

Brain Massage®: Show No. 820 What Are "We the People" Waiting For? /
Conspiracy Or Counter-Conspiracy

Jerry Scheidbach

Original Air Date: 03.06.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 *So sorry, in such a hurry I could not complete the show and had to*
5 *cut a lot out. Also, these notes are more rough than usual? :(*
6 What are "We the People" waiting for? The Patriot's expectation!
7 If you object to the draconian tyrannical oppression of Mask Nazis
8 you are a Neanderthal! Psaki explains, well, actually he said it's
9 Neanderthal *behavior*.
10 The conspiracy theory! — Conspiracy and Counter-Conspiracy!
11 (Watching the unraveling of the conspiracy—the Brain Masseur's
12 hope!)
13 We'll take a look at Trump's CPAC speech.
14 Oh, before we get started: hat tip to Ron Johnson. Representative
15 Ron Johnson (R—WI) will read the entire stimulus package Bill —
16 a trick of the Demons (DS, DNC, ER—establishment RINOs) is to
17 make these laws so large no one reads them. Remember Pelosi:
18 "we'll have to pass the bill in order to find out what is in it." This is
19 a great move by Johnson — thank God some of these guys are
20 waking up and pushing back against this nonsense. It will take
21 about 10 hours to read it—but it will be read! No doubt he will
22 offer commentary, I hope, on certain parts of it. We'll see if that is
23 allowed!
24 Anyway, my friends — it's time for your Brain Massage!
25 [TRUTH]

26 Hello fellow Neanderthals! Hillary called us Deplorables, now
27 Biden calls us Neanderthals.

28 But it is like liberals today, you know, to make bigoted statements
29 like, implying blacks don't understand technology. Calling
30 someone a Neanderthal means they are uncouth, unintelligent,
31 uncivilized—of course, no one has ever met a Neanderthal. They
32 made all that up! And there are no Neanderthals here to defend
33 themselves from these bigots.

34 It's like what modern liberals do to our founders. Just make up lies
35 about them—and it's convenient since they are not here to defend
36 themselves.

37 Liberals today are so smug! They pretend to be so intelligent—so
38 *above* everyone else. This liberal news guy says Neandertals—
39 ignorant of the fact that Neanderthal is so named because the
40 skeleton was found in Neanderthal Germany, then they set about
41 to associate the name with ignorance, and uncouth uncivilized
42 behavior so the good people of Neanderthal Germany decided to
43 pronounce the name of their town Neandertal—but leave it to
44 some bigoted Liberal to chase them down and stigmatize them.

45 Who knows! Maybe the NeanderTHALS were more civilized than
46 Biden. They might have had some pretty civilized rules against
47 PLAGIARISM, taking BRIBES, using their political position to
48 bully nations to stop investigating their son for corruption by, what
49 was that, QUID PRO QUO — yeah, Quid pro quo Joe —
50 NeanderTHALS might have had some scruples against betraying
51 their own people and selling them out to an enemy—I think
52 BIDEN is a more despicable, no, deplorable name than
53 Neanderthal!

54 Biden is a corrupt politician, bought by China, a liar, a promise
55 breaker, and when all is revealed, a traitor—maybe we should start

56 calling people like Biden a *BIDEN*. Liars, traitors, corrupt
57 politicians are *Bidens*.

58 Some tidbits on Biden—why was Air Force 1 at Orlando, FL
59 without Biden. (Hmmm! Isn't FL. Trump's new home?) Why is
60 Biden's plane never called Air Force 1? Isn't that sort of weird?

61 Why has he not given a State of the Union Address? I know there is
62 nothing nice to say, so I might think he was adhering to his
63 mother's exhortation "if you can't say something nice"—but, well
64 we know that has never gotten in Biden's way.

