

Brain Massage®: Show No. 813 The DEMOCRAT Party is GONE, the GOP is not far behind / A RENEWED America RISING? — How To Placate The Angry Patriot!

Jerry Scheidbach

Original Air Date: 01.16.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 The tension between private and public — should a private
5 company, like Twitter, Facebook, YouTube, Google, Amazon or
6 Apple, have the power to control access to the public square?
7 Will Biden be inaugurated on Jan. 20th? No, really! That is actually
8 in question and I'll tell you why! And why it matters!
9 Oh yeah, and the Impeachment thingy! (Laughing squirrel). Okay,
10 but really, it's not funny!
11 Consider President Trump's call for unity and how it compares to
12 the phony Biden pleas.
13 Key insight for today: The LEFT has been awakened to the reality
14 that there are a whole lot more Americans who despise them than
15 they ever thought. And they are like a cornered Black Mamba, or,
16 more fitting in the present context, more fierce and dangerous than
17 a cornered Asian Black Bear! — Everybody says it's 50-50! I've said
18 it for a long time. But it's not. It's more like 60-40 and maybe even
19 closer to 70-30. The DEMOCRATS are the MINORITY. The
20 advantage is on the side of the Americans. Patriots are beginning to
21 hate the LEFT — to LOATHE THEM! The time is RIPE to
22 RECLAIM our country from these Nazis.
23 [TRUTH]
24 At this point—I am sure you are weary with the exposure phase
25 and ready for the action phase. What do I mean?

26 Well, if you have followed this broadcast over the last few years you
27 know that LBC has been praying for and calling for the LIGHT of
28 TRUTH to expose the wickedness that has embedded in our
29 government—and that is corrupting our culture—and moving this
30 nation out from UNDER GOD into a confrontation with HIS
31 WRATH—where the rod of God will fall hard upon this nation,
32 knocking it over into hell.

33 I am very aware of those who have given up on America long ago
34 — long before God has — whose hatred for America is the mirror
35 image of the LEFT. For the most part, these are ignorant Christians
36 who have a zeal for God but little knowledge. I don't have time to
37 address this fully, but just in case some of you are out their crowing
38 about the revelations of the depths of darkness into which Satan
39 has taken this country, remember!

40 First, that Israel was never perfect—throughout the entire history
41 of Israel's stewardship of the "sword" and the "dominion," she was
42 never perfect! God told Moses, expressly, to not let the people
43 imagine He was giving them "the kingdom" because of their
44 righteousness. He explained it was because the wicked were more
45 wicked, and it was time for their judgment, and Israel was, at the
46 least, a nation that was in covenant with GOD! She acknowledged
47 God and His laws—but never lived up to her side of the covenant.
48 Nevertheless, God stayed WITH Israel — until Solomon
49 introduced Baal worship in Jerusalem. And the first step God took
50 was to DIVIDE Israel into two separate kingdoms. Ten tribes were
51 given to Jeroboam and his kingdom was called Israel and 2 were set
52 apart and called Judah. But Judah was never perfect! She was
53 certainly much better than Israel—but Judah allowed the high
54 places to continue (that's worship patterned after the manner of the
55 heathen) and progressively became more corrupt until finally she
56 reached the tipping point — when the "sword" of divine judgment

57 was turned against justice — and became the enemy of
58 righteousness, and a facilitator and defender of wickedness.

59 Well, that's where we are today!

60 We cannot get the satisfaction of judgment upon evildoers because
61 the sword of judgment is held in check by the wicked. In fact, the
62 sword of civil judgment (spoken of in Romans 13, and elsewhere)
63 that is DIVINELY APPOINTED to execute wrath against
64 EVILDOERS is used by Satan and those he controls (the children
65 of disobedience) to defend the wicked, and to attack the righteous.

