How You Count Votes. (Rant II)

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 [TRUTH]

5 If you did not get the word, President Trump has asked for letters
6 from voters concerned about the rampant fraud perpetrated upon
7 the American citizen in this election in which we DEMAND AN
8 AUDIT OF THE ELECTION IN EVERY STATE to restore
9 confidence in our elections. I wrote mine, Becky has written hers,
10 and we are sending them today.

11 There appears to be a new office of President-Elect! The democrats
12 have no shame, but that's not something surprising to us. What is
13 new is the open aggression against their opposition. Civility is
14 gone! It started disappearing when they decided the best way to
15 convince people not to support Republicans was by making
16 Republicans out to be mean, cruel, and unfeeling creatures that
17 would rather feed dog food to Grandma than cough up a few bucks
18 to help her out; repeatedly presenting a caricature of Christian
19 Conservatives as "Neanderthals," hating humanity and desiring all
20 mankind to die of carbon emissions, or smog, or deforestation, or,
21 well, you get the idea. The rhetoric from the left has been brutal,
22 and when some on the "right" began firing back at them, defending
23 themselves, and exposing their hypocrisy — that's when they
24 became really nasty. Now it's an open hostility!

25 So the options for peace with the Progs are very similar to those
26 offered by Islam.

27 You can convert to Islam, always preferred. Or you can submit to
28 their rule over you, and pay their jizyah, the tax levied upon the
29 sub-classes to show subservience to the ruling class. The third
30 option is to die.

31 That's the "unity" Libs call for today. You can convert to become a
32 Progressive. That's always preferred and they will welcome you
33 with open arms. But, if you refuse to be converted, you must be
34 willing to surrender to their right to rule you, and you must not
35 dispute that right, or in anyway protest against their SOVEREIGN
36 RIGHT TO RULE. If you refuse to convert, or submit, you must be
37 eliminated.

38 Now, in America, you can't go around killing people—except when
39 you have the cover of a disease, like COVID-19. Then you can herd
40 people, old people, those you consider beyond their usefulness to
41 society, you can herd them into their acid showers — Oh, well,
42 okay, not acid showers, but COVID dens—you can order the
43 nursing homes to admit elderly COVID patients to infect the
44 entire population in your nursing home and kill so many people—
45 did you know that tens of thousands of the deaths from COVID
46 are elderly people in the States of NY, MI, CA, and MA. Did you
47 know that 42% of all COVID deaths — that's 42% of 240,000 (is
48 that where the count is now?) — are all from three states: NY, MI,
49 and MA. That's over 100 thousand of the 240k. (This is staggering.
50 You do remember that Fauci-Birx announced early on they were
51 changing the way COVID deaths would be counted, allowing
52 coroners to indicate COVID-19 as cause of death even if the
53 coronavirus was not the primary, or even the initiating cause of
54 death. I wonder HOW MANY COVID DEATHS THERE
55 WOULD BE IF WE COUNTED THEM THE OLD FASHIONED
56 WAY? SORT OF THE SAME QUESTION REGARDING VOTES.
57 I WONDER HOW MANY VOTES BIDEN GOT IF WE
58 COUNTED THEM THE OLD FASHIONED WAY?)

59 For example, if you add in the Mail-In ballots that were back dated
60 to qualify them, you add upwards of 100s of thousands of votes —
61 virtually all for Biden, of course. And if you add in the many
62 thousands of pneumonia deaths to the COVID count, you can
63 push it up to almost 300k. Give them time! They'll find a way to
64 count all traffic accident deaths as COVID, like the guy who died
65 in a motorcycle accident and was "accidentally" included at a
66 COVID death, then they can get it over 300k, and who knows,
67 maybe finally they can manipulate the numbers up over 500k—
68 because they NEED THE PANIC. They NEED PANIC to
69 CONTROL the PEOPLE.

70 These libs! They are really something! They did the same thing
71 with the election they did with the COVID. Just manufacture
72 ballots for Biden.

73 Well, it's frustratingly true that a lie circles the globe before the
74 Truth gets its shoes on. However, the truth never lets up! Once it
75 starts the pursuit, wolverine like, it moves steadily, and NEVER
76 STOPS the pursuit. Hey, God-fearing PATRIOTS everywhere,
77 defenders of the truth—STAND! Don't let the enemy weaken you!

78 STAND.

79 Becky and I are busy trying to settle on another car. It's a long
80 story, something I'll probably chat about on our VISIT tonight!
81 Well, maybe not tonight! We have a three-hour drive ahead of us
82 and it does not look like we are rolling out anytime real soon: so,
83 perhaps tomorrow night. I'll have to use a encore for the next
84 segment.

