

Brain Massage®: Show No. 821 Will the UNION be DIVIDED? / CA to Teach Children To Pray To Aztec gods for LIBERATION POWER! / When Will You RISE?

Jerry Scheidbach

Original Air Date: 03.12.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain
3 masseur—get ready for your brain massage.
4 More than 2 Million Californians have signed on for the
5 REMOVAL of NEWSOME!
6 The SCOTUS skunked us!
7 California public schools to adopt curriculum teaching children
8 how to worship the Aztec gods.
9 Curious how the PROGRESSIVES are so REGRESSIVE—curious
10 that they will endure all sorts of negative consequences for the
11 abuse of the RIGHT of abortion, drug use, alcohol abuse,
12 homosexuality, and other violations of GOD's LAWS — but will
13 not tolerate the consequence of 1st and 2nd amendment abuses ...
14 It's time for your brain massage!
15 [TRUTH]
16 Well, it's official — the SCOTUS has officially skunked us. (That's
17 an odd expression. It's used in a variety of meanings—but I'm
18 using it to express a sense nearer its original use, in 1800s New
19 England — when it was used to speak of being overwhelmingly
20 defeated—like when some team “got skunked” in a game—I mean,
21 lost bad.
22 In time the expression came to be used for someone who got taken
23 by a dead beat, like when someone skipped town and “skunked”
24 his renter — or his roommate —.

25 It's used now to speak of someone that is plastered — which is used
26 to speak of someone who is sotted, or pie-eyed, loaded, soaked,
27 soused, you know, excessively inebriated—but while the
28 winebibbers among the Jurists, like Kavanaugh, might indeed have
29 imbibed indulgently, to numb the conscience while they betray
30 their oath — that's not what I mean by it here.

31 I mean the SCOTUS skipped out on us, left us holding the
32 proverbial bag, which is another of those malleable American
33 idioms—originally meaning to be left bearing responsibility or the
34 guilt for some crime or error, like a scape-goat, but has come to be
35 used to speak of someone left with the responsibility for some
36 burden while everyone else walks away care free—but actually is
37 another 18th century gem that conveyed the idea of being left
38 holding an empty bag while everyone else gets away with the goody
39 bags—so, make of an idiom what you will—since it is the nature of
40 idioms to take their meaning from something other than the actual
41 words used to express them—hehe.

42 Anyway, in order for them to be understood they must have some
43 kinship with the culture in which they are used—

44 And all of that is to say the SCOTUS has really skunked us and left
45 us holding the bag—the SCOTUS reeks of the foul malodorous
46 skunk-stink of swamp and in our bag we have nothing while in
47 theirs they have Judas-coin! — which is an idiom for whatever
48 reward was used to purchase their betrayal of their oath and
49 fidelity to LADY JUSTICE — who, thankfully, wears a blinder
50 because if she was burdened to watch what these scoundrels did to
51 her she would surely — weep!

52 I understand all the election fraud cases were dismissed without
53 comment — I have not had a chance to check what Alito and
54 Thomas said about Lady Justice latest miscarriage —

55 It will be interesting if neither said anything—if even these two
56 stalwarts of CONSTITUTIONAL LAW AND ORDER were as
57 quiet as Trump has been on this — and Lin Wood has not spoken
58 to it either — at least not that I can find.

59 I wonder if that means — Oh well, that’s what we thought! Move
60 forward with plan A!

61 That is very strange! (Epoch Times reports no comment from
62 Wood on this rejection, and says the court denied hearing the case
63 “WITHOUT COMMENT.” PERIOD!

64 I can find nothing that tells me whether Alito or Thomas objected
65 — this is EERIE weird! It’s like I’m hearing that music you hear in
66 a movie when something very, very big in terms of plot
67 development is just about to happen.)

68 Wood has said — about a week ago, that if the court denies hearing
69 the case, this will prove the court is mostly corrupt — and if the
70 court agreed to hear the case, we would have to wait to see if the
71 court is mostly corrupt.

