1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 I am sincerely praying for Mr. Biden and his studio presidency.
5 Psalm 140:8 "Grant not, O LORD, the desires of the wicked: further
6 not his wicked device; lest they exalt themselves. Selah."
7 The miracles of November 3!
8 Question: If Biden won against Trump in a "fair and honest
9 election" in 2020 why are they in such a panic to ensure he can't
10 run again in 2024?
11 Is Biden actually running the executive branch of our government?

13 Defense Sec orders Military Stand Down in honor of Black History
14 month? What in the world? That's the new spin on this action —
15 when it first came out, it was about deciding what they were going
16 to do about Trump supporters in their ranks.
17 PROOF the Democrats playing "we rule the world" right now are
18 NOT AMERICANS!
19 More evidence that Patriots have a plan and the Traitors should
20 beware — indeed, they had better kiss the SON lest He be angry
21 and they all PERISH FROM THE WAY when His wrath is kindled
22 but a little!
23 Wait for it Patriots! It's time for your BRAIN MASSAGE.
24 [TRUTH]
25 The miracles of November 3!

26 Perhaps you think I am referring to the miracle of Biden's victory.
27 What a come from behind surprise ending, right! He was losing,
28 well, big time — in the key states the Democrats needed to win to
29 get Beijing's best friend into the Oval Office to replace Beijing's
30 worst nightmare!

31 It was a miracle—right? I mean almost 700 thousand votes behind
32 in Pennsylvania, hundreds of thousands of votes behind in
33 Georgia, and Michigan, and Wisconsin—and suddenly, voting
34 stopped in those states—all at about the same time. And in the
35 eerie hours that passed, other strange things occurred. Trucks
36 delivering hundreds of thousands of ballots, some blank, some
37 batches that were obviously completed by a printer. And other odd
38 stuff. Ballots pulled from under tables and counters reinserting the
39 same ballots multiple times — all of this on video, by the way.

40 Then there was the tens of thousands of dead people and underage
41 voters — the underage voters might not be too hard to figure out
42 — but how did the dead people vote. Man! This was a miracle.
43 Thousands of dead people rose from their graves, filled in a ballot,
44 handed it to their favorite ballot harvester and then crawled back
45 into their grave. It was a wonderful night! A night of miracles!

46 And probably the most amazing miracle of all happened while I
47 watched a CNN video where vote flipping occurred on screen,
48 right in front of our eyes. The totals of the Democrat and
49 Republican candidates were on screen. A flash later, the
50 Republican lost 500 votes and the Democrat gained 500 votes —
51 viola! Right in front of our eyes! Others reported seeing the same
52 miracle. Trump or some other Republican suddenly LOST VOTES!

53 If you are Democrat and voted for Biden—you must have been
54 astounded — even if you are a God denying humanist — I'll bet
55 you thought — wow, there might be a God after all! Because,
56 friend, this was a miracle — right?

57 Well, of course, no! It was blatant theft of our election and the
58 cancelation of Trump and Trump supporters and voters. It was the
59 disenfranchisement of 74 (more likely 80 to 100) million voters.

60 The proof of this is well documented! And it's all going to come
61 out. But reasonable people who are not under the control of the
62 prince of the power of the air, the antichrist spirit that works in the
63 children of disobedience, who still think it at least moderately
64 logical patterns know that if the DEMONCRATS actually cared
65 about transparency, and ensuring the integrity of our elections they
66 would not WORK SO FEVERISHLY TO KEEP THOSE
67 CONCERNED ABOUT THE REPORTS OF VOTER FRAUD
68 FROM HAVING ACCESS TO THE BALLOTS AND THE
69 MACHINES USED TO COUNT THEM. They would simply say,
70 of course, here, let's have forensic investigations of the ballots and
71 the machines and let's have observers from both sides watching the
72 entire process — and let's have that evidence put in front of a
73 COURT of LAW IN the OPEN so everyone can see it—and let's
74 settle this once and for all. But the FACT is the left has done
75 everything in their power to shut down ANY GENUINE
76 INVESTIGATION INTO THIS ELECTION.

