

Brain Massage®: Show No. 818 Limbaugh Helped Build The Platform From Which the Rocket of Liberty Will Launch / TRUTH Will Defeat the LIE & Judgment Will Restore Justice—*Sooner rather than later!*

Jerry Scheidbach

Original Air Date: 02.19.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.

4 We lost a champion—Rush Limbaugh was a friend of LIBERTY,
5 and of God and Country Patriots everywhere. He grew up in a God
6 fearing household—but came to know Jesus Christ as his personal
7 saviour only a few years ago. My initial reaction was anger—why
8 did this dear friend of liberty who soldiered so valiantly in the fight
9 for America "as founded," have to die now, at such a low point in
10 the battle? We will accept his own resignation to the will of God on
11 the matter—his statement was that since he entered into a
12 "personal relationship with Jesus Christ" he had come to terms
13 with surrender to the WILL OF GOD — that he was at peace
14 knowing what should happen will happen when it's supposed to
15 happen!

16 A short time ago, Lighthouse lost a dear man and his wife — well,
17 he did not die, but he moved up north to work with his son who
18 pastors a great Church in Northern CA — but we wondered how
19 we would replace him. You know what we discovered? He had
20 done such a good job preparing young men under him so that
21 when he left, several others stepped up and it actually ended up
22 making the church stronger. Limbaugh has trained many
23 thousands of patriots to continue the fight—he paved the way for
24 Conservative Patriotism to continue moving forward and the
25 movement will be stronger for his influence. No one will take his
26 place, but thousands have been trained and will continue the fight
27 who owe so much to the influence of their mentor.

28 So, to Rush, we say thank you, and "see you later."

29 [PAUSE]

30 Okay, we we've got Chinese ice cream testing positive for COVID.

31 AOC wants government (read taxpayer) funding to "de-radicalize
32 white supremacists." She is the same one who enthusiastically
33 called for re-education camps. This sort of talk is being coupled
34 with movements in the DNC to identify all Trump supporters as
35 "domestic terrorists" — and have us banned from flying, public
36 events, and even booking hotels.

37 The death count continues to rise from COVID only now it's the
38 VACCINE that is killing folks — a vaccine that is supposed to
39 protect us from the virtually harmless disease called COVID-19.
40 99.8% recovery rate from healthy people, and 94.5% recovery for
41 those considered vulnerable to complications from the disease.

42 Disney will halt donations to lawmakers who objected to the
43 Electoral vote. (They will PUNISH you if you misbehave and don't
44 kow tow to the Massas.)

45 NG continues deployment in DC and continues to be ignorant
46 about why they are there. One thing they do know though! They
47 have been cleared to use "lethal force." ??? And now an AIR
48 SQUADRON has been deployed to DC? What are these people
49 expecting to happen?

50 The migrant caravans are moving toward the US border
51 Demanding Biden honor his promises. Good luck on that one, he
52 has not honored any of the promises he made to Americans thus
53 far.

54 Unreal! Only, I thought today we would talk about the 2020
55 election since, today, Friday, the SCOTUS is considering whether
56 or not to weigh in on the Constitutional crisis created by the
57 massive fraud and illegalities of that election.

58 Will the nine decide to do their Constitutional duty and hear these
59 cases, or will they in fear duck their heads down into their black
60 robes and pretend it's a political issue, not a legal one.

61 Forgetting, for the moment that the Constitution was violated in
62 the manner of how electors were chosen, forgetting for the
63 moment that lower courts have refused to hear the strong case state
64 sanctioned voter fraud — in other words, we are not talking about
65 the plethora of evidence that has been amassed proving voter fraud
66 took place, but we are talking about evidence of ELECTION
67 FRAUD—which is manipulation of the election on the State
68 level—where back room deals were made to use Dominion
69 machines for the specific and intended purpose to control the
70 results of the 2020 election.

