

Brain Massage®: Show No. 806 Happy Thanksgiving News! / Debunking The Popular Theories Explaining What's Going Down in America!

Jerry Scheidbach

Original Air Date: 11.27.20

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Happy Thanksgiving! Typically, I would visit with you about the
5 beginning of this holiday at Plymouth Rock, the truth about the
6 Pilgrims and the Indians and the fact that while there were many
7 who came to this continent to exploit its resources for greed
8 (Remember Jamestown), those that actually settled and founded
9 this country came for FREEDOM believing ALL MEN ARE
10 CREATED—ALL CREATED EQUAL—and ALL ENDOWED by
11 their CREATOR WITH CERTAIN INALIENABLE RIGHTS!

12 And I don't want to anticipate Christmas, but as I prepare the
13 Thanksgiving show for 2020, I can't help but think of George
14 Washington kneeling in the snows of Valley Forge — the Army
15 had suffered a string of discouraging defeats, and the loss of their
16 capital—Philadelphia. Washington hit a low point, his army
17 destitute, and on the verge of dissolution. They endured the
18 hardness of that hard snow and discouragement and managed after
19 to march on Philadelphia and retake it for America—and from
20 there, through many more hardships, finally, to defeat the British
21 Army and secure our liberties.

22 We are going through times that try men's souls. And it might get
23 worse before it gets better! But we must not give up on Liberty! We
24 must NEVER surrender our liberties. We do not have a right to do
25 so. We have no right to deprive our children of the liberties we
26 have enjoyed at the cost of so much paid by so many before us and
27 for which we have paid so little. So, don't complain about the

28 present struggle, don't join the raging of the heathen, PRAISE
29 GOD and PASS THE AMMUNITION.

30 And may it be that this test of our strength to stand against
31 TYRANNY will not require bullets — let the BALLOTS speak! But
32 only the TRUE BALLOTS — only the LEGAL BALLOTS.

33 Every case, and there are hundreds of cases, and every case of voter
34 fraud was for Biden. Nothing is clearer to any reasonable and fair-
35 minded American than this — the Democrats attempted to steal
36 the election by fraud and by manipulation of the system. One
37 Democrat boasted one thing about the DNC is "we've got game."
38 Indeed, they do! And their game is deceit, manipulation, and
39 outright fraud.

40 I call on Biden to concede, at least to this, that he supports
41 transparency in American Elections, that he has sufficient
42 character to recognize the importance that no one takes the oval
43 office by force or by fraud. Biden must concede for the good of
44 America! All the fraud came from his party.

45 Are you getting worn out with this election? Don't become "weary
46 in well doing," — Satan always tries to wear us out, get us to back
47 down and back off. Stand Strong, Patriots. Where the Spirit of the
48 LORD is there is LIBERTY. The Spirit of the LORD is in us and He
49 that is in us is GREATER than he that is in the world. They that be
50 WITH us are greater than they that be with THEM.

51 For this Thanksgiving special I'll not hide from the issues but
52 address them straightforwardly, with clarity, courage, and the
53 conviction that RIGHT will PREVAIL, that GOOD will prevail,
54 that RIGHT makes FIGHT, and the FIGHT FOR RIGHT has GOD
55 ON ITS SIDE. No matter how bleak it gets in any moment of our
56 BATTLE FOR AMERICA—we know this — OUR GOD
57 REIGNETH in the kingdom of MEN — He has a remnant that He
58 never forsakes, and OUR MISSION NEVER CHANGES.

59 The GOOGLE stole the election theory. The GOD hates America
60 and has given up on her theory! Or a variation on this, which says:
61 whoever ends up in the Oval Office ends up there by the WILL OF
62 GOD. The God is moving us toward a RESET for LIBERTY and
63 JUSTICE for ALL and filling the cosmic toilet with the DEEP
64 STATE before He FLUSHES.

65 It's time for your brain massage.

66 [TRUTH]

67 Tucker believes "the story" in this election is the social network
68 media's effort to censure the RIGHT and provide a megaphone for
69 the LEFT. It's the GOOGLE did it theory. Tucker has been
70 stumbling around a bit lately and I'm not sure what it's about. But
71 he could not be more WRONG about the GOOGLE did it theory.

