Original Air Date: 08.29.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Two opportunities to show your colors mates! I apologize that I'm
5 getting this announced so late. The person alerting me to this did
6 EVERYTHING RIGHT — got it to me on Thursday, a full week
7 before the event. Somehow I did not get the message. Many receive
8 this Friday night, so you'll get it in time. Two opportunities: one in
9 SLO and one here in Santa Maria. August 29, 11-12—Freedom
10 Rally on the Corner of Los Osos Valley Road and Froom Ranch
11 Way in front of Target in SLO. In SM, 10-12, at the Stowell
12 overpass we will gather to BACK THE BLUE — parking in Trader
13 Joe's parking lot. BACK THE BLUE — Stowell overpass, SM 10-12.
14 I'll see you there.

15 Andy Caldwell for Congress!!!!

16 Okay my friends — it's time for your Brain Massage~

17 [TRUTH]

18 If the libs did it—a paraplegic Congressional candidate manages to
19 rise from his wheel chair for the Pledge and an NPR Lib go
20 apoplectic—accused him of trying to undermine the kneelers.
21 Malania speaks with an accent and Bette Meddler criticizes her
22 saying "she still can't speak English," and snidely called her an
23 "illegal alien." Tapper piles on Alice Johnson—a black lady that got
24 life+25 for a first time drug offense, who totally reformed her life
25 and received a Pardon from Trump. Yeah! You already know this,
26 but the fact is modern democrats are mean, nasty, unhappy,
27 jealous, envious, and evil people. If there are any out there that are
28 levelheaded, reasonable, rationale, kind and generous—they must

29 be hiding out, probably afraid of all the mean, nasty, angry,
30 irrational, jealous, envious, hateful, and crazy people in their party.

31 This scares us! The left is crowing: "Over 100 ex-staff members
32 for John McCain endorse Biden." "Romney 2012 staffers unite
33 behind effort to elect Biden." "More than 100 Bush-McCain-
34 Romney alums go for Biden." Reminds me of something I said
35 back in the day Republicans were talking about the "big tent." I
36 said then that the big tent philosophy would neutralize the
37 effectiveness of the Republican Party by allowing liberals to ride
38 into power on Reagan's coat tails. I said they would be a bane — a
39 cause for great distress, annoyance, and irritation—an impediment
40 to advancing the conservative agenda to preserve and prosper our
41 Republic! I was right! We began calling them RINOs in the 90s.
42 (Actually, the phrase *Republican in name only* began circulation
43 back in the 20s and reemerged in the 50s and 80s but the Acronym,
44 RINO, so far as I can discover, was standardized as political jargon
45 in the 90s.) Something else to be grateful to Trump for is how his
46 Presidency has exposed and disenfranchised these RINOS. Look,
47 when backstabbing traitors leave, that's a good thing!

48 NBA demands Trump resign or they will take their basketball and
49 go home!!! I think these guys have an inflated sense of their
50 importance.

51 D. Rep — Ayanna Pressley calls for "unrest in the streets." She
52 explains it's the only way to put pressure on us to make the changes
53 they demand! Folks, you have a President in office right now that
54 would have taken care of this in a big way—but you are too blind
55 to see it.

56 Rand Paul and Kellyanne harassed and threatened by BLM mob
57 when returning from RNC Convention. Rand calls for FBI
58 investigation. Believes the mob intended to kill him and Kellyanne.

59 DEMS calling on BLM/ANTIFA to tone it down! Dinesh rightly
60 observes—now they call for calm—when the polls show the

61 American people are turning from them in droves. I understand
62 that in Wisconsin the approval rating for BLM has gone from +25
63 to 0. No one likes these people! They have worn out our sympathy
64 and their welcome. But the left has unleashed the whirlwind—but
65 not to worry! Ha, I read a tweet, forget who put it out there—
66 Hurricane Laura is destructive but "mostly peaceful." You are
67 watching the same news I am—who are these brain dead reporters
68 that keep positioning themselves in front of burning buildings and
69 cars reporting — the protests are "mostly peaceful"? They must
70 have got their training at Baghdad Bob's school of journalism.

