Original Air Date: 10.30.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 MSM — the "big news" today is COVID — many cases, cases,
5 cases, and more cases — [SCARY sound effect] — it's about the
6 CASES.
7 Big news—not VOTER FRAUD (PA 'THOUSANDS OF
8 BALLOTS MAILED TO VOTERS HAVE GONE MISSING,' not
9 "NEVER BEFORE IN NC HISTORY HAS GOP VOTERS LED A
10 SINGLE DAY IN EARLY VOTING, not ICE has recently reported
11 being required to release 250 immigrants with CRIMINAL
12 RECORDS, not Tony Bubalinski, former Hunter Biden partner,
13 reveals VP JOE involved in his son's shady international money
14 laundering scheme, not NY POST's 'SMOKING GUN—H. Biden
15 Emails proven to be 100% authentic," including the one that
16 outlined the take for each participant, you know, where 10% would
17 be held by Hunter for "the big guy." Oh yeah! And the MSM have
18 proven false the connection between Joe Biden and his son's
19 money laundering scheme — how, haha — Biden's tax records
20 show no money coming to him from China or Ukraine — so, there
21 [Drunken squirrel laughter]
22 No! The "big news" reverberating in the echo chamber of MSM is

29 Know what I mean?

30 Will this be my last show in FREE AMERICA? The Election Wars
31 Begin November 4 — what are the two things left to do that can
32 actually make a difference?

33 Oh, and in the interest of honest reporting, you know, even when
34 the news contradicts my narrative, I always put it out there so you
35 can decide for yourself — Joe Biden's tax records prove he received
36 no kickbacks from Hunter Biden, or from China or Ukraine —
37 [drunken squirrel—] because, as every one knows, Biden would
38 HAVE REPORTED ALL HIS INCOME.

39 It's time for your Brain Massage. Get ready for your Halloween
40 Special!

41 [TRUTH]

42 MSM — the "big news" today is COVID — many cases, cases,
43 cases, and more cases — [SCARY sound effect] — it's about the
44 CASES. (Mortality rate reduced to virtually nothing) BUT CASES,
45 CASES, and MOOOORRRRRRE CASES!

46 It's just a whole lot easier to gin up the case count than the death
47 count — I mean, that does get messy. Ask Cuomo, Newsome,
48 Whitmere, and Phil Murphy of New Jersey. Thousands,
49 THOUSands, THOUSANDS DIED because of these murdering
50 monsters—and as Paul turned Hermogenes to the power of Satan I
51 unleash the hounds of hell to chase their conscience.

52 They cannot long escape them, they cannot shake them off their
53 heels, pursing them, their incessant yapping at their conscience,
54 their devils casting firebrands that pierce and hook their soul,
55 setting it aflame with guilt — oh, they try to smirk and shirk it off
56 — but be neath the makeup there are eyes wide with terror, hands
57 covered with blood they, panic-stricken, can't wash off, a cloud of
58 sulfur spat from the fiends that like wolverines stalk them daily

59 covers their head, offending their olfactory with sulfuric stench,
60 and with a soul blackened by the soot of hell, they move about as
61 ZOMBIES—captive to their master—SATAN—the HOWLING
62 ONE. [Evil laughter]

63 And I pray—let the GLORIOUS LIGHT OF THE GOSPEL pierce
64 the darkness where they hide to call them, at least one final time,
65 TURN TO JESUS AND BE SAVED!

66 COVID — liberal's answer — LOCKDOWN — destroy the lives
67 and livelihoods of the Middle Class — the rich ride over it, the
68 poor Welfare beggars like dogs content to live on the CRUMBS
69 that fall from their masters table — those that Pelosi said, "we take
70 care of them." No! Only the middle class working class you know
71 the crowd that CARRIES America on its shoulders — the people
72 that actually do the work the FEEDS the POLITICAL-RICH and
73 the POOR that SERVE THEM — (did you hear that wicked witch
74 of the west cackle "we feed them." [As Wolf Blitzer apologetically
75 tossed the water of truth on her — and she began to MELT —
76 [MELTING WITCH]. Hahaha. That's what happens when you
77 throw the water of truth on a Demoncrat.

