1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 The SPIRIT of THE LORD is upon me!

5 I read today about a king who refused to heed the warning of God's
6 prophet but instead dismissed him scornfully—"are you among the
7 king's counselors"? The prophet discerned the king's stubbornness
8 revealed GOD had rejected the king and was determined to destroy
9 him. This wicked king was assassinated a few verses later.

10 Things move pretty fast in the Bible—if you read the passage in II
11 Chronicles 25 carefully, you'll notice that at the time this king
12 turned from following the Lord a conspiracy was set in motion to
13 assassinate him because of his crimes. God would have helped the
14 king if he had listened to the prophet. Alas, the judgment was set in
15 motion, but it was fifteen years before the prophet's curse was
16 executed.

17 I don't know when GOD will require JUSTICE upon these evil
18 people; I only know that He will. The prophet had no part in the
19 conspiracy against the king in this story—he only delivered the
20 message that GOD had determined to DESTROY this wicked
21 ruler—when and how was not revealed. Judgment began upon this
22 king and his kingdom very soon after the prophet declared God's
23 curse upon him, but the final execution of justice against this
24 wicked man tarried for 15 years.

25 It's easy to become impatient waiting for the slowly turning wheels
26 of justice to finally bring the judgment they carry — but for
27 JUDGMENT to satisfy JUSTICE it must be first and foremost
28 JUST.

29 Wrath is set against the Obamas, the Bidens, the Clintons, and all
30 those who corrupted themselves with Epstein—DIVINE
31 JUDGMENT cannot be bribed off, or corrupted! To have a
32 doddering clown in the White House and Willy Brown's call girl
33 for a VP is the Devil's mockery of this one nation under GOD—a
34 blasphemy against our Constitutional Republic, and a reproach
35 upon the principles of liberty and justice for all. But it is also a well-
36 deserved reproof against our Laodicean churches, our
37 bastardization of the gospel, our new cart churches and their belly-
38 serving pastors.

39 Indeed, when the "wicked bear rule, the people mourn." If God has
40 put us into the power of wicked men and women it is a call to let
41 our laughter be turned to mourning and our joy to heaviness. Only
42 when we have fully submitted ourselves to GOD can we RESIST
43 the DEVIL with confidence he will flee.

44 Those who serve God with imperfect hearts, however, resist God
45 and submit to the DEVIL. They are backwards! Turn it around!
46 Repent. Submit to God — RESIST the Devil. Don't assist him;
47 resist him. You don't humble yourself to evil, you don't surrender
48 to the wicked; you don't yield to the workers of evil—RESIST!

49 But to have the DIVINE ASSIST, you must first SUBMIT TO GOD
50 then when you RESIST the DEVIL he will FLEE.

51 I declare wrath upon every man that doeth evil—if they heed and
52 repent, well! If they mock and scoff and dismiss the divine reproof,
53 I call upon them tribulation, and anguish—the CURSE OF GOD
54 upon all oppressors in the earth, upon all corrupted politicians,
55 upon all who love iniquity, who bow the knee to Satan, who drink
56 the blood, who molest the children, who devour the virgins, and
57 feed the great dragon of China—all who frame mischief by a law,
58 all who persecute the righteous and protect the wicked, all whose
59 hands are covered in the blood of infants, whose feet are wrapped
60 in the skin of babies and stained with their blood, who defile and

61 abuse themselves with mankind, whose witchcraft perverts their
62 soul to work all manner of unnatural acts—men with men, with
63 boys, with babies—working their abominable practices—reveling
64 in the strength of devils and the cunning craftiness whereby they
65 are deceived, and by which they deceive—whose hearts are lifted
66 up in pride, who arrogantly blaspheme the BIBLE and defy the
67 THRONE OF GOD — who employ the violent to steal and the
68 liars to cheat — I declare God's CURSE upon all of you who take
69 the power from the people and give it to Satan — I declare God's
70 CURSE upon all Representatives, Senators, Judges, Presidents, and
71 Vice Presidents, Governors, Mayors and any officers who defy the
72 ORDAINING AUTHORITY for their power and turn it against
73 GOD — unfaithful ministers — unruly, and ungodly! God's
74 CURSE is upon you!

75 Hold on, I'll be right back!

76 [????]

77 Disney fires Gina Corano because she Tweeted the truth about the
78 left today — Jack Morrisy, a Disney producer, is still drawing a
79 paycheck after he Tweeted "MAGAkids go screaming, hats first,
80 into the wood chipper" with a picture of a wood chipper dripping
81 blood—. Disney is done!