77 And, I'll tell you that when men sell their soul to do evil they lose
78 their conscience and become so perverse they start behaving
79 strangely—it starts with symptoms only an experienced observer
80 will notice but over time, it becomes more and more open—they
81 start going INSANE! As the SPIRIT of JESUS CHRIST begins
82 REPROVING their conscience and the spirit of antichrist in them
83 starts resisting, fighting to maintain control of their minds—this
84 spiritual battle begins to break their mind down — they start losing
85 control of their mind — it even starts showing up in their
86 countenance — the EVIL begins distort their features — they
87 harden, and their eyes become full of power-lust, and they start
88 saying outrageous things—occasionally they hear their own words

89 and wonder, at first, where did that come from, and finally, their
90 mind is gone and their soul is sealed to SATAN—that's when they
91 can laugh while burning Jews in ovens! That's when they can herd
92 hundreds of human beings into acid showers during the day and
93 go home to hug their own children after work.

94 That's when they start lying without needing too, they lie as a
95 matter of course — they say they were in their office, terrified by
96 "insurrectionists" storming their hallway — when the TRUTH is
97 they were not even in their office when the rioters entered the
98 Capitol. AOC is a child of Satan! She serves her father, the Devil.
99 The same is true of Pelosi, and Schumer, and Schiff, and the rest of
100 these people—they lie as a matter of course — it's not even
101 something they have to think about; it's natural for them to lie
102 because they are of their father the Devil—who was a liar from the
103 beginning, and a murderer.

104 You see, Satan's "miracles" are manufactured by deceit. Satan has
105 some who call themselves Christians too. They manufacture
106 miracles by manipulating people — they are also of their father the
107 Devil — they are perverse, full of all subtlety, workers of iniquity,
108 who are themselves deceived and deceiving others — .

109 But let me tell you there were miracles on Election night! Real
110 prayer answered miracles. One of them was in the fact that the
111 WICKED had to step out from behind their curtain and EXPOSE
112 themselves openly in order to stop the Patriots who rose up in the
113 millions to vote for the Constitution, for free market economy, for
114 fair trade deals with China and others, for challenging our NATO
115 allies to pay their fare share, FOR securing our borders and
116 releasing the ECONOMIC POWER OF THE GREATEST
117 NATION ON EARTH — that's what Americans voted for, and
118 they did in the millions.

119 And this caught the devils off guard—their algorithms were
120 "broken." They had not anticipated the need to flip so many votes—

121 so they had to stop the counting — and put the operation OPEN
122 STEAL into motion. They had to have the senior programmer guy
123 in Italy who worked for a cyber security company called Leonardo,
124 to upload an algorithm to the Vatican controlled satellite that
125 triggered the Dominion machines, connected to China's Hammer
126 and Scorecard program to manipulate the vote count — which in
127 turn required the ground troops to dump the ballots necessary to
128 cover their vote flipping operation — BUT the miracle was this —
129 all of this was an answer to OUR PRAYERS!

130 Very specifically, the LBC family has been praying, and fasting, and
131 praying that GOD would expose the voter fraud—it was the
132 primary focus of my concern in our prayer meetings all along,
133 going back to leading into the 2016 and all through the 2020
134 campaign.

135 They have been caught—exposed. Who are "THEY"? I John 4:1-4
136 — they are the children of disobedience who serve the spirit of
137 antichrist and WE are the children of obedience who serve the
138 SPIRIT OF JESUS CHRIST — and He that is in us is GREATER
139 than he that is in them.

140 The only question now is will the PATRIOTS step forward and
141 SHOW THE EVIDENCE?

142 So you are right Mr. Lindell; that is miracle number one!

143 Miracle number two will be GOD working to BREAK THROUGH
144 the barrier the antichrist spirit has put up to hold back the truth
145 from the PEOPLE. He is breaking down FB, Amazon, YouTUBE
146 and Twitter—he is breaking down the MSM—the pressure of the
147 TRUTH is building, increasing every day and soon, the DAM will
148 burst and the truth will flood the land — the TRUTH will rise up
149 and CRUSH the Biden fakery like the house of cards it is.

150 But be prepared, Patriots. The truth that sets us FREE cuts clean
151 but it also cuts deep — there will be weeping, and wailing, and

152 gnashing of teeth among the evil ones—the devils in them are
153 going to howl and like a cornered animal—you must be prepared
154 for them to strike out, snarling, hissing, thrashing about in terror
155 — but also be prepared for some serious humbling—when the
156 saints who were deceived discover the truth, it's going to be hard
157 for them. So many will be exposed for the frauds that they are—but
158 many will see the truth, and suddenly their hearts will be freed
159 from the delusions and it's going to be humiliating for them—but it
160 will also be a time of cleansing and returning to the LORD.

