1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 What does it mean when the wicked prevail and the righteous are  
5 forsaken? And what will the Demoncrats do with their power now  
6 they have it all in their hands?

7 How do we respond to the spectacle playing out before us?

8 So, where do we find HOPE and FAITH?

9 [TRUTH]

10 What does it mean when the wicked prevail and the righteous are  
11 forsaken?

12 You know, it is not generally understood that God deals with  
13 nations differently from how He deals with individuals. God  
14 always has a remnant—and He never forsakes them! To them He  
15 promises, "I will never leave thee, nor forsake thee." However, in  
16 Scripture, there is a distinction made between individuals in a  
17 nation that are HIS PEOPLE and the NATION as a whole. He will  
18 FORSAKE a NATION if that nation forsakes Him.

19 Joash was a good king so long as Jehoiada lived. The faithful priest,  
20 Jehoiada was his mentor, and adopted father. When he died, Joash  
21 became a jerk, and the people fled from GOD and turned to idols.  
22 Here is what Jehoiada's son said: II Chronicles 24:20 "And the  
23 Spirit of God came upon Zechariah the son of Jehoiada the priest,  
24 which stood above the people, and said unto them, Thus saith God,  
25 Why transgress ye the commandments of the LORD, that ye  
26 cannot prosper? because ye have forsaken the LORD, he hath also  
27 forsaken you."

28 After this proclamation, God sent an enemy down upon Judah and  
29 all these wicked people, including the faithless king, were  
30 destroyed.

31 Has God forsaken America? I'm going to conclude with my  
32 assessment on that question. But, let's look at what it means when  
33 the wicked prevail in a nation. You need to understand that these  
34 Scriptures from the HOLY WORD OF GOD are understood  
35 within the context of that Holy Book. In other words, when it  
36 speaks of people as being in one of the two general categories of  
37 "the righteous" and "the wicked," these are understood within the  
38 context of Scripture.

39 A while back, I preached a message in which I explained that while  
40 all men are sinners, not all men are wicked. If you are a Calvinist,  
41 and you are chaffing at this — this statement is consistent with  
42 Calvin's view of things—he said, more than once, that total  
43 depravity does not mean that every sinner will be as evil as he  
44 could be. There is none righteousness, no not one — does not  
45 mean that persons who are not "born again," or "saved," cannot be  
46 God fearing, or be persons of good character, and morals that are  
47 conformable to the Bible, or even directly shaped by the Bible.  
48 Cornelius is a perfect example of this (Acts 10-11). He was not yet  
49 saved when the angels presented a report concerning him that he  
50 was God fearing, generous, and devout. Jesus spoke of those who  
51 are sinners, but whose heart is *honest* and *good*. He said that when  
52 the Gospel seed falls upon such a heart, it takes root and bring  
53 forth fruit (Luke 8:15). In other words, the sinner who has an  
54 honest and good heart will accept the TRUTH and his heart works  
55 correctly—as it should—and responds to the TRUTH with sincere  
56 conviction — godly sorrow that works repentance unto salvation.

57 Not only is it true that a sinner can be righteous, the righteous can  
58 be wicked. Sometimes, the saint can become wicked — turn against  
59 God, and despise God, and so commit the sin unto death. What

60 Ananias and Saphira did was wicked: they lied to the Holy Ghost.  
61 God struck them dead! What the believer did in the church at  
62 Corinth was wicked: he committed fornication with his father's  
63 wife. Paul instructed the church to turn him over to Satan for the  
64 destruction of his flesh — I Corinthians 5. In his case, he repented,  
65 and so was restored. But you see my point?

66 Sometimes the "saints" become corrupted and become the enemies  
67 of GOD and of His work. So, understand that I am using these  
68 categories in the broadest sense in which the Bible uses them.

69 Proverbs 11:10 ¶ When it goeth well with the righteous, the city  
70 **rejoiceth**: and when the **wicked** perish, *there is* shouting.