66 The point is, up until, oh I don't know the exact date when it
67 tipped—but the preachers who preached a watered down Gospel
68 for many decades now have allowed the corruption of America's
69 moral core to go unchecked—until now we have Baalism
70 prevailing in America (illustrated lately by the Congressional
71 prayer when the "preacher" invoked the name of Brahma, and
72 concluded Amen and Awoman—a clear denunciation of
73 Christianity, and clear statement of repudiation of all Christians
74 and any Christian influence in our culture) — and with this
75 development, tracking right along with the decline in real support
76 (I mean beyond lip service) GENUINE GOSPEL PREACHING
77 CHURCHES — tracking right along with the decline in REAL
78 GOSPEL PREACHING there has been a steady INCREASE in the
79 influence of the spirit of ANTICHRIST evidenced in the increasing
80 encroachments of our inalienable rights and the founding
81 principles of America by TYRANNICAL children of disobedience
82 who have all but taken over the entire government of America.

83 Read Jeremiah to learn how far Judah had gone into the depths of
84 Satan before God finally dropped her and took the kingdom from
85 her. She was worshipping the Queen of heaven, putting the "branch
86 to the nose" — a pagan practice that was particularly insulting to
87 GOD, she was offering her babies to the fires of Moloch, and
88 passing their sons and daughters through the fire in dedication to

89 Moloch. Read Ezekiel to see how debauched the leadership in
90 Judah was at the time of her destruction by Babylon—I preached a
91 message on this last Sunday AM and PM — give those messages a
92 listen.

93 But the point I'm making is that this had developed over a period
94 of hundreds of years, and accelerated in Judah in her declining
95 years, a period of about 60 years, most of which were under the
96 leadership of the wicked king Manasseh — but EVEN THEN,
97 GOD GAVE JUDAH ONE LAST CHANCE TO GET IT RIGHT.
98 Josiah came along and God gave a respite to the judgment
99 determined against her—and GOD can do that today.

100 The point is, when Judah was at her lowest point—God raised up a
101 standard against the evil—his name was Josiah!

102 Furthermore, there is something very different today from the days
103 Judah as a nation was turned into Hell — MOST AMERICANS
104 VOTED AGAINST SATAN'S AGENDA. IN FACT, A VERY
105 STRONG MAJORITY SIDED WITH OUR JOSIAH!

106 The American people, in the MAJORITY, DID NOT vote for the
107 Socialist, defund the Police; cave in to China (the CCP) and the
108 ONE WORLD Vatican—Bilderberger—Illuminati—Rothschild—
109 Nimrods and their puppets like Soros, and Obama, and Hillary,
110 and Biden, and ComieLa, et al. with their supporters Suckerberg,
111 Dawson, and the rest — the majority of Americans have not drank
112 the Kool-Aide the left is distributing — and that's a MAJOR
113 DIFFERENCE that MAKES A DIFFERENCE that gives hope to
114 this last standing "nation under God." (Well, except for Poland—
115 where the sword might go if American leadership fails to step up to
116 their responsibility to TAKE THE SWORD OF CIVIL JUSTICE
117 AND EXECUTE JUDGMENT UPON THESE WICKED PEOPLE
118 IN ORDER TO RESTABLISH JUSTICE IN OUR LAND. That's
119 the HEALING of our LAND that we are praying for—.)

120 Well, I did not intend to go that deeply into this particular issue,
121 but I think you needed some clarification on where we are.

122 We are not in Babylon yet!

123 So, let's get into this!

124 There is and will always be tension between private and public
125 spheres in any Constitutional Republic premised on FREEDOM—
126 individual liberty, and public responsibility are always in flux.

127 The question before us right now is should a private company, like
128 Twitter, Facebook, YouTube, Google, Amazon or Apple, have the
129 power to control access to the public square?

130 So, what is the public square? That is the general access to the
131 public to market your products, whether it be goods, or services—
132 such as news! The Public square is the place where the exchange of
133 good, services, and IDEAS occurs. Controlling access to the public
134 square involves limiting and or granting free and unfettered access
135 to share your opinions, and beliefs, and or your goods and services
136 to the "market," and when we are talking about ideas, opinions and
137 beliefs, we are talking about the "market place of ideas."