85 But message right now to all of my friends is to STAND!

86 STAND is our theme for 2020. Interesting story there.

87 Usually, about now, I start thinking about the theme for the next
88 year. Last November, I thought about it, prayed about it, and it
89 seemed to me the theme should be STAND.

90 Some thought it was too short, and by itself did not seem to say
91 enough! So I thought about expanding on it and making it a
92 statement, but as I did, seriously, I kept feeling like no, it needs to
93 be STAND.

94 Little did I know that we would face such a serious challenge to our
95 STAND!

96 But I am happy to report, LBC has STOOD! We have withstood
97 the evil day — and the winds of EVIL that have torn through our
98 nation like a Tsunami are not over yet. We must continue to
99 STAND.

100 I hope by Christmas we will finally get a break. Pray that we will!

101 Before I close this segment, I thought I'd read to you my letter to
102 the President and remind you to write and send a letter demanding
103 an AUDIT of the ELECTION in EVERY STATE.

104 LETTER TO THE PRESIDENT:

105 Dear Mr. President:

106 Multiple reports of egregious voter fraud, far beyond the usual,
107 compounded by the "glitch" discovered in the Dominion software,
108 and the refusal on the part of Democrats to follow the law in
109 allowing observers to monitor the counting of ballots, has
110 undermined my confidence in the entire election system in
111 America. This is outrageous! Am I living in a third world banana
112 Republic? This is America! Every *legal* vote must be counted and
113 it must be done according to law, not according to the whims of
114 persons who have no legal standing to alter the laws of their
115 respective states. Every illegal vote cancels the vote of an
116 American citizen and disenfranchises the People from their rights
117 to participate meaningfully in the electing of officials. There is
118 nothing more sacred in a free society than the voice of the People
119 in choosing their leaders.

120

121 I demand a full audit of every State. This election cannot be called
122 until we know every legal vote has been counted, and the right of
123 the People to decide who will lead them is secured.

124 Okay, my friends! STAND.

125 Hold on through the break; I'll be right back.

126 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
127 at the Lighthouse, your brain masseur, and Paul Revere's lantern
128 lighter, lighting the lamps in the church belfry arch, signaling the
129 enemy is on the march, an enemy that would steal from us our
130 liberty.

131 FROM SHOW NO. 796 — The Rant!

132 Mercy! I've got to open the valve here and vent or the pressure is
133 going to explode in my brain! The prophet Isaiah said,
134 JUDGMENT IS TURNED AWAY BACKWARD AND JUSTICE
135 STANDS AFAR OFF—WHY, BECAUSE TRUTH HAS BEEN
136 CAST INTO THE GUTTER. (Isaiah 59:14) I HAVE PICKED UP
137 THE TRUTH AND CRYING FOR JUDGMENT TO TURN
138 AROUND, AND GRAB JUSTICE AND RETURN TO THE
139 STREETS OF AMERICA! — (venting sound)!

140 Gavin signs bill to reduce penalties for sodomy with minors. (2.1)
141 That's what liberalism does—it removes divinely appointed
142 barriers to evil and invites the monsters to prey upon our children.

143 A transsexual satanist anarchist wins the GOP nomination for
144 sheriff in Cheshire County, New Hampshire. It's a male
145 pretending to be a female, who ran for the office of sheriff on the
146 BLM slogan: F* the police. (You understand that Satan loathes
147 bringing new little baby humans into the world so he advocates for
148 the killing of babies and denigrates the marriage act with language
149 that makes it vile, cheap, dirty: like plugging seed into the dirt.
150 That's what the word derived from French actually means, by the
151 way: you know, anything to degrade humanity.

152 Like the BLM protestor that videoed a protestor shooting two
153 police officers at point blank range, practically making a joke out of
154 it, and the BLM protestors on the scene that followed the
155 ambulance carrying the wounded officers to the hospital and
156 staged a protest outside chanting support for the shooting and
157 hopes the cops would die — you know — what the left calls
158 peaceful protests —

159 Like the Portland Oregon woman who was asked about the killing
160 of Aaron Danielle by ANTIFA murderer Reinohle, said, "So the F*
161 what!" and she was told the man shot by Reinohle died, said,
162 "Tough luck! So, don't be a Trump supporter in Portland." Hmm.
163 Sounds like she is taking the advice of Maxine Waters—you know,
164 get in their faces, and let them know they are not welcome.

