

Brain Massage®: Show No. 815 Conspiracy, A Theory Proved True? / Was it Trump's Personality Or His Policies Dems Hated Most?

Jerry Scheidbach

Original Air Date: 01.30.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 Q, sometimes called Q-Anon, is breaking into the collective
5 consciousness of the kingdom of man. Hehe! Held by some to be
6 an oracle for predicting future events and by others to be a
7 gathering place for fools. So what does the Brain Masseur make of
8 it?

9 The Trump Persona factor! Is hatred for Trump about his
10 personality? Why that's a major MISS!

11 The Game Stop phenom—I'm sure I won't get to this today, so, I'll
12 sum up: to me, this looks like establishment types don't like regular
13 guys getting in on their game and disrupting their playground—for
14 example, hedge funders disrupted to the tune of 70 BN brought
15 their attention to the Reddit raid. Soros does not like competition.

16 Okay, my friends — it's time for your Brain Massage!

17 [TRUTH]

18 Q, sometimes called Q-Anon, is breaking into the collective
19 consciousness of the kingdom of man. Held by some to be an
20 oracle for predicting future events via cryptic messages, dark
21 sayings, parables, and secret codes decipherable by white hat
22 Patriots involved in a counter conspiracy to save the world from
23 the Nimrods (the God defying One-Worlders)—

24 By others Q-Anon is a gathering place for fools—a modern Mars
25 Hill where babblers babble and tall-tales are spun into webs as
26 thick as Shelob's lair — and where some looking into this
27 conspiracy fun house mirror see the Gollums (conducting a Deep

28 State disinformation operation) leading the unsuspecting Patriot-
29 Frodos into a trap, where the DEMON Shelob stings them with the
30 venomous poison of deceit, so they might dull their senses not
31 sufficient to kill them, but to keep them docile and fresh so they
32 can from them STEAL THE RING OF POWER!

33 So what does the Brain Masseur make of it?

34 First off — it's Q not properly speaking Q-Anon; it's just Q — the
35 Anon simply refers to the fact that, 1. Q is anonymous, and/or 2.
36 many of Qs "Patriot Team members" post as anonymous followed
37 by an id number.

38 Q is reputedly a mysterious former, or acting, Intelligence officer,
39 but this is never directly stated, so far as I can find.

40 Some suspected of being Q are General Flynn, and President
41 Trump, but nothing is offered to substantiate the claim.

42 Having perused a few hundred posts, and listened to some who
43 treat Q like an oracle—and read what the detractors have to say—
44 people with the liberal bona fides of The Atlantic, for example, it
45 seems to me Q is someone who believes in the conspiratorial view
46 of history, is convinced of an international cabal of super powerful
47 elites intent on taking over the world and imposing their will on
48 humanity—making decisions like how many people should be alive
49 at any given time on the planet (Bill Gates), and who should hold
50 power in the world under their control—the DOMINION
51 machine, and so forth—a universal Socialist dictatorship in which
52 the entire world is under their direct CONTROL. By "their" I mean
53 the few super rich Banking families, like the Rothschilds, the
54 Bilderbergers, and Rockefellers, and so forth. It involves some
55 things you have heard of like the Illuminati — and key players
56 involve the Vatican, the City of London, and, oh yeah, Washington
57 DC. And it includes plots like Beijing worming its way in to take
58 Washington DC's place as among the CITIES THAT RUN THE

59 WORLD—and it involves complex and secret machinations that
60 have the ELITE CABAL playing each State against the other to
61 further their ultimate purpose, already stated, to RULE THE
62 WORLD and control all of its resources and all of its military
63 power of force—and it sees as acting behind all of this the sinister
64 forces of evil—Satan himself, presiding over the *powers,*
65 *principalities, rulers of the darkness of this world and spiritual*
66 *wickedness in high places.*

67 It appears to me that this fellow, as we all assume it's a fellow and
68 not a filla, watches carefully geo-political events, particularly as
69 touches the United States, and interprets these events within his
70 world view paradigm of a CONSPIRACY to take America down,
71 and fold it into the GLOBALIST order under the control of the
72 Banking CABAL.