138 Today, the public square is virtually defined! By that I mean, it's
139 not like it used to be where someone would set up a stand on a
140 corner, or at the "gate of the city" and holler to passers by — "Get
141 your mackerel here, fresh mackerel today!" The market place is
142 virtual—meaning it's in a space created by technology — for a
143 while it was radio and then TV — and some rules had to be put in
144 place to govern these because of concern that a few would control
145 them and thereby have virtual control over access to the public
146 square. Now it's even more pervasive — with the advent of the
147 Internet and Social Media — with Google, and Amazon, and with
148 them, Facebook, and Twitter — these platforms, as they are called,
149 are almost the only way to access the "public square" today.

150 What has developed is a monopoly on access to the public square.
151 Only six individuals own virtually all MSM outlets, and between
152 Amazon, Google, YouTube, Facebook, and Twitter, virtually all
153 interaction in the virtual public square is controlled.

154 Lately, these big tech companies have decided to exercise their
155 monopolistic control of access to the public square to define what
156 people can say, or not say—and it goes beyond what are usually
157 and generally agreed to standards of conduct, but now extends to
158 the expression of political opinion or religious belief.

159 If these technocrats decide they don't like a certain person's
160 political views and consider him as having influence to convince
161 the public of opinions odious to them, they contrive a way to brand
162 that individual a "public menace," or a "public nuisance," and use
163 that to justify denying to them access to the public square.

164 These technocrats have arrogantly appointed themselves to arbiters
165 of what is acceptable opinion and expression—beyond what would
166 be agreed to by all—and all the way to narrowly attacking certain
167 voices of dissent with which they disagree.

168 And, as is always the case when this develops, hypocrisy is
169 impossible to avoid. Twitter, for example, allows the Ayatollahs
170 and the CCP to have access to the public square but denies it to the
171 President of the US. They do this by hypocritically accusing him of
172 "incitement" by his speech—when he uses words like *fight* and so
173 forth. I say hypocritically because they are okay with Waters calling
174 on her followers to attack conservatives, to get in their faces, and
175 tell them they are no longer welcome here, and they are okay with
176 the Left virtually approving of the vicious, property and life
177 destroying riots of the radical left—and then banish a voice that has
178 repeatedly called for calm, and no violence, when radical right
179 supporters are accused of vandalizing the Capitol — I say, *accused*
180 because in fact as evidence continues to come out, it's becoming

181 clear that this "riot" was PRE-PLANNED and INSTIGATED by
182 radicals on the left!

183 This is the danger of allowing those who become gate keepers of
184 the public square to begin exercising control over the speech that
185 goes on in that square — .

186 And here is the thing. As with radio and TV, these are privately
187 owned companies but they operate within laws established by the
188 PUBLIC through their representatives.

189 The tendency in private companies is always to CONTROL THE
190 MARKET — the tendency of PUBLIC CONTROL is toward
191 CONTROLLING PUBLIC OPINION by use of the private
192 companies — and that's what we have right now.

193 The argument that Twitter and Facebook are private companies no
194 more gives them the right to arbitrarily discriminate against
195 opinions than private ownership of a store gives the owner the
196 right to discriminate against the color of someone's skin. On the
197 other hand, if someone of any skin color violates laws, that's
198 another matter, and the same is true regarding the expression of
199 opinion—if we call for the murder of someone, or attempt to incite
200 a riot—well, that's a problem.

201 On the other hand, private individuals who decide to contrive one
202 person's speech as inciting a riot, who repeatedly tells those
203 listening to him to be calm, to not resort to violence, and then give
204 a pass to another who says things like IF YOU SEE THEM AT
205 THE GAS STATION, YOU GET IN THEIR FACES, AND YOU
206 GATHER A CROWD, AND YOU TELL THEM THEY ARE NOT
207 WELCOME. Or when someone like Hillary says "You cannot be
208 civil with people who want to destroy everything you have worked
209 to build," or like Obama's Atty General who said "they bring a
210 knife, we bring a gun ..." — and the modern day Pharisees say,
211 well, they were speaking metaphorically — but apply a different

212 test and a different standard when it's someone speaking
213 metaphorically that is saying something they don't want to hear, or
214 that they don't want others to hear — THAT IS CENSURSHIP.