72 Let me 'splain. (Hi Mike!)

73 No question GOOGLE tried: it's certain that Larry Page and his
74 partner, Russian born, Sergey Brin, founders of GOOGLE, along
75 with major share holders John Marcante, managing director of the
76 Vanguard Group's information technologies division, Larry Fink,
77 CEO of BlackRock (the number one largest money-management
78 firm in the world, and Thomas Price founder of T. Rowe Price
79 corporation, a multinational investment and mutual fund firm—
80 combined their resources to make every effort to manipulate this
81 election, but they failed! Angry that Trump successfully went
82 STRAIGHT to the VOTERS with his message unfiltered by the
83 traditional PRESS they conspired to CONTROL the flow of
84 information and remove Trump and his supporters from their
85 platforms—essentially, they tried to FORCE US OUT OF THE
86 PUBLIC SQUARE.

87 But THEY FAILED! Trump's message did get out, they only
88 succeeded at exposing the truth about the DEMONCRATIC party

89 today, that they are all fascist dictators who fear the PEOPLE and
90 want to CONTROL THEM, to enslave them.

91 TO say GOOGLE stole the election admits the election was lost to
92 people who voted freely but ignorantly. THERE IS NO LAW
93 AGAINST VOTING IGNORANTLY.

94 The fact that TRUMP got more votes than any President in history,
95 and that Biden got more votes than OBAMA is and ABSURDITY.
96 No one believes this. Even 30% of Democrats think the election
97 was stolen by Biden. Another 20%, I think, believes this also and
98 they are congratulating themselves on the heist. Only a few actually
99 think Biden drew 80 million votes. For one thing, where were they
100 during his campaign? And for another, where are they now?

101 GOOGLE did not sway 6 to 7 million votes to Biden. Virtually ever
102 vote that actually went to Biden was going to Biden, and many
103 otherwise Biden votes actually went to Trump. Trump won in a
104 landslide! GOOGLE, I'm sure, helped shore up some of the
105 Democrat votes that would have followed the millions of other
106 Democrats that fled the party—defund the police? Really?—and
107 Google no doubt succeeded at keeping the Trump message from
108 some in the "middle" — but friend, the "middle" is rapidly
109 vanishing in America. The middle is no longer able to make or
110 break an election in America.

111 GOOGLE's efforts are wicked, and vile, and stink of NAZI fascism,
112 GOOGLE, together with FB, Twitter, and the MSM certainly
113 aligned together in a conspiracy against Democracy, against fair
114 and honest dialogue and against a fair and honest election—they
115 are conspirators against AMERICA—but the American people saw
116 through it.

117 It did not work. Trump won by a landslide. Anyone who believes
118 Biden got 80 million plus votes is a Google-head!

119 Now, Tucker Carlson thinks “this is the story,” about the stolen
120 election; but I don’t agree!

121 But let me tell that that if it is “the story,” if people decided to vote
122 Biden based on the manipulation of Google, then the issue is not a
123 legal one that can have any effect at all on the outcome of this
124 election. It tells us something has to be done about the monopoly
125 the left has on control of the PUBLIC SQUARE and access to it.
126 But that is not an argument that leads to a legal correction to the
127 vote. It says people voted ignorantly, but ignorant voting is not
128 against the law.

129 I'm telling you that the effort to shift attention to this is a
130 MISTAKE! And, happily, the Trump team is not biting. Thank
131 God.

132 Where we have a legal problem is when votes were stolen. The
133 "story" brother Tucker, is not how the people were manipulated,
134 that's *a story*, and an important one, but *the* story is voter FRAUD.

135 Just like Biden admitted: he and Obama created the "most
136 extensive and inclusive voter fraud organization in history of
137 American politics." That's a direct quote! This is WHAT BIDEN
138 SAID. When you look at how massive, and how extensive was the
139 voting fraud in this election, it's obvious that Biden knew what he
140 was talking about. Clearly, this was the most extensive and
141 inclusive voter fraud organization ever put together by wicked men
142 in the history of American elections.

143 So, what about the GOD hates America and has given up on her
144 theory! Or a variation on this, which says: whoever ends up in the
145 Oval Office ends up there by the WILL OF GOD. We can call this
146 one the Sovereignty Argument! It says, effectively, that if Biden
147 ends up in the WH it is because God wills it—it's God's choice.

