6 exhortation to STAND as we stand together with other California
7 pastors for the INALIENABLE RIGHT to Peaceful ASSEMBLY in
8 OBEDIENCE to our only rightful POTENTATE—KING JESUS!
9 That's Friday, October 9, at 9 AM on the steps of the Capitol in CA.
10 Pastor Burkholder, leading this event, with Pastor Rodgers who is
11 director of California Capitol Connection, is BRINGING
12 CHURCH TO THE CAPITOL. Newsome and company are
13 attempting to shut down the churches—but they are okay with
14 protests—so these brave pastors have decided in protest to TAKE
15 CHURCH TO THE CAPITOL. Come join us at FREEDOM TO
16 ASSEMBLE CALIFORNIA — October 9, from 9-11 at the CA
17 STATE CAPITOL.

18 What is on the menu for today?

19 Trotsky-Joes and the mask Nazi doubledown. There is something
20 very weird going on with the mask thing!

21 DEMS support the riots — Ooh! That had to hurt. Truck runs
22 down a protestor. BARR announces NY, Portland, and Seattle are
23 Anarchy Zones. Trotskyites beware—the Barr bear is rising!

24 Jordan Cunningham—and that lib chic running against him here
25 on the Central Coast: it's a Central Coast Values race! Hehe.

26 DEMS make course adjustment on mail-in ballot strategy.

27 SCOTUS Pick Update: Most believe it's down to a choice between
28 Barrett and Lagoa? Trump might surprise us! Will he pull a
29 *Kavanaugh*!

30 Hey, good news for the DEMS: Trump finally agrees to concede the
31 election. (Haha)

32 Some fears the RINOs will betray us—AGAIN!

33 TRUMP WAS RIGHT — Obama administration insider admits in
34 newly released text messages.

35 Hunter Biden report raises eyebrows: will be sent to DOJ for
36 criminal referral. 31.7

37 Rush is right—Biden will do all he can to dodge debate.

38 The nature of EVIL—. I've got a surprise for you! Wait for it!!!

39 We'll begin with the attack of the Trotskyites

40 [TRUTH]

41 My Dove—a term of endearment I use for my wife—is a culture
42 war hawk. Haha. We have been shopping regularly at Trader Joe's
43 for decades—I think we discovered the quaint but cool tropical
44 themed store back in about mid to late 70s. We drove into AG to
45 walk the aisle and fill our cart with goodies until they opened one
46 here in Santa Maria off Bradley at Stowell. The Dove went to shop
47 there a few days ago, and dutifully took her place in the line with
48 everyone spaced out 6 feet apart. She had her mask ready! She
49 knows the rules—wear a mask when you can't social distance—or
50 when you enter a commercial or public building.

51 Ere long, out came a Trader Joes employee whose task it is to
52 inspect the line. It's necessary to enforce the social distancing rule,
53 you know. He ordered a few in line to put on their mask. Hmmm!

54 That's odd! We are OUTSIDE, and SIX FEET APART—Becky
55 thought.

56 When he came to Mrs. Scheidbach, he ordered her to put on her
57 mask. She refused: I'm outside, and social distancing, I'll put the
58 mask on when I enter your store.

59 But the rules for mask wearing keep changing—and the changes
60 are consistently in the direction of greater and greater
61 restrictions—ever tightening the squeeze. (They want you to FEEL
62 their power to control you!) Up until recently, CDC said wear a
63 mask when you can't social distance. Now they CDC website says,
64 "CDC recommends that people wear masks in public settings and
65 when around people who don't live in your household,
66 ESPECIALLY WHEN OTHER SOCIAL DISTANCING
67 MEASURES ARE DIFFICULT TO MAINTAIN." So, what does
68 that mean?

69 First, it's a RECOMMENDATION, because, of course, the CDC
70 can't DEMAND or REQUIRE any such thing. Second, if I am to
71 wear a mask in public, but ESPECIALLY so when SOCIAL
72 DISTANCING is difficult—then, if SOCIAL DISTANCING is
73 reasonably easy to maintain, then, in that case, I do not need to be
74 ESPECIALLY CONCERNED ABOUT IT?