73 As to his so-called "failed prophecies" — the most famous of which
74 is Hillary was to be arrested on October 30, 2017—and his alleged
75 dodge when he said this plan failed, and that she was detained but
76 not arrested—and the more recent theory that she is cooling her
77 heels at Gitmo waiting for the rest of her nere-do-wells to join
78 here—well I'm not an apologist for Q — but I admit I have
79 wondered where she is of late! When was the last time we heard
80 from Hillary? I confess I don't follow MSM closely but usually by
81 now we would have heard her cackling about Trump losing—or
82 opining on what should be done about him! Right? Just saying!

83 As an honest observer, while I must say I don't have any
84 confidence at all in what the Liberals say about Q — and I can
85 accept only some of what American loving patriots say about him
86 — but with what information I have available now I'd say he is an
87 astute observer of American politics who interprets events as he
88 sees them contributing toward his expectation that PATRIOTS are
89 working in the background to deliver America from the clutches of

90 the Deep State-Central Bank-GLOBALIST conspiracy to enslave
91 the world.

92 Among the more enigmatical entries in Q alerts refer to 11.3 and
93 11.4 — as "markers" indicating certain actions against the
94 politicians in America who are working for the Cabal—that is
95 using China right now to bring America into the GLOBAL FOLD.

96 Well, it just so happens that these seemingly cryptic references
97 actually refer to a legal document, published by the DOD, called
98 the Law of War Manual and lays out the LAW OF WAR for the
99 American Military.¹ I have the latest update of that document from
100 the General Counsel of the Department of Defense, Pentagon, June
101 12, 2015 signed by then acting General Counsel Stephen Preston —
102 chapter 11 deals with THE LAW OF OCCUPATION. 11.3
103 describes belligerent occupation as occurring in fact when a hostile
104 force occupies enemy territory and takes temporary control of its
105 government functions. Section 11.4 describes when and by what
106 means such an occupation has come to an end. While this is
107 obviously written with a view toward what rules govern our troops
108 when occupying territory taken under control in the conduct of a
109 war, such as when we took Iraq, the fact is the law is applicable in
110 any case where the circumstances meet the descriptions given in
111 this law. In other words, it is applicable to any case where a hostile
112 force has taken occupation of what by that force is deemed an
113 enemy territory and holds it—whether or not the occupation is
114 legal, or justified.

115 11.4 provides for the termination of a belligerent occupation by
116 "friendly" forces overcoming the occupying forces.

117 Qs reference to 11.3 and 11.4 are "markers," intended to say when
118 you see a belligerent occupation of Washington DC, in this case, by
119 foreign powers interfering in our elections and placing a puppet

¹ https://dod.defense.gov/Portals/1/Documents/law_war_manual15.pdf

120 President in the Oval Office—this was to be understood as a
121 "marker" alerting us that certain expected actions would begin to
122 take place.

123 Those expected actions include the Military intervention of our
124 Armed forces bringing to justice the traitors and criminals who are
125 occupying our nation's capital under the power — and illegal
126 authority — of China, together with any other nations involved in
127 this usurpation of our Constitution.

128 The lack of any such actions materializing has created some
129 confusion among the Q crowd — and Q himself has been in black
130 out for more than 50 days — but the hopeful continue to wait for
131 the second "marker," which will be release of the incriminating
132 information to the general public, followed by the arrests and
133 subsequent trials of the perpetrators of this treason, which will
134 result in the return of America to her roots—the old pool—and
135 reestablishment of America, one nation under GOD.

