Original Air Date: 10.24.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 The Sudan has come into the PEACE deal in the Middle East. Why
5 are you not hearing about this with praise and adulation for the
6 hero God used to bring it about? How are they hiding this.

7 Trump's economy was the most amazing any nation has ever seen.
8 Obama tries to take credit for it! (I'll explain this today—Obama's
9 recovery was not only SLOWEST in history, it was the LOWEST in
10 history. He was adjusting our expectations to those of socialist
11 countries.) How did the left succeed at destroying the Trump
12 economy? And how have they hidden this amazing
13 accomplishment from the American people?

14 The crooked Hillary scandal from the Obama years gets totally
15 exposed: how do the Socialists succeed at hiding this, covering her
16 and protecting her from facing justice? How have they created a
17 blind to keep America's attention away from her crimes?

18 The most incredible scandal from the Obama years breaks wide
19 open. Biden's son, Hunter, implicated in money laundering—yeah!
20 You know that active investigations cannot be commented on
21 publicly. But some in the FBI are getting sick of the swamp
22 monsters working to protect the crime families in America —
23 Clinton, Biden, Harris wants in, Pelosi, Newsome, Cuomo — all of
24 them on the TAKE from China — probably Feinstein too — at
25 least she was used as a dupe — it's far worse than any of us thought.
26 How does this laptop scandal not dominate the news? How are
27 they keeping the attention of America away from it?

28 Other evidence on the Hunter Biden laptop points to child porn,
29 what's with these perverts that want to feed their perversity by
30 devouring the innocence of children? How does the left ignore
31 this? How do they hide it from the American people?

32 The debate Thursday night—how does Biden escape being drilled
33 on the Laptop evidence. Who does not believe that if it were on the
34 other side, Trump would be drilled with that issue until he was
35 riddled with holes. Biden gets a pass! Huckabee says it's too
36 complicated, and the people don't care about it! Okay—I actually
37 think he is right about that. But why do the people not care and
38 why are they ignorant of its significance? It's because the MSM
39 refuses to do their job and educate the people on what is going on.

40 You listen to the Brain Massage show for fresh insights into what's
41 going down that arise from a biblical perspective. I intend to
42 launch from a biblical perspective a battery of brilliant missiles of
43 insights and the target is AMERICA'S SOUL!

44 Okay, my friends! It's time for your brain massage.

45 [TRUTH]

46 The Sudan has come into the Trump PEACE deal in the Middle
47 East. I'm telling you folks, if this were happening in the 70s, Trump
48 would have already been identified as the ANTICHRIST.

49 For many years I've been warning about a fatal flaw I discerned in
50 Evangelical eschatology. I heard a high profile Evangelical just the
51 other day lay out the standard popular prophetic scenario: a man
52 will rise who will bring peace in the Middle East—he will be hailed
53 by Israel as their Messiah, and during the first three years of this
54 peace, Israel will rebuild her Temple and re-institute the sacrifices.
55 Then the devil-man will renege on the deal, remove the daily
56 sacrifice, replace it with the abomination of desolation, which will
57 trigger the WRATH of GOD poured out upon the earth ending
58 with the RETURN of the LORD to the earth.

59 Most Evangelicals believe the event that precipitates this is the
60 gathering of believers into the air to meet the LORD, and event
61 called the RAPTURE.

62 It is for this reason, so many Evangelical end-times students would
63 get all excited anytime a politician began talking about peace deals
64 in the Middle East.

65 Why are these evangelicals not going all "The market place is
66 empty, no more traffic in the streets, the builders' tools are silent,
67 no more time to harvest wheat, busy house wives cease their labors,
68 in the court room no more debate, work on earth is now
69 suspended, as the KING comes through the GATE — The KING is
70 COMING." Great song, by the way!

71 The Evangelical leader I mentioned is all in for Trump—and I'm
72 glad for that! It's interesting! But the bottom line is, Evangelical
73 eschatology is off—I did not say it is wrong. All the essential
74 elements of it are true! But we have missed some things.