78 Friend, Pre-COVID science recognized the value of herd
79 immunity. It was humble—it recognized that a virus is a thing that
80 has existence in the real world and that it does not disappear. NO
81 VIRUS has EVER DISAPPEARED. SARS 1 still hanging around.
82 It's THERE! Biden arrogantly says, he will not shut down the
83 economy he will shut down the virus. How! By shutting down the
84 economy — the man is a liar! Problem! Shutting down the
85 economy and implementing all these ridiculous mitigation
86 protocols (Hi Lloyd! hehe) — only served to prolong the
87 plandemic — which is what they wanted to do.

88 They have used this COVID thing as a smoke screen to hide so
89 much evil and wickedness—when the WATER OF TRUTH finally
90 FLOWS through BELIEVERS over this nation — you will hear the

91 HOWLS of demoncrats MELTING all over America. Those who
92 have submitted to GOD are standing forward to RESIST the
93 DEVIL and he is fleeing — [Devil sounds snarling—end with
94 Toodleoo.]

95 And they are using it now to divert attention from the REAL
96 NEWS of the hour! Tony Bubalinski, former Hunter Biden
97 partner, reveals Hunter's daddy, VP JOE, was directly involved in
98 his son's shady international money laundering scheme.

99 The NY POST reveals new evidence showing that H. Biden Emails
100 from his laptop have been proven to be 100% authentic. Including
101 the one where Tony Bubalinski was instructed how the "equity"
102 (money from China) would be distributed, you know, the one that
103 said 10% would be held by Hunter for "the big guy."

104 And when the MSM tried to claim Biden's tax records prove no
105 money came to Biden from China or the Ukraine proves he was
106 not part of his son's money laundering scheme [Drunken squirrel
107 laughter] — even A COOLAIDE DRUNKEN DEMOCRAT SAW
108 THROUGH THAT ONE.

109 So! The "big news" reverberating in the echo chambers of MSM is
110 COVID CASES [Scary music—the invisible MONSTER from
111 CHINA—the LUNG DRAGON worming its way through the
112 world—[SCREAM over SCARY TRACK]

113 [Winkie Chant] "King" Newsome sends out Aunti-Pelosi's flying
114 monkeys announcing his latest decree: no Thanksgiving or
115 Christmas gatherings inside, limited to a total of three families, all
116 wearing masks (between bites?) — I say, let the fireworks begin!!!!
117 Know what I mean? Remember? His "royal highness" decreed no
118 Fourth of July celebrations and we never saw a greater display of
119 patriotism with fireworks lighting up the entire state of CA.

120 FIRST: COVID is NOT A CRISIS! No disease from which there is a
121 98% recovery rate is a CRISIS! COVID is NOT A CRISIS! No

122 disease for which there are therapeutics that have been PROVEN
123 EFFECTIVE to treat those with this disease if caught early is a
124 CRISIS. It's a LIE! I'm tired of being LIED to by these devils.

125 SECOND: Masks are NOT a preventative. They DO NOT
126 PROTECT you from a virus. The efficacy of masks is greatly
127 disputed but the only doctors being listened too are the
128 establishment lackeys — FAUCI is PHONY. He told us the masks
129 were "largely symbolic." He admitted masks are of questionable
130 value as a public mitigating policy. Now, since Trump has set him
131 aside, since Trump has seen through this and recognized Fauci
132 cannot be followed — since he realized the mistake of putting the
133 entire nation, its economy, and the liberty of its people into the
134 control of a DOCTOR — whose view is limited — who thinks he is
135 going to run the nation like it's his hospital — BIG MISTAKE! But
136 at least he learned from it — did you hear him say WE WILL
137 NEVER LOCKDOWN THE ECONOMY AGAIN? He gets it!

138 I've studied over 40 scientific studies on the question of the efficacy
139 of masks — NOT ONE provides any SCIENCE establishing the
140 efficacy of masks to prevent contracting or spreading a virus —
141 they have a place in a hospital setting, but general public use is
142 consistently proved to be of virtual no value. The fact is, masks
143 worn for long periods of time are UNHEALTHY.