71 This is what GOD says about it! When the righteous (and here, I'm  
72 not talking about those who necessarily have the imputed  
73 righteousness of Christ, I'm including in this category God fearing  
74 people whose morals are shaped by God's word—whether they are  
75 like the converted Apostle Paul or like the yet unconverted  
76 Centurion named Cornelius) when it goes well with these sorts of  
77 people — THE CITY REJOICETH, and when the WICKED  
78 PERISH there is SHOUTING—there is AMEN! Okay, so I think  
79 you understand what I mean by the righteous and the wicked—so  
80 hear these HOLY SCRIPTURES. Hear what GOD says about this.

81 Proverbs 29:2 ¶ When the righteous are in authority, the people  
82 **rejoice**: but when the **wicked** beareth rule, the people mourn.

83 The expression, "the people," refers to those that are identifiable as  
84 among God's people. A little more theology so you rightly  
85 understand these things. Did you know that when God referred to  
86 Israel as "My people," that included many who were not actually  
87 persons who BELIEVED GOD and so, like their father, Abraham,  
88 were justified by faith before God. Paul explained this when he  
89 said, "Not all Israel, are Israel." Not all in the congregation of Israel  
90 were like Abraham, who believed God and it was accounted to him

91 instead of righteousness. The same thing is true today. There are  
92 many that are God fearing, like Cornelius, but who have yet not  
93 come to believe unto salvation. We need to preach the GOSPEL  
94 and cast the seed of TRUTH upon their hearts—well, you get the  
95 idea. There are those who are enemies of GOD, they hate Jesus  
96 Christ, and they are poneros (perverted), kakos (bad, like bad figs),  
97 anomos — without law, that is, lawless, and athesmos — illicit, or  
98 illegitimate—like Biden taking the office of President!

99 So, what does it mean when the WICKED are IN AUTHORITY? It  
100 means "the people" mourn! It means they groan, sigh, grieve.

101 What does it mean if GOD allows the city to be RULED by the  
102 WICKED? Well, for the wicked, it means they are empowered to  
103 advance the cause of Satan as chastisement upon a city, or nation,  
104 that has forsaken Him. But for the righteous, it means God has  
105 called us to MOURNING! I'll be preaching about this Sunday. But  
106 let me tell you this much now—if God has called us to mourning it  
107 is to discover who among us will sigh and cry for the sins of the  
108 people—it means He is getting ready to drop a heavy judgment  
109 upon the land—it means He is going to send out the man with the  
110 ink-horn to mark those who are mourning over the sins of the  
111 WICKED rulers in our land—because He is preparing to JUDGE  
112 and when that judgment commences, it will start in HIS HOUSE.  
113 So, if we "judge ourselves we need not be judged..." and this is your  
114 call to MOURN. More Sunday. And I mean a lot more. You need  
115 this message.

116 I wanted to make certain I got that message to you.

117 What are the Demoncrats planning to do with their "VICTORY"?<sup>1</sup>  
118 Tucker hit the nail on its head! Instead of being glad they won, they  
119 are going to turn on Trump's supporters.

<sup>1</sup> 814.27.29

120 It is very obvious to anyone listening to the left right now that they  
121 have gone off the rails.

122 Pelousy will continue forward with Impeachment! Why? It's the  
123 way of the wicked! Fully committed to using whatever power they  
124 get from Satan to further oppression—Satan's way is always  
125 oppression. The righteous are afraid to use POWER when it is put  
126 in their hands! They hem and haw, they equivocate, and attempt in  
127 every way to placate the wicked—and they think that holding back  
128 the sword is a mark of goodness—they don't understand that when  
129 the righteous hold back the sword from blood, they are under the  
130 CURSE OF GOD (Jeremiah 48:10). But the wicked are not afraid to  
131 use power when they have it to do evil. And they will go above and  
132 beyond in their service to wickedness—literally—Brennan has  
133 provided a plan to Biden to identify Trump supporters, particularly  
134 leaders among them, to be signaled out for being "removed."  
135 Cortez is excited about sending Trump supporters to re-education  
136 camps — yeah, that's what she is promoting right now. You are  
137 hearing the echo chamber of the MSM right now calling Trump  
138 supporters dangerous, and likening us to terrorists, equating us  
139 with ISIS—I mean serious people in positions of "authority" are  
140 talking about these things right now—telegraphing their next  
141 move.

