

Brain Massage: Show No. 803 "Here" Is Where We Are / Can We Get
"There" From Here? (What "Color" Is This Revolution? It's A Coup!)

Jerry Scheidbach

Original Air Date: 11.07.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 God fearing patriots everywhere—we are witnessing a coup! I'll lay
5 out the election in terms of realities versus fantasies and explain
6 where we are! I'll offer a prediction on where we will be when the
7 Electoral College meets December 14. And I'll explain the
8 Belshazzar effect!

9 And I'll address the Paula White and other Christian prophets out
10 there, some of them obviously horning in on this election to steal
11 credibility for their ministries. It's a typical Devilish maneuver—I'll
12 speak to it today.

13 It's time for your Brain Massage!

14 [TRUTH]

15 Will Arizona come in for Trump—it's looking good, but we were
16 looking good at about 1 am Eastern Time Tuesday night—Trump
17 ahead, strongly ahead, in every key race—but then the counting
18 was stopped. When we woke up, suddenly, everything went in
19 reverse—and the voter fraud complaints are piling up. I watched a
20 hidden camera video exposing a Democrat poll worker literally
21 filling in ballots for Biden while others were voting in that precinct.
22 Heard what amounts to a first hand report of a few thousand
23 Trump votes found in another trash can—we know that in Arizona
24 a precinct favorable to Trump was literally insisting voters use a
25 sharpie to complete their ballots, knowing that the voting machine
26 would reject the ballots because of bleed through. One witness
27 reported that the precinct workers literally took pens from the
28 hands of voters and INSISTED they use the Sharpies — .

29 Voter Fraud is rampant —. In Michigan, Trump had a
30 commanding lead, when PA, MI, WI, NC, GA all STOPPED
31 THEIR COUNTING at almost the exact same time — this was
32 coordinated, friends—suddenly, thousands, and thousands of
33 ballots began being delivered and the graphs reveal that suddenly
34 Biden votes shot straight up and overtook Trump — . It's obvious!
35 So why are they being so obvious? How incredibly arrogant can
36 these people be?

37 In PA the poll workers are sometimes getting physical with
38 Republican observers forcing them out of the polling place, or
39 forcing them to stand a hundred feet away—it's simply outrageous,
40 blatant, and overt voter fraud—

41 The issues are going to be battles over legality questions—like,
42 Okay, so it's obviously unfair, but not illegal! So, we can't do
43 anything about that. But there are so many instances of voter law
44 violations, and situations where bureaucrats are changing rules
45 independently of the State Legislature in their States, and so many
46 witnessed instances of outright voter fraud—that this election is
47 TAINTED — and it's what I said before — the strategy of the left
48 has been to make the election so tainted with voter fraud no
49 winner could be named which, they hope, will send the country
50 into a civil war footing and/or a lockdown where the COURTS will
51 have to step in to settle the issue, which, if Biden loses, will allow
52 them to declare the Trump presidency illegitimate and foster
53 unrest for another four years.

54 Anyway, I'm going to draw from some information Glenn Beck put
55 out about two months ago, update it, draw on some insight from
56 Steve Deace, who is expert in this sort of thing, I mean, analyzing
57 elections—something he does professionally, and he is a
58 conservative Christian so you can trust that he understands the
59 difference between facts understood within a context of truth as

60 objective and as corresponding with reality, as opposed to facts
61 understood in the context of LIES crafted to support a fantasy.

62 I do an Evening Visit With the Brain Masseur — or probably it's
63 better to call it An Evening Visit With Pastor Scheidbach — it's a
64 new thing. Right now I call it Comfort & Counsel For the Present
65 Distress. It's a livestream using facebook as a platform—but I'm
66 working to transition to other platforms since fb is increasingly
67 proving itself to be a political arm of the DNC—and a cohort in the
68 effort to perpetrate a coup, and use manipulation and force to
69 PUSH socialism on the American people. In other words, FB is
70 part of the COLOR REVOLUTION that Glenn exposed a while
71 back, an effort to FUNDAMENTALLY TRANSFORM AMERICA
72 FROM one nation UNDER GOD to A DIVIDED NATION AT
73 WAR.

74 Anyway, I usually lay out a few things I intend to talk about during
75 our visit, but usually, the conversation swerves in other directions,
76 and while I usually get across most of the main points I hoped to
77 make in the visit—it's a freeform thing, with interaction, and so
78 forth—sometimes I don't get into a visit some things I intended.