144 THIRD: LOCKDOWNS are cruel and only delay the natural
145 process for neutralizing a virus. God designed our body to respond
146 to virus particles by building antibodies. The whole idea of a
147 vaccine comes from this scientific observation. It's nature's way of
148 neutralizing a virus. Older people need help; make sure they get it.
149 People with co-morbidities need help, make sure they get it.
150 HEALTHY PEOPLE do not need to be locked down.

151 When did it happen that "herd immunity" came to be mocked,
152 ridiculed, or dismissed? When? What science has surfaced to prove
153 herd immunity is not a good thing? NONE!

154 Lockdowns and isolation only allows the virus to remain strong—
155 these countries who vainly imagine they are greater than GOD and
156 they are going to beat the virus by isolating people from one
157 another, and destroying their economies — are actually
158 exacerbating the problem, elongating the issue — CREATING A
159 CRISIS they are using for POLITICAL purposes.

160 The only thing newsworthy about COVID is that is a LIE, a fraud
161 perpetrated upon us by these DEMONCRATS who are using it to
162 OPPRESS us — to condition us to get ready for the bit and bridle
163 they are trying to train us to accept — to learn to SUBMIT TO
164 LIVING UNDER THE DIRECT CONTROL OF POLITICAL
165 OPPRESSORS — to condition us to turn against our neighbors, to
166 become police for the government dictators —.

167 Go ahead, you lying demoncrat — roll your eyes and say to
168 yourself, there you go, a COVID denier — but know this! You are a
169 liar. I never said COVID does not exist. You know what I said. But
170 you would rather attack something I did not say because you
171 CAN'T DISPUT a single thing I SAID — I have as many doctors
172 supporting my conclusions from the SCIENCE as you — no,
173 actually, I have MORE SCIENTISTS that support my conclusions
174 from the SCIENCE than you have. But they are being muzzled!
175 And that is the BIG STORY!

176 Hold on through the break! I'll be right back.

177 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
178 at the Lighthouse, your brain masseur, and Paul Revere's lantern
179 lighter, lighting the lamps in the church belfry arch, signaling the
180 enemy is on the march, an enemy that would steal from us our
181 liberty.

182 The Elections wars!

183 I have been sounding the alarm about voter fraud for over a year.
184 Actually, for about four years.

185 Here is Biden's own admission that Demoncrats are depending on
186 voter fraud to win this election:

187 [BIDEN]

188 Yeah! I know he misspoke. First, if Trump had made such a flub,
189 do you suppose the lame stream media would dismiss it as a gaff?
190 And haven't you heard of what is called the Fruedian slip? And
191 have you not heard that Jesus said out of the abundance of the
192 heart the mouth speaketh? And how dull does Biden have to be to
193 have misspoken on something like this and not catch it, and
194 chuckle, and then correct himself?

195 Friend, GOD squeezed that evil man's heart and out popped the
196 truth about the depth of wickedness into which the Democrat
197 Party has sunk.

198 Reagan used to say, don't be afraid to see what's in front of you.
199 The evidence is everywhere. The Demoncrats are depending on
200 their voting fraud machine to STEAL THIS ELECTION.

201 In Pennsylvania, thousands of ballots have come up missing.¹ Yep!
202 You've seen the rallies—Trump receives his tens of thousands, and
203 Biden his, tens. Haha! But the Polls have Biden up 7 points over
204 Trump in PA. How do they explain the lack of enthusiasm and
205 personal support at his rallies? Well, Biden does not want his
206 supporters getting exposed to COVID so he wants small
207 gatherings.

208 What is the campaign strategy of the Democrat Party?

209 I'll tell you what is happening. China has poured so much money
210 into the Biden campaign—and if Trump wins, it will all come out,
211 and more; but if Trump loses, truth, what remains of it in
212 circulation, will be totally cast into the street and Judgment will

¹ https://hannity.com/media-room/it-begins-pennsylvania-official-says-t...of-ballots-mailed-to-voters-have-gone-missing/?utm_source=socialflow

213 walk further away, and JUSTICE WILL GO BACK TO SLEEP:
214 more on that in a moment.