82 The latest from Lin Wood—from Tampa, FL Mayor, from the
83 WHO, and the Impeachment of the Senate—yes, you heard me
84 correctly!

85 A look at the confession from Molly Ball — journalist for the
86 Times — the importance of ONE VOTE — the Myanmar solution
87 and why the Guard remains in DC.

88 Folks — it's time for your brain massage!

89 [TRUTH]

90 Liberalism corrupts everything it touches. Disney has been
91 exploiting children for decades and it's all going to come out into
92 the open.

93 But what hypocrisy! Someone offers a perfectly legitimate
94 observation, noticing that the MSM/SM/DNC/GOP Establishment
95 are talking about reprograming conservatives, reeducating them—
96 rounding them up and disappearing them from their
97 neighborhoods and force feeding them political correctness until
98 they yield up their independence and cower to their mind control
99 — so she says, hey, that's like what the Nazi's did in Germany when
100 Hitler rose to power—and Disney freaks out and fires her.

101 You know we need to invent some jargon here—it's getting
102 cumbersome to have to say MSM/SM/DNC/GOP Establishment—
103 what would be a good word to label this group of God hating,
104 America Despising, Anti-Americans who are working to
105 undermine our Constitution and steal from us our liberties? One
106 thing they all have in common is they DEFY the GOD OF THE
107 BIBLE and they want a ONE WORLD GOVERNMENT controlled
108 by THE self appointed ELITE—and that's NIMROD all over again,
109 so maybe we can call them the NIMRODS.

110 Or, maybe a better differentiation is the one Jesus used in His
111 message on the great separation of the GOATS and the SHEEP. He
112 set the goats on his left hand and His sheep on the right. This
113 actually works well.

114 The GOATS — are worshippers of the gender-blended, goat-
115 headed, cherub winged symbol used for Satan in homage to his
116 favorite Satan worshipping Satan possessed king named Alexander,
117 represented in Prophecy by a goat — and worshipped today by that
118 symbolic representation — and Jesus uses the goat to represent
119 those who follow his GOD DEFYING example—so we'll call them
120 goats.

121 As for the SHEEP — you can see how the world, with the help of
122 foolish Christians, belittle the imagery. Jesus is GOD's LAMB,
123 given as a sacrifice for our sins—and the goats despise the lamb
124 and the sheep. They try to make it out that the reason God calls His
125 followers sheep is because they are stupid—dumb! Nowhere in
126 Scripture does God call on His people to be stupid, or dumb—
127 rather, He calls them to be wise as serpents and harmless as doves.

128 He calls on them to study to show themselves approved unto God
129 RIGHTLY DIVIDING THE WORD OF TRUTH. He invites them
130 to call on HIM for WISDOM with promise to give it to all who call
131 on Him with faith unwavering —. The analogy of Jesus' disciples
132 being called *sheep* has nothing at all to do with the idea that sheep
133 are mindless and can be easily led.

134 The quality of sheep that Jesus has in view is that they HEAR AND
135 FOLLOW ONLY THE VOICE OF THEIR SHEPHERD. They
136 KNOW the VOICE of their SHEPHERD, and acknowledge only
137 that ONE VOICE. The fact is, Christ's SHEEP are not easily led by
138 fakes — they hear only ONE VOICE — and that is CHRIST's
139 VOICE and they FOLLOW HIM.

140 It's certainly true that because of weak gospel preaching our
141 churches are filled with goats, and you know goats, they'll eat
142 ANYTHING and EVERYTHING —

143 And something else about Christ's sheep—they are born of GOD—
144 they are lamb's of HIS PASTURE—and of HIS KIND.

145 In Revelation 4-5, you meet the LAMB OF GOD who is the LION
146 OF THE TRIBE OF JUDAH. Whoah! That's right! John heard the
147 voice of the elder comforting him that he need not weep, "Behold
148 the LION of the TRIBE OF JUDAH, the ROOT OF DAVID, hath
149 prevailed to OPEN the BOOK, and LOOSE THE SEVEN SEALS."

150 And when he turned to see the voice that spake with him, guess
151 what he saw? Yes! He saw the LAMB OF GOD — The LAMB that
152 ROARS!