75 Nevertheless, we certainly believe in private property and respect
76 the right of proprietors to "refuse service to anyone" so if a
77 storeowner wants go all mask Nazi—well, okay! So, the Trader Joes
78 line patrol employee says, "well, I guess you can talk to the
79 manager." And Mr. Scheidbach said, sure! So, the Trader Joes
80 manager comes out and instructs Mrs. Scheidbach to put on her
81 mask. Becky explained to the manager of Trader Joes in Santa
82 Maria that she was social distancing, and OUTSIDE and had
83 difficulty breathing through the masks, and that she would put it
84 on before she entered the store.

85 Now, here is where the manager should have paid closer attention.
86 You see, CDC recommendations include an exception for people
87 who have trouble breathing. Some people have issues in masks—

88 they get faint is they have to wear them for a long time. My wife is
89 one of those people.

90 The manager said, "well, I guess you can shop ELSEWHERE." Mrs.
91 Scheidbach said, "That I can do!" So—Trader Joes is off the
92 shopping list for the Scheidbach household. After I heard the story,
93 I remembered the many conversations I had with Russian believers
94 after the fall of the Berlin wall—this is how they lived every day.
95 Communist party neighborhood spies would police their
96 communities. Walking lines to make certain everyone was IN
97 COMPLIANCE. The self appointed and government encouraged
98 Communist Compliance Constabularies — spying on their
99 neighbors and sometimes policing them. So I called Trader Joes,
100 Trotsky Joes — in honor of his efforts to impose conformity on
101 Russians—everyone dress the same, talk the same—Trotsky Joes —
102 be careful what you say, be careful what you wear, a Trotskyite will
103 report you and you'll be disappeared. Oh, wait, that's a China thing.
104 Well, Communism you know, same thing! In fact, I think China
105 learned it from Lenin.

106 The Democrat party is divided between the Alinskyites and the
107 Trotskyites.

108 Trotskyism as a political/economic philosophy named after Lev
109 Davidovich Bronstein, aka, Leon Trotsky. His given name betrayed
110 his Jewish ancestry and that made some Bolsheviks uncomfortable.
111 Yeah, Trotsky, another Jew that embraced a social movement that
112 hates Jews. Trotsky was a Communist/Socialist leader of the
113 Bolshevik Revolution. His brand of revolution included elements
114 of anarchy: the use of violence to advance Socialism. So, hmmm?
115 Maybe Trotsky Joes is not quite right—anarchy is supposed to be a
116 movement against law or rules—whereas Nazism is all about
117 conformity to the imposed rules from heir Hitler—der Fuhrer—
118 you know, the Pope, Newsome—you know, divine right of kings
119 and all of that.

120 So, Nazi Joe — well, an American soldier is called G.I. Joe and the
121 Germans were called Jerrys (now, that's a weird one. Developed in
122 WWI—most think it was a sort of patronym from the national
123 name German—a "gerry." Some think it was taken from the helmet
124 the Germans wore, because it resembled a chamber pot, called a
125 Jeroboam. Now, that's weird! But I can't go on with this). So,
126 Trader Joes is an American store, okay, so, American Nazis —
127 yeah, that works.

128 But the fact is, although Trotsky advocated for promoting his
129 socialist agenda through violent overthrow of the existing order—
130 the aim was to replace it with a new ORDER with all sorts of
131 ORDERS — and Trotskyites were well known for ORDERING
132 PEOPLE AROUND—subordinating the individual to the
133 COLLECTIVE — and so — TROTSKY JOES.

