

Brain Massage®: Show No. 823 "Storm" Clouds Are Gathering—Truth & Justice Are Coming / Red Dragon Rising!

Jerry Scheidbach

Original Air Date: 03.27.21

1 Segment.01 Hello. I'm Dr. Jerry Scheidbach, pastor of the  
2 Lighthouse Baptist Church in Santa Maria, CA—and your brain  
3 masseur—get ready for your brain massage.

4 Biden is on his way out! 25th for the Illegal President. Dems like  
5 illegal people. Illegal immigrants and illegal elections and illegal  
6 presidents. It's the ILLEGAL PARTY.

7 But we have to take a look at some of the key moments in this  
8 embarrassing moment for the United State. Trump is right! China  
9 thinks we are stupid!

10 And, of course the BORDER invasion!

11 The Red Dragon rising—! Preparing America for the invasion  
12 from within! Wait for it!

13 Crimes against humanity—if we will not judge these people, God  
14 will drop His judgment on them and on those who refused to  
15 execute justice upon them.

16 A COVID update, why we must be rigorous in our fact checking—  
17 remember, patriots, ONLY THE TRUTH CAN MAKE US FREE.

18 Oh, and what about the UFOs harassing our Navy destroyers off  
19 the California coast? Hmmm! Not reported by crazy guys in tin foil  
20 hats, friends, this is coming from MSM — squirrel.

21 It's time for your brain massage!

22 [TRUTH]

23 The illegal president will soon be legally removed so that illegal  
24 vice president can become the Obama-bot on the White House  
25 stage until the revolution begins.

26 Revolution! Who has been calling for a second "revolution"? Yes,  
27 Dems, you get the prize. Back in 2016, within days after Trump  
28 beat Hillary, Soros leftists went into the streets burning buildings,  
29 disrupting public transportation, looting stores, pummeling police  
30 and burning effigies of Trump. One actress held up a mock-severed  
31 head of Trump—other actors called for his assassination. Those  
32 Democrats are bloody, and mean, and VIOLENT.

33 While the open physical violence tampered down to threatening  
34 children in the streets if they wore any Trump paraphernalia, or  
35 knocking a MAGA hat off someone teenager's head, or throwing  
36 their drink into the face of a MAGA hat sporting Trump supporter,  
37 or, well, you were there. So you know what I mean. Democrats are  
38 mean, vicious and violent people.

39 And we need to beware we don't get sucked in by all this. Watch  
40 out—they will try to trigger you and then accuse you of attacking  
41 them. Yep! That's what they've been doing.

42 Anyway, Biden's days are numbered. It's the 25th for the Illegal  
43 President. Dems like illegal things. Illegal immigrants, illegal  
44 elections and illegal presidents—it's the ILLEGAL PARTY. The  
45 Party of Lawlessness.

46 But the LAW, like the TRUTH, will finally catch up to them.

47 You do understand why TRUTH and JUSTICE always seem to be  
48 behind, right? I explained it before? You don't remember? Okay.  
49 I'll sum up.

50 TRUTH is the default—the lie is the intruder. The intruder always  
51 has the advantage of surprise, and always has the initiative. A  
52 simple example: I used to run track. You get into the starting  
53 blocks and get into position, and wait for the starting gun to signal  
54 the beginning. The one who cheats always gets a head start—why?  
55 Well, because he starts illegally. Unless LAW is enforced, the

56 cheater gets a great advantage, and then all the honest people have  
57 to run hard to catch up.

58 The liar takes the initiative in every attack against the truth. Truth  
59 always has to play catch up. The criminal always starts out ahead of  
60 justice — justice has to catch up. You see — TRUTH and JUSTICE  
61 are the defaults — LIES and CRIMES are the intruders, they are the  
62 cheaters.

63 Be patient! Especially in an environment where the people  
64 appointed with the task of policing, and executing justice, and  
65 enforcing the rules have been bribed or threatened and so they are  
66 afraid to act — this allows the liars and criminals to get farther  
67 ahead of the TRUTH and JUSTICE.

68 But there is something about TRUTH and JUSTICE — it NEVER  
69 GOES AWAY! It never stops the pursuit. It's ALWAYS THERE —  
70 it IS the default! And liars and criminals WILL FINALLY MEET  
71 TRUTH AND JUSTICE.