71 So, what will the left do with this? What else—Blame Trump!

72 Left blames Trump for unrest, riots—Durkin of Seattle, Buttigieg,
73 MSM, and the whole Soros brigade. A new mantra being floated
74 right now, in hopes it will take hold, all of this is happening on
75 Trump's watch. That's what passes as evidence it's all Trump's fault.
76 Dinesh astutely observed this is rather like blaming the
77 assassination of JFK on JFK because, after all, it did happen on his
78 watch. The Democrats depend on stupidity; their own, and others.
79 They have lost the majority—they know that! They are desperately
80 hanging on to the roughly 30% of American voters that are made
81 up mostly of University student-socialists, liberal-plantation
82 dependents, and liberal government workers. They have mobilized
83 the angry mob in hopes Americans will decide it's Trump's fault;
84 with a secondary hope they can intimidate Middle-America voters
85 to choose peace rather than war with the Devil. They are playing
86 for the vote of the same sort that cave in to the demands of their
87 screaming two year old. They are counting on controlling
88 Americans through fear, and stupidity.

89 Meanwhile, quietly, Americans are preparing. They see the storm
90 clouds gathering, and they are quietly getting ready for war!

91 Many have a gut instinct that tells them no matter which way it
92 goes November 3, there is going to be war! I've been warning about

93 this for at least 10 years. I've predicted that the rhetoric wars will
94 devolve into physical war unless we have a spiritual renewal, a
95 revival, and unless we do something about our public schools and
96 Universities. I've warned that the polarization of America is
97 reaching the snapping point. Over and over I've warned about this.
98 Actually, from longer ago that 10 years — and now we see the
99 beginning fulfillment of that prediction.

100 5 million NEW GUN OWNERS in 2020. I said, "new gun owners."
101 I'm talking about people who never owned a gun before. 40% of all
102 firearm sales were *first time buyers*. 58% were black Americans;
103 40% women. Sales nearly doubled, and ammunitions sales up 139%
104 from 2019. These are not hunters, folks! These people are buying a
105 gun to protect themselves from what Democrat Mayors and
106 Governors are doing to their states and cities. The message has
107 been received: Democrat run cities and states are NOT GOING TO
108 PROTECT YOU! You are going to have to prepare to protect
109 yourself.

110 But there is one hope! Vote every Democrat OUT OF OFFICE.
111 Demand these Democrat governors resign, or recall them. Rise up
112 in force against these Democrat Mayors—and show them the
113 POWER OF THE PEOPLE. Vote Trump — the radicals burning
114 down our cities own Biden — but no one owns Trump. If you want
115 someone who is going to fight for LAW AND ORDER and
116 AMERICA AS FOUNDED and JUSTICE for ALL — vote Trump!

117 The RNC Convention was over the top awesome! The fireworks
118 were stunning! Ave Maria? Not so much. That whole Mother of
119 God thing, and calling on the dead to pray for us—the LIVING
120 SAVIOUR advocates for us, not any dead saint. Maybe you can
121 talk with Mary after the resurrection, but ... haha!

122 Anyway, God Bless America was very well done! But the
123 fireworks—wow!

124 And yet, nothing stood out above Trump's speech! I wanted to
125 finish my remarks on Biden's speech and then we will compare
126 Trump's speech.

127 So, hold on through the break; I'll be right back.

128 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
129 at the Lighthouse, your brain masseur, and Paul Revere's lantern
130 lighter, lighting the lamps in the church belfry arch, signaling the
131 enemy is on the march, an enemy that would steal from us our
132 liberty.