136 Now, it just so happens that I have also been expecting and looking
137 for this same thing! I hoped our elections would have been fair and
138 honest, but that failed. I had hoped our State Legislatures would
139 have taken to themselves their Constitutional authority and
140 declared the electors illegally chosen to be called back to their
141 respective states, along with firm instruction to the Congress that
142 those legislatures, exercising their duly CONSTITUTIONAL
143 powers determined the elections in their states in question and so
144 they would have considered it a violation of their
145 CONSTITUTIONAL POWER to direct in what manner electors
146 are chosen if those illegally chosen were counted — but they failed.
147 I expected, and hoped, our courts would step in, do what is right,
148 and provide AN OPEN AND TRANSPARENT HEARING OF
149 THE ALLEGATIONS OF FRAUD before the eye of the public so
150 as to put to rest any questions about election fraud—but they
151 failed. I expected the Secretaries of State and Governors of said

152 states to have seen the wisdom of ALLOWING FULL AND
153 UNFETTERED ACCESS TO THE VOTING MACHINES AND
154 BALLOTS TO CONDUCT A FREE, AND OPEN, AND
155 TRANSPARENT FORENSIC INVESTIGATION as proposed on
156 several occasions — and as ORDERED BY AT LEAST ONE
157 COURT — but what we got was obfuscation, obstruction, delays,
158 and open efforts to block investigators from conducting the
159 investigations. They failed! I expected perhaps Pence would have
160 invoked his much touted concern for the CONSTITUTION and
161 stood to defend it by agreeing with the Legislative bodies that
162 officially requested him to delay certification of the electoral votes
163 until they completed their investigation — but, alas, Pence was
164 more concerned about posturing like he was in defense of the
165 Constitution than he was concerned about actually DOING what
166 he could do to PROTECT the Constitutional election process in
167 this country—and so he failed. Then I looked to the last standing
168 person with official capacity to act in defense of the Constitution —
169 which would be the President. Only it would require extraordinary
170 measures involving the insurrection act and martial law—and
171 when he flew away to Mar-A-Lago I thought he decided not to go
172 that route—.

173 But then I got to looking a bit closer. And I'll offer to you my own
174 take on this that is premised upon my own research—so, hold on
175 through the break! I'll be right back!

176 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
177 at the Lighthouse, your brain masseur, and Paul Revere's lantern
178 lighter, lighting the lamps in the church belfry arch, signaling the
179 enemy is on the march, an enemy that would steal from us our
180 liberty.

181 Is there any real hope that Patriots will reclaim the government
182 from the hands of these usurpers and reestablish the POWER to
183 the PEOPLE?

184 Well, I've said many times that our trust is not, ultimately, in men,
185 or in the machinations of the clever to work out a complicated plan
186 to restore to us our LIBERTIES. We trust in the LORD—our
187 HOPE is in CHRIST JESUS.

188 We understand, however, that Jesus works through us—His own
189 people. He promised that when the enemy comes in like a flood,
190 the SPIRIT OF THE LORD will raise up a standard against him
191 (Isaiah 59:19). The SPIRIT of the LORD dwells in the believer —
192 and so it is reasonable to expect He will act through the BELIEVER
193 to raise up that STANDARD. I believe that as a matter of fact it's
194 down to GOD FEARING PATRIOTS with official capacity to act
195 in fulfilling their OATH TO DEFEND THE CONSTITUTION
196 FROM ALL ENEMIES FOREIGN AND DOMESTIC. And I
197 believe the last standing institution with official capacity to ACT is
198 the MILITARY.

199 So, let's look at this. And let me explain my own basis for believing
200 there is a PATRIOTS plan to DEFEND us from being TAKEN
201 OVER BY CHINA through CCP operatives placed in power in the
202 US White House, Capitol, and the SCOTUS. Indeed, as I pointed
203 out before, the fake news supported a fake election putting into
204 office a fake President — and this was done with the aide and
205 support of the controlling members of Congress and the highest
206 COURT of our land.

207 We furthermore know that the Establishment Deep State
208 operatives of the CCP in this country attempted to conduct a coup
209 against our President, which is an act of TREASON! We further
210 know that there is such corruption in our government as to
211 warrant indictments and prosecution of literally hundreds of
212 persons holding office in this country contrary to the 14th
213 Amendment.

214 We are assured this evidence of foreign interference in our election
215 with the assistance of massive numbers of United States office
216 holders in this country will be forthcoming.

217 And the massive involvement of our government officials with
218 Epstein's pedophilia activities will also come out—and all these
219 crimes will beg for JUSTICE.