153 We are CHRIST's SHEEP, and we are of that KIND — a LAMB of
154 GOD but a LION to the world. Lambs that ROAR!

155 Okay, goats it is! They are the children of disobedience—who reject
156 Christ Jesus as LORD of HEAVEN and EARTH—Satan's brood—
157 children of darkness! The Sheep—Christ's disciples, Jesus' fold—
158 the children of obedience.

159 So the DEVIL always protects his goats—and attempts to butt away
160 the sheep.

161 The Goats at Disney fire Gina Corano because she Tweeted the
162 truth about the left today—compared their cancel culture
163 operation to Nazis — but goat Jack Morrisy, a Disney producer, is
164 still drawing a paycheck after he Tweeted "MAGAkids go
165 screaming, hats first, into the wood chipper" with a picture of a
166 wood chipper dripping blood—. Everything the goats touch is
167 corrupted: Disney is done?

168 The latest from Lin Wood—he swears under oath that he has proof
169 positive that Pence is a traitor. I wonder what he has? I know some
170 email correspondence between Pence and Paul Ryan surfaced a
171 little while back implicating them, along with Rod Rosenstein, in a
172 scheme to get rid of Trump, make Pence President with Ryan and
173 Rod vying for the VP spot—Hmmm? I don't think he is talking
174 about that, is he? Then there is the James Clapper interrogation
175 audio that claims Pence is controlled by the Deep State—saying
176 they have some leverage on Pence. I won't say what it is because I
177 can't authenticate the audio and I can't trust Clapper is not being
178 used by those that control him! So, be patient! It will all come out.

179 So that sets us up—when I get back from the break, I'll expose the
180 confessions of a goat and the ongoing Impeachment of the
181 Senate—yes, you heard me correctly!

182 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
183 at the Lighthouse, your brain masseur, and Paul Revere's lantern
184 lighter, lighting the lamps in the church belfry arch, signaling the
185 enemy is on the march, an enemy that would steal from us our
186 liberty.

187 The goat's confession. You have probably noticed how effectively
188 the goats use "spin" to control public perception of the news. You
189 have probably also noticed that when the goats know damaging
190 news is about to be released, they will try to get ahead of it by
191 creating a false narrative that explains it away. For example, the
192 TRUTH about election fraud is building and increasing pressure
193 against the wall of censorship the left has put up to keep it from the
194 people. It's about to break! So when the goats can no longer keep
195 the truth from getting to the people, and they see the cracks in their
196 dam widening, they rush out with a story to control the narrative—
197 they admit the whole thing—only they SPIN it in a way that they
198 hope will cause the people to accept it—they try to diffuse the
199 impact of the truth by hiding it in a false story.

200 Here is a perfect example of this. Molly Ball writes for the Times.
201 Times published her article: "The SECRET BI-PARTISAN
202 CAMPAIGN THAT SAVED THE 2020 ELECTION."

203 When you read the article it's clear by "saved" they mean they
204 stopped Trump from winning. Molly identifies the Architect of this
205 "secret bi-partisan campaign." It's the 25 year AFL-CIO senior
206 election adviser Podhorzer. He thought he had it all worked out for
207 Hillary to win in 2016 and admitted he underestimated Trump's
208 appeal to blue collar union voters—a class of voter he assumed
209 could be counted on to vote Hillary—so he set to work to put
210 together a sure fire plan to stop Trump from being re-elected. He

211 hatched the CONSPIRACY to derail the Trump Train. I'm not
212 saying this—I'm telling you what Molly told us in her article.

213 Podhorzer, Molly tells us, explained that he was concerned Trump
214 would "corrupt the voting process in the key states." I have always
215 been impressed by Jesus' revelation that out of the abundance of
216 the heart the mouth speaketh. And how often liars will betray
217 themselves by their own words. Notice that, according to Molly,
218 Podhorzer was not concerned that Trump would "corrupt the
219 election," like, say, by challenging the results, or throwing out false
220 accusations of voter fraud—he said he was concerned Trump
221 would "corrupt the voting process." What?

222 How could Trump corrupt the "process" by which voters voted?
223 And notice that Podhorzer specified his concern was with what he
224 considered to be "key states" that could give Trump the Electoral
225 votes he needed to win. So you have Molly revealing that
226 Podhorzer was focused on "key states," on the corruption of the
227 voting "process."

228 Interestingly, the voting process" was indeed CORRUPTED in
229 KEY STATES that cost Trump the election! And CORRUPTED is
230 the KEY WORD.