79 In my last visit, I wrote a note to myself:

80 "THE DEMS KNOW THEY HAVE LOST THE ELECTION. They
81 knew it at about 1 am ET Tuesday. That's why they stopped the
82 count — entered into the second phase of their plan — BRING IN
83 THE MANUFACTURED BALLOTS.

84 **Strategy:** put themselves in a position to “factually” although not
85 honestly declare for Joe, let Joe declare victory based on the fake
86 count, which puts Trump in position to have to “take” the election
87 away from the Dems.

88 Supporting this, I received A DEM EMAIL: "Our Revolution
89 invested heavily in organizing working class voters in key
90 Midwestern states because we knew we must be prepared to fight

91 and win in the key battlegrounds that will determine our country's
92 fate.

93 "Let's be clear about where we are: Joe Biden is going to win —
94 both the popular and electoral college vote.

95 "However, Trump is desperately trying to use authoritarian tactics
96 to steal the election in plain sight."

97 Isn't that remarkable? Well, let's be clear about "where we are." Let's
98 talk about that, right now!

99 Glenn revealed the seven pillars of regime change. I'm going to go
100 over these in the second segment. Because, before the seven pillars
101 can be put in place, I rather call them the seven triggers of regime
102 change, and before the seven triggers can be, well, triggered, certain
103 things have to be put in place — particularly in America. The seven
104 triggers cannot be effective in a country like America unless these
105 things are put in place first.

106 Here is what American Intelligence has learned about
107 manipulating a government toward regime change around the
108 world.

109 The first thing you have to do is Identify and then gain control
110 over WHO CONTROLS THE MEDIA in a country. Check out
111 Business Insider article noted here for who controls American
112 media.¹ GE, NEWS CORP, DISNEY, VIACOM, TIME WARNER
113 and CBS.

114 The Second thing you have to do is remove or discredit the
115 influence of religion in the culture. See these articles revealing how
116 almost all of American Christianity has been compromised by
117 Marxist philosophy.² Read my book, The New Cart Church for

118 more insight into how our enemies have succeeded to compromise
119 the influence of the BIBLE and the CHURCH in our culture.

120 The Third thing is to gain control over the education of children. If
121 you want some documentation on this, at least some recent
122 information on this topic, see the articles I've noted here.³

123 The fourth thing is to compromise the criminal justice system so
124 that criminals are set free and law-abiding citizens are
125 criminalized. For documentation showing this development in
126 America, especially over the last few decades, see the articles I've
127 noted here.⁴

128 Now, I would argue that the order is actually off. The first thing
129 that had to be done to displace the rule of the Constitution in
130 America was compromise it at its roots — so Religion has been
131 under assault for about 120 years in this country — is this the 120
132 years God has given to America — remember Noah! They had to
133 separate the general public from the FOUNDATION of our
134 LIBERTIES which is the BIBLE and the CHRISTIAN CHURCHES.

135 Then, the second thing they went for was the EDUCATION of our
136 CHILDREN. Because our families were separated from their
137 religious roots, they were blinded to what was going on in our
138 education institutions. THEN came their ability to gain almost
139 complete control of the MEDIA, and then of DEPARTMENT OF
140 JUSTICE and then completely saturate the POLITICAL
141 INSTITUTIONS —

142 Now, this is where prayer warriors, and the rise of Trump comes
143 in. God threw a monkey wrench in their program and Trump is

144 leading a CHRISTIAN GRASS ROOTS MOVEMENT that is rising
145 up AGAINST the ESTABLISHMENT — and they are fighting
146 back.

147 Now you need to understand that the Anti-American Left believes
148 they are DEMOCRACY and the PRO-AMERICAN RIGHT are the
149 fascists, autocrats, and against DEMOCRACY.

150 It's too complicated to sort that out right now. But the fact is we are
151 a REPUBLIC and not a DEMOCRACY. Our nation is built on the
152 rule of LAW not the RULE of the MAJORITY — we are a nation of
153 RULES and not a NATION OF RULERS. And that's the divide in
154 America right now.

155 But it's important that you understand the left is trying to foment a
156 "bloodless coup" or a "Mostly peaceful" revolution in America right
157 now have convinced themselves and those following them that they
158 are DEFENDING DEMOCRACY.

