19 Trump tested positive for the China Virus. In my opening I said
20 reaction from the Left deepens the conviction of all reasonable
21 people that we must not throw ourselves into the hands of these
22 evil people.² But I must *mitigate* that a bit. Some lefties are being
23 nice—Biden offers his thoughts and prayers.

24 A Trump personal Aide tested positive, and right away, Trump and
25 Melania were tested — Trump did an interview with Hannity while
26 waiting for results, it was interesting to get his take on the debate.
27 More on that in a bit! The test came back positive for China
28 Virus—which means Trump and Melania have the antibodies
29 indicating the presence of this virus. His Aide, Hope Hicks, took
30 wearing the mask seriously and was careful about that. But she
31 came up with the virus and it's assumed the President and First
32 Lady contracted it from her. Either that, or they all got it from the
33 same source.

34 President is fit; obviously he is healthy considering the energy he
35 demonstrates — but, of course, he is 74 and so in the higher-risk
36 category — but you pray for him and Melania and Hope Hicks,
37 and everyone else battling this virus. Having said that, let's look at
38 the implications of this politically.

39 Haha! How many of you, your first thought when you heard this
40 was they got to him? Someone pulled an Alexei Navalny? Alexei
41 Navalny was leading opposition to Putin. On a flight from Siberia
42 to Moscow, after a cup of chai (tea), he became violently ill.³ Later
43 it was proved he was poisoned. And you know what they say about
44 Russian political ruthlessness? You don't know what they say?
45 Well, it's said that Putin's well of ruthlessness runs deep — and
46 allegations of Putin's political enemies ending up dead by poison
47 are not new. First, Putin attacks with thugs and bullies together
48 with the apparatus of the State—harassment, assaults, false arrests,
49 interrogations, jailings, and earlier attempts to poison him.⁴ From
50 the Business Daily, "High-profile critics and rivals of Putin have a
51 tendency to die." Sort of like those of Reshet Clinton—sometimes
52 allusions are purposely oblique. Putin did not like Mikhail Lesin,
53 either, and he ended up dead from blunt-force trauma to the

⁴ Ibid.

54 cranium while alone in locked hotel room in D.C. He was
55 supposed to meet with the FBI. A journalist, Anna Politkovskaya
56 shot by Chechens in 06, in 10, Boris Nemtsov shot outside the
57 Kremlin, also by Chechens. But poison is a favorite. A real throw
58 back. Defector Alexander Litvinenko died after drinking a cup of
59 tea laced with radioactive material during a meeting with Russian
60 officials. Brittain believes it was a Russian (can anyone spell Putin)
61 operation. Sergei Skripal, another defector and his daughter, both
62 exposed to a deadly nerve agent in 18. The bottle believed to have
63 contained the agent was traced to Russian military intelligence
64 officers who entered the UK with false passports. Emilian Gebrev,
65 Viktor Yushchenko, and, well, you begin to get the idea. All of
66 these were on Putin's list of people not invited to his parties—
67 except, perhaps, to drink carefully prepared chai—tea! Anyway,
68 this Business Insider article, referenced here, offers some
69 interesting analysis and you should read it.

70 Never believed, for one moment, that the Clinton-Putin love affair
71 was ever ended. Understand, family, we are up against a huge and
72 powerful international cabal — I realize how that sounds to some
73 of you. But you have listened to me, some of you, for 15 plus years,
74 and you know that my instincts about this sort of thing are right
75 on. I don't know if Clinton-Putin-Xi-Soros unofficial cabal
76 manipulated access to the President to give him the CHINA
77 Virus—but, it would not have required anything so sinister.

