Jerry Scheidbach

Original Air Date: 01.02.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 Happy New Year! — Let us play the men!
5 Remember George Washington? He said, "Truth will ultimately
6 prevail WHERE THERE IS PAINS TAKEN TO BRING IT TO
7 LIGHT." It's the "pains" needed to "bring it to light" that people,
8 especially politicians, have trouble with. Happily, some are taking
9 those pains...
10 The Georgia State Senate hearings are proceeding and Jovan
11 Pulitzer is pulverizing the *there is no evidence* spin the Tokyo
12 Rosies are singing—incessantly.
13 Congressional certification of the Electoral votes coming Jan. 6—
14 what MEN must do! Jovan and Gohmert are quitting themselves
15 like men. But Senator John Thune, McConnell and others have
16 joined the wussy pack. see 27.7
17 Jan. 6 — Gathering in DC to support the Constitution—my
18 message to Patriots: take the offense.
19 Nashville bombing update: I did a bit of research on this and if I
20 have time, I'll update you today — or I'll plan to address it during
21 our LIVESTREAM VISIT this evening.
22 2021—Certainly now IS the time for all good men to come to the
23 aid of their country.
24 My friends — it's time for your Brain Massage.
25 [TRUTH]

26 George Washington said, "Truth will ultimately prevail WHERE
27 THERE IS PAINS TAKEN TO BRING IT TO LIGHT."

28 We need men—Christian soldiers—who will "endure hardness."
29 But most politicians are averse to struggling upstream against the
30 flow, or against the wind—they are more like wind vanes that
31 change direction with the wind!

32 It's the "pains" the SCOTUS loathes. It's the "pains" associated with
33 taking a stand against the militant left today—the pains the
34 tyrannical Democrats will surely inflict, the "pains" — hassle,
35 trouble, attacks, and threats—that's why they want to "make nice"
36 with the bullies, they want to "find common ground" to make
37 "friends" of our enemies. What they don't understand is making
38 friends with a snake only ends up feeding the snake.

39 It requires doing a lot of uncomfortable things—it involves
40 exposing people as liars, and cheats; it involves sometimes
41 provoking the ire of powerful men and women who can hurt you,
42 destroy your career, cause "pain" to you and your family.

43 But that's sometimes the "pain" that must be endured to BRING
44 TRUTH TO LIGHT. And that is why we need MEN, not wussies
45 (by the way, do you know what that word means? It was
46 introduced in the 70s and no one knows how it originated. Yes, it is
47 a word, and it's used as a noun and a verb. As a noun it identifies
48 an ineffectual person. But it's use as a verb actually clarifies its
49 meaning when used as a noun. A wuss is someone who fails to do
50 something as a result of fear or lack of confidence). In this hour of
51 distress, we need MEN!

52 Most politicians are driven by a need to be LIKED! It's what wins
53 elections—it's also what corrupts them. They want their political
54 opposites to *like* them. They want the MSM to *like* them. For these,
55 success is getting others to *like* them.

56 In every encounter, if it concludes with you *liking* them, they
57 derive a sense of fulfillment, and they will go away believing the
58 encounter was *successful*.

59 This is McConnell, and his buddy Thune, and to a lesser degree,
60 Lindsey Graham, and others. They are convinced that getting
61 things done is about getting people to like each other.

62 Being liked is fine, except when you are dealing with snakes—
63 wicked men and women. Never trust the affection of a snake.
64 When you are dealing with wicked people, they will attempt to
65 "win" you in order to blind you. The only way to remain safe from
66 seduction by the wicked is to understand and embrace the natural
67 *enmity* that GOD has placed between the wicked and the righteous.

68 Remember? In the garden, God said to Eve that He would put
69 ENMITY between her seed and the seed of the Serpent. The
70 reference to her "seed" is to the incarnate SON OF GOD—
71 something we just celebrated at Christmas. Those who receive the
72 SON OF GOD are birthed to God—by the incorruptible *seed* we
73 are made children of *God*. These are called the children of
74 obedience, because they obeyed the GOSPEL command to repent
75 and believe on Jesus Christ to be saved from the WRATH OF THE
76 LAMB when He COMES to JUDGE THE EARTH.