159 This has been going on for decades, and the infrastructure is in
160 place: the ANTI-AMERICA forces control religion, education,
161 media, they have deep state influence in key places to manipulate
162 the sword (the power to enforce law), and throughout our political
163 institutions (in both primary parties and in virtually all the minor
164 parties also). But now every American with any common sense and
165 reasoning powers remaining can see this is where we are today in
166 America: the church is virtually silent, education is militantly
167 training our children to hate us, to hate Christians and Americans,
168 the media is virtually totally controlled by those who hate America
169 as founded, including social media, so our voice is virtually shut
170 down.

171 But they can't quite get it — there is enough TRUTH in the Lord's
172 True CHURCHES to keep the CHURCHES alive — and I'm not
173 talking about buffoons like Paula White — more on that in a

174 moment. I'm talking about OLD PATH CHURCHES like the
175 LIGHTHOUSE.

176 Second, many hundreds of thousands of Americans, most of whom
177 are associated with one of these OLD PATH churches, are HOME
178 SCHOOLING their children — and making noise to expose what's
179 going on in the education establishment schools in America, so
180 they can't quite get as much control as they need to TRANSFORM
181 AMERICA out FROM UNDER GOD — and there is a thriving,
182 strong ALTERNATE MEDIA where the TRUTH about all their
183 wicked deeds keeps getting exposed — and there are at least SOME
184 in the criminal justice system that believe in their OATH to
185 PROTECT and SERVE and DEFEND THE CONSTITUTION
186 AGAINST ALL ENEMIES BOTH FOREIGN AND DOMESTIC —
187 and there is still SOME life left in at least the RNC — I said SOME!

188 And you need to understand that the SOME, whatever it is, comes
189 from the influence of OLD PATH CHURCHES. It's the preachers,
190 friend. That's where the battle is won or lost; as I'll show in a
191 moment.

192 Well, I'm looking at my time. I need to go to break. When I get
193 back I'll explain what is happening right now—what the ANTI-
194 AMERICA forces are doing right now because they are in extreme
195 PANIC that GOD and COUNTRY AMERICA LOVING Patriots
196 have risen in the LAND to TAKE BACK AMERICA and DEFEND
197 THE RULE OF LAW and repudiate the effort to make us a land
198 governed by DICTATOR RULERS like Newsome, Pelosi, Schumer,
199 Biden, Harris — hold on through the break, I'll be right back, and
200 explain what you are watching unfold before your eyes—the
201 AMERICAN COUP — the effort to take our LIBERTIES away by
202 FORCE. It's called the seven pillars of color revolution. I'll be right
203 back.

204 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
205 at the Lighthouse, your brain masseur, and Paul Revere's lantern

206 lighter, lighting the lamps in the church belfry arch, signaling the
207 enemy is on the march, an enemy that would steal from us our
208 liberty.

209 Here is where we are — we are in the midst of a planned coup. It
210 was laid out within the first few weeks of Trump's presidency.
211 There were meetings between top movers and shakers in the
212 establishment politics in America where they literally conspired to
213 overturn the 2016 election results.

214 Much of what I'm going to bring out comes from Beck's expose
215 presented on September 23, 2020 titled Civil War: The Left's
216 Revolution Playbook Exposed.⁵

217 As always, I did my own research into these things, verified every
218 particular as true, and also I carefully provided documentation in
219 these notes for those who want to do some further research.

220 I talked about how the left has succeeded to put in place most of
221 what they need to pull off a REVERSAL OF THE AMERICAN
222 REVOLUTION in the first segment. Having laid the foundation,
223 they have not been able to pull it off—the salt and light of the
224 CHURCH continues to frustrate their efforts—and now their idea
225 of DEMOCRACY is being directly challenged, and their globalist
226 agenda is being seriously set back—so they have pulled out all the
227 stops, and they are in full REVOLUTION MODE — and they are
228 very possibly going to succeed at triggering a CIVIL WAR in
229 America. And, once again, it will be the SLAVE OWNERS fighting
230 to protect their RIGHT to KEEP AMERICANS ENSLAVED.

231 First, these seven pillars of revolution have been carefully crafted
232 over years of US foreign affairs interventions — drawing upon
233 lessons learned from past regime change revolutions, like what
234 happened in Iran, even earlier, for example, Russia, Cuba, and
235 China. American's are not keen on bloody revolutions. So we have

⁵ <https://www.theblaze.com/glenn-beck-special/the-lefts-color-revolution-playbook>

236 concocted the seven pillars approach, something called COLOR
237 REVOLUTION. Our own CIA has crafted a system for instigating
238 regime change, which they have practiced and perfected. The most
239 recent example is what we did in Ukraine.

