

Brain Massage: Show No. 796 The Brain Masseur Vents! — The Distortion of Justice / Levin's Question: If Biden Refuses to Concede, Will There Be War?

Jerry Scheidbach

Original Air Date: 09.19.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 [TRUTH]

5 Mercy! I've got to open the valve here and vent or the pressure is
6 going to explode in my brain! The prophet Isaiah said,
7 JUDGMENT IS TURNED AWAY BACKWARD AND JUSTICE
8 STANDS AFAR OFF—WHY, BECAUSE TRUTH HAS BEEN
9 CAST INTO THE GUTTER. (Isaiah 59:14) I HAVE PICKED UP
10 THE TRUTH AND CRYING FOR JUDGMENT TO TURN
11 AROUND, AND GRAB JUSTICE AND RETURN TO THE
12 STREETS OF AMERICA! — (venting sound)!

13 Gavin signs bill to reduce penalties for sodomy with minors. (2.1)
14 That's what liberalism does—it removes divinely appointed
15 barriers to evil and invites the monsters to prey upon our children.

16 A transsexual satanist anarchist wins the GOP nomination for
17 sheriff in Cheshire County, New Hampshire. It's a male
18 pretending to be a female, who ran for the office of sheriff on the
19 BLM slogan: F* the police. (You understand that Satan loathes
20 bringing new little baby humans into the world so he advocates for
21 the killing of babies and denigrates the marriage act with language
22 that makes it vile, cheap, dirty: like plugging seed into the dirt.
23 That's what the word derived from French actually means, by the
24 way: you know, anything to degrade humanity.

25 Like the BLM protestor that videoed a protestor shooting two
26 police officers at point blank range, practically making a joke out of
27 it, and the BLM protestors on the scene that followed the

28 ambulance carrying the wounded officers to the hospital and
29 staged a protest outside chanting support for the shooting and
30 hopes the cops would die — you know — what the left calls
31 peaceful protests —

32 Like the Portland Oregon woman who was asked about the killing
33 of Aaron Danielle by ANTIFA murderer Reinohle, said, "So the F*
34 what!" and she was told the man shot by Reinohle died, said,
35 "Tough luck! So, don't be a Trump supporter in Portland." Hmm.
36 Sounds like she is taking the advice of Maxine Waters—you know,
37 get in their faces, and let them know they are not welcome.

38 And the Biden supporter who went on a rampage punching Trump
39 supporters in the face at a MAGA rally, including an elderly
40 woman that the Left love so much they want to protect them from
41 the CCP-Virus—you know, the one's Cuomo, Newsome,
42 Whitmere, and Wolf sent into Nursing homes to die of COVID so
43 Biden could blame Trump for killing everyone who died of their
44 COVID — yeah, the DEMOCRAT COVID-2020 campaign
45 strategy. There is something called COVID-19 that refers to a virus
46 that we are hearing now was manipulated in a Chinese lab and
47 when released into the general public, China shut down travel from
48 Wuhan to anywhere in China but allowed travel to everywhere else
49 in the world—that one! But then there is the panic and fear
50 generated by the DEMOCRATS as part of their 2020 campaign—to
51 shut down the economy, and free up hundreds of thousands of
52 government employed teachers from their tasks to spend full time
53 campaigning for Biden—you know, it takes a lot of man power to
54 fill out all those millions of mail out ballots to get them in on time
55 to sabotage the election—so it's the DEMOCRAT COVID-2020
56 campaign strategy—that includes keeping you afraid to breath the
57 air GOD GAVE YOU so they can keep you away from the POLLS
58 — yep — that's the DEMOCRAT COVID-2020 campaign strategy.
59 Because they care so much about human life and dignity—they lie

60 to you about the mask—even now saying the mask is MORE
61 EFFECTIVE THAN A VACCINE to protect you — knowing that
62 is a LIE — but it's important to KEEP EVERYONE OBEYING
63 THEM, it's important to KEEP EXERCISING CONTROL over the
64 PEOPLE — finally, they will break our will to resist and we will
65 accept the SHACKLES of their OPPRESSION — we will become
66 docile, and submit to our MASTERS — but they don't follow the
67 rules. Rules are not for rulers — they are only for the ruled — that's
68 the DEMOCRAT's version of DEMOCRACY.

