

Brain Massage®: Show No. 819 What Should We Expect & What Must Be Done? — It's About FREEDOM, stupid!

Jerry Scheidbach

Original Air Date: 02.27.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 What to expect:
5 The DS to push hard for gun confiscation.
6 The DS to push for the Equality Act — in an effort to destroy
7 America as founded.
8 The DS to start a war — what's going on in Syria?
9 The DS to posture tough on China but tread softly behind the
10 bamboo.
11 And the GOP Establishment to passively facilitate all of it.
12 So, what is to be done!
13 It's time for your brain massage.
14 [TRUTH]
15 Democrats have taken the Congress, the Court, and the WH by
16 force and by farce—what will they do with their power? What can
17 we expect, and what can we do about it?
18 Biden is a puppet for the Deep State — he, and Kamala, are almost
19 as much despised by the Deep State Establishment as by American
20 Patriots. They are placeholders, figureheads — You know Obama
21 told us his fantasy was that he could extend his control over the
22 WH for a "third term" by being the voice in the head of a Pretender
23 — he described it — jokingly — he would be in a "basement"
24 somewhere, in a bathrobe, with a microphone and direct his skill
25 through an earpiece — .

26 Obama told Putin to let him get through his reelection bid and
27 after he would be much more able to accommodate the Russian
28 leader — imagine what he will feel free to do if he can hide behind
29 the PRETENDER PRESIDENT.

30 You've noticed that the Demoncrats have wasted no time pushing
31 their agenda forward — OBiden has been signing so many
32 Executive Orders—I'll bet one penny Ashley Judd is getting
33 concerned about the depletion of rain forests in the Congo
34 exacerbating concerns for Bonobo, pygmy chimpanzee extinction
35 — hehe.

36 They — remember the show where I explained *them* and *us*. The
37 insane and deranged children of disobedience — *they* — want to
38 move quickly on the job of taking away our guns. We have a
39 natural RIGHT to keep and BEAR arms—JESUS expressly
40 instructed us to KEEP AND BEAR ARMS as among the things we
41 would be required to TAKE CARE OF during HIS ABSENCE —
42 see Luke 22:36-38. We have an inalienable GOD GIVEN RIGHT to
43 keep and bear arms, a NATURAL RIGHT OF SELF DEFENSE and
44 in America this right is LEGALLY PROTECTED by the HIGHEST
45 LAW in the Land — the Constitution! But the Democrats despise
46 GOD and LAW — they aspire to take the place of both — they
47 want to BE GOD and define morality for everyone, and they want
48 to BE THE LAW and control everyone by their laws. They are
49 WICKED, and the corruptions are the fruit of their roots deep in
50 the dark soil of the LOVE OF MONEY—I Tim. 6:10—for which
51 they have sold their SOULS and our LIBERTIES.

52 A man with a weapon is a citizen, and man without one is a slave.

53 So the Devils operating in and through these children of
54 disobedience who despise GOD, the DECLARATION and our
55 CONSTITUTION — want to pass HR127 which would ban several
56 types of commonly used ammunition 50 caliber and over—require
57 gun owners to PURCHASE firearm insurance costing \$800 per

58 year—force any one seeking to purchase a firearm to complete a
59 psychological evaluation and a government training course prior to
60 purchase — and submit their personal information to be included
61 in a NATIONAL REGISTRY listing the name of the gun owner,
62 how many guns he or she has, and even WHERE THEY KEEP
63 THEIR FIRE ARMS.

64 The bill bans "original equipment magazines for most self-defense
65 firearms."

66 Any who fail to adhere to this will be subject to 10 years in prison
67 and fined \$50k to \$150k.

68 This bill is sponsored by Sheila Jackson Lee — D. Texas. Now that's
69 just sad!

70 So, they want to "defund the police," and "disarm the citizens..." —
71 they are truly the Ds. And the Puppet-Pretender President Biden is
72 all in with these Devils—he has called for Congress to send
73 "commonsense reforms" such as "banning assault weapons" and
74 I'm sure he hopes these laws will get to him before he runs out of
75 ink signing all his Executive Orders — you do remember Biden
76 saying a president who governs by Executive Order is a TYRANT!