77 The seed of the Serpent refers to the children of Satan—called the
78 children of disobedience because they refuse to repent and believe
79 on God's Son.

80 God put ENMITY between these seeds. Why would God put
81 ENMITY between the seeds unless it was His purpose to set them
82 at odds with one another? He does not want the righteous to "get
83 along" with the wicked. He is not interested in encouraging His
84 children to come under the spell of Serpents. And if you are paying
85 attention, that is exactly what happens. We send good men to

86 Washington DC and soon they begin trusting the false affection of
87 the snakes—and before long, they are gone.

88 Remember that while all men are sinners, not all sinners are given
89 over to the impulse of their sinful nature. I differentiate it this way;
90 all men are sinners, but not all men are wicked. The wicked are the
91 enemies of God, the enemies of righteousness, the haters of truth.
92 Not all sinners are haters of truth, not all sinners are dedicated
93 opponents of truth.

94 But any sinner, or saint, for that matter, who makes friends with
95 the wicked, will begin to see their convictions and their courage to
96 break down—their resistance to the seduction of the snakes will
97 break down until they are under the control of the snakes. From
98 there, all sorts of fleshly desires will begin to gain control of them
99 and over time, they will succumb to the darkness. It is not too long
100 before all the ideals that might have at first inspired them to aspire
101 to public service are gone, and all that's left is a Gollum like soul
102 haunting the dark caverns with only one all consuming passion:
103 protecting his ring of power.

104 What we need are MEN! Men of courage and conviction—men
105 who are not afraid of the "pains" necessary to bring TRUTH TO
106 LIGHT.

107 I put out a call for MEN on Wednesday night—check it out! I'll
108 abbreviate the message here as I conclude the first segment.

109 Israel was in trouble. The army was sandwiched between two large
110 batteries — Israel was outnumbered, and virtually surrounded.
111 They could not leave without exposing their rear to the enemy,
112 which would have meant certain destruction. We are in such a
113 case. We are surrounded! Children of disobedience, who hate God,
114 hate Christ, hate His true CHURCH, and hate biblical Christians
115 mass before us and behind us. Many silly wussies on the Right
116 think we should "negotiate" with snakes—they think we should

117 yield and run—they are unwise—they do not have the
118 understanding of MEN—they don't realize that these enemies of
119 our liberties will never willingly yield and we will NEVER be
120 stronger than we are today to resist and defeat them. Yielding only
121 increases their strength and diminishes ours. WE MUST NOT
122 LISTEN TO THE WUSSES. WE need MEN right now, not wussies.

123 WE NEED men like Joab, who was captain of the host and here is
124 what he said to his men.

125 "Be of good courage, and let us play the men for our people, and
126 for the cities of our God: and the LORD do that which seemeth
127 Him good" (II Samuel 10:12).

128 Joab did not whine, he did not throw up a white flag to the enemy,
129 he did not accept the — oh, I did not tell you how this fight got
130 started. The king of Ammon had befriended David, and when that
131 king died, David sent an 'embassage to the king's son to extend
132 condolences and honor the friendship. The king decided David's
133 embassage were spies and cut out their garments exposing their
134 buttocks, and shaved their beards. Realizing this effrontery would
135 certainly provoke David, they hired the Syrians and set their army
136 in the field—when David heard of this, he sent Joab and the mighty
137 men to meet them. We have been insulted by the open and flagrant
138 manner of the Democrats in this election—they have belligerently
139 defied law, trampled on the Constitution, and used COVID as a
140 cover to commit FRAUD in this election—and treasonously they
141 have colluded with China to steal the election for a China puppet:
142 Joe Biden. But the "PAINS" to bring this into the full light of DAY
143 is too much for the wussies and they wont make the sacrifices
144 necessary to expose it!