220 You probably heard about the evidence trickling out proving
221 Obama, Hillary, and Brennan, and the rest all knew the Russia
222 collusion scam was a hoax and that they used it to illegally obtain
223 warrants to spy on a citizen who was the political opponent of the
224 DNC & Judas Republicans — THEY KNEW AND WENT
225 FORWARD WITH THEIR PHONY IMPEACHMENT AND
226 CHARACTER ASSASSINATION anyway — because they are
227 EVIL and WICKED people. You probably also heard the drip, drip,
228 drip, of information about the politicians in America who are
229 implicated in Epstein's pedophilia ring—the list of American
230 household names who visited his Island includes CLINTONS, and
231 Dershowitz is implicated, and — well, you name it. ABC Amy
232 Robach — co-anchor for 20/20 and fills in for Good Morning
233 America — she was filmed complaining that she had the Epstein
234 story, and the goods on Clinton's involvement, three years ago, and
235 she is angry that now it's coming out like it's some newly breaking
236 news — when she had it THREE YEARS ago — but her bosses
237 would not let her go with it!

238 The STORM IS COMING — friends.

239 So, let me break it down for you.

240 First, in 2013, the Pentagon gives notice of its right to intervene in
241 times of national emergency independent of authorization from
242 the Commander in Chief when authorization from the chief
243 commander is impossible to obtain—May, 2013. It stirred a bit of

244 controversy with liberals afraid the Military was about to oust
245 Obama.

246 Then, in 2015 — the Pentagon issues a revised version of the LAW
247 OF WAR MANUAL — and I mentioned the provisions it makes
248 for MILITARY ACTION in an ASSUMED CONDITION OF
249 MARTIAL LAW when a belligerent occupying force holds
250 territory and has temporarily usurped government control In such
251 an emergency, the FRIENDLY military (or militia, by the way) can
252 break the belligerent occupation and restore the government to the
253 SOVEREIGN POWER — the original government under civil
254 control once the occupation forces have been defeated!

255 Then, Trump gets elected and it all breaks loose. Obama, Hillary,
256 and company, turn what was a smear campaign during an election
257 cycle into a CAMPAIGN TO OUST THE SITTING PRESIDENT
258 — an internal COUP involving leadership of CIA, FBI, DOJ, and
259 some members of the DOD — which is an act of TREASON
260 against their OATH to uphold and DEFEND the Constitution.

261 In December 20, 2017, Trump signs an executive order (I'll discuss
262 this more tonight or tomorrow on my live stream VISIT) titled
263 BLOCKING THE PROPERTY OF PERSONS INVOLVED IN
264 SERIOUS HUMAN RIGHTS ABUSES AND CORRUPTION.
265 There are some really interesting elements of this executive order
266 including but not limited to, 1. in this eo Trump DECLARES A
267 NATIONAL EMERGENCY; 2. in this eo Trump provides for the
268 prosecution and the confiscation of all financial or property assets
269 of any person involved in human rights abuse or corruption—
270 specifically names anyone who is or HAS EVER BEEN involved,
271 who is or ever has been in government office — oh yeah! This EO
272 has teeth baby.

273 Then, in September 12, 2018, Trump signs another EO that
274 reaffirms our EMERGENCY status, and lays out serious financial
275 repercussion against any foreign power that interferes in our

276 election, and against any citizen implicated as assisting or abetting
277 the same — and this one, like the earlier one, it has TEETH BABY.

278 Furthermore these Executive Orders provide for the ACTION to
279 be SET IN MOTION — in other words — the actions of these
280 orders were triggered — they began execution already — and only
281 a genuinely and legally installed President can change the EO —

282 Unlike the Biden EOs that have NO AUTHORITY and are
283 MEANINGLESS.

284 And then you have the execution order of the EOs in November of
285 2020 — which actually activates the MILITARY

286 And the disclosure order given likewise in November of 2020
287 before Trump left office — and THERE IS LEGALLY SPEAKING
288 NOTHING BIDEN'S PHONY ADMIN CAN DO TO STOP
289 WHAT IS COMING.