231 But Trump did not corrupt the process—the GOATS did. The
232 conspiracy targeted seven key states where they worked to
233 CORRUPT THE VOTING PROCESS.

234 Molly later describes how the conspiracy worked. They pooled
235 their resources to influence Election officials, with the help of
236 bribed Secretary of State, Governors, and judges, to ACTUALLY
237 CORRUPT THE ELECTION LAWS OF THE STATES. By corrupt
238 the election laws, what I mean is that rather than change the laws
239 legally, through the Legislature of these states, they manipulated
240 through bribes and blackmail Election officials, and the SOS and
241 Governors of Republican controlled States to simply CHANGE

242 THE LAWS—to put in place voting procedures that were
243 CONTRARY to STATE LAW—that is corrupting the process.
244 Trump alerted them to this, but no one listened. Trump was not
245 responsible for corrupting the voting process—THEY WERE.

246 Second, by using MAIL-IN BALLOTS — no matter how many
247 times Trump warned against this, no matter how many times we
248 said — HEY, FOUL! The Democrats themselves said many times
249 that the mail-in ballot was a dangerous scheme that facilitated
250 voter fraud. But the LEFT went ALL OUT to force MAIL-IN
251 BALLOTING especially in the KEY STATES. This was corruption
252 of the voter process—surely you see this.

253 Third, by employing the use of voting machines that were
254 KNOWN to be vulnerable to VOTER FRAUD abuse. The
255 problems with these Dominion machines was well known—that
256 they can be connected to the Internet is established, and was well
257 known already—in fact, instructions for doing this are clearly laid
258 out in their manual—that they could be programmed to weight
259 votes is a feature actually explained in their manual—that the
260 sensitivity could be adjusted to increase the number of ballots
261 rejected by the machine, and so sent to "adjudication" where
262 someone makes a judgment about the intent of the voter and votes
263 on their behalf—unsupervised, unobserved, and UNTRACEABLE.

264 The machines in some districts were rejecting 68% of the ballots,
265 requiring them to be sent for adjudication. The Federal standard
266 for voting machines is .002%. THESE MACHINES WERE USED
267 CONTRARY TO THE LAW—using them was a CORRUPTION of
268 the Voting process.

269 I realize Dominion will say, it's illegal to use or abuse these
270 features, and I know Apple, and the rest involved in this conspiracy
271 will say there are laws to protect the integrity of the vote—and we
272 say excuse me, when did a LAW ever stop a DETERMINED
273 THIEF from stealing? No one would design a VOTING

274 MACHINE capable of being connected to the INTERNET and
275 capable of being programmed to WEIGHT VOTES (if you don't
276 understand that, hold on, I'll explain in a minute) and capable of
277 being abused in a myriad of ways — no one would design a
278 VOTING MACHINE to be used for ELECTIONS with these
279 features unless the intent was to facilitate ELECTION FRAUD.

280 Texas refused to use these machines because of these known
281 features — and, Georgia laid out 100 million for these machines for
282 the same reason! That's right! Georgia, Pennsylvania, Michigan,
283 and Wisconsin CHOSE TO USE THEM because of these features.

284 And we have not even got started on the evidence piling up
285 showing the machines were connected to the Internet during the
286 election, that communication between these machines and Beijing,
287 and other countries, has been traced —.

288 And, now consider the importance of 1 VOTE. Matt Morgret
289 brought this to my attention. When I looked at it, I remembered
290 the first time I looked at a tabulation sheet of votes produced by
291 one of these voting machines and noticed, immediately, with
292 surprise, and suspicion, that the totals were all rendered in whole
293 numbers with a decimal followed by three numbers—in other
294 words, these were totals of FRACTIONAL AMOUNTS. Whole
295 numbers cannot add up to fractional amounts. Any computer
296 program that is designed to add whole numbers, NEVER
297 RENDERS A FRACTIONAL VALUE. Now, if the computer is set
298 to add fractional amounts, it can be tricky setting the computer
299 calculator to show only two places and round up or down, and
300 stuff. Of course, a skilled programmer has no problem with that.
301 But no computer program designed to add whole numbers only
302 will ever render a result that has anything but zeroes following any
303 decimal. So when I saw the decimal and the fractional amount
304 indicated by the numbers following it—I knew right then and there
305 that something was very wrong with this.