72 Biden feels the heat of Truth's breath on his neck, and hears the  
73 step of JUSTICE at his heels. Hillary, Obama, Schumer, Schiff,  
74 Pelosi, all of them flinch at their shadow, see devils in their mirrors,  
75 cringe at their gnawing conscience, run to the bottle and to the pill  
76 and assuage the pain of their personal horrors in the fleeting  
77 moments of illicit pleasure, stolen innocence, a sacrifice to the  
78 devils that torment them—yet each begins nonetheless to feel the  
79 growing suffocation of guilt.

80 A soul was not made to carry so much weight of sin—wary in  
81 their ill doing, they grow tired of their tormentors, their mind  
82 fatigued from the energy required to maintain the facade that hides  
83 their evil—yes—much vigor is required to keep up the pretense  
84 and not show their disdain for the "lesser humans" and as vitality is  
85 drained they begin to let it slip, the facade cracks, the dark evil  
86 begins seeping from their eyes, and the greenish sulfur begins

87 coloring their foul breath and their words begin painting a public  
88 portrait of their wretched, corrupted, and diseased soul—finally,  
89 they collapse under the weight of their own sin. As TRUTH and  
90 JUSTICE gain on them, they become more erratic and  
91 unpredictable, and extreme—and dangerous!

92 Desperate for *life* they feed on the innocent—draining off the  
93 innocence and energy of children—the anticipation is enough to  
94 make them sometimes giggle in that hollow way that the wicked  
95 do. A Children's court judge, a Demoncrat, in Wisconsin<sup>1</sup> who was  
96 president of an LGBTQ organization that sponsored Drag Queen  
97 Story Hour, was arrested for uploading child pornography videos  
98 — the kind depicting children being sexually abused — and this  
99 creep is such a "nice guy" he used his friend's wife to do the uploads.

100 And now we discover that the "Obama Administration placed  
101 children with human traffickers, report says." Well, that was just an  
102 Alex Jones' thing, right? That came off the Q posts, right? Nope!  
103 That came from an article in the Washington Post.<sup>2</sup>

104 And we hear that "child sex trafficking has gone up 1,967%<sup>3</sup> since  
105 Biden came to Castle Rock studios (hehe). Remember, during the  
106 campaign he called for a surge at the Border when he became  
107 president—then they successfully stole the election—so, here they  
108 come!

109 And Kamala thinks a question about whether she plans to visit the  
110 border is "cute." *Well, not today*, cackle, snicker, snort — hehehe.  
111 Actually, she delivers more of a guffaw. "I've been there before," she  
112 said, flippantly, "and I'm sure I'll visit there again."

113 She taught herself to mock a laugh to cover the screams of her  
114 writhing, raging soul. That worm that never dies but feels the  
115 burning of hell's heat.

116 Biden bumbles along—phasing out and in—look at his eyes  
117 because there is certainly nothing to see *in* them. Even the picture  
118 book of journalists, with the question and the answer printed right  
119 in front of him was barely enough to keep him focused enough to  
120 avoid one of those now famous Biden moments—like when he  
121 looks to the side, at a handler, and ask *who do I call on next*.

122 Did you hear the gasp when he said he planned to run again in  
123 2024?

124 The best line in the entire presser was when he said he missed  
125 Trump. So do we!!!!

126 Trump is right! China looks at all of this nonsense and thinks  
127 Americans are stupid!

128 It's a sad day when America must be humiliated before the entire  
129 world. But remember, *before honor is humility* (Proverbs 15:33).  
130 Christian patriots, God has certainly called us to mourning and  
131 humility—when the wicked bear rule, the people mourn, and the  
132 fact that God would deliver this nation to the power of such a  
133 wicked, and obviously foolish man is clearly something that should  
134 humiliate every one of us. It is embarrassing that this got any votes  
135 at all, and impossible to believe he got anything like 80 million. Of  
136 course, when the truth catches up I think we will discover he did  
137 not get anywhere near that number of useful-idiots to vote for him.  
138 And when the TRUTH catches up — JUSTICE will be RIGHT  
139 THERE to execute WRATH UPON THE EVIL DOERS.