215 CENSURSHIP is selective — but I need to conclude the first
216 segment.

217 Let me offer to you A REAL GOOD REASON TO HOPE TRUMP
218 INVOKES THE INSURRECTION ACT SOON!!! — They don't
219 censure Ayatollah or the CCP — but they do censure our
220 PRESIDENT — where is the outrage? They are selectively
221 censoring conservative speech — and they are using this self-
222 righteous self-appointment to being the arbiters of "correct speech"
223 as an excuse to interfere with the free market by colluding together
224 to shut down competition — blocking Parler — so where is the
225 OUTRAGE? I'll tell you where it is; it is in the heart of every
226 American Patriot right now and it's about to boil over. TRUMP
227 MUST INVOKE THE INSURRECTION ACT! — I'll explain why
228 this is important in the next segment.

229 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
230 at the Lighthouse, your brain masseur, and Paul Revere's lantern
231 lighter, lighting the lamps in the church belfry arch, signaling the
232 enemy is on the march, an enemy that would steal from us our
233 liberty.

234 Will Biden be inaugurated on Jan. 20th? No, really! That is actually
235 in question and I'll tell you why!

236 There are 158 million registered voters in the US and records prove
237 that only 146.5 million are legal voters—the rest are dead guys, and
238 underage and stuff like that. So, Trump got 74 millions of these
239 votes — that leave 72.5 for Biden and that's only if EVERY
240 REGISTERED VOTER VOTED. We know that many thousands of
241 Biden voters stayed home — the overwhelming majority of
242 Americans support Donald Trump — but the minority voice is

243 LOUDER, MEANER, NASTIER, and as vicious as a cornered
244 Asian Black Bear. That's why they seem so LARGE — but the fact
245 is, Trump's law and order message resonates with the vast majority
246 of Americans on both sides of the so-called aisle!

247 There is a reason some on the right hold out hope that this nation
248 will be saved from the brink by bold action from our President —
249 and there is good reason to believe such bold action can save this
250 nation from an all out open civil war.

251 We are now in a cold civil war for our liberties in America, but this
252 could go to open conflict if the left keeps getting away with
253 trampling all over our Constitution and our liberties.

254 Most Americans now believe the election was stolen from WE
255 THE PEOPLE (can you forget about Trump for a moment—don't
256 make the mistake of thinking this is all about him—it's not! It's
257 about GOOD versus EVIL). The election was stolen from WE THE
258 PEOPLE in direct VIOLATION of the CONSTITUTION. We now
259 know that Election officials, in concert with elected officials in
260 some states literally made up laws contrary to the laws of their
261 states that they KNEW made the election vulnerable to election
262 fraud—because that was the POINT! We now KNOW that an
263 employee of Leonardo, an Italian cyber security company testified
264 he was instructed to upload algorithms to the DaVinci satellites,
265 controlled by the Vatican that switched votes from Trump to
266 Biden. Some of us watched this happen, in real time, on the night
267 of the election. We KNOW for a fact 6000 votes were switched
268 from Trump to Biden in Antrim County, MI. Forensic
269 investigation showed that the Dominion machines in this county
270 had an ERROR rate of 68.05% — the legal threshold is .0008. If you
271 are following all this, you know I could go on for an hour just
272 reciting the SOFT and the HARD EVIDENCE OF VOTER
273 FRAUD that has been uncovered. Add to this the extraordinary

274 efforts on the part of the DEEP STATE to keep everyone away
275 from the physical evidence—such as the ballots and the machines.

276 We now know that the so-called riots were set up by the radical
277 left—with only a handful, IF ANY, American patriots involved—
278 we now know that the SGT in Arms had ADVANCE notice of the
279 plans for rioting at the Capitol, along with two others in charge of
280 Capitol security, we know they have each resigned and testified and
281 that we are barred from receiving their written testimony because it
282 would prove embarrassing to some and compromise privacy—
283 The Deep State loves to use "privacy" to hide information from us.
284 Newt Gingrich, who served as House Speaker said it is impossible
285 to believe the SGT in Arms for Capitol Hill security would NOT
286 HAVE ALERTED PELOSI and MCCONNELL of any threat—and
287 others are asking how much did Pelosi know and when did she
288 know it?