142 They want to scare all Trump supporters away from declaring  
143 themselves as supporting Trump, and they want to SQUASH any  
144 effort on the part of any patriot to ever think they are going to take  
145 their power from them again.

146 They press on to utterly destroy their opponents. What will the  
147 weak and sniveling on the right do? Oh, well, they will cooperate  
148 with them and join them. They will cave, as they always do.

149 They will say to the fake President, "yes, Mr. President," "whatever  
150 you say, Mr. President," and "we are praying for you Mr.  
151 President," and the "Christians" who railed on Trump openly,

152 mocking him, will bow to wicked Biden and never call him out for  
153 his wickedness (that's because these people are phony and they are  
154 being exposed as among the many that will say on that day, LORD,  
155 LORD, and Jesus will say, "I never knew you"! And if the righteous,  
156 the few remaining in our government and military, will  
157 acknowledge the truth about this usurper and turn their back to  
158 him, and refuse to send a government jet to carry him to the WH,  
159 and disinvite him to the Pentagon—Christianity Today will  
160 support the new fake President and write, "Biden Prefers to Charter  
161 His Own Plane ..."

162 Just about the time I think the exposure phase is over — the  
163 discovering of Judah — the revelation of the hidden doors behind a  
164 small hole in a wall, where we see them in their secret chambers  
165 privately worshiping Satan, their Baphomet—the gender blended  
166 god with goats head and the dragon's wings—where liars  
167 congratulate themselves on their ability to control others through  
168 deceit and threats—and outside those chambers where the weak  
169 and sleepy saints cower, and hide, and fear to speak truth to the lie  
170 because the wicked have taught them speaking truth is mean and  
171 hurts people's feelings! And because they are afraid!

172 The "Christianity of today" has the world for their bible, and the  
173 spirit of Satan is their lord—dear Franklin is learning, sadly, what  
174 his father's watered down gospel has produced—"Christianity  
175 Today" is certainly not the Christianity of our founder! It has been  
176 shaped by the world, not the Word—as the synagogue at the turn  
177 of the century was by the Spirit called the synagogue of Satan, so  
178 now I hear the Spirit speak of the Ekklesia of Satan. The tares have  
179 taken over the churches—not all of them! But! Anyway!

180 How do we respond to the spectacle playing out before us? A fake  
181 election, producing fake electors, certifying a fake President Elect,  
182 the inauguration of a fake President, followed by a flurry of fake  
183 Executive Orders carried out by a fake government—no one

184 holding office who has fraternized with China and colluded with  
185 foreign powers has any legal authority to hold office in America—  
186 and all of this supported by fake news—well, we don't respond to it  
187 with fake hope and fake faith.

188 We respond with genuine HOPE and genuine FAITH. Hold on  
189 through the break — I'll be right back — with REAL HOPE!

190 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
191 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
192 lighter, lighting the lamps in the church belfry arch, signaling the  
193 enemy is on the march, an enemy that would steal from us our  
194 liberty.

195 Real HOPE!

196 Friend. Only a fool would hope in the 2022 or 2024 elections. Do  
197 you think the Demoncrats are ever going to let the PEOPLE decide  
198 ever again? No way! The entire nation is going to be California—  
199 we have had no honest elections in CA for, well, decades! And now  
200 this has spread all over the country—the Demoncrats control  
201 enough of the States that will cooperate with them in election  
202 fraud, so that they will never lose another election.

203 So, it's vital to them that they stop the TRUMP movement—  
204 because that movement is the only potential threat—they think!