75 First, nowhere in the Bible does it say the rapture triggers the
76 beginning of that prophetic period we call the TRIBULATION. But
77 it's true, it does begin with a covenant, an agreement that is made
78 between what Isaiah called the "scornful rulers of Jerusalem" and
79 the Assyrian—aka, the man of sin—aka, the Antichrist. But it's not
80 a "peace treaty" that settles the issues of conflict in the Middle East.

81 What happens, according to Isaiah, in Isaiah 28, is the scornful
82 rulers of Jerusalem see the overflowing scourge of the man of sin
83 rising up on the horizon and fearing him, they enter into an
84 agreement that buys protection for seven years while the man of
85 sin sets out to subdue the world under his power. Midway through
86 that agreement, he will violate the covenant and demand to be
87 worshipped as GOD.

88 As for a peace developing in the Middle East allowing Israel to
89 rebuild her Temple and resume the Temple sacrifices—that's

90 prophesied in Isaiah 2 and Micah 4. It happens in the LAST Days,
91 and according to Hebrews 1, we live in the last days. According to
92 Acts 2, and Joel 2, the last days began at Pentecost—according to
93 the Bible, there will be a time of peace in the Middle East that will
94 include a policy prevailing allowing for freedom of religion—
95 everyone will worship their own god. Jesus said there would be a
96 time when the gospel of the kingdom would be preached in every
97 nation (Matt. 24:14) and THEN SHALL THE END COME.

98 It will happen during a time when the barriers of the gospel will fall
99 for a season—I think this corresponds with the fulfillment of the
100 prophecy of Isaiah 2 and Micah 4. During this time, Israel will be
101 "replenished from the East" — Babylon will be rebuilt and become
102 the economic center of world commerce (Revelation 18) and Israel
103 will be spiritually like Sodom, according to Isaiah 2, idolatry will be
104 allowed in the city of Jerusalem — and it will be "peace, peace,
105 when there is no peace."

106 What is developing right now in the Middle East is exactly what I
107 predicted would develop as we move toward the END GAME—
108 Ever play chess? You have what's called the opening moves that
109 initiate the beginning game, then the middle game, and finally the
110 end game. We are moving into the END GAME.

111 Satan knows this and he is trying to remove America from the
112 board. That's a key piece! We must stop him. That's our
113 assignment by the way, to RESIST THE DEVIL — to RESTRAIN
114 the rise of the spirit of ANTICHRIST.

115 Trump is doing the RIGHT THING in the Middle East—God is
116 using him to move us into the END GAME. For us, the key thing
117 to look for in the END GAME is an EVANGELISATION
118 EXPLOSION the likes of which the world has never seen. And the
119 focus of the gospel preaching will be the KINGDOM of GOD over
120 the kingdoms of men—the GOSPEL OF THE KINGDOM.

121 These are truly the most amazing developments in modern geo-
122 political history — nothing has happened to shift the paradigm of
123 world politics like this since WWII. And, like Trump said, with NO
124 BLOOD IN THE SAND.

125 But the LEFT has used the COVID dragon — the China Virus to
126 divert attention — the red dragon represents China — the long
127 dragon is also known as the *lung dragon*. How curious! The *lung*
128 *dragon* is attacking the WORLD by the COVID lung disease — the
129 COVID is like a Chinese long dragon — a media made monster
130 used to terrorize and destroy. Haha!

131 This is amazing! And yet the MSM have been able to use COVID
132 as a smoke screen to hide virtually all of Trump's
133 accomplishments. They have used it to destroy the Trump
134 economy (but, it is roaring back, much to their chagrin—you do
135 understand that a bad economy is in the best interest of the
136 Democrats—even during Obama—a bad economy makes slaves of
137 the people, and destroys the middle class, benefiting only the very
138 rich, and the cause of socialism. It breaks the independence of the
139 people, and makes them dependent upon government.)