289 We now KNOW that the second Impeachment is a shame, and
290 even more than the first. The first was about a MADE UP story
291 about Russian collusion. Hillary has the story invented and
292 disseminated as a way to divert attention from her emails and to
293 smear her political opponent. We now KNOW the Russian
294 collusion thing was a hoax and that Pelosi and Schiff and Swalwell
295 knew it all along! We now KNOW this has been a COUP from the
296 beginning, and that the LEFT are desperate to get Trump out—and
297 it's about a lot more than petty revenge. The reason so many on the
298 Hill are desperate to get Trump out of office is they FEAR what he
299 might do before Jan. 20th. They are afraid he will declassify all the
300 secrets they have hidden for decades — and they are afraid he has
301 accumulated the intelligence he needs to EXPOSE THEIR
302 ONGOING INSURRECTION against the USA. That he has what
303 he needs to expose their connections to the CCP, and the
304 international cabal intent on pushing America into the arms of the
305 NIMRODS — the one worlders — the globalists — whose agenda

306 is to break the world down into their CONTROL and
307 COMMAND.

308 They know that one man has the power to bring them down — and
309 they are trying to stop him.

310 I've had my ear to the rail road track and I can tell you the TRAIN
311 is COMING — the TRUMP TRAIN — and I'm not talking about
312 anything else except JUSTICE and JUDGMENT and EQUITY.

313 I have expected that Trump would step up to this challenge—after
314 all the traitors have exposed themselves—after every chance he has
315 given to the Deep State swamp creatures to come out, get a bath in
316 confession and states evidence — after he has allowed any swamp
317 monster to come out and come clean — he will move to protect
318 our liberties.

319 He will not act alone! 200 Generals will stand behind him, most of
320 them, I trust, and together they will act to BRING THE SWORD
321 OF JUDGMENT UPON THE WICKED TRAITORS TO
322 REESTABLISH JUSTICE IN AMERICA.

323 Trump is calling on all American Patriots to STAND DOWN —
324 because he has this matter in hand! Don't interfere with his plan.
325 Don't let any wicked ANTIFA radical lefty seduce you into
326 premature action—STAND DOWN! Your Commander n CHIEF
327 said, STAND DOWN! Be patient. Let the plan work itself out. Let
328 them act in their time, don't pressure them to spring the trap
329 prematurely.

330 I have heard from sources I consider reliable that the President has
331 been maneuvering the military into position to act on the arrests of
332 traitors in this country for some time now—I mean, this plan
333 actually dates back to before he signed the EO in 2018 giving him
334 power to retaliate against foreign countries that interfere with our
335 election. I understand the Navy has deployed strike force carriers
336 on the East and West coasts. And that troops have been deployed

337 in the western and eastern seaboard states in preparation for
338 massive riots — and for a possible incursion of CCP troops from
339 our West and East border with Canada. These things we KNOW to
340 be true. Well, the threat of CCP boots on the ground in Canada is
341 true, as for the intention to deploy those troops into the Western
342 and Eastern States in an attack—all we know is that this is a real
343 possibility and that China has lately declared their number one
344 goal in 2021 is to prepare for war and that the US is a number one
345 enemy—N. Korea has sided with China. (At least openly.)

346 More recently, I have heard that the Insurrection Act has been
347 signed. I have heard that on Wednesday, at 9 am ET, Trump
348 delivered the signed order to invoke the act with the code message:
349 The Eagle has taken flight. This means all the maneuvers necessary
350 are in place and it's time to proceed. This is UNCONFIRMED—
351 but it's supported by all we know to be true, and it's what we
352 should expect.