77 Biden IS a tyrant! The so-called Democrat Party IS TYRANNICAL.
78 We have NO OBLIGATION to obey the laws of TYRANTS.

79 We have NO OBLIGATION to recognize the legitimacy of LAWS
80 that go CONTRARY to the CONSTITUTION.

81 It does not matter if the "CONGRESS" passes such laws, or that
82 even a real President, and much less a PRETENDER President,
83 signs them, and IT DOES NOT MATTER IF THE SCOTUS
84 defends an UNCONSTITUTIONAL LAW — at the END of the
85 Day, in AMERICA, government governs by the CONSENT OF
86 THE GOVERNED — and there is NO way Americans voted for
87 this, and LET US PRAY THE AMERICANS REMAINING IN
88 THIS COUNTRY WILL NEVER, NEVER, NEVER CONSENT!

89 PRAISE GOD Trump never conceded — and may the PATRIOTS
90 NEVER CONSENT!

91 The Cheater Dems presently control the Congress, the Courts, and
92 the WH — what will they do with their stolen power?

93 They will come after our guns! And they will come after our
94 freedom.

95 Expect the DS to push the Equality Act through Congress and
96 through the Senate — in an effort to destroy America as founded.

97 Look, the Central Bank is really threatened by Trump and the
98 "great awakening" of the American Patriots. Foreign influence has
99 controlled American policy for too long. Take the 1.9 trillion dollar
100 COVID relief bill—it's all a LIE, like everything else the
101 ESTABLISHMENT does—less than 9% goes to Americans—the
102 rest goes to foundations that pay kickbacks to the politicians, and
103 to foreign government interests that, you guessed it, buy influence
104 through campaign funding for their puppet political assets—they
105 use these assets to manipulate the Congress, the Court, and the
106 WH — they are the POWER driving American policy, not the
107 PEOPLE. They STOLE our election! They must pay!

108 Creating laws that make our elections secure is a joke if you don't
109 enforce the laws that have been broken in the 2020 election. NO!
110 YOU DON'T GET TO GET AWAY WITH THIS ONE! For many
111 reasons, including the fact that CRIMINALS OBVIOUSLY BREAK
112 LAWS. Laws are NO DEFENSE against CRIMINALS unless they
113 are ENFORCED! Enforce the laws against the CRIMINALS who
114 stole the 2020 election — or just shut up! And admit YOU ARE
115 OKAY WITH THEFT SO LONG AS IT SUITS YOUR PURPOSE.

116 I have the full text of the Bill—let me know if you want to see it.

117 This bill codifies the immorality, the perversity, of the ragers
118 (Ragers are those prophesied in Psalm 2 that were triggered by the
119 arrival of JESUS CHRIST — as KING — remember, when John the

120 Baptist began declaring the KINGDOM OF GOD had come, the
121 "VIOLENT began TAKING the KINGDOM BY FORCE" — The
122 SPIRIT prophesied that when this happened, the HEATHEN (the
123 unbelievers, those who deny that JESUS is the CHRIST (KING,
124 LORD of Heaven AND EARTH) that they would begin to RAGE
125 and conspire against GOD and His SON to "break their bands
126 asunder and cast away their cords" — you see it! Any time JESUS'
127 disciples begin affirming CHRIST'S RIGHT TO RULE IN
128 HEAVEN AND IN EARTH — and want to follow the CREATOR'S
129 laws and follow the CREATOR'S design in nature—these perverted
130 people start howling, and raging. They want to replace the bands
131 and cords of righteousness with SHACKLES and CHAINS of
132 OPPRESSION. They are the most despicable people on this planet
133 — they operate in China as the CCP, and America as the
134 ESTABLISHMENT inclusive of GOP and DNC and the rest of
135 them.)