65 What is the state of the UNION? How about this — when the
66 wicked bear rule, THE PEOPLE MOURN.

67 Lying Biden has broken every promise he made to the American
68 people. He has participated in stealing the oval office from the
69 AMERICAN PEOPLE, colluding with China in the steal—no
70 wonder he is hiding behind a steel fence and the National Guard—
71 the LIBERALS have stolen an election and they are edgy, nervous,
72 looking over their shoulder—why are they so afraid patriots are
73 going to storm the castle, and take them out? I'll tell you why? The
74 wicked flee when no man pursueth.

75 Wow! Looks like the Bible has an answer for everything?

76 And it really does folks.

77 Patriots believe in law and order! We don't go into the streets and
78 start burning buildings, and killing people randomly — that's what
79 Neanderthals—no, that's what *Bidens* do. Bidens, and Pelosis, and
80 Schumers, and Kate Brown, the governors that watched looters,
81 and arsonists, and murders create mayhem upon their citizens and
82 dismissed it as a summer of love — who was that? Oh yeah, that
83 was Seattle's Mayor—and the MSM all played along—THEY
84 ENCOURAGED THE RIOTER DESTROYING MAJOR CITIES—
85 and then they have the audacity to make out like the Jan. 6 rally

86 was a Trump incited INSURRECTION. These guys are reading to
87 many conspiracy yarns—

88 Weird how the left is watching the Q thing far more closely and
89 taking it a whole lot more seriously than sane people — but we are
90 talking about people who will tell you, with a straight face, that
91 there are 51 genders, and who seriously believe it's okay for a man
92 to call himself a girl, enter female sports and wipe out every record
93 ever set by women, destroying female athletics — so, you know,
94 friend, WHO ARE THE NEANDERTHALS here? I mean, who are
95 these *Bidens* anyway?

96 **What are "We the People" waiting for? The Patriot's**
97 **expectation!**

98 Some are expecting Trump to call in the Cavalry and “save
99 America.” Some are expecting the military to jump upon their
100 white horses and come to the rescue.

101 There is a problem with that kind of thinking. It shifts
102 responsibility for our freedoms to the shoulders of others —.

103 If you are sitting around waiting for someone else to deliver you—I
104 mean, other than GOD—you are putting your hope and trust in
105 the plans of men when your trust needs to be in GOD.

106 As you know, I travelled to Russia every year, beginning in 1991,
107 for about ten years. My first trip, I went alone—spent 21 days and
108 it was an awesome adventure—lot's of awesome tales to tell.

109 I remember talking to literally hundreds of pastors—many of them
110 has suffered serious persecution. One pastor, one of the fortunate
111 ones who was not *disappeared* to Siberia, described the punishment
112 he endured while in jail for preaching the gospel. To punish him,
113 they put him in a cell for days at a time that he described as a six by
114 five foot cell, with only a small, not even sure what to call it, place
115 to sit, about 2x2 in the corner, and the floor was almost always

116 covered in about three inches of tepid, foul water. To stay out of
117 the water he had to crouch on the little stool—.

118 Anyway—I heard a lot of stories like that one.

119 I was asked several times why America did not come to rescue the
120 Russian people from their Communist tormentors?

121 In fact, often the Russian people told me how they dreamed of the
122 day the American soldier would arrive and deliver them.

123 Many pastors felt deeply betrayed by Billy Graham because he
124 believed the lies of the Communists and declared he saw no
125 persecution against Christians in Russia.

126 So, why does America not just go into all these dictatorship
127 countries and wipe them out and impose “FREEDOM” on the
128 people.

129 Well, right now, the answer is we are too busy SURRENDERING
130 OUR FREEDOMS TO COMMUNIST TYRANTS TO DO
131 ANYTHING ABOUT ANYONE ELSE—so, my answer to these
132 Russian Christians is something we all need to hear in America
133 today.

134 FREEDOM cannot be IMPOSED upon a people; the PEOPLE must
135 assert it. Our rights are endowed to us by our CREATOR; they are
136 not given to us by any man. We don't have to "take" our rights —
137 they are already ours. We must ASSERT our RIGHTS or we lose
138 them.

