine to defraud Ukrainian government and the
215 diversion of millions of IMF dollars into the pockets of corrupt
216 politicians—it included Biden using his position as VP to enrich
217 himself and his family — these are the most wicked, darkened souls
218 that have ever walked the upon the carpet of the Oval Office.

219 Biden's promise? I will draw on the best of us and not the worst.
220 Really! How about you start by denouncing the riots and the
221 wicked governors and mayors that are aiding and abetting the
222 destruction of the lives and property of their citizens. How about
223 you speak up FOR the BEST OF US — our police officers that put
224 their lives on the line for us every day? You lie, sir! Remember that
225 one! YOU LIE! Biden is a liar. That's why there is fear in his eyes as
226 he speaks. The HOLY GHOST is pointing His finger at Biden's
227 SOUL and REPROVING HIM FOR HIS LIES. He knows he is in
228 serious trouble. He knows his house of cards is about to collapse.

229 When the AMERICAN people get THEIR CHANCE TO SPEAK—
230 he knows what is coming!

231 "We will choose hope over fear, facts over fiction, fairness over
232 privilege." That's right! We will! We will choose Trump! Because
233 Trump has already proved he can deliver on his PROMISES and he
234 has already proved he is FOR the LITTLE GUY — he does not
235 want to turn us into his slaves—he wants to elevate us all.

236 Yes, we will choose FACTS over FICTION — we will choose
237 TRUMP — because the FACTS are HE HAS KEPT HIS
238 PROMISES and has done nothing short of a miraculous job against
239 all your efforts, Biden, to oppose him and US. You want to destroy
240 America; Trump loves America. You are a corrupt man! God curse
241 you and expose you for what you are. That's why I see the fear in

242 your eyes. You know you are corrupt. And your SINS WILL FIND
243 YOU OUT!

244 Listen to this evil man! "I will work as hard for those who didn't
245 support me as I will for those who did." What a liar. This he said
246 behind his fear filled eyes — the same man who scolded a black
247 man saying if he did not support Biden he was not black!

248 You say it's a moment that calls for hope, light and love? You ain't
249 got it buddy! You don't offer hope, you offer slavery; you don't
250 offer light, you offer darkness; you don't offer love — you foment
251 hatred, you encourage hatred for America, hatred for our way of
252 life, hatred for our values.

253 "America isn't just a collection of clashing interests of Red States or
254 Blue States." What? That's exactly what you, Pelosi, Schumer,
255 Schiff, and the rest of you Devils have done to this country. Look at
256 the BLUE STATES! Will you! Mr. Biden. JUST LOOK AT THE
257 BLUE STATES — that's where the hatred for America is fomented,
258 that's where those who hate America are encouraged, and even
259 allowed to destroy the property of Americans.

260 He laments the great crises — the pandemic, the economic crisis,
261 the racial justice crisis, and climate change. Let's take a moment.
262 The pandemic — you are a joke. In spite of all the efforts by the
263 LIARS to stoke up the numbers — even the MURDERING
264 GOVERNORS who sent THOUSANDS OF ELDERLY to their
265 DEATHS by their wicked policy and refusing to use the help
266 TRUMP SENT TO THEM—damnable men and women who
267 knowingly sent thousands of elderly patients to their DEATHS by
268 their abuse of power—in spite of all the effort by DEMONCRATS
269 to pump up the death count, and the case count—by almost every
270 devious means imaginable — COVID pooped out on them. It
271 simply did not prove to be the disaster they pretended it was.

272 We always have to say, oh, it has killed people, and it's serious, and
273 it's dangerous — because if we don't add those caveats the liars will
274 jump on us and pound us with their character assaults—you don't
275 care about those that died—well, Cuomo does not care about the
276 thousands of elderly that DIED — neither does Newsome, or
277 Whitmere — they don't care about the old folks they sent to die in
278 nursing homes unfit to receive them. You DEMONCRATS have
279 tried your best to use this COVID thing to destroy our liberties,
280 and destroy our economy—yeah! It's the BIDEN BLUE STATES
281 that are SUFFERING under this—Hey! 98.5% recovery rate! What
282 is it about 98.5% RECOVERY RATE that you BIDEN BLUE
283 STATE DEMS don't seem to be able to hear?

284 As for your claim that we face some great racial justice crisis. You
285 are liar! The only racial justice crisis we face is from BIDEN BLUE
286 STATE racists—ONE wicked white officer kills one doped up black
287 man — and that justifies hundreds of black lives being RUINED!
288 Ruined! Destroyed. Even KILLED. Do you really think the
289 American people don't see this? You've go to be kidding me?

290 You don't think Americans are smart enough to figure out they
291 had it pretty good until YOU BIDEN BLUE STATE DEMOCRATS
292 got hold of this China-virus and used it to DESTROY THE
293 ECONOMY — we know who has what it takes to lead us out of
294 this mess — and it's sure not the people to brought us into it.

295 Character is on the Ballot? You got that right, again. And it's all on
296 Trump's part. HE KEPT HIS WORD. He kept his promises. You,
297 sir, are nothing but an empty suit! Shallow and sick! I mean sick in
298 your soul.

299 You, Joe Biden, blame Trump for the 5 million infected with
300 COVID. The 170,000 who died? YOU CREATED THIS MESS.
301 You, BIDEN BLUE STATE DEMONCRATS — you manufactured
302 this mess. It falls on you! You are to blame. We know what you've
303 been doing—you BIDEN BLUE STATE DEVILS — you have been

304 interfering with doctors prescribing a known safe treatment
305 protocol that has proven very effective in early treatment of
306 COVID — so how many of those 170,000 that died would be alive
307 today if you had not played politics with the lives of the American
308 people? How many, BIDEN. How many did YOU KILL!