71 And rather than merely rehearse all the voter fraud evidence—a
72 good place to go for that is to Lindell's Absolute Proof video, and
73 there are a few others that are very good about pulling together the
74 essential proofs of massive election fraud involving State officials,
75 the Dominion machines, and foreign interference in our election
76 from the CCP, and Globalists around the world intent on stopping
77 America from interfering with their NIMROD agenda — the latest
78 effort to establish a one world controlled government holding
79 people together and under their control by their TOWER of
80 OPPRESSION — but GOD is going to visit the earth, consider
81 their TOWER, and as He always does at such junctures in human
82 history, He is going to destroy their TOWER and scatter their
83 power — He is going to decentralize and turn the POWER back to
84 the PEOPLE.

85 So, here we go! It's time for your brain massage.

86 [TRUTH]

87 Okay, look, the wall, really, the dam created by those that have
88 appointed themselves as the arbiters of what you can see, hear, or

89 say, is about to burst. The cracks are appearing and the enemies of
90 our liberties are getting increasingly desperate.

91 The problem with desperate people is that they become extreme,
92 and therefore extremely dangerous.

93 First, understand that there is a "them" and "us." Of course, we are
94 aware of the distinction between the *saved* and the *lost*. But I'm
95 talking about a more general distinction—the one Jesus had in
96 view when He said, "For he that is not against us is on our part"
97 (Mark 9:41). If you pay attention, you'll notice that He went on to
98 speak of those who were not necessarily His followers, but who
99 treated His followers with respect and charity. He said, "For
100 whosoever shall give you a cup of water to drink in my name,
101 because ye belong to Christ, verily I say unto you, he shall not lose
102 his reward." On the other hand, he said, "whosoever shall offend
103 one of these little ones that believe in me, it is better for him that a
104 millstone were hanged about his neck, and he were cast into the
105 sea" (Mark 9:42). And then He gave a severe warning to those
106 offend, illustrating the gravity of offense by saying, "if thy hand
107 offend thee, cut it off: it is better for thee to enter into life maimed,
108 than having two hands to go into hell, into the fire that never shall
109 be quenched: where their worm dieth not, and the fire is not
110 quenched" (Mark 9:43).

111 So there is a "them" and "us" categorization that is more general—
112 there are those who hate Christ, and His disciples, and who abuse
113 them, and then there are those who might or might not be
114 followers of Christ, but they honor Him, and treat His disciples
115 with honor.

116 Do you understand what I'm getting at? The disciples were
117 concerned about someone out there doing service in JESUS'
118 NAME who was not a follower with them and they thought this
119 person was their enemy and Jesus straightened them out saying
120 look, anyone out there doing good in My Name is not our enemy.

121 I often use the example of Cornelius because it's such a great
122 example.

123 Acts 10-11 speak of Cornelius. Now, for some of you, if I make
124 direct reference to the Bible you get the rolling eyes disease. Now, if
125 I quoted some philosopher, or even from the Bahgdauid —
126 whatever, or some esoteric *holy book* of the ancient Chinese, or
127 Nostradamas, or Great Books on Religion and Esoteric Philosophy,
128 you'd like that — or some 17th century book on Astrology, Occult,
129 or talked about cosmic consciousness and so on — oohhhh —
130 mysterious, intriguing — but if I quote from the BIBLE you
131 suddenly get the eye rolling disease—hahah!

132 Well, not you! Of course — I mean that guy, him, over there, see
133 yep, there it goes, EYE ROLL!

134 But I like the Cornelius example because there you have the perfect
135 illustration of what I'm saying. Cornelius was not a follower of
136 Jesus Christ. He was not "saved." But he was a God fearing man,
137 and kind, he gave alms to the poor, and he PRAYED TO GOD
138 ALWAYS — so he had the right idea about Who God was and
139 everything, but he did not — how did Rush put it — he did not
140 have a "personal relationship with Jesus Christ."

141 However, he was not the sort of person that would be the enemy of
142 Christ either. He was not someone that would, like Saul, before he
143 became Paul, who would hunt down Christians and haul them into
144 jail, and beat them, and even stand approvingly on the sideline
145 watching while one was stoned to death — se Acts 7-9. No!
146 Cornelius was a great guy! All believers who knew him would
147 consider him a good neighbor, and a friend of righteousness, a
148 friend of truth.