161 Okay, my dear friends hold on through the break! I'll be right back.

162 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
163 at the Lighthouse, your brain masseur, and Paul Revere's lantern
164 lighter, lighting the lamps in the church belfry arch, signaling the
165 enemy is on the march, an enemy that would steal from us our
166 liberty.

167 Question: If Biden won against Trump in a "fair and honest
168 election" in 2020 why are they in such a panic to ensure he can't
169 run again in 2024?

170 Is Biden actually running the executive branch of our government?
171 You heard that the Pentagon refused to send intel to him regarding
172 the sale of F-35s to Saudi? That he was essentially told not to
173 bother coming by the Pentagon? That the Biden people are
174 terrified of the Military? That whoever is controlling Biden wants
175 the Military to stand down in order to apprise what they are going
176 to do about the Trump supporters in the Military? Then they
177 changed the spin on that to a stand down is being called for in
178 honor of Black history month? Why? The military has almost from
179 the beginning been the one place where blacks could gain some
180 equality — and it was our military in the end the won
181 emancipation, and fought for the liberties of ALL MEN!

182 I was watching Biden speak from the "Oval Office" a bit back and it
183 just looked off to me. Seriously, I thought, this looks staged.
184 Something was off, and it was not merely that a fake President was
185 sitting in the chair, but the office itself looked off—staged.

186 Today I came across a video floating about "out there" in the digital
187 battlefield examined by one of the many digital soldiers that are
188 fighting this digital war—and it really does look like Biden has set
189 up a studio oval office in Culver City, CO at a studio called Castle
190 Rock — somehow, video was obtained showing a group of
191 reporters entering into a faux oval office with a masked Biden
192 behind the desk — the room they walked into did not look like the
193 Oval office — except for the place where Biden was sitting and it
194 looked just like a stage.

195 More evidence that Patriots have a plan and the Traitors should
196 beware — indeed, they had better kiss the SON lest He be angry
197 and they all PERISH FROM THE WAY when His wrath is kindled
198 but a little!

199 I've gone over the Pentagon issuing a statement of their right of
200 independent intervention in the case the Commander in Chief
201 cannot give direction—that was in 2013. The liberals then thought
202 the Military was planning to oust Obama—I explained how that
203 did not provide the scenario envisioned in the order, that became
204 effective in May of 2013, by the way. Because Obama was present
205 to give direction, and if he was incapacitated, the VP would step in,
206 and then the House Speaker — so that a scenario such as what the
207 Pentagon envisioned would be virtually impossible. However, our
208 current situation provides a scenario in which we don't have a
209 Commander in Chief—nor a VP that can step in—nor a House
210 Speaker who has legitimate authority to step in unless she is willing
211 to admit Biden and Kamala are not holding their offices legally.
212 Besides, she is also compromised so that according to the 14th
213 amendment, she is holding her office contrary to law.

214 Then there was the rewrite of the Law of War Manual — in which
215 occupation by a foreign power was described in such a way that
216 authorizes military action in the case that a foreign power
217 succeeded to place their puppet candidate into the Oval Office and
218 set up an occupation of Washington, DC. This was in 2015. Then
219 Trump got in, and established EOs in December of 2017 and
220 September of 2018 that declared America in a state of emergency,
221 and that anticipated the discovery of traitors in our government,
222 and interference in our elections by foreign enemies and
223 treasonous government officials. Then you have the fraudulent
224 election triggering these Executive Orders — and the eerie sense
225 that this thing is not over yet. The odd indications I alluded to
226 earlier that Biden is a Chinese puppet and that our Military are
227 aware of this and they are not buying in.

228 The interesting fact that Trump has not yet conceded the election,
229 left a letter for Biden that had one sentence—"Joe, you know I
230 won!" He has set up THE OFFICE OF THE FORMER
231 PRESIDENT — and now the Congress is attempting to impeach
232 him, even though he is no longer the President? Do they know that
233 in fact he IS the PRESIDENT and they need to impeach him to be
234 rid of him?

235 It's all very strange. And now, there is this. The impeachment
236 declaration from the House actually opens the door to the
237 President to reveal all his evidence of voter fraud and foreign
238 interference. What is the one thing we have not been allowed to
239 do? We have been barred at every turn in every effort to get the
240 evidence into the full light of the PUBLIC VIEW! Those who
241 believe there is no evidence only believe that because that's what
242 their trusted leaders have told them. It's this way all the time with
243 that crowd. They simply believe what they are told by their trusted
244 sources and don't do any investigation beyond that. You saw it
245 hundreds of times over the last four years — so, you hate Trump.