78 We know the virus is out there, and that it is contagious, and that,
79 as Trump said, "it's hard to tell everybody to stay away," he told
80 Hannity, "it's hard to say stay back, stay back, when people want to
81 come up to you, they want to get close, they want to hug you and
82 kiss you," Trump said, they want to show their appreciation for all
83 we have done for them, and you can't just say, "stay away, stay
84 away." You have to be nice and open to people! So, as far as Trump
85 is concerned, it was just one of those things and the President and

86 First Lady, like the rest of us, are susceptible to getting sick—the
87 MSM have made this disease out to be Godzilla and that's about
88 what it is—a media created monster. 98% survival rate! We have
89 made major strides in therapeutics and a vaccine is forthcoming.
90 The death count has been manipulated—that we know to be a fact.
91 How much is uncertain! It was carefully contrived to be uncertain.
92 We know, from CDC, that the death count of those who died
93 specifically, and exclusively from the China Virus is closer to 7000.
94 Trump and Pence should never have allowed Fauci and Birx to
95 trick them into going for the change in policy for counting deaths
96 by a virus. But that will have to be sorted out later.

97 Right now we have an election to WIN! So that takes us to the
98 political side of this latest development. Man! When you think
99 2020 has gotten as weird as it can get—it gets weirder.

100 Of course, the left, CNN, especially, see it as hopeful for the future
101 of America. CNN Obama hack Sam Vinograd (a faithful
102 comrade—probably a Russian plant—haha!) jumped on this news
103 right away. Sam said this "could be the most dangerous moment
104 that the U.S. government has ever faced." Hah! Talks like a
105 foreigner about the U.S., huh?

106 Now, I had just turned 12 years old when JFK was shot—I think
107 that was a much larger scale "danger" to the U.S. than our current
108 President testing positive with a virus. I'm not saying I am not
109 concerned about Trump's health—I've been praying much about
110 that for some time now. The loonies on the Left have all but called
111 for him to be assassinated—I have never in my only somewhat less
112 than prodigious lifespan EVER seen so much hatred and so many
113 veiled calls for someone to kill this President. I'm telling you, these
114 people want Trump dead! They are trying to be restrained—but
115 make no mistake about this! Crazy people out there, like Squeaky
116 Fromm, and Hinckley (who used explosive rounds—yeah, weirder
117 and weirder—the bullets were called Devastators, they explode on

118 impact—the one that hit Reagan lodged in his lung, but it did not
119 explode—from an article appearing in the NY Times at the time,
120 "Doctors who removed the bullet from the President's lung did not
121 know at the time that it could explode at any second, officials
122 said."⁵ Interesting!) I mean there are crazy people out there who
123 can be triggered by this much open hatred for a high profile
124 personality—so, Trump tests positive for China Virus and Xi is
125 smiling. Trump has the antibodies — in all likelihood all we have
126 here is Trump and the First Lady have been inoculated — LORD
127 — make it so! But comrade Vinograd is milking it: this could "be
128 the most dangerous moment that the U.S. government has ever
129 faced." How does this compare to 9-11? How does this compare to
130 WWI or WWII? Pearl Harbor? How does this compare to the
131 national and Constitutional crisis called the Civil War?

132 When someone overstates something in this obvious way, you
133 should back up and look more closely. Here is another headline:
134 "Trump Isn't Incapacitated Now, But Who Knows? Maybe Later!"
135 Don Lemon! Yikes! The darkness is strong in that one! "Could
136 Obese Trump Suffer More From COVID?" Another Lemon!

137 And of course, that Trump got COVID is his own fault because he
138 downplayed masks—and ignored the "science." Everyone who has
139 followed Trump's response to this knows that is a lie. If anything,
140 Trump only made the mistake of giving too much to Fauci and
141 Birx in the earlier stages of this mess. I would be the last to take
142 anything away from his herculean efforts to address this
143 pandemic—it is truly stunning how aggressively he acted on the
144 "science" he was led to believe—but these people have an agenda
145 and it is not served by listening to a wide range of voices on this
146 subject—Fauci has a vested personal interest in this whole mess, on

⁵ <https://www.nytimes.com/1981/04/03/us/explosive-bullet-struck-reagan-fbi-discovers.html>