72 Was this an exercise to determine whether the court was “mostly
73 corrupt”?

74 It’s getting down to the wire—Patriots don’t have anything left. If
75 the States do not rise and correct this matter—there will be nothing
76 left but to what?

77 Go into the streets and start burning our own buildings, and
78 terrorizing our own cities?

79 Well — no! That’s what *they* do! (I defined *them* and *us* a few
80 shows back.) We are far more serious than that.

81 What then! Start sniping off the bad guys one by one?

82 No! That’s what *they* do! That’s not our thing.

83 We do the LAW and ORDER thing!

84 One scenario is the DURHAM card — where finally, he declares
85 his investigation complete, reveals the truth about the Swamp
86 creatures and the PEOPLE rise up to DEMAND justice.

87 [I liked Bongino's call to dance. It's time to face the music—and
88 when it's time to face the music, Dance.]

89 So Durham unseals the indictments — proceeds with the arrests,
90 triggering the DS to launch their planned insurrection, release their
91 rioters into the streets, because that's what they were threatening us
92 with earlier — they think we bow to such subliminal messaging
93 — they think we think like they think! But we don't!

94 And, you've probably noticed it, but they don't get us! They have
95 never understood the conservative patriot.

96 They don't understand us because they don't understand our
97 GOD! You know, you can understand the Aztecs when you
98 understand their gods—a people become like what they worship!

99 SO if they think we are going to bow down to their Moloch child
100 murdering monsters, or their Aphrodite goddess of perversion and
101 sacrificing our children to their lusts — well, they will find that is
102 not what is going to happen.

103 CA curriculum now includes indoctrination into the worship of
104 Aztec gods that receive human sacrifice—yeah, it's called the ethnic
105 studies model curriculum—based on the pedagogy of the
106 oppressed—the teaching methods that arise from the oppressed. By
107 the way, Marxist Paulo Freire developed this. He teaches that
108 students must be educated about their oppression in order to
109 prepare them to throw off their oppressors.

110 In this curriculum Christianity is accused of something they are
111 calling *theocide* — I guess that's the extermination of other *gods*.
112 The teachers are encouraged to lead the students in prayers to the
113 Aztec god Tezkatlipoka. This particular god is the one Aztecs
114 worshipped with human sacrifice and cannibalism. Nice! The

115 students are led to call on this Aztec god worshipped with human
116 sacrifice and cannibalism for the "power to be 'warriors' for 'social
117 justice.'"¹ Then the students are led in chants (prayers) to other
118 Aztec gods—like Quetzalcoatl, Huitzilopochtli, and Xipe Totek —
119 from these gods they desire to get "a revolutionary spirit."
120 Huitzilopochtli is the Aztec deity of war — to get this one to be on
121 your side in battle, you have to offer a lot of human sacrifices—
122 hundreds, even thousands of human sacrifices—many heads were
123 sent rolling down the steps of the pyramid in Teotihuacan, Mexico
124 — I remember climbing the blood stained stones of the pyramid of
125 the sun, or was it the pyramid of the moon, can't remember which
126 one it was — anyway, your California students in public schools
127 will be encouraged to chant (pray) to all these Aztec human
128 sacrifice devouring gods as the gods of "liberation" from the GOD
129 of our Fathers — and they will conclude by shouting "Panche Beh,
130 Panche Beh" — and I can't find anyone who will tell me what that
131 means — but I think it has something to do with their prayer
132 request to the Aztec gods for LIBERATION
133 TRANSFORMATION.