133 Remember I told you the libs orchestrated our reaction to this
134 pandemic in order to remove Trump's stunning achievements
135 from the campaign? We have never reacted to an outbreak like this.
136 Shutting down the economy, and beating Americans down with
137 fear, was all calculated to stop the Trump economy juggernaut!
138 And it succeeded. The Devil is not stupid! We should not be
139 surprised that the children under his influence and power are wise
140 to do evil, to bring destruction, death, misery—that's what the
141 Devil is best at. So they destroyed the economy, and succeeded to
142 terrorize many Americans—all so Biden could say this: "Just judge
143 this president on the facts. 5 million American infected with
144 COVID-19. More than 170,000 have died. By far the worst
145 performance of any nation on Earth. More than 50 million people
146 have filed for unemployment this year. More than 10 million
147 people are going to lose their health insurance this year. Nearly one
148 in 6 small businesses have closed this year. If this president is re-
149 elected we know what will happen. Cases and deaths will remain
150 far too high. More mom and pop businesses will close their doors
151 for good. Working families will struggle to get by, and yet, the
152 wealthiest one percent will get tens of billions of dollars in new tax
153 breaks": and on and on ad nauseam.

154 Setting aside for the moment the fact that the China virus case and
155 death count has been manipulated by the LIARS and CHEATS on

156 the LEFT — setting aside the fact that in spite of all their efforts on
157 the contrary, the death rate in America is less than 2% at present
158 and dropping, setting aside the fact that Trump has acted earlier
159 and more aggressively to do something about this than any
160 President has ever before—setting aside the fact Cuomo, Newsome,
161 Whitmere, Wolf and some other yahoo—sent China virus infected
162 elderly patients to their deaths knowing their policy would lead to
163 their deaths—setting aside all this and more—for Biden to talk
164 about the millions who lost their job because of this ridiculous
165 overreaction to the China virus is so over the top insulting it's hard
166 to find words adequate to express the enormity of the outrage:
167 Obama-Biden presided over the near total destruction of our
168 economy, and over a period in which the rich got richer while the
169 poor got poorer like never before—when unemployment hit record
170 highs, when especially Blacks and Hispanics suffered most—when
171 Congress under Liberal control behaved like the Communist
172 Politburo in Russia during the height of the Soviet Union
173 dictatorship—.

174 But I think the American people see through this smoke screen
175 created by the LEFT. I think it's going to backfire on them. I trust
176 GOD will blow the smoke out of the eyes of AMERICANS and
177 they will SEE the TRUTH — that Trump has fought for
178 AMERICA, and for AMERICANS. They will see that our economy
179 is in tatters because of what LIBERALS have done — because of
180 Liberal policies. I think all they have succeeded to do is
181 demonstrate vividly that these establishment politicians have
182 betrayed America—.

183 I said on my Comfort & Counsel For the Present Distress
184 livestream last night liberal politicians leading this oppression and
185 destruction of the economy are traitors and their cohorts in the
186 streets are terrorists. That's right! I would not even give what these

187 people are doing the dignity of a Civil War or a revolution. It's
188 TREASON perpetrated by use of TERRORISTS.

189 I'm beginning to hear and read declarations openly declaring that
190 we have entered a state of CIVIL WAR in this country.

191 But, actually, that's not true. The MSM and DEMONCRAT
192 POLITICIANS are covertly agitating for war—the LEFT is sending
193 out the message, loud and clear, that unless we turn government
194 power over to them, they are going to escalate the violence.

195 However, this is not a revolution—we are under attack by anti-
196 American terrorists being aided and abetted by Demoncrat
197 TRAITORS.

198 It's true that the DEMONCRAT PARTY has declared war on
199 AMERICA. They have been engaged in covert ideological war
200 against America for a very long time. And they go so close—they
201 were on the cusp of "transforming America" — removing us from
202 our foundation in Christian principles of governance, and
203 resettling America on a foundation of Satanic Marxist socialist
204 oppression of the people. A system that enriches the Obama's and
205 the Biden's and their families while it impoverishes the hoi polloi.
206 They were that close to totally selling out America to China, and
207 Russia, and Iran; they were within reach of their goal to destroy
208 Israel, and bury the American dream, and destroy the last hope of
209 LIBERTY AND JUSTICE FOR ALL in this world.