147 multiple levels, not sure what Birx is about—they convinced
148 themselves that wearing the mask actually protects from
149 contraction and transmission when EVERY RELIABLE STUDY
150 BEFORE ABOUT MARCH OF 2020—and including those that
151 spoke favorably of the efficacy of masks after March of 2020 has
152 concluded a cloth mask WORTHLESS for stopping a virus the size
153 of SARS-CoV-2, the N95 ONLY WORKS IF USED CORRECTLY
154 and everyone admits, virtually NO ONE DOES. Friend, Hope
155 Hicks did not contract this virus because she failed to wear a
156 mask—Fauci admitted it's mostly symbolic, and the CDC admitted
157 the importance of the mask is that it REMINDS PEOPLE THERE
158 IS A PANDEMIC going on and so motivates them to be careful—
159 to do the other things that ACTUALLY DO MAKE A
160 DIFFERENCE. So, you know how it is with these lefties—social
161 engineering, social control, it's the communist thing, you know the
162 thing!

163 And you knew this was coming: CNN Kaitlan Collins speculates
164 the Barrett confirmation hearings will be stalled by this—
165 Hindering confirmation. So, do you begin to feel the conspiracy
166 muscles flexing? They are looking at pictures to see if they can
167 connect Barrett to this and compel her to quarantine. Putting off
168 her confirmation for at least another 14 days. What will they come
169 up with next?

170 Don Lemon and Leonard Bernsetien discuss how this will hurt
171 Republicans in November—they HOPE!

172 Bernstein: “And that also has to do with the Republicans in
173 general, especially in the Senate races but also Republican Party on
174 Capitol Hill which has [been] following this President's steps in its
175 denial and his denial of this being a situation of national
176 emergency that needs to be dealt with – with the severity and
177 urgency that is required. This is not going to help Republicans. I

178 think we can safely assume this[.]”⁶ Trump ignoring the
179 seriousness of this? God, JUDGE, step in and JUDGE this
180 situation! Trump is not the one who took it so unseriously that he
181 sent those most vulnerable to this virus into nursing homes
182 unequipped to help them which resulted, directly resulted in
183 THOUSANDS OF ELDERLY DYING and adding insult to this
184 offense they had to DIE ALONE, without their FAMILY! People in
185 Michagan are so angry about this they are gathering on the
186 Governor's lawn demanding Whitmere release the TRUTH about
187 the thousands she sent to their deaths in her state—Newsome
188 should be sent a picture and name of each elderly person he is
189 responsible for KILLING with this VIRUS — Trump did not take it
190 seriously? What? He set up hospitals and sent Navy ships
191 converted to provide hospital beds for those sick in New York and
192 that evil beast of a governor snubbed his nose at him and refused to
193 accept the help—so PEOPLE DIED BECAUSE OF LIBERAL
194 PRIDE.

195 What? And don't even get me started on the BLUE STATE
196 DEVILS THAT SAT ON THEIR HANDS WHILE RADICAL BLM
197 AND ANTIFA THUGS DESTROYED BUSINESSES AND
198 MURDERED INNOCENTS AND REFUSED TO ACCEPT
199 TRUMP'S REPEATED OFFERS TO HELP — why? They are too
200 proud to admit they needed his help—THOUSANDS HAVE DIED
201 BECAUSE OF DEMONCRAT PRIDE.

202 Oh, here you go, leave it to Lemons — Don Lemon expresses hope
203 this will stop the reopening of our economy and continue the shut
204 down of the schools. Lemon asks Dr. Gupta if he sees this as a
205 "reckoning" — he means is it vindication against Trump for his
206 misdeeds??? But Lemon thinks of it in more practical terms — he
207 sees it as an OPPORTUNITY for the President to "correct course":

6 <https://www.newsbusters.org/blogs/nb/curtis-houck/2020/10/02/evil-here-were-cnns-worst-moments-immediately-after-trumps-covid>