136 So they are advancing the EQUALITY act — which, like everything
137 the NAZIS do, is exactly what it is NOT! This bill includes all the
138 prior efforts by the RAGERS to destroy gender distinction, to
139 destroy the right of free speech, and assembly—it attacks religious
140 freedom expressly repudiating the liberties guaranteed to us in the
141 RELIGIOUS FREEDOM RESTORATION ACT — yep. Specifically
142 declares no provision in the religious freedom restoration act can
143 be used in defense against accusations of discrimination arising
144 from HR 5 — the Equality Act.

145 This ACT of treason against KING JESUS not only denies the two
146 genders of male and female, but makes it a crime to refuse to agree
147 with men who insist on calling themselves a girl, and vice versa. In
148 other words, if some guy tells you they are a girl, and on this insists
149 he can join your wife in a public restroom, and you object—he can
150 sue you for discrimination. Because YOU ARE JUST GOING TO

151 HAVE TO CHANGE THE WAY YOU BELIEVE — remember,
152 that's what Hillary told us. (Where is Hillarity, anyway?)

153 Of course, women's sports is destroyed by this bill—it requires
154 women's sports programs allow biological males to compete in
155 women's athletics. Those of you liberal gals who insisted you
156 should be included in male sports should pause and consider!

157 The difference is, of course, the girls are not going to ever excel in
158 men's physical sports — but men will dominate women's sports.
159 This destroys women's sports. In track and field, right now, men
160 pretending to be women have taken away something like the first
161 ten spots on the fastest times from women. The three women who
162 used to hold records for the fastest female runners are now pushed
163 down to something like below 11th place.

164 This bill goes past the gender confusion nonsense and into
165 abortion—yeah! This bill includes provisions forcing Christians to
166 perform abortions and threatening them with discrimination
167 lawsuits if they refuse. Just like the queers (their word, by the way)
168 targeted Christian cake makers and wedding photographers in
169 order to PUSH their same sex marriage agenda on those who
170 object, the children of disobedience will target Christian doctors
171 and nurses to perform their abortions so they can sue them.

172 This bill requires the government to FUND abortion up to term
173 with Taxpayer dollars—this is a sweeping bill that is clearly
174 designed to ATTACK THE FAMILY, OUR FAITH, AND OUR
175 FREEDOMS.

176 It has ALREADY passed the HOUSE. Senate is next.

177 These monstrous people want to provoke a civil war in order to
178 justify using the government to start a "wholesale purge" against
179 CHRISTIANS in government or in public life.

180

181 Foreign influence succeeded to gain this influence through their
182 domestic agents whom they have helped gain political power over
183 the United States

184 We have NO OBLIGATION to recognize the legitimacy of LAWS
185 that go CONTRARY to the CONSTITUTION. It does not matter if
186 the "CONGRESS" passes such laws, or that even a real President,
187 and much less a PRETENDER President, signs them, and IT DOES
188 NOT MATTER IF THE SCOTUS defends an
189 UNCONSTITUTIONAL LAW — at the END of the Day, in
190 AMERICA, government governs by the CONSENT OF THE
191 GOVERNED — and there is NO way Americans voted for this.

192 PRAISE GOD Trump never conceded — and may the PATRIOTS
193 NEVER CONSENT!

194 What can we expect? I don't have time to go into the next two:
195 Expect the DS to start a war — what's going on in Syria? And
196 expect the DS to posture tough on China but bow deeply to Xi
197 behind the bamboo, unless the Central Bankers are done with
198 China for now. But let me speak to what we can expect from the
199 GOP. The GOP Establishment to passively facilitate all of it.

200 We can expect the GOP to equivocate, crawfish, do their little
201 compromise dance with the DEVIL and SELL US OUT! They are
202 already throwing up the white flag of surrender. The National
203 Republican Senatorial Committee chairman, Rick Scott, has
204 positioned himself in the dead center of the road on the
205 controversy surrounding Trump. Lindsey Graham has unity at any
206 price disease—criticizing Trump for bashing McConnell — What?
207 McConnell is a traitor to the CAUSE! The GOP had better clean its
208 own house of ESTABLISHMENT SWAMP CREATURES if it's
209 going to have any place in American politics once the SWAMP IS
210 DRAINED.