134 So, here is the take away — the California public school system has
135 become a full-blown religious indoctrination system dedicated to
136 the Aztec gods, and the fact that these gods were worshipped by
137 human sacrifices—I mean, hundreds of pitiful sinners rounded up
138 and one after the other, sacrificed to the Aztec gods in order to get
139 the POWER to LIBERATE themselves from the GOD Who gave
140 His Son to die on the Cross for sinners — Who does not demand
141 human sacrifice but MADE HIMSELF A SACRIFICE FOR US —
142 Who said, "take eat, this is my body..." — that is, a GOD Who
143 made Himself food for us rather than make us food for Him—they
144 want to be LIBERATED from the GOD who sets ALL MEN FREE
145 BY THE TRUTH, Who CREATED all MEN EQUAL and

¹ <https://www.city-journal.org/calif-ethnic-studies-curriculum-accuses-christianity-of-theocide>

146 bequeathed to all INALIENABLE RIGHTS — who declares
147 LIBERTY and JUSTICE for ALL —

148 And it is okay to lead our children in prayers to the gods of the
149 Aztecs because those are the gods worshipped by what they call the
150 indigenous people — the fact that they offered human sacrifice to
151 these gods — well, that's okay because those were the "indigenous
152 gods." Do you begin to see how warped are these people?

153 The LIBERATION of the Aztec gods is enslavement of man.

154 What, exactly, will it take to wake Californians from their liberal
155 stupor? And look at this! The Democrats voted God out of their
156 PARTY and now they are getting taken over by gods worshipped
157 by human sacrifice.

158 Are you going to allow Newsome to keep you in bondage and push
159 forward his antichrist agenda in our public schools?

160 Now you understand why we see some of America's young people
161 dancing around a burning American flag chanting, "Praise to the
162 chaos god."

163 So, what's it going to take? When will WE THE PEOPLE arise?

164 Maybe Texas, and about twenty other states will have to ban
165 together, separate from the United States of Baizuo (Bai-dzwou) (A
166 chinese slang term for white lefty ideology)—and declare
167 themselves independent of the United States of Baizuo—and under
168 the AMERICAN CONSTITUTION — the United States of
169 AMERICA.

170 Go ahead and make Texas the seat of government and then watch
171 as Obama's "transformed America" becomes an East Berlin
172 wasteland — where they will have to build a wall to keep their
173 people imprisoned, because they will start fleeing the corrupt
174 government of Baizuo to find liberty in the LAND OF THE FREE.

175 Or will we go into a CIVIL WAR — beat back the oppressing CCP
176 sycophant dictators and deliver the entire country from these
177 SKUNKING scoundrels —.

178 In any case, with the SCOTUS no longer willing to bravely stand
179 for the CONSTITUTION, and public schools beginning to turn
180 fully FROM GOD to the gods of the land—the options are
181 beginning to narrow very quickly.

182 Hold on through the break. The Brain Masseur will be right back.

183 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor
184 at the Lighthouse, your brain masseur, and Paul Revere's lantern
185 lighter, lighting the lamps in the church belfry arch, signaling the
186 enemy is on the march, an enemy that would steal from us our
187 liberty.

188 2 Million Californians have signed on for the REMOVAL of
189 NEWSOME!

190 I heard that when Biden flies his plane is not given the AIR FORCE
191 ONE call sign—what's that about? You do know, and this is not
192 hear-say, you know when he flew to DC for his inauguration, he
193 had to charter a private jet — the military would not send Air
194 Force 1 for him.

195 And, I heard that Kamala is not flying around on Air Force 2 —
196 she is buzzing around on a 737. Hmmm.

197 They are beginning to set up the transition from Biden to — well,
198 ostensibly to Kamala — and who will come in as VP?

199 Where is Hillary, anyway? Why are we not hearing from Hillary?

200 Anyway—I ended the first segment pondering some scenarios—
201 God promised to raise a banner against the enemy that has come in
202 like a flood and I'm looking for it. Are you the type of person who
203 prays for something and the actually expects God is going to
204 answer your prayer? Well, I have prayed God will raise up the

205 promised banner against the enemy of our liberties so I'm looking
206 for it. When I see it, I'm going to rally round that banner!