208 to stop encouraging states to reopen the economy and schools. I
209 don't know, maybe Obama and Biden would take their own
210 personal lives so seriously as to make everyone else in the entire
211 nation miserable because they got sick—wow! I feel badly for this
212 guy's wife, assuming he has one. By the way, I know that's not what
213 he is saying, but that IS WHAT HE IS SAYING if you know what I
214 mean? Friend, Trump getting Covid does not make CHILDREN
215 MORE VULNERABLE to COVID, or justify CONTINUING THE
216 DEVASTATION OF AMERICAN FAMILY BUSINESSES THAT
217 ARE STRUGGLING TO SURVIVE, NOT TO MENTION THE
218 PEOPLE KILLING THEMSELVES FROM DEPRESSION, AND
219 EVERYONE LIVING IN DEPRESSION AND MISERY. What is
220 wrong with these people? Have they no conscience?

221 It changes virtually nothing except Trump won't be out there
222 rallying his base—so, we need to step in! You need to think of
223 every way you can to RALLY Trump voters and STAND UP FOR
224 HIM. I never do yard signs; that just changed. Babe, order four
225 TRUMP signs. Another donation, now, two more significant
226 donations — let's GO! The best way to encourage Trump and
227 Melania is to KEEP THE WAVE BUILDING!

228 And nothing is more important right now than to PRAY!

229 I'll be right back!

230 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
231 at the Lighthouse, your brain masseur, and Paul Revere's lantern
232 lighter, lighting the lamps in the church belfry arch, signaling the
233 enemy is on the march, an enemy that would steal from us our
234 liberty.

235 Okay, I want to weigh in on the Debate Debacle—one problem
236 with a weekend show is that when news breaks on a Tuesday, I
237 don't get to respond until Friday. But sometimes that's also an

238 advantage. This time, the ad is in. (For all you Tennis players out
239 there.)

240 I must say, though, that I really want to dig in to the latest
241 revelations regarding spy-gate! Evidence Hillary approved the ruse,
242 evidence Obama, Biden, Comey not only knew about it, but were
243 up to their necks in it from the beginning. I'm sure you've heard
244 about the revelations released through latest declassified
245 documents—but I have one question. It is the question I've been
246 asking almost from the beginning, a question I thought would be
247 answered when Trump put Barr on this, and when Durham began
248 his probe into this, and when Wray was called to the plate—we
249 keep getting these teases that evidence is piling up, indictments are
250 coming—but suddenly, Justice dozes off. Its attention goes
251 elsewhere, or nowhere. What happens? Is the deep state so deep we
252 have not yet got down below the scum into the clean waters? DO
253 SOMETHING! Justice, hey, WAKE UP! I think you guys have
254 misconstrued the meaning of "BLIND JUSTICE." Yeah, blind to
255 respect of persons, rich or poor, blind to shades of brown from
256 dark to light, BUT NOT BLIND TO CRIMES! In fact, you are
257 betraying a fundamental meaning to the blindfold on lady liberty.
258 YOU ARE NOT SUPPOSED TO BE AFFECTED BY RESPECT
259 OF PERSONS—oh, but that's the former president! That's Hillary
260 and she is, well, she is — I don't know what she is. Feared, I guess.
261 These yahoos fear Hillary more than the FEAR GOD. Well, she
262 won't help you at the judgment seat!

263 DO SOMETHING! Or just admit you're a coward and get out of
264 the way.

265 Anyway, the debate debacle—what else can be said that has not
266 been said already? Biden started the interruptions—I think three
267 times, before Trump did and I don't think Wallace stopped Biden
268 even once.

269 THE LEFT KEEP HARPING ABOUT TRUMP’S
270 INTERRUPTIONS— IGNORES BIDENS INSULTING “SHUT
271 UP” COMMENT, ALLUDING TO TRUMP AS DUMB,
272 MOCKING HIM WITH A YAK-YAK YACK GESTURE,
273 CALLING HIM A LIAR, CALLING HIM A CLOWN. — That
274 and the fact that HE STARTED IT!

275 Virtually everyone noticed the double-teaming that went on—early
276 on Trump said to Wallace, I guess I'm debating you and not him.