215 The fact is there has NEVER been more money poured into any
216 campaign ever — Biden's campaign is receiving way more money
217 than Obama did — it's DARK MONEY — there is so much fraud
218 going on right now in this election — Rush is right, to a point! The
219 only response we have is to VOTE!

220 BUT here it is! The Biden campaign is depending entirely on AD
221 buys — and controlling Social Media — We are up against the
222 DEVIL folks! It's as simple as that!

223 The god called Mammon is trying to take the country under its
224 complete control.

225 We must rise up against MAMMON — don't let the god of
226 mammon take our country from us. STAND UP! Get into your
227 prayer closet and do battle with these powers, principalities, and
228 spiritual wickedness in high places — and then SPEAK THE
229 TRUTH TO EVERYONE! Get the WORD OUT! Swing the
230 SWORD of the SPIRIT, the WORD OF TRUTH —

231 Answer every lie of Satan. Wherever you are confronted with a
232 devilish lie — ANSWER IT! Speak the TRUTH!

233 They need nine days after the election because the plan is simple. If
234 it looks like Joe is loosing, they drop the thousands of ballots they
235 have "harvested" into the mail to get a postmark — and that
236 requires a few days to arrive and a few more to count.

237 It's theft! The children of disobedience are trying to take this nation
238 by violence and using FORCE — we MUST STOP THEM.

239 Watch for more ballots coming in than there are registered voters
240 — and watch those ballots be consistently for Biden.

241 Watch for it in North Carolina. On NPR, they are crowing about
242 the Supreme Court rejecting Republicans petition to block a vote

243 counting rules CHANGE, in the last minutes of the election, to
244 allow votes to be counted nine days after the election. Interesting!
245 Guess what? Oh, you won't guess, I'll just tell you. Trump is ahead
246 in early voting in North Carolina. A GOP candidate ahead in early
247 voting in North Carolina? That has NEVER happened in North
248 Carolina history. Trump is WINNING, WINNING, WINNING —

249 But the left are BUYING the election! They are suborning wicked
250 people to CHEAT, they are buying voter fraud, they have used the
251 mail in voting scheme to provide cover for the thousands of ballots
252 printed in China and Iran and shipped into the US — being filled
253 in by bought and paid for traitor liberal teachers who have nothing
254 else to do during this FAKE COVID-CRISIS but complete
255 hundreds of thousands of ballots — poised to drop them into the
256 count if needed???? I'm telling you, the stakes are over the top for
257 the ESTABLISHMENT Crime families in America and they are
258 sold out to China, Russia, and Iran, and if Trump wins, they fear
259 full and complete exposure and orange jump suits —

260 Only GOD can save us! Don't make the mistake of thinking this
261 has not come upon us for our sins. There is one part in the prayer
262 of II Chronicles 7:14 that is the lynch pin holding that promise
263 together it's that part about TURNING FROM OUR WICKED
264 WAYS. That part actually sometimes is omitted. That is a grave
265 mistake, friend.

266 The remnant needs to REPENT before GOD. I know I have, or at
267 least I had, many listeners who were not Christian. I've had atheists
268 ask me if they could be lights on listeners even though they are not
269 Christians. I also know that as we Christians have come
270 increasingly under assault by the secularists and I have responded
271 by becoming more vocal about biblical themes, prophecy,
272 revelation of the spirit of antichrist versus the Spirit of Jesus Christ,
273 that I have caused a significant portion of that audience to back
274 away — here it is folks. God said the wicked will be turned into hell

275 and every nation that forgets God. So, if these liberals want to make
276 a deal with the Devil, if they want to enter into league with HELL,
277 that's their prerogative—but by God's GRACE and MERCY, I'm
278 sure not going to sit back and let them drag my country into hell
279 with them.