148 It's a core tenant of Calvinism articulated in the Westminster
149 Confession that "**God**, from all eternity, did, by the most wise and

150 holy counsel of His own will, did f-reely, and unchangeably ordain
151 whatever comes to pass." So, God ordained every thing that
152 happens. An auxiliary to this is that God's will cannot be
153 disappointed. I've written a thorough study on what are called the
154 five points in a book called Calvin's Maze — you can search it
155 online — it should be the first hit on your search.

156 It's a gross distortion of a truth. Indeed, over all and in the end,
157 GOD's WILL will PREVAIL and every being with a knee will BOW
158 and confess that JESUS CHRIST IS LORD. But not only is it
159 manifestly not true that God's will is always done in Earth as it IS
160 in Heaven, but God Himself sometimes is compelled to act
161 contrary to HIS OWN WILL.

162 First, why do we pray, "Thy will be done in Earth as it is in
163 Heaven," if whatever happens is by default God's will? The evil that
164 comes into the world is the consequence of men acting
165 CONTRARY to the WILL OF GOD — and anyone playing the
166 game of saying, well, God who creates evil in response to sin or
167 trespass, did so because it was His will that evil would come into
168 the world as a consequence of sin — is playing a shell game with
169 the truth. God "unwillingly" afflicts with evil those who commit
170 sin—but He does it unwillingly! Proof? Lamentations 3:33,
171 Jeremiah testified: "For he doth not afflict willingly nor grieve the
172 children of men." And He is "not willing that any should perish"
173 but He testified that "many" will come to Him begging entrance but
174 will be denied—so, please, if you have been hoodwinked into the
175 double talk of human theological-rationalism, just take what the
176 Bible says and be done with this nonsense.

177 It's true that God gives the kingdom to whosoever He will (Daniel
178 4:17, 25, 32) and the reason He took it from Judah and gave it to
179 Nebuchadnezzar was that "They (Israel-Judah) have set up kings,
180 but not by me: they have made princes, and I knew it not" (Hosea
181 8:4). These kings and princes the PEOPLE put in power in the

182 kingdom perverted the nation and brought it to ruin. The people
183 defied God and gave the power of the kingdom to men God did
184 not CHOOSE and did this contrary to His LAW, which was given
185 by Moses in Deuteronomy 17:14-20.

186 I'll have to take a short break. When I get back, I'll explain why
187 God DID NOT CHOOSE BIDEN TO BE PRESIDENT OF THE
188 UNITED STATES.

189 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
190 at the Lighthouse, your brain masseur, and Paul Revere's lantern
191 lighter, lighting the lamps in the church belfry arch, signaling the
192 enemy is on the march, an enemy that would steal from us our
193 liberty.

194 Some Happy Thanksgiving news for you! Trump pardoned
195 General Flynn. Sad that our President had to step in with a Pardon
196 for an INNOCENT MAN! But grateful he had the courage and
197 character to DO IT!

198 More happy Thanksgiving news: The Trump team actually won
199 their bid to the state legislatures of PA, AZ, and MI, to hold
200 PUBLIC HEARINGS on the 2020 Election. This is something
201 Trump has been calling for right along — that the State
202 Legislatures should step in to settle this issue since that is their
203 CONSTITUTIONAL ROLE. You do know that the Governors and
204 election board bureaucrats changed election law in their state, and
205 made rules without due process which REQUIRES the State
206 legislatures to make laws governing elections and that these
207 changes in the rules actually provided the opportunity to the
208 Democrats to commit egregious levels of voter fraud and steal this
209 election.

210 We may take comfort in the fact that these States have Republican
211 controlled State legislatures—but that is ONLY because we know
212 that most conservatives are Republican today, and

213 CONSERVATIVES care about truth as an objective reality, they
214 care about the RULE OF LAW and we hope therefore they will
215 look at this situation honestly, humbly, and not as partisans
216 representing a certain Party, but as AMERICANS representing our
217 CHERISHED VALUES—and insist upon a FAIR and HONEST
218 and LEGAL ELECTION.

219 More good news! A lower court in Wisconsin ruled that over 200k
220 voters must be purged from the voter rolls, which should nullify
221 their votes. 150k ballots were called out for address irregularities
222 that disqualify them from being counted in Wisconsin. I don't
223 know if these 150k are part of the 200 — but, in either case, this
224 certainly impacts the election in Wisconsin. An appeals court put a
225 stay on the order to purge the 209k voters from Wisconsin rolls, all
226 votes that came in after the mysterious count shut down on
227 election night — while they investigate the issue; but, you see, the
228 fraud was extensive.