165 And the Biden supporter who went on a rampage punching Trump
166 supporters in the face at a MAGA rally, including an elderly
167 woman that the Left love so much they want to protect them from
168 the CCP-Virus—you know, the one's Cuomo, Newsome,
169 Whitmere, and Wolf sent into Nursing homes to die of COVID so
170 Biden could blame Trump for killing everyone who died of their
171 COVID — yeah, the DEMOCRAT COVID-2020 campaign
172 strategy. There is something called COVID-19 that refers to a virus
173 that we are hearing now was manipulated in a Chinese lab and
174 when released into the general public, China shut down travel from
175 Wuhan to anywhere in China but allowed travel to everywhere else
176 in the world—that one! But then there is the panic and fear
177 generated by the DEMOCRATS as part of their 2020 campaign—to
178 shut down the economy, and free up hundreds of thousands of
179 government employed teachers from their tasks to spend full time
180 campaigning for Biden—you know, it takes a lot of man power to
181 fill out all those millions of mail out ballots to get them in on time
182 to sabotage the election—so it's the DEMOCRAT COVID-2020
183 campaign strategy—that includes keeping you afraid to breath the

184 air GOD GAVE YOU so they can keep you away from the POLLS
185 — yep — that's the DEMOCRAT COVID-2020 campaign strategy.
186 Because they care so much about human life and dignity—they lie
187 to you about the mask—even now saying the mask is MORE
188 EFFECTIVE THAN A VACCINE to protect you — knowing that
189 is a LIE — but it's important to KEEP EVERYONE OBEYING
190 THEM, it's important to KEEP EXERCISING CONTROL over the
191 PEOPLE — finally, they will break our will to resist and we will
192 accept the SHACKLES of their OPPRESSION — we will become
193 docile, and submit to our MASTERS — but they don't follow the
194 rules. Rules are not for rulers — they are only for the ruled — that's
195 the DEMOCRAT's version of DEMOCRACY.

196 You can't have a gun but we have people with guns all around us to
197 protect us, but you cannot have a gun. Yeah. Harris is surrounded
198 with government men with rifles, the same kind of rifle she wants
199 to take away from you, and promised she would, if president, even
200 if she has to use executive order to do it. But men with the same
201 guns she wants to take away from you are okay in the hands of
202 government secret service tasked to protect her. And Nancy wants
203 to fine you if you go to a hair salon, but she can go to a hair salon,
204 because she is special, she is a DEMOCRAT RULER — democrat
205 rulers make rules for everybody else, not for them. They are above
206 the law. If caught, she blames those that caught her for setting her
207 up. She called for the appointment—no! I did not, I hear her say.
208 Oh, that's right, you are too important to take care of so lowly a
209 task, you had your staff do it. Probably your housemaid! Or one of
210 your secretaries! Your office made the appointment you liar. But,
211 you can't lie, because you are the truth—right! So what you say
212 becomes true because you said it. And you care so much about
213 everyone that you rule over. Your sense of justice is warped! You
214 get caught breaking your own rules and become insulted and
215 indignant because someone set you up! Hah! Try that at the Great

216 White Throne when you stand before God and your crimes are
217 read from His BOOKS!

218 Distorted Justice:

219 Like the liberal Rhode Island Professor Erik Loomis who blogged a
220 protest against the police killing of murderer Michael Reinhoehl
221 (killer of Patriot Prayer member Aaron Danielle) when he resisted
222 arrest and threatened police—when told, well, the guy did murder
223 a man, said, "He killed a fascist. I see nothing wrong with it, at least
224 from a moral perspective." Of course, Patriot Prayer group does
225 not support, or condone, fascism and in fact has openly opposed
226 white supremacists, and denounced white supremacist ideology—
227 but, that does not matter, after all, as Shackelford says, if you are
228 white, you are racist, period! So, all whites must die. That or
229 become slaves. It's really a very simple thing! A long time ago,
230 some whites, relatively speaking, a few whites, owned slaves, most
231 holding them as indentured servants (which is wrong, by the way,
232 because it was not according to their own choice!) and then some
233 of these added the insult of physical abuse and cruelty—so the only
234 way to fix this is for all whites today to be vilified and killed,
235 because, well, that's justice in the eyes of these perverse BLM and
236 ANTIFA folks. So, let's see! Back in about 1400 BC an Egyptian
237 Pharaoh and the people of Egypt enslaved the Jews, and required
238 the Jews to give up their baby sons to be fed to the crocodiles of the
239 Nile, so what we need to do today is find every Egyptian in the
240 world and kill them—wait, but first, we need to remove their new
241 born sons from them and sacrifice them on the altars of whatever
242 gods eat babies today—oh, wait, there you go! Sanger got that
243 going already—it's called abortion, and the people that are being
244 wiped out by abortion are persons who claim a genealogical
245 connection with Africa—so what if it was only Egypt, close enough.
246 Right? Liberalism perverts everything, and mostly it perverts
247 justice.