145 When Joab found himself surrounded, he called for MEN — he
146 said, "be of good courage, and let us play the men ..." It is
147 interesting that the words translated *courage* and *play the men* are
148 from the same root—actually, they are the same word, and it

149 means to GRIP, to TAKE ON, with resolve—and so it is a Hebrew
150 word that means *courage*. The different is that *play the men* has an
151 added prefix—and the point is—the expression *play the men*
152 means act the part of a MAN — and the fact that the word for *play*
153 *the man* here is the same word that means COURAGE tells us that
154 the primary characteristic of a MAN is COURAGE. And
155 COURAGE is the resolve to DO WHAT IS RIGHT no matter what
156 the CONSEQUENCE. Joab committed the consequences of their
157 actions to WHAT SEEMED GOOD TO GOD. He challenged the
158 MEN to be MEN that would FIGHT to protect their PEOPLE, and
159 the CITIES OF OUR GOD — no matter what happens as a result
160 — the RIGHT THING must be done.

161 The wussies say, oh, come on man — trying to challenge the
162 certification of the electoral votes is, how did wussie Thune put it?
163 Republican Senator — is "going down like a shot dog." He added,
164 "And I just don't think it makes a lot of sense to put everybody
165 through this when you know what the ultimate outcome is going to
166 be." What a jerk! It's not about "what the ultimate outcome is going
167 to be." That's in GOD'S HANDS! What is in your hand is to DO
168 ABSOLUTELY EVERYTHING YOU CAN DO TO OPPOSE THIS
169 TRAVESTY OF JUSTICE. The THEFT of our BALLOT BOX —
170 you coward — is NOT something MEN can sit down for.

171 This could well turn into the tale of four boxes. We tried the SOAP
172 BOX, the JURY BOX, and the BALLOT BOX — if you take away
173 the ballot box, there is only one box left and that's the AMMO
174 BOX. I grew up hearing, all my life I grew up hearing the old
175 maxim, we settle our differences in America with ballots not
176 bullets. Well, you take away the ballot, and all that's left is bullets—
177 STOP THIS NOW! Real men must STAND UP AND STOP THIS
178 NOW. Looks like I'll be continuing this on the other side of the
179 break. Hold on! I'll be right back.

180 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
181 at the Lighthouse, your brain masseur, and Paul Revere's lantern
182 lighter, lighting the lamps in the church belfry arch, signaling the
183 enemy is on the march, an enemy that would steal from us our
184 liberty.

185 The captain of the LORD's host in the days of David was Joab. His
186 army was in a pickle — enemy in front of him and enemy behind
187 him. He could not attempt to maneuver out from between the two
188 armies without exposing his rear or retreating and allowing both
189 armies to pursue them—he had to either surrender or FIGHT.

190 Joab knew that surrender would expose Israel to plunder, and
191 pillage, to mayhem and oppression. He chose to FIGHT even
192 though the odds were decidedly against him.

193 He told his men, "Be of good courage, and let us play the men for
194 our people, and for the cities of our GOD." His response was not
195 governed by the odds of victory, the reasonableness of any hope for
196 victory—his determination was governed by the MANLY
197 understanding that this enemy would bring Israel into oppression,
198 this enemy would make the people into slaves — to defend the
199 RIGHTS and LIBERTIES of the CITIES OF OUR GOD — we must
200 have MEN that will stand up against the WICKED who would
201 oppress us — who would take from us our liberties.

202 The Bible is full of stories like this. David ran out to meet Goliath—
203 he was not thinking about the probabilities of success for a kid with
204 a slingshot to go out against a giant that stood nine feet tall with a
205 sword and shield—he had one thing on his mind: The GLORY
206 AND HONOR OF HIS GOD and the DEFENSE of RIGHT and
207 FREEDOM OF HIS PEOPLE from the oppression of the
208 Philistines. We need MEN who will jeopardize their lives—who will
209 TAKE THE PAINS to STAND FOR TRUTH.