205 Well, Jerry, this does not sound hopeful to me! Hang on!

206 Every thing we had our hopes in has failed us! We hoped the State  
207 legislatures would step up—they failed! We hoped the courts  
208 would step up—they failed us! We hoped the Congress would step  
209 up—they failed us! We hoped Pence would step up—he failed us. I  
210 thought Trump would use his power to stop this—but he flew  
211 away! He is talking about starting a political party that will — DO  
212 WHAT? You can't gain political power without winning elections  
213 and, well, we saw how that went!

214 These people in power right now are impervious to influence from  
215 the "majority," they don't need a "majority." They have THE  
216 DOMINION — I told you that was a significant name for these  
217 machines — they hold the DOMINION — and as we saw, they will  
218 double down their advantage — so here comes millions of votes  
219 across the border — and legalization of millions of voters already  
220 here illegally — do you think they will not include the territories as  
221 States, and stack the Supreme Court? These people will USE their  
222 power for evil—and they will defy the Constitution — which they  
223 have declared to be an outdated document — and they will fully  
224 repudiate the Declaration—they will force themselves upon us and  
225 become the arbiters of our inalienable rights—so, Jerry, what are  
226 you saying when you say there is genuine HOPE and FAITH?

227 I've spoken to this extensively in my live-stream visits through  
228 Facebook. Like our page and set up to receive notifications—.

229 I said that when God allows a nation to come under the power of  
230 the wicked it is to chastise His own to MOURN! That this is a sure  
231 signal He is getting ready to ACT! I hope this message gets "out  
232 there." It's the one missing element in all the preparations that have  
233 been made to retake America for GOD. The HUMBLE cry of HIS  
234 PEOPLE must reach His EARS SOON!

235 He resists the proud, but gives GRACE to the lowly. Cry and sigh  
236 for the sins you see, and will soon see made public!

237 THEN you will see GOD arise!

238 This one verse should be all you, the saints, the righteous, need to  
239 be filled with HOPE:

240 "When the **enemy** shall come in like a **flood**, the Spirit of the  
241 LORD shall lift up a **standard** against him" (Isaiah 59:19b). But you  
242 need genuine FAITH in order to embrace the HOPE.

243 God WILL raise up a standard against this flood.

244 Now, I said this humbling of the saints in submission to GOD is  
245 the missing element in all the preparations—what preparations?

246 Friend, America did not vote for this and America does not  
247 support what these wicked people are doing. We don't need  
248 America to "wake up!" America *is* awake! 80 million voting  
249 Americans voted for the Constitution, for FREEDOM, and against  
250 tyranny and censorship and oppression. The WICKED know this!  
251 The KNOW FULL WELL THAT THE MAJORITY OF  
252 AMERICANS ARE AWAKE TO THEIR DECEIT—one MSM  
253 outlet is even trying to put out some LAME apology, admitting  
254 they were "unfair," to Trump! Excuse me! Unfair? No, the letter  
255 Trump left for Biden makes it clear that we know they know!  
256 Trump left a letter and it said, simply, "Joe, you know I won."

257 There has been a plan in the making for a long time—let me lay out  
258 as much as I can that is ACTUAL FACTUAL!

259 In 2013, you might remember, drawing especially on laws put in  
260 place in the 50s to protect America from a hostile take over of our  
261 government by Communists, the Pentagon Generals put out a  
262 notice that according to the LAW, the Military can act  
263 independently of the executive, or the commander in chief, in cases  
264 of extraordinary emergency when it is impossible to get direction  
265 from the President—or, commander in chief. It went into effect in  
266 May of 2013 and many on the left were squawking about this being  
267 dangerous, and feared they were getting ready to take out Obama.  
268 Here are some articles on that, here,<sup>2</sup> and here,<sup>3</sup> and here.<sup>4</sup>

269 WHAT scenario could ever be conceived in which the Commander  
270 in Chief would not be able to provide authorization for Military  
271 action? Think about it! The president is incapacitated, up steps the  
272 VP, he is out, up steps the Speaker of the House, if she is in prison

<sup>4</sup> <https://www.govinfo.gov/content/pkg/FR-2013-04-12/html/2013-07802.htm>

273 and so cannot — hehe — but you get my point. There is no  
274 conceivable scenario in which this could happen except one—and  
275 we are living in it right now!