149 And yet he was not saved.

150 So, that's what I'm going for here. I am saying our nation is divided
151 between "them" and "us" with the *them* and the *us* being categories

152 differentiated by what Jesus called those who are AGAINST US
153 and those who are NOT AGAINST US.

154 Got it?

155 Those who are "against us," are militant—like Paul was! They are
156 fierce proponents of an ideology that is antithetical to ours —
157 people who see Christianity and Christians as a threat to them, as
158 their ENEMY. Then there are those who might not identify as
159 Christians, but they don't perceive us as being their enemy—in
160 fact, they might even embrace a favorable view of JESUS and
161 subscribe to many of His teachings, or all of them, for that
162 matter—but then there are those whose hatred for Christ Jesus is
163 deep, visceral—that from a place deep in their emotions and far
164 removed from their intellect—they hate us from their gut for
165 reasons that they cannot intellectually explain—but they *know* in
166 their soul that we are a threat!

167 These are lovers of darkness—they *love* darkness because in
168 darkness, in their self-deceit, they can justify feeding their dark
169 lusts—they can indulge their appetites for things that they know, if
170 exposed in the light, would be abhorred by the "normals," by those
171 "Christ followers," or by those "Christ lovers." They *know* their
172 behaviors are unnatural, contrary to nature, but they believe these
173 behaviors somehow make them superior to nature, masters of
174 others and it's a bizarre lie—but they like the lie because in the lie
175 they can continue serving their dark lord, whom they love,
176 sometime secretly even to themselves, but they love the darkness
177 because in the darkness they can hide from the natural conscience
178 that exposes them to reproof for their inner thoughts and dark
179 deeds—and they chaff against the bands and cords laid on them by
180 those "Christians" — whom they resent because they know the
181 same dark impulses operate in their flesh as control their own
182 souls, and think them hypocrites because they deny their own
183 sinful passions and set themselves under the power of LIGHT and

184 TRUTH—they submit to the reproof, accept the CONVICTION,
185 surrender to the LIGHT, they are doers of TRUTH and COME TO
186 THE LIGHT—accepting the REPROOF— but these lovers of
187 darkness hate the LIGHT and refuse it LEST THEIR DEEDS be
188 reproved — and they RESENT the "morality" of the LIGHT — they
189 hate it, and desire to BREAK THEMSELVES out from under the
190 BANDS and CORDS of DIVINE restraints — they want to abuse
191 children, they want to murder babies, they want to feed themselves
192 on the innocence of the unspoiled, they want to DEVOUR — the
193 have the appetite of the LION that walks about looking for every
194 opportunity to leap into one of these lovers of darkness and in
195 them and through them DEVOUR any who will give them access.

196 So, that sets us up! The BANDS and CORDS of the GOSPLE of
197 LIGHT are hated by the lovers of darkness—and we have been
198 fools to give power to these lovers of darkness because we have
199 FED THE PREDATORS WHO ARE DEVOURING OUR
200 CHILDREN — AND TRAMPLING OUR FREEDOM INTO THE
201 DIRT. Hold on through the break; I'll be right back.

202 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
203 at the Lighthouse, your brain masseur, and Paul Revere's lantern
204 lighter, lighting the lamps in the church belfry arch, signaling the
205 enemy is on the march, an enemy that would steal from us our
206 liberty.

207 Truth is marching on! I have been doing a live stream visit on FB
208 every evening except Wednesday and Sunday. There is no special
209 time slot dedicated for the visit—but you can go to the FB page for
210 Lighthouse Baptist Church, Santa Maria, CA and like the page, and
211 set up notifications to join in if you want. It's a casual format, and
212 it's a place where we encourage one another in this current
213 distress—in fact, it's called Comfort & Counsel for the Present
214 Distress — taken from I Corinthians 7:28.