246 Why. And what to you hear? The one-liners, the slurs, the
247 unproved allegations and accusations of the liberal media and
248 politicians. You ask for examples and they either stammer and
249 sputter without offering any coherent argument to support what
250 they believe or they spout the liberal talking points and the minute
251 you start challenging them with facts that contradict them, they
252 dismiss you as a racist or white supremacist, or whatever.

253 The election fraud issue is the same. They send you to articles
254 where the MSM are saying there is no fraud, or not enough to
255 make a difference—but they never answer the direct questions like
256 how exactly did 6,000 votes get flipped from Trump to Biden, and
257 why should we not be concerned this happened more than only
258 once? If you ask why did the Republican lose votes and the
259 Democrat gain the exact same number of votes in a split second
260 right in front of God and every body on CNN? If you ask, why does
261 it not matter that thousands of dead people voted, or that
262 thousands of underage voters voted, or that observers were forced
263 to stand so far back they could not watch the count—why is that all
264 okay? And then, the big one, why don't we allow a forensic
265 investigation of the ballots and the machines to clear all this up?
266 What do we get? They simply repeat the "party line." No fraud! If
267 you say there was fraud, you are denying the legitimacy of the
268 election, and undermining America. Isn't it actually the other way
269 around? Isn't it true that refusing to allow the allegations to be
270 heard and the investigations to go forward unhindered and
271 unobstructed by government officials—isn't it true that in fact this
272 is the only way we can hope to clear this up?

273 Well, when the truth does get out there, it's going to be very painful
274 for many Americans to hear — even those of us who already know
275 what that TRUTH is. It's heartbreaking what these power hungry
276 Marxists have done to this country and it's time to put a stop to it.

277 The Deep State has very likely opened the door for all of this to get
278 aired out in the public square. The House of Representatives issued
279 their formal impeachment statement and here is how it reads, in
280 pertinent part:

281 "On Jan. 6, 2021 pursuant to the 12th Amendment of the
282 Constitution of the United States the Vice President of the US, the
283 House of Representatives, and the Senate met at the United States
284 Capitol for joint session of Congress to count the votes of the
285 Electoral College. In the months preceding the joint session
286 President Trump repeatedly issued FALSE STATEMENTS
287 ASSERTING THAT THE PRESIDENTIAL ELECTION RESULTS
288 WERE THE PRODUCT OF WIDESPREAD FRAUD AND
289 SHOULD NOT BE ACCEPTED BY THE AMERICAN PEOPLE
290 OR CERTIFIED BY THE STATE OR FEDERAL OFFICIALS.
291 SHORTLY BEFORE THE JOINT SESSION COMMENCED,
292 PRESIDENT TRUMP ADDRESSED A CROWD AT THE
293 ELLIPSE [by the way, that's the Ellipse Park near the White House]
294 IN WASHINGTON DC. THERE HE REITERATED FALSE
295 CLAIMS THAT 'WE WON THE ELECTION AND WE WON IT
296 BY A LANDSLIDE.'"

297 What the Dems have done is premise their case on Trump's claims
298 of election fraud — this introduces these claims into case for
299 Trump's defense. The argument can be put forward that in fact, if
300 Trump's claims are TRUE, it is the DEMOCRATS with the help of
301 their Judas Republic-rats who are guilty of insurrection, not
302 Trump.

303 It's interesting; because there is nothing else they can point to in
304 the speech that they could use to say he was inciting an
305 insurrection. Of course, affirming what almost all Americans
306 already suspect—I mean virtually all the 74 million that voted for
307 Trump and 30% of those who voted for Biden—so, if it's true that
308 jackal got 80 million that's another 24 million who believe the

309 election was stolen. If the premise of their claim that Trump was
310 inciting an insurrection because he with above 80 million
311 American believe the election was stolen, then that allegation is
312 material to his case, is it not?

313 I expect the opening remarks of the trial to run along the lines of
314 something like *we are not here to address the question of election*
315 *fraud; we are here to address Trump's incitement of an insurrection:*
316 or something of that sort. I hope Trump's attorneys will counter
317 that the issue of election fraud is central to the charge since it is
318 alleged this was the incitement. And for the other side to argue that
319 the election fraud issue is moot, it's already been decided, and so
320 that matter has no bearing on this case. To which it will be argued,
321 that in that case, the Congress has no case, because they have
322 clearly stipulated the allegation of election fraud is germane to their
323 claim that Trump was inciting an insurrection. And if the Trump
324 team expects to proceed on that line—we will have to see how it
325 plays out.