140 Hold on through the break. I'll be right back.

141 [PROMOTION] Russ Miller, Creation Evangelist, will be with us  
142 Saturday morning beginning at 9 AM. No one defends the biblical  
143 creation account better and exposes what Paul warned us about,

144 something he called science-falsely so-called (I Timothy 6:20) —  
145 than Evangelist Russ Miller. Oh, and yes, he is related to Roger  
146 Miller but he is not going to sing King of the Road—(music)—But,  
147 so as not to totally disappoint, I will play a little banjo ditty that  
148 Russ likes and it's about the foolishness of evolutionary theory—  
149 Truly, Russ is an expert in the subject, entertaining to hear, and  
150 you will be BLESSED! We begin Saturday at 9 am, and it continues  
151 all services SUNDAY AM. 9:30, 10:45 and 5PM.

152 See you in church! [END PROMOTION]

153 Segment.02 Hello. Welcome back! I'm Dr. Jerry Scheidbach, pastor  
154 at the Lighthouse, your brain masseur, and Paul Revere's lantern  
155 lighter, lighting the lamps in the church belfry arch, signaling the  
156 enemy is on the march, an enemy that would steal from us our  
157 liberty.

158 The Red Dragon rising—! Preparing America for the invasion  
159 from within!

160 John Ratcliffe, former DNI (Director of National Intelligence) was  
161 tasked to assess foreign interference in our 2020 election. He was  
162 supposed to present that assessment thirty days after the election.  
163 He was ready, but certain intelligence agencies balked and stalled.  
164 Finally it came out that there was infighting over the assessment of  
165 China's involvement in our elections. Some in the CIA and FBI did  
166 not want to implicate China—but the evidence presented to  
167 Ratcliffe convinced him China interfered, and in fact China was the  
168 primary offender, the driver of that interference. He presented this  
169 to Trump but got it to him very late. Trump delivered this report to  
170 the Military, and I think I heard he read Durham in.

171 It appears Trump wants the civil authorities to rule on the obvious  
172 evidence of domestic fraud — the Giuliani approach — rather than  
173 move forward on the foreign interference intelligence believing the

174 domestic argument is adequate, and that we can deal with the  
175 foreign interference in another way.

176 But this is the reason Biden gets virtually no respect from key  
177 members of the military—for example, he was expressly dissed by  
178 Pentagon when they refused to give Biden's team access to "critical  
179 information about current operations." He was told it's "need to  
180 know." And he did not need to know.<sup>4</sup>

181 Many have questioned whether he should have access to what is  
182 called the "football," others question whether he even has it. He had  
183 to charter a private jet to get to his own inauguration and questions  
184 have been raised about whether he is actually operating out of the  
185 White House. It's so tightly locked down — who knows! I've heard  
186 the rumors about him going to Castle Rock studios in Colorado  
187 and some of the evidence looks compelling — a Tweet from one of  
188 the photographers with the WH press corps complained about the  
189 restrictions they have to work under covering the Biden occupancy  
190 and oddly added *we know the difference between a studio and the*  
191 *White House* — or something like that. I could not verify the  
192 source—but it's weird how many rumors like this are floating  
193 around.

194 And he says the dumbest stuff! But it's the dangerous stuff that  
195 concerns us!

196 Here is what the Biden and the Demoncrats are doing to prepare  
197 America for the CCP occupation of America.

198 First, they perceive the military as their primary threat:<sup>5</sup> —From  
199 the Epoch Times, "Marine Officer Warns Congress Against  
200 Classifying Christians in Military as 'Religious Extremists.' From  
201 the article: "A slide used in a Department of Defense (DOD)  
202 training manual identified Catholics and evangelical Christians as

203 'religious extremists,' along with member of the Ku Klux Klan, al  
204 Qaeda and Hamas, according to a Marine Corps officer." This is  
205 corroborated by First Liberty Institute, in Plano Texas who  
206 obtained a screenshot of an unclassified slide from a U. S. Army  
207 training manual. It's titled 'Religious Extremism,' and includes  
208 Evangelical Christianity and Catholicism." Neither of which  
209 advocates for violence.

210 Austin appealed to this as a pretext to call for a purge of these  
211 "extremists" from the military. Are you listening?