69 You can't have a gun but we have people with guns all around us to
70 protect us, but you cannot have a gun. Yeah. Harris is surrounded
71 with government men with rifles, the same kind of rifle she wants
72 to take away from you, and promised she would, if president, even
73 if she has to use executive order to do it. But men with the same
74 guns she wants to take away from you are okay in the hands of
75 government secret service tasked to protect her. And Nancy wants
76 to fine you if you go to a hair salon, but she can go to a hair salon,
77 because she is special, she is a DEMOCRAT RULER — democrat
78 rulers make rules for everybody else, not for them. They are above
79 the law. If caught, she blames those that caught her for setting her
80 up. She called for the appointment—no! I did not, I hear her say.
81 Oh, that's right, you are too important to take care of so lowly a
82 task, you had your staff do it. Probably your housemaid! Or one of
83 your secretaries! Your office made the appointment you liar. But,
84 you can't lie, because you are the truth—right! So what you say
85 becomes true because you said it. And you care so much about
86 everyone that you rule over. Your sense of justice is warped! You
87 get caught breaking your own rules and become insulted and
88 indignant because someone set you up! Hah! Try that at the Great
89 White Throne when you stand before God and your crimes are
90 read from His BOOKS!

91 Distorted Justice:

92 Like the liberal Rhode Island Professor Erik Loomis who blogged a
93 protest against the police killing of murderer Michael Reinhoel
94 (killer of Patriot Prayer member Aaron Danielle) when he resisted
95 arrest and threatened police—when told, well, the guy did murder
96 a man, said, "He killed a fascist. I see nothing wrong with it, at least
97 from a moral perspective." Of course, Patriot Prayer group does
98 not support, or condone, fascism and in fact has openly opposed
99 white supremacists, and denounced white supremacist ideology—
100 but, that does not matter, after all, as Shackelford says, if you are
101 white, you are racist, period! So, all whites must die. That or
102 become slaves. It's really a very simple thing! A long time ago,
103 some whites, relatively speaking, a few whites, owned slaves, most
104 holding them as indentured servants (which is wrong, by the way,
105 because it was not according to their own choice!) and then some
106 of these added the insult of physical abuse and cruelty—so the only
107 way to fix this is for all whites today to be vilified and killed,
108 because, well, that's justice in the eyes of these perverse BLM and
109 ANTIFA folks. So, let's see! Back in about 1400 BC an Egyptian
110 Pharaoh and the people of Egypt enslaved the Jews, and required
111 the Jews to give up their baby sons to be fed to the crocodiles of the
112 Nile, so what we need to do today is find every Egyptian in the
113 world and kill them—wait, but first, we need to remove their new
114 born sons from them and sacrifice them on the altars of whatever
115 gods eat babies today—oh, wait, there you go! Sanger got that
116 going already—it's called abortion, and the people that are being
117 wiped out by abortion are persons who claim a genealogical
118 connection with Africa—so what if it was only Egypt, close enough.
119 Right? Liberalism perverts everything, and mostly it perverts
120 justice.

121 It's war! It's a war against justice. It's a war against America!

122 Oh, talk about the liberal's war on America and the battle for
123 JUSTICE! On the latest effort to bring Obama administration syp-

124 gate operatives to justice: 41 subpoenas issued by Senate to compel
125 testimony. I know it is frustrating. The wheels of real justice do
126 move slowly. Liberal street justice—they roll fast, man—like Erik
127 Loomis, professor from Rhode Island — just call a guy a fascist
128 then shoot him. Simple! Call all white people racist, then shake
129 them down for reparations. Simple! Maybe it's a good idea to let
130 the wheel of justice move at a pace that allows, well, JUSTICE to be
131 done. You know, the whole innocent until proven guilty thing has
132 something to recommend it.