353 There has been a near total break down in LAW and ORDER in
354 this country. The CONGRESS is totally compromised—there are
355 some white hats there, and they are good men and women — but
356 in the main, the CONGRESS is a cesspool of corruption with
357 power held by wicked or spineless weasels—but traitors all! Men
358 and women who are either sold out to the CCP and the ANTI-
359 AMERICA ONE WORLDER agenda OR compromised by
360 blackmail, or just too weak to resist! They have REFUSED to
361 defend our CONSTITUTION from ENEMIES FOREIGN AND
362 DOMESTIC, which is a violation of their OATH OF OFFICE—
363 and both are attacking it right now.

364 So, I hear that Trump has received the PROOF he needs to arrest
365 Biden, Hunter, Pelosi, Schumer, and literally hundreds of others—
366 Hillary and Obama too — if Hillary has not already been shipped
367 off to Guantanamo. These people have committed treason against

368 our country and the WHEEL OF JUSTICE is ROLLING DOWN
369 THE TRACKS —

370 I hope!

371 Like I said — most of the information I've related is solid and
372 known — but the key element — the ACTIONs I've outlined are
373 pinging loudly in the dark-information *chatterverse* — and enough
374 of the sources are reliably right on they are worthy of taking
375 seriously.

376 Chatter warns it could happen any day — it could happen this
377 weekend, Sunday, or Monday, or anytime next week. This is
378 coming down and it's going to come down hard.

379 Oh yeah, and the Impeachment thingy! (Laughing squirrel)
380 Enough said! But really! Pray the wicked do not succeed at
381 derailing the JUSTICE TRAIN—.

382 Okay, I need to conclude and get on the road for my trip down
383 south—preaching for Pastor Graves and Liberty Baptist this
384 weekend. I'll be back at the LIGHTHOUSE pulpit Wednesday, and
385 Sunday—.

386 The LEFT has been awakened to the reality that there are a whole
387 lot more Americans who despise them than they ever thought. And
388 they are like a cornered Black Mamba, or Asian Black Bear! —
389 Everybody says it's 50-50! I've said it for a long time. But it's not.
390 It's more like 60-40 and maybe even closer to 70-30. And the
391 advantage is on the side of the Americans. Patriots are beginning to
392 hate the LEFT — to LOATHE THEM! And that's not good. Unless
393 it's "perfect hatred" — Psalm 139:22 — "I hate them with perfect
394 hatred: I count them mine enemies." Perfect hatred is without
395 malice—it's righteous indignation with a steeled resolve to execute
396 judgment upon the unrepentant wicked (See Ezekiel 18). Perfect
397 hatred rises in the heart of those with an abhorrence of oppression
398 and oppressors—it's not the petty hatred against political rivals or

399 neighbors who have more than you—a hatred that arises out of
400 envy and greed for what another has. Let those with perfect hatred
401 arise and take the sword of divine revenge and EXECUTE
402 WRATH UPON THOSE THAT DO EVIL—upon all that abuse
403 children, and women, and enslave men—upon all who have
404 betrayed their country for payola, and power—against all who have
405 sold themselves to do evil, and to oppress, and steal, and trample
406 upon the rights of man. The time is RIPE to RECLAIM our
407 country from these Nazis on the so-called left. It's time the
408 OPPRESSORS of the EARTH tremble in fear of the GREAT
409 SWORD of GOD'S VENGEANCE!

410 Our leaders MUST do something to correct the WICKED that
411 have taken hold of that sword and it must be wrested from their
412 grasp NOW! Those who want the Patriots to calm down, to rest
413 quietly need to understand.

414 It is the nature of the RIGHT to get very agitated when injustice is
415 ignored, and at the same time, it is the nature of the RIGHT to
416 become quickly placated when judgment goes forward against
417 injustice.

418 What we need to see in order to rest confidently in our
419 government once again is JUSTICE! Swift and sure! JUSTICE.
420 Judgment executed swiftly restores JUSTICE in the LAND and
421 secures our FREEEEEEEDOOOOM.

422 I have lit the lamps in the Church belfry arch and now you let me
423 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
424 ON and you will ride like Revere and spread the warning,
425 (essentially, it means you agree with what I'm saying) or you say
426 LIGHTS OFF -- which means you reject what I'm saying and
427 disagree strongly with me. So, what will it be today, lights on, or
428 lights off?