248 It's war! It's a war against justice. It's a war against America!

249 Oh, talk about the liberal's war on America and the battle for
250 JUSTICE! On the latest effort to bring Obama administration syp-
251 gate operatives to justice: 41 subpoenas issued by Senate to compel
252 testimony. I know it is frustrating. The wheels of real justice do
253 move slowly. Liberal street justice—they roll fast, man—like Erik
254 Loomis, professor from Rhode Island — just call a guy a fascist
255 then shoot him. Simple! Call all white people racist, then shake
256 them down for reparations. Simple! Maybe it's a good idea to let
257 the wheel of justice move at a pace that allows, well, JUSTICE to be
258 done. You know, the whole innocent until proven guilty thing has
259 something to recommend it.

260 Soros is off limits at Fox? Hmmmm! I agree with O'Reily—there is
261 something really, really wrong here. I watched that clip on FOX
262 and it was very strange. Newt was making the point that Soros had
263 invested something like 17 million dollars in local DA races to
264 place anti-American, Soros puppets in position to, well, do exactly
265 what they are doing right now—releasing criminals into the streets
266 to "protest" — to kill, maim, destroy property, create unrest.
267 Hmmmm! This was an odd thing for Soros to invest so heavily
268 in—I wonder, did they have this planned all along? Put these
269 liberal America hating DAs in position to support this attack on
270 America that's going on right now in BLUE states! Then 50 million
271 poured into BLM to help that organization grow—a memo from
272 the SOROS group explaining they wanted to help them end
273 systemic inequality in America! Really? Yeah! It's out now! It's out
274 there. It's what we've been saying right along — SOROS is funding
275 BLM. Soros is attempting to run a counter-revolution in America
276 — a revolution intended to overturn the revolution of 1776.

277 But it was eerie! I did not see the entire thing, but what I saw, a
278 voice interrupts Newt and says, "Soros does not need to be a topic
279 in this discussion." Then another party to the conversation says, I

280 agree—and the main host, Harris Faulkner, was obviously
281 surprised, and uncomfortable, and Newt was shocked — it was a
282 very weird moment on TV — later Faulkner expressed her
283 disapproval that Newt's voice was shut down like that — so, you
284 can't mention Soros — But, it got out! Soros owns BLM. And it
285 appears he owns at least some voices on FOX too.

286 BLM is now connected directly to the CCP — yep! Soros owns
287 them, and now they are connected with the CCP — you know, the
288 CHINA COMMUNIST PARTY? From Liberty Bell — We all know
289 the founders of the BLM are proud Marxists who have a lot in
290 common with Communists. So, really, this is not a surprise.

291 But BLM created another group called BFL — Black Futures Lab.
292 On the website of BFL you will find this statement: "Black Futures
293 Lab is a fiscally sponsored project of the Chinese Progressive
294 Association." So, what is the Chinese Progressive Association? It
295 was founded in San Francisco in 1972, during the Asian-American
296 Movement—a Marxist advocating movement in America. It
297 promotes the image and the interest of the PEOPLE'S REPUBLIC
298 OF CHINA. Its mission statement includes, promoting awareness
299 of mainland China's revolutionary thought and worker's rights,
300 and dedicated to ... COMMUNITY CONTROL." Hmmm. Doesn't
301 Feinstein have an office in San Fran?

302 The Chinese want Biden to win. The Chinese Communist Party
303 owns the Democrats. The DEM House wants to ban use of the
304 expression China-virus because it is discriminatory against
305 Asians—yeah; it's supposed to be anti-Asian. Uh, friend, the
306 communist party in China is ANTI-ASIAN. But, okay, let's call
307 COVID-19 the COMMUNIST VIRUS. Or the CCP-virus. And the
308 DEMOCRAT COMMUNIST-2020 campaign strategy.

309

310 I have lit the lamps in the Church belfry arch and now you let me
311 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
312 ON and you will ride like Revere and spread the warning,
313 (essentially, it means you agree with what I'm saying) or you say
314 LIGHTS OFF -- which means you reject what I'm saying and
315 disagree strongly with me. So, what will it be today, lights on, or
316 lights off?