133 Soros is off limits at Fox? Hmmmm! I agree with O'Reily—there is
134 something really, really wrong here. I watched that clip on FOX
135 and it was very strange. Newt was making the point that Soros had
136 invested something like 17 million dollars in local DA races to
137 place anti-American, Soros puppets in position to, well, do exactly
138 what they are doing right now—releasing criminals into the streets
139 to "protest" — to kill, maim, destroy property, create unrest.
140 Hmmmm! This was an odd thing for Soros to invest so heavily
141 in—I wonder, did they have this planned all along? Put these
142 liberal America hating DAs in position to support this attack on
143 America that's going on right now in BLUE states! Then 50 million
144 poured into BLM to help that organization grow—a memo from
145 the SOROS group explaining they wanted to help them end
146 systemic inequality in America! Really? Yeah! It's out now! It's out
147 there. It's what we've been saying right along — SOROS is funding
148 BLM. Soros is attempting to run a counter-revolution in America
149 — a revolution intended to overturn the revolution of 1776.

150 But it was eerie! I did not see the entire thing, but what I saw, a
151 voice interrupts Newt and says, "Soros does not need to be a topic
152 in this discussion." Then another party to the conversation says, I
153 agree—and the main host, Harris Faulkner, was obviously
154 surprised, and uncomfortable, and Newt was shocked — it was a
155 very weird moment on TV — later Faulkner expressed her

156 disapproval that Newt's voice was shut down like that — so, you
157 can't mention Soros — But, it got out! Soros owns BLM. And it
158 appears he owns at least some voices on FOX too.

159 BLM is now connected directly to the CCP — yep! Soros owns
160 them, and now they are connected with the CCP — you know, the
161 CHINA COMMUNIST PARTY? From Liberty Bell — We all know
162 the founders of the BLM are proud Marxists who have a lot in
163 common with Communists. So, really, this is not a surprise.

164 But BLM created another group called BFL — Black Futures Lab.
165 On the website of BFL you will find this statement: "Black Futures
166 Lab is a fiscally sponsored project of the Chinese Progressive
167 Association." So, what is the Chinese Progressive Association? It
168 was founded in San Francisco in 1972, during the Asian-American
169 Movement—a Marxist advocating movement in America. It
170 promotes the image and the interest of the PEOPLE'S REPUBLIC
171 OF CHINA. Its mission statement includes, promoting awareness
172 of mainland China's revolutionary thought and worker's rights,
173 and dedicated to ... COMMUNITY CONTROL." Hmmm. Doesn't
174 Feinstein have an office in San Fran?

175 The Chinese want Biden to win. The Chinese Communist Party
176 owns the Democrats. The DEM House wants to ban use of the
177 expression China-virus because it is discriminatory against
178 Asians—yeah; it's supposed to be anti-Asian. Uh, friend, the
179 communist party in China is ANTI-ASIAN. But, okay, let's call
180 COVID-19 the COMMUNIST VIRUS. Or the CCP-virus. And the
181 DEMOCRAT COMMUNIST-2020 campaign strategy.

182 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
183 at the Lighthouse, your brain masseur, and Paul Revere's lantern
184 lighter, lighting the lamps in the church belfry arch, signaling the
185 enemy is on the march, an enemy that would steal from us our
186 liberty.

187 I think I'll take a shot at Levin's question: "If a defeated Biden does
188 not concede and his party's rioters take to the streets in a coup
189 attempt against President Trump, will the military be needed to
190 stop them"?

191 Can the President federalize the national guard and deploy them
192 against a violent uprising within any state with or without the
193 State's express invitation to do so? The short answer is yes! In 1792,
194 Congress passed and the President signed into Law the Calling
195 Forth Act. That law allowed the President to federalize state
196 militias in time of insurrection or war. In 1807, the Calling Forth
197 Act was replaced with the Insurrection Act, which expanded the
198 President's powers allowing him to federalize state militias and
199 deploy regular military to suppress an insurrection. In 1861 under
200 Abraham Lincoln, this was expanded to include the power to do so
201 without the express invitation of the Governor of the State. So that
202 today, the president is empowered to federalize state-militias and
203 deploy regular military in certain specified circumstances.

204 Essentially, the political circumstances of the Civil War serve as the
205 backdrop to these powers. Abraham Lincoln used this authority to
206 put down the rebellion of the South—which, of course, meant
207 doing so without the consent of the leaders of those states that were
208 in rebellion. He also used this power to use the Seventh Cavalry to
209 enforce his emancipation decree in the South and protect Black
210 Americans from the KKK.