276 Trump's term ended, Constitutionally ended, Jan. 20. That was his  
277 last day as President. Biden, however, is holding the office illegally.  
278 He is a FAKE PRESIDENT—Kamala is a FAKE VP, and the House  
279 Speaker is compromised by her recent act of Treason when she  
280 tried to get the Joint Chiefs to give the nuclear codes to her. That's  
281 not all, and it's not even the worst of the reasons she must be  
282 arrested and put on trial for her crimes, but it's one that is "out  
283 there," for all to see.

284 Trump signed an Executive Order in September of 2018 putting  
285 America in a state of EMERGENCY — and this state of emergency  
286 was directly connected with concern that foreign states would  
287 interfere in our elections—and it gave the President broad powers  
288 to act against these states financial assets — he initiated these  
289 actions only about a month before he left office and some states  
290 assets have been devastated! Italy, for example! China is coming,  
291 soon!

292 By the way, Biden's executive orders have NO POWER, they have  
293 NO AUTHORITY because he is not LEGALLY the President of the  
294 US. The US does not have a President right now.

295 The point is, according to US CODE it is against the law for any  
296 person to hold office under sworn allegiance to the Constitution to  
297 be complicit in sedition, to be compromised by their connections  
298 to a foreign power that is an enemy of our Nation—China, and  
299 several other nations, joined together in the interference of the  
300 2020 election—they are enemies of the STATE—and the 14th  
301 Amendment means they are illegally holding their offices RIGHT  
302 NOW.

303 They cannot legally govern!

304 Right now you have a situation, the only scenario in which the  
305 situation could conceivably happen, that the entire government is  
306 collapsed—we have no President, no VP, and no House Speaker  
307 who can authorize any military action at all — it fits the scenario of  
308 the May 2013 order — so our Military COULD act at any time—  
309 they could move in, arrest all the imposters, put them on trial, and  
310 then reestablish a CONSTITUTIONAL GOVERNMENT — as  
311 they are SWORN to protect and defend from all enemies foreign  
312 and domestic.

313 WILL they act?

314 Look, the Demoncrats are afraid of this. That's why they wanted to  
315 vet the National Guard and clear out any Trump supporters—they  
316 are looking over their shoulder and waiting for the next shoe to  
317 drop.

318 That's why they huddled the National Guard in the parking  
319 structure—sleeping on the concrete—they are afraid of them. They  
320 are afraid of our Military because they despise our military and  
321 know that our Military despises them—except for the incompetent  
322 Obama appointments—but Trump, I understand, has 800 soldiers  
323 in rank of General to Colonel—standing by! Trump does not  
324 command them. He is not President. But they are under the  
325 command of persons LOYAL to the CONSTITUTION—and not  
326 loyal to corrupt lying Biden.

327 Will they act? Will they move forward? Of course, they will wait till  
328 all traitors are revealed and when they can move forward with the  
329 greatest element of surprise. But that's not all! Don't forget GOD. I  
330 speak to this tomorrow. Don't forget GOD!

331 His eye is on the CHURCH—the true churches—and He is looking  
332 for His own to HUMBLE THEMSELVES AND PRAY — he is not  
333 waiting for some ecumenical hodgepodge of tares and wheat crying  
334 out to Baal. He is waiting for the remnant to receive the outpouring

335 of HIS SPIRIT OF PRAYER AND SUPPLICATION — to cry out  
336 to Him—to receive the mark of humility—so when the judgment  
337 sets forth, they will be protected.

338 I have lit the lamps in the Church belfry arch and now you let me  
339 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
340 ON and you will ride like Revere and spread the warning,  
341 (essentially, it means you agree with what I'm saying) or you say  
342 LIGHTS OFF -- which means you reject what I'm saying and  
343 disagree strongly with me. So, what will it be today, lights on, or  
344 lights off?