215 I've been talking about how justice and Truth seem always to be
216 behind criminals and liars and struggling to catch up to them.

217 It will surprise you to discover that this is because justice and truth
218 are the default settings in God's creation. Injustice is an act that
219 disrupts the default—likewise the lie. In other words, to illustrate, a
220 criminal interrupts the way of things with an act contrary to the
221 default—and so the criminal and the liar always starts the
222 disruption, so they are always the first to act, they are always ahead
223 of justice and truth—at first. When a criminal violates justice,
224 justice has to respond and in order for JUSTICE to respond it must
225 respond, well, JUSTLY — and so there is the innocent until proven
226 guilty thing, and then there is the probable cause before you can
227 arrest him thing, then there is the catching the bad guy thing, with
228 the bad guy hiding, and then lying, and then lawyering up, and
229 then there is the investigation thing, and the trial thing — and all of
230 this takes time. And we get impatient! But we need to understand,
231 this tells you JUSTICE is the DEFAULT setting — a crime is
232 initiated against the DEFAULT and now we must proceed to
233 CORRECT THE DISRUPTION in a manner that is LAWFUL and
234 ORDERLY or we will destroy JUSTICE altogether.

235 The same thing happens when you are dealing with liars. They
236 break the default expectation, which is TRUTH. They LIE — then
237 Truth has to RESPOND. And often there is a period during which
238 the LIARS labor to continue their lie — think about it. The LIE is
239 only effective as long as it is thought to be the TRUTH! What does
240 that tell you? TRUTH IS THE DEFAULT! TRUTH is the
241 EXPECTATION — we don't expect people to LIE. We know they
242 do. But we don't listen to one another from a default position that
243 they are lying — THAT IS unless the individual has proven
244 themselves to be a liar, like the DNC, or the MSM, or Gates, or
245 Fauci, or, well, you know what I mean. We expect that people are
246 generally speaking telling the truth.

247 This is the reason we are warned, "believe not every spirit" — why,
248 well, because that is the default instinct! So we have to be warned,
249 hey, don't believe everything you hear, TRY IT, TEST IT; prove it
250 to be true before you act on it.

251 So look at what is going on! We know there was election fraud—
252 and those who committed the fraud also know there was election
253 fraud. Now, they are depending on keeping their followers
254 deceived and they are doing everything they can to keep the
255 TRUTH about this election from breaking down the LIES they
256 have been telling them about the election.

257 Some of those who accept the MSM and the SM simply telling
258 them, there is no fraud, want to believe there is no fraud because
259 they hate Trump and the reason they hate Trump is because they
260 were told to hate him. They hate Trump for the same reason the
261 are afraid of COVID — they were told to be afraid of COVID
262 because it will kill you and to hate Trump because he is racist. They
263 don't "try the spirits to see if they be of God." They simply act on
264 their instinct to believe these people would not lie about something
265 like this, and they accept it, and believe it—and then they are
266 incentivized to believe it. They are incentivized by how they see
267 those who do not believe it are treated—they are ostracized,
268 belittled, mocked, demeaned, and called bigots, and Neanderthals,
269 and, let's see, what else, oh yeah, racists, homophobes, and, let's see
270 that else — oh yeah, they are blocked in social media, and blamed
271 for, well, everything — called terrorists, threatened with losing
272 their jobs, losing their place in line for promotion at work — I
273 mean, the incentives among the liberals is very powerful — take
274 blacks who decide to come out for conservative values and beliefs
275 — they are attacked as Uncle Toms, they are accused of
276 BETRAYAL of their RACE, they — I mean — if you are paying
277 attention, you know what I'm saying is true.

278 The left is strongly incentivized to believe the lies—so that's what
279 the TRUTH has to overcome — it has to catch up with the lie, then
280 it has to overcome all the resistance the liars have put in place to
281 fight against anyone accepting the truth — but the bottom line is
282 this TRUTH will win. And it will win because MOST people
283 recognize it and know that living in a lie only leads to HELL.