212 Ironically, "Committee Chairman Adam Smith (D-Wash.) ...  
213 [said] 'if you serve in the military, you pledge an oath to the U. S.  
214 Constitution and to the laws of this country. If you disagree with  
215 that Constitution and to the laws of this country so strongly that  
216 you no longer think our government is legitimate, then you have  
217 no business serving in the U.S. military and you should get out  
218 now.'"<sup>6</sup> Well, I must say I totally agree with that statement. Which is  
219 the reason anyone supporting the Democrat's theft of an election  
220 should immediately be discharged — without honor!

221 Mr. Smith — you are part of a coupe, you are part of an illegal  
222 government. But in order for CCP to take over our military, they  
223 need to get rid of those who actually believe in the  
224 CONSTITUTION as the highest LAW OF THE LAND. They need  
225 to get rid of those who take their oath to defend the  
226 CONSTITUTION against all enemies, foreign and domestic.

227 It would make their job a lot easier to not have to deal with an  
228 Army that would resist being taken over by CCP.

229 And then there is something called the Security Clearance  
230 Improvement Act.

231 Security Clearance Improvement Act of 2021.<sup>7</sup> This bill was  
232 introduced on Jan. 9, 2021 as a response to the Jan. 6 STAGED  
233 INSURRECTION. It "requires the Office of Personnel  
234 Management to revise Standard Form 86 (Questionnaire for  
235 National Security Positions) to specifically include questions  
236 regarding an individual's (1) affiliation with organizations or  
237 movements that spread conspiracy theories and false information  
238 about the U.S. government, and (2) participation in the activities  
239 that occurred at the U.S. Capitol on January 6, 2021, or in similar  
240 activities."

241 In other words, if you participated in the PEACEFUL PROTEST  
242 on Jan. 6, you can be banned from holding office in this country. If  
243 they check your social media and discover you mentioned Q or  
244 spoke of the election as being stolen by fraud, you can be banned  
245 from holding office in America.

246 But, not if you are a Communist! Uh huh! You can hold office in  
247 America if you are a Communist but not if you are a Constitutional  
248 conservative. Governor Newsome's old AG pick sponsored a Bill  
249 allowing communists to serve in government.<sup>8</sup> You see, there are  
250 so many Democrats that actually ARE connected with the CCP,  
251 that's the CHINESE COMMUNIST PARTY — in order for the  
252 CCP to take over, they need to change our laws to allow  
253 Communists to hold office—otherwise, when it comes out, the  
254 Communists serving right now will have to, well, they will have to  
255 resign or be arrested, or you, something like that when TRUTH  
256 arrives, Justice is close behind!

257 Like when Defense Department Linguist Mariam Taha Thompspon  
258 transmitted highly sensitive classified national defense information  
259 to "AID A FOREIGN GOVERNMENT," in this case, to Lebanese  
260 Hizballah — and in case you don't know, that's a designated

261 terrorist organization. So, "She will now be held to account for this  
262 disgraceful personal and professional betrayal of country and  
263 colleagues." You see what I mean? Truth just keeps coming!

264 But the wicked are bold—they get it from their lion—the one that  
265 prowls about looking for someone innocence to devour—so they  
266 don't worry that their own rule might be applied to them. You  
267 know that affiliation with the Democrat Party connects you with  
268 an "organization" that spread conspiracy theories about Russian  
269 collusion for four years—nonstop! Not one member of any MSM  
270 outlet could hold office. No one who subscribes to Washington  
271 Post, New York Times, or who imbibes the tripe disseminated by  
272 CNN 24/7 — or MSNBC, or CBS, or ABC — none of these people  
273 could hold any clearance because they all participated in  
274 PROMOTING THE CONSPIRACY THEORY that Trump stole  
275 the election, that he was an unlawful president because he colluded  
276 with Russia interfering with our election—and, mind you, certainly  
277 those at the top of this, KNEW PERFECTLY WELL IT WAS ALL  
278 A LIE.

279 So, you see, the truth is, the next thing to do is make certain we  
280 don't have any of those pesky Christians participating in the  
281 Federal government at all; at least not in any capacity requiring  
282 security clearance.