277 At no point in the debate was the double-teaming more evident
278 than when Wallace tried to corner Trump with this old bit about
279 you won't condemn the White Supremacists thing. So, let's set the
280 record straight on that right now. Anyone who has that video of
281 Trump making this statement, please start circulating it, and get it
282 out there, and memorize this. Here is, I think this was something
283 like the third time he made a public statement answering this, but
284 here, on August 13, 2017 I'll read to you word for word what
285 Trump said:

286 We condemn in the strongest possible terms this egregious display
287 of hatred, bigotry, and violence. It has no place in America. And as
288 I have said many times before: No matter the color of our skin, we
289 all live under the same laws, we all salute the same great flag, and
290 we are all made by the same almighty God. We must love each
291 other, show affection for each other, and unite together in
292 condemnation of hatred, bigotry, and violence. We must
293 rediscover the bonds of love and loyalty that bring us together as
294 Americans. Racism is evil. And those who cause violence in its
295 name are criminals and thugs, including the KKK, neo-Nazis,
296 white supremacists, and other hate groups that are repugnant to
297 everything we hold dear as Americans.”⁷

⁷ <https://www.cnn.com/2017/08/12/politics/trump-statement-alt-right-protests/index.html>

298 Now, how about a taste of how the MSM responded to this. Same
299 article where I pulled this quote, "The President did not mention
300 white nationalists and the alt-right movement in his remarks, and
301 later called for a "study" of the "situation." (Ibid.)

302 Did you catch that? He condemned White supremacists—he
303 purposely opened his statement to include any other groups that
304 might be legitimately designated hate groups, but this was not
305 enough. It's NEVER ENOUGH with these people.

306 Remember this the next time you hear Trump respond to this
307 question by asking, "name the group," or "what group do you want
308 me to condemn?" Because when he does condemn a group, even if
309 he names them, they come back with *he did not name* — thus and
310 thus a group. So, Trump asks them to be more specific. If I
311 condemn white supremacists — that's never enough for you. So,
312 tell me what group do you want me to condemn today?

313 Well, in this case they called one up—Proud Boys. Apparently, it's
314 a neo-fascist group that uses violence to advance its agenda.
315 Anyway, immediately after Wallace pressed Trump to denounce
316 white supremacy and sort of slid *militia* in there, Trump said of
317 course I will—but I don't see a lot of the right out there destroying
318 property, burning buildings—and of course Wallace and then
319 Biden joined in, and they literally double-teamed Trump pressing
320 him, "well, do it then. Do it, right now!" With that devil, Biden,
321 chiming in, smugly, so it, go ahead, do it right now."

322 Trump sort of muffled through this, and I'll explain that in a
323 moment, but here is the thing! Trump was asked if he would
324 denounce white supremacists groups (Wallace through militia in
325 there and it got confused—everyone talking over each other—
326 including the immoderate "moderator") but Trump immediately
327 said, "Of course I do!" So — there is your answer! But that was not
328 good enough, "so do it, right now!"

329 Don't think for one moment these devils do not know exactly what
330 they are doing! IT was a trap! And it was a deflection! Trump nails
331 Biden for not condemning Antifa — Biden says, "it's an idea not an
332 organization" — points to his own FBI someone or another saying
333 this—WHAT DOES THAT MATTER? That would only be an
334 issue if you were trying to identify the group for a purpose like
335 designating them a terrorist organization—THAT HAS
336 NOTHING TO DO WITH YOUR ABILITY TO CONDEMN
337 THEM. So, CONDEMN the IDEOLOGY Mr. Biden.

338 It's never enough for Trump to condemn the ideology of White
339 Supremacism — is that why you won't condemn the IDEOLOGY
340 of ANTIFA? Because doing so will put you at odds with a large and
341 very active element in your base. Think about this!

342 Biden and Wallace were piling on Trump for not — for not
343 WHAT? Wallace asked him, will you denounce white supremacist
344 groups — never mind for the moment that the weasel slipped
345 militia in there — Trump says, "Of course I will." That's your
346 answer!