139 Do you understand? When America set out to declare
140 independence, they asserted and acted on the ASSUMED RIGHTS
141 as granted to them by GOD and did not wait for any man to come
142 give them their rights. THEY ACTED ON THE ASSUMPTION
143 OF THEIR DIVINELY ENDOWED INALIENABLE RIGHTS.

144 In other words, if the PEOPLE will not assert their freedom and
145 independence, they cannot be free. No people will be free, or

146 remain free, who does not STAND UP AND DEFEND THEIR
147 RIGHTS TO BE FREE.

148 So, it's the American Revolution model—assert your rights, then
149 defend them against anyone who tries to infringe upon them.

150 Any time we go in and give rights to people, we then have to stay
151 there forever keeping them free—the people have to STAND UP
152 AND PAY THE PRICE FOR THEIR OWN FREEDOM—then
153 when we come along side and ASSIST them, they will understand
154 what it takes to secure their rights and keep them.

155 We can help people who are willing to fight for their rights—but
156 we can't give them their rights! Make sense?

157 So, what are the PATRIOTS waiting for? The PEOPLE to ASSERT
158 THEIR FREEDOM—for the people to demonstrate the WILL to
159 STAND FOR THEIR RIGHTS and to DEMAND JUSTICE. When
160 they assert their liberty, and freedom, and their “govt.” attempts to
161 attack people who are asserting their FREEDOM, that’s when the
162 Calvary can come in.

163 So, what are "We the People" waiting for? RISE UP and SPEAK
164 OUT and demand these wicked rulers back off—OPEN YOUR
165 BUSINESSES, AND TAKE OFF THESE RIDICULOUS MASKS.

166 More coming up!

167 Segment.02 Hello. Welcome back! I’m Dr. Jerry Scheidbach, pastor
168 at the Lighthouse, your brain masseur, and Paul Revere’s lantern
169 lighter, lighting the lamps in the church belfry arch, signaling the
170 enemy is on the march, an enemy that would steal from us our
171 liberty.

172 Buyer remorse! I hope the few Democrats and liberal Independents
173 — and other RINO Trump haters and all you Christians that
174 decided to stay home and let SATAN have America — are
175 beginning to feel buyer remorse. Except, this is not buyer

176 remorse—this is a thief that got home with his loot and realized
177 what he thought was gold turned out to be gold painted tin.

178 What a contrast! From a President who went into office passionate
179 about fulfilling every promise he made to a President who in his
180 first month of office BROKE, I THINK IT WAS EVERY PROMISE
181 HE MADE TO THE AMERICAN PEOPLE during his campaign.

182 Hey, I happened upon a documentary casting the Q Anon
183 Phenomenon as a terrorist sponsoring organization — haha. Well,
184 you know not to take these people seriously—they are the same
185 ones that say Trump supporters are domestic terrorists—these are
186 the people who called the Jan. 6 ANTIFA vandalism was a RIGHT
187 WING insurrection incited by TRUMP — so, yeah, we know that
188 you can't put any stock in what the MSM and DS-Lib/CONS tell
189 you.

190 It's all coming out! No guns found on anyone arrested during the
191 Jan. 6 — thingy! No guns! Not one! I mean, except for the Capitol
192 Police who shot a protestor climbing through a window — there
193 were those guns. And the guns firing rubber bullets at "mostly
194 peaceful protestors" — there were those guns. So, how about that,
195 an "armed insurrection" by unarmed insurrectionists. I call it the
196 fake insurrection because that is what it was. I'll get into Wray's
197 revealing testimony in a minute. Very interesting.

198 But really, this kind of irresponsible stereotyping by bigoted
199 liberals is dangerous for about twenty different reasons.