283 This will help the CCP take over much more easily, and, even  
284 better, it puts everything in place they need so that when they do  
285 take over, they can start segregating believers from society, isolate  
286 them and demonize them as a pariah on society, and then begin to  
287 purge them from society. Once they get Americans hating  
288 Christians, which, in a nation controlled and overrun by children  
289 of disobedience, who can be taken captive by Satan at his will, this  
290 will not be too hard to do, well they can start disappearing  
291 Christians without interference from WE THE PEOPLE.

292 So, drive them out of the military—get America's military firmly in  
293 the grip of Satan and satanists, and the children of disobedience.

294 Drive them out of government, at least out of the federal  
295 government.

296 And, oh yeah, one more thing—disarm them! Take away their  
297 arms. This is developing on two fronts.

298 Recently the 9th circuit court of appeals ruled that Americans DO  
299 NOT HAVE A RIGHT TO BEAR ARMS EITHER IN OPEN  
300 CARRY OR CONCEALED. That's right. The 9th Court has ruled  
301 that there is NO RIGHT TO BEAR ARMS in the Constitution.

302 And at the same time, Biden is appealing to the SCOTUS to  
303 empower Federal and State police to go into your home, without a  
304 warrant, and confiscate your firearms. To get away with this, they  
305 will promise only to take away your AR-15s — but we have all been  
306 around long enough to know they will not stop until they have  
307 disarmed every American —

308 Then we will be prepared for the great TAKEOVER — when the  
309 CCP will openly rule our country.

310 I don't think it will get that far — but we are fools if we don't pay  
311 attention to what is going on, and what they are trying to do right  
312 now.

313 Take all of this with HR1 — which is an effort to take away our  
314 voice from the ballot box permanently.

315 Tell me, who is the idiot that is saying, hey everybody, let's focus on  
316 2024. YOU had better focus on these ATTACKS that are coming at  
317 you right now. If they pass HR1 — you can forget about 2022 or  
318 2024. Communist China is right now in the process of invading the  
319 USA—and you had better stand your ground!

320 Our theme this year is STAND! Come take a STAND with us.

321 The CHURCH is the pillar and ground of the TRUTH. Every  
322 church that sits back and allows these lies to go unchallenged is  
323 working for the DEVIL! You had better "come out of her my  
324 people."

325 I'll have to address the interesting update I have on the COVID  
326 thing, the vaccine thing, the crimes against humanity thing, and  
327 the UFOs that were spotted harassing our Navy destroyers  
328 deployed off the California coast lately — oh yeah! And these are  
329 not reports coming from guys under tin foil hats — actual military  
330 log entries describing unidentified flying objects playing with our  
331 ships—. What's that about?

332 But I can't leave you steeping in all this REALITY NEWS! I'm often  
333 asked, Jerry, how do you stay upbeat in all of this. Well, first, you  
334 deserve to know I get down too — I don't think Daniel in  
335 BABYLON went three times a day to kneel before his open window  
336 facing Jerusalem to pray did it because he was so glad to be in  
337 Babylon. No, he did it mourning the plight of his people once  
338 FREE and independent. And Jeremiah, the elder statesman when  
339 Daniel was carried away, is not called the weeping prophet for  
340 naught.

341 Nevertheless, they not only survived Babylon, they thrived!

342 You see, there are four things I remember sometimes several times  
343 a day, and remind my friends about almost daily. The four never  
344 changing truths:

345 GOD IS ON HIS THRONE. He rules from the Heavens and He  
346 will hear the humble cry to Him for deliverance from oppression.

347 The REMNANT is under His wings—for protection and provision.

348 Our MISSION never changes. WE are the salt and light, we have  
349 the TRUTH, and the SPIRIT OF TRUTH dwells in us and works  
350 through us.

351 And finally, our HOPE is REAL. In other words, because of these  
352 three unchanging truths, our HOPE IS REAL.

353 Learn about our HOPE— come on to the LIGHTHOUSE.

354 I have lit the lamps in the Church belfry arch and now you let me  
355 know if you see them. It's LIGHTS ON if you see the LIGHTS ARE  
356 ON and you will ride like Revere and spread the warning,  
357 (essentially, it means you agree with what I'm saying) or you say  
358 LIGHTS OFF -- which means you reject what I'm saying and  
359 disagree strongly with me. So, what will it be today, lights on, or  
360 lights off?