240 These sorts of regime change operations are called COLOR
241 REVOLUTIONS. Why is not clear. It was called the Orange
242 Revolution in Ukraine, and Bush referred to the Iraq revolution as
243 the Purple Revolution — but included in the list of Color
244 Revolutions are the Bulldozer Revolution in Serbia (2000), the
245 TULIP Revolution in Kergystan in -05.

246 The Purple and the Orange revolutions were very specifically
247 American in origin and operation—and this might be the reason
248 our CIA settled on the term COLOR REVOLUTIONS. The Color
249 Revolution strategy represents the culmination of work by our
250 government to produce a program by which we can flip a country
251 from dictatorship to democracy in a bloodless coup—or at least a
252 MOSTLY PEACEFUL COUP! You know, as in mostly peaceful
253 protest!

254 The pattern is a regime change triggered by a disputed election!

255 The idea is to use a disputed election to trigger a widespread citizen
256 rebellion against the existing government and fomenting that into
257 an uprising that provides cover for the operatives to launch
258 movements of groups that were organized in advance for this
259 purpose, to take over the government and effect a regime change in
260 the target country: ostensibly, from a dictatorship to a democracy.⁶
261 It is hoped this will be done bloodlessly, but if violence is needed,
262 they are ready to move to that level if necessary.⁷

263 Okay, so, how does this apply to what's going on here in America
264 today?

265 Look at the seven steps: (Now, you need to remember that this is
266 something our own CIA has done in other countries several times.
267 They are practiced at this.)

268 First, identify leader targeted for regime change as a fascist, make
269 him out to be a dictator; use every opportunity to label him and
270 identify him with Hitler. This has been going on against Trump
271 almost from day one of his presidency.

272 Second, use every opportunity to encourage public antipathy for
273 the targeted leader. Generate as much dislike and distaste for him
274 as possible to make him generally unpopular. Create an
275 environment for him that makes it almost impossible for him to
276 lead — encourage a polarization of the community over his
277 personality, character, policies, anything. Create an environment
278 where people take sides and hate each other: you support him, I
279 cant have anything to do with you.

280 Third: the controlled media begin fomenting fears of election fraud
281 — the media promotes compromise in confidence in the election.
282 In our case, repeating over and over that Trump will not accept the
283 election results — establishing the foregone conclusion that Trump
284 will lose, because, of course, everybody hates him, and generate
285 anxiety and fear that he will refuse to leave the WH. I would add,
286 set up ELECTION FRAUD and let it occur openly, blatantly, in
287 order to compromise confidence in the results no MATTER WHO
288 WINS. They want you to be angry about the ELECTION whether
289 or not Biden wins.

290 Fourth: Then comes ELECTION DAY — Massive Election fraud is
291 perpetrated and it's done in open and blatant ways. The important

<https://www.theblaze.com/glenn-tv/obama-administration-plan-color-revolution?rebelltitem=1#rebelltitem1> AND
<https://www.conservativedailynews.com/2020/09/what-is-a-color-revolution/>

292 thing to these people is getting rid of Trump and at the same time,
293 triggering a crash and burn of the entire system. (The "system"
294 betrayed them in 2016 — and this is PAY BACK!)

295 Fifth: Independent media is given all it needs to VERIFY the
296 FRAUD — it's very important that every body knows the election
297 results are tainted with FRAUD —

298 Sixth: Now they unleash their organized "spontaneous" uprisings
299 all over America.

300 And SEVENTH: and last — the police and the military are divided,
301 with no clear succession of power in place, there is confusion how
302 to react to the widespread violence erupting all over America —
303 these forces begin to align, and general Civil War begins to
304 develop.

305 Now, here is my prediction. I think it will fail. Just like all their
306 prior efforts to effect a coup, to reverse the results of the 2016
307 election, to get rid of Trump—they've all fallen back on them! I
308 realize this is the most intense effort to overturn the will of the
309 American people that we have ever seen — but still — the
310 CHURCH is IN THEIR WAY! I'll preach on that this Sunday — be
311 there. But the CHURCH continues to be IN THEIR WAY!