200 Did you know that almost all "domestic terrorist" acts are
201 perpetrated by people who self-identify as liberals—there are
202 certainly some crazy people on what they call the RIGHT—like
203 white supremacists—but what is surprising is that when you look
204 closely at white supremacist's they are almost always NAZIS—
205 SOCIALISTS—TYRANTS—DICTATOR LOVING liberals! The
206 white supremacist movement was all KKK, and Robert Byrd, and

207 Lyndon B. Johnson, and Jim Crow laws, and—they were all
208 DEMOCRATS.

209 Nevertheless, there is a small, marginalized group of people who
210 are what we might call the radical right. Like the *radical left*, these
211 have broken from law and order and are vigilantes. So, now,
212 generally speaking, which side is for law and order and which side
213 is for anarchy?

214 So there are unstable people in every group—and among these,
215 there are people who go to seed on "conspiracy theories," as they
216 are called—but these personalities are predisposed in that direction
217 and they obsess on all sorts of things—including washing their
218 hands, or fiddling with their mask (hehe).

219 You will find obsessive compulsive personalities of every stripe—
220 but to focus on these in any group and then stereotype the entire
221 group by their characteristics is disingenuous — interesting thing
222 about this word, *disingenuous*, it includes the idea of pretending to
223 know less about something than they do—in this case, these liars
224 know better. They know the weirdoes are on the outside margins of
225 the RIGHT. It is their intention to characterize anyone that
226 disagrees with them as *dangerous*.

227 That's because we are! We are dangerous to their agenda to drag
228 America out from under God and into the grip of godless
229 communism.

230 So, about the Q and why I care. First, why I care.

231 I'm not a Qnut—I have an opinion about Q and I've explained my
232 position on that already—maybe I'll touch on it again here—but I
233 don't think Q is an oracle of GOD, I don't think Q is a PROPHET,
234 and I don't think Q is a conspiracy either—I'll flesh this part out a
235 bit more in a moment. I studied Q in order to get a first hand
236 understanding of the QAnon Phenomenon. But there is a reason
237 that I care about how the liberals are trying to present Q as if it's a

238 bunch of dangerous crazy people intent on overthrowing the
239 government.

240 I don't like it when the left targets a whole class of people and starts
241 promoting lies about them—for example, I am tired of their efforts
242 to make all whites ashamed of being white, or characterizing blacks
243 as needing the white liberal to take care of them—it's more than
244 distasteful, it's deceitful and dangerous. It's dangerous because it
245 provokes people to become suspicious of one another in groups—
246 pitting one group against another is a recipe for violence. These
247 people are encouraging violence.

248 So, that's why I care.

249 In my own research into this, I have read close to a thousand Q
250 drops. I can tell you that it's not the “source” of any conspiracy.
251 Many who follow certain American conspiracy theories, like, JFK
252 was assassinated by our Intelligence agency because he was
253 planning to take America back to the "gold standard" are attracted
254 to Q — but here's the thing! If you are paying attention to what has
255 been going on since Trump came down the elevator then you have
256 watched the Deep State conspiracy machine go into full gear—if
257 using the CIA, the FBI and the DOJ to run a coup against a sitting
258 president is not "conspiracy," culminating with foreign interference
259 in our election through proxies planted in throughout government
260 and if that does not cause you to wonder what else is going on in
261 that SWAMP — then we are in greater trouble than I thought. See
262 what I mean?

263 In other words, what we have watched happen before our very eyes
264 is enough to give credibility to a host of rumors we have for years
265 dismissed as conspiracies—so when something like that happens,
266 every crazy conspiracy theory globs on! Including Martians feeding
267 technology to the Pentagon—! Hmmm.

268 But reading Q does not itself originate any of these conspiracies! If
269 there is anything to see in the Q diaries it's that there is a
270 conspiracy to subvert America and concerned patriots are
271 responding either with a hope and wish for something to be done
272 about it or Q is evidence that a legitimate plan is in play.