207 Maybe we oust Newsome—maybe CA finally wakes up and sees
208 these devil worshipping antichrists for what they are and return to
209 the GOD of our Fathers. Let's rid ourselves of these godless
210 communists, get our elections back, reestablish our REPUBLIC
211 UNDER GOD and deliver CA politics from the control of the
212 densely populated areas of LA and SFO — you know, the fly from
213 counties — hehe.

214 Okay, let's look at another brilliant brain massage insight that will
215 clarify things for you.

216 The devils leading this country right now enslave through fear.
217 They create a panic and then use it to gain greater control the
218 people. Take the PLANDEMIC:

219 CDC came out with report about masks.

220 This was released FRIDAY! CDC submitted a report that
221 effectively admits that the mask mandate was what Fauci at first
222 said it would be—ridiculous and not effective for public mitigation.

223 The CDC reported that the mask mandate resulted in a LESS
224 THAN 2% decrease in COVID case growth after one hundred days
225 when compared with a hundred days before the mandate — and
226 yet the CDC continues to advise wearing of masks.

227 So, masks don't work, but we think you should continue wearing
228 them. Why? CDC already answered that question about four weeks
229 ago — they said, "Masks help people remember that there is a
230 pandemic." Or like Fauci said — masks are "largely symbolic."

231 Which, by the way, agrees with what I saw in the RCTs on the
232 efficacy of masks to mitigate transmission of a virus. I examined 17
233 RCTs (Randomized Control Trials—a scientific study that tests a
234 theory, such as the efficacy of masks to mitigate the spread of a

235 virus)—I studied 17 of these and ran down the attending
236 documentation on each one.

237 I took about 12 or 13 RCTs that were done before COVID when
238 they were trying to determine the efficacy of masks for colds, flu,
239 and some that were done during SARS 1, and then I found a few
240 that were done after COVID came “online” so to speak.

241 I noticed that EVERY RCT done before COVID-19 laid out all
242 their findings, I mean what tests they used, the actual results of
243 their tests—and I mean how many particles of virus escaped this
244 mask, as opposed to another mask, and so on, and then
245 summarized their findings and offered a conclusion that included
246 recommendations.

247 EVERY pre COVID-19 RCT concluded with a strong
248 recommendation AGAINST using masks, and every early post-
249 COVID RCT, concluded with NOT RECOMMENDED, until it
250 became “public policy” — and then, suddenly the
251 recommendations began to say, equivocally, stuff like masks might
252 help, masks can help with an equivocating recommendation to
253 wear masks, or a simple statement that CDC recommends it, or
254 this or that person recommends it, or the State mandates it — but
255 NOT ONE STUDY SAID THE SCIENCE SHOWS CLEARLY
256 THAT MASKS ARE AN EFFECTIVE PUBLIC SAFETY
257 MITIGATION STRATEGY FOR CURBING THE SPREAD OF A
258 VIRUS.

259 And I noticed something intriguing.

260 The post COVID RCTs looked virtually identical to pre-COVID
261 RCTs in every respect: methods used, results of the tests—all the
262 numbers were very nearly identical in terms of numbers of
263 particles that passed through this or that mask, of this or that sort
264 — all of it the same — even the CONCLUSIONS were virtually

265 identical but where I saw a clear DIFFERENCE was in the
266 recommendations.

267 In the POST-COVID Mask mandate consensus phase, every study
268 recommended wearing masks — None said masks would protect
269 anyone, but each said something like *might, may, can*, in some
270 cases — always some qualifier — but ended up recommending
271 masks as a public policy for mitigation.

272 In other words, when it became a POLITICAL thing, it became a
273 scientific recommendation. Isn't that dangerously backwards?