211 Abraham Lincoln's use of this power disturbed the quieted South
212 who protested the activity of the Seventh Cavalry so a compromise
213 was struck and the Posse Comitatus Acts of 1878 was passed. This
214 limited the use of military personnel under federal command for
215 law enforcement within the US. However, amendments to the
216 Insurrection Act were passed into law in 2006 and 2007 that
217 provided exceptions to the Posse Comitatus Act, and it is generally
218 believed that the Constitution provides powers to the President to

219 deploy the military to protect the Federal government, and now the
220 President of the US is empowered to deploy US military and
221 federalized National Guard troops within the US in the following
222 circumstances:

223 (1) the United States, or any of the Commonwealths or
224 possessions, is invaded or is in danger of invasion by a foreign
225 nation;

226 (2) there is a rebellion or danger of a rebellion against the authority
227 of the Government of the United States; or

228 (3) the President is unable with the regular forces to execute the
229 laws of the United States; the President may call into Federal
230 service members and units of the National Guard of any State in
231 such numbers as he considers necessary to repel the invasion,
232 suppress the rebellion, or execute those laws. Orders for these
233 purposes shall be issued through the governors of the States or, in
234 the case of the District of Columbia, through the commanding
235 general of the National Guard of the District of Columbia.

236 To invoke this power, the President must publish a proclamation
237 ordering the insurgents to disperse, he must declare his intention
238 to federalize the National Guard and or to send in regular troops to
239 the Governor of the State, and then proceed.

240 So, Levin knows his stuff, and understands that this is a possibility.
241 He does not ask whether or not the President can do this, but
242 whether it must be done in the scenario he presented.

243 To Levin's question, it is clear from the behavior of our BLUE
244 states in response to the current coup attempt against Trump and
245 his supporters, weaponizing the CHINA-VIRUS as an economic
246 attack on Trump and his supporters, wiping out the middle class,
247 the small business owner—this attack on the American dream by
248 the Democrats is devastating the blue states—so you can be sure
249 that they will not lift a finger to stop the "protestors" who rise up

250 against Trump and support a Biden effort to take the "kingdom by
251 force."

252 If Biden contests the election results I think we all expect the
253 SOROS—Obama/Hillary/Biden Communists will almost certainly
254 activate their BLM domestic terrorist riot squads and the BLUE
255 STATE democrats will assist them, they will aid and abet the
256 treasonous SWAMP one-worlders in their last ditch effort to
257 finally and fully remove America out from UNDER GOD and
258 bring America under the power of the CHINESE COMMUNISTS!

259 In fact, the DEMONCRATS have made certain that we hear their
260 threat—repeatedly, and in many different ways—the left has
261 warned us of their intentions. Hillary has "ordered" Biden not to
262 concede in any case! Biden has warned that the violence will not
263 stop unless he wins. The Mayors and Governors of the BLUE
264 Biden States have made it abundantly clear they will not intervene
265 against the violence, but will aid and abet it. It is TREASON! Pure
266 and simple.

267 So, yes, I think if Trump wins and Biden refuses to concede, there
268 will be an open insurrection in the BLUE states and Trump will
269 have to federalize the National Guard and perhaps even deploy the
270 regular troops to stop it.

271 But the question is how will the States and the military respond if
272 this happens? The National Guard, you know — might do what
273 was done in the SOUTH and defy the Federal Government and
274 either refuse deployment, or actually turn on the Federal troops.

275 Whether the States will actually declare war against the Federal
276 government seems less likely. But there might be a refusal on the
277 part of the Guard to act without the express favor of the
278 Governors. So, how will the Guard respond in those states where
279 dictator Democrats hold the Governor's office? If the President
280 Federalizes the National Guard, which he can do in a time of

281 insurrection, will the various State's guards fall in under his
282 command or join their governors in TREASON?

283 Or, even more dramatic, will these BLUE states rebel—as the
284 DEMONCRATS of the SOUTH did before?

285 Not only is there a question about how the National Guard might
286 respond, there is a question about how the Pentagon will respond.
287 It's not a secret that many Obama appointed Generals in the
288 Pentagon are parties to the conspiracy to drive Trump from office
289 because he does not play along with their ONE WORLD PLAY-
290 BOOK.