210 The wussies will run up the white flag at the first sign of pains—
211 they will say, David, you can't win against Goliath—not
212 understanding that for MEN winning is not what shapes the WILL
213 TO FIGHT. RIGHT does! What is RIGHT makes MIGHT! A
214 MAN will STAND to FIGHT when its RIGHT against WRONG.

215 But wussies waffle and quibble over practical concerns, because
216 they are so smart! But they are fools. They are yielding to the
217 WICKED and giving them strength while weakening those whose
218 will is to FIGHT. They discourage the effort to STOP THIS
219 WICKED EFFRONTERY TO OUR RIGHTS AS AMERICANS—
220 leave the "out come" to GOD, take COURAGE and FIGHT ON.

221 But the wussies will always be there to criticize the FIGHTERS—to
222 demoralize them, to compromise them, and even work behind the
223 scenes against them. Many of these wussies are conspirators
224 dedicated to serve the enemies while pretending to be on our part.
225 You heard me describe them as face-kissing backstabbing Judas
226 Republicans. That's a different level—those guys are traitors! Some
227 of them bought and paid for with the same money that has
228 purchased Biden. China has it's plants scattered everywhere doing
229 its bidding—a CCP Professor said as much in a speech a bit ago.
230 So, you need to ignore them! Stay focused on the Battle that is
231 immediately in front of you. If some wuss comes at you waving a
232 white flag—spit in his face and keep on fighting! (I don't mean that
233 literally.) If you see a white towel drop down in front of you in the
234 rink while you are in the fight, kick it back into the face of the wuss
235 that tossed it, and KEEP ON FIGHTING.

236 I can't stand those weasels on the right who are throwing in the
237 towel, running up the white flag — I'm in a fight! And a MAN
238 fights to the end: his own or his enemies. And this is the sort of
239 fight that we cannot afford to lose — but win or lose LET'S FIGHT
240 for what is RIGHT!

241 So, let's talk about the FIGHTERS! First, the thousands of citizens
242 who swore out affidavits testifying to their eye witness accounts of
243 FRAUD and "irregularities." Some of these people have exposed
244 themselves and their families to grievous attacks and threats from
245 bullies on the left. These are men and women willing to endure the
246 pain necessary to BRING THE TRUTH INTO THE LIGHT.

247 And then there are captains in this fight: Giuliani and Jenna, and
248 Powell, and Woods, and DePerno, Allied Security Operations
249 Group (ASOG), and now the latest — Jovan Hutton Pulitzer
250 (sounds like a made up name for a novel or something). Turns out,
251 Jovan was originally named Jeffery Jovan Philyaw — changed it to
252 Jovan Hutton Pulitzer. I have his official bio if you want to peruse
253 it—very extensive. His credits are impressive! Jeffery Jovan
254 Philyaw: a first generation German Jewish American, a brilliant
255 inventor, and author, and something of a history aficionado, holds
256 over 200 patents related to the interface between people and paper
257 with the internet. Probably every day, multiple times a day, you
258 engage the Internet on a platform that is using Jeffery's technology.
259 We know him as Jovan Hutton Pulitzer — because, as I suppose,
260 like many from immigrant families, he found his given name a bit
261 clumsy in day to day discourse—so he changed it to Jovan Hutton
262 Pulitzer—perhaps it's somewhat optimistic, or perhaps it is an
263 homage to the famous Joseph Pulitzer of journalism fame in the
264 opening of the twentieth century. So, what is Jovan Hutton
265 Pulitzer doing in the FIGHT?