210 But GOD had mercy, He moved and Trump was swept into
211 POWER—a TRUE AMERICAN, someone who LOVES
212 AMERICA, who acknowledges GOD, and trusts liberty, and
213 worked to improve the lives of all men and women in this
214 country—and under his leadership America made a comeback that
215 stunned the world—it had all globalists on their heels—reeling
216 from the resurgence of American exceptionalism, the rise again of
217 GOD AND COUNTRY PATRIOTISM — all symbolized in the

218 MAGA hat worn boldly by the Sandmann — Oh yeah! But back to
219 the point that what we are experiencing has none of the
220 characteristics of our own NOBLE REVOLUTION of WE THE
221 PEOPLE in 1776. This is a petty effort on the part of criminals to
222 rob and pillage their neighbors.

223 This is not a Civil War. Not yet! It's not yet formally the case that
224 one duly constituted State has declared war on the Federal
225 Government, nor has the Federal Government declared war on a
226 State or group of States.

227 This is an insurrection of traitors subverting government power
228 against the people and the Constitution they swore falsely to
229 uphold using terrorists and thieve to advance their purpose to
230 conquer America and enslave the people. It's greedy politicians
231 who use government power to enrich themselves—can anyone
232 spell BIDEN—and are willing to sell us out to do it! These are
233 useful to those that hate America, who despise that she is "one
234 nation UNDER GOD," and under the influence and control of
235 SATAN himself, work to take this country under the power of
236 SATAN—to get America out of his way so he can advance his
237 globalist agenda of world wide oppression. These worshippers of
238 Mammon control most of the world—but America keeps getting in
239 the way.

240 It's all about traitors using terrorists, and thieves greedy to take
241 from others what they are too lazy and undisciplined to work for
242 themselves. This is not Americans attacking Americans over a
243 dispute about succession and slavery. It's treason and terrorism
244 and theft.

245 Friend, listen to these people. They declare themselves to be NON-
246 AMERICANS. They tell you they are not American.

247 Listen! We need to call this what it is and attack it accordingly.
248 These governors and mayors that are encouraging this wanton

249 destruction of lives and property are traitors. They are doing this to
250 advance their political agenda—nothing could be more obvious
251 and nothing could be more odious. Wake up! Stand up! Speak up!
252 And shut them down—.

253 We are under assault by TRAITORS and TERRORISTS.

254 But we have the TRUMP CARD! haha! But, really! And he played
255 it deftly at the Convention—oh yeah~! The Dems played their
256 trick—but our President dropped the TRUMP on them and took
257 the trick! (Ever play Pinochle?)

258 They—and I mean the Democrat political Traitors and their
259 cohorts the America hating terrorists—who have descended to
260 chanting "Death to America," I kid you not—with the petty low life
261 thieves using these terrorists and traitors for cover to steal from
262 their neighbors and call it reparations—They will attempt to steal
263 the election, and if they can't steal it, they'll try to destroy America,
264 but we have the TRUMP CARD.

265 He is not owned by the elites, Satan can't buy him; his allegiance is
266 to CHRIST THE KING and AMERICA AS FOUNDED. The
267 remnant is stirring — Christ's Churches are exercising their
268 authority in the Keys of the KINGDOM, they are calling the
269 remnant to prayer and fasting—the PRIESTS and KINGS unto
270 GOD are standing in their PLACE before the THRONE of the
271 ALMIGHTY and casting down every accusation Satan has used to
272 gain influence in the land, and TAKING BACK all the PLACE they
273 have given SATAN in this land, and SWINGING THE SWORD
274 OF THE SPIRIT against every LIE Satan has used to keep the
275 people stupefied in darkness—