229 More Happy Thanksgiving news: we have been assured that Powell
230 is going to release the Kraken today (I'm producing the show on
231 Wednesday because the radio folks want to take Thanksgiving off
232 — imagine! But that's the way it is! hehe!)

233 Powell set to release the Kraken today in Georgia. We will see, I
234 hope soon, the TRUTH come out that will begin toppling the
235 strongholds of deceit holding our nation in bondage to
236 unreasonable and wicked men and women—where Satan has
237 contrived to bind JUSTICE and spoil the HOUSE OF LIBERTY—
238 putting the DOJ in the grip of oppressors. Pray Satan's hold on
239 justice will be broken TODAY!

240 So, the GOOGLE did it theory — no! Google did not steal the
241 election, but they are certainly working hard to STEAL AWAY
242 OUR FIRST AMENDMENT RIGHTS—they are trying to bar us
243 from the Public Square. We must RESIST every effort on the part
244 of GOOGLE, ZUCK, JACK, and the CHINESE PROPAGANDA

245 ORGANS called the MSM to SHUSH OUR VOICES, TO COWER
246 US INTO SOME CORNER OF THE PUBLIC SQUARE WHERE
247 OUR VOICE IS HEARD BY NONE BUT OURSELVES — we
248 must BE HEARD! So, the GOOGLE theory is not the front line in
249 our battle for America — it's VOTER FRAUD!

250 How about the Sovereignty argument? No! God does not want
251 Biden to be President of the United States. If He allows it, it's the
252 same *allowance* He makes for the exercise of free will among His
253 creatures, where he *unwillingly* allows evil to afflict as a matter of
254 judgment upon evildoers. So, let's look at the God voted for Biden
255 argument.

256 It's absurd! God no more wants Biden for President than He
257 approved of those Israel put on the throne against His will—Hosea
258 8:4.

259 What? God votes for abortion up to term! I don't think so! God
260 prefers a leader who is up to his neck in corruption — yeah, sure,
261 God always picks those to rule who are wicked!

262 Hah, that bit in David about those that rule over men must “be
263 just, ruling in the fear of God” —hahhaaha, well, you know, that’s
264 just silly!

265 God likes to use those “base men” (yeah, I hear some out there
266 puffed up in their vanity imagining Daniel4:17 teaches God raises
267 up evil men to rule! The term basest of men refers to LOWLY, not
268 WICKED, not EVIL, not VILE—not OPPRESSORS! Ask Pharaoh
269 what God thought of his oppressive rule in Egypt.

270 But according to some He likes to give power to wicked rulers that
271 oppress people because, well, God does not care about this stuff.

272 Cause, really, God wants atheists to run the world — that’s His
273 preference.

274 He likes Socialism — especially that kind that GOES AFTER
275 POLITICAL OPPONENTS like what's his name.

276 You know, the has-been actor that recently said all who support
277 Trump had better be afraid of what's coming “when” Biden
278 becomes President —

279 You know, God likes those people who make lists of political
280 opponents to attack them to turn the power of the sword of civil
281 justice to persecute political opponents.

282 Actually, you did not know this, but actually God likes the China
283 Communist Party — he is all for that! He does not want righteous
284 people to rule in the Earth, He does not want His law to govern
285 men.

286 So He likes the Communist party. Of course the Communist Party
287 does not like Him, but that's okay, because God really likes those
288 Communists and prefers communism to biblical based capitalism
289 of the Adam Smith variety.

290 HAHAAHh — you did not know that God likes that system of
291 government that GIVES HIM A BREAK, MAN.

292 AWWW COME ON MAN, God is tired of carrying all this take
293 care of the PEOPLE stuff — it's time for the government to step in
294 and do the heavy lifting from now on! — Awww, come on ma! Let
295 the GOVERNMENT CARRY IT FOR A WHILE, huh! I mean, hey,
296 He has to feed all those sparrows, and keep track the number of
297 hairs on every head — he could use some help, you know! So, let's
298 have the GOVERNMENT TAKE CARE OF YOUR HEALTH, they
299 do such a great job at everything else.