140 Trump's economy was the most amazing any nation has ever seen.
141 Some guy said to me recently that Trump is the worst president in
142 his lifetime. I thought, wow! What are your criteria? What do you
143 like least about him? Was it the lowest unemployment numbers
144 among Blacks and Hispanic in the history of our nation? Maybe it
145 was the closing of our borders to the China virus — you know,
146 Biden thought that was a bad idea, as did virtually everyone else on
147 the LEFT! Maybe this guy did not like closing the border to China
148 when the CHINESE DRAGON REACHED OUR SHORES. Maybe
149 he did not like that LAW AND ORDER stuff — you know, that bit
150 about maintaining public peace and stopping these murderers,
151 thugs, and thieves from destroying our cities? Maybe what he liked
152 least about our President was the statement he made that JESUS

153 CHRIST is the MOST POPULAR and FAMOUS PERSON IN THE
154 WORLD — that at the end of the day we all need HELP from the
155 BOSS — pointing to Heaven — and declaring JESUS CHRIST is
156 LORD — the BOSS!

157 Hey! Maybe it's Trump's support for the first amendment, second
158 amendment, LIFE — maybe it's because he has appointed people to
159 the court that actually believe in the Constitution, and our
160 DECLARATION — ask your Democrat friends what is it they like
161 least about our President — .

162 Maybe he likes to have a president that makes secret deals to sell
163 out American technology to China—maybe the Dems like having a
164 president that gets kickbacks from his son selling access to him to
165 China, and corrupt companies like Burisma.

166 What a WHITE RAT! Biden is a white, racist, rat! What's with the
167 rat thing, Jerry! What are you doing with that? Well, 2020 is the
168 Chinese year of the WHITE RAT. Biden is China's WHITE RAT!

169 Well, I say, let China have him. They can have their year of the
170 white rat, we don't need him. You can have him, China. You can
171 have him—what's that! Oh, yeah. That's right! You already have
172 him. You own Hunter Biden, and Joe Biden—how fitting that you
173 should own those traitors — those "rats"—this is your year of the
174 WHITE RAT! I just thought it was curious. You don't think so?
175 Hmmpf. I thought it was odd how this stuff comes together—I'm
176 not superstitious it's just interesting in a tiresome, irksome, wryly
177 amusing sort of way.

178 The Chinese dragon is called the *lung dragon*. Yeah, that thing you
179 see dancing in the streets every Chinese New Year—called the
180 Long dragon, it's also called the LUNG dragon.

181 Okay, gotta take a short break. I'll be right back.

182 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
183 at the Lighthouse, your brain masseur, and Paul Revere's lantern

184 lighter, lighting the lamps in the church belfry arch, signaling the
185 enemy is on the march, an enemy that would steal from us our
186 liberty.

187 I'm with Pastor Jeorge Lemus and the Harvest Baptist Church in
188 Albany, OR this week and have a great time getting reacquainted
189 with dear brother and acquainted with his dear church family.
190 Gracious hosts—receptive to Bible preaching!

191 I closed the last segment talking about how China sent the LUNG
192 DRAGON into the world to wreak destruction. And I believe the
193 primary target was and continues to be America.

194 China hates Trump almost more than they hate America — Trump
195 has "slain the dragon," TRUMP THE DRAGON SLAYER!
196 (Actually, Trump is right, it's all about the BOSS — JESUS
197 CHRIST. Did you hear Trump refer to Jesus Christ as the Boss? It
198 was awesome.)

199 On Chinese New Year you see the long dragon like a snake
200 slithering serpentine fashion along the streets—it's also called the
201 LUNG DRAGON! Isn't that weird? *Lung* is the romanization of the
202 word *Long*. (Romanization is a linguistic term that refers to
203 converting letters into Roman Script. In other words, if you take
204 the Chinese word for long and convert it into Roman letters, you
205 get the word *LUNG*. Haha! China sent their lung dragon over here
206 that kills people by making it impossible for them to breath.

207 Now, this fizzled! I mean in terms of what I think they were hoping
208 for — MILLIONS DEAD! That was the prediction. Over 2 million
209 were supposed to die — but TRUMP beat them! Anyway, they sent
210 the LUNG DRAGON into the world — and they bought
211 themselves a RAT — Biden. 2020 is the Chinese year of the
212 WHITE RAT!