290 So, as it stands right now, the military is AUTHORIZED to step in
291 and take out the belligerent occupying force—to initiate the
292 EMERGENCY PROTOCOLS already put in place and activated —
293 and arrest the traitors — put them on trial — and restore our
294 REPUBLIC!

295 That's what IS in place! It's not a conspiracy theory — the legal
296 basis for all I've outlined is in PLACE.

297 Whether it will be acted on — I HOPE SO! I pray for JUSTICE —
298 please get and listen to my messages Sunday am, pm, and
299 Wednesday.

300 AM — What is GOD waiting for? PM — Comforting God!.
301 Wednesday — the TWO SWORDS.

302 Be careful about being brainwashed into a knee jerk reaction to
303 anything like this as a *conspiracy theory*. First, you are aware, I am
304 sure, that conspiracies are a real issue in American jurisprudence
305 — in other words, there are LAWS about conspiracies because,

306 well, because conspiracies are contrived by men to commit all
307 manner of fraud, and illegal activity. So, the word *conspiracy* does
308 not automatically mean something fanciful, or ridiculous.

309 Second, you are aware that there are two fundamental views of
310 history. One is the accidental view of history that says things
311 happen as quirks of accident. The other is the conspiratorial view
312 of history — this view says there are operators behind the scenes
313 concocting schemes whereby they might advance sometimes
314 nefarious schemes.

315 MacArthur believed Communist Russia was engaged in a
316 conspiracy to overtake America and turn America communist. He
317 was mocked, maligned and ridiculed as a "conspiracy theorist."
318 After the Iron curtain fell, it all came out — MACARTHUR WAS
319 RIGHT!

320 So, here is the thing! You who know what the Bible says about
321 these things can understand how easily that fits into the paradigm
322 of biblical prophecy—

323 We know SATAN desires to bring all the kingdoms of the earth
324 back under his control (Matthew 4; Luke 4) and has been working
325 feverishly in this world, as the prince of the power of the air, the
326 “spirit that now works in the children of disobedience” to restore
327 Satan’s preeminence in the earth. This effort has been on going
328 since Jesus broke his global control on the CROSS and by His
329 resurrection, was DECLARED TO BE THE SON OF GOD WITH
330 POWER.

331 Satan has always worked to bring the earth under his complete
332 power and to appoint a man over it through whom he would rule
333 it.

334 And we know he desires to use this power to destroy humanity off
335 the earth.

336 And so it's easy to believe the reports we hear about these super
337 rich are so far beyond any interest in money whose actual interest
338 is in how much power and control they can get over the world's
339 resources and the ultimate power is control over mankind.

340 This gives them that “rush” heroine addicts get from their drug —
341 this is the drug of the super rich — CONTROL OVER HUMAN
342 LIFE.

343 But there is a POWER in the earth that interferes with their
344 efforts—it's the MYSTERY of CHRIST.

345 One thing has to happen before JUSTICE will call on JUDGMENT
346 TO TURN AROUND and move in with GOD's SWORD of
347 vengeance to execute wrath upon the EVIL DOERS is the TRUTH
348 has to be PUT BACK ON THE PILLAR AND GROUND Jesus set
349 in the EARTH for it — the CHURCH.

350 And that will not happen until the CHURCH humbles herself—
351 listen to my messages Sunday am and pm last week. Please. And
352 forward them to every Christian — biblical Christian — that you
353 know. And encourage them to do the same.

354 Well, I don't have time to discuss the Trump Persona theory. I'll
355 pick up that cutting room floor clipping for tonight—unless I
356 decide to spend that time with the DOVE before I begin my trip
357 tomorrow to Bend, Oregon.

358 I have lit the lamps in the Church belfry arch and now you let me
359 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
360 ON and you will ride like Revere and spread the warning,
361 (essentially, it means you agree with what I'm saying) or you say
362 LIGHTS OFF -- which means you reject what I'm saying and
363 disagree strongly with me. So, what will it be today, lights on, or
364 lights off?