134 Now, I tell you this little story because this mask thing is getting
135 out of control—and it's all about control. Fauci never has told us
136 what he learned about masks that he did not know before. He told
137 us Americans don't need to go around wearing masks, and he told
138 us masks are "mostly symbolic," and admitted that essentially they
139 serve to remind you there is a pandemic, and admitted the efficacy
140 of the masks CDC is recommending is questionable, that for all
141 their talk about masks effectively blocking "particles" in EVERY
142 SCIENTIFIC study I've read the surgical masks are ineffective
143 against nano-particles. FRIEND, THE CLOTH COVERING
144 RECOMMENDED BY CDC WILL NOT PROTECT YOU FROM
145 TRANSMITTING OR CONTRACTING COVID-19. Anyone who
146 tells you otherwise is a LIAR or a Troglodyte.

147 I can't take the time now to repeat all the research I've already done
148 debunking the efficacy of masks to protect you from something
149 that is so small it moves through a cloth mask like a grain of sand
150 through a chain link fence—nor do I have time at present to
151 discuss ongoing struggle in the "underground health workers

152 rebellion" against the LIES being used to push us toward a
153 communist/socialist state where Governors can declare a crises and
154 then usurp your inalienable rights—or how the MASK IS
155 SYMBOLIC OF OPPRESSION. But hey, here is where this is going.
156 In Idaho, three citizens were arrested because they refused to put
157 on a mask when outside. Here is story about a mother who refused
158 to put on a mask, and when she resisted being arrested she was
159 tased.

160 So now they are tasing people, and arresting people, and
161 storeowners, at least Trader Joes in Santa Maria, are telling you to
162 SHOP ELSEWHERE.

163 Friend, someone needs to stand up to these mask Nazis! And I
164 think it would be unfair to suggest all Trader Joes are Trotskyites
165 — but the manager in the Santa Maria store certainly is.

166 Okay, my friend. Hold on through the break. I'll be right back.

167 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
168 at the Lighthouse, your brain masseur, and Paul Revere's lantern
169 lighter, lighting the lamps in the church belfry arch, signaling the
170 enemy is on the march, an enemy that would steal from us our
171 liberty.

172 Andy Caldwell for Congress—he has the much-coveted
173 endorsement of the Brain Masseur! Hehe. But really! Andy
174 Caldwell is a good man, a sold conservative; I believe we can trust
175 him to represent us faithfully in the Congress and support Trump
176 in making America great again!

177 And Jordan Cunningham! He has my vote! Did you hear the ad
178 that lib chic is running against him? She represents herself as a true
179 liberal, and Cunningham as, well, not! After describing herself as
180 being pro-abortion, and anti-business, and explaining that
181 Cunningham is pro-life and pro-business—she says, in her drippy
182 sort of liberal condescending tone, that "this does not make Jordan

183 Cunningham a bad person. It only means that Jordan Cunningham
184 does not represent our Central Coast Values. So, she wrote the
185 book on Central Coast Values? She is the arbiter of Central Coast
186 Values. If you want to know what Central Coast Values are, you
187 will to ask her—because apparently, she is the embodiment of
188 those values. This is so typical of liberals. Arrogant! What an
189 arrogant presumption! There are a great many conservatives on the
190 Central Coast—I'm among them! How dare she suggest that my
191 moral values are outside of what she calls "Central Coast Values."

192 I'm so sick of these people, and their arrogant presumption that
193 they are the measure of goodness—promoting the murder of
194 infants in the womb is not a VALUE of the Central Coast. It's
195 something Liberals embrace and conservatives reject. Both liberals
196 and conservatives live on the Central Coast.

197 Liberals think the world is defined by their opinions and those of
198 their friends. What makes her think she gets to decide what are
199 CENTRAL COAST VALUES? Here is the thing. I want the values
200 of a Jordan Cunningham representing us, not hers.

201 DEMS make course adjustment on mail in ballot thingy. Why? All
202 along the Dems have been driving hard on the mail in ballot
203 scheme—I mean, it was a major part of their campaign strategy. I
204 have prayed about this fervently, and so have many of you! I've
205 been praying God will reveal any effort to steal this election by
206 voter fraud. Right after we started praying, one story after another
207 popped up exposing the vulnerability of mail in ballots to fraud. I
208 mean Democrats are going to jail over this. I've also been praying
209 Trump's team will tool up in preparation for this and of course,
210 Trump is smart and he could see this coming and I learned
211 recently that he has taken steps to prepare.