306 Matt sent a screen shot of an update log generated by the data sent
307 out from the Dominion machines.

308 These logs are sent out periodically, in time intervals—and I was
309 looking at one of them from the California election. This particular
310 line stood out because it showed only 1 vote. This particular update
311 just happened to have only ONE VOTE cast in the district
312 represented but what was weird is that the ONE vote was actually
313 divided up between Biden, Trump and OTHER.

314 Now, one vote would go either to Biden, or to Trump, or to
315 OTHER — but it would be divided up like this.

316 Biden got .659 of the vote, Trump got .322 and OTHER got .019. If
317 you total these, they equal 1. Obviously, the machine was
318 programmed to weight each vote and distribute the value across
319 the categories: Biden, Trump, and Other.

320 Nothing is more obvious than that these machines are designed to
321 CHEAT. Of course, the machine does not DO THE CHEATING,
322 but they are designed to allow CHEATERS to CHEAT.

323 The reason Texas rejected using these machines is because they did
324 their due diligence and knew they were flawed — and that's also
325 the reason these "KEY STATES" identified by the CONSPIRACY
326 were put under so much pressure to place the DOMINION
327 machines into service — the pressure was unreal, the bribery, the
328 threats, the blackmail that went on behind the scenes to get the
329 Governors, Secretary's of State, and the judges to go along with
330 this, is unreal! But they have all be CAUGHT!

331 Isn't it interesting Podhorzer was concerned about corruption of
332 the voting process in certain key states — and then that is
333 EXACTLY WHAT HAPPENED in these states—and the only
334 reason he is getting away with it is because the GOATS have
335 gathered together, they have banded together against the SHEEP.

336 That's what Jesus does, he separates the sheep from the goats and
337 He judges them based entirely on how they treated HIS PEOPLE
338 and how they relate to HIM as LORD and KING.

339 So that takes me to the Myanmar solution! As you know by now,
340 the government of Myanmar (Burma) has been taken over by the
341 military. The General leading the military has declared the reason
342 they moved in, put the government officials under house arrest,
343 and took over was because the election was fraudulent—they used
344 the SmartMatic software that is used in the Dominion Machines
345 here. Supplied to them through contacts the Myanmar government
346 had through Hillary and Obama who are invested in Myanmar.

347 You see, Myanmar government officials are corrupted by their
348 involvement in international drug trafficking interests—specifically
349 Fentanyl—used to jazz up heroine and cocaine. There is a huge
350 amount of money moving around, and laundered, through
351 Myanmar. The money interests could not afford their operation to
352 be in the hands and under the control of something so prosaic as
353 the PEOPLE's VOTE. They needed assurance their key PEOPLE
354 would be able to maintain control of the government in order to
355 protect and facilitate their drug trafficking operation.

356 The military got wind of this, and waited until the miscreants did
357 the deed, then stepped in and took over. Since then, major drug
358 busts have been going down exposing the whole thing.

359 So, who knows! All I can tell you is that if the Senate does not come
360 clean on all the corruption in America—and it makes Myanmar
361 look like a kindergarten playground by comparison—and if our
362 courts refuse to step up and exercise their duty under the
363 Constitution to stop this egregious theft of our country, and
364 betrayal into the hands of the CCP, then the next institution in
365 America with official capacity to act in defense of our Constitution
366 is the military.

367 So, why are the National Guard still in DC? Why are Democrats
368 treating them with such disrespect and dishonor? When the
369 leadership of the National Guard was asked why are you guys still
370 here the answer was, effectively, we can't say! Why?

371 But, ultimately, the ONLY INSTITUTION THAT CAN STOP
372 THE DEVIL AND MAKE HIM FLEE is the Lord's CHURCHES.
373 Not the corrupted establishment churches that have sold out to
374 Satan and are owned by the GOATS — I mean the true churches
375 where the SHEEP feed and are trained to be the LIONS that roar in
376 the earth — we are Christ's sheep, not the world's sheep — we are
377 not theirs to sacrifice — the ROAR of the LAMB is coming!

378 Kiss the Son, ye kings of the earth, and fear — lest the SON be
379 ANGRY and you are destroyed when His wrath is kindled but a
380 little.

381 I have lit the lamps in the Church belfry arch and now you let me
382 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
383 ON and you will ride like Revere and spread the warning,
384 (essentially, it means you agree with what I'm saying) or you say
385 LIGHTS OFF -- which means you reject what I'm saying and
386 disagree strongly with me. So, what will it be today, lights on, or
387 lights off?