326 It's entirely possible, my friends, that the impeachment trial will
327 not be the showcase for the evidence of election fraud to come
328 forward—I truly hope that it is. I agree that usually in a trial, the
329 defendant is given wide latitude in presenting his defense and that
330 in this case especially Trump should be able to defend his
331 statements regarding the election since the accuser brought it up—
332 that's usually how this would work. But nothing is moving along as
333 per usual.

334 So, Trump might allow this to go on by—and wait to spring his
335 trap a little farther down the road. I sure hope it all comes out
336 beginning Feb. 9 — I hope at some point in the trial, the SPACE
337 FORCE will come in with their SOLID PROOF of foreign
338 interference in our election, of the number of Representatives and
339 Senators in that room who were complicit with China in the effort

340 to steal our government, with the forensic PROOF of all this and
341 that it will be put on public display.

342 I expect if that happens, the MSM and SM communists will go
343 black out — and they will scatter to the four corners looking for a
344 place to hide.

345 I expect much of the shake up going on right now with Amazon
346 CEO stepping aside, and, well, there have been a few and I don't
347 have time to go run them down right now — but it is odd how
348 many of these guys are positioning themselves to disappear
349 suddenly — to avoid being called to testify? Hmmm. Don't know.

350 But I need to conclude—hey, here is absolute proof that today's
351 Democrats are not American.

352 They hate the Constitution? Well, yeah, but, there is even stronger
353 proof. They despise law and order? Yep. But, that's not it. They
354 applaud people who openly hate America, burn our flag, the Bible,
355 and chant—hail to the chaos god? Uh huh! But, not what I'm
356 talking about. How about the fact that they love Marxists, promote
357 socialism, befriend communism, turn a blind eye to the CCP
358 oppressive government over China and actually advocate for the
359 same thing here in America — you know, re-education camps,
360 reprogramming for Trump supporters — that they can even talk
361 about these things as viable solutions to their FEAR and DREAD of
362 Trump and his supporters is enough to tell you these people are
363 NOT AMERICAN. But, no, that's not it either. How about the fact
364 that they resent the idea of America first, of national security, and
365 hate our military — that they scorn saluting the flag with hand over
366 heart and singing through a tear the Star Spangled Banner — YES!
367 Okay! All of that does clearly show these people are NOT
368 AMERICANS. They are COMMUNISTS!

369 But, let me tell you what really gives it away. Are you ready? They
370 have no sense of humor, these people! None!

371 For example, when the wicked lefties arrogantly refer to us
372 Americans a DEPLORABLES — we recognize the arrogant, nose in
373 the air, self-righteous superiority of the haughty pride — and scoff
374 at it. We go make T-shirts that say things like I'M A
375 DEPLORABLE and proud of it! We throw it back into their faces
376 and laugh at them, and mock them for the idiots they really are.
377 We have fun with it!

378 That goes deeply into our American culture. Becky brought this to
379 me today — she reminded me that's what our forebears did when
380 the Brits called us Yankee Doodle Dandies — haha! WE made a
381 song out of it and sang it joyfully, laughingly, at the morons who
382 underestimated us in this way—I'm a yankee doodle dandy — you
383 know, stuck a feather in my cap and called it macaroni — anyway!
384 The Brits sneered Yanks — from the Dutch Janks — or Johnnies —
385 and we simply laughed in their faces and used the term in jingles —
386 that's because we know how to laugh — we know how to stand up
387 to their jeering insults and smile in their faces with confidence
388 because we know who we are — we are the YANKS that whupped
389 the stuffing out of our enemies and by GOD's GRACE and IN HIS
390 NAME and with HIS SPIRIT — we will stand in the JOY of THE
391 LORD our STRENGTH — and face down this enemy to our
392 liberties.

393 I have lit the lamps in the Church belfry arch and now you let me
394 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
395 ON and you will ride like Revere and spread the warning,
396 (essentially, it means you agree with what I'm saying) or you say
397 LIGHTS OFF -- which means you reject what I'm saying and
398 disagree strongly with me. So, what will it be today, lights on, or
399 lights off?