280 Will this be my last show in FREE AMERICA? What are the three
281 things left to do that can actually make a difference? PRAY, VOTE
282 and SPEAK TO TRUTH TO ALL YOUR FRIENDS, FAMILY and
283 ASSOCIATES encouraging them to PRAY and VOTE.

284 And the choice is clear my friends. It has NEVER been more clear.
285 This election is a choice between liberty and tyranny—between the
286 spirit of antichrist and the Spirit of Jesus Christ. It's not a choice
287 between personalities—it's a choice between America as founded
288 and America transformed into a third world banana republic ruled
289 by despots. It's a choice between a system of government where
290 they can take away your freedom to attend church, enjoy
291 Thanksgiving and Christmas with your family and friends as you
292 please, conduct your business and make a living — or a
293 government that takes over your personal and professional life—
294 decides what liberties you can have and when you can exercise
295 them. A choice between RULERS and CIVIL SERVANTS, a
296 DICTATOR class politician that tells you to wear masks but is
297 found not wearing them, that shuts down travel for everyone
298 except their own family — a choice between politicians that sell
299 America out to the highest bidder, or a servant of GOD that leads
300 us to FREEDOM and PROSPERITY under GOD.

301 Hey, I want to invite you to join my Facebook live stream evening
302 visits called Comfort and Counsel for the Present Distress. You can
303 go to my Church Facebook page, Lighthouse Baptist Church, like
304 the page and set the notifications to be notified when I go on—. It's
305 a casual visit where we discuss the day's news or events, and there

306 is some interaction also; it's turned out to be fun and informative,
307 so I hope you'll join us.

308 As I chatted with my friends for Thursday's casual end of the day
309 visit, I swerved into some interesting insights. It was visit no. 136. I
310 was explaining why I think Trump is right to needle Joe about
311 Hunter's selling access to him to China and Ukraine.

312 Anyway, I mentioned that Trump is the quintessential American—
313 and talked about how he has made a visceral bond with the
314 conservative American angst (our deep resentment against fake
315 news, the biased news, the double standard, the hypocrisy), and
316 how he has made a cognitive connection with the "Christian"
317 conservative American psyche—freedom of religion, freedom of
318 conscience—these are values that run very deep in the American
319 psyche.

320 Trump is the quintessential American—and the liberals hate him!
321 He represents an America that liberals have come to hate and
322 despise—you know, the God and gun clingers, the "basket of
323 deplorables" — the people who believe the BIBLE that Schumer
324 called fairy tales, that AOC mocked, that liberals generally scoff.
325 Trump has stepped forward to be a champion for those of us who
326 have been mocked in our schools, ridiculed in academia and in
327 media, and lately have begun to experience the open hatred and
328 violence of political bigots—.

329 The choice today is between Biden a blithering idiot who is a
330 traitor, and a sell-out, or Trump — whose faults are many but
331 whose core values are rooted in our founding principles — Trump
332 is the quintessential American, and Americans love him.

333 We know we have come to this place, where as a nation we are
334 literally looking into the maw of hell — where we are literally
335 looking into the face of Satan in these young people dancing
336 around chanting hail to the chaos god, and squeezing blood from a

337 heart, growling and groveling like someone devil possessed — you
338 are voting for Satan, or Jesus CHRIST. How will you vote.

339 What's that? Oh, don't pay attention to those devils — right, I said
340 Trump is Jesus Christ. Unreal! I said Trump is a flawed human
341 being, just like America is a flawed nation. I said Trump has
342 embraced traditional American values—he embraced the values
343 that MADE AMERICA GREAT, and with them, he led our nation
344 to MAKE AMERICA GREAT AGAIN — and if we reelect him, he
345 will make AMERICA GREAT AGAIN — AGAIN!

346 I have lit the lamps in the Church belfry arch and now you let me
347 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
348 ON and you will ride like Revere and spread the warning,
349 (essentially, it means you agree with what I'm saying) or you say
350 LIGHTS OFF -- which means you reject what I'm saying and
351 disagree strongly with me. So, what will it be today, lights on, or
352 lights off?