213 Biden's son flies to China with daddy on Air Force 2. Talks to some
214 big shots — lands a deal to get over a billion dollars invested in his

215 business. Now we find out it was a money-laundering program—
216 his own business partner flips on him and exposes that Joe Biden
217 was in on it—Yep! Joe Biden was a beneficiary of his son's evil
218 dealings. In an email to Tony, that's Hunter's chosen CEO for his
219 front company, he instructed Tony that 10% was to be kept by
220 him—that is, by Hunter Biden—for the big guy! We are talking
221 about millions of dollars. And recently it came out that the FBI has
222 opened a MONEY-LAUNDERING case involving Hunter Biden—
223 an international money-laundering case.

224 Remember, a while back I explained that this is the reason Flynn
225 was so interesting to the Obama gang! Flynn was investigating
226 this—and they had to full court press Flynn to shut him up and
227 shut down his nosing in to their scheme.

228 Anyway, let's see, oh yeah, the debate — the GREAT DEBATE
229 DIVERSION! Anything to keep all eyes on the COVID LUNG
230 DRAGON — and from looking to closely into China's WHITE
231 RAT!

232 Did you notice how the white rat dodges questions? Trump and
233 the WHITE RAT get into a back and forth—Biden accusing Trump
234 for the deaths of the 214k Americans who died of COVID—what a
235 low creature is Biden, what a coward and a, well, what a RAT! The
236 great WHITE RAT that betrayed his country, and he is such a liar.
237 Trump shoots down the WHITE RAT's arrogant accusation that
238 Trump did nothing regarding the COVID LUNG DRAGON
239 slithering about the world wreaking death and destruction — So
240 Biden says Trump was taking him out of context with the
241 statement that Trump was Xenophobic because he closed down
242 any flights coming in or going to China—Trump challenges him,
243 says, YOU WERE OPPOSED TO ME CLOSING TRAVEL FROM
244 CHINA — the moderator says, to Biden, do you want to respond
245 to that — Biden, No! Got him!

246 Another gotcha moment came up in the exchange about
247 eliminating Fracking. Biden doubled down on his claim he never
248 said he would ban Fracking! Well, we know better than that. Biden
249 and Harris both has plainly said they would ban Fracking. Gotcha!

250 And another gotcha moment: Biden admitted right out loud in
251 front of God and every body that he intends to eliminate the oil
252 business by 2025.

253 But, you watch! Now that the debate is over, the MSM will go back
254 to pumping as much COVID LUNG DRAGON smoke into the
255 news as possible to keep attention away from China's WHITE RAT
256 running for president—China wants to place their WHITE RAT in
257 the Oval Office—so China will OWN the White House.

258 The crooked Hillary scandal from the Obama years gets totally
259 exposed: how do the Socialists succeed at hiding this, covering her
260 and protecting her from facing justice? How have they created a
261 blind to keep America's attention away from her crimes?

262 The most incredible scandal from the Obama years breaks wide
263 open. Biden's son, Hunter, implicated in money laundering—yeah!
264 You know that active investigations cannot be commented on
265 publicly. But some in the FBI are getting sick of the swamp
266 monsters working to protect the crime families in America —
267 Clinton, Biden, Harris wants in, Pelosi, Newsome, Cuomo — all of
268 them on the TAKE from China — probably Feinstein too — at
269 least she was used as a dupe — it's far worse than any of us thought.
270 How does this laptop scandal not dominate the news? How are
271 they keeping the attention of America away from it?

272 Other evidence on the Hunter Biden laptop points to child porn,
273 what's with these perverts that want to feed their perversity by
274 devouring the innocence of children? How does the left ignore
275 this? How do they hide it from the American people?

276 The debate Thursday night—how does Biden escape being drilled
277 on the Laptop evidence. Who does not believe that if it were on the
278 other side, Trump would be drilled with that issue until he was
279 riddled with holes. Biden gets a pass! Huckabee says it's too
280 complicated, and the people don't care about it! Okay—I actually
281 think he is right about that. But why do the people not care and
282 why are they ignorant of its significance? It's because the MSM
283 refuses to do their job and educate the people on what is going on.

284 Well, here it is.

285 First, they used the phony Russian collusion story to blow smoke
286 into the news to give the MSM an excuse to ignore the Hillary and
287 Obama spy-gate cover up story. When that finally went flat—they
288 jumped on this CHINA VIRUS story—and believe me, the longer I
289 look at this and study it the more convinced I become this was a
290 RUSE from the beginning.