291 Look, Obama put in a pack of America hating generals into
292 position to bring the military under his command. Remember
293 that? He purged 197 officers in five years and replaced them with
294 Obama-bots. I wonder how many of these Soros directed Obama
295 to place. Soros strategically placed DAs to block justice in liberal
296 American counties, and I wonder how much he influenced
297 Obama's general picks. Obama got to where he was referring to
298 America's military as "My military." I kid you not! He conducted a
299 coup on the military—replacing all who disagreed with his policies.
300 For example, because General Ham disagreed with Obama's
301 decision NOT TO MOUNT A RESCUE MISSION to BENGHAZI
302 on September 11, 2012, Obama fired him and replaced him with
303 someone more comfortable with BETRAYAL of AMERICANS. He
304 is not the only 9-11-2012 casualty. Admiral Gaouette commanded
305 the Stennis Carrier Strike Group — he got fired in October of 2012
306 because he sent his group to "assist and provide intelligence for"
307 military forces ordered into action to respond to calls for help from
308 Benghazi by General Ham.

309 That's the sort of guy Obama is. If a general responds to Americans
310 call for help when under attack by terrorists, Obama fires them.
311 Obama wanted an Obama-bot overseeing the 450 ballistic missiles
312 of the 20th Air Force so he fired Maj. General Carey and replaced

313 him with an Obama-ring kisser. The total was 197 officers relieved
314 by Obama and replaced with Obama-ring kissers. Often, no reason
315 was given for these replacements. All these were put into position
316 and the military under Obama weakened so Hillary could come
317 behind him and finish the job of delivering America over to
318 CHINA's COMMUNIST PARTY.

319 Here is how to pray about this. First, pray the election will be
320 honest, fair and free! Pray the Democrat dictators in the BLUE
321 states will be stopped from using their manufactured CCP-Virus
322 campaign strategy to keep voters from going to the polls and justify
323 their evil plan to send out ballots to everyone indiscriminately —
324 pray God will intervene to thwart their plan to steal the election by
325 voter fraud — whether by stacking the ballot box with fake ballots
326 completed by hundreds and even thousands of teachers — printed
327 by China, or North Korea, or Iran — no kidding! Watch for this.

328 Second, pray the power of darkness to keep the truth from voters
329 will be broken, the devils of darkness operating in the Social Media
330 circles will be stopped from keeping the LIGHT OF TRUTH from
331 the AMERICAN PEOPLE.

332 Third, that GOD will miraculously stir in the hearts of all
333 Americans voting to realize what the stakes are, and to turn their
334 hearts to vote for the principles of liberty and freedom that have
335 made America great—and against the communist takeover attempt
336 by the LEFT.

337 Finally, pray Trump wins—and Biden loses, and more, that every
338 liberal communist sympathizing socialist Representative, or
339 Senator, or Governor or Mayor up for election loses—that GOD
340 will uproot these evil fruit bearing trees and cast them out of office.
341 That God will have PITY and free us from these oppressors.

342 This is far from over, my friend. What is needed is a blowout
343 election where Trump wins so decidedly there is no room for the

344 Democrats to contest the results. But you and I know that even if it
345 is a blowout win—the DEMONCRATS will test the direction of the
346 wind—if they think they can rally their side to a coup, they will! If
347 the will to rise up and launch a coup dissipates, they'll hunker
348 down in positions of resistance for the next four years—with
349 outbreaks from time to time. But if the American citizens get so
350 sick and tired of this that they en-masse rise up against these BLUE
351 STATE dictators and throw them out on their ear — we have a
352 chance.

353 I really wanted to talk about the Constitution Day activities and
354 Barr's, Pence's and Trump's speeches? So, maybe I can do that
355 during one of our VISITS next week.

356 I have lit the lamps in the Church belfry arch and now you let me
357 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
358 ON and you will ride like Revere and spread the warning,
359 (essentially, it means you agree with what I'm saying) or you say
360 LIGHTS OFF -- which means you reject what I'm saying and
361 disagree strongly with me. So, what will it be today, lights on, or
362 lights off?