300 Truly, GOD likes best the people that hate Him the most!

301 And a society where citizens turn on each other, and spread panic
302 about a virus that is ALL FAKE — well, this is God's favorite pass
303 time. Look, as you know, I'm being facetious.

304 Friend, what is going on in this country right now from the
305 Democrats comes from HELL and not from HEAVEN.

306 If God is not hearing us, you need to heed Isaiah 59, or James 3-4,
307 but don't give me this bit about the SOVEREIGNTY of GOD
308 favors the wicked over the righteous.

309 This is the sickest bunch of wickedness I've ever seen play out in
310 any election in America.

311 They MUST NOT WIN — not this way!

312 So, I need to conclude, and won't have the time I would like to
313 develop what I think IS going on, spiritually speaking.

314 The God is moving us toward a RESET for LIBERTY and JUSTICE
315 for ALL. Americans did not vote for this! If Biden had actually won
316 the American people over and they actually did vote for him to be
317 President — I'd be preaching sermons on how to live in Babylon —
318 and exhorting your to keep your windows open in PUBLIC
319 EXPRESSIONS OF WORSHIP—remember Daniel, and defy every
320 effort on the part of the STATE to press you to your knees to their
321 gods—remember Hananiah, Mishael and Azariah. You might
322 know them as Shadrach, Meshach, and Abednego.

323 And these are good messages for us today also, but today I'm
324 preaching the Adonijah Coup—I Kings 1. David was nearing his
325 departure and one of his sons, named Adonijah, decided to declare
326 himself to be king. Virtually all in the kingdom thought Adonijah
327 was the duly appointed King and he began performing the king's
328 duties, you know, appointing his cabinet, and posturing publicly as
329 THE KING. Adonijah called a feast to celebrate the transfer of the
330 throne from David to him and invited Joab, captain of the Lord's
331 Host (Military) and Abiathar the unfaithful priest (false religion),
332 and many other high ranking officers of the kingdom (all the Deep
333 State), but did not invite Nathan the Prophet, or Zadok, the faithful
334 priest, or the queen, Bathsheba, or her son, Solomon. The prophet

335 went to the Bride of the King and apprised her of the situation, and
336 advised her that unless she went to the KING and secured his help
337 Adonijah would surely be king and he has already made his list—
338 his list of political enemies that he will set out to destroy: the
339 rightful heir to the throne and all that supported him. The Bride
340 went into the chambers of the king and did obeisance — she bowed
341 down before him — and pleaded his promises to her. The King
342 heard her petition and rose up TO ESTABLISH THE TRUE HEIR
343 UPON HIS THRONE.

344 The parallels between Adonijah and Biden are clear. But consider
345 this. The Church is the BRIDE of CHRIST and she and her
346 children are targeted for destruction if Biden wins. The prophet,
347 the Holy Ghost appointed overseer of the Church, has gone to the
348 BRIDE and apprised her what to do—and the BRIDE of CHRIST
349 went into the CHAMBERS of the KING JESUS — for JESUS is the
350 KING, and ALL MANKIND are HIS SUBJECTS. And she went
351 appealing to Him according to HIS PROMISES to HER, and we
352 have good reason to believe the KING HEARD the CRY of HIS
353 BRIDE and will DELIVER US. For, my friend, let me tell you what
354 I know about God: the quickest way to HIS HEART is an honest,
355 humble, and holy PLEA FOR HELP!

356 Look at Psalm 107:23-32 — and attend our special Thanksgiving
357 service tonight at 7 pm at the LIGHTHOUSE.

358 They that go down to the sea in ships, that do business in great
359 waters; These see the works of the LORD, and his wonders in the
360 deep. For he commandeth, and raiseth the stormy wind, which
361 lifteth up the waves thereof. They mount up to the heaven, they go
362 down again to the depths: their soul is melted because of trouble.

363 They reel to and fro, and stagger like a drunken man, and are at
364 their wits' end. Then they cry unto the LORD in their trouble, and
365 he bringeth them out of their distresses. He maketh the storm a

366 calm, so that the waves thereof are still. Then are they glad because
367 they be quiet; so he bringeth them unto their desired haven.

368 Oh that men would praise the LORD for his goodness, and for his
369 wonderful works to the children of men! Let them exalt him also in
370 the congregation of the people, and praise him in the assembly of
371 the elders.