347 For them to come back with "then do it," is insulting and a total
348 waste of time, and nothing but an effort to back Trump into some
349 sort of corner so they can bring him under their control and
350 triumph over him. He instinctively resists that sort of thing—and
351 as you noticed, he quickly turned it on them when immediately
352 after he affirmed that he would of course condemn these hate
353 groups, he took a shot at them both, pointing to the violence going
354 on in Portland, and Seattle and Kenosha, as being done by leftists,
355 anti-Trump crowds, not people from the RIGHT. I'm coming up
356 on my time so I'll have to wrap it up.

357 Look, first, I'm sure you can appreciate how insulting it is to be
358 asked this question repeatedly, and no matter how many times you
359 answer it, they throw it at you again which serves their purpose to

360 put Trump on the defense, defending himself for something that
361 was never true to begin with.

362 Second, this is a deflecting question—it puts Trump on the defense
363 over a question that is actually a strong offense — why have both
364 Biden and Kamala been so reluctant to denounce the violence
365 going on in the BLM and ANTIFA protests? Why do they
366 repeatedly try to ignore the violence—and say things that fuel the
367 violence by sending the clear message that they are going to be
368 covered by the Democrats in power. Only very lately have they
369 begun to offer carefully worded statements against the violence,
370 but couched in language that sympathizes with it. The American
371 people are so DONE with the Democrats letting these thugs
372 destroy their livelihoods and their lives—so they have to set Trump
373 on the defense on this point and keep him answer to THEM for a
374 totally FALSE accusations and it's so insulting.

375 Third, Trump is a skilled negotiator, even if he has not had a great
376 deal of experience in debating. If you can understand the dynamics
377 of controlling a boardroom brawl, you understand Trump and will
378 applaud his abilities. Picture Trump in a boardroom and someone
379 starts blowing smoke in his face and he knows they are trying to
380 hide something—he sees straight through it, blows the smoke
381 away, and cuts to the chase—you ask me if I denounce white
382 supremacy, of course I do—but that's not an issue here. White
383 Supremacists are not out burning down business, throwing fire
384 bombs into police cars—why are we talking about White
385 Supremacists — we need to be talking about why you
386 DEMOCRATS ARE SITTING ON YOUR HANDS WHILE
387 BLM/ANTIFA ARE BURNING DOWN YOUR CITIES AND
388 RUINGING THE LIVES OF AMERICANS? That's what we need
389 to be talking about here.

390 Fourth, debate dynamics are very much like those in play in an
391 argument — it's very easy to become about winning the argument.

392 That's what it is for Biden and Wallace. Make no mistake, Trump
393 wants to win too — but watch him closely. He intends to win by
394 bringing out the TRUTH. Let's — look, I have to close. But friend,
395 Biden and Wallace went into this debate to HIDE Biden's true
396 agenda as much as possible; they went at this debate to cover for
397 JOE. Trump went into this debate determined to pull the covers off
398 Joe and let America see the truth about him.

399 Whether Trump knew he was going to be double-teamed, I don't
400 know. Personally, I think he hoped for a fair shake from Wallace.
401 In fact, I believe he was purposely led to believe that—but I think
402 he handled himself very well—the fact is, if Trump had not been
403 willing to bull doze to space for him in that debate, he would never
404 have been able to make the points he came there to make.

405 Go to my church facebook page, like the page, and set up

407 Wednesday and Sunday — and sometimes when I travel I'm
408 unable to go live—. Lighthouse Baptist Church, Jerry Scheidbach
409 will get you to our page.

410 I have lit the lamps in the Church belfry arch and now you let me
411 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
412 ON and you will ride like Revere and spread the warning,
413 (essentially, it means you agree with what I'm saying) or you say
414 LIGHTS OFF — which means you reject what I'm saying and
415 disagree strongly with me. So, what will it be today, lights on, or
416 lights off?

420 You can leave a message on our Lights On hotline: 805.314.2114.

421 God bless you. God bless America! I'll see you in Church.