274 And now we learn this move from MASKS NOT
275 RECOMMENDED as a PUBLIC MITIGATION POLICY to
276 MASKS RECOMMENDED as a PUBLIC MITIGATGION
277 POLICY corresponded pretty closely to the email communications
278 between WHO and NIH with China, where China was putting
279 pressure on these organizations to direct mitigation strategies in
280 the US.

281 So now, the latest from CDC is a report that reveals that when we
282 compare pre mask mandate to post mask mandate COVID case
283 count, the mask mandate was a statistical wash—.

284 Statistically, THE MASKS made no difference.

285 Julie Kelly Tweets: “This study basically admits mask mandates and
286 restaurant openings have a negligible impact on the spread of
287 COVID — did anyone at CDC READ their own report.”

288 RED PILL PEOPLE — KNEW THIS ALL ALONG — because
289 some of us **actually read the RCT** (Randomized Controlled Trials)
290 that SHOWED CONSISTENTLY masks do not protect from
291 transmission or infection of anything so small as a VIRUS.

292 One such study: *American Association of Physicians and Surgeons*
293 — Came out with report titled MASK FACTS — they tested them
294 and proved the masks DO NOT STOP VIRUSES.

295 These doctors reported: this is the REASON WE HAVE NEVER
296 MANDATED MASKS DURING FLU SEASON — IT’S BECAUSE
297 WE ALREADY KNEW THIS.

298 [Now that we have shown the MONSTER called GOVERNMENT
299 that we will comply with ridiculous controls if they can make us
300 AFRAID of DISEASE — they will come up with another panic to
301 scare us into submission. And whatever power they get over you,
302 they never let it go. Newsome is already saying there is no going
303 back to normal — EVER!

304 CDC just came out with evidence that we do not need to wear
305 masks. They MANUFACTURED STATISTICS and then used
306 them to push their SCARE NARRATIVE. Here is another example.

307 There was a report prepared Jan. 2021 on “The Role of
308 Telecommunications and Hate Crimes.”

309 The Report declares there is NO EVIDENCE of a CAUSAL
310 RELATIONSHIP between the growth of Internet usage and hate
311 crimes. A correlation between growth of Internet usage and a surge
312 in hate crimes over the past five years is not supported by the DOJ
313 statistics. The evidence does not show that during the last decade a
314 time of explosive growth of electronic communication, particularly
315 on the Internet and mobile devices as well as social media, is
316 related to a rise in hate crime incidents.

317 The report warns that efforts to clamp down on online
318 communication over unfounded concerns about hate crimes will
319 undermine first amendment values. The REPORT cautions that
320 efforts to control or monitor online speech even for the worthy
321 goal of reducing crime presents serious first amendment concerns
322 and runs counter to our nations dedication to free expression.

323 The report also criticizes academic extremism, in which
324 researchers make unfounded claims and refuse to back up their
325 assertions. Like Fauci said, when we have no data to support a

326 conclusion, we have to make it up! Well, he said we have to make a
327 "judgment call." Do you trust the judgment of a man who was
328 working on "gain of function" research on corona virus strains—
329 was shut down by the Congress, and used his judgment to transfer
330 the research to a lab in Wuhan to continue their work. Do you
331 trust the judgment of a fellow who hangs with Gates? Hahah. Do
332 you trust the judgment of a guy who stands to gain financially by
333 the spread of this virus and sale of the vaccine? Do you trust a man
334 who says on day one, masks are not an effective public policy for
335 mitigation, and then flips to if we all wear a mask we can curb the
336 spread — and says, "masks are largely symbolic" then says, hey, not
337 just one, wear two! Do you trust the judgment of a LIAR who
338 admitted that the mask thing was about manipulation of the herd.

339 Anyway, the report offers blistering condemnation on tech
340 corporations using hate speech panic as an excuse to abridge free
341 speech rights on their platforms.

342 Get it? Create panic — make people afraid — encroach on their
343 liberties — they will cower in fear and give up their independence.