273 Where is the conspiracy?

274 The conspiracy to steal an election is not “conspiracy”? Right?
275 Those that contrived this elaborate plan to use DOMINION
276 machines, to have Zuckerberg spend half a billion to finance
277 BALLOT HARVESTING, that's not a conspiracy? The conspiracy
278 to trap Trump supporters in a scam “insurrection” is not
279 conspiracy?

280 The conspiracy — a collusion of persons advancing a secret plan to
281 perpetrate crimes upon others — is that the DNC has been busy at
282 for many decades now.

283 They have been engaged in a conspiracy to remove God from our
284 culture, remove Bible believing Christians from public office,
285 marginalize the influence of the Bible, divide the country by race
286 and ideology, all of this is a conspiracy aimed at destroying
287 America as founded and displacing it with Obama's vision of a
288 “Transformed America” —And the transformation will be from
289 the Declaration and Constitution to the Humanist Manifesto and
290 the Tyranny of the technocrats who are funded by the Central
291 Bankers — and SOROS, the super rich who imagine themselves to
292 be gods.

293 The conspiracy theory! — Conspiracy and Counter-Conspiracy!
294 (Watching the unraveling of the conspiracy—the Brain Masseur's
295 hope!)

296 Remember, the Conspiracy to overthrow the Declaration (All men
297 are created equal) tries first to ridicule and dismiss threats. When
298 that fails, they DEMONIZE them — and if that does not provoke

299 enough of the population to dismiss them, they set out to
300 DESTROY THEM in an open attack.

301 That's what's going on with Q. And it might have something to do
302 with the fact that eerily many of the Q predictions are beginning to
303 happen.

304 Notice something Christopher Wray said before Senate hearing by
305 what he did not say! During questioning about findings concerning
306 Jan. 6 — He did not say it was PROUD BOYS, or implicate Trump
307 as the inciter — But neither did he say it was ANTIFA, or BLM. In
308 fact, it seemed as if he was saying he did not regard ANTIFA or
309 BLM or PROUD BOYS to be domestic terrorist organizations.

310 He seemed to characterize what they did was vandalism, or
311 trespassing, or misguided protesting—but he would not label any
312 of them domestic terrorists or characterize what they did as an
313 insurrection. On the other hand, he said clearly that the Jan. 6
314 event WAS AN INSURRECTION!

315 Isn't that interesting?

316 He described the Jan. 6 crowd as dividing into what he called three
317 buckets. The larger of the buckets were peaceful Trump supporters,
318 there to protest the certification of the illegally apportioned
319 electoral votes. That was the larger of the three buckets.

320 The second largest, or the middle sized bucket includes those who
321 were agitators, who committed vandalism, and entered some of the
322 Congressional offices inappropriately, and that this included many
323 who were suckered in by those — but, he did not regard these
324 people as committing an insurrection.

325 But then he said there is a third bucket—and these were the
326 insurrectionists, and he stipulated that these are the people who
327 planned the event to make it look like Americans had launched an
328 insurrection.

329 So, who "planned" this? Who brought equipment, who planted the
330 bombs in the DNC and RNC headquarters, who — ?

331 Another thing! If Wray was a Deep State operative, you would
332 think he would have played along and thrown Q AND PROUD
333 BOYS UNDER THE BUS AND FED INTO THE LINE THAT
334 TRUMP INCITED AN INSURRECTION.

335 Get this! Wray testified that in his opinion Jan. was an
336 insurrection, but you are looking at the wrong place if you are
337 looking at the protestors. HE is saying it WAS domestic terrorism,
338 but not perpetrated by ANTIFA, BLM, Proud Boys or PATRIOTS!

339 So what is he saying? The next thing that will come out is it will be
340 shown that the Deep State set up the insurrection —.

341 And what makes this even more intriguing is that we know John
342 Sullivan dressed as a Trump supporter and orchestrated a lot of
343 this — so how can Wray turn attention from him?

344 I think you are getting what I'm getting at — I think we are being
345 told that guys like John Sullivan are dupes being played by people
346 HIGHER UP the chain of command in the DEEP STATE.