309 The 50 million jobs lost—BIDEN BLUE STATE DEVILS contrived
310 to use this phony emergency to virtually wipe out the middle class.

311 But, America, your turn is coming. In only a few months, your turn
312 is coming.

313 Calling president Trump a president who blames others. I'VE
314 HEARD OF PEOPLE BEING MYOPIC, PEOPLE WITH A
315 BLINDSIDE — but you sir, are pathological! Obama did
316 NOTHING BUT BLAME, BLAME, BLAME everyone else. And
317 you are the same! You are cut of the same cloth. Here you are
318 whining about someone blaming others while you spent almost the
319 entire speech saying nothing but BLAMING TRUMP — and his
320 supporters. You are not kidding me.

321 You are like those girls who recently attacked a seven-year-old boy,
322 took his Trump sign and tore it up, and tried to steal his MAGA
323 hat. Two grown ladies tormenting a seven-year-old kid: that's your
324 party, BIDEN. That's your base. That's who you are.

325 Look at yourself. The BIDEN BLUE STATE DEVILS — that allow
326 wicked Marxists destroy the property of their constituents, destroy
327 businesses, kill black people just because they support Trump —
328 you lousy, good for nothing, miscreant, devils — GOD JUDGE
329 YOU. God deliver us from you! God stop you from STEALING
330 THIS ELECTION, and then STEALING OUR LIBERTIES.

331 "The president keeps telling us the virus is going to disappear..."
332 Hey! A 98.5% death rate—dude! You know what, SARS-1 keeps
333 killing people. The FLU keeps killing people. I guess you and

334 Obama did a lousy job because SARS-1 and the FLU just keeps on
335 killing people. We see through you!

336 Well, I will need to close the show for today. Let's see here, oh, this
337 will work. Let's cycle back to the first segment—the mask thing.

338 There is no mask that you can use, Mr. Biden, to hide your lying
339 eyes. Your fear filled lying eyes. Here you go! Biden makes one
340 promise in this speech that I'm sure he will keep. Day one—he will
341 order all Americans to wear masks. He will make it mandatory. A
342 national mandate to wear a mask—he calls it our patriotic duty.

343 Friend, the day we allow a governor, a Mayor or a president to
344 DICTATE TO US THAT WE MUST WEAR A MASK is the day
345 you have shredded the Constitution, and cast the BILL OF
346 RIGHTS into the STREET. It's the day you have allowed the
347 GOVERNMENT to become GOD and take over your lives. As for
348 taking the muzzle off our medical experts—how about you do that!
349 How about you listen to the hundreds of medical experts that are
350 being censured by your cohorts in media, and social media—which
351 you are making moves to control right now—how about we hear
352 from all the medical experts and not only the ones government
353 picks and chooses.

354 This is one of those shows where I simply don't have the time I
355 need to get to all I have to say about this.

356 I must conclude. I'll do so with a question.

357 WHAT ARE DEMOCRATS VOTING FOR IN NOVEMBER.
358 Here is a picture of what democrats are voting for: Two ladies
359 attack a 7-year-old kid for wearing a MAGA hat and holding a
360 TRUMP-2020 sign. Tore up his sign and stole his hat — mother
361 attempts to intervene, scuffle ensues. 12-Year-old Emily Haddock
362 brutally murdered by gang of black thugs who invaded her home
363 and shot her multiple times. You remember the 7-year-old shot at
364 point blank range by an angry man a few weeks back? You watched

365 the videos of the thugs knocking old white ladies down in the
366 street. You've watched the videos of the rioters in Chicago, Seattle,
367 New York and Portland—look close and you'll see that it's white
368 and black ANTIFA and BLM radicals at work destroying our cities.
369 You've noticed that Seattle Mayor—Ms. Summer of love, got all hot
370 and angry and ready to call in the police when ANTIFA/BLM
371 radical thugs hit her house; that Portland Mayor, Wheeler, was all
372 offended and astonished and indignant when ANTIFA/BLM thugs
373 threatened his street, and lately you watched as Lori Lightfoot,
374 Mayor of Chicago, who ordered police to raid churches holding
375 services but refused to send the police to help communities being
376 ravaged by ANTIFA/BLM radical Marxists—but when her street
377 became a target, then she deployed a few hundred of Chicago's
378 finest to protest HER NEIGHBORHOOD. These are
379 DEMOCRATS TODAY! This is what Democrats are voting FOR.
380 This is what they support with their vote.

381 There is no way in any world the DEMOCRATS win this
382 November if the PEOPLE are allowed to SEE THE TRUTH and the
383 efforts to steal the election by mail-in-balloting is exposed and
384 stopped.

385 I'll address some of the stuff I did not get to tonight during our
386 Comfort & Counsel For the Present Distress visit, and then, on
387 Sunday night, I'll address the question of whether being required to
388 receive a government mandated vaccine or be disallowed to buy or
389 sell is tantamount to receiving the mark of the Beast.

390 I have lit the lamps in the Church belfry arch and now you let me
391 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
392 ON and you will ride like Revere and spread the warning,
393 (essentially, it means you agree with what I'm saying) or you say
394 LIGHTS OFF -- which means you reject what I'm saying and
395 disagree strongly with me. So, what will it be today, lights on, or
396 lights off?