344 Now, here is the blindingly brilliant missile of insight that has
345 acquired its target: INCOMING!

346 Interesting that LIBERALS insist we endure a certain amount of
347 negatives from alcohol abuse in order to maintain the right to
348 market alcohol. They despise prohibition against alcohol, but
349 champion prohibition against our first and second Amendment
350 rights.

351 They insist that FREEDOM to use alcohol outweighs the
352 devastation caused by its abuse. And this is REAL devastation,
353 measurable, and observable.

354 Today's Progressives likewise insist the "right to sexual freedom"
355 outweighs the devastating consequences of promiscuity among our
356 teens (3 million annual cases of STDs among teens), or that fact

357 that homosexuality is fraught with a myriad of diseases, some
358 unique to that behavior, and many directly exacerbated by it—that
359 it is WELL KNOWN an active homosexual's life expectancy is
360 about half of his heterosexual counterpart — but, hey, LISTEN, the
361 FREEDOM to engage in this behavior, and to promote it in our
362 community is so important, we all must LEARN TO LIVE with
363 these negatives — but when it comes to the FIRST AMENDMENT
364 FREEDOM and the SECOND AMENDMENT FREEDOM — they
365 constantly harp on every negative consequence of allowing these
366 freedoms and argue that these negative consequences are just too
367 extreme and unacceptable to allow people to have THESE
368 FREEDOMS.

369 So, the right to DISOBEY GOD’S LAWS must be protected AT
370 ALL COSTS TO INDIVIDUALS AND TO SOCIETY, any damage
371 to persons or to society arising from abuse of the RIGHT TO
372 DISOBEY GOD'S LAWS must be absorbed, accepted as a
373 necessary price to protect what they call “LIBERTY” — but the
374 DIVINELY ENDOWED RIGHTS from GOD MUST BE
375 INFRINGED UPON, CONTROLLED, CURTAILED and the
376 excuse used is the DANGER to society from ABUSE of these rights.

377 Let me ask you to pray about something with me, and part of this is
378 to prepare you for what is coming.

379 Have you ever read Ezekiel — when God revealed to Ezekiel what
380 was going on in the “secret chambers” — things that were
381 horrifying? When he revealed that the ancients were worshipping
382 the gods of Moloch, and Chemosh—gods that required human
383 sacrifice—these Jewish leaders were actually involved in the
384 worship of the gods of the people who were "indigenous" to the
385 land of Canaan? Ever read about that? How the Jewish people were
386 led by these wicked men to pass their children through the fire in
387 dedication to Moloch, and Chemosh, who are served by human
388 sacrifices, and they secretly worshipped Ashtoreth the goddess of

389 the Zidonians, for whom Jezebel was a faithful priestess—who is
390 worshipped by all manner of sexual perversion—by fornication
391 and eating foods sacrificed to idols—see I Kings 11:33—this is what
392 led to the first great split in Israel when GOD DIVIDED the
393 nation. California is introducing a curriculum to teach our
394 children in our public schools to worship the indigenous gods
395 which demand human sacrifice—will GOD DIVIDE AMERICA?

396 Have you noticed that the pagan religions — created by NIMROD
397 and his family, by the way — always include sexual deviation and
398 the sacrifice of children and virgins? They want to pass the
399 “children through the fire,” and offer their children to Moloch —
400 what is that about?

401 Do you believe Satan has a new plan? Do you believe he does
402 things differently today? Do you believe no one would buy in to
403 Satan’s offer to kneel to him for “power”?

404 Is the UNION headed for a DIVISION? Yep! More on my
405 livestream visit — Comfort and Counsel for the Present Distress.

406 I have lit the lamps in the Church belfry arch and now you let me
407 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE
408 ON and you will ride like Revere and spread the warning,
409 (essentially, it means you agree with what I’m saying) or you say
410 LIGHTS OFF -- which means you reject what I’m saying and
411 disagree strongly with me. So, what will it be today, lights on, or
412 lights off?