212 Trump and the Democrats know this election is very likely going to
213 end up in the Court and his team is ready to challenge the election
214 in court if the Dems go forward with their mail-in ballot scheme.

215 But the Left knew that anyway. I mean it's not news to them that
216 Trump was preparing to litigate—in fact that was the plan! The
217 Dems wanted to foul the ballot in order to push the election into
218 court. If they could stack the ballots sufficiently to win in the
219 Electoral College, Trump would litigate—. And if they lost in spite
220 of their fraud attempts—using all those government paid teachers
221 working hard to fill in ballots shipped in from China, and Russia —
222 haha! Uh, LOL (Hey, Russia hates Trump and loves the
223 Democrats—don't be fooled!) Anyway, if the Dem's efforts to pack
224 the ballots did not work, they could use the questions raised about
225 the ballots as a pretext to get the election into the courts.

226 So, either way, the Dems strategy included a plan to throw the
227 election into the hands of the courts and ultimately the Supreme
228 Court — but, you see, that's back when they had the court in their
229 power. Now, not so much! Now it's almost a certainty that the
230 Court is going to be conservative, which means it will rule
231 HONESTLY, according to LAW and not according to POLITICAL
232 CORRECTNESS. So, that takes us to the SCOTUS pick update.

233 Barrett or Lagoa? It appears it comes down to these two. Why? Has
234 there been a leak? Did Trump even say these two were on his short
235 list? Actually, no! We will find out Saturday who he picked. Trump
236 has finally figured out who he can trust in the WH—another
237 something I've been praying fervently about. So it's 100%
238 speculation—but it seems to me well founded, except, I think the
239 Left is pushing for Lagoa and the lesser of two conservatives.
240 (Which, of course, the left equates with evil. — and I'm looking at
241 my time and, yeah, probably not going to get to that.)

242 The LEFT is targeting Amy Coney Barrett. They are saying nothing
243 about Lagoa.

244 Lagoa was confirmed to the 11th circuit by 80% of the Senate—that
245 means a whole lot of DEMS were happy to confirm her. Feinstein
246 gladly endorsed her confirmation. By contrast, Amy Coney Barrett

247 was confirmed to the 7th circuit by a vote of 55-43, which is a
248 virtual party line vote. Only 3 Dems voted for her. But Lagoa's
249 appointment to the 11th circuit court received the support of all
250 the Republicans, 26 Dems, and the liberal Independent.

251 Of course, this does not mean Lagoa is liberal—it just means she
252 has a lot of liberal support. Like John Roberts—who was appointed
253 to the Court by a vote of 78-22. Very interestink!

254 Many would think Lagoa's ability to garner liberal support would
255 be a good thing — in another world! But not in this one! Liberals
256 are Communists today! That party is gone! It's sad, but it's true that
257 Democrats don't vote for conservatives on the court unless they
258 smell some liberal sympathies in them—like Roberts.

259 Notice that right now all Left media is saying Lagoa would be a
260 tough customer for the Democrats to attack, hard to attack a
261 Latina, etc. (These people are liars. Don't believe a word of this.)
262 Barrett, on the other hand, is getting all the attention from the
263 LEFT. We are being told she is a member of some Christian cult—
264 that she is the inspiration for a book titled A Handmaiden's Tale—
265 and, what's that about? —

266 Well, here is a synopsis: "A religion-based autocracy has taken over
267 most of the United States, renaming the country Gilead." Where
268 "women are second-class citizens."— by Grantss

269 Kenneth Chisholm says The Handmaid's Tale is "set in a dystopian
270 future, a woman is forced to live as a concubine under a
271 FUNDAMENTALIST THEOCRATIC DICTATORSHIP."

272 The left is already prepping for their attack—a warning to Trump
273 and to Barrett of what they'll get? While at the same time sending
274 the message, "oh, but Lagoa, now, she will be a tough customer for
275 us to handle." What bunch of Jeroboam bucket stuff! Barrett is a
276 WOMAN and that's supposed to be sacrosanct among Liberals,
277 right? Clarence Thomas is Black—remember what they did to him?