266 The Georgia State Senate hearings are proceeding and Jovan
267 Pulitzer is shining the bright LIGHT of truth on what happened in
268 this election. He is an expert — a brilliant expert — in the field of
269 paper and computer interaction. When you scan something at the
270 store, or with your phone scan a QR code and all that, you are
271 using technology he invented. He makes clear what is otherwise
272 mysterious to us non geeky-types. For example, he explains the

273 significance of the bar codes on the ballots. He explains how those
274 markings on the paper of the ballot are the only "code" we need to
275 be concerned about. The machine merely reads the code and does
276 so according to hard rules, so if the "code" on the ballot is incorrect,
277 it triggers a rejection by the machine.

278 He illustrated it by putting a dollar bill into a vending machine—if
279 the reader scans the dollar bill and cannot recognize it, the
280 machine kicks the dollar bill out. You have to smooth it out, and
281 unfold the corners, and so on, and try again. But until the machine
282 can identify the dollar bill, it will not accept it. The same thing
283 happens with a ballot. If it cannot "read" the bar code, it rejects the
284 ballot, only in this case, the ballot gets sent to adjudication—where,
285 with these machines, an operator can manipulate the ballot.

286 Jovan shows that in fact, the markings on the ballots were
287 purposely made to trigger rejection by the machine which required
288 the ballot to be sent for adjudication — in adjudication, without
289 any oversight, an adjudicator can manipulate the ballot any way
290 they choose. In MI the ballots were rejected at a rate of 68%. A 68%
291 error rate is totally unacceptable. The law sets the threshold at
292 .0008.

293 And he showed physical evidence that the ballots were not
294 consistent in Georgia. Some had bar codes and other DID NOT.
295 Now, why would some ballots not have the barcode? Well, you see,
296 the barcode connects the ballot to the envelope the bears the
297 signature of the voter. If you don't have a voter — you don't want
298 there to be any traceable connection to any envelope!

299 Now, if the left plays their favorite game of plausible deniability
300 and says, well, that's printer error — then we have to redo the
301 election because that printer error created a situation where we
302 cannot verify that ballot was filled in by a legitimate eligible voter.

303 The whole point of keeping the ballots for 20 months is in order to
304 provide for audit. Any company, as Jovan pointed out, that did not
305 keep their records for audit purposes during the requisite period
306 required by law, would be PUNISHED SEVERELY — CEOs could
307 end up in jail, the business would be SHUT DOWN.

308 How is it possible for business finances to be more important than
309 the sacred right to VOTE?

310 So Jovan wants the State to deliver 500,000 ballots to him to run
311 through his machine that will examine them. He says he is able to
312 identify whether the paper they were printed on was from China,
313 he can tell you if the ballot was completed by a machine or by a pen
314 in the hand of someone, he can tell you if a mail-in-ballot was
315 actually mailed at all. He tells us he can run a million ballots
316 through his analysis in a matter of a day or so.

317 Then, Jovan did another amazing thing! You remember Dominion
318 CEO John Poulos testified, under oath, that the machines are not
319 designed to be online. He told the MI State Oversight Committee
320 on December 15, 2020, "Additionally, voting systems are by design
321 are meant to be used as closed systems that are not networked
322 meaning they are not connected to the internet."

323 Well, guess what? Jovan opened up his computer, right in front of
324 the Georgia Senate judiciary committee and connected to a
325 Dominion machine right there before their eyes. Yep! This past
326 Wednesday, Jovan did a LIVE HACK JOB on the DOMINION
327 MACHINE in full view of the panel. He PROVED for these
328 Georgia Senators that the runoff going on right now IS
329 CONNECTED TO THE INTERNET. He established two-way
330 communication from a polling pad in a voting center in Georgia.
331 Well, now, that's not supposed to happen, Mr. Poulos.

332 And the huge — I came across this liberal who said the only thing
333 anyone is going to find in any audit is that Biden won a free and

334 fair election — and I say, well, I wrote that he had to be kidding,
335 because no one with sense can believe Biden got 80 million votes—
336 but, laying that aside for the moment—I said, great! So there is no
337 reason to object to a complete signature audit of the ballots, right?
338 — Crickets!