211 What can we DO about this! When I get back.

212 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
213 at the Lighthouse, your brain masseur, and Paul Revere's lantern
214 lighter, lighting the lamps in the church belfry arch, signaling the
215 enemy is on the march, an enemy that would steal from us our
216 liberty.

217 So, NRSC Chairman Rick Scott says, "The Republican civil war is
218 over." What does that mean? He likely means the internal conflict
219 within the GOP over Trump. Leave it to a spineless Republican to
220 try to declare a war "over" without declaring a winner?

221 Here is Rick Scott's "memo to Republican voters." His little balmy,
222 weakling hands waving the white flag just as hard as he can:

223 "The Democrats control the WH, the Senate, and the HR. In other
224 words, they control Washington. Looking backward won't help us
225 win. Let us look forward and fix our eyes on what is important —
226 an America with plenty of good-paying jobs, and America with
227 great schools and safe communities, an America with freedoms
228 and liberties people around the world would die for. The only way
229 we can lose if we stop ourselves by needlessly fracturing. Again,
230 now is not the time. Save it for another day."

231 What is it about these sorts of weasel Republicans that makes them
232 worthless in any fight? The Democrats STOLE control of
233 Washington—they hold the Senate and WH illegally. They are
234 holding America hostage—and your answer is, oh well, they
235 control it, so let's look forward! Look forward to what?

236 You are going to safeguard the election? Really??? Exactly how are
237 you going to do that? How about we pass some laws!!! Oh yes, well,
238 that fixes everything. THEY BROKE VIRTUALLY EVERY LAW
239 ON THE BOOKS WHEN STEALING THE 2020 ELECTION—
240 what are your "law" going to do? Well, they had COVID. Okay, so
241 they come up with SOMETHING ELSE NEXT TIME. Think!

242 One answer—JUSTICE!

243 Their crimes must be EXPOSED and then JUDGMENT must be
244 SWIFT against the CRIMINALS and THEN we can have
245 confidence in our elections going FORWARD. And ONLY THEN!

246 I'll tell you what I'm looking forward to, Mr. Scott! How about we
247 look forward to arresting these traitors — Jim Jordan is RIGHT —
248 election fraud is TREASON — how about we look forward to
249 bringing these traitors to JUSTICE? How about we look forward to
250 exposing the jackals (who prey on others in distress, who use
251 misfortune to feed themselves—who feed on the weak and
252 helpless—JACKALS) how about we hunt down and bring to justice
253 these wicked JACKALS and taking up the SWORD of CIVIL
254 JUSTICE and executing WRATH UPON THESE EVIL DOERS?
255 How about we look forward to that?

256 I don't want the Republican version of "don't look here," or "look
257 the other way." NO! Jackal! I refuse to join you in throwing up the
258 white flag and surrendering to the STEAL!

259 Okay, now, here is the reason the Republicans always lose! These
260 guys are losers! They lose even when they win! This is the reason
261 we must no longer support them. We must bury the GOP — it's a
262 dead and rotting corpse. ANY PARTY THAT WOULD
263 CONCEDE TO A STOLEN ELECTION AND A FRAUDULENT
264 PRESIDENCY IS WORTHLESS TO PROTECT ANYTHING LIKE
265 LIBERTY OTHERS WOULD DIE FOR.

266 Why would you expect "others" to die for a liberty you HAVE
267 FORFEIT, by default—They stole the election, Jackal — and you
268 are part of the phalanx guarding the thief behind his steel and razor
269 ribbon fences.

270 Here is the reason the Republicans always lose — this is the reason
271 we must no longer support them. We must bury the GOP — it's a
272 dead and rotting corpse.

273 ANY PARTY THAT WOULD CONCEDE TO A STOLEN
274 ELECTION AND A FRAUDULENT PRESIDENCY IS
275 WORTHLESS TO PROTECT ANYTHING LIKE LIBERTY
276 OTHERS WOULD DIE FOR. Why should we expect “others” to
277 die for a liberty we HAVE GIVEN AWAY?