278 It's not about color or gender—it's about one thing! POWER TO
279 ADVANCE THEIR AGENDA TO FUNDAMENTALLY
280 TRANSFORM AMERICA INTO A VENEZUELA — TO
281 SURRENDER AMERICA TO CHINA — TO FOLD THE US
282 INTO A ONE WORLD ORDER UNDER THE POWER OF THE
283 MAN IN THE SHADOWS THAT CONTROLS SOROS.

284 All right! I need to move toward a wrap! So much to talk about, so
285 little time. Trump finally agrees to concede the election. (Haha)
286 Headlines soon to follow: Trump Agrees to Concede the Election.
287 Media response to Trump's refusal to make a promise to concede—
288 "win, lose, or draw." Yeah! Try Googling that one, by the way. Here
289 is a chance to find out just how wicked this whole thing. Try to
290 Google "win, lose, or draw question by Playboy to Trump." Articles
291 that avoid quoting the question, articles about Trump and earlier
292 Playboy interviews — Trump bashing 101!

293 So, use an alternate browser and here is what you get: KAREM:
294 "Mr. President, real quickly. Win, lose or draw in this election. Will
295 you commit here today for a peaceful transfer of power after the
296 election? There has been rioting in Louisville, there's been rioting
297 in many cities across this country, your so-called red and blue
298 states."¹

299 So Trump explains that it depends on what happens. And the
300 media go apoplectic. Well, what do you expect.

301 I'm glad Karem brought up the riots. Who are creating the unrest
302 in the streets? Are those Trump supporters? No! That's the Kamela
303 cohort! They are the Trotskyites—the militant arm of the Cohort
304 committed to overturn America, and subject America to China.
305 China money behind the riots, make no mistake. A founder of
306 BLM receiving money from the CHINESE COMMUNIST

¹ <https://www.msn.com/en-us/news/politics/donald-trump-gave-an-answer-to-playboy-s-brian-karem-triggered-new-fears-of-an-election-crisis-nobody-was-more-surprised-than-me/ar-BB19oV2m>

307 PARTY—yep! We know that's going down! So, Mr. Karem, I have
308 a question for you? Why aren't you asking BLM if there will be a
309 peaceful transfer of power, "win, lose, or draw"?

310 Why aren't you asking Biden? Why are you only asking Trump?
311 Why do you think it's okay for Gore to "challenge" the results of an
312 election, but not Trump. Was Gore willing to accept a peaceful
313 transfer of power? How about Hillary and Obama. Obama
314 launched an all out attack on Trump, and created the MOST
315 DISRUPTIVE TRANSFER OF POWER IN THE HISTORY OF
316 AMERICA. The DEMONCRATS in the CONGRESS have
317 contributed to what has been the most disruptive, contentious,
318 transfer of power ever in the history of the United States.

319 If there is ANY QUESTION about whether there will be a peaceful
320 transfer of power — it can only be answered by the Democrats.

321 They are the ones advocating for a corruption of the ballot system,
322 they are the ones making threats of impeachment "every day" —
323 they are the one's that bought a salacious and fraudulent dossier
324 they used to illegally obtain warrants to spy on a citizen and a
325 candidate for political office—THE DEMOCRATS ARE THE
326 ONES GUILTY OF REFUSING TO ACCEPT THE OUTCOME
327 OF AN ELECTION AND OF CREATING UNREST AND
328 HAVOC IN THE WAKE OF AN ELECTION THEY REFUSE TO
329 ACCEPT.

330 I'm getting sick of this question! I am disgusted with those who
331 insist on repeating it over and over.

332 How about you?

333 I have lit the lamps in the Church belfry arch and now you let me
334 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
335 ON and you will ride like Revere and spread the warning,
336 (essentially, it means you agree with what I'm saying) or you say
337 LIGHTS OFF -- which means you reject what I'm saying and

338 disagree strongly with me. So, what will it be today, lights on, or
339 lights off?