284 People want the TRUTH! One reason liars so fiercely defend their
285 lie as the TRUTH is because they know that deep in the human
286 soul there is a desire for TRUTH. There is a strong pull toward the
287 DEFAULT of JUSTICE and TRUTH.

288 Now, that is excepting those who love the darkness — they don't
289 want TRUTH because it interferes with them doing what they want
290 to do. It exposes them to the reproof of the HOLY SPIRIT for sin,
291 righteousness, and judgment. Happily, most Americans, at least for
292 now, prefer the reproof of the SPIRIT over the LIES of SATAN.

293 And that's the power of the GOSPEL.

294 Well, it looks like I've used all my time explaining the "them" and
295 "us" and the essential distinction being that the THEM are lovers of
296 darkness or controlled by their lies and victimized and cowered by
297 their crimes. For those people, the truth is their enemy. The US
298 represents those that Jesus described as truth-doers, and in another
299 place, as those who have a good and honest heart — who want the
300 TRUTH and are not the enemies of it. There are many under the
301 control of the haters of truth who have been convinced that the
302 LIES they are hearing are truth — you understand some don't care
303 about TRUTH, they love darkness, and HATE TRUTH — but
304 these people, to maintain their power and influence, must
305 CONVINCe OTHERS THAT THEIR LIE IS TRUE — and they
306 can maintain their control and influence only as long as they are
307 able to convince people that the LIES they are telling them are
308 actually true — however, when those who love truth, continue to
309 speak truth to the lie, and continue to SHOW THE TRUTH and

310 EXPOSE THE LIES — eventually, the wicked LOSE CONTROL
311 over the minds and hearts of those who actually, sincerely, value
312 the TRUTH.

313 And that is what is happening. Remember, the COVID thing was
314 used by Cuomo, Wolf, Whitmere, Newsome, and who is the other
315 guy? — oh yeah, Murphy of New Jersey — these governors ordered
316 nursing homes to admit COVID positive patients in facilities they
317 were TOLD, repeatedly, were not equipped for this and that it
318 would expose the MOST VULNERABLE to this disease and they
319 did it any way — and we knew from the very beginning these
320 governors were sending these elderly mothers, fathers,
321 grandmothers, grandfathers to their deaths—to their lonely,
322 miserable deaths—isolated from family—and that it was
323 unnecessary—but the LIARS told their lies and enough of the
324 people believed the lies to allow them to get away with it — so
325 TRUTH and JUSTICE were behind, at first, as they always are, but
326 now TRUTH and JUSTICE are catching up with these wicked
327 people — and now we know that Cuomo has been engaged in a
328 cover up to hide the number of elderly patients he is responsible
329 for murdering by his policies — and now we know out of all 50
330 states, fifty percent of ALL ELDERLY DEATHS TO COVID
331 OCCURRED IN THE NURSING HOMES OF ONLY FIVE — did
332 you hear that. Half of all elderly deaths from COVID occurred in
333 the five states where the governors forced nursing homes to admit
334 COVID positive patients. So, truth is catching up, and JUSTICE IS
335 RIGHT BEHIND the TRUTH.

336 Truth has to be picked up FIRST — then JUSTICE comes with
337 JUDGMENT to punish the EVIL-DOERS.

338 Please trust me—the same thing is true of the election fraud issue. I
339 know that the CRIME and the LIE have gotten a head start—but
340 TRUTH will catch up and DEFEAT THE LIE — and then
341 JUDGMENT will go forward restoring JUSTICE.

342 I'll visit with you later tonight and tell you about some exciting
343 stuff that is happening toward TRUTH PREVAILING paving the
344 way for JUDGMENT to go forward upon the evil doers and restore
345 JUSTICE to our land.

346 I have lit the lamps in the Church belfry arch and now you let me
347 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
348 ON and you will ride like Revere and spread the warning,
349 (essentially, it means you agree with what I'm saying) or you say
350 LIGHTS OFF -- which means you reject what I'm saying and
351 disagree strongly with me. So, what will it be today, lights on, or
352 lights off?