276 We prayed earnestly that God would EXPOSE the EVIL that He
277 would turn on the LIGHT OF TRUTH and Show the American
278 people the TRUTH about ABORTION and the TRUTH about
279 CORRUPTION—and it's a fight—spiritually, and physically, but

280 with GOD ON OUR SIDE—I know the arrogance of some and the
281 ignorance of others who proudly say, GOD IS NOT ON
282 ANYONE'S SIDE—: "If it had not been the LORD Who was ON
283 OUR SIDE, now may Israel say; if it had not been the LORD Who
284 was ON OUR SIDE, when men rose up against us: then they had
285 swallowed us up quick, when their wrath was kindled against us ...
286 then the proud ... had gone over our soul" (Psalm 124:1-5).

287 And I know the seducing spirits that teach doctrines of Devils
288 hasten to their attack: oh, well, that's about Israel. I love Israel—in
289 fact, I am connected very directly to Abraham, I'm one of his
290 kids—we who are of faith, the Bible says, "the same are the children
291 of Abraham" (Galatians 3:7). Paul explained we believing Gentiles
292 have been cut from our "wild olive tree" and grafted into the "good
293 olive tree," this is the mystery of Christian love for Israel—we are
294 connected to Israel. Peter said of us, "Which in time past were not a
295 people, but ARE NOW THE PEOPLE OF GOD: which had not
296 obtained mercy, but NOW HAVE OBTAINED MERCY" (I Peter
297 2:10).

298 And those things that happened to the Old Testament saints, and
299 that were written down happened and were written down
300 ESPECIALLY FOR US UPON WHOM THE ENDS OF THE
301 WORLD ARE COME (I Corinthians 10:11).

302 I read in Scripture God repeatedly declaring He would do this or
303 that great thing in the earth that men may know that He is GOD.
304 And that He would do this or that in the earth among the
305 kingdoms of men for HIS NAME's SAKE. And I asked, have you
306 no stake in this battle for America? Have you no interest in
307 showing us that THOU ART GOD? And He said, Indeed, I have a
308 NAME yet in the EARTH, and I have a REMNANT that is MINE!

309 And I said, O GOD, for YOUR NAME's SAKE, and to LET MEN
310 KNOW THAT THOU ART GOD — deliver us from these
311 unreasonable and wicked people.

312 For the DEMOCRATS have cast off your name, the DEMOCRATS
313 have blasphemed you, and repudiated you—BE THOU, O GOD on
314 OUR SIDE!

315 For truly, there is today NO OTHER SIDE FOR HIM TO TAKE.
316 The demoncrats have sold themselves to Satan.

317 Did not David ask IS THERE NOT A CAUSE? And did not that
318 young man with sling and stone charge directly at the GIANT
319 declaring the NAME OF THE LORD?

320 Hey, king, and priest unto God! Go before God among His priests
321 and petition HIM for a major intervention into this battle for
322 AMERICA — and as KINGS unto GOD and Ambassadors for
323 CHRIST—the KING of kings and LORD of Lords — charge the
324 gates of hell swinging the SWORD of the SPIRIT which is the
325 WORD OF GOD and expose the lies — SEND FORTH THE
326 REPOOF of the SPIRIT upon the CONSCIENCE of men—and
327 deliver the TERMS OF SURRENDER TO KING JESUS — repent,
328 and believe on the LORD JESUS CHRIST — confess He is LORD,
329 believe HE AROSE and LIVES and SITS UPON HIS THRONE in
330 HEAVEN with POWER over HEAVEN and EARTH — and call
331 upon HIS NAME for salvation!

332 I have lit the lamps in the Church belfry arch and now you let me
333 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
334 ON and you will ride like Revere and spread the warning,
335 (essentially, it means you agree with what I'm saying) or you say
336 LIGHTS OFF -- which means you reject what I'm saying and
337 disagree strongly with me. So, what will it be today, lights on, or
338 lights off?