291 The fact is, this is the most horrible crime against the American
292 people ever in our history.

293 Phony Fauci's first statements regarding this have proved to be
294 true—it will be like a bad flu pandemic; Americans will not need to
295 be wearing masks, it's going to pass like other flu pandemics have
296 in the past. But he changed his tune—and began to lend his
297 support to the ruse—the left needed a really bad story to deflect the
298 attention of the public from the failure of the Russian collusion
299 hoax, the impeachment failure fiasco, the Hillary/Obama spygate
300 scandal and the emerging Hunter Biden/Joe Biden — the father
301 son money laundering, selling out America scandal! So they blew
302 up as much smoke about the COVID LUNG DRAGON as they
303 could. You've seen the Chinese New Years celebrations, with the
304 long LUNG DRAGON slithering down the streets, with SMOKE
305 BLOWING FORM ITS NOSE — that's what they did!

306 Remember these key things.

307 Every time they say 214k died—they changed the way the counted
308 COVID deaths from the way they used to count virus deaths. The
309 changed it so that COVID death count would INCLUDE anyone
310 who died WITH COVID whether or not they died OF COVID.

311 How much did this inflate the numbers, we don't know for sure.
312 But we do know that CDC reported only 7k died of COVID alone.

313 Remember that at no time before in history has government ever
314 required people to wear masks during these kind of outbreaks.
315 That all studies regarding masks concluded cloth masks with a near
316 zero efficacy to block something so small as a virus particle — and
317 that the N95 is of only marginal value because it must be worn
318 correctly and when worn correctly it cannot be worn for more than
319 20 minutes—and so NOBODY ever THOUGHT of having
320 Americans be forced to WEAR MASKS — and news flash —
321 COVID virus is NOT SMALLER THAN THE SARS 1 — it's the
322 SAME SIZE. Nobody thought it necessary during Obama's SARS
323 CoV 1 — so why with SARS-CoV-2?

324 Remember this also, that the mortality rate is virtually zero for
325 children, and those from 20-40, and does not come down under
326 99% until you get to 70 years plus and then it's 96.4%. Did you hear
327 me? The most vulnerable among us have a 96.4% chance of beating
328 this! As Trump himself proved.

329 It's a PAPER DRAGON! It's a PAPER DRAGON. Trump was
330 right. You do not need to LIVE in FEAR OF THIS.

331 But what about the SPIKES. Yeah! The spikes! There was a spike in
332 FL and it already died out. A spike in Texas, and it already died
333 out. And a few other States also — the ones where the spikes linger
334 are BLUE STATES where they are KILLING PEOPLE with this
335 stupid MASK MANDATE NONESENSE.

336 You can't be breathing mask breath like this — it's unhealthy.

337 Remember this — the COVID LUNG DRAGON is a PAPER
338 DRAGON. We need to get back to living!

339 Finally, Dinesh brought something out you need to hear this.
340 Socialism is not about fairness for everyone economically, or even
341 socially. Otherwise, why does every socialist country target the
342 Church, and patriotism, and our social cultural moral norms and
343 so on? Why? If it's only about economics — but you see, it's not
344 about economics. It's about oppression; it's about stealing the
345 people's liberty.

346 The COVID LUNG DRAGON is slithering through the land, the
347 world, really, to CONDITION PEOPLE FOR A ONE WORLD
348 DICTATORSHIP by the ELITE— it's conditioning you to live
349 under the CONTROL of the GOVERNMENT.

350 You can't even BREATH fresh air until the government gives you
351 their permission.

352 Did you know they, by they I mean BIDEN/Harris and the Liberals
353 — they want you to continue under the oppression of the MASK
354 through 2021. They want to CONTROL you! They will tell you
355 when you can BREATH!

356 I've gotta go!

357 I have lit the lamps in the Church belfry arch and now you let me
358 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
359 ON and you will ride like Revere and spread the warning,
360 (essentially, it means you agree with what I'm saying) or you say
361 LIGHTS OFF -- which means you reject what I'm saying and
362 disagree strongly with me. So, what will it be today, lights on, or
363 lights off?