312 There are over 60 million Americans that are charged up and ready
313 to defend the integrity of our elections — we need to pray God will
314 break through the hardened and deceived hearts of many on the
315 left to see that this is WRONG — voter fraud is wrong, cheating is
316 WRONG! That agitating Americans to hate each other over
317 political differences is WRONG! And that enough of these people
318 will come out and say NO! We are not going to participate in
319 destroying our own COUNTRY like those fools who are destroying
320 their own neighborhoods.

321 I don't know exactly how this will play out, but I am confident God
322 is not going to turn us over to the hands of these unreasonable and
323 wicked men and women—at least not now!

324 It's not because Paula White is chanting and speaking in tongues,
325 and muttering about releasing angels from Africa??? What a bunch
326 of nonsense. She is an embarrassment and ridiculous. It's not
327 because some Christian has claimed God told him Trump will
328 win—any time God begins a MOVEMENT, the DEVIL tries to join
329 it—the devil possessed damsel that followed Paul and Silas crying
330 "THESE MEN PREACH THE TRUE SAYINGS OF GOD" —
331 trying to identify her false teachings with the CHURCH — that
332 always happens. We need to turn on these charlatans and
333 command the devils to depart that are trying to use them to
334 identify their false religions with a MOVEMENT OF GOD.

335 No! My prediction is based on biblical discernment about how God
336 intervenes in the affairs of men—that HE gives "the kingdom" to
337 whomsoever He wills—that the "violent take it by force" but that
338 God is greater than the devils trying to take this nation by force—
339 and there is a RESISTANCE against the DEVIL that is REAL and
340 EFFECTIVE — and that as He promised, He will hear our
341 prayers—so I'm confident GOD is still on His throne, and He has
342 not changed; that He has a remnant that He will not forsake, and a
343 CAUSE to fulfill—our MISSION, to preach the GOSPEL OF THE
344 KINGDOM to every nation. Furthermore,

345 I believe three things are always true even when appearances
346 suggest otherwise: First, all things work together for GOOD to
347 them that love Him, Second, HE CONTINUES to be able to DO
348 EXCEEDINGLY ABOVE AND BEYOND ANYTHING WE ASK
349 OR THINK, and third, His eyes are ever on a diligent search for
350 someone on whose behalf He might show His strength, looking for
351 someone with sufficient faith to move in with his SUFFICIENT

352 GRACE — to hear our cry, and show us GREAT AND MIGHTY
353 THINGS that we CAN'T IMAGINE.

354 And finally, God holds the scales and America is being weighed in
355 the balances. Our leader has not done what Belshazzar did—he has
356 instead done the opposite. In other words, the reason we are in our
357 mess is not because our leader has blasphemed God, or taken the
358 treasures of God's HOUSE and opposed faith, persecuted believers,
359 attacked the righteous — instead, this leader has stood for LIFE, for
360 LIBERTY, and for the PURSUIT of HAPPINESS — I mean
361 literally; he has acknowledged FAITH, acknowledged GOD, and
362 affirmed our Christian heritage.

363 WE are under attack—and our past sins as a nation have certainly
364 come upon us—but it's the attackers that are blaspheming God,
365 ridiculing faith, snarling at religious liberty, and freedom to
366 worship—I think the scales are going to tip in favor of a
367 continuation of our liberties.

368 I can't detail how this will play out in the particulars. But I know
369 these things to be true—and so let's Trust in the LORD with all our
370 hearts, and LEAN NOT to our OWN UNDERSTANDING, in ALL
371 OUR WAYS acknowledge Him and He will DIRECT OUR
372 PATHS.

373 I know that some of you listening to me know that you support a
374 namby-pamby, milquetoast, wet noodle ministry but you go on
375 with it for, I don't know, most of you because you are too much a
376 coward to do what needs to be done — that's all! Everyone
377 listening to me knows I'm not trying to be "popular" with anyone;
378 I'm just trying to get people to face the TRUTH! Sunday night, I'm
379 preaching a message that explains how we got into this mess and
380 how to get out of it — and it's NOT THE SAME STUFF YOU'VE
381 BEEN HEARING OVER AND OVER — if you want a definitive
382 BIBLICAL analysis of what is wrong and what must be done
383 about it, come Sunday night at 5 pm.

384 I have lit the lamps in the Church belfry arch and now you let me
385 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
386 ON and you will ride like Revere and spread the warning,
387 (essentially, it means you agree with what I'm saying) or you say
388 LIGHTS OFF -- which means you reject what I'm saying and
389 disagree strongly with me. So, what will it be today, lights on, or
390 lights off?