347 And, think about it! The acting Capitol police chief was asked How
348 many firearms did you recover from those arrested? NONE! How
349 many shots fired. THE ONLY SHOTS FIRED ARE THOSE THAT
350 KILLED BABBOT. That was by Capitol police.

351 ANTIFA had bats, but the patriots only had FLAGS, and PHONES.
352 So how is this an ARMED INSURRECTION?

353 All the vandalism occurred by ANTIFA with Trump supporters
354 yelling at them to stop it.

355 And, get this! The National Guard received a STAND DOWN
356 order — Walker testified to this. What???? The National Guard
357 cannot receive a "stand down order" unless it is coming from
358 somewhere up the chain of command.

359 Friend, this WAS ALL PRE-PLANNED.

360 US Capitol police were saying something is going to happen on
361 March 4th. Nothing happened! Capitol police are being played!
362 Their own crimes are haunting their conscience — or they are
363 hoping to provoke an insurrection to use as cover to begin a purge
364 of PATRIOTS.

365 So, anyway! Why are they bringing out the Cuomo sexual
366 harassment accusations? Divert attention from the NURSING
367 HOMES — I read today that the real number of elderly murdered
368 by Cuomo's wicked policy is over 15,000. The reported number is
369 over 6,000 which is bad enough. But the hidden number is over
370 15k.

371 Now Journalist Charlie McDuff is teaming up with some law or
372 legal center to sue Whitmere for all information on her nursing
373 home policy and the number of elderly she killed?

374 Fauci—you know him? He is the "expert" who said Americans
375 don't need to be wearing masks, and said they are "largely
376 symbolic" at first who is now saying, hey, everybody must wear a
377 mask, and in fact, it's better to wear two — that guy? He hailed
378 Cuomo as the golden standard for all governors.

379 Well, guess what. JUDICIAL WATCH released a press statement
380 about FAUCI concerning revelations from released
381 correspondence that is concerning indeed! It's coming out! Fauci is
382 in cahoots with China and has always been.

383 These emails reveal that he was getting his marching orders from
384 the CCP, he was working to comply with their demands on the US
385 for COVID restrictions. These new emails show WHO and Fauci's
386 NIH going out of their way to accommodate the CCP's efforts to
387 control information about COVID-19) — complicity with CCP —
388 and implementing CCP's special restrictions or accommodations

389 to CCP's demands on America regarding restrictions "mitigations"
390 to control the spread.

391 This comes from Judicial Watches release of 301 pages of emails
392 and other records from Fauci and Lane: a report from Judicial
393 Watch exposing emails from Fauci, Dr. E. Clifford Lane, US
394 Department of Health and Human Services, showing that the NIH
395 officials tailored confidentiality forms to China's terms and that the
396 World Health Organization conducted an unreleased, strictly
397 confidential COVID-19 epidemiological analysis in Jan. of 2020."

398 What did this report reveal?

399 Masks, COVID seclusion and fear! I just got back from my trip to
400 Washington and it was wonderful. Had a great time with Pastor
401 Shellenberger and the Centralia Bible Baptist Church—got to see
402 some old friends and make new ones.

403 But, truly, the best part of every trip is getting home—had a nice
404 lunch with Dove at Madonna Inn, and then ran in here to finish
405 the show. So — gotta go.

406 I'll be in the LIGHTHOUSE PULPIT this Sunday — see you there.

407 I have lit the lamps in the Church belfry arch and now you let me
408 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
409 ON and you will ride like Revere and spread the warning,
410 (essentially, it means you agree with what I'm saying) or you say
411 LIGHTS OFF -- which means you reject what I'm saying and
412 disagree strongly with me. So, what will it be today, lights on, or
413 lights off?

414 Email me by going to our web site at branmassage.net. That's

417 You can leave a message on our Lights On hotline: 805.314.2114.

418 God bless you. God bless America! I'll see you in Church.