278 The ZOO Keepers want to make sure the caged animals eat, and
279 have a nice cage to keep them alive so they can be sheared and fed
280 upon—who cares about "good paying jobs" if we are kept in
281 CAGES to be fed upon by JACKALS? Who cares about "safe
282 schools" when what you give us is forced indoctrination to live as
283 animals cages for JACKALS? And how are you going to stop the
284 mighty Democrats you have conceded control Washington? Will
285 you compromise with them? Will you say, give up a little freedom
286 of speech for a little good paying job? Will you trade freedom of
287 religion for "safe communities"? You lousy Jackal — let me tell you
288 something.

289 You recognize the RIGHT of AMERICANS to be FREE and they
290 will take of creating good paying jobs and safe communities.

291 You get out of the way of our LIBERTIES, and I'll tell you what, we
292 will have good schools for our children—where they will learn the
293 PLEDGE of ALLEGIANCE, and the NATIONAL ANTHEM, and
294 to STAND in RESPECT for the BLOOD SHED TO SECURE these
295 LIBERTIES, and we will teach them to LOVE GOD and
296 COUNTRY to RESPECT the PROPERTY OF OTHERS, and to not
297 hide our failures behind the excuse that it's some body else's fault
298 — or — you know what, you get out our faces with your constant
299 drum beat pushing racism and we will live together very well my
300 friends!

301 It's FREEDOM — Freedom answers all things for the God fearing
302 patriot just like MONEY ANSWERS all things for the CORRUPT
303 POTICIANS. It's about MONEY for them, it's about FREEDOM
304 for us.

305 And it's the TRUTH that makes you free — not a bunch of satanic
306 lies about 51 genders, our about skin color — or about global
307 warming — or about panic over a disease no more threatening
308 than the flu—TRUTH! Truth will FREE you from the MASK
309 Nazis, the LOCKDOWN ruse, the EQUALITY ACT, which is
310 nothing but an *act* — a boring ACT — it's boring! You have played
311 out your hand — no cards left. IT'S OVER!

312 It's GAME OVER!

313 Patriots — be patient! I hear the horses of heaven pawing in
314 clouds! See their nicker, deep, and guttural, the nostrils flare with a
315 snort, and a squeal, and their head shakes with their whinny as they
316 rare up on two and paw the air—where the prince of its power
317 flinches and trembles!

318 Patriots! Don't think for a moment you are alone—there are many
319 we SEE and are AWAKE — and who will not STAND DOWN or
320 bow to these usurpers—these thieves—these DEVILS!

321 And, PATRIOTS, we will prevail with JUSTICE, and LAW and
322 ORDER will be on our side—if you still do facebook (by the way,
323 looks like Trump is making an appeal to return to Facebook—why?
324 I think he will give it a chance before he moves to create one that
325 would be a viable competition with it) — so, if you still do FB, find
326 and like the page for Lighthouse Baptist Church in Santa Maria —
327 and set up notification so you know when I'm live streaming a
328 VISIT — it's called COMFOR & COUNSEL FOR THE PRESENT
329 DISTRESS — I'll talk some more about what is to be done.

330 We need a new party — I'm okay with reviving the GOP but I don't
331 see that happening. Did you notice that Trump has changed his
332 logo. It's SAVE AMERICA! And I believe he has a viable plan to do
333 exactly that. I am hoping this will be GOD'S STANDARD, or
334 BANNER that he promised to raise against the ENEMY when it
335 comes in like a FLOOD.

336 [FREEEEEEEDOOOOOOM]+

337 I have lit the lamps in the Church belfry arch and now you let me
338 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
339 ON and you will ride like Revere and spread the warning,
340 (essentially, it means you agree with what I'm saying) or you say
341 LIGHTS OFF -- which means you reject what I'm saying and
342 disagree strongly with me. So, what will it be today, lights on, or
343 lights off?