339 As Jovan pointed out, we must have access to the hard evidence,
340 what he calls the artifact of record — the empirical paper ballot
341 that was completed by the voter.

342 On what grounds does the "State" refuse to make these ballots
343 available? What possible argument can be made against allowing
344 the ballots to be examined forensically? There is no reasonable
345 objection! The same thing is true with regard to these machines.
346 There is no reasonable objection to allowing the machines and the
347 ballots to be forensically examined. Well, actually, there is one!
348 And the one reasonable excuse for not allowing access to the
349 ballots and the voting machines is to COVER UP THE FRAUD
350 that occurred in this election.

351 So, what MEN do we need next!

352 Congressional certification of the Electoral votes is coming Jan. 6—
353 what MEN must do! Gohmert is "the man." Only, I think it is a
354 mistake to go to the courts. The courts are full of wussies! They are
355 ducking for cover and hiding during this fight. The SCOTUS is a
356 worthless pack of gutless cowards—with the exception of Thomas
357 and Alito. Gorsuch, Kavanaugh, and Barrett are wussies—hiding
358 behind Robert's fear of "interfering in politics." I'm so sick of these
359 self-righteous liars who allow POLITICS to INTERFER with them
360 DOING THEIR DUTY. Their job is not to make decisions
361 controlled by whether or not their decision might have political
362 consequences — CONSEQUENCES again — YOUR DECISION IS
363 CONTROLLED BY YOUR DUTY. It's your duty to rule on
364 matters of constitutional law and that's what is at stake here.

365 So, Gohmert, I hope you don't allow yourself to get stopped by any
366 coward court. If you find a court with courage to rule according to
367 JUSTICE and JUDGMENT in defense of the CONSTITUTION —
368 good.

369 But if not! What is RIGHT is RIGHT — and what is WRONG is
370 WRONG.

371 It was WRONG for those states to proceed with certification of
372 electors that were appointed CONTRARY TO THE MANNER
373 DIRECTED BY THE LEGISLATURE OF THOSE STATES. THAT
374 IS WRONG. Period! It should never have happened.

375 The Legislatures in those states appointed alternate electors in
376 order to address this error (of course, they were hoping the
377 COURT would rule on the matter — but let me say something here
378 that Styn was trying to say on Rush's show today (It's Thursday,
379 have to get the show in early again cause people want to take some
380 time off with their families — imagine!) But anyway, THE
381 COURTS DON'T CREATE LAW.

382 THE COURTS DO NOT CREATE LAW. The fact is, the LAW
383 SAYS electors are to be appointed according to the manner
384 directed by the Legislatures in each state — in these states the
385 electors were NOT APPOINTED IN ACCORDANCE WITH THE
386 MANNER PRESCRIBED by the Legislatures — only the
387 Legislatures can decide whether they will accept how the electors
388 were appointed — if those legislatures say FOUL — and send
389 alternate electors because of their concern about FOUL PLAY —

390 Then, the President of the Senate, with the Congress in concurrent
391 session, MUST DECLARE THE ELECTORAL VOTES THAT
392 WILL BE COUNTED ARE THOSE LEGALLY APPOINTED.

393 Then, for ONCE — you weak kneed Republicans — FOR ONCE
394 put those demoncrats on the defensive and let them try to litigate

395 that before the COURT and lets see if the lousy COURT will
396 THEN, FINALLY decide to DO THEIR JOB.

397 Jan. 6 — Gathering in DC to support the Constitution—my
398 message to Patriots: take the offense.

399 Nashville bombing update: they guy was a crazy 5G conspiracy nut
400 who detonated the bomb to take down the 5G tower there. So, "FBI
401 agents are now investigating whether Warner believed in 5G
402 conspiracy theories." I did a bit of research on this and if I have
403 time, I'll update you today — or during our LIVESTREAM VISIT
404 this evening.

405 I have lit the lamps in the Church belfry arch and now you let me
